On December 19, 2006, Innovex, Inc. (the Company) entered into a new credit facility with Bank of Ayudhya Public Company Limited (BAY) and TMB Bank Public Company Limited (TMB) which expanded the existing credit facility with these banks. The new Third Credit Facilities Agreement provides for an additional 600 million baht facility to be used for procurement of equipment within 24 months from the effective date. The interest rate will be one percent less than the average of the BAY and TMB minimum loan rate (MLR) for two years and one half percent less than the average of the BAY and TMB MLR for the remainder of the term. The term of the facility is 72 months. Payments under the facility will be made in 16 equal quarterly payments beginning in the 9th quarter after the effective date. The facility is secured by a mortgage on the new equipment purchased under the facility and all equipment, land and buildings subsequently released from the Second Credit Facilities Agreement.

In addition, the Second Credit Facilities Agreement has been amended and restated to broaden the availability of the 300 million baht portion of the Packing Credit to allow draw down based on the usage of Innovex Inc. backed by customer purchase orders and the covenants were modified to allow the Debt Service Coverage Ratio to be not less than 1.2 to 1 for fiscal 2007 through 2009 and lower the Long-Term Debt to Equity ratio to 1.5 for the remainder of the facilities term.
