Item 1.01 Entry into a Material Definitive Agreement.

On November 30, 2011, Vishay Advanced Technologies Ltd. (VAT), an Israeli company and indirect subsidiary of Vishay Precision Group, Inc. (the Company), entered into a Credit Agreement (the Credit Agreement) with HSBC Bank Plc (the Lender), pursuant to which the Lender has made available to VAT a multi-currency, secured revolving facility in an aggregate principal amount up to \$15.0 million (the Revolving Facility). The Revolving Facility terminates on November 30, 2014.

Interest payable on the Revolving Facility is based upon LIBOR (Base Rate). An interest rate margin of 2.15% per annum is added to the Base Rate to determine the interest payable on loans under the Revolving Facility. VAT paid a one-time fee on the commitment and is required to pay a quarterly fee of 0.35% per annum on the unused portion of the Revolving Facility. VAT may borrow funds in U.S. dollars or Euros.

The obligations under the Revolving Facility are guaranteed by the Company and certain of its Israeli subsidiaries (such subsidiaries, the Guarantors). The obligations of VAT, the Company and the Guarantors under the Revolving Facility are secured by substantially all the assets of VAT and the Guarantors. The Credit Agreement restricts VAT and each Guarantor from paying cash dividends (with certain exceptions) and requires VAT to comply with other customary covenants, representations and warranties, including the maintenance of specific financial ratios.

The foregoing description of the Credit Agreement, the Revolving Facility and the guarantees entered into thereunder does not purport to be a complete description of the parties' rights and obligations under the Credit Agreement and the other documents and transactions contemplated by the Credit Agreement. As such, the foregoing description is qualified in its entirety by the reference to the complete text of the Credit Agreement and the guarantee of VPG, copies of which are attached to this Current Report on Form 8-K (Form 8-K) as Exhibits 10.1 and 10.2 respectively, and are incorporated herein by this reference.

Item 2.03 Creation of a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement of a Registrant.

The information set forth under item 1.01 of this Form 8-K is incorporated herein by reference.
