This purchase was made through the F & M Bank Corp. Employee Stock Purchase Plan whereby the price for the month's purchases is determined at the end of that month in which the purchases were made. It takes several days for the Plan Trustee to make calculations and send to us. This resulted in the late reporting of this transaction and the difference in the price on date reported and date purchased.

Note: File three copies of this Form, one of which must be manually signed. If space is insufficient, see Instruction 6 for procedure. Potential persons who are to respond to the collection of information contained in this form are not required to respond unless the form displays a currently valid OMB number.
