SECTION 4 - Matters Related to Accountants and Financial Statements

Item 4.01 Changes in Registrant's Certifying Accountant.

On October 30, 2006, Bagell, Josephs, Levine & Company, L.L.C. (the "Former Accountant") was dismissed as the Company's accountant. The Company has engaged Ronald N. Silberstein, CPA, PLLC as its principal accountants effective October 30, 2006. The decision to change accountants was approved by the Company's board of directors. The Company did not consult with Ronald N. Silberstein, CPA, PLLC on any matters prior to retaining such firm as its principal accountants.

The Former Accountant's audit reports on the financial statements of the Company for the fiscal years ended June 30, 2005 and June 30, 2006 contained no adverse opinion or disclaimer of opinion, nor were they qualified or modified as to uncertainty, audit scope or accounting principles, except as follows:

1. the audit reports on the financial statements of the Company for the fiscal years ended June 30, 2005 and June 30, 2006 contained an uncertainty about the Company's ability to continue as a going concern, and
2. the audit report on the financial statements of the Company for the fiscal year ended June 30, 2006 indicated that the Company's financial statements for the year ended June 30, 2005 have been restated to reflect changes in accounting principles and changes due to corrections of errors as a result of material weaknesses with regard to insufficient personnel in the Company's accounting and financial reporting functions and in controls over closing procedures, including the (a) recognition of expenses in appropriate periods, and (b) the accounting and reporting of capital transactions.

During the years ended June 30, 2005 and June 30, 2006, and through the interim period ended October 30, 2006, there were no disagreements with the Former Accountant on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedures, which disagreements if not resolved to the satisfaction of the Former Accountant would have caused them to make reference thereto in their reports on the financial statements for such periods.

During the years ended June 30, 2005 and June 30, 2006, and through the interim period ended October 30, 2006, the Former Accountant did not advise the Company with respect to any of the matters described in paragraphs (a)(1)(iv)(A) and (B) of Item 304 of Regulation S-B.

On October 30, 2006, the Company provided the Former Accountant with its disclosures in this Form 8-K disclosing the dismissal of the Former Accountant and requested in writing that the Former Accountant furnish the Company with a letter addressed to the Securities and Exchange Commission stating whether or not they agree with such disclosures.
