Item 5.02 Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers

At the 2012 Annual Meeting of Shareholders (the “Annual Meeting”) of Intermountain Community Bancorp (“Intermountain” or the “Company”) held on May 17, 2012, Intermountain’s shareholders approved the 2012 Stock Option and Equity Compensation Plan (the “2012 Equity Plan”). The 2012 Equity Plan authorizes the issuance of stock awards for up to 1,000,000 shares of Intermountain’s common stock to employees and directors in the form of incentive and nonqualified stock options, restricted stock, stock appreciation rights and restricted stock units. The 2012 Equity Plan limits the number of shares subject to awards to directors to 200,000 shares. Intermountain’s Compensation Committee and Board of Directors previously approved the 2012 Equity Plan, subject to such shareholder approval. Intermountain’s executive officers are eligible to participate in the 2012 Equity Plan.

A summary of the 2012 Equity Plan is set forth in Intermountain’s definitive proxy statement for the Annual Meeting filed with the Securities and Exchange Commission on April 19, 2012 (the “2012 Proxy Statement”). The foregoing description of the 2012 Equity Plan is qualified in its entirety by reference to the full text of the 2012 Equity Plan, which was included as an appendix to the 2012 Proxy Statement, and incorporated herein by reference.

Item 5.03 Amendments to Articles of Incorporation or Bylaws; Change in Fiscal Year End

At the Annual Meeting held on May 17, 2012, the shareholders of Intermountain approved two separate amendments to the Company’s articles of incorporation to (i) authorize a new class of non-voting common stock; and (ii) effect a reverse stock split of common stock by a ratio of not less than one-for-five and not more than one-for-ten at any time prior to May 31, 2013, the exact range to be set by the Board of Directors, and to reduce the number of authorized shares of common stock by the reverse stock split ratio. The amendment to authorize a new class of non-voting common stock became effective on May 17, 2012, upon the filing of articles of amendment with the Idaho Secretary of State. The amendment authorizing the reverse stock split and the reduction of the number of authorized shares of common stock by the reverse stock split ratio will not be filed and become effective until such time as the Board, in its sole discretion, determines it appropriate to implement the reverse stock split, but in no event later than May 31, 2013. A copy of the amendment to the articles of incorporation authorizing the non-voting common stock, as filed on May 17, 2012, is attached hereto as Exhibit 3.1 and is incorporated herein by reference.
