R.O.S.E. Online Commercialized in Japan

Seoul, South Korea - July 15, 2005 - Gravity Co., Ltd. (Nasdaq: GRVY), an online game developer and distributor, today announced that its online game R.O.S.E. Online has been commercialized in Japan following a beta test. Gravity plans to focus on the Japanese market given its prominence as one of the world's top gaming markets.

Along with the commercialization, a new billing model <Style Select> has been introduced, which enables users to choose a tailored billing system. There are three 'Set billing model' named Light, Basic, and Complete. <Style Select> is charged conveniently with electronic currency exclusive to internet shopping, and the electronic currency is available in 30,000 stores including online and convenience stores.

David Woong Jin Yoon, CEO of Gravity commented, "The Japanese online gaming market continues to grow along with the increased adoption of broadband Internet services. For a successful commercialization of R.O.S.E. Online in this important gaming market, our distributor is implementing a diverse marketing strategy, including celebrity marketing, to provide services in the Japanese market."
