DIXON TICONDEROGA COMPANY AND SUBSIDIARIES

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

1. Basis of presentation:

The condensed consolidated financial statements included herein have been prepared by the Company, without audit, pursuant to the rules and regulations of the Securities and Exchange Commission. Certain information and footnote disclosures normally included in financial statements prepared in accordance with generally accepted accounting principles have been condensed or omitted pursuant to such rules and regulations, although the Company believes that the disclosures are adequate to make the information presented not misleading. It is suggested that these financial statements be read in conjunction with the financial statements and the notes thereto included in the Company's latest annual report on Form 10-K. In the opinion of the Company, all adjustments (solely of a normal recurring nature) necessary to present fairly the financial position of Dixon Ticonderoga Company and subsidiaries as of December 31, 2002, and the results of their operations and cash flows for the three months ended December 31, 2002 and 2001, have been included. The results of operations for such interim periods are not necessarily indicative of the results for the entire year.

In August 2001, the Emerging Issues Task Force ("EITF") issued EITF No. 01-02, "Accounting for Consideration Given by Vendor to a Customer or a Reseller of Vendor's Product", which codified and reconciled the Task Force's consensuses in EITF 00-14, "Accounting for Certain Sales Incentives", EITF 00-22, "Accounting for Points and Certain Other Time Based Sales Incentives or Volume Based Sales Incentive Offers, and Offers of Free Products or Services to Be Delivered in the Future", and EITF 00-25, "Vendor Income Statement Characterization of Consideration Paid to a Reseller of the Vendor's Products". These EITF's prescribe guidance regarding the timing of recognition and income statement classification of costs incurred for certain sales incentive programs to resellers and end consumers. The adoption of EITF No. 01-09 had no impact on results of operations. The Consolidated Statement of Operations for the three months ended December 31, 2001 has been reclassified to reflect certain sales incentives as reductions of gross revenue that were previously classified as selling expenses.

Certain other prior year amounts have been reclassified to conform with the current year classifications.

2. Inventories:

Since amounts for inventories under the LIFO method are based on annual determinations of quantities and costs as of the end of the fiscal year, the inventories at December 31, 2002 (for which the LIFO method of accounting are used) are based on certain estimates relating to quantities and costs as of year end.

Inventories consist of (in thousands):

3. RECENT ACCOUNTING PRONOUNCEMENTS:

In April 2002, the FASB issued Statement No. 145 "Rescission of FASB Statements No. 4, 44 and 64, Amendment of FASB Statement No. 13, and Technical Corrections". The statement addresses the accounting for extinguishment of debt, sale-leaseback transactions and certain lease modifications. The statement is effective for transactions occurring after May 15, 2002. The Company does not expect the adoption of Statement No. 145 to have a material impact on the Company's future results of operations or financial position.

In July 2002, the FASB issued Statement No. 146, "Accounting for Costs Associated with Exit or Disposal Activities". The statement addresses financial accounting and reporting for costs associated with exit or disposal activities and nullifies Emerging Issues Task Force Issue No. 94-3, "Liability Recognition for Certain Employee Termination Benefits and Other Costs to Exit an Activity (Including Certain Costs Incurred in a Restructuring)." The provisions of Statement No. 146 are effective for exit or disposal activities that are initiated after December 31, 2002. The Company does not expect the adoption of Statement No. 146 to have a material impact on the Company's future results of operations or financial position.

In November 2002, the FASB issued FASB Interpretation No. (FIN) 45, Guarantor's Accounting and Disclosure Requirements for Guarantees, Including Indirect Guarantees of Indebtedness of Others. FIN 45 elaborates on the disclosures to be made by a guarantor about its obligations under certain guarantees that it has issued. It also clarifies that a guarantor is required to recognize, at the inception of a guarantee, a liability for the fair value of the obligation undertaken in issuing the guarantee. The recognition and measurement provisions of this Interpretation are effective for all guarantees issued or modified after December 31, 2002. The Company has no guarantees of others which require disclosure at this time.

In December 2002, the FASB issued Statement No. 148, "Accounting for Stock-Based Compensation - Transition and Disclosure," amending FASB Statement No. 123, "Accounting for Stock-based Compensation." This statement provides two additional alternative transition methods for recognizing an entity's voluntary decision to change its method of accounting for stock-based employee compensation to the fair-value method. In addition, the statement amends the disclosure requirements of FASB Statement No. 123 so that entities will have to (1) make more-prominent disclosures regarding the pro forma effects of using the fair-value method of accounting for stock-based compensation, (2) present those disclosures in a more accessible format in the footnotes to the annual financial

Edgar Filing: DIXON TICONDEROGA CO - Form 10-Q

statements, and (3) include those disclosures in interim financial statements. Statement No. 148's transition guidance and provisions for annual disclosures are effective for fiscal years ending after December 15, 2002; earlier application is permitted. The provisions for interim-period disclosures are effective for financial reports that contain financial statements for interim periods beginning after December 15, 2002.

4. RESTRUCTURING AND RELATED COSTS:

In fiscal 2002, the Company provided approximately \$1,155,000 for restructuring and improvement related costs in connection with Phase 3 (the final phase) of its Restructuring and Cost Reduction Program, which includes a plant closure and further consolidation of its manufacturing operations into the Company's Mexico facility and additional personnel reductions, primarily in manufacturing and corporate activities. An additional 120 employees (principally plant workers) were affected by the final phase of the program. The carrying amount of additional property to be held for disposal at completion of Phase 3 is approximately \$200,000.

9

The restructuring and impairment related charges (principally severances, other employee costs and contractual obligations) and utilization since September 30, 2002 are summarized below (in thousands):

	Employee severance and related costs	Other	Total
	-----	-----	-----
Reserve balances at September 30, 2002	\$ 1,110	\$ 45	\$ 1,155

Reserve balances at December 31, 2002	\$ 934	\$ 42	\$ 976
	=====	=====	=====

In the prior year quarter ended December 31, 2001, the Company additionally provided approximately \$175,000 for severances and lease settlement costs.

5. DEBT FINANCING COSTS:

In connection with the completion of its debt restructuring on October 3, 2002, the Company expensed approximately \$625,000 of deferred financing costs associated with its previous senior debt with a consortium of lenders (which was repaid) and its previous subordinated debt agreements (which were substantially modified).

6. LINE OF BUSINESS REPORTING:

Due to the Company's plan to exit the Industrial Group (Note 6), the Company's continuing operations consist only of one principal business segment - its Consumer Group. The following information sets forth certain additional data pertaining to its operations for the three-month periods ended December 31, 2002 and 2001 (in thousands).

7. DISCONTINUED OPERATIONS:

In September 2001, the Company formalized its decision to offer for sale its New Castle Refractories division, the last business of its Industrial Group. In December 2002, the Company entered into an agreement to sell this division to local management. The transaction is expected to close in early 2003. Provision has been made for the expected operating losses of the Industrial Group through the expected disposal date and, accordingly, no results from discontinued operations are reflected in the accompanying consolidated financial statements.

Item 2.

MANAGEMENT'S DISCUSSION AND ANALYSIS OF

FINANCIAL CONDITION AND RESULTS OF OPERATIONS

RESULTS OF OPERATIONS

REVENUES for the quarter ended December 31, 2002, decreased \$1,626,000 from the prior year. The changes are detailed below:

	Increase (Decrease) (in thousands)	% Increase (Decrease) -----	Total -----	Volume -----	Price/Mix -----
U.S. Consumer	\$ (1,188)	(11)	(7)	(4)	
Foreign Consumer	(438)	(6)	(7)	1	

U.S. Consumer revenue decreased principally due to a shift in purchasing by major educational wholesalers that deferred shipments to the Company's later fiscal quarters. The decrease in Foreign Consumer revenue was due principally to lower volume in the mass retail channel. In addition, Mexico price increases offset an approximate 10% decrease in the value of the Mexican peso as compared to the U.S. dollar. The effect of this devaluation was approximately \$420,000.

While the Company has operations in Canada, Mexico and the U.K., historically only the operating results in Mexico have been materially impacted by currency fluctuations. There has been a significant devaluation of the Mexican peso at least once in each of the last three decades, the last one being in August, 1998. In the short term after such a devaluation, consumer confidence has been shaken, leading to an immediate reduction in revenues in the months following the devaluation. Then, after the immediate shock, and as the peso stabilizes, revenues tend to grow. Selling prices tend to rise over the long term to offset any inflationary increases in costs. The peso, as well as any currency value, depends on many factors including international trade, investor confidence, and government policy, to name a few. These factors are impossible for the Company to predict, and thus, an estimate of potential effect on results of operations for the future cannot be made. This currency risk in Mexico is presently managed through occasional foreign currency hedges, local currency financing and by export sales denominated in U.S. dollars.

OPERATING LOSS increased overall by \$414,000 from last year's quarter. However, the current fiscal quarter included \$625,000 in debt refinancing costs, expensed in connection with the Company's debt restructuring completed on October 3, 2002. In addition, restructuring and related costs decreased by \$100,000. Excluding these items, operating loss would have been lower by approximately \$111,000. This improvement is attributable to increased contribution margins in the U.S. due to the favorable impact of its consolidation and cost reduction programs. Despite the decrease in revenues discussed above, operating income improved due to lower selling and administrative expenses (36.1% of sales as compared with 37.8% in the prior year quarter). Lower variable U.S. marketing costs and commissions, as well as decreased salaries, fringes and distribution costs, contributed to this improvement.

OTHER INCOME represents import duty rebates received in each period

Edgar Filing: DIXON TICONDEROGA CO - Form 10-Q

presented. Similar receipts in the future are subject to Federal legislation and the activities of various foreign pencil manufacturers.

INTEREST EXPENSE decreased \$70,000 on lower overall consolidated borrowings.

INCOME TAX benefit decreased \$17,000 despite a larger pre-tax loss due to the effects of foreign tax rates and lower effective state tax rates.

MINORITY INTEREST represents approximately 3% of the net results from operations of the Company's Mexico subsidiary.

12

CURRENT ECONOMIC ENVIRONMENT AND EVENTS

Although not directly impacted by recent events in the U.S. and abroad, management believes that softening economic conditions have recently affected and could continue to affect the retail mass or other markets served by the Company's Consumer Group and thus could lead to reduced overall revenues. In addition, certain expenses which have risen recently (such as insurance costs) could continue to trend significantly higher in the coming years due to recent events.

LIQUIDITY AND CAPITAL RESOURCES

The Company generated approximately \$1.4 million in cash flows from operating activities in the first quarter of fiscal 2003. In the prior year period, cash flows from operating activities amounted to \$1.3 million. Increased accounts receivable collections were partially offset by higher inventories reflecting safety stocks and increased purchases in Mexico as a result of the Company's continuing consolidation activities. In addition, higher cash flows were used to extinguish certain trade liabilities.

The Company's fiscal 2003 investing activities included approximately \$386,000 in net purchases of property and equipment, compared to \$511,000 in the prior year period. Generally, all major capital projects are discretionary in nature and thus no material purchase commitments exist. Capital expenditures are usually funded from operations and existing financing or new leasing arrangements.

On October 3, 2002, the Company completed a financing agreement with a new senior lender and its existing subordinated lenders to restructure its present U.S. debt through fiscal 2005. Foothill Capital Corporation has provided a three-year \$28 million senior debt facility which replaces the Company's previous senior debt with a consortium of lenders. The new senior debt arrangement provides approximately \$5 million in increased working capital liquidity for operations and to make certain subordinated debt payments.

The senior debt facility includes a \$25 million revolving loan, which bears interest at either the prime rate (4.75% at September 30, 2002), plus 0.75%, or the prevailing LIBOR rate (approximately 1.8% at September 30, 2002), plus 3.5%. Borrowings under the revolving loan are based upon 85% of eligible U.S. and Canada accounts receivable, as defined; 50% of certain accounts receivable having extended payment terms; and varying advance rates for U.S. and Canada raw materials and finished goods inventories. The facility also includes term loans aggregating \$3 million, which bear interest at either the prime rate, plus 1.5%, or the prevailing LIBOR rate, plus 4.25%. These loans are payable in monthly installments of \$50,000, plus interest, with the balance due in a balloon payment in October 2005. The loan agreement also contains restrictions regarding the payment of dividends as well as subordinated debt payments (discussed below), a requirement to maintain a minimum level of earnings before interest, taxes, depreciation and amortization and net worth and a limitation on

Edgar Filing: DIXON TICONDEROGA CO - Form 10-Q

the amount of annual capital expenditures. To better balance and manage overall interest rate exposure, the Company previously executed an interest rate swap agreement that effectively fixed the rate of interest on \$8 million of its variable rate debt at 8.98% through August 2005.

These financing arrangements are collateralized by the tangible and intangible assets of the U.S. and Canada operations (including accounts receivable, inventories, property, plant and equipment, patents and trademarks) and a guarantee by and pledge of capital stock of the Company's subsidiaries. As of December 31, 2002, the Company had approximately \$15 million of unused lines of credit available.

On October 3, 2002, the Company also reached agreement with the holders of \$16.5 million of Senior Subordinated Notes to restructure the notes, extending the maturity date to 2005. The Company is only required to pay monthly installments of \$50,000 through December 2003 and \$150,000 per month from January 2004 through the maturity date. However, the Company paid \$1 million in principal (and \$2.1 million of accrued interest) at closing of the new senior debt facility and expects to make additional excess payments to its subordinated lenders over the next three years. Additional payments of \$500,000 were made prior to December 31, 2002. Payments to the subordinated lenders are subject to certain restrictions imposed under the senior debt facility. Interest on the balance of subordinated debt is paid quarterly. If the Company is unable to make scheduled and additional excess payments totaling at least \$7.5 million by 2005 (due to restrictions imposed under the new senior debt facility or otherwise)

13

the noteholders will receive warrants equivalent to approximately 1.6% of the diluted common shares outstanding for each \$1 million in unpaid principal, in addition to warrants for 300,000 common shares with an exercise price of \$7.24 per share (expiring in September 2003) now held by them. Any warrants received or earned will be relinquished if the notes are paid in full during the term of the new agreement. The agreement also grants the subordinated lenders a lien on Company assets (junior in all aspects to the new senior debt collateral agreements described above). The interest rate on the subordinated notes had been 13.5% through June 30, 2002 [12% payable in cash and 1.5% payable-in-kind (PIK)] plus an additional 2% on past due amounts. At closing, the interest rate on the notes was changed to 12.5% (without PIK) through maturity in October 2005. The new subordinated note agreement includes certain other provisions, including restrictions as to the payment of dividends and the elimination or adjustment of financial covenants contained in the original agreement to conform to those contained in the new senior debt agreements.

In addition, the Company's Mexico subsidiary had approximately \$12 million in bank lines of credit (\$7 million unused) as of December 31, 2002, expiring at various dates from March 2003 through October 2004, which bear interest at a rate based upon either a floating U.S. bank rate or the rate of certain Mexico government securities. The Company is awaiting approval on additional Mexico lines of credit and is presently reviewing other debt proposals for this subsidiary. The Company relies heavily upon the availability of the lines of credit in the U.S. and Mexico for liquidity in its operations.

The Company believes that amounts available from its lines of credit under its senior debt and under lines of credit available to its Mexican subsidiary are sufficient to fulfill all current and anticipated operating requirements of its business through 2005. The Company's Mexico subsidiary cannot assure that each of its lines of credit will continue to be available after their respective expiration dates, or that replacement lines of credit will be secured. However, the Company believes there should be sufficient amounts available under its present or future facilities or lines of credit to cover any potential shortfalls due to any expiring lines of credit.

The Company has retained Wachovia Securities (formerly First Union

Edgar Filing: DIXON TICONDEROGA CO - Form 10-Q

Securities) and certain other outside consultants to advise and assist it in evaluating certain strategic alternatives, including capital restructuring, mergers and acquisitions, and/or other measures designed to maximize shareholder value.

Contractual obligations as of December 31, 2002 are summarized in the table below. Although classified as current maturities in the accompanying consolidated financial statements and due in the current fiscal year below, U.S. senior debt of \$11,420 and Mexico notes payable of \$4,750 are expected to remain outstanding as revolving lines of credit for working capital purposes through 2005.

RECENT ACCOUNTING PRONOUNCEMENTS

In April 2002, the FASB issued Statement No. 145 "Rescission of FASB Statements No. 4, 44 and 64, Amendment of FASB Statement No. 13, and Technical Corrections". The statement addresses the accounting for extinguishment of debt, sale-leaseback transactions and certain lease modifications. The statement is effective for transactions occurring after May 15, 2002. The Company does not expect the adoption of Statement No. 145 to have a material impact on the Company's future results of operations or financial position.

In July 2002, the FASB issued Statement No. 146, "Accounting for Costs Associated with Exit or Disposal Activities". The statement addresses financial accounting and reporting for costs associated with exit or disposal activities and nullifies Emerging Issues Task Force Issue No. 94-3, "Liability Recognition for Certain Employee Termination Benefits and Other Costs to Exit an Activity (Including Certain Costs Incurred in a Restructuring)". The provisions of Statement No. 146 are effective for exit or disposal activities that are initiated after December 31, 2002. The Company does not expect the adoption of Statement No. 146 to have a material impact on the Company's future results of operations or financial position.

In November 2002, the FASB issued FASB Interpretation No. (FIN) 45, Guarantor's Accounting and Disclosure Requirements for Guarantees, Including Indirect Guarantees of Indebtedness of Others. FIN 45 elaborates on the disclosures to be made by a guarantor about its obligations under certain guarantees that it has issued. It also clarifies that a guarantor is required to recognize, at the inception of a guarantee, a liability for the fair value of the obligation undertaken in issuing the guarantee. The recognition and measurement provisions of this Interpretation are effective for all guarantees issued or modified after December 31, 2002. The Company has no guarantees of others which require disclosure at this time.

In December 2002, the FASB issued Statement No. 148, "Accounting for Stock-Based Compensation - Transition and Disclosure," amending FASB Statement No. 123, "Accounting for Stock-based Compensation." This statement provides two additional alternative transition methods for recognizing an entity's voluntary

Edgar Filing: DIXON TICONDEROGA CO - Form 10-Q

decision to change its method of accounting for stock-based employee compensation to the fair-value method. In addition, the statement amends the disclosure requirements of FASB Statement No. 123 so that entities will have to (1) make more-prominent disclosures regarding the pro forma effects of using the fair-value method of accounting for stock-based compensation, (2) present those disclosures in a more accessible format in the footnotes to the annual financial statements, and (3) include those disclosures in interim financial statements. Statement No. 148's transition guidance and provisions for annual disclosures are effective for fiscal years ending after December 15, 2002; earlier application is permitted. The provisions for interim-period disclosures are effective for financial reports that contain financial statements for interim periods beginning after December 15, 2002.

15

FORWARD-LOOKING STATEMENTS

The statements in this Quarterly Report on Form 10-Q that are not purely historical are "forward-looking statements" within the meaning of section 27A of the Securities Act of 1933 and section 21E of the Securities Exchange Act of 1934, including statements about the Company's expectations, beliefs, intentions or strategies regarding the future. Forward-looking statements include statements regarding, among other things, the effects of the devaluation of the Mexican peso; the sufficiency and continued availability of the Company's lines of credit and its ability to meet its current and anticipated obligations; management's inventory reduction plan and expectation for savings from the restructuring and cost-reduction program; the Company's ability to increase sales in its core businesses; and its expectations regarding the Company's ability to utilize certain tax benefits in the future. Readers are cautioned that any such forward-looking statements are not guarantees of future performance and involve known and unknown risks, uncertainties and other factors that could cause the actual results to differ materially from those expressed or implied by such forward-looking statements. Such risks include (but are not limited to) the risk that the Company's lenders will not continue to fund the Company in the future; the cancellation of the lines of credit available to the Company's Mexico subsidiary; the inability to maintain and/or secure new sources of capital; manufacturing inefficiencies as a result of the inventory reduction plan; difficulties encountered with the consolidation and cost-reduction program; increased competition; U.S. and foreign economic factors; foreign currency exchange risk and interest rate fluctuation risk, among others.

Item 3.

QUANTITATIVE AND QUALITATIVE DISCLOSURES ABOUT MARKET RISK

As discussed elsewhere, the Company is exposed to the following principal market risks (i.e. risks of loss arising from adverse changes in market rates): foreign exchange rates and interest rates on debt.

The Company's exposure to foreign currency exchange rate risk in its international operations is principally limited to Mexico and, to a lesser degree, Canada. Approximately 40% of the Company's fiscal 2002 net revenues were derived in Mexico and Canada, combined (exclusive of intercompany activities).

Edgar Filing: DIXON TICONDEROGA CO - Form 10-Q

Foreign exchange transaction gains and losses arise from monetary assets and liabilities denominated in currencies other than the business unit's functional local currency. It is estimated that a 10% change in both the Mexican peso and Canadian dollar exchange rates would impact reported operating profit by approximately \$500,000. This quantitative measure has inherent limitations because it does not take into account the changes in customer purchasing patterns or any adjustment to the Company's financing or operating strategies in response to such a change in rates. Moreover, this measure does not take into account the possibility that these currency rates can move in opposite directions, such that gains from one may offset losses from another.

In addition, the Company's cash flows and earnings are subject to changes in interest rates. As of December 31, 2002, approximately 50% of total short and long-term debt is fixed, at rates between 8% and 12.5%. The balance of the Company debt is variable, principally based upon the prevailing U.S. bank prime rate or LIBOR rate. An interest rate swap, which expires in 2005, fixes the rate of interest on \$8 million of this debt at 8.98%. A change in the average prevailing interest rates of the remaining debt of 1% would have an estimated impact of \$100,000 upon the Company's pre-tax results of operations and cash flows. This quantitative measure does not take into account the possibility that the prevailing rates (U.S. bank prime and LIBOR) can move in opposite directions and that the Company has, in most cases, the option to elect either as the determining interest rate factor.

(b) Anything to the contrary in this Section 2.1 notwithstanding, Lender shall have the right to establish reserves in such amounts, and with respect to such matters, as Lender in its Permitted Discretion shall deem necessary or appropriate, against the Borrowing Base, including reserves with respect to (i) sums that Borrower or Canadian Guarantor, as the case may be, is required to pay (such as taxes, assessments, insurance premiums, or, in the case of leased assets, rents or other amounts payable under such leases) and has failed to pay under any Section of this Agreement or any other Loan Document, and (ii) amounts owing by Borrower or Canadian Guarantor, as the case may be, to

any Person to the extent secured by a Lien on, or trust over, any of the Collateral (other than any existing Permitted Lien set forth on Schedule P-1 which is specifically identified thereon as entitled to have priority over the Lender's Liens), which Lien or trust, in the Permitted Discretion of Lender likely would have a priority superior to the Lender's Liens (such as Liens or trusts in favor of landlords, warehousemen, carriers, mechanics, materialmen, laborers, or suppliers, or Liens or trusts for ad valorem, excise, sales, or other taxes where given priority under applicable law) in and to such item of the Collateral, (iii) to reflect Priority Payables, (iv) the amount of the accrued and unpaid royalties, fees or other charges owing to any owner or licensor of intellectual property subject to a License Agreement (including, without limitation, the agreements with the licensors on Schedule 3.1(q)) affixed to, incorporated in or otherwise used in connection with the manufacture, distribution or sale of Inventory (but not including for this purpose royalties, fees or other charges owing to any owner or licensor if the License Agreement with respect thereto includes provisions satisfactory to Lender allowing the security interest of Lender in such Inventory and giving Lender the ability to use such intellectual property to sell or otherwise realize on such Inventory), and (v) to locations leased by Borrower or as to locations owned and operated by a third person, if Lender shall not have received a Collateral Access Agreement from the owner and operator or lessor with respect to such location, duly authorized, executed and delivered by such owner and operator or lessor (or Lender shall determine to accept a Collateral Access Agreement that does not include all required provisions or provisions in the form otherwise required by Lender), Lender may, at its option, establish such reserves in respect of amounts at any time due or to become due to the owner and operator or lessor thereof as Lender shall determine. In addition to the foregoing, Lender shall have the right to have the Inventory reappraised by a qualified appraisal company selected by Lender from time to time after the Closing Date for the purpose of redetermining the Net Liquidation Percentage of the Eligible Inventory portion of the Collateral and, as a result, redetermining the Borrowing Base.

(c) Anything to the contrary in Section 2.1(a) notwithstanding, availability created by the Eligible Accounts, Eligible Special Program Accounts, and Eligible Inventory of Canadian Guarantor, for purposes of calculating the Borrowing Base, shall never exceed the US Dollar Equivalent of \$5,000,000.

(d) Lender shall have no obligation to make additional Advances hereunder to the extent such additional Advances would cause the Revolver Usage to exceed the Maximum Revolver Amount.

(e) Amounts borrowed pursuant to this Section may be repaid and, subject to the terms and conditions of this Agreement, reborrowed at any time during the term of this Agreement.

2.2 Term Loan A. Subject to the terms and conditions of this Agreement, on the Closing Date Lender agrees to make a term loan (the "Term Loan A") to Borrower in an amount equal to the Term Loan A Amount. Term Loan A shall be repaid in thirty-six (36) consecutive monthly installments, commencing on November 1, 2002, and on the first day of each calendar month thereafter, the first thirty-five installments of which shall be in the amount of \$33,333. The outstanding unpaid principal balance and all accrued and unpaid interest under Term Loan A shall be due and payable on the date of termination of this Agreement, whether by its terms, by prepayment, or by acceleration. All amounts outstanding under Term Loan A shall constitute Obligations.

2.3 Term Loan B. Subject to the terms and conditions of this Agreement, on the Closing Date Lender agrees to make a term loan (the "Term Loan B") to Borrower in an amount equal to the Term Loan B Amount. Term Loan B shall be repaid in thirty-six (36) consecutive installments, commencing November 1, 2002 and on the first day of each calendar month thereafter, the first thirty-five installments of which shall be in the amount of \$16,667. The outstanding unpaid principal balance and all accrued and unpaid interest under Term Loan B shall be due and payable on the date of termination of this Agreement, whether by its terms, by prepayment, or by acceleration. All amounts outstanding under Term Loan B shall constitute Obligations.

2.4 Borrowing Procedures and Settlements.

(a) Procedure for Borrowing. Each Borrowing shall be made by a request by an Authorized Person delivered to Lender (which notice must be received by Lender no later than 1:00 p.m. (Atlanta, Georgia time) on the Business Day that is the requested Funding Date specifying (i) the amount of such Borrowing, and (ii) the requested Funding Date, which shall be a Business Day. At Lender's election, in lieu of delivering the above-described request in writing, any Authorized Person may give Lender telephonic notice of such request by the required time, with such telephonic notice to be confirmed in writing within 24 hours of the giving of such notice.

(b) Making of Advances. If Lender has received a timely request for a Borrowing in accordance with the provisions hereof, and subject to the satisfaction of the applicable terms and conditions set forth herein, Lender shall make the proceeds of such Advance available to Borrower on the applicable Funding Date by transferring immediately available funds equal to such proceeds to Borrower's Designated Account.

2.5 Payments.

(a) Payments by Borrower. Except as otherwise expressly provided herein, all payments by Borrower shall be made to Lender's Account and shall be made in immediately available funds, no later than 2:00 p.m. (Atlanta, Georgia time) on the date specified herein. Any payment received by Lender later than 2:00 p.m. (Atlanta, Georgia time) shall be deemed to have been received on the following Business Day and any applicable interest or fee shall continue to accrue until such following Business Day.

(b) Application of Payments.

(i) All payments shall be remitted to Lender and all such payments (other than payments received while no Default or Event of Default has occurred and is continuing and which relate to the payment of principal or interest of specific Obligations or which relate to the payment of specific fees), and all proceeds of Accounts or other Collateral received by Lender, shall be applied as follows:

(A) first, to pay any Lender Expenses then due to Lender under the Loan Documents, until paid in full,

(B) second, to pay any fees then due to Lender under the

Edgar Filing: DIXON TICONDEROGA CO - Form 10-Q

Loan Documents until paid in full,

(C) third, ratably to pay interest due in respect of the Advances and the Term Loans until paid in full,

(D) fourth, ratably to pay all principal amounts then due and payable (other than as a result of an acceleration thereof) with respect to the Term Loans until paid in full,

(E) fifth, so long as no Event of Default has occurred and is continuing, and at Lender's election, to pay amounts then due and owing by Borrower or its Subsidiaries in respect of Bank Products, until paid in full,

(F) sixth, so long as no Event of Default has occurred and is continuing, to pay the principal of all Advances until paid in full,

(G) seventh, if an Event of Default has occurred and is continuing, ratably (i) to pay the principal of all Advances until paid in full, and (ii) to Lender, to be held by Lender, for the benefit of Wells Fargo or its Affiliates, as applicable, as cash collateral in an amount up to the amount of the Bank Products Reserve established prior to the occurrence of, and not in contemplation of, the subject Event of Default until Borrower's and its Subsidiaries' obligations in respect of the then extant Bank Products have been paid in full or the cash collateral amount has been exhausted,

(H) eighth, if an Event of Default has occurred and is continuing, to pay ratably the outstanding principal balance of the Term Loans (in the inverse order of the maturity of the installments due thereunder) until the Term Loans are paid in full,

(I) ninth, if an Event of Default has occurred and is continuing, to be held by Lender as cash collateral in an amount up to 105% of the then extant Letter of Credit Usage until paid in full,

(J) tenth, to pay any other Obligations until paid in full, and

(K) eleventh, to Borrower (to be wired to the Designated Account) or such other Person entitled thereto under applicable law.

(ii) In each instance, so long as no Default or Event of Default has occurred and is continuing, Section 2.5(b) shall not be deemed to apply to any payment by Borrower specified by Borrower to be for the payment of specific Obligations then due and payable (or prepayable) under any provision of this Agreement.

(iii) For purposes of the foregoing, "paid in full" means payment of all amounts owing under the Loan Documents according to the terms thereof, including loan fees, service fees, professional fees, interest (and specifically including interest accrued after the commencement of any Insolvency Proceeding), default interest, interest on interest, and expense reimbursements, whether or not the same would be or is allowed or disallowed in whole or in part in any Insolvency Proceeding.

Edgar Filing: DIXON TICONDEROGA CO - Form 10-Q

(iv) In the event of a direct conflict between the priority provisions of this Section 2.5 and other provisions contained in any other Loan Document, it is the intention of the parties hereto that such priority provisions in such documents shall be read together and construed, to the fullest extent possible, to be in concert with each other. In the event of any actual, irreconcilable conflict that cannot be resolved as aforesaid, the terms and provisions of this Section 2.5 shall control and govern.

2.6 Overadvances. If, at any time or for any reason, the amount of Obligations (other than Bank Product Obligations) owed by Borrower to Lender pursuant to Sections 2.1 and 2.12 is greater than either the Dollar or percentage limitations set forth in Sections 2.1 or 2.12, (an "Overadvance"), Borrower immediately shall pay to Lender, in cash, the amount of such excess, which amount shall be used by Lender to reduce the Obligations in accordance with the priorities set forth in Section 2.5(b). In addition, Borrower hereby promises to pay the Obligations (including principal, interest, fees, costs, and expenses) in Dollars in full to Lender as and when due and payable under the terms of this Agreement and the other Loan Documents.

2.7 Interest Rates and Letter of Credit Fee: Rates, Payments, and Calculations.

(a) Interest Rates. Except as provided in clause (c) below, all Obligations (except for undrawn Letters of Credit and except for Bank Product Obligations) that have been charged to the Loan Account pursuant to the terms hereof shall bear interest on the Daily Balance thereof as follows (i) if the relevant Obligation is an Advance that is a LIBOR Rate Loan, at a per annum rate equal to the LIBOR Rate plus the LIBOR Rate Margin, (ii) if the relevant Obligation is a portion of the Term Loans that is a LIBOR Rate Loan, at a per annum rate equal to the LIBOR Rate plus the LIBOR Rate Term Loan Margin, (iii) if the relevant Obligation is a portion of the Term Loans that is a Base Rate Loan, at a per annum rate equal to the Base Rate plus the Base Rate Term Loan Margin, and (iv) otherwise, at a per annum rate equal to the Base Rate plus the Base Rate Margin.

(b) Letter of Credit Fee. Borrower shall pay Lender a Letter of Credit fee (in addition to the charges, commissions, fees, and costs set forth in Section 2.13(e)) which shall accrue at a rate equal to 3.50% per annum of the Daily Balance of the undrawn amount of all outstanding Letters of Credit.

(c) Default Rate. Upon the occurrence and during the continuation of an Event of Default,

(i) all Obligations (except for undrawn Letters of Credit and except for Bank Products Obligations) that have been charged to the Loan Account pursuant to the terms hereof shall bear interest on the Daily Balance thereof at a per annum rate equal to 3 percentage points above the per annum rate otherwise applicable hereunder, and

(ii) the Letter of Credit fee provided for above shall be increased to 3 percentage points above the per annum rate otherwise applicable hereunder.

(d) Payment. Interest, Letter of Credit fees, and all other fees payable hereunder shall be due and payable, in arrears, on the first day of each month at any time that Obligations or obligation to extend credit hereunder are outstanding. Borrower hereby authorizes Lender, from time to time without prior

Edgar Filing: DIXON TICONDEROGA CO - Form 10-Q

notice to Borrower, to charge such interest and fees, all Lender Expenses (as and when incurred), the charges, commissions, fees, and costs provided for in Section 2.13(e) (as and when accrued or incurred), the fees and costs provided for in Section 2.12 (as and when accrued or incurred), and all other payments as and when due and payable under any Loan Document (including the installments due and payable with respect to the Term Loans and including any amounts due and payable to Wells Fargo or its Affiliates in respect of Bank Products up to the amount of the then extant Bank Products Reserve) to Borrower's Loan Account, which amounts thereafter shall constitute Advances hereunder and shall accrue interest at the rate then applicable to Advances hereunder. Any interest not paid when due shall be compounded by being charged to Borrower's Loan Account and shall thereafter constitute Advances hereunder and shall accrue interest at the rate then applicable to Advances that are Base Rate Loans hereunder.

(e) Computation. All interest and fees chargeable under the Loan Documents shall be computed on the basis of a 360 day year for the actual number of days elapsed. In the event the Base Rate is changed from time to time hereafter, the rates of interest hereunder based upon the Base Rate automatically and immediately shall be increased or decreased by an amount equal to such change in the Base Rate.

(f) Intent to Limit Charges to Maximum Lawful Rate. In no event shall the interest rate or rates payable under this Agreement, plus any other amounts paid in connection herewith, exceed the highest rate permissible under any law that a court of competent jurisdiction shall, in a final determination, deem applicable. Borrower and Lender, in executing and delivering this Agreement, intend legally to agree upon the rate or rates of interest and manner of payment stated within it; provided, however, that, anything contained herein to the contrary notwithstanding, if said rate or rates of interest or manner of payment exceeds the maximum allowable under applicable law, then, ipso facto, as of the date of this Agreement, Borrower is and shall be liable only for the payment of such maximum as allowed by law, and payment received from Borrower in excess of such legal maximum, whenever received, shall be applied to reduce the principal balance of the Obligations to the extent of such excess.

(g) Interest Payable by Canadian Guarantor. With respect to any interest payable to Lender by Canadian Guarantor pursuant to the Loan Documents,

(i) For purposes of disclosure under the Interest Act (Canada), where interest is calculated pursuant thereto at a rate based upon a three hundred sixty (360) day year or three hundred sixty-five (365) day year (the "First Rate"), the rate or percentage of interest on a yearly basis is equivalent to such First Rate multiplied by the actual number of days in the year divided by three hundred sixty (360) or three hundred sixty-five (365), as applicable.

(ii) Notwithstanding the provisions of this Section 3 or any other provision of this Agreement, in no event shall the aggregate

"interest" (as that term is defined in Section 347 of the Criminal Code (Canada)) with respect to any Loans by or on behalf of Lender exceed the effective annual rate of interest on the "credit advanced" (as defined therein) lawfully permitted under Section 347 of the Criminal Code (Canada). The effective annual rate of interest for such purpose shall be determined in accordance with generally accepted actuarial practices and principles over the term of the applicable Loan by or on behalf of Lender,

Edgar Filing: DIXON TICONDEROGA CO - Form 10-Q

and in the event of a dispute, a certificate of a Fellow of the Canadian Institute of Actuaries appointed by Lender will be conclusive for the purposes of such determination.

(iii) A certificate of an authorized signing officer of Lender as to each rate of interest payable hereunder from time to time absent manifest error shall be conclusive evidence of such rate.

For greater certainty, unless otherwise specified in this Agreement or any of the other Loan Documents, as applicable, whenever any amount is payable under this Agreement or any of the other Loan Documents by Canadian Guarantor as interest or as a fee which requires the calculation of an amount using a percentage per annum, each party to this Agreement acknowledges and agrees that such amount shall be calculated as of the date payment is due without application of the "deemed reinvestment principle" or the "effective yield method." As an example, when interest is calculated and payable monthly, the rate of interest payable per month is one twelfth (1/12) of the stated rate of interest per annum.

2.5 Cash Management.

(a) Borrower and Canadian Guarantor shall each (i) establish and maintain cash management services of a type and on terms satisfactory to Lender at one or more of the banks set forth on Schedule 2.8(a) (each, a "Cash Management Bank"), and shall request in writing and otherwise take such reasonable steps to ensure that all of its Account Debtors forward payment of the amounts owed by them directly to such Cash Management Bank(s), and (ii) deposit or cause to be deposited promptly, and in any event no later than the first Business Day after the date of receipt thereof, all Collections (including those sent directly by Account Debtors to a Cash Management Bank) into a bank account in Lender's name (a "Cash Management Account") at one of the Cash Management Banks.

(b) Each Cash Management Bank shall establish and maintain Cash Management Agreements with Lender and Borrower or Canadian Guarantor, as the case may be, in form and substance acceptable to Lender. Each such Cash Management Agreement shall provide, among other things, that (i) all items of payment deposited in such Cash Management Account and proceeds thereof are held by such Cash Management Bank as agent or bailee-in-possession for Lender, (ii) the Cash Management Bank has no rights of setoff or recoupment or any other claim against the applicable Cash Management Account other than for payment of its service fees and other charges directly related to the administration of such Cash Management Account and for returned checks or other items of payment, and (iii) it immediately will forward by daily sweep all amounts in the applicable Cash Management Account to the Lender's Account except, with respect to Canadian Guarantor, in which case, the applicable Cash Management Bank shall only be required to make daily sweeps to Lender's Account upon Lender's notification to such Cash Management Bank of the occurrence of an Event of Default.

(c) So long as no Default or Event of Default has occurred and is continuing, Borrower (on its own behalf and on behalf of Canadian Guarantor) may amend Schedule 2.8(a) to add or replace a Cash Management Bank or Cash Management Account; provided, however, that (i) such prospective Cash Management Bank shall be satisfactory to Lender and Lender shall have consented in writing in advance to the opening of such Cash Management Account with the prospective

Edgar Filing: DIXON TICONDEROGA CO - Form 10-Q

Cash Management Bank, and (ii) prior to the time of the opening of such Cash Management Account, Borrower and such prospective Cash Management Bank shall have executed and delivered to Lender a Cash Management Agreement. Borrower and Canadian Guarantor shall close any of their respective Cash Management Accounts (and establish replacement cash management accounts in accordance with the foregoing sentence) promptly and in any event within 30 days of notice from Lender that the creditworthiness of any Cash Management Bank is no longer acceptable in Lender's reasonable judgment, or as promptly as practicable and in any event within 60 days of notice from Lender that the operating performance, funds transfer, or availability procedures or performance of the Cash Management Bank with respect to Cash Management Accounts or Lender's liability under any Cash Management Agreement with such Cash Management Bank is no longer acceptable in Lender's reasonable judgment.

(d) The Cash Management Accounts shall be cash collateral accounts, with all cash, checks and similar items of payment in such accounts securing payment of the Obligations, and in which Borrower or Canadian Guarantor, as the case may be, is hereby deemed to have granted a Lien to Lender.

2.9 Crediting Payments; Float Charge. The receipt of any payment item by Lender (whether from transfers to Lender by the Cash Management Banks pursuant to the Cash Management Agreements or otherwise) shall not be considered a payment on account unless such payment item is a wire transfer of immediately available federal funds made to the Lender's Account or unless and until such payment item is honored when presented for payment. Should any payment item not be honored when presented for payment, then Borrower shall be deemed not to have made such payment and interest shall be calculated accordingly. Anything to the contrary contained herein notwithstanding, any payment item shall be deemed received by Lender only if it is received into the Lender's Account on a Business Day on or before 2:00 p.m. (Atlanta, Georgia time). If any payment item is received into the Lender's Account on a non-Business Day or after 2:00 p.m. (Atlanta, Georgia time) on a Business Day, it shall be deemed to have been received by Lender as of the opening of business on the immediately following Business Day. From and after the Closing Date, Lender shall be entitled to charge Borrower for one (1) Business Day of 'clearance' or 'float' at the rate applicable to Base Rate Loans under Section 2.7 on all Collections that are received by Borrower (regardless of whether forwarded by the Cash Management Banks to Lender). This across-the-board one (1) Business Day clearance or float charge on all Collections is acknowledged by the parties to constitute an integral aspect of the pricing of the financing of Borrower and shall apply irrespective of whether or not there are any outstanding monetary Obligations; the effect of such clearance or float charge being the equivalent of charging one (1) Business Day of interest on such Collections.

2.10 Designated Account. Lender is authorized to make the Advances and the Term Loans, and Lender is authorized to issue the Letters of Credit, under this Agreement based upon telephonic or other instructions received from anyone purporting to be an Authorized Person, or without instructions if pursuant to Section 2.7(d). Borrower agrees to establish and maintain the Designated Account with the Designated Account Bank for the purpose of receiving the

proceeds of the Advances requested by Borrower and made by Lender hereunder. Unless otherwise agreed by Lender and Borrower, any Advance requested by Borrower and made by Lender hereunder shall be made to the Designated Account.

2.11 Maintenance of Loan Account; Statements of Obligations. Lender shall maintain an account on its books in the name of Borrower (the "Loan Account") on which Borrower will be charged with the Term Loans, all Advances made by Lender

Edgar Filing: DIXON TICONDEROGA CO - Form 10-Q

to Borrower or for Borrower's account, the Letters of Credit issued by Lender for Borrower's account, and with all other payment Obligations hereunder or under the other Loan Documents (except for Bank Product Obligations), including, accrued interest, fees and expenses, and Lender Expenses. In accordance with Section 2.9, the Loan Account will be credited with all payments received by Lender from Borrower or for Borrower's account, including all amounts received in the Lender's Account from any Cash Management Bank. Lender shall render statements regarding the Loan Account to Borrower, including principal, interest, fees, and including an itemization of all charges and expenses constituting Lender Expenses owing, and such statements shall be conclusively presumed to be correct and accurate and constitute an account stated between Borrower and Lender unless, within 30 days after receipt thereof by Borrower, Borrower shall deliver to Lender written objection thereto describing the error or errors contained in any such statements.

2.12 Fees. Borrower shall pay to Lender the following fees and charges, which fees and charges shall be non-refundable when paid (irrespective of whether this Agreement is terminated thereafter):

(a) Unused Line Fee. On the first day of each month during the term of this Agreement, an unused line fee in an amount equal to .50% per annum of the result of (a) the Maximum Revolver Amount, less (b) the sum of (i) the average Daily Balance of Advances that were outstanding during the immediately preceding month, plus (ii) the average Daily Balance of the Letter of Credit Usage during the immediately preceding month,

(b) Fee Letter Fees. As and when due and payable under the terms of the Fee Letter, Borrower shall pay to Lender the fees set forth in the Fee Letter, and

(c) Audit, Appraisal, and Valuation Charges. Audit, appraisal, and valuation fees and charges as follows (i) a fee of \$850 per day, per auditor, plus out-of-pocket expenses for each financial audit or field examination of Borrower and/or Canadian Guarantor performed by personnel employed by Lender, (ii) if implemented, a one time charge of \$3,000 plus out-of-pocket expenses for expenses for the establishment of electronic collateral reporting systems, (iii) a fee of \$1,500 per day per appraiser, plus out-of-pocket expenses, for each appraisal of the Collateral performed by personnel employed by Lender, and (iv) the actual charges paid or incurred by Lender if it elects to employ the services of one or more third Persons to perform financial audits of Borrower and/or Canadian Guarantor, to appraise the Collateral, or any portion thereof, or to assess Borrower's and/or Canadian Guarantor's business valuation.

2.13 Letters of Credit.

(a) Subject to the terms and conditions of this Agreement, Lender agrees to issue letters of credit for the account of Borrower (each, an "L/C") or to purchase participations or execute indemnities or reimbursement

obligations (each such undertaking, an "L/C Undertaking") with respect to letters of credit issued by an Underlying Issuer (as of the Closing Date, the prospective Underlying Issuer is to be Wells Fargo) for the account of Borrower. To request the issuance of an L/C or an L/C Undertaking (or the amendment, renewal, or extension of an outstanding L/C or L/C Undertaking), Borrower shall hand deliver or telecopy (or transmit by electronic communication, if arrangements for doing so have been approved by Lender) to Lender (reasonably in advance of the requested date of issuance, amendment, renewal, or extension) a

Edgar Filing: DIXON TICONDEROGA CO - Form 10-Q

notice requesting the issuance of an L/C or L/C Undertaking, or identifying the L/C or L/C Undertaking to be amended, renewed, or extended, the date of issuance, amendment, renewal, or extension, the date on which such L/C or L/C Undertaking is to expire, the amount of such L/C or L/C Undertaking, the name and address of the beneficiary thereof (or the beneficiary of the Underlying Letter of Credit, as applicable), and such other information as shall be necessary to prepare, amend, renew, or extend such L/C or L/C Undertaking. If requested by Lender, Borrower also shall be an applicant under the application with respect to any Underlying Letter of Credit that is to be the subject of an L/C Undertaking. Lender shall have no obligation to issue a Letter of Credit if any of the following would result after giving effect to the requested Letter of Credit:

(i) the Adjusted Letter of Credit Usage would exceed the Borrowing Base less the amount of outstanding Advances, or

(ii) the Letter of Credit Usage would exceed \$2,000,000, or

(iii) the Letter of Credit Usage would exceed the Maximum Revolver Amount less the then extant amount of outstanding Advances.

(b) Borrower and Lender acknowledge and agree that certain Underlying Letters of Credit may be issued to support letters of credit that already are outstanding as of the Closing Date. Each Letter of Credit (and corresponding Underlying Letter of Credit) shall be in form and substance acceptable to Lender (in the exercise of its Permitted Discretion), including the requirement that the amounts payable thereunder must be payable in Dollars. If Lender is obligated to advance funds under a Letter of Credit, Borrower immediately shall reimburse such L/C Disbursement to Lender by paying to Lender an amount equal to such L/C Disbursement not later than 2:00 p.m., Atlanta, Georgia time, on the date that such L/C Disbursement is made, if Borrower shall have received written or telephonic notice of such L/C Disbursement prior to 1:00 p.m., Atlanta, Georgia time, on such date, or, if such notice has not been received by Borrower prior to such time on such date, then not later than 2:00 p.m., Atlanta, Georgia time, on the Business Day that Borrower receives such notice, if such notice is received prior to 1:00 p.m., Atlanta, Georgia time, on the date of receipt, and, in the absence of such reimbursement, the L/C Disbursement immediately and automatically shall be deemed to be an Advance hereunder and, thereafter, shall bear interest at the rate then applicable to Advances that are Base Rate Loans under Section 2.7. To the extent an L/C Disbursement is deemed to be an Advance hereunder, Borrower's obligation to reimburse such L/C Disbursement shall be discharged and replaced by the resulting Advance.

(c) Borrower and each Guarantor, jointly and severally, hereby agrees to indemnify, save, defend, and hold Lender harmless from any loss, cost, expense, or liability, and reasonable attorneys fees incurred by Lender arising out of or in connection with any Letter of Credit; provided, however, that

neither Borrower nor any Guarantor shall be obligated hereunder to indemnify for any loss, cost, expense, or liability that is caused by the gross negligence or willful misconduct of Lender. Borrower and each Guarantor agrees to be bound by the Underlying Issuer's regulations and interpretations of any Underlying Letter of Credit or by Lender's interpretations of any L/C issued by Lender to or for Borrower's account, even though this interpretation may be different from Borrower's own, and Borrower and each Guarantor understands and agrees that Lender shall not be liable for any error, negligence, or mistake, whether of omission or commission, in following Borrower's instructions or those contained

Edgar Filing: DIXON TICONDEROGA CO - Form 10-Q

in the Letter of Credit or any modifications, amendments, or supplements thereto. Borrower and each Guarantor understands that the L/C Undertakings may require Lender to indemnify the Underlying Issuer for certain costs or liabilities arising out of claims by Borrower against such Underlying Issuer. Borrower and each Guarantor, jointly and severally, hereby agrees to indemnify, save, defend, and hold Lender harmless with respect to any loss, cost, expense (including reasonable attorneys fees), or liability incurred by Lender under any L/C Undertaking as a result of Lender's indemnification of any Underlying Issuer; provided, however, that Borrower and Guarantors shall not be obligated hereunder to indemnify for any loss, cost, expense, or liability that is caused by the gross negligence or willful misconduct of Lender.

(d) Borrower hereby authorizes and directs any Underlying Issuer to deliver to Lender all instruments, documents, and other writings and property received by such Underlying Issuer pursuant to such Underlying Letter of Credit and to accept and rely upon Lender's instructions with respect to all matters arising in connection with such Underlying Letter of Credit and the related application.

(e) Any and all charges, commissions, fees, and costs incurred by Lender relating to Underlying Letters of Credit shall be Lender Expenses for purposes of this Agreement and immediately shall be reimbursable by Borrower to Lender; it being acknowledged and agreed by Borrower that, as of the Closing Date, the issuance charge imposed by the prospective Underlying Issuer is .825% per annum of the face amount of each Underlying Letter of Credit, that such issuance charge may be changed from time to time, and that the Underlying Issuer also imposes a schedule of charges for amendments, extensions, drawings, and renewals.

(f) If by reason of (i) any change in any applicable law, treaty, rule, or regulation or any change in the interpretation or application thereof by any Governmental Authority, or (ii) compliance by the Underlying Issuer or Lender with any direction, request, or requirement (irrespective of whether having the force of law) of any Governmental Authority or monetary authority including, Regulation D of the Federal Reserve Board as from time to time in effect (and any successor thereto):

(i) any reserve, deposit, or similar requirement is or shall be imposed or modified in respect of any Letter of Credit issued hereunder, or

(ii) there shall be imposed on the Underlying Issuer or Lender any other condition regarding any Underlying Letter of Credit or any Letter of Credit issued pursuant hereto,

and the result of the foregoing is to increase, directly or indirectly, the cost to Lender of issuing, making, guaranteeing, or maintaining any Letter of Credit or to reduce the amount receivable in respect thereof by Lender, then, and in any such case, Lender may, at any time within a reasonable period after the

additional cost is incurred or the amount received is reduced, notify Borrower, and Borrower shall pay on demand such amounts as Lender may specify to be necessary to compensate Lender for such additional cost or reduced receipt, together with interest on such amount from the date of such demand until payment in full thereof at the rate then applicable to Base Rate Loans hereunder. The determination by Lender of any amount due pursuant to this Section, as set forth in a certificate setting forth the calculation thereof in reasonable detail, shall, in the absence of manifest or demonstrable error, be final and conclusive

Edgar Filing: DIXON TICONDEROGA CO - Form 10-Q

and binding on all of the parties hereto.

(g) Borrower acknowledges and agrees that certain of the Qualified Import Letters of Credit may provide for the presentation of time drafts to the Underlying Issuer. If an Underlying Issuer accepts such a time draft that is presented under an Underlying Letter of Credit, it is acknowledged and agreed that (i) the Letter of Credit will require Lender to reimburse the Underlying Issuer for amounts paid on account of such time draft on or after the maturity date thereof, (ii) the pricing provisions hereof (including Sections 2.7(b) and 2.13(e)) shall continue to apply, until payment of such time draft on or after the maturity date thereof, as if the Underlying Letter of Credit were still outstanding, and (iii) on the date on which Lender makes payment to the Underlying Issuer of the amounts paid on account of such time draft, Borrower immediately shall reimburse such amount to Lender and such amount shall constitute an L/C Disbursement hereunder.

2.14 LIBOR Option.

(a) Interest and Interest Payment Dates. In lieu of having interest charged at the rate based upon the Base Rate, Borrower shall have the option (the "LIBOR Option") to have interest on all or a portion of the Advances or the Term Loans be charged at a rate of interest based upon the LIBOR Rate. Interest on LIBOR Rate Loans shall be payable on the earliest of (i) the last day of the Interest Period applicable thereto, (ii) the occurrence of an Event of Default in consequence of which Lender has elected to accelerate the maturity of all or any portion of the Obligations, or (iii) termination of this Agreement pursuant to the terms hereof. On the last day of each applicable Interest Period, unless Borrower properly has exercised the LIBOR Option with respect thereto, the interest rate applicable to such LIBOR Rate Loan automatically shall convert to the rate of interest then applicable to Base Rate Loans of the same type hereunder. At any time that an Event of Default has occurred and is continuing, Borrower shall no longer have the option to request that Advances or the Term Loans bear interest at the LIBOR Rate and Lender shall have the right to convert the interest rate on all outstanding LIBOR Rate Loans to the rate then applicable to Base Rate Loans hereunder.

(b) LIBOR Election.

(i) Borrower may, at any time and from time to time, so long as no Event of Default has occurred and is continuing, elect to exercise the LIBOR Option by notifying Lender prior to 2:00 p.m. (Atlanta, Georgia time) at least 3 Business Days prior to the commencement of the proposed Interest Period (the "LIBOR Deadline"). Notice of Borrower's election of the LIBOR Option for a permitted portion of the Advances or the Term Loans and an Interest Period pursuant to this Section shall be made by delivery to Lender of a LIBOR Notice received by Lender before the LIBOR Deadline, or by telephonic notice received by Lender before the LIBOR Deadline (to be confirmed by delivery to Lender of a LIBOR Notice received by Lender prior

to 5:00 p.m. (Atlanta, Georgia time) on the same day.

(ii) Each LIBOR Notice shall be irrevocable and binding on Borrower. In connection with each LIBOR Rate Loan, Borrower shall indemnify, defend, and hold Lender harmless against any loss, cost, or expense incurred by Lender as a result of (a) the payment of any principal of any LIBOR Rate Loan other than on the last day of an Interest Period applicable thereto (including as a result of an Event of Default), (b) the

Edgar Filing: DIXON TICONDEROGA CO - Form 10-Q

conversion of any LIBOR Rate Loan other than on the last day of the Interest Period applicable thereto, or (c) the failure to borrow, convert, continue or prepay any LIBOR Rate Loan on the date specified in any LIBOR Notice delivered pursuant hereto (such losses, costs, and expenses, collectively, "Funding Losses"). Funding Losses shall be deemed to equal the amount determined by Lender to be the excess, if any, of (i) the amount of interest that would have accrued on the principal amount of such LIBOR Rate Loan had such event not occurred, at the LIBOR Rate that would have been applicable thereto, for the period from the date of such event to the last day of the then current Interest Period therefor (or, in the case of a failure to borrow, convert, or continue, for the period that would have been the Interest Period therefor), minus (ii) the amount of interest that would accrue on such principal amount for such period at the interest rate which Lender would be offered were it to be offered, at the commencement of such period, Dollar deposits of a comparable amount and period in the London interbank market. A certificate of Lender delivered to Borrower setting forth any amount or amounts that Lender is entitled to receive pursuant to this Section shall be conclusive absent manifest error.

(iii) Borrower shall have not more than 5 LIBOR Rate Loans in effect at any given time. Borrower only may exercise the LIBOR Option for LIBOR Rate Loans of at least \$1,000,000 and integral multiples of \$500,000 in excess thereof.

(c) Prepayments. Borrower may prepay LIBOR Rate Loans at any time; provided, however, that in the event that LIBOR Rate Loans are prepaid on any date that is not the last day of the Interest Period applicable thereto, including as a result of any automatic prepayment through the required application by Lender of proceeds of Collections in accordance with Section 2.5(b) or for any other reason, including early termination of the term of this Agreement or acceleration of all or any portion of the Obligations pursuant to the terms hereof, Borrower shall indemnify, defend, and hold Lender and its Participants harmless against any and all Funding Losses in accordance with clause (b)(ii) above.

(d) Special Provisions Applicable to LIBOR Rate.

(i) The LIBOR Rate may be adjusted by Lender on a prospective basis to take into account any additional or increased costs to Lender of maintaining or obtaining any eurodollar deposits or increased costs due to changes in applicable law occurring subsequent to the commencement of the then applicable Interest Period, including changes in tax laws (except changes of general applicability in corporate income tax laws) and changes in the reserve requirements imposed by the Board of Governors of the Federal Reserve System (or any successor), excluding the Reserve

Percentage, which additional or increased costs would increase the cost of funding loans bearing interest at the LIBOR Rate. In any such event, Lender shall give Borrower notice of such a determination and adjustment and, upon its receipt of the notice from Lender, Borrower may, by notice to Lender (y) require Lender to furnish to Borrower a statement setting forth the basis for adjusting such LIBOR Rate and the method for determining the amount of such adjustment, or (z) repay the LIBOR Rate Loans with respect to which such adjustment is made (together with any amounts due under clause (b)(ii) above).

Edgar Filing: DIXON TICONDEROGA CO - Form 10-Q

(ii) In the event that any change in market conditions or any law, regulation, treaty, or directive, or any change therein or in the interpretation of application thereof, shall at any time after the date hereof, in the reasonable opinion of Lender, make it unlawful or impractical for Lender to fund or maintain LIBOR Advances or to continue such funding or maintaining, or to determine or charge interest rates at the LIBOR Rate, Lender shall give notice of such changed circumstances to Borrower and (y) in the case of any LIBOR Rate Loans that are outstanding, the date specified in Lender's notice shall be deemed to be the last day of the Interest Period of such LIBOR Rate Loans, and interest upon the LIBOR Rate Loans thereafter shall accrue interest at the rate then applicable to Base Rate Loans, and (z) Borrower shall not be entitled to elect the LIBOR Option until Lender determines that it would no longer be unlawful or impractical to do so.

(e) No Requirement of Matched Funding. Anything to the contrary contained herein notwithstanding, neither Lender, nor any of its Participants, is required actually to acquire eurodollar deposits to fund or otherwise match fund any Obligation as to which interest accrues at the LIBOR Rate. The provisions of this Section shall apply as if Lender or its Participants had match funded any Obligation as to which interest is accruing at the LIBOR Rate by acquiring eurodollar deposits for each Interest Period in the amount of the LIBOR Rate Loans.

2.15 Capital Requirements. If, after the date hereof, Lender determines that (i) the adoption of or change in any law, rule, regulation or guideline regarding capital requirements for banks or bank holding companies, or any change in the interpretation or application thereof by any Governmental Authority charged with the administration thereof, or (ii) compliance by Lender or its parent bank holding company with any guideline, request, or directive of any such entity regarding capital adequacy (whether or not having the force of law), the effect of reducing the return on Lender's or such holding company's capital as a consequence of Lender's obligations hereunder to a level below that which Lender or such holding company could have achieved but for such adoption, change, or compliance (taking into consideration Lender's or such holding company's then existing policies with respect to capital adequacy and assuming the full utilization of such entity's capital) by any amount deemed by Lender to be material, then Lender may notify Borrower thereof. Following receipt of such notice, Borrower agrees to pay Lender on demand the amount of such reduction of return of capital as and when such reduction is determined, payable within 90 days after presentation by Lender of a statement in the amount and setting forth in reasonable detail Lender's calculation thereof and the assumptions upon which such calculation was based (which statement shall be deemed true and correct absent manifest error). In determining such amount, Lender may use any reasonable averaging and attribution methods.

2.16 Mandatory Prepayments.

(a) Borrower shall, on the date of receipt of the proceeds from the occurrence of any Liquidity Event, prepay the Obligations in the amounts and in the order set forth in Section 2.16(b) hereof.

(b) On the date of Borrower's receipt of the net proceeds of any Liquidity Event, so long as no Event of Default has occurred and is continuing, and Excess Availability is equal to or greater than \$3,000,000, Borrower shall cause fifty (50%) percent of the net proceeds of such Liquidity Event to be paid to or delivered to Lender and such proceeds shall be applied, first, to the outstanding amount of Term Loan B, second, to the outstanding amount of Term

Edgar Filing: DIXON TICONDEROGA CO - Form 10-Q

Loan A, and then, to the outstanding amount of Advances, provided, that, to the extent the foregoing Obligations have been paid in full, Lender at its option, may hold such proceeds as cash collateral for the Obligations. In the event that on the date of Borrower's receipt of the net proceeds of any Liquidity Event, Excess Availability is less than \$3,000,000, then Borrower shall pay to or deliver to Lender from the net proceeds the amount necessary to reduce the outstanding principal amount of Advances to an amount such that Excess Availability then equals \$3,000,000, and to the extent that any net proceeds of such Liquidity Event remain after such application, then Borrower shall pay to Lender fifty (50%) percent of the remainder of such proceeds which shall be applied to the Obligations as follows: first, to the outstanding amount of Term Loan B, second, to the outstanding amount of Term Loan A, and then, to the outstanding amount of Advances, provided, that, to the extent the foregoing Obligations have been paid in full, Lender at its option, may hold such proceeds as cash collateral for the Obligations. In the event that any application of net proceeds to the outstanding principal amount of Subordinated Debt would cause the aggregate principal payment limitations with respect to Subordinated Debt (on an annual basis for any calendar year) as set forth in Sections 7.1 (d)(ii) to be exceeded, then amount of any such excess shall also be paid by Borrower to Lender and applied to the Obligations, in the order set forth above. Any payments received after the occurrence and during the continuance of an Event of Default shall be applied in accordance with Section 2.5(b) hereof. For purposes hereof, the term "net proceeds" shall mean the cash proceeds of any Liquidity Event after deducting all reasonable fees, costs, and expenses directly related thereto and in the case of a Liquidity Event involving the Heathrow Property, after deduction of the proceeds necessary to repay the existing financing with respect to such property.

(c) Borrower shall, in the event that the orderly liquidation value of the Equipment or the gross quick sale value of any of the Real Property Collateral as set forth in the most recent acceptable appraisals received by Lender with respect thereto has declined so that the then outstanding principal amount of the Term Loans is more than such percentage of such appraised value as Lender used in establishing the original principal amount of the Term Loans, prepay the Terms Loans by such amount. Any prepayments made pursuant to this Section 2.16(c) shall, so long as no Event of Default has occurred and is continuing, be applied, first to the outstanding amount of Term Loan B, and second, to the outstanding amount of Term Loan A.

(d) All prepayments of any Term Loans shall be applied against the remaining installments (if any) of principal due on the respective Term Loans, in the inverse order of maturity. All prepayments of principal under this Section 2.16 shall be made together with accrued and unpaid interest thereon to the date of such prepayment.

Edgar Filing: DIXON TICONDEROGA CO - Form 10-Q

Lender or any other Person in respect of Canadian Guarantor or otherwise issued in respect of Canadian Guarantor.

3.4 Term. This Agreement shall become effective upon the execution and delivery hereof by Borrower, Guarantors and Lender and shall continue in full force and effect for a term ending on October 3, 2005 (the "Maturity Date"). The foregoing notwithstanding, Lender shall have the right to terminate its obligations under this Agreement immediately and without notice upon the occurrence and during the continuation of an Event of Default.

3.5 Effect of Termination. On the date of termination of this Agreement, all Obligations (including contingent reimbursement obligations of Borrower with respect to outstanding Letters of Credit and including all Bank Products Obligations) immediately shall become due and payable without notice or demand (including (a) either (i) providing cash collateral to be held by Lender in an amount equal to 105% of the then extant Letter of Credit Usage, or (ii) causing the original Letters of Credit to be returned to Lender, and (b) providing cash collateral to be held by Lender for the benefit of Wells Fargo or its Affiliates with respect to the then extant Bank Products Obligations). No termination of this Agreement, however, shall relieve or discharge Borrower of its duties, Obligations, or covenants hereunder and the Lender's Liens in the Collateral shall remain in effect until all Obligations have been fully and finally discharged and Lender's obligations to provide additional credit hereunder have been terminated. When this Agreement has been terminated and all of the Obligations have been fully and finally discharged and Lender's obligations to provide additional credit under the Loan Documents have been terminated irrevocably and Lender has received release documentation satisfactory to it, Lender will, at Borrower's sole expense, execute and deliver any UCC and PPSA termination statements, lien releases, mortgage releases, re-assignments of trademarks, discharges of security interests, and other similar discharge or release documents (and, if applicable, in recordable form) as are reasonably

necessary to release, as of record, the Lender's Liens and all notices of security interests and liens previously filed by Lender with respect to the Obligations.

3.6 Early Termination by Borrower. Borrower has the option, at any time upon 90 days prior written notice to Lender, to terminate this Agreement by paying to Lender, in cash, the Obligations (including (a) either (i) providing cash collateral to be held by Lender in an amount equal to 105% of the then extant Letter of Credit Usage, or (ii) causing the original Letters of Credit to be returned to Lender, and (b) providing cash collateral to be held by Lender for the benefit of Wells Fargo or its Affiliates with respect to the then extant Bank Products Obligations), in full, together with the Applicable Prepayment Premium. If Borrower has sent a notice of termination pursuant to the provisions of this Section, then Lender's obligations to extend credit hereunder shall terminate and Borrower shall be obligated to repay the Obligations (including (a) either (i) providing cash collateral to be held by Lender in an amount equal to 105% of the then extant Letter of Credit Usage, or (ii) causing the original Letters of Credit to be returned to Lender, and (b) providing cash collateral to be held by Lender for the benefit of Wells Fargo or its Affiliates with respect to the then extant Bank Products Obligations), in full, together with the Applicable Prepayment Premium, on the date set forth as the date of termination of this Agreement in such notice. In the event of the termination of this Agreement and repayment of the Obligations at any time prior to the Maturity Date, for any other reason, including (a) termination upon the election of

Edgar Filing: DIXON TICONDEROGA CO - Form 10-Q

Lender to terminate after the occurrence of an Event of Default, (b) foreclosure and sale of Collateral, (c) sale of the Collateral in any Insolvency Proceeding, or (iv) restructure, reorganization, or compromise of the Obligations by the confirmation of a plan of reorganization or any other plan of compromise, restructure, or arrangement in any Insolvency Proceeding, then, in view of the impracticability and extreme difficulty of ascertaining the actual amount of damages to Lender or profits lost by Lender as a result of such early termination, and by mutual agreement of the parties as to a reasonable estimation and calculation of the lost profits or damages of Lender, Borrower shall pay the Applicable Prepayment Premium to Lender, measured as of the date of such termination.

4. CREATION OF SECURITY INTEREST.

4.1 Grant of Security Interest. (a) Borrower hereby grants to Lender a continuing security interest in all of its right, title, and interest in all currently existing and hereafter acquired or arising Personal Property Collateral in order to secure prompt repayment of any and all of the Obligations in accordance with the terms and conditions of the Loan Documents and in order to secure prompt performance by Borrower of each of its covenants and duties under the Loan Documents. The Lender's Liens in and to the Personal Property Collateral shall attach to all Personal Property Collateral without further act on the part of Lender or Borrower. Anything contained in this Agreement or any other Loan Document to the contrary notwithstanding, except for Permitted Dispositions, Borrower has no authority, express or implied, to dispose of any item or portion of the Collateral.

(b) Canadian Guarantor hereby grants to Lender a continuing security interest in all of its right, title, and interest in all currently existing and hereafter acquired or arising Personal Property Collateral in order to secure prompt repayment of any and all of its Obligations in accordance with the terms and conditions of its Guarantee and the other Loan Documents and in order to secure prompt performance by Canadian Guarantor of each of its covenants and duties under its Guarantee and the other Loan Documents. The Lender's Liens in and to the Personal Property Collateral shall attach to all Personal Property

Anything contained in this Agreement or any other Loan Document to the contrary notwithstanding, except for Permitted Dispositions, Canadian Guarantor has no authority, express or implied, to dispose of any item or portion of the Collateral.

4.2 Negotiable Collateral. In the event that any Collateral, including proceeds, is evidenced by or consists of Negotiable Collateral, and if and to the extent that perfection or priority of Lender's security interest is dependent on or enhanced by possession, Borrower, or Canadian Guarantor, as the case may be, immediately upon the request of Lender, shall endorse and deliver physical possession of such Negotiable Collateral to Lender.

4.3 Collection of Accounts, General Intangibles, and Negotiable Collateral. At any time after the occurrence and during the continuation of an Event of Default, Lender or Lender's designee may (a) notify Account Debtors of Borrower or Canadian Guarantor, as the case may be, that the Accounts, chattel paper, or General Intangibles have been assigned to Lender or that Lender has a security interest therein, or (b) collect the Accounts, chattel paper, or General Intangibles directly and charge the collection costs and expenses to the Loan

Edgar Filing: DIXON TICONDEROGA CO - Form 10-Q

Account. Borrower and Canadian Guarantor each agrees that it will hold in trust for Lender, as Lender's trustee, any Collections that it receives and immediately will deliver said Collections to Lender or a Cash Management Bank in their original form as received by Borrower or Canadian Guarantor, as the case may be.

4.4 Delivery of Additional Documentation Required. At any time upon the request of Lender, Borrower or Canadian Guarantor, as the case may be, shall execute and deliver to Lender, any and all financing statements, original financing statements in lieu of continuation statements, fixture filings, security agreements, pledges, assignments, endorsements of certificates of title, and all other documents (the "Additional Documents") that Lender may request in its Permitted Discretion, in form and substance satisfactory to Lender, to perfect and continue perfected or better perfect the Lender's Liens in the Collateral (whether now owned or hereafter arising or acquired), to create and perfect Liens in favor of Lender in any Real Property acquired after the Closing Date, and in order to fully consummate all of the transactions contemplated hereby and under the other Loan Documents. To the maximum extent permitted by applicable law, Borrower and Canadian Guarantor, each authorizes Lender to execute any such Additional Documents in Borrower's or Canadian Guarantor, as the case may be, name and authorizes Lender to file such executed Additional Documents in any appropriate filing office. In addition, on such periodic basis as Lender shall require, Borrower shall (a) provide Lender with a report of all new patentable, copyrightable, or trademarkable materials acquired or generated by Borrower or Canadian Guarantor, as the case may be, during the prior period, (b) cause all patents, copyrights, and trademarks acquired or generated by Borrower or Canadian Guarantor, as the case may be, that are not already the subject of a registration with the appropriate filing office (or an application therefor diligently prosecuted) to be registered with such appropriate filing office in a manner sufficient to impart constructive notice of Borrower's or Canadian Guarantor, as the case may be, ownership thereof, and (c) cause to be prepared, executed, and delivered to Lender supplemental schedules to the applicable Loan Documents to identify such patents, copyrights, and trademarks as being subject to the security interests created thereunder.

4.5 Power of Attorney. Borrower and Canadian Guarantor each hereby irrevocably makes, constitutes, and appoints Lender (and any of Lender's officers, employees, or agents designated by Lender) as its true and lawful attorney, with power to (a) if Borrower or Canadian Guarantor, as the case may

The Inventory and Equipment shall not at any time now or hereafter be stored with a bailee, warehouseman, or similar party without Lender's prior written consent. Notwithstanding the foregoing, Inventory of Borrower may not be moved to or located at the North Carolina distribution facility of Hunt Corporation ("Hunt") unless the following conditions have been satisfied in the determination of Lender: (a) Lender shall have received, in form and substance satisfactory to Lender, the agreement between Borrower and Hunt, pursuant to which Hunt will manage and distribute Borrower's inventory out of its distribution facility in North Carolina, and (b)

8.18 Any provision of any Loan Document shall at any time for any reason be declared to be null and void, or the validity or enforceability thereof shall be contested by Borrower, or a proceeding shall be commenced by Borrower, or by any Governmental Authority having jurisdiction over Borrower, seeking to establish the invalidity or unenforceability thereof, or Borrower shall deny that Borrower has any liability or obligation purported to be created under any Loan Document.

9. LENDER'S RIGHTS AND REMEDIES.

9.1 Rights and Remedies. Upon the occurrence, and during the continuation, of an Event of Default, Lender (at its election but without notice of its election and without demand) may do any one or more of the following, all of which are authorized by Borrower and each Guarantor.

Edgar Filing: DIXON TICONDEROGA CO - Form 10-Q

(a) Declare all Obligations, whether evidenced by this Agreement, by any of the other Loan Documents, or otherwise, immediately due and payable;

(b) Cease advancing money or extending credit to or for the benefit of Borrower under this Agreement, under any of the Loan Documents, or under any other agreement between Borrower and Lender;

(c) Terminate this Agreement and any of the other Loan Documents as to any future liability or obligation of Lender, but without affecting any of the Lender's Liens in the Collateral and without affecting the Obligations;

(d) Settle or adjust disputes and claims directly with Account Debtors for amounts and upon terms which Lender considers advisable, and in such cases, Lender will credit Borrower's Loan Account with only the net amounts received by Lender in payment of such disputed Accounts after deducting all Lender Expenses incurred or expended in connection therewith;

(e) Cause Borrower and each Guarantor, as the case may be, to hold all returned Inventory in trust for Lender, segregate all returned Inventory from all other assets of Borrower or such Guarantor, as the case may be, or in

Borrower's or such Guarantor's possession and conspicuously label said returned Inventory as the property of Lender;

(f) Without notice to or demand upon Borrower or any Guarantor, make such payments and do such acts as Lender considers necessary or reasonable to protect its security interests in the Collateral. Borrower and each Guarantor agrees to assemble the Personal Property Collateral if Lender so requires, and to make the Personal Property Collateral available to Lender at a place that Lender may designate which is reasonably convenient to both parties. Borrower and each Guarantor authorizes Lender to enter the premises where the Personal Property Collateral is located, to take and maintain possession of the Personal Property Collateral, or any part of it, and to pay, purchase, contest, or compromise any Lien that in Lender's determination appears to conflict with the Lender's Liens and to pay all expenses incurred in connection therewith and to charge Borrower's Loan Account therefor. With respect to any of Borrower's or any Guarantor's owned or leased premises, Borrower and each Guarantor hereby grants Lender a license to enter into possession of such premises and to occupy the same, without charge, in order to exercise any of Lender's rights or remedies provided herein, at law, in equity, or otherwise;

(g) Without notice to Borrower or any Guarantor (such notice being expressly waived), and without constituting a retention of any collateral in satisfaction of an obligation (within the meaning of the Code), set off and apply to the Obligations any and all (i) balances and deposits of Borrower or any Guarantor held by Lender (including any amounts received in the Cash Management Accounts), or (ii) Indebtedness at any time owing to or for the credit or the account of Borrower or any Guarantor held by Lender;

(h) Hold, as cash collateral, any and all balances and deposits of Borrower or any of its Subsidiaries held by Lender, and any amounts received in the Cash Management Accounts, to secure the full and final repayment of all of the Obligations;

(i) Ship, reclaim, recover, store, finish, maintain, repair, prepare for sale, advertise for sale, and sell (in the manner provided for herein) the Personal Property Collateral. Borrower and Canadian Guarantor each hereby grants

Edgar Filing: DIXON TICONDEROGA CO - Form 10-Q

to Lender a license or other right to use, without charge, Borrower's or Canadian Guarantor's, as the case may be, labels, patents, copyrights, trade secrets, trade names, trademarks, service marks, and advertising matter, or any property of a similar nature, as it pertains to the Personal Property Collateral, in completing production of, advertising for sale, and selling any Personal Property Collateral and Borrower's or Canadian Guarantor's, as the case may be, rights under all licenses and all franchise agreements shall inure to Lender's benefit;

(j) Sell the Personal Property Collateral at either a public or private sale, or both, by way of one or more contracts or transactions, for cash or on terms, in such manner and at such places (including Borrower's or any Guarantor's premises) as Lender determines is commercially reasonable. It is not necessary that the Personal Property Collateral be present at any such sale;

(k) Lender shall give notice of the disposition of the Personal Property Collateral as follows:

(i) Lender shall give Borrower a notice in writing of the time and place of public sale, or, if the sale is a private sale or some other disposition other than a public sale is to be made of the Personal Property

Collateral, the time on or after which the private sale or other disposition is to be made; and

(ii) The notice shall be personally delivered or mailed, postage prepaid, to Borrower as provided in Section 12, at least 10 days before the earliest time of disposition set forth in the notice; no notice needs to be given prior to the disposition of any portion of the Personal Property Collateral that is perishable or threatens to decline speedily in value or that is of a type customarily sold on a recognized market;

(l) Lender may credit bid and purchase at any public sale; and

(m) Lender may seek the appointment of a receiver or keeper to take possession of all or any portion of the Collateral or to operate same and, to the maximum extent permitted by law, may seek the appointment of such a receiver without the requirement of prior notice or a hearing;

(n) Lender shall have all other rights and remedies available at law or in equity or pursuant to any other Loan Document;

(o) Any deficiency that exists after disposition of the Personal Property Collateral as provided above will be paid immediately by Borrower. Any excess will be returned, without interest and subject to the rights of third Persons, by Lender to Borrower; and

(p) Lender may appoint or reappoint by instrument in writing, any person or persons, whether an officer or officers or any employee or employees of Lender or not, to be a receiver or receivers (hereinafter called a "Receiver", which term when used herein shall include a receiver and manager) of any Collateral of Canadian Guarantor (including any interest, income or profits therefrom) and may remove any Receiver so appointed and appoint another in his/her stead. Any such Receiver shall, so far as concerns responsibility for his/her acts, be deemed the agent of Canadian Guarantor and not Lender, and Lender shall not be in any way responsible for any misconduct, negligence or non-feasance on the part of any such Receiver, his/her servants, agents or

Edgar Filing: DIXON TICONDEROGA CO - Form 10-Q

employees. Subject to the provisions of the instrument appointing him/her, any such Receiver shall have power to take possession of Collateral, to preserve Collateral or its value, to carry on or concur in carrying on all or any part of the business of Canadian Guarantor and to sell, lease, license or otherwise dispose of or concur in selling, leasing, licensing or otherwise disposing of Collateral. To facilitate the foregoing powers, any such Receiver may, to the exclusion of all others, including Canadian Guarantor, enter upon, use and occupy all premises owned or occupied by Canadian Guarantor wherein Collateral may be situate, maintain Collateral upon such premises, borrow money on a secured or unsecured basis and use Collateral directly in carrying on Canadian Guarantor's business or as security for loans or advances to enable the Receiver to carry on applicable Canadian Guarantor's business or otherwise, as such Receiver shall, in its discretion, determine. Except as may be otherwise directed by the Agent, all money received from time to time by such Receiver in carrying out his/her appointment shall be received in trust for and paid over to the Lender. Every such Receiver may, in the discretion of Lender be vested with all or any of the rights and powers of Lender, as applicable. Lender may, either directly or through its agents or nominees, exercise any or all powers and rights given to a Receiver by virtue of the foregoing provisions of this paragraph

9.2 Remedies Cumulative. The rights and remedies of Lender under this Agreement, the other Loan Documents, and all other agreements shall be

cumulative. Lender shall have all other rights and remedies not inconsistent herewith as provided under the Code, by law, or in equity. No exercise by Lender of one right or remedy shall be deemed an election, and no waiver by Lender of any Event of Default shall be deemed a continuing waiver. No delay by Lender shall constitute a waiver, election, or acquiescence by it.

10. TAXES AND EXPENSES.

If Borrower or any of its Subsidiaries fails to pay any monies (whether taxes, assessments, insurance premiums, or, in the case of leased properties or assets, rents or other amounts payable under such leases) due to third Persons, or fails to make any deposits or furnish any required proof of payment or deposit, all as required under the terms of this Agreement, then, Lender, in its sole discretion and without prior notice to Borrower or any Guarantor, may do any or all of the following: (a) make payment of the same or any part thereof, (b) set up such reserves in Borrower's Loan Account as Lender deems necessary to protect Lender from the exposure created by such failure, or (c) in the case of the failure to comply with Section 6.8 hereof, obtain and maintain insurance policies of the type described in Section 6.8 and take any action with respect to such policies as Lender deems prudent. Any such amounts paid by Lender shall constitute Lender Expenses and any such payments shall not constitute an agreement by Lender to make similar payments in the future or a waiver by Lender of any Event of Default under this Agreement. Lender need not inquire as to, or contest the validity of, any such expense, tax, or Lien and the receipt of the usual official notice for the payment thereof shall be conclusive evidence that the same was validly due and owing.

11. WAIVERS; INDEMNIFICATION.

11.1 Demand; Protest. Borrower and each Guarantor waives demand, protest, notice of protest, notice of default or dishonor, notice of payment and

Edgar Filing: DIXON TICONDEROGA CO - Form 10-Q

nonpayment, nonpayment at maturity, release, compromise, settlement, extension, or renewal of documents, instruments, chattel paper, and guarantees at any time held by Lender on which Borrower or any Guarantor may in any way be liable.

11.2 Lender's Liability for Collateral. Borrower and each Guarantor hereby agrees that: (a) so long as Lender complies with its obligations, if any, under the Code, Lender shall not in any way or manner be liable or responsible for: (i) the safekeeping of the Collateral, (ii) any loss or damage thereto occurring or arising in any manner or fashion from any cause, (iii) any diminution in the value thereof, or (iv) any act or default of any carrier, warehouseman, bailee, forwarding agency, or other Person, and (b) all risk of loss, damage, or destruction of the Collateral shall be borne by Borrower and Guarantors.

11.3 Indemnification. Borrower and each Guarantor, jointly and severally, shall pay, indemnify, defend, and hold the Lender-Related Persons, each Participant, and each of their respective officers, directors, employees, agents, and attorneys-in-fact (each, an "Indemnified Person") harmless (to the fullest extent permitted by law) from and against any and all claims, demands, suits, actions, investigations, proceedings, and damages, and all reasonable attorneys fees and disbursements and other costs and expenses actually incurred in connection therewith (as and when they are incurred and irrespective of whether suit is brought), at any time asserted against, imposed upon, or incurred by any of them (a) in connection with or as a result of or related to the execution, delivery, enforcement, performance, or administration of this Agreement, any of the other Loan Documents, or the transactions contemplated hereby or thereby, and (b) with respect to any investigation, litigation, or proceeding related to this Agreement, any other Loan Document, or the use of the proceeds of the credit provided hereunder (irrespective of whether any

Indemnified Person is a party thereto), or any act, omission, event, or circumstance in any manner related thereto (all the foregoing, collectively, the "Indemnified Liabilities"). The foregoing to the contrary notwithstanding, Borrower shall have no obligation to any Indemnified Person under this Section 11.3 with respect to any Indemnified Liability that a court of competent jurisdiction finally determines to have resulted from the gross negligence or willful misconduct of such Indemnified Person. This provision shall survive the termination of this Agreement and the repayment of the Obligations. If any Indemnified Person makes any payment to any other Indemnified Person with respect to an Indemnified Liability as to which Borrower and Guarantors were required to indemnify the Indemnified Person receiving such payment, the Indemnified Person making such payment is entitled to be indemnified and reimbursed by Borrower and Guarantors with respect thereto. WITHOUT LIMITATION, THE FOREGOING INDEMNITY SHALL APPLY TO EACH INDEMNIFIED PERSON WITH RESPECT TO INDEMNIFIED LIABILITIES WHICH IN WHOLE OR IN PART CAUSED BY OR ARISE OUT OF ANY NEGLIGENT ACT OR OMISSION OF SUCH INDEMNIFIED PERSON OR OF ANY OTHER PERSON.

12. NOTICES.

No consent to assignment by Lender shall release Borrower or any Guarantor from its Obligations. Lender may assign this Agreement and the other Loan Documents and its rights and duties hereunder and thereunder pursuant to Section 14.1 hereof and, except as expressly required pursuant to Section 14.1 hereof, no consent or approval by Borrower or any Guarantor is required in connection with any such assignment.

15. AMENDMENTS; WAIVERS.

15.1 Amendments and Waivers. No amendment or waiver of any provision of this Agreement or any other Loan Document, and no consent with respect to any departure by Borrower therefrom, shall be effective unless the same shall be in writing and signed by Lender and Borrower and then any such waiver or consent shall be effective only in the specific instance and for the specific purpose for which given.

No waiver by Lender on any occasion shall affect or diminish Lender's rights thereafter to require strict performance by Borrower or Guarantors, as the case may be, of any provision of this Agreement. Lender's rights under this Agreement and the other Loan Documents will be cumulative and not exclusive of any other right or remedy that Lender may have.

16. GENERAL PROVISIONS.

16.1 Effectiveness. This Agreement shall be binding and deemed effective when executed by Borrower, Guarantors and Lender.

16.2 Section Headings. Headings and numbers have been set forth herein for convenience only. Unless the contrary is compelled by the context, everything contained in each Section applies equally to this entire Agreement.

16.3 Interpretation. Neither this Agreement nor any uncertainty or

Edgar Filing: DIXON TICONDEROGA CO - Form 10-Q

ambiguity herein shall be construed against Lender or Borrower, whether under any rule of construction or otherwise. On the contrary, this Agreement has been reviewed by all parties and shall be construed and interpreted according to the ordinary meaning of the words used so as to accomplish fairly the purposes and intentions of all parties hereto.

16.4 Severability of Provisions. Each provision of this Agreement shall be severable from every other provision of this Agreement for the purpose of determining the legal enforceability of any specific provision.

16.5 Withholding Taxes. All payments made by Borrower or any Guarantor hereunder or under any note or other Loan Document will be made without setoff, counterclaim, or other defense, except as required by applicable law other than for Taxes (as defined below). All such payments will be made free and clear of, and without deduction or withholding for, any present or future taxes, levies, imposts, duties, fees, assessments or other charges of whatever nature now or hereafter imposed by any jurisdiction (other than the United States) or by any political subdivision or taxing authority thereof or therein (other than of the United States) with respect to such payments (but excluding, any tax imposed by any jurisdiction or by any political subdivision or taxing authority thereof or therein (i) measured by or based on the net income or net profits of Lender, or (ii) to the extent that such tax results from a change in the circumstances of Lender, including a change in the residence, place of organization, or principal place of business of Lender, or a change in the branch or lending office of Lender participating in the transactions set forth herein) and all interest, penalties or similar liabilities with respect thereto (all such non-excluded taxes, levies, imposts, duties, fees, assessments or other charges being referred to collectively as "Taxes"). If any Taxes are so levied or imposed, Borrower agrees to pay the full amount of such Taxes, and such additional amounts as may be necessary so that every payment of all amounts due under this Agreement or under any note, including any amount paid pursuant to this Section 16.5 after withholding or deduction for or on account of any Taxes, will not be less than the amount provided for herein; provided, however, that neither Borrower nor any Guarantor shall be required to increase any such amounts payable to Lender if the increase in such amount payable results from Lender's own willful misconduct or gross negligence. Borrower (for itself and each of its Subsidiaries) will furnish to Lender as promptly as possible after the date the payment of any Taxes is due pursuant to applicable law certified copies of tax receipts evidencing such payment by Borrower or such Subsidiary, as the case may be.

16.6 Currency Indemnity. If, for the purposes of obtaining judgment in any court in any jurisdiction with respect to this Agreement or any of the other Loan Documents, it becomes necessary to convert into the currency of such jurisdiction (the "Judgment Currency") any amount due under this Agreement or under any of the other Loan Documents in any currency other than the Judgment Currency (the "Currency Due"), then conversion shall be made at the Exchange Rate at which Lender is able, on the relevant date, to purchase the Currency Due with the Judgment Currency prevailing on the Business Day before the day on which judgement is given. In the event that there is a change in the rate of Exchange Rate prevailing between the Business Day before the day on which the judgment is given and the date of receipt by Lender of the amount due, Borrower will, on the date of receipt by Lender, pay such additional amounts, if any, or be entitled to receive reimbursement of such amount, if any, as may be necessary to ensure that the amount received by Lender on such date is the amount in the Judgment Currency which when converted at the rate of exchange prevailing on the date of receipt by Lender is the amount then due under this Agreement or such

Edgar Filing: DIXON TICONDEROGA CO - Form 10-Q

other of the Loan Documents in the Currency Due. If the amount of the Currency Due which Lender is able to purchase is less than the amount of the Currency Due originally due to it, Borrower and Guarantors shall indemnify and save Lender harmless from and against loss or damage arising as a result of such deficiency. The indemnity contained herein shall constitute an obligation separate and independent from the other obligations contained in this Agreement and the other

Loan Documents, shall give rise to a separate and independent cause of action, shall apply irrespective of any indulgence granted by Lender from time to time and shall continue in full force and effect notwithstanding any judgment or order for a liquidated sum in respect of an amount due under this Agreement or any of the other Loan Documents or under any judgment or order.

16.7 Amendments in Writing. This Agreement only can be amended by a writing signed by Lender, Borrower and Guarantors.

16.8 Counterparts; Telefacsimile Execution. This Agreement may be executed in any number of counterparts and by different parties on separate counterparts, each of which, when executed and delivered, shall be deemed to be an original, and all of which, when taken together, shall constitute but one and the same Agreement. Delivery of an executed counterpart of this Agreement by telefacsimile shall be equally as effective as delivery of an original executed counterpart of this Agreement. Any party delivering an executed counterpart of this Agreement by telefacsimile also shall deliver an original executed counterpart of this Agreement but the failure to deliver an original executed counterpart shall not affect the validity, enforceability, and binding effect of this Agreement. The foregoing shall apply to each other Loan Document mutatis mutandis.

16.9 Revival and Reinstatement of ObligationsError! Bookmark not defined. If the incurrence or payment of the Obligations by Borrower or any Guarantor or the transfer to Lender of any property should for any reason subsequently be declared to be void or voidable under any state or federal law relating to creditors' rights, including provisions of the Bankruptcy Code relating to fraudulent conveyances, preferences, or other voidable or recoverable payments of money or transfers of property (collectively, a "Voidable Transfer"), and if Lender is required to repay or restore, in whole or in part, any such Voidable Transfer, or elects to do so upon the reasonable advice of its counsel, then, as to any such Voidable Transfer, or the amount thereof that Lender is required or elects to repay or restore, and as to all reasonable costs, expenses, and attorneys fees of Lender related thereto, the liability of Borrower or such Guarantor automatically shall be revived, reinstated, and restored and shall exist as though such Voidable Transfer had never been made.

16.10 Integration. This Agreement, together with the other Loan Documents, reflects the entire understanding of the parties with respect to the transactions contemplated hereby and shall not be contradicted or qualified by any other agreement, oral or written, before the date hereof.
