1The Fund began investing under its current investment objective on December 18, 2002.

Investing involves risk, including possible loss of principal. Bonds and bond funds will decrease in value as interest rates rise. The Van Eck Funds are subject to various risks, including those unique to foreign investing, non-diversification, industry concentration, emerging market securities, small-cap companies and debt securities.

Please see the prospectus and summary prospectus for information on these and other risks. An investor should consider investment objectives, risks, charges and expenses of the investment company carefully before investing. To obtain a prospectus and summary prospectus, which contain this as well as other information, call 800.826.2333 or visit vaneck.com. Please read the prospectus and summary prospectus carefully before investing.

| 2ETF shares are not individually redeemable and will be issued and redeemed at their NAV only through certain authorized broker-dealers in large, specified blocks of shares called "creation units" and otherwise can be bought sold only through exchange trading. Creation units are issued and redeemed principally in kind and/or in cash. Sh may trade at a premium or discount to their NAV in the secondary market. 3Index providers do not sponsor, endoor promote the ETFs and bear no liability with respect to any such ETF or security. 4Market Vectors Municipal ETFs seek to track as closely as possible, before fees and expenses, indices calculated and maintained by Barclay Capital. These indices are not publicly disseminated and therefore do not have tickers. 5The sponsor of the Trust Merk Investments LLC (the "Sponsor"). Van Eck Securities Corpora•tion and Foreside Fund Services, LLC, prov marketing services to the Trust. The Trust is not an investment company registered under the Investment Company Act of 1940 or a commodity pool for the purposes of the Commodity Exchange Act. Shares of the Trust are not subject to the same regulatory requirements as mutual funds. Because shares of the Trust are intended to reflect the price of the gold held in the Trust, the market price of the shares is subject to fluctuations similar to those affecting gold prices. 6Morgan Stanley, issuer of the Market Vectors Currency ETNs, has filed a registration statement (including a prospectus) with the SEC for the offering to which this communication relates. Before you invest, you | ares orse, Bond s is vide ny |

should read the prospectus in that registration statement and other documents Morgan Stanley has filed with the SEC for more complete information about the issuer and the offering of the Market Vectors Currency ETNs. You may get these documents for free by visiting the Van Eck Global Web site at marketvectorsETNs.com or the EDGAR database on the SEC Web site at sec.gov. Alternatively, you may request a free copy of the prospectus by calling Van Eck Global at 800.826.2333; you may also request a copy from Morgan Stanley or any other dealer participating in this

offer. Van Eck Securities Corporation is the exclusive marketer of Market Vectors Currency ETNs.

For more information on Market Vectors ETPs and their underlying indices, call 800.826.2333. Investing involves substantial risk and high volatility, including possible loss of principal. Bonds and bond funds will decrease in value as interest rates rise. Please see the prospectus and summary prospectus for more details. Market Vectors ETF shares trade like stocks, are subject to investment risk and will fluctuate in market value. The market price of a Market Vectors ETF's shares may be more or less than the net asset value. An investor should consider the investment objective, risks, charges and expenses of Market Vectors ETFs carefully before investing. To obtain a prospectus and summary prospectus, which contains this and other information, call 800.826.2333 or visit vaneck.com. This material must be preceded or accompanied by a Van Eck Merk Gold Trust prospectus (http://www.vaneck.com/library/commodity-etfs-literature/). Before investing, you should carefully consider the Trust's investment objectives, risks, charges and expenses. Please read the prospectus and summary prospectus carefully before investing.
