Voting Procedures

The shares represented by each Proxy will be voted in accordance with the instructions given therein. Where no instructions are indicated, the Proxy will be voted in favor of all matters to be voted on as set forth in the Proxy and, at the discretion of the persons named in the

Each shareholder will be entitled to one vote for each share of common stock held and will not be entitled to cumulate votes in the election of directors. The submission of a signed Proxy will not affect a shareholder's right to attend the Annual Meeting and vote in person. Shareholders who execute proxies retain the right to revoke them at any time before they are voted by filing with the Secretary of the Company a written revocation or a Proxy bearing a later date at the corporate address. The presence at the Annual Meeting of a shareholder who has signed a Proxy does not, by itself, revoke that Proxy unless the shareholder attending the Annual Meeting files a written notice of revocation of the Proxy with the Secretary of the Company at any time prior to the voting of the Proxy at the Annual Meeting.

Proxies will be voted as specified by the shareholders. Where specific choices are not indicated, proxies will be voted FOR the election or adoption of each item so presented.

Record Date

Only shareholders of record at the close of business on Friday, July 24, 2015 (this date is referred to as the “record date”), are entitled to receive notice of and to vote the shares of common stock registered in their name at the Annual Meeting.

Outstanding Shares

As of the record date, we anticipate that approximately 75,074,368 shares of our common stock will be outstanding. Each share of common stock entitles the holder to cast one vote on each matter to be voted upon at the Annual Meeting.

Voting Rights and Required Vote

Under Idaho law, the Idaho Business Corporation Act requires the presence of a quorum to conduct business at the Annual Meeting. A quorum is defined as the presence, either in person or by Proxy, of a majority of the outstanding shares of common stock entitled to vote at the Annual Meeting. The shares represented at the Annual Meeting by Proxies that are marked “withhold authority” will be counted as shares present for the purpose of determining whether a quorum is present. Broker non-votes (i.e., Proxies from brokers or nominees indicating that such persons have not received instructions from beneficial owners to vote shares as to a matter with respect to which the brokers or nominees do not have discretionary power to vote) will also be counted as shares present for purposes of determining a quorum.

Assuming a quorum is present, directors are elected by the affirmative vote of a plurality of the shares of common stock present, either in person or by Proxy, at the Annual Meeting and entitled to vote. For this purpose, “plurality” means that the individuals receiving the largest number of votes are elected as directors, up to the maximum number of directors to be chosen at the election. In the election of directors, votes may be cast in favor, against or withheld. Votes that are withheld and broker non-votes will have no effect on the outcome of the election of directors.

The ratification of the election of our auditors for fiscal 2016 and the amendment to our Articles of Incorporation to increase our authorized shares must also be approved by the affirmative vote of a plurality of the shares of common stock present, either in person or by Proxy, at the Annual Meeting and entitled to vote, assuming a quorum is present.

Effective Dates

The election of directors and the ratification of the election of our auditors for fiscal 2016, if respectively approved by our shareholders, will be effective immediately following the Annual Meeting. The amendment to our Articles of Incorporation, if approved by our shareholders, will be effective on the filing of such amendment with the office of the Secretary of State of Idaho.

The following table outlines information provided to the Company as of July 24, 2015, the record date for the Annual Meeting, regarding beneficial ownership of PCS Common Stock by the Company's directors, executive management and any 5% beneficial owners and is updated from the March 31, 2015,

Director Qualifications

In evaluating potential directors, The Board considers the following factors:

the appropriate size of our Board of Directors;

our needs with respect to the particular talents and experience of our directors;
the knowledge, skills and experience of nominees, including experience in finance, administration, or public service, in light of prevailing business conditions and the knowledge, skills and experience already possessed by other members of the Board;

familiarity with the educational industry;
experience with accounting rules and practices; and
the desire to balance the benefit of continuity with the periodic injection of the fresh perspective provided by new Board members.

Our goal is to assemble a Board of Directors that brings together a variety of perspectives and skills derived from high quality business and professional experience. In doing so, The Board will also consider candidates with appropriate non-business backgrounds.

Other than the foregoing, there are no stated minimum criteria for director nominees, although the Board of Directors may also consider such other factors as they may believe are in the best interests of PCS and its shareholders.

The Board of Directors identifies nominees by first evaluating the current members of the Board willing to continue in service. Current members of the Board with skills and experience that are relevant to our business and who are willing to continue in service are considered for re-election. If any member of the Board does not wish to continue in service or if we decide not to re-nominate a member for re-election, we then identify the desired skills and experience of a new nominee in light of the criteria above. Current members of the Board of Directors are polled for suggestions as to individuals meeting the criteria described above. The Board may also engage in research to identify qualified individuals. To date, we have not engaged third parties to identify or evaluate or assist in identifying potential nominees, although we reserve the right in the future to retain a third party search firm, if necessary.

Role of Board in Risk Oversight

One of the functions of our Board of Directors is informed oversight of our risk management process. The Board does not have a standing risk management committee, but oversees this function through the Board as a whole, as well as through our Audit Committee, which is responsible for discussing guidelines and policies to govern the process by which risk assessment and management is undertaken.

Our Board oversees risk, including operational risk, liquidity risk and credit risk in various ways. Board meetings generally include discussions among Board members, management and outside consultants, when practical, regarding material risks we face, including operational and financial risk. Our management provides information to the Board regarding our approach to material risks, both at meetings and on a regular basis during informal discussion. In addition, the Board generally reviews the disclosures in our Annual Report on Form 10-K, including the risk factors. The Board's discussions with management include whether all material risks and concerns have been identified and the manner in which management will address the issues.

Potential Conflicts of Interests of Compensation Consultants

12 of 23

Last spring, the Nominating and Governance Committee conducted a formal recruiting and nominating process to fill the board seat vacated by Andrew Scoggin's resignation in January, 2015. The entire Board developed a matrix of current board skills, desired additional skills and a recruitment posting that was posted publicly and shared with board recruiters. The Governance/Nominating Committee reviewed the numerous applications and conducted phone interviews of the top candidates. The entire Board interviewed the finalists by telephone and added two directors to the Board (Ms. Redman and Ms. LuPriore, whose bios listed above).

The Nominating and Governance Committee is currently developing a committee charter document. Ms. Ide and Mr. Ranganathan are independent directors (based on the definition of independence below).

Our Bylaws do not contain any provision addressing the process by which a shareholder may nominate an individual to stand for election to the Board of Directors, and we do not have any formal policy concerning shareholder recommendations to the Board of Directors. To date, we have not received any recommendations from non-affiliate shareholders requesting that the Board consider a candidate for election to the Board. However, the absence of such a policy does not mean that the Board of Directors would not consider any such recommendation, if one is received. The Board would consider any candidate proposed in good faith by a shareholder. To do so, a shareholder should send the candidate's name, credentials, contact information and his or her consent to be considered as a candidate to the attention of the Board of Directors at 345 Bobwhite Court, Suite 200, Boise, ID 83706. The proposing shareholder should also include his or her contact information and a statement of his or her share ownership in the Company (how many shares owned and for how long).

Our Board of Directors does not have a formal process for security holders to send communications to the Board. However, our directors take great interest in the concerns of shareholders. Security holder communications may be sent to: Board of Directors, PCS Edventures!.com, Inc., 345 Bobwhite Court, Suite 200, Boise, Idaho 83706. Communications may also be sent to any individual director at our address.

Compensation Committee:

We adopted a compensation committee during fiscal year 2004 for the purpose of regulating management's compensation, as well as any incentive plans proposed by the Company. The compensation committee currently consists of Board Members Britt Ide, Todd Hackett, and Paula LuPriore. Todd Hackett currently serves as the temporary, uncompensated Co-CEO. Compensation for each member of the compensation committee is included in the table titled Director Compensation for fiscal year 2015. The Compensation Committee is currently developing a committee charter document. Ms. Ide and Ms. LuPriore are independent directors (based on the definition of independence below).

Compensation Committee Report

This report addresses what the Compensation Committee is responsible for and how the Company currently decides on compensation of its executive officers.

The Compensation Committee is currently responsible for:

- (i) reviewing and monitoring the appropriateness of the Company's executive compensation;
- (ii) reviewing and approving, where necessary, compensation and benefits to executives;

13 of 23

- (iii) evaluating the performance of the executive officers;
- (iv) monitoring the benefit plan(s) offered to employees of the Company; and
- (v) evaluating and making recommendations for our stock incentive plan(s).

The Compensation Committee held one meeting during fiscal year 2015. In addition, any discussions related to compensation were discussed during regularly scheduled Board meetings, after which time the conversations were incorporated into the Company's minutes. Within these discussions, the Compensation Committee discussed Compensation Discussion and Analysis including, but not limited to compensation awarded to, earned by or paid to the executive officers of the Company; current and long-term compensation for executive officers; and proposed incentive compensation plans. The Compensation Committee sets all levels of compensation for the executive officers. For executive officers other than the CEO, the committee reviews, analyzes and makes a determination of compensation based on recommendations from the CEO. The CEO's compensation is determined by the compensation committee each year after open discussions with other Board members. The key components of our compensation strategy is to link performance and shareholder value to salaries, stock bonus awards, and stock option awards, to recognize the contribution of each individual executive officer, as well as to recognize the business results as demonstrated by the executive officers as a whole.

The Compensation Committee has reviewed and discussed the CD&A with management and has recommended that the CD&A be included in the Company's Annual Report and Proxy Statement.

Director Independence

We believe that all members of our Board of Directors, with the exception of our Chief Executive Officers, Mr. Robert O. Grover and Mr. Todd R. Hackett, are independent, based on the following definition of an “independent director” using the NASDAQ standard, which is quoted below from Rule 5605(a)(2), which our Board of Directors has adopted as the definition of an “independent director,” even though we are not required to have independent directors. (2) “Independent Director” means a person other than an Executive Officer or employee of the Company or any other individual having a relationship, which, in the opinion of the Company’s Board of Directors, would interfere with the exercise of independent judgment in carrying out the responsibilities of a director. For purposes of this rule, “Family Member” means a person’s spouse, parents, children and siblings, whether by blood, marriage or adoption, or anyone residing in such person’s home. The following persons shall not be considered independent:

(A) a director who is, or at any time during the past three years was, employed by the Company;

(B) a director who accepted or who has a Family Member who accepted any compensation from the Company in excess of \$120,000 during any period of twelve consecutive months within the three years preceding the determination of independence, other than the following:

- i. compensation for Board or Board committee service;
- ii. compensation paid to a Family Member who is an employee (other than an Executive Officer) of the Company; or
- iii. benefits under a tax-qualified retirement plan, or non-discretionary compensation.

Provided, however, that in addition to the requirements contained in this paragraph (B), audit committee members are also subject to additional, more stringent requirements under Rule 5605(c)(2).

17 of 23

(C) a director who is a Family Member of an individual who is, or at any time during the past three years was, employed by the Company as an Executive Officer;

(D) a director who is, or has a Family Member who is, a partner in, or a controlling Shareholder or an Executive Officer of, any organization to which the Company made, or from which the Company received, payments for property or services in the current or any of the past three fiscal years that exceed 5% of the recipient's consolidated gross revenues for that year, or \$200,000, whichever is more, other than the following:

- i. payments arising solely from investments in the Company's securities; or
- ii. payments under non-discretionary charitable contribution matching programs.

(E) a director of the Company who is, or has a Family Member who is, employed as an Executive Officer of another entity where at any time during the past three years any of the Executive Officers of the Company serve on the compensation committee of such other entity; or

(F) a director who is, or has a Family Member who is, a current partner of the Company's outside auditor, or was a partner or employee of the Company's outside auditor who worked on the Company's audit at any time during any of the past three years.

(G) in the case of an investment company, in lieu of paragraphs (A)-(F), a director who is an "interested person" of the Company as defined in Section 2(a)(19) of the Investment Company Act of 1940, other than in his or her capacity as a member of the Board of Directors or any Board committee.

Director Compensation For Fiscal Year 2015

Effective October 1, 2009, the Board resolved and adopted the annual fees to be paid to outside Directors of the Board to be \$30,000 annually and paid in the form of Restricted Stock Units, or other form authorized under our PCS 2009 Equity Incentive Plan as the Board determines. Effective September 1, 2012, the Board resolved and adopted that the annual fees to be paid to outside Directors of the Board be reduced to \$15,000 annually and paid in the form of Restricted Stock Units, or other form authorized under our PCS 2009 Equity Incentive Plan as the Board determines. With respect to the time period of director service from September 1, 2014, through September 30, 2015, the Board approved the grant to each Director for compensation for service of 150,000 Restricted Stock Units under our PCS Equity Incentive Plan. The one-time 13-month term will allow the future yearly grant timing to match the Annual Meeting cycle. Restricted Stock Units are subject to forfeiture as described in our 2009 Plan. As of March 31, 2015, we had \$12,117 of director fees accrued. On February 1, 2015, the Board of Directors appointed Todd R. Hackett as

Co-Chief Executive Officer. Mr. Hackett is not employed by us and receives no compensation other than his compensation as a member of the Board of Directors. Mr. Grover, the Company's employed CEO, has been excluded from receiving additional compensation as a Board member beginning with the second fiscal quarter of 2006, by unanimous consent of the Board. The following table shows awards and payments to outside Directors of our Board for fiscal year ending March 31, 2015, as compensation.

Hackett, Murali Ranganathan, and Britt E. Ide, for services rendered at a rate of one share of common stock for each Restricted Stock Unit. Mr. Hackett received 150,000 shares of common stock. Each common stock share was valued at \$0.055, based on the closing price of the Company’s common stock at the date of grant. Non-management Director Mr. Ranganathan received 214,286 shares of common stock. Each common stock share was valued at \$0.055, based on the closing price of the Company’s common stock at the date of grant. Non-management Director Ms. Ide received 125,000 shares of common stock. Each common stock share was valued at \$0.055, based on the closing price of the Company’s common stock at the date of grant. As of March 31, 2015, \$12,117 is accrued under Restricted Stock Units payable.

During the fiscal year ended March 31, 2015, the Company made no purchases of its outstanding equity securities; however, Todd R. Hackett, the Company’s Co-CEO, shareholder, predominant promissory note holder, and Board of Directors member, has purchased 1,520,972 shares of PCS Edventures common stock on the open market between fiscal year end March 31, 2015, and May 22, 2015. Information about these purchases can be accessed in Mr. Hackett’s Schedule 13D filings with the Securities and Exchange Commission at www.sec.gov, under the filings of the Company.

During the fiscal years ended March 31, 2013, through March 31, 2015, the Company entered into various loan transactions with members of the Board of Directors (Todd R. Hackett and Murali Ranganathan), shareholder (Todd R. Hackett) and former employee (Anthony Maher). The loans were made in arms-length transactions and are fully disclosed in Note 7 of our audited consolidated financial statements contained in our 10-K Annual Report for the fiscal year ended March 31, 2015, a copy of which is attached hereto and is incorporated herein by reference.

Family Relationships

Chief Executive Officer, Robert O. Grover's spouse, Heidi Grover, and daughter, Dalton Grover, are employed by the Company as the Director of Production and Marketing and Curriculum Coordinator, respectively.

Involvement In Certain Legal Proceedings

Anthony Maher brought suit against PCS in January of 2014, claiming breach of an employment contract, interference with economic expectancy, and fraud. A settlement was agreed in exchange for dismissal of the suit, and release of PCS from any liability to Mr. Maher for any and all claims related to Mr. Maher's

19 of 23

employment contract with PCS, PCS issued Mr. Maher 400,000 shares of our common stock, and paid Mr. Maher \$50,000. PCS denied the allegations or any other wrongdoing claimed by Mr. Maher, but determined to settle the matter for a modest amount costing the Company \$10,000 after insurance settlement and \$2,650 in mediation fees, to avoid the expense of defending the action in court. The settlement agreement was executed on July 9, 2014.

On or about May 18, 2015, the Company was named as a co-defendant in a legal action related to one of its employees, alleged to have been driving an automobile negligently, while on work related services for us, and causing damages to the plaintiffs in the action. The action was brought in the District Court of the Fourth Judicial District of the State of Idaho, in and for the County of Ada, Civil Action number CV PI 1507419. We have engaged legal counsel to represent us in this matter, and we are not presently in a position to determine what, if any, liability we may have for the actions of our employee, or even whether such employee was negligence in any manner. We also believe that we have adequate insurance coverage for our legal representation and any potential liability. As this action progresses, we will update this information.

Internet access, a copy of the Code of Ethics will be provided on request to us at no cost.

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Securities Exchange Act of 1934, as amended (the “Exchange Act”), requires executive officers and directors and persons who own more than ten percent (10%) of our common stock to file initial reports of ownership (Form 3) and reports of changes in ownership (Form 4) with the Securities and Exchange Commission. Executive officers, directors, and greater than 10% owners are required by the Securities and Exchange Commission’s regulations to furnish us with copies of all Section 16(a) forms that they file.

Based solely on review of the copies of such forms furnished to us, we believe that all Section 16(a) filing requirements applicable to our executive officers and directors were timely filed during our fiscal year ended March 31, 2015.

PROPOSAL No. 2

RATIFICATION OF SELECTION OF INDEPENDENT REGISTERED

PUBLIC ACCOUNTING FIRM

The Audit Committee of our Board of Directors has selected M&K CPAs, PLLC as our independent registered public accounting firm for the fiscal year ending March 31, 2016, and has further directed that management submit the selection of an independent registered public accounting firm for ratification by the shareholders at the Annual Meeting.

Neither our bylaws nor other governing documents or law require shareholder ratification of the selection of M&K CPAs, PLLC as our independent registered public accounting firm. However, the Audit Committee is submitting the selection of M&K CPAs, PLLC to the shareholders for ratification as a matter of good corporate practice. If the shareholders fail to ratify the selection, the Audit Committee will reconsider whether or not to retain that firm. Even if the selection is ratified, the Audit Committee, in its discretion, may direct the appointment of a different independent registered public accounting firm at any time during the year if they determine that such a change would be in the best interests of the Company and our shareholders.

Representatives of M&K CPAs, PLLC are not expected to be present at the Annual Meeting for the fiscal year ended March 31, 2015. Accordingly, they will not have the opportunity to make a statement nor will they be available to respond to appropriate questions.

Ratification of the selection of M&K CPAs, PLLC requires the affirmative vote of a majority of the votes of the holders of shares present in person or represented by Proxy and entitled to vote at the Annual Meeting, assuming the presence of a quorum. Abstentions will be counted toward the tabulation of votes cast on proposals presented to the shareholders in determining whether a quorum is present.

Independent Registered Public Accounting Firm Fee Information

In connection with the audit of our fiscal year March 31, 2015, financial statements, we entered into an engagement agreement with M&K CPAs, PLLC that set forth the terms by which M&K CPAs, PLLC would perform audit services for us, including the responsibilities of M&K CPAs, PLLC and management in the conduct of the audit and estimated fees. That agreement is subject to alternative dispute resolution procedures.

The following table represents aggregate fees billed or to be billed to us for services performed for the fiscal years ended March 31, 2015, and 2014, by M&K CPAs, PLLC, our independent registered public accounting firm.

The Company paid \$53,576 in fees during fiscal year ended March 31, 2014, which included review of our financial statements for our Quarterly Reports and other reviews related to regulatory filings required by the Securities and Exchange Commission.

All services provided by M&K CPAs, PLLC for the fiscal years ended March 31, 2015 and 2014 were approved by the audit committee.

The Board of Directors recommends that shareholders vote FOR Proposal No. 2

to Ratify the Election of M&K CPAs, PLLC.

PROPOSAL No. 3

INCREASE IN SHARE AUTHORIZATION

Pursuant to Section 30-1-1003 of the Idaho Business Corporation Act, an amendment to the Articles of Incorporation of an Idaho corporation must first be adopted by the Board of Directors, and then submitted to and approved by shareholders owning a majority of the outstanding voting securities of the class voting on the amendment.

The Board of Directors resolved on July 15, 2015, to increase the Company authorized common stock from 90,000,000 shares with no par value to 100,000,000 shares of common stock with no par value, and has further directed that management submit the resolution for ratification by the shareholders at the Annual Meeting.

Reasons for the Adoption of the Amendment to Our Articles of Incorporation

Our Articles of Incorporation currently authorize the issuance of up to 90,000,000 shares of common stock with no par value per share, and there are currently 75,074,368 of such shares issued and outstanding. Our Board of Directors believes that an increase in the number of our authorized shares to 100,000,000 shares will provide the Company with a sufficient number of available shares for various corporate purposes, including the sale of common stock and securities convertible into common stock, as well as the issuance for potential acquisitions, share dividends, and the granting of options or warrants or issuances under compensatory plans presently in effect or that may be adopted by us in the future. As of the date hereof, we are not party to any agreement or arrangement by which any of the newly authorized shares will be issued.

22 of 23

The increase in our authorized shares of common stock may have the effect of preventing or delaying the acquisition by third parties of a controlling interest in us. Our ability to issue the increased number of voting securities may lead to an increase in the number of votes required in order to approve a future change in control and may make it substantially more difficult for third parties to gain control of us through a tender offer, proxy contest, merger, or other transaction. The ability to prevent a change in control may deprive our shareholders of any benefits that may result from such a change in control, including the potential realization of a premium over the market price for our common stock that could result from a transaction of this type. Furthermore, the issuance of a large block of additional shares to parties who may be deemed “friendly” to our Board of Directors may make it more difficult to remove incumbent directors from office, even if such removal would benefit our common shareholders. Despite these potential anti-takeover effects, however, our Board of Directors believes that the financial flexibility afforded by an increase in our authorized common stock outweighs any potential disadvantages. Our Board of Directors has adopted the resolutions necessary to increase our authorized shares with a view to such flexibility, and not with a view to its potential anti-takeover effects. Our management and our Board of Directors have no present intention to use the increased number of authorized common shares for any anti-takeover purpose.

Our issuance of any additional shares of our common stock may dilute both the equity interests and the earnings per share of our existing common shareholders. Such dilution may be substantial, depending on the number of shares issued. The newly authorized shares of common stock will have voting and other rights identical to those of the currently authorized shares of common stock. The amendment of our Articles of Incorporation to increase our authorized common shares will not have any material effect on our business operations or reporting requirements with the Securities and Exchange Commission, other than the requirement that we file a Current Report on Form 8-K with respect to such amendment.

The Board of Directors recommends that shareholders vote FOR Proposal No. 3

to Ratify the Increase in our Authorized Shares.
