PROXY STATEMENT

The Board of Directors of Sonic Foundry, Inc., a Maryland corporation (“Sonic”), hereby solicits the enclosed proxy. Unless instructed to the contrary on the proxy, it is the intention of the persons named in the proxy to vote the proxies:

FOR the election of Frederick H. Kopko, Jr. for a term expiring in 2021; and

FOR the ratification of the appointment of Baker Tilly Virchow Krause LLP as independent auditors of Sonic for the fiscal year ending September 30, 2016.

In the event that the nominee for director becomes unavailable to serve, which management does not expect, the persons named in the proxy reserve full discretion to vote for any other persons who may be nominated. Proxies may also be authorized by telephone or over the Internet by following the instructions on the proxy card. Any stockholder giving a proxy may revoke it at any time prior to the voting of such proxy. This Proxy Statement and the accompanying proxy are being mailed on or about February 1, 2016.

Each stockholder will be entitled to one vote for each share of Common Stock standing in his or her name on our books at the close of business on January 8, 2016 (the “Record Date”). Only holders of issued and outstanding shares of Sonic's common stock as of the close of business on the Record Date are entitled to notice of and to vote at the Annual Meeting, including any adjournment or postponement thereof. On that date, we had outstanding and entitled to vote 4,370,640 shares of Common Stock, held by approximately 4,100 stockholders, of which approximately 200 were held in street name.

QUORUM; VOTES REQUIRED

Votes cast by proxy or in person at the Annual Meeting will be tabulated by the inspector of elections appointed for the Annual Meeting and will determine whether or not a quorum is present. Where, as to any matter submitted to the stockholders for a vote, proxies are marked as abstentions (or stockholders appear in person but abstain from voting), such abstentions will be treated as shares that are present and entitled to vote for purposes of determining the presence of a quorum, but will not be treated as present and entitled to vote for any other purpose. If a broker indicates on the proxy that it does not have discretionary authority as to certain shares to vote on a particular matter and has not received instructions from the beneficial owner, which is known as a broker non-vote, such shares will also be considered present for purposes of a quorum, provided that the broker exercises discretionary authority on any other matter in the Proxy. A majority of the shares of Common Stock issued, outstanding and entitled to vote at the Annual Meeting, present in person or represented by proxy, shall constitute a quorum at the Annual Meeting. The election of the Director requires a plurality of the votes present and entitled to vote. Therefore, the director who receives the highest vote total will be elected. Neither an abstention nor a withheld vote will affect the outcome of the election. The ratification of the appointment of Baker Tilly Virchow Krause LLP requires the affirmative vote of the holders of a majority of the votes cast at the Annual Meeting. If you abstain or withhold your vote on this proposal, it will have no effect on the outcome of the proposal.

The New York Stock Exchange (“NYSE”) has rules that govern brokers who have record ownership of listed company stock held in brokerage accounts for their clients who beneficially own the shares. Under these rules, brokers who do not receive voting instructions from their clients have the discretion to vote uninstructed shares on certain discretionary matters but do not have discretion to vote uninstructed shares as to certain other non-discretionary

matters. A broker may return a proxy card on behalf of a beneficial owner from whom the broker has not received instructions that casts a vote with regard to discretionary matters but expressly states that the broker is not voting as to non-discretionary matters. The broker's inability to vote with respect to the non-discretionary matters with respect to which the broker has not received instructions from the beneficial owner is referred to as a "broker non-vote". Under current NYSE

1

interpretations, the proposal to ratify the appointment of Baker Tilly Virchow Krause, LLP as our independent auditor is considered a discretionary matter.

DATE, TIME AND PLACE OF ANNUAL MEETING

The Annual Meeting will be held on March 3, 2016 at 9:00 a.m. (Central time) at the Monona Terrace Community and Convention Center, One John Nolen Drive, Madison, Wisconsin 53703.

When considering whether the Board of Directors and nominees thereto have the experience, qualifications, attributes and skills, taken as a whole, to enable the Board of Directors to satisfy its oversight responsibilities effectively in light of our business and structure, the Board of Directors focused primarily on the information discussed in each of the Board members' biographical information set forth above. Each of the Company's directors possess high ethical standards, act with integrity and exercise careful, mature judgment. Each is committed to employing his skills and abilities to aid the long-term interests of the stakeholders of the Company. In addition, each of our directors has exhibited judgment and skill, and has either been actively involved with the Company for a considerable period of time or has experience with other organizations of comparable or greater size. CORPORATE GOVERNANCE

Director Independence

Through its listing requirements for companies with securities listed on the NASDAQ Capital Market, the NASDAQ Stock Market (“NASDAQ”) requires that a majority of the members of our Board be independent, as defined under NASDAQ’s rules. The NASDAQ rules have both objective tests and a subjective test for determining who is an “independent director.” The objective tests state, for example, that a director is not considered independent if he or she is an employee of the Company or has engaged in various types of business dealings with the Company. The subjective test states that an independent director must be a person who lacks a relationship that in the opinion of the Board would interfere with the exercise of independent judgment in carrying out the responsibilities of a director. The Board has made a subjective determination as to each independent director that no relationship exists that, in the opinion of the Board, would interfere with the exercise of independent judgment in carrying out the responsibilities of a director. In making these determinations, the Board reviews information provided by the directors in an annual questionnaire with regard to each director’s business and personal activities as they relate to the Company. Based on this review and consistent with NASDAQ’s independence criteria, the Board has affirmatively determined that Mark D. Burish, David C. Kleinman, Paul S. Peercy and Brian T. Wiegand are independent.

Related Person Transaction

The Board has adopted a Related Person Transaction Policy (the “Policy”), which is a written policy governing the review and approval or ratification of Related Person Transactions, as defined in SEC rules.

Under the Policy, each of our directors and executive officers must notify the Chairman of the Audit Committee in writing of any new potential Related Person Transaction involving such person or an immediate family member. The Audit Committee will review the relevant facts and circumstances and will approve or ratify the transaction only if it determines that the transaction is not inconsistent with the best interests of the Company. The Related Party Transaction must then be approved by the independent directors. In determining whether to approve or ratify a Related Person Transaction, the Audit Committee and the independent directors may consider, among other things, the benefits to the Company; the impact on the director’s independence (if the Related Person is a director or an immediate family member); the availability of other sources for comparable products or services; the terms of the transaction; and the terms available to unrelated third parties or to employees generally. There were no new Related Person Transactions in the fiscal year ended September 30, 2015 (“Fiscal 2015”).

Board Leadership Structure and Role in Risk Oversight

In fiscal 2011 the Company separated the positions of Chairman of the Board and Chief Executive Officer. Mark D. Burish serves as Non-Executive Chairman of the Board and Gary R. Weis serves as our Chief Executive Officer and Chief Technical Officer. The Company believes that having separate positions provides an appropriate leadership structure.

Our business and affairs are managed under the direction of our board, which is the Company’s ultimate decision-making body, except with respect to those matters reserved to our stockholders. Our Board’s key mission is to maximize long-term stockholder value. Our Board establishes our overall corporate policies, selects and evaluates our executive management team (which is charged with the conduct of our business), and acts as an advisor and counselor to executive management. Our board also oversees our business strategy and planning, as well as the performance of management in executing its business strategy and assessing and managing risks.

What is the Board's role in risk oversight?

The board takes an active role in monitoring and assessing the Company's risks, which include risks associated with operations, credit, financing and capital investments. Management is responsible for the Company's day-to-day risk

5

management activities and our board's role is to engage in informed risk oversight. Management, through its disclosure committee, compiles an annual ranking of risks to which the Company could be subjected and reviews the results of this risk assessment with the audit committee. Any significant risks are then reviewed by the board and assigned for oversight. In fulfilling this oversight role, our board focuses on understanding the nature of our enterprise risks, including our operations and strategic direction, as well as the adequacy of our risk management process and overall risk management system. There are a number of ways our board performs this function, including the following:

- At its regularly scheduled meetings, the board receives management updates on our business operations, financial results and strategy and discusses risks related to the business;
- The audit committee assists the board in its oversight of risk management by discussing with management, particularly, the Chief Financial Officer, our guidelines and policies regarding financial and enterprise risk management and risk appetite, including major risk exposures, and the steps management has taken to monitor and control such exposures; and
- Through management updates and committee reports, the board monitors our risk management activities, including the annual risk assessment process, risks relating to our compensation programs, and financial and operational risks being managed by the Company.

The board of directors also has oversight responsibility for risks and exposures related to employee compensation programs and management succession planning, and assesses whether the organization's compensation practices encourage risk taking that would have a material adverse effect on the Company. The compensation committee periodically reviews the structure and elements of our compensation programs and its policies and practices that manage or mitigate such risk, including the balance of short-term and long-term incentives, use of multiple performance measures, and a multi-year vesting schedule for long-term incentives. Based on these reviews, the committee believes our compensation programs do not encourage excessive risk taking.

Board Structure and Meetings

The Board met five times during Fiscal 2015. The Board also acted by written consent from time to time. All directors attended at least 75% of the total number of Board meetings and committee meetings on which they serve (during the period in which each director served). In addition, NASDAQ marketplace rules contemplate that the independent members of our Board will meet during the year in separate closed meetings referred to as "executive sessions" without any employee director or executive officer present. Executive sessions were usually held after regularly scheduled Board meetings during Fiscal 2015.

The Board of Directors has four standing committees, the Audit Committee, the Executive Compensation Committee, the Governance Committee and the Nominations Committee.

Sonic has a standing audit committee established in accordance with Section 3(a)(58)(A) of the Securities Exchange Act of 1934, as amended (the "Exchange Act"). Members of the Audit Committee are Messrs. Kleinman (chair), Burish and Peercy. Sonic's Board of Directors has determined that all members of Sonic's Audit Committee are "independent" as that term is used in Item 7(d)(3)(iv) of Schedule 14A under the Exchange Act and as defined under Nasdaq listing standards. The Audit Committee provides assistance to the Board in fulfilling its oversight responsibility including: (i) internal and external financial reporting, (ii) risks and controls related to financial reporting, and (iii) the internal and external audit process. The Audit Committee is also responsible for recommending to the Board the selection of our independent public accountants and for reviewing all related party transactions. The Audit Committee met five times in Fiscal 2015. A copy of the charter of the Audit Committee is available on Sonic's website.

Sonic's Board of Directors has determined that, due to his affiliation with the Chicago Booth School of Business at the University of Chicago, and due to his current and past service as a director on numerous company boards, and

membership on numerous audit committees, including past or present chair, along with his other academic and business credentials, Mr. Kleinman has the requisite experience and applicable background to meet Nasdaq standards requiring financial sophistication of at least one member of the audit committee. Sonic's Board of Directors has also determined

6

that neither Mr. Kleinman nor any other member of the Audit Committee is an audit committee financial expert as defined by applicable SEC regulations

The Compensation Committee consists of Messrs. Kleinman (chair) and Burish. The Board of Directors has determined that all of the members of the Compensation Committee are “independent” as defined under Nasdaq listing standards. The Compensation Committee makes recommendations to the Board with respect to salaries of employees, the amount and allocation of any incentive bonuses among the employees, and the amount and terms of stock options to be granted to executive officers. The Compensation Committee met once in Fiscal 2015. A copy of the charter of the Compensation Committee is available on Sonic’s website.

The New Markets Committee consisted of Messrs. Percy (chair) and Kleinman. The New Markets Committee was established on January 24, 2013 to assist management in developing new market entry plans, providing access to contacts that may facilitate entry, assessing risk and monitoring outcomes. The Committee did not meet in fiscal 2015 and was terminated in March 2015.

The Governance Committee consists of Messrs. Burish (chair), Kopko and Percy. The Governance Committee was established on January 24, 2013 to consider board terms and other governance issues related to enhancing shareholder value. The Committee did not meet in fiscal 2015.

The Nominations Committee consists of Messrs. Percy (chair), Burish, Wiegand and Kleinman. The Board of Directors has determined that all of the members of the Nominations Committee are “independent” as defined under Nasdaq listing standards. The purpose of the Nominations Committee is to evaluate and recommend candidates for election as directors, make recommendations concerning the size and composition of the Board of Directors, develop specific criteria for director independence, and assess the effectiveness of the Board of Directors. Our Board of Directors has adopted a charter for the Nominations Committee, which is available on Sonic’s website. The Nominations Committee will review all candidates in the same manner regardless of the source of the recommendation. In recommending candidates for election to the Board of Directors, the Nominations Committee reviews each candidate’s qualifications, including whether a candidate possesses any of the specific qualities and skills desirable in certain members of the Board of Directors. Evaluations of candidates generally involve a review of background materials, internal discussions and interviews with selected candidates as appropriate. Generally the Nominations Committee will consider various criteria in considering whether to make a recommendation. These criteria include expectations that directors have substantial accomplishments in their professional backgrounds and are able to make independent, analytical inquiries and exhibit practical wisdom and mature judgment. Director candidates should possess the highest personal and professional ethics, integrity and values, be committed to promoting the long-term interest of our stockholders and be able and willing to devote the necessary time to carrying out their duties and responsibilities as members of the Board. While the Board of Directors has not adopted a policy regarding diversity, we also believe our directors should come from diverse backgrounds and experience bases in order to promote the representation of diverse views on the Board of Directors. Stockholder recommendations of candidates for Board membership will be considered when submitted to Corporate Secretary, Sonic Foundry, Inc., 222 W. Washington Ave., Madison, WI 53703. When submitting candidates for nomination to be elected at Sonic's annual meeting of stockholders, stockholders must also follow the notice procedures and provide the information required by Sonic's bylaws.

In particular, for a stockholder to nominate a candidate for election at the 2017 Annual Meeting of Stockholders, the nomination must be delivered or mailed to and received by Sonic's Secretary between November 3, 2016 and December 3, 2016 (or, if the 2017 annual meeting is advanced by more than 30 days or delayed by more than 60 days from March 3, 2017, not earlier than the close of business on the 120th day prior to such annual meeting and not later than the close of business on the later of the 90th day prior to such annual meeting or the tenth calendar day following the date on which public announcement of the date of the annual meeting is first made). The nomination must include

the same information as is specified in Sonic's bylaws for stockholder nominees to be considered at an annual meeting, including the following:

•The stockholder's name and address and the beneficial owner, if any, on whose behalf the nomination is proposed;

7

- The stockholder's reason for making the nomination at the annual meeting, and the signed consent of the nominee to serve if elected;
 - The number of shares owned by, and any material interest of, the record owner and the beneficial owner, if any, on whose behalf the record owner is proposing the nominee;
 - A description of any arrangements or understandings between the stockholder, the nominee and any other person regarding the nomination; and
- Information regarding the nominee that would be required to be included in Sonic's proxy statement by the rules of the Securities and Exchange Commission, including the nominee's age, business experience for the past five years and any other directorships held by the nominee.

DIRECTORS COMPENSATION

Our directors who are not also our full-time employees, receive an annual retainer of \$20,000 in addition to a fee of \$1,500 for attendance at each meeting of the Board of Directors and \$1,000 per committee meeting attended. In addition, Mr. Kleinman receives an Audit Committee annual retainer of \$8,000 and a Compensation Committee annual retainer of \$3,000 for his services as chairman of each committee and Mr. Burish receives an annual retainer of \$35,000 as compensation for his services as Chairman of the Board of Directors. The cash compensation paid to the five non-employee directors combined in Fiscal 2015 was \$195,000. When traveling from out-of-town, the members of the Board of Directors are also eligible for reimbursement for their travel expenses incurred in connection with attendance at Board meetings and Board Committee meetings. Directors who are also employees do not receive any compensation for their participation in Board or Board Committee meetings.

Pursuant to the 2008 Sonic Foundry Non-Employee Amended Directors Stock Option Plan (the "Directors Plan") we grant to each non-employee director who is reelected or who continues as a member of the Board of Directors at each annual stockholders meeting a stock option to purchase 2,000 shares of Common Stock. Further, the chair of our Audit Committee receives an additional stock option grant to purchase 500 shares of Common Stock per year pursuant to Sonic's Non-Employee Amended Directors Stock Option Plan.

The exercise price of each stock option granted was equal to the market price of Common Stock on the date the stock option was granted. Stock options under the Directors Plan vest fully on the first anniversary of the date of the grant and expire ten years after the date granted. An aggregate of 100,000 shares are reserved for issuance under the Directors Plan.

If any change is made in the stock subject to the Directors Plan, or subject to any option granted thereunder, the Directors Plan and options outstanding thereunder will be appropriately adjusted as to the type(s), number of securities and price per share of stock subject to such outstanding options.

The options and warrants set forth above have an exercise price equal to the fair market value of the underlying common stock on the date of grant. The term of all such options is ten years.

The following table summarizes cash and equity compensation provided our non-employee directors during the fiscal year ended September 30, 2015.

Compensation Discussion and Analysis

Introduction

This Compensation Discussion and Analysis describes our compensation strategy, policies, programs and practices for the executive officers identified in the Summary Compensation Table. Throughout this proxy statement, we refer to these individuals, who serve as our Chief Executive Officer, Chief Financial Officer and Executive Vice President of Sales as the “executive officers.”

The Executive Compensation Committee (“Committee”) establishes and oversees our compensation and employee benefits programs and approves the elements of total compensation for the executive officers. The day-to-day design and administration of our retirement and employee benefit programs available to our employees are handled by our Human Resources and Finance Department employees. The Committee is responsible for reviewing these programs with management and approving fundamental changes to them.

Overview and Objectives of our Executive Compensation Program

The compensation program for our executive officers is designed to attract, motivate, reward and retain highly qualified individuals who can contribute to Sonic’s growth with the ultimate objective of increasing stockholder value.

Our compensation program consists of several forms of compensation: base salary, annual bonus, long-term incentives and limited perquisites and benefits.

Base salary and annual bonus are cash-based while long-term incentives consist of stock option awards. The Committee does not have a specific allocation goal between cash and equity-based compensation or between annual and long-term incentive compensation. Instead, the Committee relies on the process described in this discussion and analysis in its determination of compensation levels and allocations for each executive officer.

The Committee established performance metrics for each of its Named Executive Officers in fiscal 2015 designed to match Company performance to the amount of incentive compensation paid to such officers following completion of the fiscal year.

The recommendations of the Chief Executive Officer play a significant role in the compensation-setting process. The Chief Executive Officer provides the Committee with an annual overall assessment of Sonic’s achievements and performance, his evaluation of individual performance and his recommendations for annual compensation and long-term incentive awards. The Committee has discretion to accept, reject or modify the Chief Executive Officer’s recommendations.

The Committee determines the compensation for the Chief Executive Officer in an executive session.

Market Competitiveness

The Committee’s target is for total cash compensation to average between the 50th and 75th percentile of published compensation data derived from two sources: (i) a peer group of companies that are in our industry, competitors for key talent, or with similar financial characteristics; and (ii) published market survey data for companies within our revenue range. The peer group data was obtained from the most recently filed proxy statement of 13 publicly-traded technology companies with annual revenues ranging from approximately \$25 million to just over \$100 million;

market

12

capitalization of approximately \$20 million to approximately \$200 million and approximately 300 employees or less. The following companies comprised the peer group for the study: ARI Network Services Inc., Asure Software Inc., Autobytel Inc., Bsquare Corporation, Envivio Inc., FalconStor Software Inc., GlobalSCAPE Inc., Glowpoint Inc., GSE Systems Inc., Inuvo Inc., MAM Software Group, Inc., Qumu Corporation and Smith Micro Software Inc.. Given competitive recruiting pressures, the Committee retains its discretion to deviate from this target under appropriate circumstances. The Committee periodically receives updates of the published compensation data.

Pay for Performance

The Committee believes that both long and short-term compensation of executive officers should correlate to Sonic's overall financial performance. Incentive payouts will be larger with strong performance and smaller if Sonic's financial results decline. From time to time, extraordinary Board-approved initiatives in a fiscal year, such as a restructuring, acquisition, or divestiture, are considered by the Committee in its overall evaluation of Sonic's performance.

Peer Group Analysis

Compensation data came from a peer group of thirteen public companies that we consider similar to our market for sales, or for key talent, or with similar financial or other characteristics such as number of employees. The companies in the peer group are described above.

Components of Executive Compensation

Base Salary

The Committee seeks to pay the executive officers a competitive base salary in recognition of their job responsibilities for a publicly held company. As noted above, the target compensation range for an executive's total cash compensation (salary and bonus) is between the 50th and 75th percentile of the market data reviewed by the Committee.

As part of determining annual compensation review, the Committee also considers the Chief Executive Officer's recommendation regarding individual performance as well as internal equitable considerations.

In evaluating individual performance, the Committee considers initiative, leadership, tenure, experience, skill set for the particular position, knowledge of industry and business, and execution of strategy in placing the individual within the range outlined.

The Committee considered base wage changes for Messrs. Weis, Minor and Lipps at a meeting of the Committee held on November 5, 2015. As a result of fiscal 2015 Company performance well below expectations, the Committee determined to make no change to base compensation for Messrs. Weis, Minor and Lipps – leaving them at \$475,615, \$293,190 and \$235,739, respectively. After its review of all sources of market data as described above, the Committee believes that the base salaries and the bonuses described are within its targeted range for total cash compensation.

Annual Performance-Based Variable Compensation

The performance-based variable compensation reported for each executive officer represents compensation that was earned based on the fiscal 2015 incentive plan. The following describes the methodologies used by the Compensation Committee to determine the final annual performance-based variable compensation earned by each executive officer: Selection of Performance Metrics. For fiscal 2015, the Compensation Committee designed a short-term incentive program ("STIP") driven by four performance measures that it determined were appropriate to drive desired business behavior for the Company and would correlate positively with total shareholder return. These measures were the

Company's results with respect to (1) customer billings, (2) adjusted EBITDA, (3) customer satisfaction, and (4) the officer's achievement of certain individual goals. Messrs. Weis, Minor and Lipps were included in the plan. Mr. Lipps' short-term incentive plan included a separate component based solely on the level of customer billings achieved.

Establishment of Incentive Goals and Payout Approach. The Compensation Committee designed the relationship between pay and performance to ensure that desired performance would be rewarded with material payouts. Similarly, performance that did not meet the goals would reduce the performance-based variable compensation payout to as low as zero. In setting the performance levels, the Compensation Committee strived to establish challenging but achievable goals. The factors considered by the Compensation Committee in assessing the challenge inherent in the goals included:

- 1 Management's internal operating plan; and
- 1 Customer satisfaction.

Payout Based on Performance Against Goals. For fiscal 2015 the Company's performance, as evaluated by the Compensation Committee, lead to the determination that no objectives were met with regard to financial performance of the Company but that individual goals and customer satisfaction targets were met. Therefore 40% of the target bonus payouts were made under the STIP compensation plan. The STIP earned by Messrs. Weis, Minor and Lipps were \$95,123, \$41,047 and \$28,289, respectively. Total billings – based incentives paid to Mr. Lipps during fiscal 2015 was \$64,196.

Stock Options

The Committee has a long-standing practice of providing long-term incentive compensation grants to the executive officers. The Committee believes that such grants, in the form of stock options, help align our executive officers' interests with those of Sonic's stockholders. All stock options have been granted under our 1995 Stock Option Plan, the 1999 Non-Qualified Plan or the 2009 Stock Incentive Plan ("Employee Plans"). All but the 2009 Stock Incentive Plan are now terminated.

The Committee reviews option grant recommendations by the Chief Executive Officer for each executive officer, but retains full discretion to accept, reject or revise each recommendation. The Committee's policy is to grant options on the date it approves them or such other future date as the Committee may agree at the time of approval. The exercise price is determined in accordance with the terms of the Employee Plan and cannot be less than the Fair Market Value, as defined in the Plan, of Sonic's common stock. The Committee typically grants options once a year, but may grant options to newly hired executives at other times.

In making its determinations, the Committee considers the number of options or shares owned by the executive officers.

On November 5, 2015 the Committee awarded Messrs. Weis, Minor and Lipps option grants to purchase 50,574, 27,816 and 27,816 shares of common stock, respectively, with the strike price equal to the closing price of Sonic's stock on that date, which was \$7.17. Each grant will vest one third each on the first, second and third anniversaries of the grant.

Health and Welfare Benefits

Our officers are covered under the same health and welfare plans, including our 401(k) plan, as salaried employees.

Employment Agreements

On March 21, 2014 the Company entered into amended and restated employment agreements with Messrs. Minor and Lipps.

The salaries of each of Messrs. Minor and Lipps are subject to increase each year at the discretion of the Board of Directors. Messrs. Minor and Lipps are also entitled to incidental benefits of employment under the agreements. Each of the employment agreements provides that a cash severance payment be made upon termination, other than for cause, or upon death or disability. In each case, such cash severance is equal to the highest cash compensation paid in any of the last three fiscal years immediately prior to termination. In addition, Messrs. Minor and Lipps will receive immediate vesting of all previously unvested common stock and stock options and have the right to voluntarily terminate their

employment, and receive the same severance arrangement detailed above following (i) any “person” becoming a “beneficial” owner of stock of Sonic Foundry representing 50% or more of the total voting power of Sonic Foundry’s then outstanding stock; or, (ii) Sonic Foundry is acquired by another entity through the purchase of substantially all of its assets or securities; or (iii) Sonic Foundry is merged with another entity, consolidated with another entity or reorganized in a manner in which any “person” is or becomes a “beneficial” owner of stock of the surviving entity representing 50% or more of the total voting power of the surviving entity’s then outstanding stock; and, within two years and ninety days of any such event, Messrs. Minor or Lipps, as the case may be, is demoted without cause or his title, authority, status or responsibilities are substantially altered, their salary is reduced or the principal office is more than 50 miles outside the Madison metropolitan area. Pursuant to the employment agreements, each of Messrs. Minor and Lipps has agreed not to disclose our confidential information and not to compete against us during the term of his employment agreement and for a period of one year thereafter. Such non-compete clauses may not be enforceable, or may only be partially enforceable, in state courts of relevant jurisdictions.

On September 30, 2011, the Company entered into an amended and restated employment agreement with Mr. Weis. Pursuant to the terms of the amended and restated employment agreement, Mr. Weis will receive an annual base salary subject to increase at the discretion of the Board. Mr. Weis may also receive a performance bonus at the discretion of the Board. Mr. Weis in addition will assume duties that are customarily performed by a Chief Technology Officer.

The amended and restated employment agreement will continue in effect until terminated as set forth therein. In the event Mr. Weis’s employment is terminated without cause, as defined in the amended and restated employment agreement, or in the event his employment is constructively terminated, Mr. Weis will be entitled to receive, in equal bi-weekly installments over a one-year period, compensation equal to one and five hundredths (1.05) multiplied by the highest cash compensation paid to Mr. Weis in any of the last three years immediately prior to his termination. In the event of a Change of Control, as defined in the amended and restated employment agreement, Mr. Weis is entitled to terminate the agreement within one year following such Change of Control, in which event he shall be entitled to receive, in a lump sum payable within thirty days of such termination, compensation equal to two and one-tenth (2.1) multiplied by the highest cash compensation paid to Mr. Weis in any of the last three fiscal years immediately prior to his termination. In any of the above events, (i) all of Mr. Weis’s unvested stock options and stock grants will vest immediately upon termination, and (ii) Mr. Weis will receive health insurance continuation as required by COBRA, salary accrued to the date of termination, and any accrued vacation pay. Mr. Weis has further agreed not to disclose the Company’s proprietary information, and, until one year following the termination of his employment agreement, not to compete with the Company or solicit the Company’s employees. Such non-compete clause may not be enforceable, or may be only partially enforceable, in state courts of relevant jurisdiction.

For illustrative purposes, if Sonic terminated the employment of Mr. Weis (not for cause) on September 30, 2015, Sonic would be obligated to pay \$764,891, representing 1.05 times the cash compensation paid Mr. Weis during fiscal 2014 (fiscal year with highest cash compensation in three year period preceding September 30, 2015) and \$1,529,783 if Mr. Weis elected to terminate his employment on September 30, 2015, following a change of control as defined in the employment agreement. If Sonic terminated Messrs. Minor and Lipps on September 30, 2015, (not for cause), or if Messrs. Minor and Lipps elected to terminate their employment following a demotion or alteration of duties on September 30, 2015, and a change of control as defined in the employment agreements had occurred, Sonic would be obligated to pay \$410,145 and \$378,339, respectively (based on fiscal 2014 compensation which was the fiscal year with highest cash compensation in three year period preceding September 30, 2015). In addition, any non-vested rights of Messrs. Weis, Minor and Lipps under the Employee Plans would vest as of the date of employment termination. The value of accelerated vesting of the options under these circumstances would be \$210,000 for Mr. Weis and \$104,000 for both Messrs. Minor and Lipps.

Personal Benefits

Our executives receive a limited number of personal benefits certain of which are considered taxable income to them and which are described in the footnotes to the section of this Proxy Statement entitled “Summary Compensation Table”.

Internal Revenue Code Section 162(m)

15

Internal Revenue Code Section 162(m) limits the ability of a public company to deduct compensation in excess of \$1 million paid annually to each of the Chief Executive Officer and each of the other executive officers named in the Summary Compensation Table. There are exemptions from this limit, including compensation that is based on the attainment of performance goals that are established by the Committee and approved by the Company stockholders. No executive officer was affected by this limitation in fiscal 2015.

COMPENSATION COMMITTEE REPORT

The Compensation Committee of Sonic has reviewed and discussed the Compensation Discussion and Analysis required by Item 402(b) of Regulation S-K with management and, based on such review and discussions, the Compensation Committee recommended to the Board that the Compensation Discussion and Analysis be included in the Proxy Statement.

The option awards in column (f) represent the aggregate grant date fair value computed in accordance with FASB ASC Topic 718 for stock options granted during the fiscal year. The assumptions and methodology used in calculating the compensation expense of the option awards are provided in Sonic's Form 10-K. See Note 1, "Accounting for Stock Based Compensation" in the Notes to the Consolidated Financial Statements in Sonic's Form 10-K. The amounts in this column represent value attributed to the awards at the date of grant and not necessarily the actual value that will be realized by the executive. There can be no assurance that the options will ever be exercised (in which case no value will be realized by the executive) or that the value on exercise will equal the ASC Topic 718 value.

(1) The amounts in column (g) represent cash bonuses which were awarded for performance during the prior fiscal year based on a pre-established formula.

The amount shown under column (i) for the fiscal year 2015 includes Sonic's matching contribution under our 401(k) plan of \$10,600, \$10,736 and \$9,945 for Messrs Weis, Minor and Lipps. Mr. Minor receives \$650 per month as a car allowance of which the taxable personal portions were \$7,150. The amount reported in column (l) represents the grant date fair value of the award following the required FASB ASC Topic 718 compensation methodology. Grant date fair value is calculated using the Lattice method. See Note 1, "Accounting for Stock Based Compensation" in the Notes to the Consolidated Financial Statements in Sonic's

(2) Form 10-K for the fiscal year ended September 30, 2015 for an explanation of the methodology and assumptions used in FASB ASC Topic 718 valuation. Sonic grants options to its executive officers under our employee stock option plans. As of September 30, 2015, options to purchase a total of 1,449,409 shares were outstanding under the plans, and options to purchase 603,031 shares remained available for grant thereunder.

Compensation Committee Interlocks and Insider Participation

The members of the Executive Compensation Committee of Sonic's Board of Directors for fiscal 2015 were those named in the Executive Compensation Committee Report. No member of the Committee was at any time during fiscal 2015 or at any other time an officer or employee of Sonic Foundry, Inc.

No executive officer of Sonic Foundry, Inc. has served on the board of directors or compensation committee of any other entity that has or has had one or more executive officers serving as a member of the Board of Directors of Sonic Foundry.

PROPOSAL TWO: RATIFICATION OF APPOINTMENT OF INDEPENDENT AUDITORS

The Board of Directors, upon the recommendation of the Audit Committee, has appointed the firm of Baker Tilly Virchow Krause LLP (“BT”) as independent auditors to audit our financial statements for the year ending September 30, 2016, and has further directed that management submit the selection of independent public accountants for ratification by the stockholders at the annual meeting. Representatives of BT are expected to be present at the annual meeting to respond to stockholders' questions and to have the opportunity to make any statements they consider appropriate.

Stockholder ratification of the selection of BT as our independent auditors is not required by our Bylaws or otherwise. However, the Board is submitting the selection of BT to the stockholders for ratification as a matter of good corporate practice. If the stockholders fail to ratify the selection, the Board and the Audit Committee will reconsider whether or not to retain that firm. Even if the selection is ratified, the Board and the Audit Committee at their discretion may direct the appointment of a different independent accounting firm at any time during the year if they determine that such a change would be in the best interests of Sonic and its stockholders.

The ratification of the appointment of BT as independent public accountants requires the approval of a majority of the votes cast at the Annual Meeting.

Recommendation of Board of Directors

The Board of Directors unanimously recommends a vote FOR proposal 2 ratifying the appointment of BT as independent auditors for Sonic Foundry.

Relations with Independent Auditors

On June 11, 2014, the Company, upon the recommendation of its audit committee, dismissed Grant Thornton LLP (“GT”) and appointed Baker Tilly Virchow Krause, LLP (“BT”) as its independent auditor for the fiscal year that commenced October 1, 2013.

During the years ended September 30, 2012 and 2013 and through June 11, 2014, neither the Company nor its audit committee consulted BT with respect to the application of accounting principles to a specified transaction, either completed or proposed, or the type of audit opinion that might be rendered on our financial statements, as defined in Item 304(a)(2)(i) of Regulation S-K, for which was concluded an important factor considered by the Company in reaching a decision as to the accounting, auditing or financial reporting issue. Likewise, neither the Company nor the audit committee consulted BT regarding any matter that was the subject of a disagreement or a reportable event, as defined in Item 304(a)(2)(ii) of Regulation S-K.

As stated in Proposal 2, the Board has selected BT to serve as our independent auditors for the fiscal year ending September 30, 2016.

Audit services performed by BT for Fiscal 2015 and 2014 consisted of the examination of our financial statements, review of fiscal quarter results, and services related to filings with the Securities and Exchange Commission (SEC). We also retained BT to perform certain audit related services associated with the audit of our benefit plan. Audit related services performed by GT during Fiscal 2014 included review of quarterly results and related SEC filings up until June 11, 2014, the date of dismissal. All fees paid to BT and GT were reviewed, considered for independence and upon determination that such payments were compatible with maintaining such auditors' independence, approved

by Sonic's audit committee prior to performance.

Fiscal Years 2015 and 2014 Audit Firm Fee Summary

During fiscal years 2015 and 2014, we retained our principal accountant, Baker Tilly Virchow Krause LLP to provide services in the following categories and amounts:

	Years Ended September 30,	
	2015	2014
Audit Fees	\$188,970	\$172,925
Audit Related	12,300	—
Tax Fees	—	3,500

All of the services described above were approved by Sonic's audit committee prior to performance. The Audit Committee may, in its discretion, delegate to one or more of its members the authority to pre-approve any audit or non-audit services to be performed by the independent auditors, provided that any such approvals are presented to the Audit Committee at its next scheduled meeting. The audit committee has determined that the payments made to its independent accountants for these services are compatible with maintaining such auditors' independence.

REPORT OF THE AUDIT COMMITTEE ¹

The Audit Committee's role includes the oversight of our financial, accounting and reporting processes, our system of internal accounting and financial controls and our compliance with related legal and regulatory requirements, the appointment, engagement, termination and oversight of our independent auditors, including conducting a review of their independence, reviewing and approving the planned scope of our annual audit, overseeing the independent auditors' audit work, reviewing and pre-approving any audit and non-audit services that may be performed by them, reviewing with management and our independent auditors the adequacy of our internal financial controls, and reviewing our critical accounting policies and the application of accounting principles. The Audit Committee held five meetings during fiscal 2015.

Messrs. Kleinman, Burish and Peercy meet the rules of the SEC for audit committee membership and are "independent" as that term is used in Item 7(d)(3)(iv) of Schedule 14A under the Exchange Act and under Nasdaq listing standards. A copy of the Audit Committee Charter is available on Sonic's website.

As set forth in the Audit Committee Charter, management of Sonic is responsible for the preparation, presentation and integrity of Sonic's financial statements and for the effectiveness of internal control over financial reporting. Management and the accounting department are responsible for maintaining Sonic's accounting and financial reporting principles and internal controls and procedures designed to assure compliance with accounting standards and applicable laws and regulations. The independent auditors are responsible for auditing Sonic's financial statements and expressing an opinion as to their conformity with generally accepted accounting principles.

We have reviewed and discussed with our independent auditors, BT, matters required to be discussed pursuant to Auditing Standard No. 16 (Communications with Audit Committees) as promulgated by the Public Company Accounting Oversight Board. We have received from the auditors a formal written statement describing the relationships between the auditor and Sonic that might bear on the auditor's independence consistent with applicable requirements of the Public Company Accounting Oversight Board. We have discussed with BT matters relating to its independence, including a review of audit related fees, and considered the compatibility of non-audit services with the auditors' independence.

The members of the Audit Committee are not full-time employees of Sonic and are not performing the functions of auditors or accountants. As such, it is not the duty or responsibility of the Audit Committee or its members to conduct “field work” or other types of auditing or accounting reviews or procedures or to set auditor independence standards. Members of the Committee necessarily rely on the information provided to them by management and the independent

accountants. Accordingly, the Audit Committee's considerations and discussions referred to above do not assure that the audit of Sonic's financial statements has been carried out in accordance with generally accepted auditing standards, that the financial statements are presented in accordance with generally accepted accounting principles or that Sonic's auditors are in fact "independent".

We have reviewed and discussed with management and BT the audited financial statements. We discussed with BT the overall scope and plans of their audit. We met with BT, with and without management present, to discuss results of their examination and the overall quality of Sonic's financial reporting.

Based on the reviews and discussions referred to above and our review of Sonic's audited financial statements for fiscal 2015, we recommended to the Board that the audited financial statements be included in the Annual Report on Form 10-K for the fiscal year ended September 30, 2015, for filing with the SEC effective December 10, 2015. Respectfully submitted,

AUDIT COMMITTEE
David C. Kleinman, Chair
Mark D. Burish
Paul S. Peercy

STOCKHOLDER PROPOSALS FOR 2017 ANNUAL MEETING OF STOCKHOLDERS

Requirements for Stockholder Proposals to be Considered for Inclusion in Sonic's Proxy Materials. Stockholders of Sonic may submit proposals on matters appropriate for stockholder action at meetings of Sonic's stockholders in accordance with Rule 14a-8 promulgated under the Securities Exchange Act of 1934. For such proposals to be included in Sonic's proxy materials relating to its 2017 Annual Meeting of Stockholders, all applicable requirements of Rule 14a-8 must be satisfied and such proposals must be received by Sonic no later than the anniversary date of 120 days prior to the date of this proxy statement (September 28, 2016). Such proposals should be delivered to Corporate Secretary, Sonic Foundry, Inc., 222 West Washington Avenue, Madison, Wisconsin 53703.

Requirements for Stockholders Proposals to be Brought Before the Annual Meeting.

Sonic's bylaws provide that, except in the case of proposals made in accordance with Rule 14a-8, for stockholder nominations to the Board of Directors or other proposals to be considered at an annual meeting of stockholders, the stockholder must have given timely notice thereof in writing to the Secretary not less than ninety nor more than one hundred twenty calendar days prior to the anniversary of the date on which Sonic held its immediately preceding annual meeting of stockholders. To be timely for the 2017 Annual Meeting of Stockholders, a stockholder's notice must be delivered or mailed to and received by Sonic's Secretary at the principal executive offices of Sonic between November 3, 2016 and December 3, 2016. However, in the event that the annual meeting is advanced by more than 30 days or delayed by more than 60 days from March 3, 2017, to be timely, notice by the stockholders must be so received not earlier than the close of business on the 120th day prior to such annual meeting and not later than the close of business on the later of the 90th day prior to such annual meeting or the tenth calendar day following the date on which public announcement of the date of the annual meeting is first made. In no event will the public announcement of an adjournment of an annual meeting of stockholders commence a new time period for the giving of a stockholder's notice as provided above. A stockholder's notice to Sonic's Secretary must set forth the information required by Sonic's bylaws with respect to each matter the stockholder proposes to bring before the annual meeting.

In addition, the proxy solicited by the Board of Directors for the 2017 Annual Meeting of Stockholders will confer discretionary authority to vote on (i) any proposal presented by a stockholder at that meeting for which Sonic has not been provided with notice on or prior to the anniversary date of 45 days prior to the date of this proxy statement (December 12, 2016) and (ii) any other proposal, if the 2017 proxy statement briefly describes the matter and how

management's proxy holders intend to vote on it, and if the stockholder does not comply with the requirements of Rule 14a-4(c)(2) under the Securities Exchange Act of 1934. Notwithstanding the above, all stockholder proposals must comply with the provisions of Sonic's bylaws.

OTHER MATTERS

The Board of Directors has at this time no knowledge of any matters to be brought before this year's Annual Meeting other than those referred to above. However, if any other matters properly come before this year's Annual Meeting, it is the intention of the persons named in the proxy to vote such proxy in accordance with their judgment on such matters.
