This proxy statement ("Proxy Statement") is furnished to the holders of common shares of beneficial interest, par value \$0.001 per share of Ivy High Income Opportunities Fund (the "Fund") in connection with the solicitation by the Board of Trustees of the Fund (the "Board") of proxies to be voted at the Annual Meeting of Shareholders of the Fund to be held on August 31, 2018, and any adjournment, postponement or delay thereof (the "Annual Meeting"). The Annual Meeting will be held at 6300 Lamar Avenue, Overland Park, Kansas 66202 at 10:00 A.M. (local time).

This document gives you the information you need to vote on the matters listed on the accompanying Notice of Annual Meeting of Shareholders ("Notice of Annual Meeting"). Much of the information in this Proxy Statement is required under rules of the Securities and Exchange Commission ("SEC"). If there is anything you do not understand, please contact us at our toll-free number 1-800-777-6472.

The Notice of Annual Meeting, the enclosed proxy card and this Proxy Statement (collectively, the "Proxy Materials") are first being mailed to the Fund's shareholders on or about June 22, 2018.

Shareholders of record or beneficial owners as of the record date may obtain a free copy of the Annual Report for the fiscal year ended September 30, 2017 and the Semi-Annual Report for the period ended March 31, 2018, which have previously been mailed to shareholders, by writing Ivy Client Services at P.O. Box 29217, Shawnee Mission, Kansas 66201-9217 Attn: Investor Services & Support, by calling toll free 1-800-777-6472 or on the Internet at www.ivyinvestments.com.

♣Why is a shareholder meeting being held?

The common shares of the Fund are listed on the New York Stock Exchange ("NYSE"), and the rules of the NYSE require the Fund to hold an annual meeting of shareholders to elect Trustees each fiscal year.

♣What matters will be voted on?

Shareholders of the Fund are being asked to elect the Class II Trustee nominees named in this Proxy Statement, Mr. Henry J. Herrmann, Mr. Michael G. Smith and Mr. Edward M. Tighe, to hold office until the Fund's 2021 annual meeting or until their respective successors are elected and duly qualified.

♣Will my vote make a difference?

Yes! Your vote is important and could make a difference in the governance of the Fund, no matter how many shares you own.

♣Who is asking for my vote?

The enclosed proxy is solicited by the Board for use at the Annual Meeting to be held on August 31, 2018, and, if the Annual Meeting is adjourned, postponed or delayed, at any later meeting(s), for the purposes stated in the Notice of Annual Meeting.

♣How many votes are required to elect the Trustee nominees?

Edgar Filing: Ivy High Income Opportunities Fund - Form DEF 14A

The election of a Trustee requires the affirmative vote of a plurality of votes cast by the shareholders at the Annual Meeting at which a quorum (i.e., one-third of the outstanding shares of the Fund entitled to vote at the Annual Meeting) is present. For purposes of this vote, a vote to abstain or withhold your vote (or a direction to a broker or other nominee to do so) and a broker non-vote (which occurs when a broker has not received directions from shareholders and does not have discretionary authority to vote the shareholders' shares) are both not counted as votes cast, and therefore, will have no effect on the outcome of the Trustee election.

How does the Board recommend that shareholders vote?

The Board unanimously recommends that you vote "FOR" each Trustee nominee named in this Proxy Statement.

1

The Board has reviewed the qualifications and backgrounds of the Board's Trustee nominees and believes that each is experienced in overseeing investment companies and is familiar with the Fund, its investment strategies and operations and its investment adviser. The Board has approved each Trustee nominee named in this Proxy Statement and believes his election is in your best interests as shareholders.

Who is eligible to vote?

Shareholders of record of the Fund at the close of business on June 15, 2018, are entitled to be present and to vote at the Annual Meeting or any adjournment, postponement or delay thereof. Shareholders on that date will be entitled to one vote on each matter to be voted on for each share held and a fractional vote with respect to each fractional share held. Shares represented by your duly executed proxy/proxies will be voted in accordance with your instructions. If you sign a proxy card, but do not fill in a vote, your shares will be voted in accordance with the Board's recommendations. If any other business is brought before the Annual Meeting, your shares will be voted at your proxy's discretion unless you specify otherwise in your proxy.

Who will bear the costs of proxy solicitation?

The costs of soliciting proxies will be borne by the Fund.

How do you vote your Shares?

Whether or not you plan to attend the Annual Meeting, we urge you to complete, sign, date and return the enclosed proxy card in the postage-paid envelope provided or vote via telephone or the Internet so your shares will be represented at the Annual Meeting. Instructions regarding how to vote via telephone or the Internet are included on the enclosed proxy card. The required control number for telephone and Internet voting is printed on the enclosed proxy card. The control number is used to match proxy cards with shareholders' respective accounts and to ensure that, if a shareholder executed multiple proxy cards with respect to the Fund, shares are voted in accordance with the proxy card bearing the latest date.

If you attend the Annual Meeting and wish to vote in person, you will be able to do so. If you intend to attend the Annual Meeting in person and you are a record holder of the Fund's shares, in order to gain admission you will be required to show valid photographic identification, such as your driver's license. If you intend to attend the Annual Meeting in person and you hold your shares through a bank, broker or other custodian, in order to gain admission you will be required to show valid photographic identification, such as your driver's license, and satisfactory proof of ownership of shares of the Fund, such as your voting instruction form (or a copy thereof) or broker's statement indicating ownership as of a recent date. If you hold your shares in a brokerage account or through a bank or other nominee, you will not be able to vote in person at the Annual Meeting unless you have previously requested and obtained a "legal proxy" from your broker, bank or other nominee and present it at the Annual Meeting.

All shares represented by your duly executed proxy/proxies received prior to the Annual Meeting will be voted at the Annual Meeting in accordance with the instructions marked thereon or otherwise as provided therein.

If any other business is brought before the Annual Meeting, your shares will be voted at your proxies' discretion unless you specify otherwise in your proxy. If you sign the proxy card(s), but do not fill in a vote, your shares will be voted in accordance with the Board's recommendations.

Shareholders who execute proxy cards or record their voting instructions via telephone or the Internet may revoke their proxies at any time prior to the time they are voted by giving written notice to the Secretary of the Fund, by delivering a subsequently dated proxy (including via telephone or the Internet) prior to the date of the Annual Meeting or by attending and voting at the Annual Meeting. Merely attending the Annual Meeting, however, will not revoke a

previously submitted proxy.

Broker-dealers that hold the Fund's shares in "street name" for the benefit of their customers will request the instructions of such customers on how to vote their shares on the election of a Trustee. The Fund understands that, under the rules of the NYSE, such broker-dealer firms may for certain "routine" matters, without instructions from their customers and clients, grant discretionary authority to the proxies designated by the Board to vote if no instructions have been received prior to the date specified in the broker-dealer firm's request for voting instructions. The election of a Trustee is a "routine" matter and beneficial owners who do not provide proxy instructions or who do not return a proxy card may have their shares voted by broker-dealer firms in favor of the proposal. Broker-dealers who are not members of the NYSE may be subject to other rules, which may or may not permit them to vote your shares without instruction. We urge you to provide instructions to your broker or nominee so that your votes may be counted.

How many shares of the Fund were outstanding as of the record date?

2

At the close of business on June 15, 2018, the Fund had 16,570,234.602 common shares outstanding.

Proposal #1: Election of the Trustees

The rules of the NYSE require the Fund to hold an annual meeting of shareholders to elect Trustees each fiscal year. Shareholders of the Fund are being asked to elect the Class II Trustee nominees named in this Proxy Statement, Mr. Henry J. Herrmann, Mr. Michael G. Smith and Mr. Edward M. Tighe, to hold office until the Fund's 2021 annual meeting or until their successors are elected and duly qualified.

Composition of the Board of Trustees

The Trustees of the Fund are classified into three classes of Trustees. Set forth below are the current classes of Trustees:

<u>Class I Trustees (1)</u>	<u>Class II Trustees (2)</u>	<u>Class III Trustees (3)</u>
James D. Gressett	Henry J. Herrmann	Jarold W. Boettcher
Joseph Harroz, Jr.	Michael G. Smith	James M. Concannon
Glendon E. Johnson, Jr.	Edward M. Tighe	Frank J. Ross, Jr.

- (1) It is currently anticipated that the Class I Trustees will next stand for election at the Fund's 2020 annual meeting of shareholders.
- (2) The Class II Trustees are standing for election at the Annual Meeting. It is currently anticipated that the Class II Trustees will next stand for election at the Fund's 2021 annual meeting of shareholders.
- (3) It is currently anticipated that the Class III Trustees will next stand for election at the Fund's 2019 annual meeting of shareholders.

The Trustee nominees, if elected at the Annual Meeting, will hold office for a term in accordance with their class or until their respective successors shall have been elected and duly qualified. The Class I and Class III Trustees of the Fund, as set forth in the table above, will continue to serve under their current terms and will stand for re-election at subsequent annual meetings of shareholders as indicated above.

Unless authority is withheld, it is the intention of the persons named in the proxy to vote the proxy "FOR" the election of each Trustee nominee named in this Proxy Statement. Each Trustee nominee named in this Proxy Statement has agreed to continue to serve as a Trustee of the Fund if elected at the Annual Meeting. If, however, a Trustee nominee declines or otherwise becomes unavailable for election, the proxy confers discretionary power on the person named therein to vote in favor of a substitute Trustee nominee as the Fund's Governance Committee may select.

Certain information concerning the Trustees and the officers of the Fund is set forth in the table below. Mr. Herrmann is an "interested" Trustee (as defined in Section 2(a)(19) of the Investment Company Act of 1940 (the "1940 Act")). Independent Trustees are those who are not interested persons of (i) the Fund, (ii) the Fund's investment adviser, Ivy Investment Management Company ("IICO"), a wholly owned subsidiary of Waddell & Reed Financial, Inc. ("WDR"), or (iii) a principal underwriter of the Fund and who satisfy the requirements contained in the definition of "independent" as defined in Rule 10A-3 under the Securities Exchange Act of 1934 (the "Independent Trustees").

Frank J. Ross, Jr. Mr. Ross has experience as a business attorney and as the head of the business department of a major law firm. He has served as a member of a state banking board and on the boards of a private university, a private secondary school and various non-profit organizations. He has multiple years of service as a Trustee to the Fund Complex. Mr. Tighe holds a B.S. of Finance degree from Boston University. He has multiple years of service as a Trustee to the Fund Complex. The Board concluded that Mr. Tighe is suitable to serve as Trustee because of his academic background, his extensive business experience and the length of his service as a Trustee to the Fund and to other trusts within the Fund Complex.

The Board's Leadership Structure

The Fund is governed by its Board, which currently is comprised of nine Trustees. The Board is responsible for the overall management of the Fund, which includes general oversight and review of the Fund's investment activities, in accordance with Federal law and the law of the State of Delaware, as well as the stated policies of the Fund. The Board has appointed officers of the Fund and

has delegated to them the management of the day-to-day operations of the Fund, based on policies reviewed and approved by the Board, with general oversight by the Board.

The Board is classified into three classes—Class I, Class II and Class III—as nearly equal in number as reasonably possible, with the Trustees in each class to hold office until their successors are elected and duly qualified. At each succeeding annual meeting of shareholders, the successors to the class of Trustees whose terms expire at that meeting shall be elected to hold office for terms expiring at the later of the annual meeting of shareholders held in the third year following the year of their election or the election and qualification of their successors.

Eight members of the Board are Independent Trustees. Mr. Henry J. Herrmann is the interested Trustee of the Fund. An interested person of the Fund includes any person who is otherwise affiliated with the Fund or a service provider to the Fund, such as IICO, the Fund's investment adviser. The Board believes that having a majority of Independent Trustees on the Board is appropriate and in the best interests of the Fund's shareholders. However, the Board also believes that having Mr. Herrmann serve on the Board to bring his viewpoint is an important element in the Board's decision-making process.

Under the Fund's Amended and Restated Agreement and Declaration of Trust (the "Declaration of Trust") and its Amended and Restated By-Laws (the "Bylaws"), a Trustee may serve as a Trustee until his or her term expires, until he or she dies or resigns, or in the event of bankruptcy, adjudicated incompetence or other incapacity to perform the duties of the office, or his or her removal. The Fund intends to hold annual meetings of shareholders so long as the common shares are listed on a national securities exchange and such meetings are required as a condition to such listing. Delaware law permits shareholders to remove Trustees under certain circumstances and requires the Fund to assist in shareowner communications.

The Board has elected Joseph Harroz, Jr., an Independent Trustee, to serve as Independent Chair of the Board. In that regard, Mr. Harroz's responsibilities include setting an agenda for each meeting of the Board; presiding at all meetings of the Board and the Independent Trustees; and serving as a liaison with other Trustees, the Fund's officers and other management personnel, and counsel to the Fund. The Independent Chair also performs such other duties as the Board may from time to time determine.

The Board holds four regularly scheduled in-person meetings each year. The Board may hold special meetings, as needed, either in person or by telephone, to address matters arising between regular meetings. The Independent Trustees also holds four regularly scheduled in-person meetings each year, during a portion of which management is not present, as well as a special telephonic meeting in connection with the Board's consideration of the Fund's management agreements, and may hold special meetings, as needed, either in person or by telephone.

The Board has established a committee structure (described below) that includes four standing committees: the Audit Committee, the Investment Oversight Committee, the Governance Committee and the Executive Committee, the first three of which are comprised solely of Independent Trustees. The Board annually evaluates its structure and composition, as well as the structure and composition of those committees. The Board believes that its leadership structure, including its Independent Chair position and its committees, is appropriate for the Fund in light of, among other factors, the asset size and nature of the Fund, the arrangements for the conduct of the Fund's operations, the number of Trustees, and the Board's responsibilities.

Risk Oversight

Consistent with its responsibility for oversight of the Fund, the Board oversees the management of risks relating to the administration and operation of the Fund. The Board performs this risk management oversight directly and, as to certain matters, directly through its committees and through its Independent Trustees. The following provides an overview of the principal, but not all, aspects of the Board's oversight of risk management for the Fund.

In general, the Fund's risks include, among other things, investment risk, credit risk, discount risk, liquidity risk, valuation risk, operational risk and regulatory compliance risk. The Board has adopted, and periodically reviews, policies and procedures designed to address these and other risks to the Fund. In addition, under the general oversight of the Board, IICO and other service providers to the Fund have themselves adopted a variety of policies, procedures and controls designed to address particular risks of the Fund. Different processes, procedures and controls are employed with respect to different types of risks.

The Board also oversees risk management for the Fund through review of regular reports, presentations and other information from officers of the Fund and other persons.

Senior officers of the Fund, senior officers of IICO, the Fund's investment adviser, and IICO's affiliated companies (collectively, "Waddell"), and the Fund's Chief Compliance Officer ("CCO") regularly report to the Board on a range of matters, including those relating to risk management. The Board also regularly receives reports from IICO with respect to the investments and

securities trading of the Fund and reports from Fund management personnel regarding valuation procedures. In addition to regular reports from Waddell, the Board also receives reports regarding other service providers to the Fund, either directly or through Waddell or the Fund's CCO, on a periodic or regular basis. At least annually, the Board receives a report from the Fund's CCO regarding the effectiveness of the Fund's compliance program. Also, on an annual basis, the Board receives reports, presentations and other information from WDR.

Senior officers of the Fund and senior officers of Waddell also report regularly to the Audit Committee on Fund valuation matters and on the Fund's internal controls and accounting and financial reporting policies and practices. Waddell compliance and internal audit personnel also report regularly to the Audit Committee. In addition, the Audit Committee receives regular reports from the Fund's independent registered public accounting firm on internal control and financial reporting matters. On at least a quarterly basis, the Independent Trustees meet separately with the Fund's CCO to discuss matters relating to the Fund's compliance program.

The following information relates to the executive officers of the Fund who are not Trustees. Fund officers receive no compensation from the Fund but may also be officers or employees of IICO, the Fund's investment adviser, and may receive compensation in such capacities.

Further Information About Voting and the Annual Meeting

One-third of the outstanding shares of the Fund entitled to vote at the Annual Meeting shall constitute a quorum at the Annual Meeting for purposes of conducting business at the Annual Meeting.

The Board has fixed the close of business on June 15, 2018 as the record date for the determination of shareholders of the Fund entitled to notice of, and to vote at, the Annual Meeting. Shareholders of the Fund on that date will be entitled to one vote on each matter to be voted on for each share held and a fractional vote with respect to each fractional share with no cumulative voting rights.

For purposes of the Trustee election, abstentions and broker non-votes will be included for purposes of determining whether a quorum is present at the Annual Meeting, but will not be treated as votes cast. Abstentions and broker non-votes, therefore, will have no effect on the Trustee election.

Instructions regarding how to vote via telephone or the Internet are included on the enclosed proxy card. The required control number for Internet and telephone voting is printed on the enclosed proxy card. The control number is used to match proxy cards with shareholders' respective accounts and to ensure that, if multiple proxy cards are executed, shares are voted in accordance with the proxy card bearing the latest date.

If you wish to attend the Annual Meeting and vote in person, you will be able to do so. If you intend to attend the Annual Meeting in person and you are a record holder of the Fund's shares, in order to gain admission you will be required to show photographic identification, such as your driver's license. If you intend to attend the Annual Meeting in person and you hold your shares through a bank, broker or other custodian, in order to gain admission you will be required to show photographic identification, such as your driver's license, and satisfactory proof of ownership of shares of the Fund, such as your voting instruction form (or a copy thereof) or broker's statement indicating ownership as of a recent date. If you hold your shares in a brokerage account or through a bank or other nominee, you will not be able to vote in person at the Annual Meeting unless you have previously requested and obtained a "legal proxy" from your broker, bank or other nominee and present it at the Annual Meeting.

All shares represented by properly executed proxies received prior to the Annual Meeting will be voted at the Annual Meeting in accordance with the instructions marked thereon or otherwise as provided therein. If any other business is brought before the Annual Meeting, your shares will be voted at the proxies' discretion. If you sign the proxy card, but do not fill in a vote, your shares will be voted in accordance with the Board's recommendation.

Shareholders who execute proxy cards or record their voting instructions via telephone or the Internet may revoke their proxies at any time prior to the time they are voted by giving written notice to the Secretary of the Fund, by delivering a subsequently dated proxy (including via telephone or the Internet) prior to the date of the Annual Meeting

or by attending and voting at the Annual Meeting. Merely attending the Annual Meeting, however, will not revoke a previously submitted proxy.

Discretionary Voting

Broker-dealers that hold the Fund's shares in "street name" for the benefit of their customers will request the instructions of such customers on how to vote their shares on the election of a Trustee. The Fund understands that, under the rules of the NYSE, such broker-dealer firms may for certain "routine" matters, without instructions from their customers and clients, grant discretionary authority to the proxies designated by the Board to vote if no instructions have been received prior to the date specified in the broker-dealer firm's request for voting instructions. The election of a Trustee is a "routine" matter and beneficial owners who do not provide proxy instructions or who do not return a proxy card may have their shares voted by broker-dealer firms in favor of the proposal. Broker-dealers who are not members of the New York Stock Exchange may be subject to other rules, which may or may not permit

them to vote your shares without instruction. We urge you to provide instructions to your broker or nominee so that your votes may be counted.

Proxy Solicitation

The Fund's officers and employees of the Fund's investment adviser (none of whom will receive additional compensation therefor) may solicit proxies by telephone, mail, e-mail and personal interviews. Brokerage houses, banks and other fiduciaries may be requested to forward proxy solicitation material to their principals to obtain authorization for the execution of proxies, and will be reimbursed by the Fund for such out-of-pocket expenses.

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Securities Exchange Act of 1934 and Section 30(h) of the 1940 Act require the Fund's officers and Trustees, IICO, the Fund's investment adviser, affiliated persons of IICO, and persons who beneficially own more than ten percent of the Fund's shares to file certain reports of ownership ("Section 16 filings") with the SEC. To the Fund's knowledge, all required Section 16 filings were timely and correctly made by reporting persons during the Fund's most recently completed fiscal year.

Deadline for Shareholder Proposals

The deadline for submitting shareholder proposals for inclusion in the Fund's proxy statement and form of proxy for the Fund's annual meeting of shareholders in 2019 is February 22, 2019. Any shareholder proposal that is intended to be presented at such annual meeting, but not submitted for inclusion in the Fund's proxy statement and form of proxy in accordance with the foregoing sentence, must be received by the Fund's Secretary at the address indicated on the first page of this Proxy Statement no later than May 8, 2019. Any such proposal received after such date will be considered untimely and will be excluded from consideration at the next annual meeting. The mere submission of a proposal or notice of proposal by a shareholder does not guarantee that such proposal will be included in the proxy statement or otherwise considered at such annual meeting because certain federal rules must be complied with before consideration of the proposal is required.

15

Other Matters

The management of the Fund knows of no other matters which are to be brought before the Annual Meeting. However, if any other matters not now known properly come before the Annual Meeting, it is the intention of the persons named in the enclosed form of proxy to vote such proxy in accordance with their judgment on such matters.

Adjournment

Failure of a quorum to be present at the Annual Meeting will necessitate adjournment and will subject the Fund to additional expense. The persons named in the enclosed proxy may also move for an adjournment of the Annual Meeting to permit further solicitation of proxies with respect to any proposal if they determine that adjournment and further solicitation is reasonable and in the best interests of the Fund. Under the Fund's Bylaws, an adjournment of a meeting with respect to a matter requires the affirmative vote of a majority of the shareholders present in person or by proxy at the Annual Meeting, or by the chairman of the meeting.

By order of the Board,

Fund management is responsible for establishing and maintaining systems for accounting, reporting and internal controls. The Fund's independent registered public accounting firm is responsible for planning and carrying out proper audits and reviews.

The Audit Committee met on November 9 and November 14, 2017 to review the Fund's audited financial statements for the fiscal year ended September 30, 2017. In performing this oversight function, the Audit Committee reviewed and discussed the audited financial statements with the Fund's management and independent registered public accounting firm, Deloitte and Touche LLP ("Deloitte"), and discussed the audit of such financial statements with Deloitte. The Audit Committee discussed with Deloitte the matters required to be discussed by Statement on Auditing Standards ("SAS") No. 114 (The Auditor's Communication With Those Charged With Governance, AU Section 380), which supersedes SAS No. 61 (Communications with Audit Committees) and received the written disclosures and the letter from Deloitte required by Public Company Accounting Oversight Board Rule 3526 (Communications with Audit Committees Concerning Independence). The Audit Committee also discussed with Deloitte its independence.

The members of the Audit Committee are not employed by the Fund as experts in the fields of auditing or accounting and are not employed by the Fund for accounting, financial management or internal control purposes notwithstanding that one or more members may be designated an "audit committee financial expert." Members of the Audit Committee rely without independent verification on the information provided and the representations made to them by management and Deloitte. Each member of the Audit Committee is not an "interested person" of the Fund within the meaning of the Investment Company Act of 1940, as amended, and has been determined to meet the independence requirements of NYSE.

Based upon this review and related discussions, and subject to the limitation on the role and responsibilities of the Audit Committee set forth above and in the Charter, the Audit Committee recommended to the Board of Trustees that the audited financial statements be included in the Fund's annual report to shareholders for the fiscal year ended September 30, 2017.

The members of the Audit Committee are:

Jarold W. Boettcher
James M. Concannon
James D. Gressett
