TRUSTCO BANK CORP NY

PROXY STATEMENT FOR
ANNUAL MEETING OF SHAREHOLDERS
May 19, 2003

This proxy statement is furnished in connection with the solicitation by the Board of Directors of TrustCo Bank Corp NY ("TrustCo"), a New York corporation, of proxies to be voted at the Annual Meeting of Shareholders to be held at 10:00 a.m. local time on Monday, May 19, 2003, at Glen Sanders Mansion, One Glen Avenue, Scotia, New York 12302. This proxy statement and the form of proxy were first mailed to shareholders on or about April 4, 2003. Any shareholder executing a proxy solicited hereby has the power to revoke it by giving written notice to the Secretary of TrustCo at any time prior to the exercise of the proxy.

TrustCo will solicit proxies primarily by mail, although proxies also may be solicited by directors, officers, and employees of TrustCo and Trustco Bank, Glenville, New York ("Trustco Bank"), a wholly owned subsidiary of TrustCo, personally or by telephone, but such persons will receive no additional compensation for such services. TrustCo has also retained Regan & Associates, Inc. to aid in the solicitation of proxies for a solicitation fee of \$4,500 plus expenses. The entire cost of this solicitation will be paid by TrustCo.

Only shareholders of record of TrustCo's common stock at the close of business on March 24, 2003 are entitled to notice of and to vote at the Annual Meeting. Shareholders of record on that date are entitled to one vote for each share of TrustCo common stock held by them. Abstentions on properly executed proxy cards will be counted for purposes of determining a quorum at the meeting; however, shares not voted by brokers and other entities holding shares on behalf of beneficial owners will not be so counted. Such abstentions and broker nonvotes will not be counted in calculating voting results on those matters for which the shareholder has abstained or the broker has not voted. As of March 1, 2003, there were 74,001,707 outstanding shares of TrustCo's common stock.

Whole shares of common stock held for the account of shareholders participating in TrustCo's Dividend Reinvestment and Stock Purchase Plan will be voted in the same manner as those shareholders authorize their shares held of record to be voted. If shareholders return a signed proxy card but fail to instruct how the shares registered in their names shall be voted, the shares held in their dividend reinvestment accounts will be voted "for" the election of TrustCo's nominees to the Board of Directors and "for" the ratification of KPMG LLP as TrustCo's independent auditor.

THE ANNUAL MEETING

A description of the items to be considered at the Annual Meeting, as well as other information concerning TrustCo and the meeting, is set forth below.

Edgar Filing: TRUSTCO BANK CORP N Y - Form DEF 14A

Item 1. Election of Directors

The first item to be acted upon at the Annual Meeting is the election of three directors to serve on the TrustCo Board of Directors, each of whom will serve for a three-year term. The nominees for election as directors for terms expiring at TrustCo's 2006 Annual Meeting are Barton A. Andreoli, James H. Murphy, D.D.S., and William J. Purdy.

TrustCo's Amended and Restated Certificate of Incorporation provides that TrustCo's Board of Directors will consist of not less than seven nor more than twenty members, with, under TrustCo's Bylaws, the total number of directors to be fixed by resolution of the board or the shareholders. Currently, the number of directors is fixed at seven.

TrustCo's Certificate of Incorporation and Bylaws require TrustCo's board to be divided into three classes, as nearly equal in number as possible, with one class to be elected each year for a term of three years. Directors who reach the mandatory retirement age of 75 during their term of office cease to be directors and must vacate their office. Newly created directorships resulting from an increase in the number of directors and vacancies occurring in the Board of Directors for any reason may be filled by the vote of a majority of the directors then in office. Directors who are elected by the Board of Directors will hold office until the next meeting of shareholders at which the election of directors is in the regular order of business. Each nominee must receive the affirmative vote of a majority of the outstanding shares of TrustCo common stock in order to be elected a director.

The pages that follow set forth information regarding TrustCo's nominees, as well as information regarding the remaining members of TrustCo's board. Proxies will be voted in accordance with the specific instructions contained therein. Shares will be voted "for" the election of TrustCo's nominees unless contrary instructions are set forth on the enclosed TrustCo proxy card. If any such nominee becomes unavailable to serve, the shares represented by all valid proxies will be voted for the election of such other person as TrustCo's board may recommend. Each of TrustCo's nominees has consented to being named in this Proxy Statement and to serve if elected. The Board of Directors has no reason to believe that any nominee will decline or be unable to serve if elected.

Information with regard to the business experience of each director and the ownership of common stock on December 31, 2002 has been furnished by each director or has been obtained from TrustCo's records. TrustCo's common stock is the only class of equity security outstanding.

Director Fees, Committees and Attendance

TrustCo's board held eight meetings during 2002. Each director who is not an employee of TrustCo or Trustco Bank currently receives for his services as director a fee in the amount of \$5,000 for each meeting attended of the TrustCo or Trustco Bank Board of Directors, and \$2,500 for each meeting attended of any TrustCo or Trustco Bank committee of which he is a member.

Under the Directors Performance Bonus Plan, nonemployee directors are eligible to be awarded "units," the value of which is based upon the appreciation in value of TrustCo's common stock between the date of the award and the occurrence of a "change in control" as defined in the Directors Performance Bonus Plan. The units so awarded vest, and payments under the Directors Performance Bonus Plan are to be made, only upon the occurrence of a change in control. Each nonemployee director has been awarded 34,981 units under the Directors Performance Bonus Plan at a base price of \$5.95 per unit (except for Mr. Lucarelli, whose base price is \$8.59 per unit) (after adjustment to reflect a 15% stock split on November 13, 2001, a 15% stock split on November 14, 2000, and a two for one stock split on November 12, 1999). TrustCo Retirement Plans

Edgar Filing: TRUSTCO BANK CORP N Y - Form DEF 14A

Trustco Bank has a defined benefit retirement plan pursuant to which annual retirement benefits are based on years of service to a maximum of 30 years and average annual earnings of the highest five consecutive years during the final ten years of service. The defined benefit retirement plan is fully funded by Trustco Bank contributions. In addition, TrustCo has a supplemental retirement plan, which is an actuarial plan, under which additional retirement benefits are accrued for eligible executive officers. Under the supplemental retirement plan, the amount of supplemental retirement benefits is based upon annual contributions that are actuarially calculated to achieve a benefit at normal retirement that approximates the differences between (i) the total retirement benefit the participant would have received under the defined benefit retirement plan without taking into account limitations on compensation, annual benefits, and years of service; and (ii) the retirement benefit the participant is projected to receive under the defined benefit retirement plan at normal retirement. The supplemental retirement plan provides benefits based on years of service to a maximum of 40 years. The supplemental account balance of a participant on any Valuation Date on or after December 31, 2002 may not exceed \$7,000,000.

10

The following table shows the approximate retirement benefits that would have been payable in 2002 to salaried employees, under both the defined benefit retirement plan and the supplemental retirement plan, assuming retirement of such person at age 65 and payment of benefits in the form of a life annuity. Earnings used in calculating benefits under these plans are approximately equal to cash amounts reflected as salary plus bonus in the Summary Compensation Table. These plans permit service and earnings to continue to be credited for employment after age 65. The benefits set forth in the following table are in addition to those which may be received as Social Security benefits. The years of service at normal retirement age 65 for the executive officers (other than Robert A. McCormick) named in the Summary Compensation Table would be as follows: Robert T. Cushing, 27 years; Robert J. McCormick, 33 years; Nancy A. McNamara, 43 years; and Henry C. Collins, 25 years.

3,500,000	696,200	1,392,400	2,090,400

Generally, an employee who has attained age 55 and has ten years of service has the right to elect to immediately begin receiving adjusted retirement benefits less than those indicated in the table upon any separation from service with Trustco Bank. The Internal Revenue Code places a maximum limit on the benefits that can be provided under qualified retirement plans such as Trustco Bank's defined benefit retirement plan. For 2002, the annual Internal Revenue Code limit for a straight-life annuity benefit at normal retirement age was \$160,000, which amount is actuarially reduced for participants who retire and begin receiving benefits early.

Trustco Bank's supplemental retirement plan provides that supplemental benefits will be paid in a single lump sum to a participant who terminates employment for reasons other than retirement on or after his normal retirement date. A participant who retires on or after his normal retirement date may elect to be paid the supplemental benefits upon separation of service from Trustco Bank in one of the benefit forms provided under the defined benefit retirement plan or in a single lump sum or installments over a five-year period. Also under the supplemental retirement plan, Trustco Bank, in its discretion, may at any time elect to make a lump sum distribution of a participant's supplemental benefit. The amount of this single payment is equal to the participant's supplemental account balance under the plan.

11

The supplemental retirement plan is unfunded for tax purposes. However, Trustco Bank has established an irrevocable trust to fund its obligations under these and other executive compensation plans. Trustco Bank is required to make annual contributions to the trust, although the assets of the trust remain subject to Trustco Bank's general creditors in the event of insolvency.

Robert A. McCormick was not a participant in the Trustco Bank Supplemental Retirement Plan but had a separate agreement with Trustco Bank under which additional retirement benefits were accrued. Under the terms of this agreement, benefits were calculated on the actuarial basis used in the Trustco Bank Supplemental Retirement Plan; however, Mr. McCormick was entitled to benefits equal to those to which he would have been entitled if he had been an employee of Trustco Bank and a participant under its qualified plans since the date he joined a former employer. The benefit under the separate agreement was reduced by the amount of benefits actually paid under Trustco Bank's qualified plans and by Mr. McCormick's former employer's qualified plans. Mr. McCormick's agreement also provided for a lump sum distribution of his benefits under the agreement. With the retirement of Mr. McCormick on November 1, 2002, this benefit, under his separate agreement, which was fully accrued in prior years, was paid out in full (approximately \$9.4 million).

Personnel Advisory Committee Report on Executive Compensation

The Personnel Advisory Committee of Trustco Bank was responsible in 2002 for determining the compensation of employees and officers of TrustCo and Trustco Bank, including the Chief Executive Officer and the executive officers named in the Summary Compensation Table that appears elsewhere in this Proxy Statement. Each of the executive officers named in the Summary Compensation Table, other than Henry C. Collins, has an employment agreement with each of TrustCo and Trustco Bank. These employment agreements are described elsewhere in this Proxy Statement.

Edgar Filing: TRUSTCO BANK CORP N Y - Form DEF 14A

The Personnel Advisory Committee of the Board of Directors of Trustco Bank, the present members of which are Joseph A. Lucarelli (Chairman), Barton A. Andreoli, and William D. Powers (none of whom was an officer of TrustCo or Trustco Bank during 2002), furnished the following report on executive compensation to the Board of Directors of Trustco Bank, which has been adopted by TrustCo's Board of Directors for the year ended December 31, 2002 (in 2003, the Personnel Advisory Committee's responsibilities are being assumed by the Compensation Committee of the Board of Directors):

Under the supervision and direction of the Personnel Advisory Committee, TrustCo and Trustco Bank have developed compensation policies, plans, and programs that seek to enhance the profitability of TrustCo and Trustco Bank, and ultimately shareholder value, by aligning closely the financial interests of TrustCo's Chief Executive Officer and senior management with those of its shareholders. It continues to be the purpose and intent of the Personnel Advisory Committee to design a compensation program that reflects the standards of performance of Trustco Bank, with particular emphasis on setting goals tied to return on shareholder's equity previously defined by the Board of Directors of Trustco Bank.

12

The function of the Personnel Advisory Committee is to review the general compensation structure for the senior executive officers of Trustco Bank (Robert A. McCormick, prior to his retirement; Robert T. Cushing; Robert J. McCormick; and Nancy A. McNamara) and to recommend to the Board of Directors of Trustco Bank the salary and benefits of such senior executive officers. The components of executive compensation for the senior executive officers include salary, bonus, stock options, and cash payments under the defined benefit retirement plan, the supplemental retirement plans, and TrustCo's Executive Officer Incentive Plan. The Personnel Advisory Committee evaluates individual performance and corporate profitability to determine the level of any compensation adjustment to take effect as of January of the following year. The Personnel Advisory Committee also identifies persons within Trustco Bank eligible to participate in the two incentive plans and the supplemental retirement plan.

The Personnel Advisory Committee met three times during the year, on July 24, 2002, August 22, 2002, and October 2, 2002. The Stock Option Committee, whose members are the same as that of the Personnel Advisory Committee, met July 24, 2002 to (1) identify eligible participants in the 1995 TrustCo Bank Corp NY Stock Option Plan, and (2) award option grants for the current plan year. The Stock Option Committee considered discussions PricewaterhouseCoopers LLP had with management regarding general stock option issues and trends when formulating its final decision on grants awarded under the 1995 Stock Option Plan. PricewaterhouseCoopers LLP provided information regarding industry trends for general compensation levels and option levels in the industry. PricewaterhouseCoopers LLP is not the independent auditor for TrustCo, but provides various consulting services for TrustCo from time to time. While TrustCo does not have a target ownership level for equity holdings by its executives, the Stock Option Committee takes into account the amount and value of options currently held by eligible participants when granting option awards. Options may be granted in varying amounts so as to create relative ownership parity among the executive officers participating in the 1995 TrustCo Bank Corp NY Stock Option Plan. This Plan provides that, upon retirement, all previously unvested options become fully vested.

It is the aim of the Personnel Advisory Committee to determine salary and benefit levels of executive compensation (including the compensation of the Chief Executive Officer) principally upon the basis of overall corporate performance, although elements of corporate performance upon which compensation

decisions are made may vary from year to year in the discretion of the Personnel Advisory Committee and among executive officers. In making any such determination, the Personnel Advisory Committee will consider a number of factors including, among others, TrustCo's and Trustco Bank's return on equity, attainment of net income goals and total asset targets, overall profitability from year to year, banking experience of individual officers, scope of responsibility within the overall organization, performance, and particular contributions to TrustCo and Trustco Bank during the course of the year, and other relevant factors, including involvement in community matters that may better position the organization to serve the immediate needs of Trustco Bank's market. The Personnel Advisory Committee uses broad discretion when determining compensation levels and considers all of the above criteria. It does not assign a specific weight to any of these factors when establishing salary and benefit levels.

13

The Personnel Advisory Committee may also consider compensation programs offered to executives performing similar duties for competing depository institutions and their holding companies, with a particular focus on the level of compensation paid by comparable institutions. To assist in this evaluation, an industry group of twenty regional bank holding companies, which group is comprised of the institutions that constitute the SNL Financial LC Super Regional Bank Index, was identified by the Personnel Advisory Committee for performance and compensation comparisons. While Trustco Bank is comparatively smaller in terms of total asset size than some members of this peer group, the Personnel Advisory Committee believes that Trustco Bank compares favorably with these institutions in terms of overall corporate performance. The Personnel Advisory Committee further takes into consideration what it considers to be the unique size of TrustCo's executive group as compared to other financial institutions. Trustco Bank and TrustCo currently operate with four executive officers, whereas many institutions in this peer group have a larger pool of executive officers.

During 2002, at the request of Robert A. McCormick, the Personnel Advisory Committee agreed to accept the retirement of Mr. McCormick as President and Chief Executive Officer of TrustCo and Trustco Bank. The Committee agreed to this retirement with the stipulation that Mr. McCormick remain as Chairman of the Board and be retained as a consultant to the board. The Committee entered into a Consulting Agreement with Mr. McCormick to provide services on an as-needed basis for a period of three years for \$6,000,000. In addition, pursuant to the Consulting Agreement, Mr. McCormick will be provided with office space, access to a company car, and club membership similar to what he was receiving previously.

As a result of Mr. McCormick's retirement, his Supplemental Retirement Plan and deferred benefits under the Executive Officer Incentive Plan (previously accrued over prior years) were paid out in full.

Also, at the suggestion of Mr. McCormick and pursuant to the policies regarding salaries and benefits described in this report, the Personnel Advisory Committee recommended no change to the annual compensation of \$300,000 for Robert T. Cushing, Robert J. McCormick, and Nancy A. McNamara.

Mr. McCormick also recommended, and the Personnel Advisory Committee agreed, that Robert T. Cushing and Nancy A. McNamara resign from the Board of Directors. This action was designed to increase the independence of the board by insuring that no member of the board was a current officer of TrustCo or its subsidiaries.

It was recommended and approved by the Personnel Advisory Committee, at Mr.

Edgar Filing: TRUSTCO BANK CORP N Y - Form DEF 14A

McCormick's suggestion, that Robert T. Cushing be named President and Chief Executive Officer of TrustCo and Robert J. McCormick be named President and Chief Executive Officer of Trustco Bank. Further, the Personnel Advisory Committee considered and recommended an amendment to the Executive Officer Incentive Plan to remove the automatic deferral of termination benefits that are not deductible under Section 162(m) of the Internal Revenue Code provided under the executive's employment agreement.

14

The Personnel Advisory Committee continues to believe that Trustco Bank is better able to attract, retain, and motivate Trustco Bank's senior executive officers to achieve superior performance if a relatively large percentage of their compensation is at risk. In other words, Trustco Bank's compensation for its senior executive officers is designed with an objective of providing less total compensation when TrustCo's performance is poorer than a peer group of companies (currently, the companies comprising the SNL Financial LC Super Regional Bank Index), and providing superior total compensation when performance is superior to that of the peer group.

In evaluating corporate performance for purposes of establishing short-term incentive compensation awards for senior executive officers under the Executive Officer Incentive Plan, the Personnel Advisory Committee evaluated TrustCo's performance as compared with TrustCo's profit plan for the year, and also evaluated financial results (generally return on equity) as compared with the index for the current year. In the opinion of the Personnel Advisory Committee, return on equity is the most significant measure of performance of TrustCo and its relative importance to shareholders. Therefore, the target pools were established to provide senior executive officers with an incentive to increase return on equity performance. The Personnel Advisory Committee then established a percentage of target pool to be paid as short-term incentive compensation under the Executive Officer Incentive Plan. The target pool payment would be made to senior executive officers based on TrustCo's return on average equity for the year. The range of target returns on average equity was from 14%, which equates to a 40% payout of base compensation, to 20% return on average equity, which equates to a 125% payout of base compensation. The incentive plan provides a 15 basis point increase in bonus payout for each 1% increase in return on average equity beyond 20%. Senior executive officers would receive no incentive compensation award for return on average equity below 14%. Return on average equity in 2002 was 26.08%

In consideration of the potential benefits payable under the incentive program described above, senior executive officers are not eligible to participate in Trustco Bank's Profit Sharing Plan.

The Personnel Advisory Committee's actions concerning compensation were ultimately judgments based upon the committee's ongoing assessment and understanding of TrustCo and its senior executive officers, performance of its senior executive officers, and whether or not cash payments or incentive payments would provide an appropriate award or incentive to the senior executive officers' contribution to TrustCo's past and future performance.

Audit Committee Report

The Audit Committee of TrustCo's board is responsible for providing independent, objective oversight of TrustCo's accounting functions, internal controls, and financial reporting process. The Audit Committee is composed of three directors, each of whom is independent as defined by the National Association of Securities Dealers' listing standards. The Audit Committee operates under a written charter approved by the Board of Directors. A copy of the charter is attached to this Proxy Statement as Appendix A. To assist in the performance of its duties, the Audit Committee retained Marvin & Co., an independent accounting firm.

Management is responsible for TrustCo's internal controls and financial reporting process. TrustCo's independent accountants, KPMG LLP ("KPMG"), are responsible for performing an independent audit of TrustCo's consolidated financial statements in accordance with auditing standards generally accepted in the United States of America and issuing a report thereon. The Audit Committee's responsibility is to monitor and oversee the financial reporting and audit processes.

In connection with these responsibilities, the Audit Committee met with management and KPMG to review and discuss TrustCo's December 31, 2002 consolidated financial statements. The Audit Committee also discussed with KPMG the matters required by Statement on Auditing Standards No. 61 (Communication with Audit Committees) and received the written disclosures from KPMG required by Independence Standards Board Standard No. 1 (Independence Discussions with Audit Committees).

The following table presents fees for professional audit services rendered by KPMG for the audit of TrustCo's annual consolidated financial statements for the fiscal year ended December 31, 2002, and fees billed for other services provided by KPMG during 2002.

Audit fees	\$ 218,300
Audit related fees (1)	37,500

Audit and audit related fees	255,800
Tax fees (2)	199,965
All other fees (3)	17,500

Total fees	\$ 473,265
	=====

 (1) Audit related fees consisted principally of fees for audits of certain employee benefit plan financial statements and due diligence services.

(2) Tax fees consisted of fees for tax consultation and tax compliance services.

(3) All other fees consisted of fees for risk management and compliance program assistance provided in response to regulatory examination comments.

The Audit Committee discussed KPMG's independence with KPMG and has considered whether the nonaudit services provided by KPMG during the fiscal year ended December 31, 2002 were compatible with maintaining KPMG's independence. The committee has concluded that the nonaudit services provided do not impair the independence of KPMG.

Based upon the Audit Committee's discussions with management and the independent accountants, and its review of the information described in the preceding paragraphs, the Audit Committee has recommended that the Board of Directors include the audited consolidated financial statements in TrustCo's Annual Report on Form 10-K for the year ended December 31, 2002, to be filed with the Securities and Exchange Commission.

Share Investment Performance

The following graphs show changes over five-year and ten-year periods in the value of \$100 invested in: (1) TrustCo's common stock; (2) the Standard & Poor's 500 index; and (3) an industry group of twenty other regional bank holding companies compiled by SNL Financial LC, called the Super Regional Bank Index. The ten-year period is presented in addition to the five-year period required by the S.E.C. because it provides additional perspective. TrustCo management believes that longer term performance is of greater importance to TrustCo shareholders. The banks comprising the Super Regional Bank Index are: AmSouth Bancorp, BB&T Corp., Comerica Inc., Fifth Third Bancorp, First Tennessee National Corp., Huntington Bancshares Inc., KeyCorp, M&T Bank Corp., Marshall & Ilsley Corporation, National City Corp., PNC Financial Services Group, Popular Inc., Regions Financial Corp., SouthTrust Corp., SunTrust Banks Inc., Union Planters Corp., U.S. Bancorp, Wachovia Corp., Wells Fargo & Co., and Zions Bancorp.

The year-end pre-tax values of each investment are based on share price appreciation plus dividends paid, with cash dividends reinvested the date they were paid.

Employment Contracts and Termination of Employment Arrangements

TrustCo and Trustco Bank have entered into employment agreements with Robert T. Cushing, Robert J. McCormick, and Nancy A. McNamara. In addition, TrustCo and Trustco Bank have continued obligations under the employment agreement with Robert A. McCormick.

Executive Officers' Employment Agreements

The employment agreements for TrustCo's executive officers named in the Summary Compensation Table (except for Henry C. Collins, who does not have an employment agreement), were executed as of January 1, 2003. Nancy A. McNamara has indicated that she is contemplating retiring in 2004.

The Executive Officers' employment agreements provide that their annual compensation will be their annual base salary plus their executive incentive bonus as they are negotiated with TrustCo and Trustco Bank. The annual base salary may not be less than their annual base salary for the preceding calendar year (except in the initial year of the agreement). They are entitled to participate fully in any disability, death benefit, retirement, executive incentive compensation, or pension plans maintained by TrustCo and/or Trustco Bank. However, as described in greater detail herein under the caption "Personnel Advisory Committee Report on Executive Compensation," they have ceased to be eligible to participate in the Trustco Bank Profit Sharing Plan in consideration of the potential benefits under the TrustCo Executive Officer Incentive Plan described above. In the event their employment is terminated within twelve months prior to or two years after a change in control, for any reason, other than good cause, or retirement at the mandatory retirement age, then they shall receive an amount equal to 2.99 times his or her then-current

Edgar Filing: TRUSTCO BANK CORP N Y - Form DEF 14A

annual compensation, to be paid in a single lump sum within ten days of his or her termination. Upon the announcement of a change in control, they may notify TrustCo and Trustco Bank of their intent to terminate employment as of the date of the change in control and receive their termination benefits no later than fifteen days prior to consummation of the change in control. They are also entitled to the pro rata portion of their annual award under the Executive Officer Incentive Plan, payable no later than fifteen days prior to the closing date of the change in control or, if the change in control is unannounced, within ten days after the change in control. Their employment agreements also provide for a gross-up payment in the event that the amounts payable to them upon their termination under the employment agreement or any other agreement are subject to the excise tax imposed by Section 4999 of the Internal Revenue Code.

Upon termination of their employment due to retirement or disability, TrustCo and/or Trustco Bank shall provide to them and their spouses, for the rest of their lives, or the lives of their spouse, the same health insurance benefits provided to them and their families by TrustCo and Trustco Bank under their medical insurance plan prior to their termination. TrustCo and Trustco Bank will also provide to them for their life the same life insurance benefits provided to retirees by TrustCo and Trustco Bank under their life insurance plan.

The employment agreement defines termination to include (a) any reduction in their then-current annual compensation (including executive incentive compensation), disability, death, retirement, pension, or profit sharing benefits (unless such reductions shall be applied to all Trustco Bank employees as part of a validly adopted plan of cost containment), or their responsibilities or duties; (b) either TrustCo's or Trustco Bank's relocation or a change in their base location; (c) receipt of a nonrenewal notice pursuant to their employment agreement; or (d) the unilateral election by them to terminate their employment agreement. Notwithstanding the foregoing, the parties to the employment agreements have agreed that their ineligibility to participate in the Trustco Bank Profit Sharing Plan shall not have effected a termination of such employment agreement.

18

McCormick Employment Agreement

Although Robert A. McCormick is no longer an officer or employee of the Company, he would be entitled to certain payments under his employment agreement with the Company in the event a change in control of TrustCo occurs within two years of Mr. McCormick's November 1, 2002 retirement date. In such an event, Mr. McCormick would be entitled to receive an amount equal to 2.99 times his annual compensation, to be paid in a single lump sum. Mr. McCormick's agreement also provides for a gross-up payment in the event that the amounts payable to him under the agreement or any other agreement are subject to the excise tax imposed by Section 4999 of the Internal Revenue Code.

Also under Mr. McCormick's employment agreement, TrustCo and/or Trustco Bank will provide to Mr. McCormick and his wife, for the rest of Mr. McCormick's life, or the life of his spouse, the same health insurance benefits provided to Mr. McCormick and his family by TrustCo and Trustco Bank under their medical insurance plan prior to his retirement. TrustCo and Trustco Bank will also provide to Mr. McCormick for his life the same life insurance benefits provided to retirees by TrustCo and Trustco Bank under their life insurance plan.

General Provisions

In addition to termination payments under a change of control, each employment agreement provides for (under certain circumstances) (a) the payment

Edgar Filing: TRUSTCO BANK CORP N Y - Form DEF 14A

in full of each employee's compensation due, including retirement, pension, and profit sharing plans, through the termination date, (b) the continuation of health insurance benefits for the longer of the executive's life or the life of his spouse and group life insurance benefits for the executive, (c) the cost of any legal expenses as a result of such termination, and (d) the transfer of the executive's company car (at book value) and country club membership.

Performance Bonus Plan

Under the TrustCo Bank Corp NY Performance Bonus Plan, officers and key employees of TrustCo and its subsidiaries are eligible to be awarded units, the value of which is based upon the appreciation in value of TrustCo's common stock between the date of the award and the occurrence of a "change in control" as defined in the plan. The units so awarded vest, and payments under the plan are to be made, fifteen days prior to the closing date of an announced change in control or upon the occurrence of an unannounced change in control or upon a participant's termination of employment with TrustCo within the year prior to a change of control. In 1997, Robert A. McCormick was awarded 1,399,205 units, and Robert T. Cushing and Nancy A. McNamara were each awarded 524,702 units, all at a base price of \$5.95 per unit (after adjustment for a 15% stock split on November 13, 2001, a 15% stock split on November 13, 2000, and a two for one stock split on November 12, 1999).

THE TRUSTCO BOARD RECOMMENDS A VOTE FOR THE ELECTION OF THE TRUSTCO DIRECTOR NOMINEES AS TRUSTCO DIRECTORS, WHICH IS ITEM 1 ON THE TRUSTCO PROXY CARD.

Item 2. Ratification of the Appointment of Independent Auditors

KPMG were the independent auditors for TrustCo for the year ended December 31, 2002, and the Board of Directors has again selected and appointed them as the independent auditors for the year ending December 31, 2003. A resolution will be presented at the Annual Meeting to ratify their appointment as independent auditors. The independent auditors will report on the consolidated financial statements of TrustCo for the current calendar year and will perform such other nonaudit services as may be required of them. Representatives of KPMG are expected to be present at the Annual Meeting to make a statement if they so desire and are also expected to be available to respond to appropriate questions that may be raised.

During the year ended December 31, 2002, KPMG provided various audit and nonaudit professional services to TrustCo. Audit services so provided included examination of the consolidated financial statements of TrustCo, review, assistance, and consultation in connection with the filing of the Form 10-K Annual Report with the S.E.C., and assistance with accounting and financial reporting requirements. Nonaudit services so provided included the preparation and planning of corporate tax returns, audits of benefit plans and compensation issues, and assistance in relation to potential business acquisitions. Please refer to the report of TrustCo's Audit Committee, provided above.

Vote Required

The affirmative vote of a majority of all of TrustCo's issued and outstanding shares of common stock is required to ratify the appointment of KPMG as TrustCo's independent auditors for the year ending December 31, 2003.

THE TRUSTCO BOARD RECOMMENDS THAT TRUSTCO SHAREHOLDERS VOTE FOR THIS PROPOSAL, WHICH IS ITEM 2 ON THE TRUSTCO PROXY CARD.

S.E.C. FORM 10-K:

TrustCo will provide without charge a copy of its annual report on Form 10-K upon written request. Requests and related inquiries should be directed to: Henry C. Collins, Secretary, TrustCo Bank Corp NY, P.O. Box 1082, Schenectady, New York 12301-1082.

Ownership of TrustCo Common Stock by Certain Beneficial Owners

TrustCo is not aware of any person who, as of the date hereof, is the beneficial owner of more than 5% of its common stock.

At March 1, 2003, the Trust Department of Trustco Bank held 3,201,935 shares of TrustCo common stock as executor, trustee, and agent (4.33% of outstanding shares) not otherwise reported in this Proxy Statement. Neither TrustCo nor Trustco Bank has any beneficial interest in these shares.

Transactions with TrustCo and Trustco Bank Directors, Executive Officers and Associates

Some of the directors and executive officers of TrustCo and Trustco Bank, and some of the corporations and firms with which these individuals are associated, are also customers of Trustco Bank in the ordinary course of business, or are indebted to Trustco Bank in respect to loans of \$60,000 or more, and it is anticipated that they will continue to be customers of and indebted to Trustco Bank in the future. All such loans, however, were made in the ordinary course of business, do not involve more than normal risk of collectibility, do not present other unfavorable features, and were made on substantially the same terms, including interest rates and collateral, as those prevailing at the same time for comparable Trustco Bank transactions with unaffiliated persons. As of March 1, 2003, the total amount of such loans represented 1.75% of shareholders' equity of TrustCo.

In addition, TrustCo has entered into a consulting agreement with Robert A. McCormick, described elsewhere in this proxy statement.

Insurance for Indemnification of Officers and Directors

TrustCo renewed insurance for the indemnification of its executive officers and directors and executive officers and directors of Trustco Bank from Gulf Insurance Group effective for the one-year period from October 10, 2002 to October 10, 2003. The cost of this insurance was \$150,000, and coverage is provided to all executive officers and directors of TrustCo and Trustco Bank. TrustCo's Board of Directors has no knowledge of any claims made or sum paid pursuant to such insurance policy during 2002.
