Item 5. Other Events

On March 8, 2004, General Electric Company issued a press release announcing that it has priced its previously announced common stock offering for proceeds of \$3,800,024,550. The company priced 119,385,000 shares of common stock at \$31.83 per share. The offering was made from an existing shelf registration statement. The company intends to use the net proceeds from the offering to fund, in part, the consideration for the proposed combination of the National Broadcasting Company, Inc. and Vivendi Universal Entertainment LLP. In the event that this combination is not completed, GE will use the net proceeds from the offering for general corporate purposes.
