ITEM 1.01. ENTRY INTO A MATERIAL DEFINITIVE AGREEMENT  
ITEM 8.01. OTHER EVENTS

On February 7, 2006 General Motors Corporation issued the attached press release announcing, among other things, revised health-care benefits for salaried retirees and plans to restructure pension benefits for U.S. salaried employees. The foregoing changes will affect the benefits of GM's executive officers. The February 7, 2006 press release also announced other changes in the compensation of the Corporation's executive officers and directors.

GM currently expects to remeasure its OPEB liability in March or April of 2006 for the revised health care benefits for salaried retirees, which become effective in January 2007. The remeasurement is expected to result in a reduction of this liability of approximately \$4.8 billion. The benefit associated with the reduction in the OPEB liability is expected to be amortized at an annual pre-tax rate of \$900 million and have a favorable effect on GM's 2006 pre-tax earnings estimated to be approximately \$500 million.

The February 7, 2006 press release also announced the GM Board declaration of a quarterly cash dividend of \$0.25 per share, a reduction from the quarterly rate of \$0.50 per share that had been followed since the first quarter of 1997.
