PROXY STATEMENT/PROSPECTUS

A REORGANIZATION IS PROPOSED-YOUR VOTE IS VERY IMPORTANT

April 30, 2015

To Our Shareholders:

We cordially invite you to attend the 2015 Annual Meeting of Shareholders of National Western Life Insurance Company (“we,” “us,” “our” or “NWLIC”) to be held on June 19, 2015 at 9 a.m., local time, at the Moody Gardens Hotel at Seven Hope Boulevard, Galveston, Texas 77554.

At the annual meeting, in addition to electing directors and ratifying the appointment of our independent registered public accounting firm, you will be asked to consider and vote on a proposal to reorganize our company into a holding company pursuant to which our present company will become a subsidiary of a newly formed Delaware corporation named National Western Life Group, Inc., which we refer to in this proxy statement/prospectus as “Newco,” and you will become a shareholder of Newco. We refer to this proposal in the proxy statement/prospectus as the “Reorganization Proposal.” You will also be asked to approve two additional proposals. The first is to elect 10 members to our board of directors. The second is to ratify the appointment of BKD, LLP as our independent registered public accounting firm for the fiscal year ending December 31, 2015.

Upon completion of the reorganization described above, Newco will, in effect, replace NWLIC as the publicly held corporation. Newco and its subsidiaries will conduct all of the operations we currently conduct. Implementing the holding company structure will provide us with strategic, operational and financing flexibility, and incorporating the new holding company in Delaware will allow us to take advantage of the flexibility, predictability and responsiveness that Delaware corporate law provides.

In the reorganization, your existing shares of our Class A and Class B common stock will be converted automatically into shares of Newco Class A and Class B common stock, respectively. You will own the same number of shares of Newco Class A and Class B common stock as you now own of our common stock, and your shares will represent the same ownership percentage of Newco as you have of us. In addition, the reorganization generally will be tax-free for our shareholders. Your rights as a shareholder of Newco will be substantially the same as your rights as a shareholder of NWLIC, subject to certain differences described herein.

We expect the shares of Newco Class A common stock to trade under the ticker symbol “NWL” on the NASDAQ Stock Market (“NASDAQ”), the same ticker symbol currently used for the trading of NWLIC’s Class A common stock on NASDAQ. On April 2, 2015, the last trading day before the announcement of the Reorganization Proposal, the closing price per share of NWLIC’s Class A common stock was \$256.10. On April 22, 2015, the most recent trading day for which prices were available, the closing price per share of NWLIC’s Class A common stock was \$246.80.

There is no established public trading market for the NWLIC’s Class B common stock, and we do not expect there to be an established trading market for Newco’s Class B common stock.

In order to implement the Reorganization Proposal, we need shareholders to adopt and approve the related Agreement and Plan of Merger (the “Reorganization Agreement”). Our Board of Directors has carefully considered the Reorganization Agreement, which provides for the merger of NWLIC and a subsidiary of Newco called NWLIC MergerCo, Inc., and the related transactions described in this proxy statement/prospectus, and the Board of Directors believes that they are advisable, fair to, and in the best interest of our shareholders, and recommends that you vote “FOR” the Reorganization Proposal and “FOR” the other proposals described in this proxy statement/prospectus. Because adoption of the Reorganization Proposal requires the affirmative vote of holders of at least two-thirds of the outstanding shares of each of the Class A Stock and Class B Stock at the annual meeting, your vote is important, no matter how many or how few shares you may own. Whether or not you plan to attend the annual meeting, please take the time to vote by completing, signing and mailing the enclosed proxy card in the postage-paid envelope provided or by voting by telephone or over the Internet.

Our Board of Directors and management look forward to greeting those of you who are able to attend the annual meeting. For additional information about NWLIC, please see the enclosed annual report on Form 10-K for the fiscal year ended December 31, 2014. The accompanying notice of meeting and this proxy statement/prospectus provide specific information about the annual meeting and explain the various proposals. Please read these materials carefully. In particular, you should consider the discussion of risk factors beginning on page 8 before voting on the Reorganization Proposal.

Thank you for your continued support of and interest in our company.

Sincerely,

/S/ Robert L. Moody

and Chief Executive Officer

PROXY STATEMENT/PROSPECTUS
2015 ANNUAL MEETING OF SHAREHOLDERS

IMPORTANT NOTICE REGARDING THE AVAILABILITY OF PROXY MATERIALS: Copies of this Proxy Statement and the Annual Report on Form 10-K for the year ended December 31, 2014 are available at <http://www.cstproxy.com/nationalwesternlife/2015>.

This proxy statement/prospectus and the accompanying proxy are being made available to shareholders on or about May 4, 2015 in connection with the solicitation by the Board of Directors (the “Board of Directors”) of National Western Life Insurance Company of proxies to be used at the 2015 Annual Meeting of Shareholders (the “Annual Meeting”) of National Western Life Insurance Company to be held on Friday, June 19, 2015 at the Moody Gardens Hotel at Seven Hope Boulevard, Galveston, Texas 77554 at 9:00 a.m. local time. Our principal executive offices are located at 850 East Anderson Lane, Austin, Texas 78752-1602. Unless the context requires otherwise, references in this proxy statement/prospectus to “NWLIC,” “the Company,” “we,” “us,” or “our” refer to National Western Life Insurance Company.

PURPOSES OF THE ANNUAL MEETING

The purposes of the annual meeting are to:

1. Consider and vote upon a proposal, which we refer to as the “Reorganization Proposal,” approving the Agreement and Plan of Merger, dated as of April 6, 2015, among National Western Life Insurance Company, National Western Life Group, Inc. and NWLIC MergerCo, Inc., which agreement is attached to this proxy statement/prospectus as Annex I (Proposal 1);
2. Elect four designees of holders of Class A Stock and six designees of holders of Class B Stock, for a total of 10 members to the board of directors of NWLIC, who shall hold office until the next annual shareholders’ meeting or until their respective successors have been elected or appointed (Proposal 2);
3. Ratify the appointment of the firm of BKD, LLP as our independent registered public accounting firm for the fiscal year ending December 31, 2015 (Proposal 3); and
4. Transact such other business as may properly come before the meeting or any adjournment thereof.

QUORUM AND VOTING

Holders of record of our Class A common stock, par value \$1.00 per share (the “Class A Stock”), and our Class B common stock, par value \$1.00 per share (the “Class B Stock” and, together with the Class A Stock, the “Common Stock”), at the close of business on April 20, 2015, will be entitled to notice of and to vote at the Annual Meeting or any adjournment or adjournments thereof. As of April 20, 2015, there were 3,436,166 shares of Class A Stock outstanding, held by 3,525 holders of record and 200,000 shares of Class B Stock outstanding, held by two holders of record. The number of holders of record does not include any beneficial owners for whom shares of Common Stock may be held in “nominee” or “street” name.

Shareholders of record at the close of business on April 20, 2015 will be entitled to vote at the Annual Meeting. Each shareholder is entitled to one vote per share held by such holder on all matters coming before the Annual Meeting, except as otherwise described below.

The presence, in person or by proxy, of the holders of one-half (1/2) of the total of each of the Class A Stock and the Class B Stock will constitute a quorum at the Annual Meeting. If a quorum is not present or represented at the Annual Meeting, the shareholders entitled to vote thereat, present in person or represented by proxy, have the power to adjourn the Annual Meeting from time to time without further notice, other than announcement at the Annual Meeting, until a quorum is present. At such reconvened Annual Meeting at which a quorum is present, any business may be transacted as originally noticed. Abstentions and broker non-votes

1

(shares held by a broker or nominee that does not have the authority to vote on a matter, and has not received instructions from the beneficial owner) are counted as present in determining whether the quorum requirement is met.

Approval of the Reorganization Proposal. The adoption of the Reorganization Proposal requires the affirmative vote of holders of at least two-thirds of the outstanding shares of each of the Class A Stock and Class B Stock at the annual meeting. Abstentions and broker-non votes will have the same effect as a vote against the Reorganization Proposal.

Election of Directors. Article 4 of our restated articles of incorporation, as amended (as so amended, the "restated articles of incorporation"), provides that the Class A shareholders have the exclusive right to elect one-third (1/3) of the members of our Board of Directors, plus one director for any remaining fraction, and that the Class B shareholders have the exclusive right to elect the remaining members of our Board of Directors. Our Bylaws provide that directors are elected by a plurality vote of each class of stock voting separately. Abstentions and broker non-votes will not have any impact on the result of the vote on this item.

In view of Robert L. Moody's ("Mr. Moody") ownership, as of April 20, 2015, of more than 99% of the Class B Stock outstanding, as well as Mr. Moody's ownership of 33.9% of the Class A Stock outstanding (see Stock Ownership table below), Mr. Moody holds the voting power to elect a majority of our Board of Directors. We are considered to be a controlled company, and Mr. Moody is the controlling shareholder.

Ratification of Independent Registered Public Accounting Firm. The affirmative vote of a majority of the shares of the Class A and Class B Common Stock, voting together as the same class, cast at the annual meeting, in person or by proxy, is required to ratify the appointment of BKD, LLP to serve as our independent registered public accounting firm. Abstentions will not have any impact on the result of the vote on this item.

The Inspector of Elections for the Annual Meeting will be Rey Perez, our Senior Vice President - Chief Legal Officer and Secretary, and he will tabulate the votes. We will announce preliminary voting results at the Annual Meeting. The final official voting results from the Annual Meeting will be disclosed in a Current Report on Form 8-K to be filed within four business days after the Annual Meeting.

You may vote your proxy by Internet, telephone, or mail, as explained below. Votes submitted electronically over the Internet or by telephone must be received by 7:00 p.m., Eastern Daylight Time, on June 18, 2015. Voting your proxy does not limit your right to vote in person should you decide to attend the Annual Meeting. The law of Colorado, under which NWLIC is incorporated, specifically permits electronically transmitted proxies, provided that each such proxy contains or is submitted with information from which the Inspector of Elections of the Annual Meeting can determine that such electronically transmitted proxy was authorized by the shareholder. If your shares are held in the name of a broker, bank, or other holder of record, you will be provided voting instructions from the holder of record. If you vote by Internet or telephone, please do not mail in a proxy card as it will revoke your Internet or telephone proxy.

Internet. Access the Internet voting site at <http://www.cstproxy.com/nationalwesternlife/2015>. Follow the on-screen instructions and be sure to have the control number listed on your proxy card available when you access the Internet voting site. Please note that shareholders that vote through the Internet must bear all costs associated with electronic access, including Internet access fees.

Telephone. Dial the toll free number found on your proxy card. Follow the voice prompts and be sure to have the control number listed on your proxy card available when you call.

Mail. If you requested printed copies of the proxy materials, you may vote by mail by simply marking, signing, dating, and returning the proxy card in the postage-prepaid envelope provided for your convenience.

If a shareholder properly uses the Internet voting procedures described on the proxy card, or calls the toll-free telephone number, or completes, signs, dates, and returns the proxy card, by 7:00 p.m., Eastern Daylight Time, on June 18, 2015, his, her, or its shares will be voted at the Annual Meeting in accordance with his, her, or its instructions. If a shareholder returns a proxy card unsigned or undated, his, her, or its vote cannot be counted. If a shareholder signs and dates a proxy card, but does not fill out the voting instructions on the proxy card, the shares

represented by the proxy will be voted in accordance with the Board of Directors' recommendations, as follows:

FOR the Reorganization Proposal;

2

- FOR the election of each of the nominees to the Board of Directors to hold office until the next annual shareholders' meeting or until their respective successors have been elected or appointed;
 - FOR the ratification of the appointment of the firm of BKD, LLP as our independent registered public accounting firm for the fiscal year ending December 31, 2015; and
- In addition, if any other matters properly come before the Annual Meeting, Ross R. Moody, our President and Chief Operating Officer, and Rey Perez, our Senior Vice President - Chief Legal Officer and Secretary, the named proxies, have discretionary authority to vote on those matters in accordance with their best judgment. The Board of Directors is not currently aware of any other matters that may come before the Annual Meeting.

REVOCABILITY OF PROXY

The proxy is for use at the Annual Meeting if a shareholder will be unable to attend in person. The proxy (whether submitted by mail, telephone, or Internet) may be revoked by a shareholder at any time before it is exercised on the date of the Annual Meeting by:

- executing and delivering a written notice of revocation to the Secretary of NWLIC at our principal executive offices;
- submitting a later-dated proxy by Internet in the manner specified above, by telephone in the manner specified above, or in writing to the Secretary of NWLIC at our principal executive offices; or
- attending and voting in person at the Annual Meeting.

Attendance at the Annual Meeting will not revoke a proxy unless a shareholder provides written notice of revocation to the Secretary of NWLIC before the proxy is exercised or unless the shareholder votes his or her shares in person at the Annual Meeting. Street name holders that vote by proxy may revoke their voting instructions in accordance with their broker's, bank's, or other nominee's procedures.

SOLICITATION

This solicitation is made on behalf of our Board of Directors. The cost of preparing, assembling, printing, and mailing the Notice of Internet Availability of Proxy Materials, Notice of Annual Meeting of Shareholders, this proxy statement/prospectus, the proxy card, and any additional materials, as well as the cost of soliciting the proxies will be borne by us, including reimbursement paid to brokerage firms and other custodians, nominees, and fiduciaries for reasonable costs incurred in forwarding the proxy materials to, and solicitation of proxies from, the beneficial owners of shares held by such persons. In addition, our officers, directors and other regular employees, without additional compensation, may solicit proxies by mail, email, personal interview, telephone or other electronic transmission.

QUESTIONS AND ANSWERS ABOUT THE HOLDING COMPANY REORGANIZATION

What is the Reorganization Proposal?

We are asking you to approve an Agreement and Plan of Merger (the “Reorganization Agreement”) that would result in our reorganization into a Delaware holding company. Prior to entering into the Reorganization Agreement, National Western Life Group, Inc. (“Newco”) was incorporated in the State of Delaware as a wholly-owned subsidiary of National Western Life Insurance Company, a Colorado corporation (“NWLIC”), and NWLIC MergerCo, Inc. was incorporated in the State of Colorado as a wholly-owned subsidiary of Newco. Under the Reorganization Agreement, NWLIC will merge with NWLIC MergerCo, Inc., with NWLIC surviving the merger as a wholly-owned subsidiary of Newco (the “Reorganization”).

Upon completion of the Reorganization, Newco will, in effect, replace NWLIC as the publicly held corporation. Newco and its subsidiaries will conduct all of the operations we currently conduct. As a result of the Reorganization, the current shareholders of NWLIC will become stockholders of Newco with the same number and percentage of shares of Newco as they held of NWLIC prior to the Reorganization. The Reorganization Agreement, which sets forth the plan of merger and is the primary legal document that governs the Reorganization, is attached as Annex I to this proxy statement/prospectus. You are encouraged to read the Reorganization Agreement carefully.

Why are you forming a holding company?

We are forming a holding company in Delaware to:

- better align our corporate structure with our business operations; provide us with greater strategic, business and administrative flexibility, which may allow us to acquire or form other businesses, if and when appropriate and feasible, that may be owned and operated by us, but which could be separate from our current businesses; and
- take advantage of the benefits of Delaware corporate law.

What will happen to my stock?

In the Reorganization, your shares of NWLIC Class A common stock (“Class A Stock”) will automatically be converted into the same number of shares of Newco Class A common stock and your shares of NWLIC Class B common stock (“Class B Stock”) will automatically be converted into the same number of shares of Newco Class B common stock. As a result, you will become a stockholder of Newco and will own the same number and percentage of shares of Newco common stock that you now own of NWLIC common stock. We expect that Newco Class A common stock will be listed on the NASDAQ under the symbol “NWLI”, the same ticker symbol currently used by NWLIC. There is no established public trading market for the NWLIC’s Class B common stock and we do not expect there to be an established trading market for Newco’s Class B common stock.

How will being a Newco stockholder be different from being a NWLIC shareholder?

After the Reorganization, you will own the same number and percentage of the same class of shares of Newco common stock that you owned of such class of NWLIC common stock immediately prior to the Reorganization. You will own shares of a Delaware holding company that owns our operating businesses. In addition, as a stockholder of Newco, your rights will be governed by Delaware corporate law and the certificate of incorporation and bylaws of the Delaware corporation. Your rights as a stockholder of Newco will be substantially the same as your rights as a shareholder of NWLIC.

Will the management or the business of the company change as a result of the Reorganization?

No. The management and business of our company will remain the same after the Reorganization.

What will the name of the public company be following the Reorganization?

The name of the public company following the Reorganization will be “National Western Life Group, Inc.”

Will the company’s CUSIP number change as a result of the Reorganization?

Yes. Following the Reorganization, the CUSIP number for the Newco common stock will be 638517102.

Will I have to turn in my stock certificates?

No. Do not turn in your stock certificates. We will not require you to exchange your stock certificates as a result of the Reorganization. After the Reorganization, your NWLIC common stock certificates will represent the same number of the same class of shares of Newco common stock.

What are the material U.S. federal income tax consequences as a result of the Reorganization?

The proposed Reorganization is intended to be a tax-free transaction under U.S. federal income tax laws. We expect that you will not recognize any gain or loss for U.S. federal income tax purposes upon your receipt of Newco common stock in exchange for your shares of NWLIC common stock in the Reorganization; however, the tax consequences to you will depend on your own situation. You should consult your own tax advisors concerning the specific tax consequences of the Reorganization to you, including any state, local or foreign tax consequences of the Reorganization.

How will the Reorganization be treated for accounting purposes?

For accounting purposes, the Reorganization into a holding company structure will be treated as a merger of entities under common control. The accounting treatment for such events is similar to the former "pooling of interests method." Accordingly, the consolidated financial position and results of operations of NWLIC will be included in the consolidated financial statements of Newco on the same basis as currently presented.

What vote is required to approve the Reorganization Proposal?

The required vote is the affirmative vote of holders of at least two-thirds of the outstanding shares of each of the Class A Stock and Class B Stock at the annual meeting.

What percentage of the outstanding shares do directors and executive officers hold?

As of April 20, 2015, directors, executive officers, and their affiliates beneficially owned approximately 34.9% of our outstanding shares of Class A Stock and 99.8% of our outstanding shares of Class B Stock.

If the shareholders approve the Reorganization, when will it occur?

Unless the Board of Directors determines otherwise, we expect to complete the Reorganization in the latter part of 2015, provided that our shareholders approve the Reorganization and all other conditions to completion of the Reorganization are satisfied.

Do I have dissenters' (or appraisal) rights?

No. Holders of NWLIC common stock do not have dissenters' or appraisal rights under Colorado law as a result of the Reorganization.

What is the authorized capital of NWLIC and Newco?

NWLIC's restated articles of incorporation currently authorize the issuance of 7,500,000 shares of Class A Stock and 200,000 shares of Class B Stock. Newco's restated certificate of incorporation, which will govern the rights of our stockholders after the Reorganization, currently authorizes the issuance of 7,500,000 shares of Class A common stock and 200,000 shares of Class B common stock. Upon completion of the Reorganization, the number of shares of Newco Class A and Class B common stock that will be outstanding will be equal to the number of shares of NWLIC Class A Stock and Class B Stock outstanding immediately prior to the Reorganization.

SUMMARY OF THE REORGANIZATION PROPOSAL

This section highlights key aspects of the Reorganization Proposal, including the Reorganization Agreement, that are described in greater detail elsewhere in this proxy statement/prospectus. It does not contain all of the information that may be important to you. To better understand the Reorganization Proposal, and for a more complete description of the legal terms of the Reorganization Agreement, you should read this entire document carefully, including the Annexes, and the additional documents to which we refer you. You can find information with respect to these additional documents in “Where You Can Find More Information.”

The Principal Parties

National Western Life Insurance Company (Colorado corporation)

850 East Anderson Lane

Austin, Texas 78752-1602

(512) 836-1010

National Western Life Insurance Company, a Colorado corporation (“NWLIC”) is a stock life insurance company, chartered in the State of Colorado in 1956, and doing business in forty-nine states, the District of Columbia, and four U.S. territories or possessions.

In connection with the Reorganization, NWLIC will merge with NWLIC MergerCo, Inc., a wholly-owned subsidiary of Newco, with NWLIC surviving the merger as a wholly-owned subsidiary of Newco. After the Reorganization, NWLIC will continue to engage in the business currently conducted by NWLIC, and all of NWLIC’s contractual, employment and other business relationships will generally continue unaffected by the Reorganization, except that immediately following the merger, most of NWLIC’s executive management team and certain corporate-level employees will become employees of Newco.

NWLIC’s headquarters is located at 850 East Anderson Lane, Austin, Texas 78752-1602, and the telephone number at this location is (512) 836-1010. Information about NWLIC is available on its website at www.nationalwesternlife.com. The information on NWLIC’s website is not incorporated by reference herein and is not deemed to be part of this proxy statement/prospectus.

National Western Life Group, Inc. (Delaware corporation)

850 East Anderson Lane

Austin, Texas 78752-1602

(512) 836-1010

National Western Life Group, Inc., a Delaware corporation (“Newco”), was formed as a wholly-owned subsidiary of NWLIC in order to effect the Reorganization. Prior to the Reorganization, Newco will have no assets or operations other than those incident to its formation.

NWLIC MergerCo, Inc.

850 East Anderson Lane

Austin, Texas 78752-1602

(512) 836-1010

NWLIC MergerCo, Inc. (“MergerCo”) is a Colorado corporation and was formed as a wholly-owned subsidiary of Newco in order to effect the Reorganization. Prior to the Reorganization, MergerCo will have no assets or operations other than those incident to its formation.

What You Will Receive in the Reorganization (Page 12)

In the Reorganization, each outstanding share of NWLIC’s Class A Stock will be converted automatically into one share of Newco Class A common stock and each share of NWLIC’s Class B Stock will be converted automatically into one share of Newco Class B common stock. In addition, each outstanding option to purchase shares of NWLIC Class A Stock, if not exercised before the completion of the Reorganization, will become an option to acquire, at the same exercise price, an identical number of shares of Newco Class A common stock. Each outstanding stock appreciation right (“SAR”) relating to NWLIC’s Class A Stock will be converted automatically into a SAR representing one share of Newco Class A common stock.

On the Record Date, there were outstanding 3,436,166 and 200,000 shares of NWLIC Class A Stock and Class B Stock, as well as options representing an aggregate of 21,768 shares of NWLIC Class A Stock, and 99,411 SARs.

Conditions to Completion of the Reorganization (Page 13)

The completion of the Reorganization depends on the satisfaction or waiver of a number of conditions, including, but not limited to, the following:

- absence of any stop order suspending the effectiveness of the registration statement, of which this proxy statement/prospectus forms a part, relating to the shares of Newco Class A and Class B common stock to be issued in the Reorganization;
- receipt by NWLIC of permits, authorizations, consents, approvals, or terminations or expirations of waiting periods as are required under applicable corporate and insurance laws;
- approval and adoption of the Reorganization Agreement by NWLIC's shareholders;
- receipt of approval for listing on the NASDAQ of shares of Newco Class A common stock to be issued in the Reorganization;
- absence of any order or proceeding that would prohibit or make illegal completion of the Reorganization; and receipt by NWLIC and Newco of a legal opinion of Sutherland Asbill & Brennan LLP with respect to the material U.S. federal income tax consequences of the Reorganization.

Termination of the Reorganization Agreement (Page 14)

We may terminate the Reorganization Agreement, even after adoption by our shareholders, if our Board of Directors determines that for any reason the completion of the Reorganization is inadvisable or not in the best interest of NWLIC or its shareholders.

Board of Directors and Executive Officers of Newco Following the Reorganization (Page 16)

The Board of Directors of Newco presently consists of the same persons comprising the Board of Directors of NWLIC and it is expected that the Newco Board of Directors will remain the same following the Reorganization. Newco expects that its senior management following the Reorganization will be substantially the same as that of NWLIC immediately prior to the Reorganization.

Markets and Market Prices

Newco Class A common stock is not currently traded on any stock exchange. NWLIC Class A Stock is traded under the symbol "NWLI" on the NASDAQ, and we expect Newco Class A common stock to also trade on the NASDAQ under the symbol "NWLI" following the Reorganization. On April 2, 2015, the last trading day before the announcement of the Reorganization Proposal, the closing price per share of NWLIC Class A Stock as quoted on the NASDAQ was \$256.10. On April 22, 2015, the most recent trading day for which prices were available, the closing price per share of NWLIC Class A Stock as quoted on the NASDAQ was \$246.80. There is no established public trading market for the NWLIC's Class B common stock and we do not expect there to be an established trading market for Newco's Class B common stock.

Certain Financial Information

We have not included pro forma financial comparative per share information concerning NWLIC that gives effect to the Reorganization because, immediately after the completion of the Reorganization, the consolidated financial statements of Newco will be the same as NWLIC's consolidated financial statements immediately prior to the Reorganization, and the Reorganization will result in the conversion of each share of NWLIC Class A Stock and Class B Stock into one share of Newco Class A and Class B common stock, respectively. In addition, we have not provided financial statements of Newco because, prior to the Reorganization, it will have no assets, liabilities, or operations other than incident to its formation.

RISK FACTORS

In considering whether to vote in favor of the Reorganization Proposal, you should consider all of the information we have included in this proxy statement/prospectus, including its Annexes, and all of the information included in the documents we have incorporated by reference, including our Annual Report on Form 10-K for the fiscal year ended December 31, 2014 and the risk factors described in the other documents incorporated by reference. In addition, you should pay particular attention to the risks described below.

Our Board of Directors may choose to defer or abandon the Reorganization.

Completion of the Reorganization may be deferred or abandoned, at any time, by action of our Board of Directors, whether before or after the annual meeting. While we currently expect the Reorganization to take place in the latter part of 2015, assuming that the proposal to approve and adopt the Reorganization Agreement is approved at the annual meeting, our Board of Directors may defer completion or may abandon the Reorganization because of any determination by our Board of Directors that the Reorganization would be inadvisable or not in the best interest of NWLIC or its shareholders.

We may not obtain the expected benefits of our Reorganization into a holding company.

We believe our reorganization into a holding company will provide us with benefits in the future. These expected benefits may not be obtained if market conditions or other circumstances prevent us from taking advantage of the strategic, business, and financing flexibility that it affords us. As a result, we may incur the costs of creating the holding company without realizing the possible benefits.

As a holding company, Newco will depend in large part on dividends from its operating subsidiaries to satisfy its obligations. The amount of dividends that Newco can receive from its life insurance subsidiary, NWLIC, is limited by law.

After the completion of the Reorganization, Newco will be a holding company with no business operations of its own. Its only significant assets will be the outstanding capital stock of its subsidiaries, which will include NWLIC. As a result, it will rely on funds from its current subsidiaries and any subsidiaries that it may form or acquire in the future to meet its obligations.

The amount of dividends that Newco's life insurance company subsidiary, NWLIC, can pay is restricted under applicable insurance law and regulations. These restrictions are based, in part, on the prior year's statutory income and surplus. In general, dividends up to specified levels are considered ordinary and may be paid without prior regulatory approval. Dividends in larger amounts, or extraordinary dividends, are subject to approval by the insurance commissioner of the relevant state of domicile. Under Colorado insurance law, an extraordinary dividend or distribution is defined as a dividend or distribution that, together with other dividends and distributions made within the preceding twelve months, exceeds the lesser of (1) 10% of the insurer's policyholder surplus as of the preceding December 31 or (2) the insurer's net gain from operations for the twelve-month period ended the preceding December 31, in each case determined in accordance with statutory accounting principles.

From time to time, the National Association of Insurance Commissioners, a national association of state insurance regulators that sets guidelines for statutory policies, procedures and reporting for insurers, have considered, and may in the future consider, proposals to further limit dividend payments that an insurance company may make without regulatory approval. No assurance is given that more stringent restrictions will not be adopted from time to time by the State of Colorado, which is the state in which NWLIC is domiciled, and such restrictions could have the effect, under certain circumstances, of significantly reducing dividends or other amounts payable to Newco by NWLIC without prior approval by regulatory authorities.

The market for Newco shares may differ from the market for NWLIC shares.

Although it is anticipated that the Newco Class A common stock will be authorized for listing on the NASDAQ, the market prices, trading volume, and volatility of the Newco Class A common stock could be different from those of the NWLIC Class A Stock.

The proposed reorganization into a holding company may result in substantial direct and indirect costs whether or not completed.

The Reorganization may result in substantial direct costs. These costs and expenses are expected to consist primarily of attorneys' fees, accountants' fees, filing fees, and financial printing expenses and will be substantially incurred prior to the vote of our shareholders. The Reorganization may also result in certain indirect costs by diverting the attention of our management and employees from our business and by increasing our administrative costs and expenses. These administrative costs and expenses will include keeping separate records and in some cases making separate regulatory filings for each of Newco and each of its subsidiaries. The Reorganization may also result in certain state sales taxes and other transfer taxes.

Anti-takeover provisions in Newco's restated certificate of incorporation and bylaws and under Delaware law may delay or prevent a third party acquisition of Newco, which could decrease the value of Newco's Class A and Class B common stock.

The restated certificate of incorporation and bylaws of Newco, as well as Delaware law, contain provisions that could make it more difficult for a third party to acquire it without the consent of its Board of Directors. For example:

Newco's bylaws limit the business at special meetings of the stockholders to the purpose stated in the notice of the meeting; provided that Newco's board of directors has the authority to submit additional matters to the stockholders and to cause other business to be transacted;

Newco's bylaws establish advance notice requirements for submitting nominations for election to the board of directors and for proposing matters that can be acted upon by stockholders at a meeting, including requirements as to the content and timely provision of such a notice;

Newco's bylaws limit the ability of Newco's stockholders to request a special meeting of the stockholders, requiring a requesting stockholder to be a record holder of at least 25% of the outstanding shares of common stock of Newco, to have held such required percentage continuously for two years prior to the date of delivery of such notice, and to have complied in full with additional requirements in Newco's bylaws;

Newco's restated certificate of incorporation grants the holders of Class A common stock the exclusive right to elect one-third (1/3) of the members of our board of directors (plus one director for any remaining fraction) and the holders of Class B common stock the exclusive right to elect the remaining members of Newco's board of directors;

Newco's restated certificate of incorporation and bylaws limit the removal of any director elected by the holders of the Class A common stock or the Class B common stock voting as a separate class or otherwise designated as a Class A or Class B director to removal, with or without cause, solely by the affirmative vote of a majority of the holders of the Class A common stock or Class B common stock, as applicable, voting as a separate class and then entitled to vote at an election of such designated directors;

Newco's restated certificate of incorporation and bylaws limit the filling of director vacancies to the vote of the majority of the remaining directors, even if less than a quorum, who were elected or designated by the same class of stockholders who elected or designated the director whose position is being filled, even if less than a quorum, or, if there are no such remaining directors, then by the holders of the same class of stock who elected the director whose position is being filled;

Newco's restated certificate of incorporation requires that any action taken by stockholders only be taken at an annual or special meeting of the stockholders and prohibits any stockholder action from being taken by written consent without a meeting; and

Section 203 of the General Corporation Law of the State of Delaware ("DGCL") prohibits Newco from engaging in any "business combination" with any "interested stockholder" for a period of three years following the time that the stockholder became an interested stockholder, unless certain approvals are obtained by the board of directors and/or stockholders, as applicable, or certain other requirements are satisfied, as provided in Section 203 of the DGCL.

Although we believe all of these provisions will make a higher third-party bid more likely by requiring potential acquirers to negotiate with the board of directors, these provisions will apply even if an initial offer may be considered beneficial by some stockholders and therefore could delay and/or prevent a deemed beneficial offer from being considered.

As a stockholder of a Delaware corporation, and based on Newco's restated certificate of incorporation and bylaws, your rights after the Reorganization will be different from, and may be less favorable than, your current rights as a shareholder of a Colorado corporation and based on NWLIC's restated articles of incorporation and bylaws.

After the completion of the Reorganization, you will become a stockholder of a public company incorporated in Delaware instead of Colorado and will be subject to the terms of Newco's restated certificate of incorporation and bylaws instead of NWLIC's restated articles of incorporation and bylaws. As a result, your rights as a stockholder will be governed by Delaware corporate law as opposed to Colorado corporate law, and by the terms of the organizational documents of Newco as opposed to the organizational documents of NWLIC. Because they are separate bodies of law and separate organizational documents, Delaware corporate law will be different from Colorado corporate law and Newco's organizational documents will be different from NWLIC's organizational documents. Although many of these differences will not have a significant impact on the rights of stockholders, some of these differences may be less favorable to stockholders. Some of the differences between Delaware and Colorado corporate

law, and Newco's and NWLIC's organizational documents, that may be less favorable to stockholders after the completion of the Reorganization are the following:

under Newco's bylaws, only record holders of at least 25% of the outstanding shares of common stock of Newco who have held such required percentage continuously for two years prior to the date of delivery of a written request for such a meeting and who have complied in full with additional requirements in Newco's bylaws will have the right to request a special meeting of the stockholders, as opposed to Colorado corporate law, which gives holders of 10% of the voting shares the right to call a special meeting;

under Newco's bylaws, advance notice is required for stockholders to submit nominations for election to the board of directors and to propose matters that can be acted upon by stockholders at a meeting, including requirements as to the content and timely provision of such a notice, as opposed to Colorado corporate law and NWLIC's organizational documents, which do not impose such advance notice requirements on stockholders;

under Newco's restated certificate of incorporation, any action taken by stockholders must be taken at an annual or special meeting of the stockholders and may not be taken by stockholders by written consent without a meeting, as opposed to Colorado corporate law and NWLIC's organizational documents, which, taken together, permit stockholders of NWLIC to take action by written consent in lieu of a meeting so long as consent to such action is unanimous;

under Newco's bylaws, a vote of the holders of at least 66 2/3% of the shares of Newco's capital stock is required to amend, alter, or repeal the bylaws, as opposed to NWLIC's bylaws, which permit stockholders of NWLIC to amend, alter, or repeal the bylaws by the affirmative vote of the holders of a majority of the shares present or represented at a meeting and entitled to vote; and

under Delaware corporate law, fewer corporate transactions give rise to dissenters' rights than under Colorado corporate law.

These differences may limit the significance of your rights as a stockholder in these contexts. For a discussion of these and other differences between Delaware and Colorado corporate law, and certain provisions of the organizational documents of Newco and NWLIC, see "Description of Newco Capital Stock," "Description of NWLIC Capital Stock" and "Comparative Rights of Holders of Newco Capital Stock and NWLIC Capital Stock" below.

These forward-looking statements are subject to risks, uncertainties, and assumptions that could cause our actual results and the timing of certain events to differ materially from those expressed in the forward-looking statements. You should understand that many important factors, in addition to those discussed or incorporated by reference in this proxy statement/prospectus, could cause our results to differ materially from those expressed in the forward-looking statements. Potential factors that could affect our results include those described in this proxy statement/prospectus under "Risk Factors" above, and those identified in our Annual Report on Form 10-K for the fiscal year ended December 31, 2014 and in the other documents incorporated by reference. In light of these risks and uncertainties, the

forward-looking results discussed or incorporated by reference in this proxy statement/prospectus might not occur. PROPOSAL 1: REORGANIZATION

This section of the proxy statement/prospectus describes the Reorganization Proposal. Although we believe that the description in this section covers the material terms of the Reorganization Proposal, this summary may not contain all of the information that is important to you. The summary of the material provisions of the Reorganization Agreement provided below is qualified in its entirety by reference to the Reorganization Agreement, which we have attached as Annex I to this proxy statement/prospectus and which we incorporate by reference into this proxy statement/prospectus. You should carefully read the entire proxy statement/prospectus and the Reorganization Agreement for a more complete understanding of the Reorganization Proposal. Your approval of the Reorganization Proposal will constitute your approval and adoption of the Reorganization Agreement, the Reorganization, the restated certificate of incorporation of National Western Life Group, Inc., and the bylaws of National Western Life Group, Inc. Reasons for the Reorganization; Recommendation of our Board of Directors

Our Board of Directors concluded that the Reorganization is advisable, determined that the terms of the Reorganization Agreement are fair to and in the best interest of NWLIC and its shareholders, and adopted and approved the Reorganization Agreement.

During the course of its deliberations, our Board of Directors consulted with management and outside legal counsel and considered a number of positive factors, including the following:

Possible Future Strategic and Business Flexibility of the Holding Company Structure. We believe the holding company structure could facilitate future expansion of our business by providing a more flexible structure for acquiring other businesses or entering into joint ventures while continuing to keep the operations and risks of our other businesses separate. Although we have no present plans or any arrangements, understandings, or agreements to make any acquisitions or enter into any joint ventures, we may do so in the future. Furthermore, implementing the holding company structure may reduce the risk that liabilities of our core businesses and other businesses, if any, that may be operated in the future by separate subsidiaries would be attributed to each other.

Possible Future Financing Flexibility of the Holding Company Structure. We believe that a holding company structure may be beneficial to shareholders in the future because it would permit the use of financing techniques that are not available to NWLIC because NWLIC is a life insurance company.

Possible Future Flexibility because Newco is not an Insurance Company. Because Newco would not be an insurance company, it will not be subject to the insurance laws, rules, and regulations of the various states in which we now operate.

Predictability, Flexibility, and Responsiveness of Delaware Law to Corporate Needs. For many years, Delaware has followed a policy of encouraging incorporation in that state and has adopted comprehensive, modern, and flexible corporate laws, which are updated regularly to meet changing business needs. As a result of this deliberate policy to provide a hospitable climate for corporate development, many major public corporations have chosen Delaware for their domicile. In addition, the Delaware courts have developed considerable expertise in dealing with corporate issues relating to public companies. Thus, a substantial body of case law has developed construing Delaware corporate law and establishing legal principles and policies regarding publicly held Delaware corporations. We believe that, for these reasons, Delaware law will provide greater legal predictability with respect to our corporate legal matters than we have under Colorado law. We further believe that Delaware law will provide greater efficiency, predictability, and flexibility in our public legal affairs than is presently available under Colorado law.

Attractiveness of Delaware Law to Directors and Officers. We believe that organizing under Delaware law will enhance our ability to attract and retain qualified directors and officers. The corporate law of Delaware, including its extensive body of case law, offers directors and officers of public companies more certainty and stability. Under Delaware law, the parameters of director and officer liability are more clearly defined and better understood than under Colorado law. To date, we have not experienced difficulty in retaining directors or officers, but directors of

public companies are exposed to significant potential liability. We therefore believe that providing the benefits afforded directors by Delaware law will enable us to compete more effectively with other public companies in the recruitment of talented and experienced directors and officers. At the same time, we believe that Delaware law regarding corporate fiduciary duties provides appropriate protection for our stockholders from possible abuses by directors and officers. In addition, under Delaware law, directors' personal liability cannot be eliminated for:

- any breach of the director's duty of loyalty to the corporation or its stockholders,
- acts or omissions not in good faith or which involve intentional misconduct or a knowing violation of law,
- unlawful payment of dividends or unlawful repurchases or redemptions of stock, or

any transactions from which the director derived an improper personal benefit.

In addition to the positive factors described above, our Board of Directors also considered the following potential negative factor associated with the Reorganization Proposal:

Increased Costs and Expenses Associated with Implementing the Reorganization Proposal and Administering a Holding Company Structure. The Reorganization may result in substantial direct costs. These costs and expenses are expected to consist primarily of attorneys' fees, accountants' fees, filing fees, and financial printing expenses and will be substantially incurred prior to the vote of our shareholders. The Reorganization may also result in certain indirect costs by diverting the attention of our management and employees from our business and increasing our administrative costs and expenses. These administrative costs and expenses will include keeping separate records and in some cases making separate regulatory filings for each of Newco and its current and future subsidiaries. The Reorganization may also result in certain state sales taxes and other transfer taxes.

After careful consideration, our Board of Directors has determined that creation of a holding company offers a net benefit to our shareholders. Our Board of Directors has approved the Reorganization Proposal, determined that the terms of the Reorganization Agreement and the Reorganization are advisable and in the best interest of our shareholders, and has adopted and approved the Reorganization Agreement. Our Board Directors recommends that our shareholders vote "FOR" adoption and approval of the Reorganization Agreement at the annual meeting.

Reorganization Procedure

NWLIC currently owns all of the issued and outstanding common stock of Newco, Newco currently owns all of the issued and outstanding common stock of MergerCo, the subsidiary formed for purposes of completing the proposed Reorganization, and NWLIC owns all of the issued and outstanding equity interests of The Westcap Corporation (of Delaware), NWL Investments, Inc., NWL Financial, Inc., NWL Services, Inc., NWLSM, Inc., and Regent Care San Marcos Holdings, LLC. Following the approval of the Reorganization Agreement by the NWLIC shareholders and the satisfaction or waiver of the other conditions specified in the Reorganization Agreement (which are described below), NWLIC will merge with MergerCo, the subsidiary of Newco. As a result of this merger:

• NWLIC will be the surviving corporation and the separate corporate existence of MergerCo will cease.

Each outstanding share of NWLIC Class A Stock and Class B Stock will automatically convert into one share of Newco Class A or Class B common stock, as described below, and the current shareholders of NWLIC will become the stockholders of Newco.

• Newco will own all of NWLIC's common stock and each share of Newco common stock now held by NWLIC will be canceled.

The result of the Reorganization will be that your current company, NWLIC, will be merged with MergerCo and NWLIC will become a subsidiary of Newco. Newco's restated certificate of incorporation is included as Annex II to this proxy statement/prospectus and a copy of Newco's bylaws is included as Annex III to this proxy statement/prospectus. For more information regarding your rights as a shareholder before and after the Reorganization, see "Description of Newco Capital Stock," "Description of NWLIC Capital Stock," and "Comparative Rights of Newco Capital Stock and NWLIC Capital Stock."

Immediately following the merger, as part of the Reorganization, NWLIC will distribute the stock of its subsidiaries, NWL Investments, Inc. and NWL Services, Inc. to Newco. As a result, NWLIC, NWL Investments, Inc., and NWL Services, Inc., will all be direct subsidiaries of Newco.

In all other respects, your company will remain the same. The current directors of NWLIC will continue as directors of Newco, and senior management will be substantially similar. In addition, our current business and operations will remain the same.

What NWLIC Shareholders Will Receive in the Reorganization

Each share of NWLIC Class A Stock and Class B Stock will convert into one share of Newco Class A or Class B common stock, as appropriate. After the completion of the Reorganization, you will own the same type, number, and percentage of shares of Newco capital stock as you currently own of NWLIC capital stock.

NWLIC Stock Options and Other Rights to Receive NWLIC Stock

Each of the outstanding options to acquire, or SARs relating to, shares of NWLIC Class A Stock in the aggregate will become options to acquire, or SARs relating to, on the same terms and conditions as before the Reorganization, an identical number of shares of Newco Class A common stock. On the Record Date, there were outstanding options representing the right to purchase an aggregate of 21,768 shares of NWLIC Class A Stock and SARs relating to 99,411 shares of NWLIC Class A Stock under NWLIC's existing stock-based compensation plans, which include the NWLIC 1995 Stock and Incentive Plan and the NWLIC 2008 Incentive Plan (collectively the "NWLIC Plans"). Following the Reorganization, NWLIC plan participants will be entitled to receive shares of Newco Class A common stock rather than shares of NWLIC Class A Stock, on the same terms and conditions otherwise provided for in the respective plans.

Corporate Name Following the Reorganization

The name of the public company following the Reorganization will be "National Western Life Group, Inc."

No Exchange of Stock Certificates

In the Reorganization, your shares of NWLIC Class A Stock and Class B Stock will be converted automatically into shares of Newco Class A or Class B common stock, respectively. Your certificates of NWLIC capital stock, if any, will represent, from and after the Reorganization, an equal number of shares of Newco capital stock, and no action with regard to stock certificates will be required on your part. We expect to send you a notice after the Reorganization is completed specifying this and other relevant information.

Conditions to Reorganization

We will complete the Reorganization only if each of the following conditions is satisfied or waived:

The registration statement of Newco shall have been deemed or declared effective by the SEC under the Securities Act and no stop order suspending the effectiveness of the registration statement shall have been issued by the SEC and no proceeding for that purpose shall have been initiated or, to the knowledge of Newco or NWLIC, threatened by the SEC and not concluded or withdrawn. No similar proceeding with respect to the proxy statement shall have been initiated or, to the knowledge of Newco or NWLIC, threatened by the SEC and not concluded or withdrawn.

The Reorganization Agreement shall have been approved by the requisite vote of the shareholders of NWLIC in accordance with the Colorado Business Corporation Act ("CBCA") and the restated articles of incorporation of NWLIC.

The Newco Class A common stock to be issued pursuant to the Reorganization shall have been approved for listing on the NASDAQ by The NASDAQ Stock Market, LLC.

NWLIC shall have made such filings and obtained such permits, authorizations, consents, approvals or terminations or expirations of waiting periods as are required by the corporate and insurance laws and regulations of all applicable jurisdictions.

No order, statute, rule, regulation, executive order, injunction, stay, decree, judgment or restraining order that is in effect shall have been enacted, entered, promulgated or enforced by any court or governmental or regulatory authority or instrumentality that prohibits or makes illegal the consummation of the Reorganization or the transactions contemplated by the Reorganization Agreement.

The Boards of Directors of NWLIC and Newco shall have received the legal opinion of Sutherland Asbill & Brennan LLP in form and substance reasonably satisfactory to them indicating that holders of Newco capital stock will not recognize gain or loss for United States federal income tax purposes as a result of the transactions contemplated by the Reorganization Agreement.

Effectiveness of Reorganization

The Reorganization will become effective on the date we file a statement of merger with the Secretary of State of the State of Colorado or a later date that we specify therein. We will file the statement when the conditions to the

Reorganization described above have been satisfied or waived. We expect that we will specify in the statement that the Reorganization will be effective in the latter part of 2015.

Termination of Reorganization Agreement

The Reorganization Agreement may be terminated at any time prior to the completion of the reorganization (even after adoption by our shareholders) by action of our Board of Directors if it determines that for any reason the completion of the transactions provided for therein would be inadvisable or not in the best interest of our company or our shareholders.

Amendment of Reorganization Agreement

The Reorganization Agreement may, to the extent permitted by the CBCA, be supplemented, amended, or modified at any time prior to the completion of the Reorganization (even after adoption by our shareholders) by the mutual consent of the parties thereto.

Material U.S. Federal Income Tax Consequences

The following discussion summarizes the material U.S. federal income tax consequences of the Reorganization to U.S. holders of NWLIC capital stock. This discussion is based upon current provisions of the Internal Revenue Code of 1986, as amended (the "Code"), current and proposed Treasury regulations and judicial and administrative decisions and rulings as of the date of this proxy statement/prospectus, all of which are subject to change (possibly with retroactive effect) and all of which are subject to differing interpretation. This discussion does not address all aspects of U.S. federal income taxation that may be relevant to you in light of your particular circumstances or to persons subject to special treatment under U.S. federal income tax laws. In particular, this discussion deals only with shareholders that hold NWLIC capital stock as capital assets within the meaning of the Code. In addition, this discussion does not address the tax treatment of special classes of shareholders, such as banks, insurance companies, tax-exempt organizations, financial institutions, broker-dealers, persons holding NWLIC capital stock as part of a hedge, straddle or other risk reduction, constructive sale or conversion transaction, U.S. expatriates, persons subject to the alternative minimum tax and persons who acquired NWLIC capital stock in compensatory transactions. If you are not a U.S. holder (as defined below), this discussion does not apply to you.

As used in this summary, a "U.S. holder" is:

• an individual U.S. citizen or resident alien;

• a corporation, partnership, or other entity created or organized under U.S. law (federal or state);

• an estate whose worldwide income is subject to U.S. federal income tax; or

a trust if a court within the United States of America is able to exercise primary supervision over the administration of the trust and one or more U.S. persons have the authority to control all substantial decisions of the trust, or certain trusts formed prior to August 20, 1996, if such trust has a valid election in effect to be treated as a domestic trust for U.S. federal income tax purposes.

If a partnership (including, for this purpose, any entity treated as a partnership for U.S. federal income tax purposes) is a beneficial owner of NWLIC capital stock, the U.S. federal income tax consequences to a partner in the partnership will generally depend on the status of the partner and the activities of the partnership. A holder of NWLIC capital stock that is a partnership, and the partners in such partnership, should consult their own tax advisors regarding the U.S. federal income tax consequences of the reorganization.

ALL HOLDERS ARE URGED TO CONSULT WITH THEIR OWN TAX ADVISORS REGARDING THE TAX CONSEQUENCES OF THE REORGANIZATION TO THEIR PARTICULAR SITUATION, INCLUDING THE EFFECTS OF U.S. FEDERAL, STATE AND LOCAL, FOREIGN, AND OTHER TAX LAWS.

The obligation of NWLIC to complete the Reorganization is conditioned upon, among other things, NWLIC and Newco having received a legal opinion from Sutherland Asbill & Brennan LLP, dated as of the completion of the Reorganization, that the merger will constitute an exchange of NWLIC capital stock for Newco capital stock governed by Section 351 of the Code, as well as a Reorganization within the meaning of Section 368(a) of the Code, and, therefore, no gain or loss will be recognized by the shareholders of NWLIC upon the receipt of Newco capital stock pursuant to the merger. Additionally, NWLIC and Newco will receive a legal opinion from Sutherland Asbill &

Brennan LLP that the distribution of NWL Investments, Inc. and NWL Services, Inc., stock from NWLIC to Newco is a transaction described in Section 355 of the Code. The opinions of counsel will be based on then-existing law and based in part upon representations, made as of the effective time of the reorganization transactions, by Newco, NWLIC, and MergerCo, which counsel will assume to be true, correct, and complete. If the representations are inaccurate, the opinions of counsel could be adversely affected. Neither Newco nor NWLIC has requested nor will request a private letter ruling from the Internal Revenue Service as to the tax consequences of the reorganization transactions. The opinions of counsel

will not be binding upon the Internal Revenue Service or any other taxing authority. Assuming the transactions are treated as described in this paragraph, the material U.S. federal income tax consequences of the transactions will be as follows:

• No gain or loss will be recognized by Newco or NWLIC as a result of the merger;

• No gain or loss will be recognized by you upon your receipt of Newco capital stock solely in exchange for your NWLIC capital stock;

• The aggregate tax basis of the shares of Newco capital stock that you receive in exchange for your NWLIC capital stock in the merger will be the same as the aggregate tax basis of your NWLIC capital stock exchanged;

• The holding period for shares of Newco capital stock that you receive in the merger will include the holding period of your NWLIC capital stock exchanged;

• No gain or loss will be recognized by NWLIC or Newco as a result of the distribution of any NWLIC subsidiary stock to Newco by NWLIC; and

• The distribution of any NWLIC subsidiary stock to Newco by NWLIC will have no material U.S. federal income tax consequences to you as a NWLIC stockholder.

The foregoing discussion is not intended to be a complete analysis or description of all potential U.S. federal income tax consequences or any other consequences of the Reorganization. In addition, the discussion does not address tax consequences which may vary with, or are contingent on, your individual circumstances. Moreover, the discussion does not address state, local, foreign or non-income tax consequences or tax return reporting requirements.

Accordingly, you are strongly urged to consult with your own tax advisor to determine the particular U.S. federal, state, local or foreign income or other tax consequences to you of the Reorganization.

No Compensation Related to the Reorganization

There are no agreements or understandings, whether written or unwritten, between any executive officer and NWLIC, Newco, or MergerCo concerning any type of compensation, whether present, deferred, or contingent, that is based on or otherwise relates to the Reorganization.

Anticipated Accounting Treatment

For accounting purposes, our reorganization into a holding company structure will be treated as a merger of entities under common control. The accounting treatment for such events is similar to the former “pooling of interests method.” Accordingly, the financial position and results of operations of NWLIC will be included in the consolidated financial statements of Newco on the same basis as currently presented.

Authorized Capital Stock

NWLIC’s restated articles of incorporation currently authorize the issuance of 7,500,000 shares of Class A Stock and 200,000 shares of Class B Stock. Newco’s restated certificate of incorporation, which will govern the rights of our stockholders after the Reorganization, currently authorizes the issuance of 7,500,000 shares of Class A common stock and 200,000 shares of Class B common stock. Upon completion of the Reorganization, the number of shares of Newco Class A and Class B common stock that will be outstanding will be equal to the number of shares of NWLIC Class A Stock and Class B Stock outstanding immediately prior to the Reorganization.

Listing of Newco Class A Common Stock on the NASDAQ Global Market; De-listing and De-registration of NWLIC Class A Stock

The completion of the Reorganization is conditioned on the approval for listing of the shares of Newco Class A Stock issuable in the Reorganization (and any other shares to be reserved for issuance in connection with the Reorganization) on the NASDAQ. We expect that the Newco Class A common stock will trade under the ticker symbol “NWLI.” In addition, Newco will become a reporting company under the Exchange Act.

Following the Reorganization, NWLIC's Class A Stock will no longer be quoted on the NASDAQ and will no longer be registered under the Exchange Act. In addition, NWLIC will cease to be a reporting company under the Exchange Act.

Board of Directors and Executive Officers of Newco Following the Reorganization

Presently, the Newco board of directors and the NWLIC board of directors are comprised of the same persons. We expect that immediately following the Reorganization the Newco board of directors board will be comprised of Stephen E. Glasgow, E. Douglas McLeod, Louis E. Pauls, Jr., E. J. Pederson, Robert L. Moody, Ross R. Moody, Ann M. Moody, Charles D. Milos, Frances A. Moody-Dahlberg, and Russell S. Moody, if all are elected as directors of NWLIC at the annual meeting.

We expect that the senior management of NWLIC following the Reorganization will be the same as that of NWLIC immediately prior to the Reorganization.

For information concerning persons expected to become directors of Newco, see “Proposal Two-Election of Directors.” Independent Registered Public Accounting Firm of Newco

The adoption by the holders of NWLIC capital stock of the Reorganization Agreement will also constitute ratification of BKD, LLP as described under the caption “Proposal Three-Ratification of the Engagement of the Independent Registered Public Accounting Firm” as the independent registered public accounting firm of Newco for the fiscal year ending December 31, 2015.

Issuances of Newco Class A Common Stock Under the NWLIC Plans

The adoption by the holders of NWLIC capital stock of the Reorganization Agreement will also constitute approval of the assumption by Newco of the NWLIC Plans and, where appropriate, the future issuance of shares of Newco Class A common stock in lieu of shares of NWLIC Class A Stock under the NWLIC Plans in connection with the Reorganization without further shareowner action.

Newco Restated Certificate of Incorporation

The adoption by the holders of NWLIC capital stock of the Reorganization Agreement will also constitute approval of the terms of the Newco restated certificate of incorporation in the form attached to this proxy statement/prospectus as Annex II.

Restrictions on the Sale of Newco Shares

The shares of Newco Class A and Class B common stock to be issued in the Reorganization will be registered under the Securities Act. These shares will be freely transferable under the Securities Act, subject to existing restrictions on certain affiliates of Newco.

DESCRIPTION OF NEWCO CAPITAL STOCK

Newco is incorporated in the State of Delaware. The rights of stockholders of Newco will generally be governed by Delaware law and Newco’s restated certificate of incorporation and bylaws. The following is a summary of the material provisions of Newco’s restated certificate of incorporation and bylaws. This summary is not complete and is qualified by reference to Delaware statutory and common law and the full texts of Newco’s restated certificate of incorporation and bylaws, which are attached as Annexes II and III to this proxy statement/prospectus.

General

Upon the completion of the Reorganization, the authorized capital stock of Newco will be 7,700,000 shares, consisting of 7,500,000 shares of Class A common stock, par value \$0.01 per share, and 200,000 shares of Class B common stock, par value \$0.01 per share. All of the shares issued and outstanding upon completion of the Reorganization will be fully paid and nonassessable.

Upon completion of the Reorganization, the number of shares of Class A and Class B common stock, respectively, that will be outstanding will be equal to the number of shares issued and outstanding of NWLIC capital stock outstanding immediately prior to the Reorganization.

Class A Common Stock

Dividends and Distributions. The holders of outstanding shares of Newco's Class A common stock will be entitled to receive dividends and other distributions out of assets legally available at times and in amounts as the board of directors of Newco may determine from time to time. All shares of Class A common stock are entitled to participate ratably with respect to dividends or other distributions paid to holders of our Class A common stock.

Liquidation Rights. If Newco is liquidated, dissolved or wound up, voluntarily or involuntarily, then, after payment of any debts and liabilities of Newco, holders of Newco's Class A common stock are entitled to receive the par value of their shares. The holders of Class B common stock are then entitled to receive the par value of their shares, and thereafter the holders of the Class A common stock will share ratably in all assets of Newco available for distribution to the Class A and Class B stockholders.

Voting Rights. Each share of Class A common stock is entitled to one vote per share on all matters to be voted upon by the holders of the Class A common stock. There are no cumulative voting rights. Stockholders may vote by proxy.

The Class A stockholders will have the exclusive right to elect one-third (1/3) of the members of our board of directors, plus one director for any remaining fraction, and the Class B stockholders will have the exclusive right to elect the remaining members of our board of directors. Directors will be elected by a plurality of the votes of the shares of the class of stock present in person or represented by proxy at a meeting and entitled to vote on the election of such director or directors. The affirmative vote of a majority of the shares of Newco's Class A and Class B common stock voting together as one class present in person or represented by proxy and entitled to vote on the matter shall be required to approve all other matters presented to stockholders at an annual or special meeting except as otherwise required by applicable law, Newco's restated certificate of incorporation or bylaws, or the rules and regulations of any stock exchange applicable to Newco.

Other. There are no preemption, redemption, sinking fund, or conversion rights applicable to Newco's Class A common stock.

Class B Common Stock

Dividends and Distributions. The holders of outstanding shares of Newco's Class B common stock will be entitled to receive dividends and other distributions out of assets legally available at times and in amounts as the board of directors of Newco may determine from time to time; provided, however, that, under Newco's restated certificate of incorporation, any dividends or distributions on each share of Class B common stock per annum will be only one-half (1/2) of the dividends and distributions paid on each share of Class A common stock. All shares of Class B common stock are entitled to participate ratably with respect to dividends or other distributions paid to holders of our Class B common stock.

Liquidation Rights. If Newco is liquidated, dissolved or wound up, voluntarily or involuntarily, then, after payment of any debts and liabilities of Newco and after the Class A common stockholders receive the par value of their shares, the holders of Newco's Class B common stock are entitled to receive the par value of their shares and thereafter will share ratably in all assets of Newco available for distribution to the Class A and Class B stockholders.

Voting Rights. Each share of Class B common stock is entitled to one vote per share on all matters to be voted upon by the holders of the Class B common stock. There are no cumulative voting rights. Stockholders may vote by proxy.

The Class A stockholders will have the exclusive right to elect one-third (1/3) of the members of our board of directors, plus one director for any remaining fraction, and the Class B stockholders will have the exclusive right to elect the remaining members of Newco's board of directors. Directors will be elected by a plurality of the votes of the shares of the class of stock present in person or represented by proxy at a meeting and entitled to vote on the election of such director or directors. The affirmative vote of a majority of the shares of Newco's Class A and Class B common

stock voting together as one class present in person or represented by proxy and entitled to vote on the matter shall be required to approve all other matters presented to stockholders at an annual or special meeting except as otherwise required by applicable law, Newco's restated certificate of incorporation or bylaws, or the rules and regulations of any stock exchange applicable to Newco.

Other. There are no preemption, redemption, sinking fund, or conversion rights applicable to Newco's Class B common stock.

Anti-Takeover Effects of Certain Provisions of Newco's Certificate of Incorporation, Bylaws, and Delaware Law Provisions of Newco's restated certificate of incorporation, its bylaws, and Delaware law could have the effect of delaying or preventing a third party from acquiring the company, even if the acquisition would benefit Newco's stockholders. These provisions may delay, defer or prevent a tender offer or takeover attempt of the company that a stockholder might consider in the stockholder's

best interest, including those attempts that might result in a premium over the market price for the shares held by its stockholders. These provisions are intended to enhance the likelihood of continuity and stability in the composition of the Board of Directors and in the policies formulated by the Board of Directors and to reduce Newco's vulnerability to an unsolicited proposal for a takeover that does not contemplate the acquisition of all of Newco's outstanding shares, or an unsolicited proposal for our restructuring or sale of all or part of its business.

Authorized but Unissued Shares of Common Stock

Newco's authorized but unissued shares of Class A common stock are available for its board of directors to issue without stockholder approval. Newco may use the additional authorized shares of Class A common stock for a variety of corporate purposes, including future public offerings to raise additional capital, corporate acquisitions, and employee benefit plans. The existence of Newco's authorized but unissued shares of Class A common stock could render more difficult or discourage an attempt to obtain control of the company by means of a proxy contest, tender offer, merger, or other transaction.

Stockholder Action; Special Meetings of Stockholders

The restated certificate of incorporation of Newco provides that any action required or permitted to be taken by stockholders at an annual meeting or special meeting of the stockholders may only be taken at an annual or special meeting before which it is properly brought, and not by written consent without a meeting. The bylaws also provide that special meetings of stockholders may be called by (i) the board of directors, (ii) the chairman of the board of directors, (iii) the President, (iv) the Chief Executive Officer, or (v) the Secretary upon the written request of the record holder(s) of at least 25% of the outstanding shares of Newco's common stock, provided that such holder(s) has continuously held such shares for a period of two years prior to the delivery of such written request for a special meeting and has complied in full with additional requirements set forth in Newco's bylaws.

Advance Notice Requirements for Stockholders Proposals and Director Nominations

The bylaws provide that stockholders seeking to bring business before a meeting of stockholders, or to nominate candidates for election as directors at a meeting of stockholders, must provide Newco with timely written notice of their proposal. The bylaws also specify requirements as to the form and content of a stockholder's notice. These provisions may preclude stockholders from bringing matters before a meeting of stockholders or from making nominations for directors at a meeting of stockholders.

Amendment to the Restated Certificate of Incorporation and Bylaws

The restated certificate of incorporation may generally be amended (after the board of directors adopts a resolution declaring the advisability of such an amendment) by a majority of its stockholders, except with respect to provisions regarding the board of directors, limitations on director liability and indemnification and advancement of expenses to directors and officers, stockholder meetings, and amendments to the restated certificate of incorporation and bylaws, which provisions of the restated certificate of incorporation may only be amended upon approval of holders of at least 66-2/3% of Newco's outstanding voting stock. The restated certificate of incorporation separately requires the approval of at least 75% of the voting power of all outstanding Class A common stock to amend certain provisions of the restated certificate of incorporation relating to the dividend and liquidation preferences of the Class A common stock. The bylaws may generally be amended by the board of directors or by stockholders upon approval of holders of at least 66-2/3% of Newco's outstanding voting stock.

Delaware Anti-Takeover Statute

Newco is subject to the provisions of Section 203 of the DGCL, an anti-takeover law. Subject to exceptions, the statute prohibits a publicly-held Delaware corporation from engaging in a "business combination" with an "interested stockholder" for a period of three years after the date of the transaction in which the person became an interested stockholder, unless:

prior to such date, the Board of Directors of the corporation approved either the business combination or the transaction which resulted in the stockholder becoming an interested stockholder;

upon consummation of the transaction which resulted in the stockholder becoming an interested stockholder, the interested stockholder owned at least 85% of the voting stock of the corporation outstanding at the time the transaction commenced (excluding for purposes of determining the number of shares outstanding, those shares owned

by (1) persons who are directors and also officers and (2) employee stock plans in which employee participants do not have the right to determine confidentially whether shares held subject to the plan will be tendered in a tender or exchange offer); or

on or after such date, the business combination is approved by the Board of Directors and authorized at an annual or special meeting of stockholders and not by written consent, by the affirmative vote of at least 66-2/3% of the outstanding voting stock which is not owned by the interested stockholder.

For purposes of Section 203, a "business combination" includes a merger, asset sale, or other transaction resulting in a financial benefit to the interested stockholder, with an "interested stockholder" being defined as a person who, together with affiliates and associates, owns (or who is an affiliate or associate of the corporation and did own within three years prior to the date of determination whether the person is an "interested stockholder") 15% or more of the corporation's voting stock.

Newco's Board of Directors approved the acquisition of shares of its Class A common stock and Class B common stock by Robert L. Moody in connection with the Reorganization Proposal and the related reorganization described herein under Section 203 of the DGCL. As a result, he will not be deemed to be an "interested stockholder" thereunder and any "business combination" between Mr. Moody and Newco will not be subject to the prohibitions in Section 203 of the DGCL.

Limitation of Director Liability and Indemnification of Directors and Officers

Newco's restated certificate of incorporation provides, to the fullest extent permitted by Delaware law, that directors will not be liable to us or our stockholders for monetary damages for breach of fiduciary duty as a director. Delaware law currently provides that such a provision may not eliminate or limit the liability of a director:

for any breach of the director's duty of loyalty to us or our stockholders;

for acts or omissions not in good faith or that involve intentional misconduct or a knowing violation of law;

under Section 174 of the DGCL (governing distributions to stockholders); or

for any transaction from which the director derived any improper personal benefit.

However, in the event the DGCL is amended to authorize corporate action further eliminating or limiting the personal liability of directors, then the liability of our directors will be eliminated or limited to the fullest extent permitted by the DGCL, as so amended.

The bylaws of Newco further provide that we will indemnify each of our directors and officers to the fullest extent permitted by Delaware law and may indemnify other persons as authorized by the DGCL. In particular, Newco's bylaws provide that Newco will indemnify and hold harmless, to the fullest extent permitted by applicable law as it presently exists or may hereafter be amended, any person who was or is made or is threatened to be made a party or is otherwise involved in any threatened, pending or completed action, suit or proceeding, whether civil, criminal, administrative or investigative, including, but not limited to, serving as a witness without being named a defendant or respondent, by reason of the fact that he or she, or a person for whom he or she is the legal representative, is or was a director or officer of Newco or, while a director or officer of Newco, is or was serving at the request of Newco as a director, officer, employee or agent of another corporation, partnership, joint venture, trust or other enterprise, against all liability and loss suffered (including, but not limited to, judgments, penalties, fines, excise taxes, and amounts paid in settlement) and expenses (including attorneys' fees) reasonably incurred by such covered person. In the case of a proceeding commenced by a covered person, Newco will only be required to indemnify the covered person if commencement of the proceeding (or part thereof) by the covered person was authorized in the specific case by the board of directors.

Any such indemnification under Newco's bylaws (unless ordered by a court) may be made by Newco only as authorized in the specific case upon a determination that indemnification of the covered person is proper in the circumstances because he or she has met the applicable standard of conduct set forth in Section 145 of the DGCL. This determination must be made, with respect to the covered person: (i) by a majority vote of the directors who are not parties to such proceeding, though less than a quorum, (ii) by a committee of such directors designated by majority

vote of such directors, even though less than a quorum, (iii) if there are no such directors, or if such directors so direct, by independent legal counsel in a written opinion, or (iv) by the stockholders of Newco.

Limitation of Director Liability and Indemnification of Directors and Officers

NWLIC's restated articles of incorporation does not include a provision eliminating or limiting the personal liability of a director to NWLIC or to its shareholders for monetary damages for breach of fiduciary duty as a director.

NWLIC's bylaws provide that NWLIC will indemnify its officers and directors against judgments, penalties (including excise and similar taxes), fines, amounts paid in settlement, and reasonable expenses actually incurred by them while serving in such capacity if they (i) conducted themselves in good faith, (ii) reasonably believed, in the case of conduct in their official capacity, that their conduct was in NWLIC's best interests and, in all other cases, that their conduct was at least not opposed to NWLIC's best interests, and (iii) in the case of any criminal proceeding, had no reasonable cause to believe that their conduct was unlawful; provided, the indemnification in connection with a proceeding brought by or on behalf of NWLIC is limited under the bylaws to the reasonable expenses (including court costs and attorney's fees) actually incurred by the officer or director in connection with the proceeding. No indemnification, however, shall be made in connection with proceedings in which the officer or director is (a) found liable on the basis that personal benefit was improperly received by him, whether or not the benefit resulted from an action taken in his official capacity, or (b) found liable to NWLIC.

NWLIC may provide further indemnification for officers as permitted by Section 7-109-107 of the CBCA.

Comparative Rights of Holders of NWLIC Capital Stock and Newco Capital Stock

At the effective time of the merger, NWLIC Class A Stock and Class B Stock will be converted on a one-for-one basis into Newco Class A and Class B common stock, as appropriate. As a result, Newco's restated certificate of incorporation and bylaws and the applicable provisions of the DGCL will govern the rights of the former holders of NWLIC capital stock who receive shares of Newco capital stock pursuant to the merger. The rights of Newco stockholders after the completion of the Reorganization will be governed by the DGCL and common law, Newco's restated certificate of incorporation, and Newco's bylaws. Number of Directors:

NWLIC's restated articles of incorporation and bylaws provide that the number of members of the board of directors shall not be fewer than seven nor more than twenty-seven persons.

Newco's restated certificate of incorporation does not provide for a classified board of directors. Accordingly, under the DGCL, all directors of Newco will be elected annually.
Classification of Board of Directors:	NWLIC's restated articles of incorporation do not provide for a classified board of directors.	Under Newco's bylaws, in the event of a vacancy on the board of directors, such vacancy shall be filled by a vote of the majority of the remaining directors, even if less than a quorum, elected or designated by the class of stockholders who elected or designated the director whose position is being filled. If the board of directors so fixes a date, such date shall also be the record date for determining the stockholders entitled to vote at such meeting unless the board of directors determines, at the time it fixes such record date, that a later date on or before the date of the meeting shall be the date for making such determination. Each stockholder entitled to notice must be given written notice (unless waived) of each annual or special meeting not less than 10 days nor more than 60 days before the date of the meeting. The notice shall state the place, if any, date and time of such meeting, the means of remote communications, if any, by which stockholders and proxy holders may be deemed to be present in person and vote at such meeting, the record date for determining stockholders entitled to vote at the meeting or any adjournment thereof (if such record date is different from the record date for determining the stockholders entitled to notice of the meeting), and, in the case of a special meeting, the purpose or purposes for which such meeting is to be held.</p>

Advance Notice By
Stockholders for Director
Nominations and Other
Business:

Neither NWLIC's restated articles of incorporation nor its bylaws have any provisions requiring advance notice by stockholders, or the provision of specified information in such a notice, to properly bring any director nominations or other business before an annual or special meeting of the stockholders.

Newco's bylaws require that, for any nominations of directors or other business to be properly brought before an annual meeting by a stockholder, the stockholder must have given timely notice thereof in writing to the secretary and any such proposed business (other than the nominations of persons for election to the board of directors) must constitute a proper matter for stockholder action. To be timely, a stockholder's notice must be delivered to the secretary at the principal executive offices of Newco not later than the close of business on the ninetieth (90th) day, nor earlier than the close of business on the one hundred twentieth (120th) day, prior to the first anniversary of the preceding year's annual meeting (provided, however, that in the event that the date of the annual meeting is more than thirty (30) days before or more than seventy (70) days after such anniversary date, notice by the stockholder must be so delivered not earlier than the close of business on the one hundred twentieth (120th) day prior to such annual meeting and not later than the close of business on the later of the ninetieth (90th) day prior to such annual meeting or the tenth (10th) day following the day on which public announcement of the date of such meeting is first made by Newco). In the event Newco calls a special meeting of stockholders for the purpose of electing one or more directors to the board of directors, the stockholder must deliver such notice to the secretary at the principal executive offices of Newco not earlier than the close of business on the one hundred twentieth (120th) day prior to such special meeting and not later than the close of business on the later of the ninetieth (90th) day prior to such special meeting or the tenth (10th) day following the day on which public announcement is first made of the date of the special meeting and of the nominees proposed by the board of directors to be elected at such meeting.

In addition, under Newco's bylaws, the notice delivered by the stockholder must set forth certain information, including information regarding (a) the stockholder giving the notice and the beneficial owner, if any, on whose behalf the nomination or proposal is made; (b) each person whom the stockholder proposes to nominate for election as a director; and (c) any other business that the stockholder proposes to bring before the meeting.

Amendments to Charter:	<p>The CBCA provides that amendments to a corporation's articles of incorporation (other than certain ministerial amendments that may be made by the board of directors, without shareholder action) may be proposed by the board of directors or by the holders of shares representing at least 10% of all of the votes entitled to be cast on the amendment. The board of directors must recommend the amendment to the shareholders, unless the amendment is being proposed by the shareholders, or unless the board of directors determines that because of a conflict of interest or other special circumstances it should make no recommendation and communicates the basis for its determination to the shareholders. The adoption of the amendment requires the affirmative vote of holders of at least two-thirds of the outstanding shares of each of the Class A Stock and Class B stock entitled to vote. In addition, NWLIC's restated articles of incorporation requires the approval of at least 75% of the voting power of all outstanding Class A Stock to amend certain provisions of the restated articles of incorporation relating to the dividend and liquidation preferences of the Class A Stock.</p>	<p>Other than with respect to certain ministerial amendments that may be made by the board of directors without the approval of stockholders, the DGCL requires that the board of directors adopt a resolution setting forth any proposed amendment to Newco's restated certificate of incorporation, declaring its advisability, and that the amendment be approved by a majority of the outstanding stock entitled to vote on the amendment; additionally, the amendment must be approved by a majority of the outstanding stock of each class entitled to vote separately as a class on the amendment.</p> <p>In addition, the following sections of Newco's restated certificate of incorporation may be amended, repealed, or altered only at a meeting of the stockholders by vote of the holders of at least 66 2/3% of the shares of capital stock entitled to vote: (1) Article V-Board of Directors; (2) Article VI-Limitation of Director Liability; Indemnification and Advancement of Expenses of Directors and Officers; (3) Article VII-Matters Relating to Stockholders; and (4) Article VIII-Amendments to the Certificate of Incorporation and Bylaws. In addition, Newco's restated certificate of incorporation separately requires the approval of at least 75% of the voting power of all outstanding Class A common stock to amend certain provisions of the restated certificate of incorporation relating to the dividend and liquidation preferences of the Class A common stock.</p>
Amendments to Bylaws:	<p>Pursuant to NWLIC's bylaws, the bylaws may be altered, amended or repealed or new bylaws may be adopted by either a majority vote of the board of directors or the affirmative vote of a majority of the holders of stock entitled to vote on the matter.</p>	<p>Pursuant to Newco's restated certificate of incorporation and bylaws, the bylaws may be altered, amended or repealed or new bylaws may be adopted by (i) a majority vote of the board of directors or (ii) the affirmative vote of 66 2/3% of the shares of capital stock entitled to vote.</p>
Special Stockholders' Meetings:	<p>Under the Bylaws, special meetings of the shareholders may be called by the Chairman of the Board, the President, or the Board of Directors. Under the CBCA, special meetings of shareholders may also</p>	<p>Pursuant to Newco's bylaws, special meetings of stockholders may be called by (i) the Board of Directors, (ii) the Chairman of the Board of Directors, (iii) the President, (iv) the Chief Executive</p>

Officer, or (v) the Secretary upon the written request of the record holder(s) of at least 25% of the outstanding shares of Newco's common stock, provided that such holder(s) has continuously held such shares for a period of two years prior to the delivery of such written request for a special meeting and has complied in full with additional requirements set forth in Newco's bylaws.

Action by Consent of
Stockholders:

The CBCA and NWLIC's organizational documents, taken together, permit shareholders to take action by written consent in lieu of a meeting so long as such consent is unanimous.

As permitted under the DGCL, Newco's restated certificate of incorporation prohibits stockholder action except at an annual or special meeting of stockholders, and no action may be taken by written consent.

Indemnification of
Directors and Officers:

NWLIC's bylaws provide that NWLIC will indemnify its officers and directors against judgments, penalties (including excise and similar taxes), fines, amounts paid in settlement, and reasonable expenses actually incurred by them while serving in such capacity if they (i) conducted themselves in good faith, (ii) reasonably believed, in the case of conduct in their official capacity, that their conduct was in NWLIC's best interests and, in all other cases, that their conduct was at least not opposed to NWLIC's best interests, and (iii) in the case of any criminal proceeding, had no reasonable cause to believe that their conduct was unlawful; provided, the indemnification in connection with a proceeding brought by or on behalf of NWLIC is limited under the bylaws to the reasonable expenses (including court costs and attorney's fees) actually incurred by the officer or director in connection with the proceeding. No indemnification, however, shall be made in connection with proceedings in which the officer or director is (a) found liable on the basis that personal benefit was improperly received by him, whether or not the benefit resulted from an action taken in his official capacity, or (b) found liable to NWLIC.

Newco's bylaws provide that Newco will indemnify and hold harmless, to the fullest extent permitted by applicable law as it presently exists or may hereafter be amended, any person who was or is made or is threatened to be made a party or is otherwise involved in any threatened, pending or completed action, suit or proceeding, whether civil, criminal, administrative or investigative, including, but not limited to, serving as a witness without being named a defendant or respondent, by reason of the fact that he or she, or a person for whom he or she is the legal representative, is or was a director or officer of Newco or, while a director or officer of Newco, is or was serving at the request of Newco as a director, officer, employee or agent of another corporation, partnership, joint venture, trust or other enterprise, against all liability and loss suffered (including, but not limited to, judgments, penalties, fines, excise taxes, and amounts paid in settlement) and expenses (including attorneys' fees) reasonably incurred by such covered person. In the case of a proceeding commenced by a covered person, Newco will only be required to indemnify the covered person if commencement of the proceeding (or part thereof) by the covered person was authorized in the specific case by the board of directors.

Any such indemnification under Newco's bylaws (unless ordered by a court) may be made by Newco only as authorized in the specific case upon a determination that indemnification of the covered person is proper in the circumstances because he or she has met the applicable standard of conduct set forth in Section 145 of the DGCL. This determination must be made, with respect to the covered person: (i) by a majority vote of the directors who are not parties to such proceeding, though less than a quorum, (ii) by a committee of such directors designated by majority vote of such directors, even though less than a

quorum, (iii) if there are no such directors, or if such directors so direct, by independent legal counsel in a written opinion, or (iv) by the stockholders of Newco.

Limitation of Director Liability:	NWLIC's restated articles of incorporation does not include a provision eliminating or limiting the personal liability of a director to NWLIC or to its shareholders for monetary damages for breach of fiduciary duty as a director.	Newco's restated certificate of incorporation provides, to the fullest extent permitted by Delaware law, that directors will not be liable to Newco or its stockholders for monetary damages for breach of fiduciary duty as a director. Delaware law currently provides that personal monetary liability may not be eliminated or limited for breach of fiduciary duty that arises (a) from any breach of the director's duty of loyalty to the corporation or its stockholders; (b) from acts or omissions not in good faith or which involve intentional misconduct or a knowing violation of law; (c) under Section 174 of the Delaware General Corporation Law; or (d) from any transaction from which the director derived an improper personal benefit. The DGCL provides that if a person acquires 15% or more of the stock of a Delaware corporation, such person may not engage in transactions with the corporation for a period of three years. The statute contains exceptions to this prohibition. The prohibition on business combinations is not applicable if, for example, the board of directors approves the acquisition of stock or the transaction prior to the time that the person becomes an interested stockholder, or if the interested stockholder acquired at least 85% of the voting stock of the corporation (excluding voting stock owned by directors who are also officers and employee stock plans) in the transaction that resulted in the person becoming an interested stockholder, or if the transaction is approved by the board of directors and two-thirds of the holders of the outstanding voting stock which is not owned by the interested stockholder at a meeting of the stockholders.
Relevant Business Combination Provisions and Statutes:	The CBCA does not contain any "business combination provisions" which would serve to prevent or delay combinations with "interested shareholders."	

Merger, Consolidation,
and Sale of All or
Substantially All Assets:

Under the CBCA, a plan of merger or plan of share exchange must be approved by each voting group entitled to vote separately on the plan by a majority of all the votes entitled to be cast on the plan by that voting group. Separate voting by voting groups is required:

On a plan of merger if the plan contains a provision that, if contained in an amendment to the articles of incorporation, would require action by one or more separate voting groups on the amendment; and

On a plan of share exchange by each class or series of shares included in the share exchange, with each class or series constituting a separate voting group.

Action by the shareholders of the surviving corporation on a plan of merger is not required if:

the articles of incorporation of the surviving corporation will not differ, except for certain permitted amendments, from its articles of incorporation before the merger;

each shareholder of the surviving corporation whose shares were outstanding immediately before the merger will hold the same number of shares, with identical designations, preferences, limitations, and relative rights, immediately after the merger;

the number of voting shares outstanding immediately after the merger, plus the number of voting shares issuable as a result of the merger, will not exceed by more than twenty percent the total number of voting shares of the surviving corporation outstanding immediately before the merger; and

the number of participating shares outstanding immediately after the merger,

Under the DGCL, a merger, consolidation, or sale of all or substantially all of a corporation's assets generally must be approved by the board of directors and by a majority of the outstanding stock of the corporation entitled to vote thereon. However, there are certain exceptions. For example, no vote of stockholders of a constituent corporation surviving a merger is required, unless the corporation provides otherwise in its certificate of incorporation, if:

the merger agreement does not amend in any respect the certificate of incorporation of the constituent corporation;

each share of stock of the constituent corporation outstanding before the merger is an identical outstanding or treasury share of the surviving corporation after the merger; and

either no shares of common stock of the surviving corporation are to be issued or delivered pursuant to the merger or the authorized unissued shares or treasury shares of the surviving corporation to be issued do not exceed 20% of the shares of common stock of such constituent corporation outstanding immediately prior to the effective time of the merger.

plus the number of participating shares issuable as a result of the merger, will not exceed by more than twenty percent the total number of participating shares outstanding immediately before the merger.

Under the CBCA, a sale, lease, exchange, or other disposition of all, or substantially all, of the property of a corporation, with or without its good will, other than in the usual and regular course of business generally must be approved by each voting group entitled to vote separately on the transaction or consent by a majority of all the votes entitled to be cast on the transaction or the consent by that voting group.

Dissenters' and Appraisal Rights:

The CBCA provides shareholders (which includes record shareholders and beneficial owners) with the right to dissent and obtain payment of the fair value of the shareholder's shares in the event certain mergers, share exchanges, sales, leases, exchanges or other dispositions of all or substantially all of the property of the corporation and conversions. As a general matter, appraisal rights are not available with respect to shares:

listed on a national securities exchange, or held of record by more than 2,000 shareholders,

unless holders of shares will receive for the shareholder's shares, pursuant to the corporate action, anything except:

shares of the corporation surviving the consummation of the plan of merger or share exchange,

shares of Shares of any other corporation which, at the effective date of the plan of merger or share exchange, will be:

listed on a national securities exchange, or

held of record by more than 2,000 holders,

cash instead of fractional shares of stock; and

any combination of the foregoing described shares or cash in lieu of fractional shares.

Shareholders also may dissent in the case of a reverse stock split that reduces the number of shares owned to a fraction of a share or to scrip if such scrip is to be acquired for cash or voided.

The DGCL provides record stockholders of a corporation involved in a merger or consolidation the right to demand and receive payment in cash of the fair value of their stock in certain mergers and consolidations if the stockholder continuously holds such shares through the effective date of the merger or consolidation and has neither voted in favor of the merger or consolidation nor consented thereto in writing. As a general matter, appraisal rights are not available with respect to shares:

listed on a national securities exchange, or

held of record by more than 2,000 stockholders,

unless holders of shares are required to accept in the merger or consolidation anything other than any combination of:

shares of stock of the surviving corporation in the merger or consolidation or depository receipts in respect thereof,

shares of stock (or depository receipts in respect thereof) of another corporation that, at the effective date of the merger or consolidation, will be:

listed on a national securities exchange, or

held of record by more than 2,000 holders,

cash instead of fractional shares of stock or fractional depository receipts received, and

any combination of the shares of stock, depository receipts and cash in lieu of fractional shares or fractional depository receipts described in the foregoing paragraphs.

Franchise Tax:

There is no franchise tax in Colorado.
There is a nominal annual fee assessed to maintain the good standing of a corporation in the State of Colorado.

The DGCL requires corporations to pay franchise tax annually. The amount of such franchise tax will be significantly more than the nominal annual fee NWLIC is paying in Colorado.

PROPOSAL 2: ELECTION OF DIRECTORS

Our Restated Articles of Incorporation and Restated Bylaws provide that the Board of Directors shall consist of a minimum of seven directors and a maximum of twenty-seven directors. The Board of Directors currently consists of 10 members. A Board of Directors composed of 10 persons is recommended by the Board of Directors to be elected at the 2015 Annual Meeting to serve until the next Annual Meeting of Shareholders, or until their successors have been duly elected and qualified. Article 4 of the Restated Articles of Incorporation of the Company provides that the Class A shareholders shall have the exclusive right to elect one-third of the Board of Directors, plus one director for any remaining fraction, and that the Class B shareholders shall have the exclusive right to elect the remaining members of the Board of Directors. Accordingly, the Board of Directors recommends the election of four Class A nominees and six Class B nominees indicated below. A plurality of each class of stock voting separately will be necessary to elect the directors of that particular class. It is the intention of the persons named in the enclosed proxy to vote for the nominees of the particular class, unless the proxy has been marked to withhold authority to vote for the nominees. The Restated Articles of Incorporation of the Company do not permit cumulative voting for directors.

It is the intention of the persons named in the proxy, in the absence of a contrary direction, to vote FOR the election of each of the 10 persons named in this proxy statement as nominees for director for a one-year term expiring at the 2016 Annual Meeting of Shareholders or until their successors are duly elected and qualified or until their earlier death, resignation, or removal.

Nominees for the Board of Directors

Our nominees for the election of directors include three independent directors, as defined by the NASDAQ Listing Rules and determined by the Board of Directors, and three members of our senior management. The names of the nominees for election as a director to serve until the 2016 Annual Meeting of Shareholders, or until their earlier resignation or removal, and certain additional information with respect to each of them, are set forth below. The nominees have consented to be named in this proxy statement and to serve as directors, if elected. Except as indicated in "Relationships among Directors and Executive Officers" below, there are no family relationships among any of our executive officers or the director nominees.

If, at the time of or prior to the Annual Meeting, any of the nominees is unable or declines to serve, the persons named as proxies may use the discretionary authority provided in the proxy to vote for a substitute or substitutes designated by the Board of Directors. If the proxy has been marked to withhold authority to vote for the nominees, the proxy will not then be voted either for or against such substitute nominees. The Board of Directors has no reason to believe that any substitute nominee or nominees will be required.

INFORMATION RELATING TO OUR BOARD OF DIRECTORS AND CERTAIN COMMITTEES OF OUR BOARD OF DIRECTORS

The Board of Directors

Our business is managed through the oversight and direction of our Board of Directors. The Board of Directors currently has ten members.

Meetings of the Board of Directors

During 2014, the Board of Directors held a total of seven meetings. In addition to meetings, the Board of Directors acts by written consent from time to time and did so once during 2014. All of the current directors that were members of the Board of Directors during 2014 attended more than 75% of the meetings. Each such director attended more than 75% of the meetings of the committees of which he is a member that were held during 2014.

Attendance at Annual Meetings of Shareholders

We encourage but do not require our Board members to attend the annual meeting of shareholders. Eight of the then current members of the Board of Directors attended the 2014 annual meeting of shareholders.

Board Leadership / Affirmative Determinations Regarding Director Independence

The Company is a "Controlled Company" as defined in NASDAQ Listing Rule 5615(c)(1) and is exempt from the requirement to have a majority of the members of its Board of Directors as independent directors. The Company qualifies as a Controlled Company because more than 50% of the voting power for the election of directors is held by Robert L. Moody.

The Board of Directors does not currently separate the role of Chairman of the Board from the role of Chief Executive Officer (both of which are held by Robert L. Moody) because it believes that this structure currently provides the most efficient and effective leadership model for the Company. The Company does not have a separate lead director. The Board of Directors has affirmatively determined that each of Messrs. Stephen E. Glasgow, Louis E. Pauls, Jr., and E. J. Pederson are "independent directors" as such term is defined in NASDAQ Listing Rule 5605(a)(2). These independent directors met in executive session on two separate occasions during 2014.

If all nominees are elected at the Annual Meeting, Stephen E. Glasgow, Louis E. Pauls, Jr., and E. J. Pederson will be the sole members of the compensation and stock option and audit committees. The Board of Directors has also affirmatively determined that each such member of these committees satisfies the independence requirements applicable to audit and compensation committees as prescribed by the NASDAQ Listing Rules and the rules and regulations of the SEC. Robert L. Moody, Ross R. Moody, and Charles D. Milos are not “independent directors” because they are our Chairman of the Board and Chief Executive Officer, President and Chief Operating Officer, and Senior Vice President - Mortgage Loans and Real Estate, respectively. Ann M. Moody, Frances A. Moody-Dahlberg, Russell S. Moody, and E. Douglas McLeod are not “independent directors” because they are Family Members, as defined by NASDAQ Listing Rule 5605(a)(2), of an individual who is employed by the Company as an Executive Officer.

Risk Management

Similar to other insurers, the Company is exposed to a wide spectrum of financial, operational, and other risks. Effective enterprise risk management is a key concern for identifying, monitoring, measuring, communicating, and managing risks within limits and risk tolerances. The Company's Board of Directors and senior management are knowledgeable of and accountable for key risks. The Board meets at least every other month and regularly hears reports from the President and Chief Operating Officer, the Chief Financial Officer, the Chief Actuary, the Chief Investment Officer, and the Chief Legal Officer. In addition, the Board has several committees which include the Audit Committee, the Investment Committee, and the Compensation and Stock Option Committee that regularly convene to address various aspects of risk.

The Company maintains several management groups and committees that meet regularly to monitor, discuss, and manage a variety of issues and risks associated with the business. These groups and committees include numerous areas such as regulatory compliance, financial reporting process and controls, fraud unit investigations, product spread management, and business strategy. Key members of senior management are involved with these groups and committees providing direction and oversight and serve as a reporting liaison with the Company's Board of Directors and sub-committees.

Committees of the Board of Directors

Our Board of Directors has the following standing, separately-designated committees: (i) an Executive Committee, (ii) an Audit Committee; (iii) an Investment Committee, and (iv) a Compensation and Stock Option Committee. Information regarding each of the committees is set forth below.

The Chairman of the Board serves as Chairman of the Executive Committee. Robert L. Moody, Ross R. Moody, and Charles D. Milos are members of the Executive Committee and Robert L. Moody, as Chairman of the Board, serves as Chairman of the Executive Committee. During 2014, the Executive Committee held five meetings and acted once via unanimous written consent.

Audit Committee

The Audit Committee of the Board of Directors consists of three non-employee directors. Pursuant to the NASDAQ Listing Rules and federal securities laws, all of the members of the Audit Committee are independent. The committee is primarily responsible for oversight of the Company's financial statements and controls; assessing and ensuring the independence, qualifications, and performance of the independent auditors; appointing and retaining the independent auditors; approving the independent auditor's services and fees; reviewing and approving all related party transactions; reviewing potential conflict of interest situations where appropriate; overseeing and directing internal audit activities; reviewing the Company's financial risk assessment process and ethical, legal, and regulatory compliance programs; and reviewing and approving the annual audited financial statements for the Company before issuance. Stephen E. Glasgow, Louis E. Pauls, Jr. and E. J. Pederson are members of the Audit Committee. Louis E. Pauls, Jr. serves as Chairman of the Audit Committee. The Audit Committee Charter is available in the Financial Information section on the Company's website at www.nationalwesternlife.com. During 2014, the Audit Committee held 11 meetings.

The Board of Directors has determined that Mr. E. J. Pederson is an "Audit Committee Financial Expert" as defined by the Securities Exchange Act of 1934, as amended, and as noted above Mr. Pederson is an independent director. Additionally, both Mr. Glasgow and Mr. Pauls are financially literate and are able to read and understand financial statements, including a company's balance sheet, income statement, and cash flow statement.

Stephen E. Glasgow, Louis E. Pauls, Jr., and E. J. Pederson serve as members of the Compensation Committee and E. J. Pederson serves as Chairman of the Committee. The Compensation Committee’s report on executive compensation is included under the heading “Compensation Committee Report,” below. The Compensation Committee, which held five meetings and acted once via unanimous written consent during 2014, does not have a charter.

DIRECTOR NOMINATIONS

The Company is a “Controlled Company” as defined in NASDAQ Listing Rule 5615(c)(1) and is exempt from the requirement that its independent directors oversee the director nomination process. Therefore, the Company’s Board of Directors in aggregate oversees the director nomination process.

In evaluating potential director candidates, the Board of Directors considers the appropriate balance of experience, skills, and characteristics required of the Board of Directors. The Board of Directors selects director nominees based on their personal and professional integrity, depth and breadth of experience, ability to make independent analytical inquiries, understanding of and familiarity with our business, willingness to devote adequate attention and time to duties of the Board of Directors, and such other criteria as is deemed relevant by the Board of Directors. The Company’s Board of Directors believes that the backgrounds and qualifications of the directors, considered as a group, should provide a diverse mix of experience, knowledge, viewpoints, and skills. The Board of Directors considers the effectiveness of this policy and the effectiveness of the Board of Directors generally in the course of nominating directors for election.

In identifying potential director candidates, the Board of Directors relies on recommendations made by current directors and officers. In addition, the Board of Directors may engage a third party search firm to identify and recommend potential candidates. Finally, the Board of Directors will consider candidates recommended by shareholders.

Any shareholder wishing to recommend a director candidate for consideration by the Board of Directors in connection with the 2016 annual meeting of shareholders must provide written notice not later than January 5, 2016 to the Corporate Secretary at our principal executive offices located at 850 East Anderson Lane, Austin, Texas 78752. Assuming that a shareholder recommendation contains the information required above, the Board of Directors will evaluate a candidate recommended by a shareholder by following substantially the same process, and applying substantially the

same criteria, as for candidates identified through other sources.

Compensation Discussion and Analysis

Purpose

This Compensation Discussion and Analysis (CD&A) is intended to explain to shareholders how the Company's compensation program is designed and how it operates with respect to our Named Executive Officers, or NEOs, (CEO, CFO, and the Company's three other most highly paid executives in 2014). It first describes our executive compensation philosophy and how we design our compensation program, with a discussion focusing on the main elements. We then detail and analyze the resultant compensation of our Named Executive Officers.

The Compensation Committee is appointed by and serves at the discretion of the Board of Directors. The Compensation Committee consists of three members who meet the independence requirements of the listing standards of NASDAQ. The purpose of the Compensation Committee is to discharge the Board of Directors' responsibilities for reviewing and establishing the compensation not just for the NEOs but for all of the Company's officers. These compensation elements include base salary, annual incentive bonuses, discretionary bonuses and awards, stock option and stock appreciation right grants, and any other officer compensation arrangements. The Committee annually reviews and evaluates the executive compensation program to ensure that the program is aligned with the Company's compensation philosophy and performance.

To assist the Compensation Committee with its responsibilities, it is supported by the Company's Human Resources, Legal, and Financial departments. The Compensation Committee may retain, and has retained, independent compensation consultants who report directly to the members of the Compensation Committee. Meetings of the Compensation Committee are scheduled during the year with additional meetings on an as-necessary interim basis and include sessions without members of management present. The Compensation Committee reports to the Board of Directors on its actions and recommendations.

The Compensation Committee also considers the advice of Mr. Ross R. Moody, our President and Chief Operating Officer, concerning executive officers and key employees other than himself and Mr. Robert L. Moody. Specifically, Mr. Ross R. Moody annually reviews the performance of key employees and each executive officer other than himself and Mr. Robert L. Moody. The conclusions reached and recommendations based on these reviews, including with respect to salary adjustments and annual award amounts, are presented to the Compensation Committee. The Board of Directors and the Compensation Committee exercise their discretion in setting compensation or in modifying any recommended adjustments or awards to executives.

Compensation Philosophy and Objectives

The Company's overall philosophy in setting compensation policies is to align pay with performance while at the same time providing a competitive compensation that allows the Company to retain and attract talented individuals. Within this overall philosophy, the Compensation Committee has adopted several key principles to help guide compensation decisions for executive officers:

- Provide a competitive total compensation package so the Company can attract, retain, and motivate talented individuals;

- Tie compensation in part to overall Company financial performance through variable bonus awards so that executives are held accountable through their compensation for the performance of the business thus maintaining a certain amount of compensation at risk;

-

Tie compensation in part to the Company's stock performance through stock options and stock appreciation rights to align executives' interests with those of the Company's shareholders; and

• Maintain a committee of the Board of Directors independent of senior management that may engage independent compensation consultants as needed to review and establish compensation for executive officers.

Based upon our review of the executive compensation arrangements as detailed in the following sections, the Compensation Committee believes that the compensation program does not encourage executives to take unreasonable risks that may harm shareholder value. This is achieved by striking an appropriate balance between short-term and long-term incentives, using a diversity of metrics to assess performance under our incentive programs, placing caps on our incentive award payout opportunities, and using long-term incentives following equity practices that limit the potential for timing awards.

Elements of Executive Compensation

Officer compensation arrangements, including executive officers, are reviewed and approved annually by the Compensation Committee. The Compensation Committee focuses primarily on the following components in forming the total compensation package for each Company executive officer:

- Base salary;
- Annual cash incentive bonus based on Company performance versus predetermined targets;
- Discretionary cash bonus based upon individual performance; and
- Long-term incentive compensation in the form of stock options and stock appreciation rights.

The mix of executive compensation elements is based upon a philosophy of correlating a portion of executive compensation with the Company's financial results and stock performance thus putting a segment of executive officer annual and long-term compensation at-risk. This structure provides upside potential and downside risk for senior executive positions in recognition that these roles have greater influence on the Company's performance. The Compensation Committee believes that these factors, together with a balance of cash and equity awards, and short-term and long-term incentives, help ensure that our compensation program does not create risks that are reasonably likely to have a material adverse effect on the Company.

Compensation Consultant; Peer Group

To ensure that compensation levels are reasonably competitive with market rates, the Compensation Committee engages independent compensation consultants from time-to-time to conduct a survey of executive compensation in a defined group of companies comparable to the Company. The surveyed companies are selected based on similar products and product lines, comparable financial size in terms of assets and revenues, and other known competitive factors. Elements of this process were most recently completed during calendar years 2014, 2010, and 2008. The primary focus of the 2014 and 2010 surveys conducted by Frederic W. Cook & Company, Inc. was upon incentive compensation plan designs while the 2008 survey performed by Towers Perrin was upon base salaries and total compensation data for the various officer positions and levels in order to target current and future appropriate compensation levels. The Compensation Committee's past practice has been to generally target base salaries between the 25th and 75th percentile range of the identified peer group.

For the most recent survey, the Company engaged independent compensation consultants, Frederic W. Cook & Company, Inc., to analyze the Company's incentive compensation programs for officers relative to other public insurance companies considered comparable. Companies included as benchmarks for this analysis included American Equity Investment Life, Citizens Insurance Company, CNO Financial, Delphi Financial, FBL Financial Group, Kansas City Life Insurance, Lincoln National, Presidential Life, Protective Life, Stancorp Financial, and Torchmark, among others. The findings of this survey were incorporated into the Company's various incentive compensation programs for officers for calendar years 2013, 2014, and 2015.

In addition to market information, the Compensation Committee also subjectively reviews and evaluates the level of performance of the Company and of each officer. In approving salary and incentive compensation for individuals other than the Chief Executive Officer and the President and Chief Operating Officer, the Compensation Committee considers recommendations from these two individuals concerning the other Company officers incorporating such factors as individual performance, the scope and complexity of their current responsibilities, length of time in their current positions, value of the executive's position to the market, and difficulty of replacement of the officer. This

evaluation focuses most heavily on the base salary levels for each officer.

Annual Incentive Compensation

For executive officer positions, the Compensation Committee has determined that annual incentive bonuses are an integral part of the executive's compensation package as the cash bonuses create a direct link between executive compensation and individual and business performance. Consequently, there are four bonus programs in effect which are reviewed and approved annually by the Compensation Committee. The Compensation Committee has approved incentive bonus programs for 2015 incorporating the survey results mentioned previously. The 2014 Bonus Programs were as follows:

Executive Officer Bonus Program

Domestic Marketing Officer Bonus Program

International Marketing Officer Bonus Program

Officer Bonus Program

Executive Officer Bonus Program. The participants in the Executive Officer Bonus Program (“Executive Bonus”) are the Chairman and Chief Executive Officer (Mr. Robert L. Moody) and the President and Chief Operating Officer (Mr. Ross R. Moody). In order to tie the compensation under the program with the Company’s financial performance, the Executive Bonus includes metrics associated with the Company’s annual sales performance, expense management, and profitability. In accordance with the program, the Compensation Committee set performance targets for each metric at various levels equating to various bonus level percentages as follows:

Financial Performance Metric	Bonus % Range*
Sales	0% to 28.5%
Expense Management	0% to 27.5%
Profitability	0% to 38.0%

*Max aggregate bonus is 75% of the participant’s base salary.

The sum of the achieved bonus percentages for each metric, subject to a maximum aggregate percentage of 75%, is applied to the base salary approved by the Compensation Committee for each participant to determine the earned bonus amount. The profitability metric is based upon the Company’s audited financial statements for the year. Bonus awards are generally paid in the year following the annual financial performance concurrent with the completion of the Company’s audit of the year-end financial statements and approval of the award amounts by the Compensation Committee. Accordingly, the Executive Bonus payments made in 2014 were based upon the results achieved for 2013 financial performance metrics established by the Compensation Committee and the Executive Bonus payments earned based on 2014 financial performance were paid in March 2014. The bonus percentage achieved under the program was 68.0% and 69.5% in 2014 and 2013 of the participant’s base salary, respectively. The 2014 bonus percentage achieved was comprised of 13.0% for Sales, 25.0% for Expense Management, and 30.0% for Profitability as shown in the following table.

Financial Performance Metric	Target Level	Achieved Level	Bonus %	
Annuity Sales	\$800.0 million	\$816.5 million	7.50	%
International Life Sales	\$23.5 million	\$17.4 million	0.00	%
Domestic Life Sales	\$25.8 million	\$25.2 million	5.50	%
Total Sales Metric			13.00	%
Expense Management	100% actual/target	98.1% actual/target	25.00	%
Profitability	0.90 - 1.05% ROA	0.956% ROA	30.00	%
Total Bonus Percentage			68.00	%

For information regarding awards made in 2014 to our Named Executive Officers, see the Summary Compensation Table on page 50.

Domestic Marketing Officer Bonus Program. Participants in the Domestic Marketing Officer Bonus Program (“Domestic Bonus”) are all domestic marketing officers including assistant vice presidents, vice presidents, and the senior vice president (Mr. S. Christopher Johnson). As these individuals are most able to influence the outcome of the Company’s financial performance in terms of sales, the program is heavily weighted toward this metric. The measures

associated with this program include the Company's annual sales performance, persistency of policies sold, and expense management. These measures were incorporated into the program to award not only the amount of sales but the quality of sales and the management of the costs incurred to acquire the business sold. Unlike the Executive Bonus, the Domestic Bonus metrics assume a targeted level of performance or "par" level to which the Compensation Committee assigned a targeted bonus percentage in order to reflect a disproportionate weighting of the potential bonus award toward the sales metric. If the targeted par level for each metric is attained, the sum of the metrics is equal to a bonus percentage of 100% which is applied to the average weighted base salary of each vice president and senior vice

president participant while one-half, or 50%, is applied to the average weighted base salary of each assistant vice president participant as approved by the Compensation Committee. The performance metrics set by the Compensation Committee equating to various bonus level percentages under the program are as follows:

Financial Performance Metric	Par Bonus Level	Bonus % Range
Sales	75%	0% to no limit
Persistency	15%	0% to 30%
Expense Management	10%	0% to 15.0%

The Domestic Bonus also differs from the Executive Bonus in that the composite bonus percentage is not subject to a cap and bonus amounts may be advanced quarterly based upon the year-to-date results achieved. Life insurance sales metric amounts under the program above the par level increase incrementally with an additional bonus percentage added for every increment of additional life insurance sales established by the Compensation Committee (annuity sales are subject to a cap). However, if the aggregate sum of the three performance metrics exceeds 100%, the bonus award paid at the end of the calendar year is limited to 100% for each participant. The bonus percentage above 100% is applied to the weighted average base salaries of all participants to create a pool which is paid out to participants in the subsequent calendar year based upon the recommendation of the Domestic Marketing senior vice president and subject to approval by the President and Chief Operating Officer. The Domestic Bonus percentage achieved under the program was 57.5% and 137.0% in 2014 and 2013, respectively. The 2014 bonus percentage achieved was comprised of 30.0% for Sales, 12.5% for Persistency, and 15.0% for Expense Management as shown in the following table.

Financial Performance Metric	Target Level	Achieved Level	Bonus %	
Annuity Sales	\$800.0 million	\$816.5 million	30.00	%
Domestic Life Sales	\$23.5 million	\$17.4 million	0.00	%
Total Sales Metric			30.00	%
Annuity Persistency	100.0%	101.1%	7.50	%
Domestic Life Persistency	100.0%	99.2%	5.00	%
Total Persistency Metric			12.50	%
Expense Management	100% actual/target	90.6% actual/target	15.00	%
Total Bonus Percentage			57.50	%

For information regarding awards made in 2014 to our Named Executive Officers, see the Summary Compensation Table on page 50.

International Marketing Officer Bonus Program. Participants in the International Marketing Officer Bonus Program (“International Bonus”) are all international marketing officers including assistant vice presidents, vice presidents, and the senior vice president. The International Bonus is identical in format to the Domestic Bonus with the exception that the metric targets established by the Compensation Committee are customized for the differences between the domestic and international lines of business. The performance metrics set by the Compensation Committee equating to various bonus level percentages under the program are as follows:

Financial Performance Metric	Par Bonus Level	Bonus % Range
Sales	75%	0% to no limit
Persistency	15%	0% to 30%
Expense Management	10%	0% to 15%

All other features are similarly administrated. The International Bonus percentage achieved under the program was 62.5% and 82.5% in 2014 and 2013, respectively. The 2014 bonus percentage achieved was comprised of 45.0% for Sales, 15.0% for Persistency, and 2.5% for Expense Management as shown in the following table.

Financial Performance Metric	Target Level	Achieved Level	Bonus %	
International Life Sales	\$25.8 million	\$25.2 million	45.00	%
Persistency	100.0%	101.4%	15.00	%
Expense Management	100% actual/target	105.7% actual/target	2.50	%
Total Bonus Percentage			62.50	%

Officer Bonus Program. Participants in the Officer Bonus Program (“Officer Bonus”) are all officers not otherwise included in any of the other three officer bonus programs and include the Named Executive Officer positions of Senior Vice President, Chief Financial Officer and Treasurer (Mr. Brian Pribyl), and Senior Vice President, Mortgage Loans and Real Estate (Mr. Charles Milos). The Officer Bonus is essentially comparable to the Executive Bonus, except for the bonus award percentages, incorporating three measurable performance metrics associated with the Company’s annual sales performance, expense management, and profitability. Bonus award percentages for vice presidents in the Plan are one-half of the percentages for senior vice presidents while bonus award percentages for assistant vice presidents are one-quarter of the senior vice president bonus percentages. In accordance with the program, the Compensation Committee set performance targets for each metric at various levels equating to various bonus level percentages as follows (senior vice president percentages shown):

Financial Performance Metric	Bonus % Range
Sales	0% to 9.0%
Expense Management	0% to 10.0%
Profitability	0% to 21.0%

The sum of the achieved bonus percentages for each metric, subject to a maximum aggregate percentage of 30%, 15% and 7.5% for senior vice presidents, vice presidents, and assistant vice presidents, respectively, is applied to the base salary for each participant approved by the Compensation Committee to determine the earned bonus amount. Like the Executive Bonus, the profitability metric is based upon the Company’s audited financial statements for the year. Bonus awards are generally paid in the year following the annual financial performance concurrent with the completion of the Company’s audit of the year-end financial statements and approval of the award amounts by the Compensation Committee. Accordingly, the Senior Vice President Bonus payments in 2014 were primarily based upon the results achieved for 2013 financial performance metrics established by the Compensation Committee. The bonus percentage for senior vice presidents achieved under the program was 28.25% and 26.00% in 2014 and 2013, respectively. The 2014 senior vice president bonus percentage achieved is comprised of 4.50% for Sales, 8.75% for Expense Management, and 15.00% for Profitability as shown in the following table.

Financial Performance Metric	Target Level	Achieved Level	Bonus %	
Annuity Sales	\$800.0 million	\$816.5 million	2.50	%
International Life Sales	\$25.8 million	\$25.2 million	2.00	%
Domestic Life Sales	\$23.5 million	\$17.4 million	0.00	%
Total Sales Metric			4.50	%
Expense Management	100% actual/target	98.1% actual/target	8.75	%
Profitability	0.95 - 1.05% ROA	0.956% ROA	15.00	%
Total Bonus Percentage			28.25	%

For information regarding awards made in 2014 to our Named Executive Officers, see the Summary Compensation Table on page 50.

Discretionary Bonus Awards

The Compensation Committee considers from time-to-time circumstances which merit the need to recognize outstanding performance in the form of a discretionary bonus. Although many of these situations may be deemed within the normal responsibilities of officers, the Compensation Committee on occasion may provide one-time recognition bonuses to identified officers where the demands of the situation and the results of the effort warrant such recognition. There were no discretionary bonuses awarded in 2014.

Long-Term Incentive Compensation

Under the Company's 1995 Stock and Incentive Plan and 2008 Incentive Plan, the Compensation Committee provides Company officers with long-term incentive awards through grants of stock options or stock appreciation rights ("SARs") directly aligning the interest of the officers with shareholder interests. The stock options and SARs have a graded five-year vesting period that begins on the third anniversary date of the grant in order to promote a long-term perspective and to encourage key employees to remain at the Company. All options and SARs to date have been granted at the fair market value of the Company's Class A Stock on the date of the grant. The Compensation Committee believes that stock options and SARs are inherently performance-based and a form of at-risk compensation since the recipient does not benefit unless the Company's common stock price subsequently rises.

The Compensation Committee is responsible for determining the recipients of the grants, when the grants should be made, and the number of shares to be granted. The size of the awards generally reflect each officer's position relative to other officers in the Company with consideration to total compensation targets obtained from the peer group information previously discussed. In addition, as is the case with base salaries, the Compensation Committee considers the grant recommendations of the Chairman and Chief Executive Officer and the President and Chief Operating Officer for other Company officers.

The Compensation Committee may consider granting stock options at any time but generally coordinates the issuance of grants concurrent with its annual review of officer compensation. There were no stock options or SARs granted during 2014.

The general practice of the Compensation Committee has been to make grant awards every two to four years. Prior to 2014, the last grant awards were made in December of 2013 and the four previous grant awards were made in April 2004, April 2008, February 2009, and December 2011.

The Compensation Committee has followed a practice of allocating grant awards based upon the level of the officer receiving the award with each officer level receiving an identified proportionate share. Historically, the Chairman of the Board and Chief Executive Officer has been allotted 25% to 35% of the total grant award and the President and Chief Operating Officer 15% to 25% of the total grant. Officers at the senior vice president level receive the same number of grant awards while officers at the vice president and assistant vice president levels receive the same number of grant awards, respectively, although at a lesser amount than that of the senior vice presidents.

Retirement and Other Benefits

The Company's executive officers are eligible to participate in the health and welfare, 401(k), and defined benefit retirement benefit plans that are offered to other Company employees (the Company's qualified defined benefit pension plan was frozen as of December 31, 2007). In addition, if eligible, executive officers may participate in the following plans:

Group Excess Benefit Plan

Company officers at the senior vice president level and above, including named executive officers, as well as those hired or promoted to the vice president level prior to May 1, 2007, are eligible to participate in a group excess benefit plan which supplements the Company's core medical insurance plan. Administered by an affiliated third party insurer, the group excess benefit plan provides coverage for co-pays, deductibles, and other out-of-pocket expenses not covered by the core medical insurance plan. Offering such a plan to the selected Company officer levels is viewed as a key component of the overall compensation strategy for attracting and retaining talented executive officers. The benefits provided to each named executive officer are reported in the "All Other Compensation Column" of the Summary Compensation Table.

Non-Qualified Defined Benefit Plan

This plan covers those officers of the Company who were in a senior vice president position or above prior to 1991. The plan provides retirement benefits to those individuals affected by the revisions to the Company's qualified defined benefit pension plan

precipitated by the limitations imposed by Internal Revenue Code Section 401(a)(17) and 415. As of December 31, 2014 and 2013, the active officers participating in this plan were Mr. Robert L. Moody and Mr. Charles Milos. Benefits associated with this plan are disclosed in the Pension Benefits table in the Pension Benefits section.

Non-Qualified Deferred Compensation Plan

This plan allows Company senior officers, including named executive officers, to defer payment of a percentage of their compensation and to provide for up to a 2% matching and 2% profit sharing contribution on plan compensation that exceeds certain qualified plan limits, and additional Company discretionary matching contribution of up to 2% of plan compensation. Company contributions are subject to a vesting schedule based upon each officer's years of service. Benefit information associated with this plan is disclosed in the Non-Qualified Deferred Compensation table below and Company contributions are included in the "All Other Compensation" column in the Summary Compensation Table. Robert L. Moody does not participate in this plan.

Non-Qualified Defined Benefit Plan for Robert L. Moody

This plan specifically covers the Company's Chairman of the Board and Chief Executive Officer, Mr. Robert L. Moody, and is intended to supplement the retirement benefits of the Non-Qualified Defined Benefit Plan, mentioned above, that were limited by the American Jobs Creation Act of 2004. Mr. Moody's benefits associated with this plan are disclosed in the Pension Benefits table in the Pension Benefits section.

Non-Qualified Defined Benefit Plan for the President of National Western Life Insurance Company

Similar to the immediately preceding plan, this plan specifically covers the Company's President and Chief Operating Officer, Mr. Ross R. Moody, and is intended to provide retirement benefits that comply with the American Jobs Creation Act of 2004. Mr. Moody's benefits associated with this plan are disclosed in the Pension Benefits table in the Pension Benefits section.

National Western Life Insurance Company Retirement Bonus Program for Robert L. Moody

This program provides an annual payment to Mr. Robert L. Moody equal to 2% of his compensation and is not correlated in any manner to individual or Company performance. For reporting and disclosure purposes, the payment made in 2014 related to 2013 compensation is included in the "Non-Equity Incentive Plan Compensation" column of the Summary Compensation table. The payment earned in 2014 was paid in 2015.

Postretirement Benefits

The Company's basic health plan and group excess benefit plan have a provision for individuals serving in the positions of Chairman of the Board or President for seven years or more subsequent to 1980 to continue to receive lifetime health benefits for themselves and their dependents upon retirement. Mr. Robert L. Moody and Mr. Ross R. Moody currently meet this eligibility criteria.

Perquisites and Other Personal Benefits

The Compensation Committee periodically reviews executive officer perquisites and other benefits based upon information supplied to it by the Company's Human Resources, Legal, and Financial departments. In addition to base salaries and annual and long-term bonus incentives, the Company provides its executive officers with certain and varying perquisites and benefits.

The perquisites and personal benefits provided to each named executive officer are reported in the “All Other Compensation Column” of the Summary Compensation Table included in this Compensation Discussion and Analysis and are described in further detail in the footnotes to that table.

Stock Ownership Guidelines

The Company requires that its directors be shareholders, but the Company does not require its directors or executive officers to own a particular amount of the Company’s common stock and accordingly has not established a set of stock ownership guidelines. The Compensation Committee is satisfied that the long-term incentive compensation offered to directors and officers in the form of stock options and SARs adequately aligns this group’s interest with those of the Company’s shareholders.

Employment Agreements

The Company does not utilize employment agreements with its executive officers or other employees. The Company's practice has been to issue offer letters to executive officer candidates when recruited to their positions. In addition to outlining the executive officer's responsibilities, each offer letter specifies the beginning base salary and eligibility for any additional compensation programs overseen by the Compensation Committee. Accordingly, the Company does not have any contractual obligations to its executive officers for severance payments in connection with any termination or change-in-control.

Financial Restatements

The Compensation Committee has not formally adopted a policy with respect to whether retroactive adjustments to any form of compensation paid under arrangements for executive officers will be made where the prior payment was related to financial results of the Company that are subsequently restated. As this situation has not previously been experienced, the Compensation Committee believes that such an issue is best addressed at the time it occurs and all facts and circumstances surrounding the restatement are known.

Tax and Accounting Treatment of Compensation

Section 162(m) of the Internal Revenue Code generally disallows a tax deduction to public corporations for non-performance based compensation over \$1 million paid in any one year to each of the individuals who were, at the end of the year, the corporation's chief executive officer and the four other most highly compensated executive officers. Except for the Chairman and Chief Executive Officer of the Company, the levels of non-performance based salary, bonus, and other compensation paid do not typically exceed this level.

The Compensation Committee reserves the right to award compensation to executive officers that may not qualify under Section 162(m) as deductible compensation, however, it will continue to consider all elements of cost to the Company of providing such compensation, including the potential impact, if any, of Section 162(m).

The Company accounts for long-term incentive compensation in the form of stock options and SARs to executive officers under GAAP guidance which requires the Company to estimate and expense each award of equity compensation over the service period of the award. Other accounting guidance requires that cash compensation be recorded as an expense at the time the obligation is accrued.

Pension Plan. The qualified defined benefit plan covers substantially all employees and officers of the Company and provides benefits based on the participant's years of service and compensation. The Company makes annual contributions to the plan that complies with the minimum funding provisions of the Employee Retirement Income Security Act. Annual pension benefits for those employees who became eligible participants prior to January 1, 1991, are generally calculated as the sum of the following:

(a)50% of the participant's final 5-year average annual eligible compensation at December 31, 1990, less 50% of their primary social security benefit determined at December 31, 1990; this net amount is then prorated for less than 15 years of benefit service at normal retirement date. This result is multiplied by a fraction which is the participant's years of benefit service at December 31, 1990, divided by the participant's years of benefit service at normal retirement date.

57

(b)1.5% of the participant's eligible compensation earned during each year of benefit service after December 31, 1990 and through December 31, 2007.

Annual pension benefits for those employees who become eligible participants on or subsequent to January 1, 1991, are generally calculated as 1.5% of their compensation earned during each year of benefit service through December 31, 2007.

On October 19, 2007, the Company's Board of Directors approved an amendment to freeze the Pension Plan as of December 31, 2007. The freeze ceased future benefit accruals to all participants and closed the Plan to any new participants. In addition, all participants became immediately 100% vested in their accrued benefits as of that date. Accordingly future pension expense is projected to be minimal.

Non-Qualified Defined Benefit Plan. This plan covers officers of the Company who were in the position of senior vice president or above prior to 1991. The plan provides benefits based on the participant's years of service and compensation. No minimum funding standards are required.

The benefit to be paid pursuant to this plan to a participant, other than the Chairman of the Company, who retires at his normal retirement date shall be equal to (a) minus (b) minus (c), but the benefit may not exceed (d) minus (b) where:

(a)is the benefit which would have been payable at the participant's normal retirement date under the terms of the Pension Plan as of December 31, 1990, as if that plan had continued without change and without regard to Internal Revenue Code Section 401(a) (17) and 415 limits, and,

(b)is the benefit which actually becomes payable under the terms of the Pension Plan at the participant's normal retirement date, and,

(c)is the actuarially equivalent life annuity which may be provided by an accumulation of 2% of the participant's compensation for each year of service on and after January 1, 1991, accumulated at an assumed interest rate of 8.5% to the participant's normal retirement date, and,

(d)is the benefit which would have been payable at the participant's normal retirement date under the terms of the Pension Plan as of December 31, 1990, as if that plan had continued without change and without regard to Internal Revenue Code Section 401(a)(17) and 415 limits, except that the proration over 15 years shall instead be calculated over 30 years.

The Chairman of the Company, Robert L. Moody, is currently receiving in-service benefits from this plan. The benefit that Mr. Moody began receiving as of his normal retirement date pursuant to the plan was equal to (a) minus (b) minus (c) where:

(a)was his years of service (up to 45), multiplied by 1.66667%, and then multiplied by the excess of his eligible compensation over his primary social security benefit under the terms of the Pension Plan as of December 31, 1990, as if that plan had continued without change and without regard to Internal Revenue Code Section 401(a) (17) and 415 limits, and,

(b)was the benefit payable to him under the terms of the Pension Plan, and,

(c)was the actuarially equivalent life annuity provided by an accumulation of 2% of his compensation for each year of service on and after January 1, 1991, accumulated at an assumed interest rate of 8.5% to his normal retirement date.

This benefit was increased for additional service and changes in eligible compensation through December 31, 2004. The benefit was frozen as of December 31, 2004 in connection with plan changes required by the American Jobs Creation Act of 2004.

Non-Qualified Defined Benefit Plan for Robert L. Moody. This plan covers the current Chairman of the Company, Robert L. Moody, and is intended to provide for post-2004 benefit accruals that mirror and supplement the pre-2005 benefit accruals under the previously discussed Non-Qualified Defined Benefit Plan, while complying with the American Jobs Creation Act of 2004. No minimum funding standards are required. The annual benefit paid to the Chairman of the Company on an in-service basis effective July 1, 2005 was equal to (a) minus (b) minus (c) where:

(a) was his years of service on his normal retirement date, multiplied by 1.66667%, and then multiplied by the excess of his eligible compensation over his primary social security benefit under the terms of the Pension Plan as of December 31, 1990, as if that plan had continued without change and without regard to Internal Revenue Code Section 401(a) (17) and 415 limits, less the actuarially equivalent life annuity which may be provided by an accumulation of 2% of his compensation for each year of service on and after January 1, 1991, accumulated at an assumed interest rate of 8.5% to his normal retirement date, and, multiplied by

the ratio of his years of service on July 1, 2005 to his years of service on his normal retirement date, multiplied by the ratio of his eligible compensation as of July 1, 2005 to his eligible compensation as of his normal retirement date, and, (b) was the benefit payable to him under the terms of the Pension Plan as of July 1, 2005, and, (c) was the benefit payable to him under the terms of the Non-Qualified Defined Benefit Plan as of December 31, 2004.

Subsequent to July 1, 2005, the annual benefit was increased monthly for additional service and changes in eligible compensation.

Non-Qualified Defined Benefit Plan for the President of National Western Life Insurance Company. This plan covers the President of the Company and is intended to provide benefit accruals that comply with the American Jobs Creation Act of 2004. No minimum funding standards are required.

The annual benefit to be paid to the President of the Company who retires at his normal retirement date shall be equal to (a) minus (b) minus (c) where:

(a) equals his years of service (up to 45), multiplied by 1.66667%, and then multiplied by the excess of his eligible compensation over his primary social security benefit under the terms of the Pension Plan as of December 31, 1990, as if that plan had continued without change and without regard to Internal Revenue Code Section 401(a) (17) and 415 limits, and,

(b) equals the actuarially equivalent life annuity provided by an accumulation of 2% of his compensation for each year of service on and after his date of hire, accumulated at an assumed interest rate of 8.5% to his normal retirement date, and,

(c) equals the benefit actually payable to him under the terms of the Pension Plan.

The plan provides for a monthly in-service benefit if the President of the Company continues employment after his normal retirement date.

- (c) Balances in the plan are settled in cash upon the termination event selected by the officer and distributed either in a lump sum or in annual installments. Deferred amounts represent unsecured obligations of the Company.

Potential Payments Upon Termination or Change in Control

Other than the Company's 1995 Stock and Incentive Plan and 2008 Incentive Plan, the Company has no contract, agreement, plan, or arrangement, written or unwritten, that provides for payment to any officer at, following, or in connection with any termination, severance, retirement or a constructive termination, or a change in control of the Company or a change in any officer's responsibilities.

The 1995 Stock and Incentive Plan governs certain of the stock option grants held by our executive officers. Our executive officers are not entitled to any benefits under our 1995 Stock and Incentive Plan that are not available to other participants. The 1995 Stock and Incentive Plan includes the following change in control provisions, which would result in the accelerated vesting of outstanding option grants: In the event of a Change of Control, all outstanding Awards shall immediately vest and become exercisable or satisfiable, as applicable. The Committee, in its discretion, may determine that upon the occurrence of a Change in Control, each Award outstanding hereunder shall terminate within a specified number of days after notice to the Holder, and such Holder shall receive, with respect to each share of Common Stock subject to such Award, cash in an amount equal to the excess of (i) the higher of (x) the Fair Market Value of such share of Common Stock immediately prior to the occurrence of such Change of Control or (y) the value of the consideration to be received in connection with such Change of Control for one share of Common Stock over (ii) the exercise price per share, if applicable, of Common Stock set forth in such Award. The provisions contained in the preceding sentence shall be inapplicable to an Award granted within six (6) months before the occurrence of a Change of Control if the Holder of such Award is subject to the reporting requirements of Section 16(a) of the 1934 Act. If the consideration offered to shareholders of the Company in any transaction described in this paragraph consists of anything other than cash, the Committee shall determine the fair cash equivalent of the portion of the consideration offered which is other than cash. The provisions contained in this paragraph shall not terminate any rights of the Holder to further payments pursuant to any other agreement with the Company following a Change of Control.

The 2008 Incentive Plan governs certain of the stock option grants and/or SARs held by our executive officers and provides for the acceleration of vesting of all awards upon a change in control of the Company. The 2008 Incentive Plan includes the following change in control provisions, which would result in the accelerated vesting of outstanding award grants: The Committee may provide in an option agreement and/or Stock Appreciation Rights agreement that in the event of a Change in Control of the Company, (i) all or a portion of the stock options and/or any Stock Appreciation Rights awarded under such agreement shall become fully vested and immediately exercisable and/or (ii) the vesting of all performance-based stock options shall be determined as if the performance period or cycle applicable to such stock options had ended immediately upon such Change in Control.

Our executive officers hold option grants under both the 1995 Stock and Incentive Plan and the 2008 Incentive Plan. Option Grants under the 1995 Stock and Incentive Plan and the 2008 Incentive Plan will immediately vest upon a change in control. The following table depicts potential benefits for our executive officers as a result of a change in control. Such termination is assumed to occur on January 1, 2015.

**PROPOSAL 3: RATIFICATION OF INDEPENDENT REGISTERED
PUBLIC ACCOUNTING FIRM**

BKD, LLP, an independent registered public accounting firm, commenced serving as our independent auditors in 2014 and audited our consolidated financial statements for the year ended December 31, 2014. Prior to 2014, the Company engaged KPMG LLP, also an independent registered public accounting firm, to serve as the Company's independent auditors. The Audit Committee is directly responsible for the appointment of our independent registered public accounting firm. Having come to the end of a five-year fee arrangement with KPMG LLP in 2013, the Audit Committee undertook a competitive proposal process for the Company's audit services and as a result appointed BKD, LLP to audit our financial statements beginning with the year ending December 31, 2014.

The Audit Committee has again appointed BKD, LLP to audit our financial statements for the year ending December 31, 2015. Shareholder ratification of the appointment of BKD, LLP as our independent registered public accounting firm is not required by our Amended and Restated Bylaws or other applicable legal requirement. However, the appointment of BKD, LLP is being submitted to the shareholders for ratification. If the shareholders do not ratify the appointment of BKD, LLP as the Company's independent registered public accounting firm, the Audit Committee will consider the matter at its next meeting. Even if the appointment is ratified, the Audit Committee, at its discretion, may direct the appointment of a different independent registered public accounting firm at any time during the year if it determines that such a change would be appropriate.

Representatives of BKD, LLP are expected to be present at the Annual Meeting, will have the opportunity to make a statement if they desire to do so, and are expected to be available to respond to appropriate questions.

Audit Fees

The aggregate fees billed NWLIC and its subsidiaries by BKD, LLP for 2014 and by KPMG LLP for 2013 are set forth in the table below:

	2014	2013
	(In thousands)	
Audit Fees (1)	\$525	701
Audit Related Fees (2)	—	55
Tax Fees	—	—
All Other Fees (3)	—	83
Total	\$525	839

(1)For 2014, these represent the aggregate fees for professional services agreed upon by BKD, LLP for the audit of the Company's consolidated annual financial statements for the year ended December 31, 2014 and reviews of the condensed consolidated financial statements included in the Company quarterly reports on Form 10-Q for the year then ended and the audit of internal control over financial reporting as of December 31, 2014. For 2013, these amounts represent the aggregate fees for professional services rendered by KPMG LLP for the audit of the Company's consolidated annual financial statements for the year ended December 31, 2013 and reviews of the condensed consolidated financial statements included in the Company quarterly reports on Form 10-Q for the year then ended and the audit of internal control over financial reporting as of December 31, 2013, and include out-of-pocket and travel related reimbursements of \$66,000.

(2)KPMG LLP billed \$55,000 for the year ended December 31, 2012 pertaining to services rendered as part of the Company's regulatory examination by the Colorado Division of Insurance in 2013.

(3)KPMG LLP billed \$75,000 pertaining to services rendered for audit of the Company's consolidated annual financial statements for the year ended December 31, 2013 which were beyond the normal scope of the audit examination and \$7,500 for services provided in assisting BKD, LLP in its review of KPMG LLP's audit workpapers for the year ended December 31, 2013.

The Audit Committee has adopted a formal policy concerning approval of audit and non-audit services to be provided by the independent auditor of the Company. The policy requires that all services the Company's independent auditor may provide to the

62

Company, including audit services and permitted audit-related and non-auditor services, be pre-approved by the Committee. The Committee approved all audit and non-audit services provided by BKD, LLP during 2014 and by KPMG LLP during 2013.

The Board of Directors recommends that you vote "FOR" the ratification of the appointment of BKD, LLP as our independent registered public accounting firm for the fiscal year ending December 31, 2015. All proxies executed and returned will be voted "FOR" the ratification of the appointment of BKD, LLP as our independent registered public accounting firm for the fiscal year ending December 31, 2015 unless the proxy specifies otherwise.

AUDIT COMMITTEE REPORT

The Board of Directors maintains an Audit Committee comprised of three of the Company's non-employee independent directors. The Audit Committee of the Board is responsible for the appointment and compensation of the independent auditors for the Company, reviewing the activities and independence of the independent auditors, including the plan and scope of the audit and audit fees, monitoring the adequacy of the reporting and internal controls, oversight of any internal audit function, meeting periodically with management and the independent auditors, and resolving any disagreements between management and the independent auditors. Pursuant to the NASDAQ Listing Rules and federal securities laws, all of the members of the Audit Committee are independent.

Audit services performed by BKD, LLP consist of the audit of the statutory and consolidated GAAP basis financial statements of the Company and its subsidiaries for such year, preparation of various reports based thereon, and services related to the filings with the Securities and Exchange Commission in accordance with the standards of the Public Company Accounting Oversight Board (PCAOB). In addition, BKD, LLP audited the design and operating effectiveness of the Company's internal controls over financial reporting. The Audit Committee has received periodic reports as to the Company's own testing and evaluation of its internal controls, as well as that of BKD, LLP.

It is responsible for evaluating disclosure controls and procedures and for gathering, analyzing, and disclosing information as required to be disclosed under the securities laws. It assists the CEO and CFO with their responsibilities of making the required certifications under the securities laws regarding the Company's disclosure controls and procedures. It ensures that material financial information is properly communicated up the Company's hierarchy to the appropriate person(s) and that all disclosures are made in a timely fashion. The Disclosure Committee meets on a monthly basis.

In performance of its duties, the Audit Committee has reviewed and discussed the audited financial statements for the year ended December 31, 2014 with the Company's management and with BKD, LLP, including the results of BKD, LLP's audit of the Company's financial statements. The Audit Committee has also discussed with BKD, LLP all matters that the independent registered public accounting firm was required to communicate and discuss with the Audit Committee, including the matters required to be discussed by the PCAOB Auditing Standards 16 - Communications with Audit Committees. The Audit Committee also has received and reviewed the written disclosures and the letter from BKD, LLP required by applicable requirements of the Public Company Accounting Oversight Board regarding BKD, LLP's communications with the Audit Committee concerning independence, and has discussed with BKD, LLP its independence from the Company, as well as any relationships that may impact BKD, LLP's objectivity and independence.

The Committee reviewed and discussed the audited consolidated financial statements of NWLIC as of and for the year ended December 31, 2014, with management and the independent auditors. Management has the responsibility for the preparation of National Western's consolidated financial statements, and the independent auditors have the responsibility for the examination of those statements.

Based on these reviews and discussions with management and the independent auditors, the Audit Committee recommended to the Board of Directors that National Western's audited consolidated financial statements be included in its Annual Report on Form 10-K for the year ended December 31, 2014, for filing with the Securities and Exchange Commission.

SECURITY OWNERSHIP OF CERTAIN BENEFICIAL OWNERS AND MANAGEMENT

The information provided below sets forth certain information as of April 20, 2015, regarding (i) the ownership of voting securities of the Company by each person who is known to the management of the Company to have been the beneficial owner of more than five percent (5%) of the outstanding shares of the Company's Class A Stock or Class B Stock; (ii) the ownership interest of each director of the Company; (iii) the ownership interest of each named executive officer of the Company; and (iv) the ownership interest of officers and directors of the Company as a group. A person is also deemed to be a beneficial owner of any securities of which that person has a right to acquire beneficial ownership within 60 days, including through the exercise of options or warrants. Beneficial ownership also includes securities that are the subject of a voting trust, proxy, power of attorney, or other similar agreement. Under these rules, more than one person may be deemed a beneficial owner of the same securities and a person may be deemed a beneficial owner of securities as to which he has no economic interest.

If, at any time after the Effective Time, the Surviving Company shall consider or be advised that any deeds, bills of sale, assignments, assurances or any other actions or things are necessary or desirable to vest, perfect or confirm, of record or otherwise, in the Surviving Company its right, title or interest in, to or under any of the rights, properties or assets of either of MergerCo or the Company acquired or to be acquired by the Surviving Company as a result of, or in connection with, the Merger or otherwise to carry out this Agreement, the officers of the Surviving Company shall be authorized to execute and deliver, in the name and on behalf of each of MergerCo and the Company, all such deeds, bills of sale, assignments and assurances and to take and do, in the name and on behalf of each of MergerCo and the Company or otherwise, all such other actions and things as may be necessary or desirable to vest, perfect or confirm any and all right, title and interest in, to and under such rights, properties or assets in the Surviving Company or otherwise to carry out this Agreement.

1.8 Conversion of Securities. At the Effective Time, by virtue of the Merger and without any action on the part of HoldingCo, MergerCo, the Company or the holder of any of the following securities:

- (a) Each share of Company Class A Common Stock issued and outstanding immediately prior to the Effective Time (other than any shares held in treasury, which shall be automatically cancelled and retired without the payment of any consideration therefor) shall be converted into one (1) duly issued, fully paid and non-assessable share of HoldingCo Class A Common Stock, and each share of Company Class B Common Stock issued and outstanding immediately prior to the Effective Time (other than any shares held in treasury, which shall be automatically cancelled and retired without the payment of any consideration therefor) shall be converted into one (1) duly issued, fully paid and non-assessable share of HoldingCo Class B Common Stock. The HoldingCo Class A Common Stock and the HoldingCo Class B Common Stock into which the Company Class A Common Stock and Company Class B Common Stock shall be converted in accordance with this subsection (a) are referred to herein as the "Merger Consideration."
- (b) The MergerCo common stock held by HoldingCo will automatically be converted into, and thereafter represent, 100% of the common stock of the Surviving Company.
- (c) Each share of HoldingCo Class A Common Stock and HoldingCo Class B Common Stock, if any, owned by the Company immediately prior to the Merger shall automatically be cancelled and retired and shall cease to exist.
- (d) From and after the Effective Time, holders of certificates formerly evidencing Company Class A Common Stock and Company Class B Common Stock shall cease to have any rights as shareholders of the Company, except as provided by law; provided, however, that such holders shall have the rights set forth in Section 1.9 herein.

(e) In accordance with Section 7-113-102 of the CBCA, no appraisal rights shall be available to holders of Company Common Stock in connection with the Merger.

1.9 No Surrender of Certificates; Direct Registration of HoldingCo Common Stock. At the Effective Time, (i) each outstanding share of Company Class A Common Stock (other than any shares of Company Common Stock to be cancelled in accordance with Section 1.8) shall automatically represent the same number of shares of HoldingCo Class A Common Stock without any further act or deed by the shareholders of the Company and (ii) each outstanding share of Company Class B Common Stock (other than any shares of Company Common Stock to be cancelled in accordance with Section 1.8) shall automatically represent the same number of shares of HoldingCo Class B Common Stock without any further act or deed by the shareholders of the Company. Record of ownership of HoldingCo Class A Common Stock and HoldingCo Class B Common Stock shall be kept in uncertificated, book entry form by HoldingCo's transfer agent. Until thereafter surrendered for transfer or exchange in the ordinary course, (a) each outstanding certificate that, immediately prior to the Effective Time, evidenced Company Class A Common Stock shall, from and after the Effective Time, be deemed and treated for all corporate purposes to evidence the ownership of the same number of shares of HoldingCo Class A Common Stock and (b) each outstanding certificate that, immediately prior to the Effective Time, evidenced Company Class B Common Stock shall, from and after the Effective Time, be deemed and treated for all corporate purposes to evidence the ownership of the same number of shares of HoldingCo Class B Common Stock.

1.10 Stock Transfer Books. At the Effective Time, the stock transfer books of the Company shall be closed and thereafter there shall be no further registration of transfers of shares of Company Class A Common Stock or Company Class B Common Stock theretofore outstanding on the records of the Company. From and after the Effective Time, the holders of certificates representing shares of Company Class A Common Stock and Company Class B Common Stock outstanding immediately prior to the Effective Time shall cease to have any rights with respect to such shares of Company Class A Common Stock and Company Class B Common Stock, respectively, except as otherwise provided in this Agreement or by law. On or after the Effective Time, any certificates presented to HoldingCo or its transfer agent for any reason shall solely represent the right to receive the Merger Consideration issuable in respect of the shares of Company Class A Common Stock or Class B Common Stock formerly represented by such certificates without any interest thereon.

1.11 Plan of Reorganization. This Agreement is intended to constitute a "plan of reorganization" within the meaning of Treasury Regulations Section 1.368-2(g). Each party hereto shall use its commercially reasonable efforts to cause the Merger to constitute, and will not knowingly take any actions or cause any actions to be taken which could reasonably be expected to prevent the Merger from constituting, an exchange of Company Class A Common Stock for HoldingCo Class A Common Stock and an exchange of Company Class B Common Stock for HoldingCo Class B Common Stock, in each case, governed by Section 351 of the Code, as well as a reorganization within the meaning of Section 368(a) of the Code.

1.12 Successor Issuer. It is the intent of the parties hereto that HoldingCo be deemed a "successor issuer" of the Company in accordance with Rule 12g-3 under the Securities Exchange Act of 1934, as amended (the "Exchange Act"), and Rule 414 under the Securities Act of 1933, as amended (the "Securities Act"). At or after the Effective Time, HoldingCo shall file (i) an appropriate report on Form 8-K describing the Merger and (ii) appropriate pre-effective and/or post-effective amendments, as applicable, to any registration statements of the Company on Form S-8.

ARTICLE 2

ACTIONS TO BE TAKEN IN CONNECTION WITH THE MERGER

2.1 Assumption of Company Options. At the Effective Time, all unexercised and unexpired options to purchase Company Class A Common Stock (“Company Options”), then outstanding under the National Western Life Insurance Company 1995 Stock and Incentive Plan and the National Western Life Insurance Company 2008 Incentive Plan (collectively, the “Company Plans”), whether or not then exercisable, will be assumed by HoldingCo. Each Company Option so assumed by HoldingCo under this Agreement will continue to have, and be subject to, the same terms and conditions as set forth in the applicable Company Plan and any agreements thereunder immediately prior to the Effective Time (including, without limitation, the vesting schedule (without acceleration thereof by virtue of the Merger and the transactions contemplated hereby) and per share exercise price), except that each Company Option will be exercisable (or will become exercisable in accordance with its terms) for, or shall be denominated with reference to, that number of shares of HoldingCo Class A Common Stock equal to the number of shares of Company Class A Common Stock that were subject to such Company Option immediately prior to the Effective Time. The conversion of any Company Options that are “incentive stock options” within the meaning of Section 422 of the Code, into options to purchase HoldingCo Class A Common Stock shall be made in a manner consistent with Section 424(a) of the Code so as not to constitute a “modification” of such Company Options within the meaning of Section 424 of the Code.

2.2 Assignment and Assumption of Agreements. Effective as of the Effective Time, the Company hereby assigns to HoldingCo, and HoldingCo hereby assumes and agrees to perform, all obligations of the Company pursuant to the Company Plans, each stock option agreement entered into pursuant to the Company Plans, and each outstanding Company Option granted thereunder.

2.3 Reservation of Shares. On or prior to the Effective Time, HoldingCo will reserve sufficient shares of HoldingCo Class A Common Stock to provide for the issuance of HoldingCo Class A Common Stock upon exercise of the Company Options outstanding under the Company Plans.

2.4 Registration Statement; Proxy/Prospectus. As promptly as practicable after the execution of this Agreement, the Company shall prepare and file with the Securities and Exchange Commission (the “SEC”) a proxy statement in preliminary form relating to the Shareholders’ Meeting (as hereinafter defined) (together with any amendments thereof or supplements thereto, the “Proxy Statement”) and HoldingCo shall prepare and file with the SEC a registration statement on Form S-4 (together with all amendments thereto, the “Registration Statement” and the prospectus contained in the Registration Statement together with the Proxy Statement, the “Proxy/Prospectus”), in which the Proxy Statement shall be included, in connection with the registration under the Securities Act of the shares of HoldingCo Class A Common Stock and HoldingCo Class B Common Stock to be issued to the shareholders of the Company as the Merger Consideration. Each of HoldingCo and the Company shall use its reasonable best efforts to cause the Registration Statement to become effective and the Proxy Statement to be cleared by the SEC as promptly as practicable, and, prior to the effective date of the Registration Statement, HoldingCo shall take all actions reasonably required under any applicable federal securities laws or state blue sky laws in connection with the issuance of shares of HoldingCo Class A Common Stock and HoldingCo Class B Common Stock pursuant to the Merger. As promptly as reasonably practicable after the Registration Statement shall have become effective and the Proxy Statement shall have been cleared by the SEC, the Company shall mail or cause to be mailed or otherwise make available in accordance with the Securities Act and the Securities Exchange Act, the Proxy/Prospectus to its shareholders; provided, however, that the parties shall consult and cooperate with each other in determining the appropriate time for mailing or otherwise making available to the Company’s shareholders the Proxy/Prospectus in light of the date set for the Shareholders’ Meeting.

2.5 Meeting of Company Shareholders. The Company shall take all action necessary in accordance with the CBCA and its articles of incorporation and bylaws to call, hold and convene a meeting of its shareholders to consider the adoption of this Agreement (the “Shareholders’ Meeting”) to be held no less than ten (10) nor more than sixty (60) days following the distribution of the definitive Proxy/Prospectus to its shareholders. The Company will use its reasonable best efforts to solicit from its shareholders proxies in favor of the approval of this Agreement and the Merger. The Company may adjourn or postpone the Shareholders’ Meeting to the extent necessary to ensure that any necessary supplement or amendment to the Proxy/Prospectus is provided to its shareholders in advance of any vote on this Agreement and the Merger or, if as of the time for which the Shareholders’ Meeting is originally scheduled (as set forth in the Proxy/Prospectus) there are insufficient shares of Company Class A Common Stock and Company Class B Common Stock voting in favor of the approval of this Agreement and the Merger or represented (either in person or by proxy) to constitute a quorum necessary to conduct the business of such Shareholders’ Meeting.

2.6 Section 16 Matters. Prior to the Effective Time, the Board of Directors of the Company or an appropriate committee of non-employee directors thereof (as such term is defined for purposes of Rule 16b-3 promulgated under the Exchange Act) shall adopt a resolution consistent with the interpretive guidance of the SEC so that the receipt by any officer or director of the Company who is a covered person for purposes of Section 16(a) of the Exchange Act of (i) shares of HoldingCo Class A Common Stock in exchange for shares of Company Class A Common Stock or Company Options or (ii) shares of HoldingCo Class B Common Stock in exchange for shares of Company Class B Common Stock, in each case, pursuant to this Agreement and the Merger is intended to be an exempt transaction pursuant to Section 16b-3 of the Exchange Act. Prior to the Effective Time, the Board of Directors of HoldingCo or an appropriate committee of non-employee directors (as such term is defined for purposes of Rule 16b-3 promulgated under the Exchange Act) shall adopt a resolution consistent with the interpretive guidance of the SEC so that the receipt by any officer or director of the Company or HoldingCo who is a covered person for purposes of Section 16(a) of the Exchange Act of (a) shares of HoldingCo Class A Common Stock or options in exchange for shares of Company Class A Common Stock or Company Options or (b) shares of HoldingCo Class B Common Stock in exchange for shares of Company Class B Common Stock, in each case, pursuant to this Agreement and the Merger is intended to be an exempt transaction for purposes of Section 16b-3 of the Exchange Act.

ARTICLE 3

(a) The Registration Statement shall have been deemed or declared effective by the SEC under the Securities Act and no stop order suspending the effectiveness of the Registration Statement shall have been issued by the SEC and no proceeding for that purpose shall have been initiated or, to the knowledge of HoldingCo or the Company, threatened by the SEC and not concluded or withdrawn. No similar proceeding with respect to the Proxy Statement shall have been initiated or, to the knowledge of HoldingCo or the Company, threatened by the SEC and not concluded or withdrawn.

(b) This Agreement and the Merger shall have been approved by the requisite vote of the shareholders of the Company in accordance with the CBCA and the articles of incorporation of the Company, as amended from time to time.

(c) The HoldingCo Class A Common Stock to be issued pursuant to the Merger shall have been approved for listing on the NASDAQ Stock Market (the "NASDAQ") by The NASDAQ Stock Market, LLC.

(d) The Company shall have made such filings, and obtained such permits, authorizations, consents, approvals or terminations or expirations of waiting periods as are required by the corporate and insurance laws and regulations of all applicable jurisdictions.

(e) No order, statute, rule, regulation, executive order, injunction, stay, decree, judgment or restraining order that is in effect shall have been enacted, entered, promulgated or enforced by any court or governmental or regulatory authority or instrumentality that prohibits or makes illegal the consummation of the Merger or the transactions contemplated hereby.

(f) The Boards of Directors of the Company and HoldingCo shall have received a legal opinion of Sutherland Asbill & Brennan LLP in form and substance reasonably satisfactory to them to the effect that the Merger will constitute an exchange of Company Class A Common Stock for HoldingCo Class A Common Stock and an exchange of Company Class B Common Stock for HoldingCo Class B Common Stock, in each case, governed by Section 351 of the Code, as well as a reorganization within the meaning of Section 368(a) of the Code (it being understood that in rendering such opinion, Sutherland Asbill & Brennan LLP may rely upon the tax representation letter in the form agreed to by the Company, HoldingCo and Sutherland Asbill & Brennan LLP, which shall be executed and delivered by the Company and HoldingCo as a condition to rendering its opinion).

ARTICLE 4

COVENANTS

4.1 Listing of HoldingCo Common Stock. HoldingCo will use its reasonable best efforts to obtain, at or before the Effective Time, confirmation of listing on the NASDAQ of the HoldingCo Class A Common Stock issuable pursuant to the Merger.

4.2 The Plans. The Company and HoldingCo will take or cause to be taken all actions necessary or desirable in order to implement the assumption by HoldingCo pursuant to the Company Plans, and each Company Option granted thereunder, all to the extent deemed appropriate by the Company and HoldingCo and permitted under applicable law.

4.3 Insurance. HoldingCo shall procure insurance or cause the execution, amendment or endorsement of the insurance policies of the Company such that, upon consummation of the Merger, HoldingCo shall have insurance coverage that is substantially identical to the insurance coverage held by the Company immediately prior to the Merger.

ARTICLE 5

TERMINATION AND AMENDMENT

5.1 Termination. This Agreement may be terminated and the Merger contemplated hereby may be abandoned at any time prior to the Effective Time by action of the Board of Directors of the Company if such Board of Directors should determine that for any reason the completion of the transactions provided for herein would be inadvisable or not in the best interest of the Company or its shareholders. In the event of such termination and abandonment, this Agreement shall become void and none of the Company,

HoldingCo or MergerCo or their respective security holders, directors or officers shall have any liability with respect to such termination and abandonment.

5.2 Amendment. At any time prior to the Effective Time, this Agreement may, to the extent permitted by the CBCA, be supplemented, amended or modified by the mutual consent of the parties to this Agreement.

In the event of any vacancy in the Board of Directors resulting from an increase in the number of directors, the Board of Directors shall designate such vacancy as a Class A directorship or Class B directorship in a manner consistent with the Board of Directors composition provided in Section C of this Article V, and each such vacancy shall be filled as provided in this section with respect to a Class A Vacancy or Class B Vacancy, as applicable.

ARTICLE VI

LIMITATION OF DIRECTOR LIABILITY; INDEMNIFICATION AND ADVANCEMENT OF EXPENSES OF DIRECTORS AND OFFICERS

To the fullest extent that the DGCL or any other law of the State of Delaware as it exists on the date hereof or as it may hereafter be amended permits the limitation or elimination of the liability of directors, no director of the Corporation shall be personally liable to the Corporation or its stockholders for monetary damages for breach of fiduciary duty as a director.

B. Indemnification and Advancement of Expenses. The Corporation may indemnify and provide advancement to persons to the fullest extent permitted by Section 145 of the DGCL or any other law of the State of Delaware as it exists on the date hereof or as it may hereafter be amended.

AMENDMENTS TO THE CERTIFICATE OF INCORPORATION AND BYLAWS

A. Amendments to the Certificate of Incorporation. Notwithstanding any other provisions of this Certificate of Incorporation, and notwithstanding that a lesser percentage may be permitted from time to time by applicable law, no provision of Article V, Article VI, Article VII, or this Article VIII may be altered, amended or repealed in any respect, nor may any provision inconsistent therewith be adopted, unless such alteration, amendment, repeal or adoption is approved by the affirmative vote of the holders of at least sixty-six and two-thirds percent (66-2/3%) of the voting power of all of the then-outstanding shares of the Corporation's capital stock entitled to vote thereon, voting together as a single class.

Notwithstanding anything to the contrary elsewhere contained in this Certificate of Incorporation, and notwithstanding that a lesser percentage may be permitted from time to time by applicable law, the affirmative vote of the holders of at least seventy five percent (75%) of the voting power of all of the then-outstanding shares of the Class A Common Stock of the Corporation then entitled to vote thereon, voting as a separate class, shall be required to alter, amend, or repeal, or to adopt any provision inconsistent with Sections B.4. and B.5. of Article IV.

Section 1.02. Other Offices. The Corporation may also have offices at such other places, both within and without the State of Delaware, as the Board of Directors may from time to time determine or the business of the Corporation may require.

ARTICLE II

Meetings of Stockholders

Section 2.01. Place of Meetings. Meetings of stockholders for any purpose may be held at such time and place, within or without the State of Delaware, as shall be designated from time to time by the Board of Directors. The Board of Directors may, in its sole discretion, determine that a meeting of the stockholders shall not be held at any place, but may instead be held solely by means of remote communication in the manner authorized by the General Corporation Law of the State of Delaware (the “DGCL”).

Section 2.02. Annual Meetings. If required by applicable law, the annual meeting of stockholders of the Corporation for the election of directors of the Corporation (“Directors”) and for the transaction of such other business as may properly come before such meeting shall be held on such date and at such time as shall be fixed from time to time by resolution of the Board of Directors. The Board of Directors may postpone, reschedule, or cancel any annual meeting of stockholders previously scheduled by the Board of Directors.

Section 2.03. Special Meetings. Except as otherwise required by applicable law or provided in the certificate of incorporation of the Corporation (as it may be amended and restated from time to time, the “Certificate of Incorporation”) or these Bylaws, special meetings of stockholders for any purpose or purposes, unless otherwise prescribed by applicable law, by the Certificate of Incorporation, or by these Bylaws, may be called by any of (i) the Board of Directors, (ii) the Chairman of the Board of Directors, (iii) the President, (iv) the Chief Executive Officer, or (v) solely to the extent required by this Section 2.03, the Secretary of the Corporation (the “Secretary”). A meeting shall be called by the Secretary upon written request to the Secretary by the record holder or holders of at least 25% of the outstanding shares of common stock of the Corporation (the “Requisite Percentage”) who have held such shares continuously for at least two years prior to the date such written request is delivered to the Corporation and who have complied in full with the requirements set forth in these Bylaws (such request, a “Stockholder Meeting Request”). A special meeting of stockholders may be held at such date, time, and place, if any, within or without the State of Delaware as may be designated from time to time by the Board of Directors; provided, however, that the date of any such special meeting called upon the receipt of a Stockholder Meeting Request shall be not more than 90 days after the Special Meeting Request is received by the Secretary. In fixing a date, time, and place, if any, for any special meeting of stockholders, the Board of Directors may consider such factors as it deems relevant, including without limitation, the nature of the matters to be considered, the facts and circumstances related to any request for a meeting, and any plan of the Board of Directors to call an annual meeting or special meeting. The Board of Directors may postpone, reschedule, or cancel any special meeting of stockholders previously scheduled by the Board of Directors.

A Stockholder Meeting Request shall be delivered to the Secretary and shall be signed by each stockholder of record, or a duly authorized agent of such stockholder, requesting the special meeting and by each of the beneficial owners, if any, on whose behalf the Stockholder Meeting Request is being made. The Stockholder Meeting Request shall be accompanied by a written notice setting forth the information required by paragraph (A)(3) of Section 2.13 of these Bylaws as to the business proposed to be conducted at the special meeting and as to the stockholder(s) proposing such business and/or as to any nominations proposed to be presented at the special meeting and as to the stockholder(s) proposing such nominations. In addition to the foregoing, a Stockholder Meeting Request must include (x) documentary evidence of the number of shares of common stock owned by the requesting stockholder(s) as of the date on which the Stockholder Meeting Request is delivered to the Secretary and documentary evidence that such shares have been held continuously for at least two years prior to the date such written request is delivered to the Corporation, provided that, if the stockholder submitting the Stockholder Meeting Request is not the beneficial owner of such shares, then to be valid, the Stockholder Meeting Request must also include documentary evidence (or, if not simultaneously provided with the Stockholder Meeting Request, such documentary evidence must be delivered to the Secretary within 10 days after the date on which the Stockholder Meeting Request is delivered to the Secretary) of the number of shares of common stock owned by the beneficial owner(s) as of the date on which the Stockholder Meeting Request is delivered to the Secretary and documentary evidence that such shares have been held for at least two years prior to the date such written request is delivered to the Corporation; (y) an acknowledgment of the requesting stockholder(s) that any disposition by such stockholder(s) after the date of the Stockholder Meeting Request of any shares of the Corporation's common stock shall be deemed a revocation of the Stockholder Meeting Request with respect to such shares and that such shares will no longer be included in determining whether the Requisite Percentage has been satisfied; and (z) a commitment by such stockholder(s) to continue to satisfy the Requisite Percentage through the date of the requested special meeting of stockholders and to notify the Corporation upon any disposition of any shares of the Corporation's common stock. The requesting stockholder(s) shall certify in writing on the day prior to the requested special meeting of stockholders as to whether the requesting stockholder(s) continues to satisfy the Requisite Percentage. In addition to the foregoing, the requesting stockholder(s) shall promptly provide any other information reasonably requested by the Corporation.

In determining whether a special meeting of stockholders has been requested by the record holders of shares representing in the aggregate at least the Requisite Percentage, multiple Special Meeting Requests delivered to the Secretary will be considered together only if (i) each Special Meeting Request identifies substantially the same purpose or purposes of the special meeting and substantially the same matters proposed to be acted on at the special meeting, in each case as determined by the Board of Directors (which, if such purpose is the nominating of a person or persons for election to the Board of Directors, will mean that the exact same person or persons are nominated in each relevant Stockholder Meeting Request), and (ii) such Special Meeting Requests have been dated and delivered to the Secretary within 60 days of the earliest dated Special Meeting Request. A stockholder may revoke a Special Meeting Request at any time by written revocation delivered to the Secretary. If, following such revocation, there are unrevoked requests from stockholders holding in the aggregate less than the Requisite Percentage, the Board of Directors, in its discretion, may cancel the special meeting. If none of the requesting stockholder(s) who submitted the Special Meeting Request appears or sends a qualified representative to present the matters to be presented for consideration that were specified in the Stockholder Meeting Request, the Corporation need not present such matters for a vote at such meeting, notwithstanding that proxies in respect of such matter may have been received by the Corporation.

At any special meeting requested by stockholders, the business transacted shall be limited to the purpose(s) stated in the Stockholder Meeting Request; provided, however, that the Board of Directors shall have the authority in its discretion to submit additional matters to the stockholders and to cause other business to be transacted.

Notwithstanding the foregoing provisions of this Section 2.03, a special meeting of stockholders requested by stockholders shall not be held if (i) the business specified in the Special Meeting Request is not a proper subject for stockholder action under applicable law (as determined by the Board of Directors), (ii) the Board of Directors has called or calls for an annual or special meeting of stockholders to be held within 90 days after the Secretary receives the Stockholder Meeting Request and the Board of Directors determines that the business of such meeting includes

(among any other matters properly brought before the annual meeting) the business specified in the Stockholder Meeting Request, (iii) the Stockholder Meeting Request is received by the Secretary during the period commencing 90 days prior to the anniversary date of the prior year's annual meeting of stockholders and ending on the date of the next

III-2

annual meeting of stockholders, (iv) an identical or substantially similar item (a “Similar Item”) was presented at any meeting of stockholders held within 90 days prior to receipt by the Secretary of the Stockholder Meeting Request (and, for purposes of this clause (iv), the nomination, election, or removal of Directors shall be deemed a “Similar Item” with respect to all items of business involving the nomination, election, or removal of Directors, the changing the size of the Board of Directors and the filling of vacancies and/or newly created directorships), or (v) the Stockholder Meeting Request was made in a manner that involved a violation of Regulation 14A under the Securities Exchange Act of 1934, as amended (the “Exchange Act”) or other applicable law.

Section 2.04. Notice. Whenever stockholders are required or permitted to take action at a meeting, a written notice of the meeting of stockholders shall be given stating the place, if any, date and time of such meeting, the means of remote communications, if any, by which stockholders and proxy holders may be deemed to be present in person and vote at such meeting, the record date for determining stockholders entitled to vote at the meeting or any adjournment thereof (if such record date is different from the record date for determining the stockholders entitled to notice of the meeting), and, in the case of a special meeting, the purpose or purposes for which such meeting is to be held. Except as otherwise required by applicable law or provided in the Certificate of Incorporation or these Bylaws, the notice of any meeting shall be given to each stockholder entitled to notice of the meeting as of the record date for determining stockholders entitled to notice of the meeting, not less than 10 nor more than 60 days before the date of such meeting. If mailed, such notice shall be deemed to be given when deposited in the United States mail, postage prepaid, directed to the stockholder at such stockholder’s address as it appears on the records of the Corporation. If, prior to the time of transmittal of notice, the Secretary shall have received from any stockholder a written request that notices intended for such stockholder are to be transmitted to some address other than the address that appears on the records of the Corporation, notices intended for such stockholder shall be transmitted to the address designated in such request.

Whenever notice is required to be given under any statute or the Certificate of Incorporation or these Bylaws to any stockholder to whom (1) notice of two consecutive annual meetings, and all notice of meetings to such person during the period between such two consecutive annual meetings or (2) all, and at least two, payments (if sent by first class mail) of dividends or interest on securities during a twelve month period, have been mailed addressed to such person at his or her address as shown on the records of the Corporation and have been returned because undeliverable, the giving of notice to such person shall not be required. Any action or meeting which shall be taken or held without notice to such person shall have the same force and effect as if such notice had been duly given. If any such person shall deliver to the Corporation a written notice setting forth his or her then current address, the requirement that notice be given to such person shall be reinstated. In the event that the action taken by the Corporation is such as to require the filing of a certificate under any of the other sections of the DGCL, the certificate need not state that notice was not given to persons to whom notice was not required to be given pursuant to this Section 2.04.

Section 2.05. Waiver of Notice. Any waiver of notice of any annual or special meeting of stockholders given by the stockholder entitled to notice, whether before or after such meeting, shall be deemed equivalent to notice. Neither the business to be transacted at, nor the purpose of, any meeting of stockholders need be specified in any waiver of notice thereof. Attendance of a stockholder at a meeting shall constitute a waiver of notice of such meeting, except when such stockholder attends a meeting for the express purpose of objecting, at the beginning of the meeting, to the transaction of any business because the meeting is not lawfully called or convened.

Section 2.06. Adjournments. Any stockholders’ meeting, annual or special, whether or not a quorum (as defined in Section 2.07 hereinafter) is present, may be adjourned from time to time to reconvene at the same or some other place, and notice need not be given of the adjourned meeting if the date, time, and place thereof are announced at the meeting at which the adjournment is taken. If the adjournment is for more than 30 days, or if after the adjournment a new record date for determining stockholders entitled to vote is fixed for the adjourned meeting, a notice of the adjourned meeting in accordance with the requirements of Section 2.04 hereof shall be given to each stockholder entitled to vote thereat. At the adjourned meeting, any business may be transacted which might have been transacted at the original meeting.

Section 2.07. Quorum. Except as otherwise required by applicable law or provided in the Certificate of Incorporation or these Bylaws, at each meeting of stockholders, the holders of a majority of the outstanding shares of stock entitled to vote thereat, present in person or represented by proxy, shall constitute a quorum for the transaction

III-3

of business at the meeting; provided that, where a separate vote by a class or series of the Corporation's stock is required for any matter, a quorum shall consist of the holders of a majority of the outstanding shares of such class or series entitled to vote with respect to such matter, present in person or represented by proxy. If, however, such quorum shall not be present in person or represented by proxy at any meeting of stockholders, the stockholders entitled to vote thereat, present in person or represented by proxy, may, by a majority in voting power thereof, adjourn the meeting from time to time in accordance with Section 2.06 of these Bylaws until a quorum shall be present in person or represented by proxy. The stockholders present at a duly called or held meeting at which a quorum is present may continue to do business until adjournment, notwithstanding the withdrawal of enough stockholders to leave less than a quorum.

Section 2.08. Voting. Except as otherwise required by applicable law or provided in the Certificate of Incorporation or these Bylaws, each stockholder entitled to vote at any meeting of stockholders shall be entitled to one vote for each share, regardless of class, held by such stockholder that has voting power upon the matter in question. All matters presented to the stockholders at a meeting at which a quorum is present, other than the election of Directors, shall be decided by the affirmative vote of the holders of a majority of the shares of stock present in person or represented by proxy at the meeting and entitled to vote on the matter, except where a different vote is otherwise required by applicable law, the Certificate of Incorporation, these Bylaws, or the rules or regulations of any stock exchange applicable to the Corporation, and in which case such required vote shall be the required vote on such matter. Where a separate vote by a class or series or classes or series of the Corporation's stock is required by applicable law or provided in the Certificate of Incorporation or these Bylaws on any matter other than the election of Directors, the affirmative vote of the majority of shares of such class or series or classes or series present in person or represented by proxy at the meeting shall be the act of such class or series or classes or series. Directors shall be elected by a plurality of the votes of the shares of stock present in person or represented by proxy at the meeting and entitled to vote on the election of directors; provided that, with respect to the election of any Directors entitled to be elected by a particular class or series of the Corporation's stock, such Directors shall be elected by a plurality of the votes of the shares of such class or series of stock present in person or represented by proxy at the meeting and entitled to vote on the election of such Director or Directors.

Section 2.09. Proxies. Each stockholder entitled to vote at a meeting of stockholders may authorize another person or persons to act for such stockholder by proxy. Such proxy shall be filed with the Secretary prior to or at such meeting of stockholders, as the Board of Directors may require. No proxy shall be voted or acted upon after three years from its date, unless the proxy provides for a longer period. A proxy shall be irrevocable if it states that it is irrevocable and if, and only as long as, it is coupled with an interest sufficient in law to support an irrevocable power. A stockholder may revoke any proxy which is not irrevocable by attending the meeting and voting in person or by delivering to the Secretary a revocation of the proxy or a new proxy bearing a later date. Voting at meetings of stockholders need not be by written ballot.

Section 2.10. Organization. Meetings of stockholders shall be presided over by the Chairman, if any, or in his or her absence by the Vice Chairman of the Board of Directors, if any, or in his or her absence by the Chief Executive Officer, or in his or her absence by the President, or in his or her absence by a Vice President or Senior Vice President, or in the absence of the foregoing persons by a chairman designated by the Board of Directors, or in the absence of such designation by a chairman chosen at the meeting. The Secretary shall act as secretary of the meeting, but in his or her absence the chairman of the meeting may appoint any person to act as secretary of the meeting.

Section 2.11. List of Stockholders Entitled to Vote. The officer of the Corporation who has charge of the stock ledger of the Corporation shall prepare and make, at least ten (10) days before every meeting of stockholders, a complete list of the stockholders entitled to vote at the meeting (provided, however, if the record date for determining the stockholders entitled to vote is less than ten (10) days before the date of the meeting, the list shall reflect the stockholders entitled to vote as of the tenth day before the meeting date), arranged in alphabetical order, and showing the address of each stockholder and the number of shares registered in the name of each stockholder. Such list shall be open to the examination of any stockholder, for any purpose germane to the meeting at least ten (10) days prior to the meeting (i) on a reasonably accessible electronic network, provided that the information required to gain access to such list is provided with the notice of meeting or (ii) during ordinary business hours at the principal place of business

of the Corporation. If the meeting is to be held at a place, then a list of stockholders entitled to vote at the meeting shall be

III-4

produced and kept at the time and place of the meeting during the whole time thereof and may be examined by any stockholder who is present. If the meeting is to be held solely by means of remote communication, then the list shall also be open to the examination of any stockholder during the whole time of the meeting on a reasonably accessible electronic network, and the information required to access such list shall be provided with the notice of the meeting. Except as otherwise provided by applicable law, the stock ledger shall be the only evidence as to who are the stockholders entitled to examine the list of stockholders required by this Section 2.11 or to vote in person or by proxy at any meeting of stockholders.

Section 2.12. Conduct of Meetings. The date and time of the opening and the closing of the polls for each matter upon which the stockholders will vote at a meeting shall be announced at the meeting by the chairman of the meeting. The Board of Directors may adopt by resolution such rules and regulations for the conduct of the meeting of stockholders as it shall deem appropriate. Except to the extent inconsistent with such rules and regulations as adopted by the Board of Directors, the chairman of the meeting shall have the right and authority to convene and (for any or no reason) to recess and/or adjourn the meeting of stockholders, to prescribe such rules, regulations and procedures and to do all such acts as, in the judgment of such chairman, are appropriate for the proper conduct of the meeting. Such rules, regulations or procedures, whether adopted by the Board of Directors or prescribed by the chairman of the meeting, may include, without limitation, the following: (i) the establishment of an agenda or order of business for the meeting; (ii) rules and procedures for maintaining order at the meeting and the safety of those present; (iii) limitations on attendance at or participation in the meeting to stockholders entitled to vote at the meeting, their duly authorized and constituted proxies or such other persons as the chairman of the meeting shall determine; (iv) restrictions on entry to the meeting after the time fixed for the commencement thereof; and (v) limitations on the time allotted to questions or comments by participants. The chairman of the meeting of stockholders, in addition to making any other determinations that may be appropriate to the conduct of the meeting, shall, if the facts warrant, determine and declare to the participants of the meeting that a nomination or matter or business was not properly brought before the meeting and if such chairman should so determine, such chairman shall so declare to the participants of the meeting and any such matter or business not properly brought before the meeting shall not be transacted or considered. Unless and to the extent determined by the Board of Directors or the chairman of the meeting, meetings of stockholders shall not be required to be held in accordance with the rules of parliamentary procedure.

Section 2.13. Notice of Stockholder Business and Nominations.

(A) Annual Meetings of Stockholders. (1) Nominations of persons for election to the Board of Directors and the proposal of other business to be considered by the stockholders may be made at an annual meeting of stockholders only (a) pursuant to the Corporation's notice of meeting (or any supplement thereto), (b) by or at the direction of the Board of Directors or any duly authorized committee thereof or (c) by any stockholder of the Corporation who was a stockholder of record of the Corporation at the time the notice provided for in this Section 2.13 is delivered to the Secretary, who is entitled to vote at the meeting and upon such election or proposed business and who complies with the notice procedures set forth in this Section 2.13.

(2) For any nominations or other business to be properly brought before an annual meeting by a stockholder pursuant to clause (c) of paragraph (A)(1) of this Section 2.13, the stockholder must have given timely notice thereof in writing to the Secretary and any such proposed business (other than the nominations of persons for election to the Board of Directors) must constitute a proper matter for stockholder action. To be timely, a stockholder's notice shall be delivered to the Secretary at the principal executive offices of the Corporation not later than the close of business on the ninetieth (90th) day, nor earlier than the close of business on the one hundred twentieth (120th) day, prior to the first anniversary of the preceding year's annual meeting (provided, however, that in the event that the date of the annual meeting is more than thirty (30) days before or more than seventy (70) days after such anniversary date, notice by the stockholder must be so delivered not earlier than the close of business on the one hundred twentieth (120th) day prior to such annual meeting and not later than the close of business on the later of the ninetieth (90th) day prior to such annual meeting or the tenth (10th) day following the day on which public announcement of the date of such meeting is first made by the Corporation). In no event shall the public announcement of an adjournment or postponement of an annual meeting commence a new time period (or extend any time period) for the giving of a stockholder's notice as described above.

III-5

(3) Such stockholder's notice required by paragraph (A)(2) of this Section 2.13 shall set forth: (a) as to the stockholder giving the notice and the beneficial owner, if any, on whose behalf the nomination or proposal is made (i) the name and address of such stockholder, as they appear on the Corporation's books, and of such beneficial owner, (ii) the class or series and number of shares of capital stock of the Corporation which are owned beneficially and of record by such stockholder and such beneficial owner, (iii) a description of any agreement, arrangement, or understanding with respect to the nomination or proposal between or among such stockholder and/or such beneficial owner, any of their respective affiliates or associates, and any others acting in concert with any of the foregoing, including, in the case of a nomination, the nominee, (iv) a description of any agreement, arrangement, or understanding (including any derivative or short positions, profit interests, options, warrants, convertible securities, stock appreciation or similar rights, hedging transactions, and borrowed or loaned shares) that has been entered into as of the date of the stockholder's notice by, or on behalf of, such stockholder and such beneficial owners, whether or not such instrument or right shall be subject to settlement in underlying shares of capital stock of the Corporation, the effect or intent of which is to mitigate loss to, manage risk or benefit of share price changes for, or increase or decrease the voting power of, such stockholder or such beneficial owner, with respect to securities of the Corporation, (v) with respect to a nomination, any material interest of such stockholder and/or such beneficial owner, if any, in such nomination, (vi) a representation that the stockholder is a holder of record of stock of the Corporation entitled to vote at such meeting and intends to appear in person or by proxy at the meeting to propose such business or nomination, (vii) a representation whether the stockholder or the beneficial owner, if any, intends or is part of a group which intends (a) to deliver a proxy statement and/or form of proxy to holders of at least the percentage of the Corporation's outstanding capital stock, and class or series of such capital stock, required to approve or adopt the proposal or elect the nominee and/or (b) otherwise to solicit proxies or votes from stockholders in support of such proposal or nomination, and (viii) any other information relating to such stockholder and beneficial owner, if any, required to be disclosed in a proxy statement or other filings required to be made in connection with solicitations of proxies for, as applicable, the proposal and/or for the election of directors in an election contest pursuant to and in accordance with Section 14(a) of the Exchange Act and the rules and regulations promulgated thereunder; (b) as to each person whom the stockholder proposes to nominate for election as a director (i) the name, address and principal occupation of such person, (ii) the class or series and number of shares of capital stock of the Corporation which are owned beneficially and of record by such person, (iii) a description of any agreement, arrangement, or understanding with respect to the nomination entered into by such person and any others acting in concert with such person, (iv) a description of any agreement, arrangement, or understanding (including any derivative or short positions, profit interests, options, warrants, convertible securities, stock appreciation or similar rights, hedging transactions, and borrowed or loaned shares) that has been entered into as of the date of the stockholder's notice by, or on behalf of, such person, whether or not such instrument or right shall be subject to settlement in underlying shares of capital stock of the Corporation, the effect or intent of which is to mitigate loss to, manage risk or benefit of share price changes for, or increase or decrease the voting power of, such person, with respect to securities of the Corporation, (v) all information relating to such person that is required to be disclosed in solicitations of proxies for election of directors in an election contest, or is otherwise required, in each case pursuant to and in accordance with Section 14(a) of the Exchange Act, and the rules and regulations promulgated thereunder, (vi) such person's written consent to being named in the proxy statement as a nominee and to serving as a director if elected and (vii) such person's written representation that such person (A) is not and will not become a party to any compensatory, payment or other financial agreement, arrangement or understanding with any person or entity other than the Corporation, in each case in connection with candidacy, election or service as a director of the Corporation other than agreements providing only for indemnification and/or reimbursement of out-of-pocket expenses in connection with candidacy or election as a director (but not, for the avoidance of doubt, in connection with service as a director) or any pre-existing employment agreement a candidate has with his or her employer (not entered into in contemplation of the employer's investment in the Corporation or such employee's candidacy as a director), (B) is not and will not become a party to any agreement, arrangement or understanding with, and has not given any commitment or assurance to, any person or entity as to how such person, if elected as a director of the Corporation, will act or vote on any issue or question and (C) if elected as a director of the Corporation, will comply with all policies and guidelines of the Corporation that are applicable to directors of the

Corporation; and (c) as to any other business that the stockholder proposes to bring before the meeting, a brief description of the business desired to be brought before the meeting, the text of the proposal or business (including the text of any resolutions proposed for consideration and in the event that such business includes a proposal to amend the Bylaws of the Corporation, the language of the proposed amendment), the reasons for conducting such business at the meeting and any material interest in such business of such stockholder

III-6

and the beneficial owner, if any, on whose behalf the proposal is made. The Corporation may require any proposed nominee to furnish such other information as the Corporation may reasonably require to determine the eligibility of such proposed nominee to serve as a director of the Corporation.

(3) Notwithstanding anything in the second sentence of paragraph (A)(2) of this Section 2.13 to the contrary, in the event that the number of directors to be elected to the Board of Directors at the annual meeting is increased effective after the time period for which nominations would otherwise be due under paragraph (A)(2) of this Section 2.13 and there is no public announcement by the Corporation naming the nominees for the additional directorships at least one hundred (100) days prior to the first anniversary of the preceding year's annual meeting, a stockholder's notice required by this Section 2.13 shall also be considered timely, but only with respect to nominees for the additional directorships, if it shall be delivered to the Secretary at the principal executive offices of the Corporation not later than the close of business on the tenth (10th) day following the day on which such public announcement is first made by the Corporation.

(B) Special Meetings of Stockholders. Only such business shall be conducted at a special meeting of stockholders as shall have been brought before the meeting pursuant to the Corporation's notice of meeting. Nominations of persons for election to the Board of Directors may be made at a special meeting of stockholders at which directors are to be elected pursuant to the Corporation's notice of meeting (1) by or at the direction of the Board of Directors or any duly authorized committee thereof or (2) provided that the Board of Directors has determined that directors shall be elected at such meeting, by any stockholder of the Corporation who is a stockholder of record at the time the notice provided for in this Section 2.13 is delivered to the Secretary, who is entitled to vote at the meeting and with respect to such directorship(s) subject to election, and who complies with the notice procedures set forth in this Section 2.13. In the event the Corporation calls a special meeting of stockholders for the purpose of electing one or more directors to the Board of Directors, any such stockholder entitled to vote in such election of directors and with respect to such directorship(s) subject to election may nominate a person or persons (as the case may be) for election to such position(s) as specified in the Corporation's notice of meeting if the stockholder provides written notice setting forth the information required by paragraph (A)(3) of this Section 2.13 and delivers such notice to the Secretary at the principal executive offices of the Corporation not earlier than the close of business on the one hundred twentieth (120th) day prior to such special meeting and not later than the close of business on the later of the ninetieth (90th) day prior to such special meeting or the tenth (10th) day following the day on which public announcement is first made of the date of the special meeting and of the nominees proposed by the Board of Directors to be elected at such meeting. In no event shall the public announcement of an adjournment or postponement of a special meeting commence a new time period (or extend any time period) for the giving of a stockholder's notice as described above. A stockholder who has nominated persons for election to the Board of Directors pursuant to a Special Meeting Request in accordance with Section 2.03 is not required to separately satisfy the requirements of this paragraph (B) of Section 2.13 with respect to such nomination.

(C) General. (1) Except as otherwise expressly provided in any applicable rule or regulation promulgated under the Exchange Act, only such persons who are nominated in accordance with the procedures set forth in this Section 2.13 shall be eligible to be elected at an annual or special meeting of stockholders of the Corporation to serve as directors and only such business shall be conducted at a meeting of stockholders as shall have been brought before the meeting in accordance with the procedures set forth in this Section 2.13. Except as otherwise provided by applicable law, the chairman of the meeting shall have the power and duty (a) to determine whether a nomination or any business proposed to be brought before the meeting was made or proposed, as the case may be, in accordance with the procedures set forth in this Section 2.13 (including whether the stockholder or beneficial owner, if any, on whose behalf the nomination or proposal is made solicited (or is part of a group which solicited) or did not so solicit, as the case may be, proxies or votes in support of such stockholder's nominee or proposal in compliance with such stockholder's representation as required by clause (A)(3)(a)(vii) of this Section 2.13) and (b) if any proposed nomination or business was not made or proposed in compliance with this Section 2.13, to declare that such nomination shall be disregarded or that such proposed business shall not be transacted. Notwithstanding the foregoing provisions of this Section 2.13, unless otherwise required by applicable law, if the stockholder (or a qualified representative of the stockholder) does not appear at the annual or special meeting of stockholders of the Corporation

to present a nomination or proposed business, such nomination shall be disregarded and such proposed business shall not be transacted, notwithstanding that proxies in respect of such vote may have been received by the Corporation. For purposes of this Section 2.13, to

III-7

be considered a qualified representative of the stockholder, a person must be a duly authorized officer, manager or partner of such stockholder or must be authorized by a writing executed by such stockholder or an electronic transmission delivered by such stockholder to act for such stockholder as proxy at the meeting of stockholders and such person must produce such writing or electronic transmission, or a reliable reproduction of the writing or electronic transmission, at the meeting of stockholders.

(2) A stockholder providing notice of any nomination proposed to be made at an annual meeting or special meeting shall further update and supplement such notice, if necessary, so that the information provided or required to be provided in such notice pursuant to this Section 2.13 shall be true and correct as of the record date for determining the stockholders entitled to receive notice of the annual meeting or special meeting, and such update and supplement shall be delivered to or be mailed and received by the Secretary at the principal executive offices of the Corporation not later than five (5) business days after the record date for determining the stockholders entitled to receive notice of such annual meeting or special meeting.

(3) For purposes of this Section 2.13, "public announcement" shall include disclosure in a press release reported by the Dow Jones News Service, Associated Press, or other national news service or in a document publicly filed by the Corporation with the Securities and Exchange Commission pursuant to Section 13, 14 or 15(d) of the Exchange Act and the rules and regulations promulgated thereunder.

(4) Notwithstanding the foregoing provisions of this Section 2.13, a stockholder shall also comply with all applicable requirements of the Exchange Act and the rules and regulations promulgated thereunder with respect to the matters set forth in this Section 2.13; provided however, that any references in these Bylaws to the Exchange Act or the rules and regulations promulgated thereunder are not intended to and shall not limit any requirements applicable to nominations or proposals as to any other business to be considered pursuant to this Section 2.13 (including paragraphs (A)(1)(c) and (B) hereof), and compliance with paragraphs (A)(1)(c) and (B) of this Section 2.13 shall be the exclusive means for a stockholder to make nominations or submit business other than nominations (other than as provided in Section 2.03). Nothing in this Section 2.13 shall be deemed to affect any rights (a) of stockholders to request inclusion of proposals or nominations in the Corporation's proxy statement pursuant to applicable rules and regulations promulgated under the Exchange Act or (b) of the holders of any class or series of capital stock to elect directors pursuant to any applicable provisions of the Certificate of Incorporation.

Section 2.14. Inspectors of Election. The Corporation shall, in advance of any meeting of stockholders, appoint one or more inspectors of election, who may be officers, employees or agents of the Corporation, to act at the meeting or any adjournment thereof and to make a written report thereof. The Corporation may designate one or more persons as alternate inspectors to replace any inspector who fails to act. In the event that no inspector so appointed or designated is able to act at a meeting of stockholders, the chairman of the meeting shall appoint one or more inspectors to act at the meeting. Each inspector, before entering upon the discharge of his or her duties, shall take and sign an oath faithfully to execute the duties of inspector with strict impartiality and according to the best of his or her ability. The inspector or inspectors so appointed or designated shall (i) ascertain the number of shares and class or series of capital stock of the Corporation outstanding and the voting power of each such share, (ii) determine the shares and class or series of capital stock of the Corporation represented at the meeting and the validity of proxies and ballots, (iii) count all votes and ballots, (iv) determine and retain for a reasonable period a record of the disposition of any challenges made to any determination by the inspectors, and (v) certify their determination of the number of shares and class or series of capital stock of the Corporation represented at the meeting and such inspectors' count of all votes and ballots. Such certification and report shall specify such other information as may be required by applicable law. In determining the validity and counting of proxies and ballots cast at any meeting of stockholders of the Corporation, the inspectors may consider such information as is permitted by applicable law. No person who is a candidate for an office at an election may serve as an inspector at such election.

ARTICLE III

Board of Directors

Section 3.01. General Powers. The business and affairs of the Corporation shall be managed by or under the direction of the Board of Directors, which may exercise all such powers of the Corporation and do all such lawful acts

and things as are not by applicable law, the Certificate of Incorporation, or these Bylaws required to be exercised or done by the stockholders.

Section 3.02. Number and Term. Subject to the rights of the holders of any class or series of stock then outstanding, and except as otherwise provided in the Certificate of Incorporation, the number of Directors shall be determined from time to time by the Board of Directors. Directors need not be stockholders. Except as otherwise provided in the Certificate of Incorporation or these Bylaws, the Directors shall be elected at the annual meeting of the stockholders for a term expiring at the next annual meeting of the stockholders. Each Director elected shall hold office until such Director's successor is duly elected and qualified, or until such director's earlier death, resignation or removal.

Section 3.03. Resignation. Any Director may resign from the Board of Directors or any committee thereof at any time by giving notice in writing or by electronic transmission to the Board of Directors, the Chairman, if any, or the Secretary and, in the case of a committee, to the committee chair of such committee, if any. A resignation is effective when the resignation is delivered unless the resignation specifies a later effective date or an effective date determined upon the happening of an event or events.

Section 3.04. Removal. Except as otherwise provided in the Certificate of Incorporation or these Bylaws, any Director, or the entire Board of Directors, may be removed, with or without cause, by the affirmative vote of the holders of a majority of the shares of stock then entitled to vote at an election of directors; provided, however, that, whenever the holders of any class or classes of stock or series thereof are entitled by the Certificate of Incorporation to elect one or more Directors, any Directors so elected may be removed from office at any time, with or without cause, solely by the affirmative vote of a majority of the holders of such class or classes of stock or series then entitled to vote at an election of directors.

Section 3.05. Vacancies and Newly Created Directorships. Except as otherwise provided in the Certificate of Incorporation or these Bylaws, vacancies and newly created directorships resulting from any increase in the number of Directors or from any other cause (other than any Directors elected or designated in the manner described in the next sentence) may be filled by, and only by, a majority of the Directors then in office, although less than a quorum, or by the sole remaining Director. Whenever the holders of any class or classes of stock or series thereof are entitled by the Certificate of Incorporation to elect one or more Directors, vacancies and newly created directorships of such class or classes or series may be filled by, and only by, a majority of the directors in office elected by such class or classes or series or designated as directors of such class or classes or series, even if less than a quorum, or by the sole remaining director so elected or designated, or, if there are no such directors, by a vote of the holders of such class or classes or series, voting as a separate class. Any Director chosen to fill a vacancy or a newly created directorship shall have a term expiring at the next annual meeting and shall hold office until such Director's successor is duly elected and qualified, or until such director's earlier death, resignation or removal. No decrease in the authorized number of Directors constituting the Board of Directors shall shorten the term of any incumbent Director.

Section 3.06. Place of Meetings. Directors of the Corporation may hold their meetings, both regular and special, at such places either within or without the State of Delaware as the Board of Directors may determine.

Section 3.07. Regular Meetings. The first meeting of each newly-elected Board of Directors shall be held without further notice as soon as practicable after each annual meeting of stockholders, unless the Board of Directors shall have transacted all such business by written consent pursuant to Section 3.12 hereof. Other regular meetings of the Board of Directors may be held at such places within or without the State of Delaware and at such times as the Board of Directors may from time to time determine.

Section 3.08. Special Meetings. Special meetings of the Board of Directors may be held at any time or place within or without the State of Delaware whenever called by the Chairman of the Board of Directors, the Chief Executive Officer, the President, the Secretary, or by a majority of the Board of Directors.

Section 3.09. Notice of Meetings. Notice of each regular meeting of the Board of Directors held pursuant to this Section 3.09 on a date and at a time previously furnished to the Board of Directors shall not be required. Notice

of each special meeting of the Board of Directors shall be given by the Secretary or the person calling the meeting at least twenty-four hours before the special meeting. Notice may be given in writing and delivered personally or mailed to the Directors at their addresses appearing on the books of the Corporation, by telecopier, by telephone, or by other means of electronic transmission. A waiver of notice, whether in writing or by electronic transmission, signed by the Director entitled to notice, whether before or after the time of the meeting referred to in such waiver, shall be deemed equivalent to notice. Neither the business to be transacted at, nor the purpose of, any meeting of the Board of Directors need be specified in any waiver of notice thereof. Attendance of a Director at a meeting of the Board of Directors shall constitute a waiver of notice of such meeting, except when such Director attends a meeting for the express purpose of objecting, at the beginning of the meeting, to the transaction of business because the meeting is not lawfully called or convened.

Section 3.10. Quorum. At all meetings of the Board of Directors, the presence of a majority of the total number of Directors then in office shall constitute a quorum for the transaction of business at such meeting. The vote of a majority of the Directors present at any such meeting at which a quorum is present shall be necessary for the passage of any resolution or act of the Board of Directors, except as otherwise expressly required by applicable law, the Certificate of Incorporation, or these Bylaws. If a quorum shall not be present at any meeting of Directors, the Directors present thereat may adjourn the meeting from time to time, without notice other than announcement at the meeting, until a quorum shall be present.

Section 3.11. Committees of the Board of Directors. The Board of Directors may designate one or more committees, each committee to consist of one or more Directors. The Board of Directors may designate one or more Directors as alternate members of any committee, who may replace any absent or disqualified member at any meeting of such committee. In the absence or disqualification of a member of a committee, the member or members thereof present at any meeting and not disqualified from voting, whether or not he, she or they constitute a quorum, may unanimously appoint another Director to act at the meeting in the place of any such absent or disqualified member. Any committee of the Board of Directors, to the extent permitted by applicable law and to the extent provided in the resolution of the Board of Directors designating such committee, shall have and may exercise all the powers and authority of the Board of Directors in the management of the business and affairs of the Corporation, and may authorize the seal of the Corporation, if any, to be affixed to all papers that may require it.

Section 3.12. Directors' Consent in Lieu of Meeting. Unless otherwise restricted by the Certificate of Incorporation or these Bylaws, any action required or permitted to be taken at any meeting of the Board of Directors or of any committee thereof may be taken without a meeting, without prior notice, and without a vote, if a consent in writing or by electronic transmission, setting forth the action so taken, shall be signed by all the members of the Board of Directors or such committee and such consent is filed with the minutes of the proceedings of the Board of Directors or such committee.

Section 3.13. Action by Means of Telephone or Similar Communications Equipment. Any one or more members of the Board of Directors, or of any committee thereof, may participate in a meeting of the Board of Directors or such committee by means of conference telephone or similar communications equipment by means of which all persons participating in the meeting can hear each other, and participation in a meeting by such means shall constitute presence in person at such meeting.

Section 3.14. Compensation. Directors, by resolution of the Board of Directors, shall receive a fixed sum, and expenses of attendance if any, for attendance at each regular or special meeting of the Board of Directors and, in addition thereto, may receive a retainer for their services, the amount to be authorized by resolution of the Board of Directors; provided that nothing herein contained shall be construed to preclude any Director from serving the Corporation in any other capacity and receiving compensation therefor.

Section 3.15. Interested Directors. No contract or transaction between the Corporation and one or more of its directors or officers, or between the Corporation and any other corporation, partnership, association or other organization in which one or more of its directors or officers are directors or officers or have a financial interest, shall be void or voidable solely for this reason, or solely because the director or officer is present at or participates in the meeting of the Board of Directors or committee thereof which authorizes the contract or transaction, or solely because

any such director's or officer's vote is counted for such purpose if: (i) the material facts as to the director's or officer's relationship or interest and as to the contract or transaction are disclosed or are known to the Board of Directors or the committee, and the Board of Directors or committee in good faith authorizes the contract or transaction by the affirmative votes of a majority of the disinterested directors, even though the disinterested directors be less than a quorum; or (ii) the material facts as to the director's or officer's relationship or interest and as to the contract or transaction are disclosed or are known to the stockholders entitled to vote thereon, and the contract or transaction is specifically approved in good faith by vote of the stockholders; or (iii) the contract or transaction is fair as to the Corporation as of the time it is authorized, approved or ratified by the Board of Directors, a committee thereof or the stockholders. Common or interested directors may be counted in determining the presence of a quorum at a meeting of the Board of Directors or of a committee which authorizes the contract or transaction.

Section 3.16. Chairman of the Board of Directors. The Chairman of the Board of Directors shall have the power to call special meetings of stockholders, to call special meetings of the Board of Directors, and, if present, to preside at all meetings of stockholders and all meetings of the Board of Directors. The Chairman shall see that all orders and resolutions of the Board of Directors are carried into effect and shall perform such other duties incident to the office of Chairman and shall perform all such other duties and have such other powers as may from time to time be assigned to him or her by the Board of Directors or these Bylaws.

The Board of Directors may also elect a Chief Financial Officer, Chief Operating Officer, one or more Vice Presidents or Senior Vice Presidents, one or more Assistant Vice Presidents, one or more Assistant Secretaries, one or more Assistant Treasurers, and such other officers as the Board of Directors may determine. Any two or more offices may be held by the same person, except that the offices of President and Secretary shall not be held by the same person.

Section 4.02. Election; Term; Removal. The officers of the Corporation shall be elected by the Directors. Each officer of the Corporation shall hold office until his or her successor is elected and qualified or until his or her earlier death, resignation, or removal from office. Any officer elected or appointed by the Board of Directors may be removed, with or without cause, at any time by the vote of the Board of Directors. Any officer may resign at any time by giving notice in writing or by electronic transmission to the Board of Directors, the Chairman, the Chief Executive Officer, the President, or the Secretary. Such resignation shall take effect at the time specified in such notice or, if the time be not specified, upon receipt thereof by the Board of Directors, the Chairman, the Chief Executive Officer, the President or the Secretary, as the case may be. Unless otherwise specified therein, acceptance of such resignation shall not be necessary to make it effective. If the office of any officer becomes vacant for any reason, the vacancy may be filled by the Board of Directors.

Section 4.03. Authority and Duties. All officers shall have such authority and perform such duties in the management of the Corporation as may be provided in these Bylaws or by resolution of the Board of Directors and, to the extent not so provided, as generally pertains to their respective offices, subject to the control of the Board of Directors.

Section 4.04. Salaries. The salaries of all officers of the Corporation shall be fixed by the Board of Directors.

The Chief Executive Officer of the Corporation shall have general and active management responsibilities of the business and affairs of the Corporation and shall perform such other duties incident to the office of the Chief Executive Officer and shall perform all such other duties and have such other powers as may from time to time be assigned to him or her by the Board of Directors or these Bylaws. Subject to the orders and resolutions of the Board of Directors, the Chief Executive Officer shall have authority to execute any deed, conveyance, mortgage, guarantee, lease, obligation, bond, certificate, contract, or other paper or instrument of the Corporation; to execute certificates

for shares of stock of the Corporation; and to have general charge of the property of the Corporation and to supervise and direct all officers, agents, and employees of the Corporation.

Section 4.06. The President. The President, in the absence or disability of the Chief Executive Officer to perform the duties and exercise the powers of the Chairman of the Board of Directors, shall perform the duties and exercise the powers of the Chairman of the Board of Directors. The President shall be the principal administrative officer of the Corporation, subject to the direction and approval of the Chief Executive Officer, and shall be responsible for the implementation of the details of managing the administrative affairs of the Corporation, and shall perform such other duties incident to the office of the President and shall perform all such other duties and have such other powers as may from time to time be assigned to him or her by the Board of Directors, the Chief Executive Officer, or these Bylaws. Subject to the direction of the Board of Directors and the Chief Executive Officer, the President shall have authority to execute any deed, conveyance, mortgage, guarantee, lease, obligation, bond, certificate, contract, or other paper or instrument of the Corporation; to execute certificates for shares of stock of the Corporation; and to have general charge of the property of the Corporation and to supervise and direct all officers, agents, and employees of the Corporation (other than the Chief Executive Officer).

Section 4.07. Vice Presidents. Each Vice President, Senior Vice President, or Assistant Vice President shall have such powers and perform such duties as the Board of Directors may from time to time prescribe or as the Chief Executive Officer or President may from time to time delegate to him or her.

The Secretary shall, to the extent practicable, attend all meetings of the Board of Directors and all meetings of the stockholders and shall record all votes and the minutes of all proceedings in a book to be kept for that purpose. He or she shall give, or cause to be given, notice of all meetings of the stockholders and shall perform such other duties as may be prescribed by the Board of Directors, the Chief Executive Officer, or President, under whose supervision the Secretary shall be. The Secretary shall keep in safe custody the minute book and the seal of the Corporation, if any, and affix the seal, if any, to any instrument requiring it, and, when so affixed, it shall be attested by his or her signature or by the signature of the Treasurer or an Assistant Secretary.

Section 4.09. Assistant Secretaries. Each Assistant Secretary shall have such powers and perform such duties as the Board of Directors may from time to time prescribe or as the Chief Executive Officer or President may from time to time delegate to such person. ARTICLE V

Stock and Stock Certificates

Section 5.01. Stock Shares With and Without Certificates. (A) Shares shall be represented by certificates, provided that the Board of Directors may provide by resolution or resolutions that some or all of any or all classes or series of stock shall be uncertificated shares. Any such resolution shall not apply to shares represented by certificate until such certificate is surrendered to the Corporation. The Corporation is hereby authorized to issue any and all of its shares, classes, or series, with or without certificates.

(B) Certificated Shares. To the extent that shares are represented by certificates, such certificates shall be in such form or forms as shall be approved by the Board of Directors. Such certificates shall be consecutively numbered and shall be entered in the books of the Corporation as they are issued. Each certificate shall state on the face thereof the holder's name, the number and class of shares, and the par value of such shares or a statement that such shares are without par value. The certificate shall be signed by or in the name of the Corporation by the Chief Executive Officer, the President, or any Vice President or Senior Vice President and by the Secretary, any Assistant Secretary, the Treasurer, or any Assistant Treasurer certifying the number of shares owned by such holder in the Corporation. Any or all of the signatures on a certificate may be a facsimile. In the event any officer, transfer agent or registrar who has signed or whose facsimile signature has been placed upon a certificate shall have ceased to be an officer, transfer agent or register of the Corporation before such certificate is issued, such certificate may be issued by the Corporation with the same effect as if such person were such officer, transfer agent or registrar on the date of issue. The certificate may also be sealed with the seal of the Corporation, if any, or a facsimile thereof.

Section 5.02. Lost Certificates. The Corporation may issue a new certificate in place of any certificate theretofore issued by it and alleged to have been mutilated, lost, stolen, or destroyed, upon the surrender of the mutilated certificate or, in the case of loss, theft, or destruction of the certificate, upon satisfactory proof of such loss, theft, or destruction, and the Board of Directors or the transfer agents and registrars may, in their discretion, require the record holder of the shares or his or her legal representative to give the Corporation a bond sufficient to indemnify the Corporation and applicable transfer agents and registrars against any claim made against it on account of the alleged loss, theft, or destruction of any such certificate or the issuance of such new certificate.

Section 5.03. Transfer of Shares. Registration of transfers of shares shall be made only on the books of the Corporation upon request of the registered holder of such shares, or of his or her attorney thereunto authorized by power of attorney duly executed and filed with the Secretary, and, if the shares are represented by certificates, upon the surrender of the certificate or certificates evidencing such shares properly endorsed or accompanied by a stock power duly executed, together with such proof of the authenticity of signatures as the Corporation may reasonably require. Upon surrender to the Corporation, or the transfer agent of the Corporation, of a certificate representing shares duly endorsed or accompanied by proper evidence of succession, assignment, or authority to transfer, it shall be the duty of the Corporation or the transfer agent of the Corporation to issue a new certificate to the person entitled thereto, cancel the old certificate, and record the transaction upon its books.

Section 5.04. Registered Stockholders. The Corporation shall be entitled to treat the holder of record of any share or shares of stock as the holder in fact thereof and, accordingly, shall not be bound to recognize any equitable or other claim to or interest in such share or shares on the part of any other person, whether or not it shall have express or other notice thereof, except as otherwise provided by the laws of the State of Delaware.

Section 5.05. Fixing Date for Determination of Stockholders of Record. (a) In order that the Corporation may determine the stockholders entitled to notice of any meeting of stockholders or any adjournment thereof, the Board of Directors may fix a record date, which record date shall not precede the date upon which the resolution fixing the record date is adopted by the Board of Directors, and which record date shall, unless otherwise required by applicable law, not be more than 60 nor less than 10 days before the date of such meeting. If the Board of Directors so fixes a date, such date shall also be the record date for determining the stockholders entitled to vote at such meeting unless the Board of Directors determines, at the time it fixes such record date, that a later date on or before the date of the meeting shall be the date for making such determination. If no record date is fixed by the Board of Directors, the record date for determining stockholders entitled to notice of or to vote at a meeting of stockholders shall be at the close of

III-13

business on the day next preceding the day on which notice is given, or, if notice is waived, at the close of business on the day next preceding the day on which the meeting is held. A determination of stockholders of record entitled to notice of or to vote at a meeting of stockholders shall apply to any adjournment of the meeting; provided, however, that the Board of Directors may fix a new record date for determination of stockholders entitled to vote at the adjourned meeting, and in such case shall also fix as the record date for stockholders entitled to notice of such adjourned meeting the same or an earlier date as that fixed for determination of stockholders entitled to vote in accordance herewith at the adjourned meeting.

(b) In order that the Corporation may determine the stockholders entitled to receive payment of any dividend or other distribution or allotment of any rights, or entitled to exercise any rights in respect of any change, conversion, or exchange of stock or for the purpose of any other lawful action, the Board of Directors may fix a record date, which shall not be more than 60 days prior to such other action. If no such record date is fixed, the record date for determining stockholders for any such purpose shall be at the close of business on the day on which the Board of Directors adopts the resolution relating thereto.

ARTICLE VI

Dividends may be paid in cash, in property, or in shares of the Corporation's capital stock, except as otherwise provided by the laws of the State of Delaware or the Certificate of Incorporation.

Section 6.03. Seal. The Corporation may adopt a corporate seal, which shall have inscribed thereon the name of the Corporation and the words "Corporate Seal." Said seal may be used by causing it or a facsimile thereof to be impressed or affixed or reproduced.

ARTICLE VII

Indemnification

Section 7.01. Right to Indemnification. Subject to Section 7.03 of these Bylaws, the Corporation shall indemnify and hold harmless, to the fullest extent permitted by applicable law as it presently exists or may hereafter be amended, any person (a "Covered Person") who was or is made or is threatened to be made a party or is otherwise involved in any threatened, pending or completed action, suit or proceeding, whether civil, criminal, administrative or investigative (a "Proceeding"), including, but not limited to, serving as a witness without being named a defendant or respondent, by reason of the fact that he or she, or a person for whom he or she is the legal representative, is or was a Director or officer of the Corporation or, while a Director or officer of the Corporation, is or was serving at the request of the Corporation as a director, officer, employee or agent of another corporation, partnership, joint venture, trust or other enterprise, against all liability and loss suffered (including, but not limited to, judgments, penalties, fines, excise taxes, and amounts paid in settlement) and expenses (including attorneys' fees) reasonably incurred by such Covered Person. Notwithstanding the preceding sentence, the Corporation shall be required to indemnify a Covered Person in connection with a Proceeding (or part thereof) commenced by such Covered Person only if commencement of such Proceeding (or part thereof) by the Covered Person was authorized in the specific case by the Board of Directors.

Section 7.02. Right to Advancement of Expenses. The Corporation shall to the fullest extent not prohibited by applicable law pay the expenses (including attorneys' fees) incurred by a Covered Person in defending any proceeding in advance of its final disposition, provided, however, that (i), to the extent required by applicable law, such payment of expenses in advance of the final disposition of the proceeding shall be made only upon receipt of an undertaking by the Covered Person to repay all amounts advanced if it should be ultimately determined that the Covered Person is not entitled to be indemnified under this Article VII or otherwise and (ii) such payment of expenses in advance of

the final disposition of the proceeding shall be made only upon receipt of a written affirmation by such Covered Person of his or her good faith belief that he or she has met the standard of conduct necessary for indemnification by the Corporation under this Article VII.

Section 7.03. Success on the Merits or Otherwise. To the extent that a Covered Person has been successful on the merits or otherwise in defense of any Proceeding referred to in Section 7.01 of these Bylaws, or in defense of any claim, issue or matter therein, such Covered Person shall be indemnified against expenses (including attorneys' fees) actually and reasonably incurred by such Covered Person in connection therewith.

Section 7.04. Requirement to Authorize Indemnification in each Specific Case. Any indemnification under Section 7.01 of these Bylaws (unless ordered by a court) shall be made by the Corporation only as authorized in the specific case upon a determination that indemnification of the Covered Person is proper in the circumstances because he or she has met the applicable standard of conduct set forth in Section 145 of the DGCL. Such determination shall be made, with respect to a Covered Person: (i) by a majority vote of the Directors who are not parties to such Proceeding, though less than a quorum, (ii) by a committee of such Directors designated by majority vote of such Directors, even though less than a quorum, (iii) if there are no such Directors, or if such Directors so direct, by independent legal counsel in a written opinion, or (iv) by the stockholders of the Corporation.

Section 7.05. Right of Indemnitee to Bring Suit. If a claim for indemnification (following the final disposition of such proceeding) or advancement of expenses under this Article VII is not paid in full within 30 days after the Corporation has received a claim therefor by the Covered Person, such Covered Person shall thereupon (but not before) be entitled to file suit to recover the unpaid amount of such claim. If successful in whole or in part, such Covered Person shall be entitled to be paid the expense of prosecuting such claim to the fullest extent permitted by applicable law. In any such action, the Corporation shall have the burden of proving that the person seeking indemnification or advancement of expenses is not entitled to the requested indemnification or advancement of expenses under applicable law.

Section 7.06. Nonexclusive Rights. The rights conferred on any Covered Person by this Article VII shall not be deemed exclusive of any other rights to which such Covered Person may be entitled under any law, bylaw, agreement, vote of stockholders or disinterested Directors or otherwise.

Section 7.07. General Provisions. (a) For purposes of this Article VII, references to "the Corporation" shall include, in addition to the resulting corporation, any constituent corporation (including any constituent of a constituent) absorbed in a consolidation or merger which, if its separate existence had continued, would have had power and authority to indemnify its Directors, officers, employees or agents so that any person who is or was a Director, officer, employee or agent of such constituent corporation, or is or was serving at the request of such constituent corporation as a Director, officer, employee or agent of another corporation, partnership, joint venture, trust or other enterprise, shall stand in the same position under the provisions of this Article VII with respect to the resulting or surviving corporation as he or she would have with respect to such constituent corporation if its separate existence had continued.
