ITEM 2. ACQUISITION OR DISPOSITION OF ASSETS

On April 12, 2004, California Amplifier, Inc. (the "Company") completed the acquisition of and merger with Vytek Corporation ("Vytek"), a privately held company, pursuant to the Agreement and Plan of Merger and Reorganization dated December 23, 2003 (the "Agreement"). The transaction was approved by

the shareholders of both companies during special stockholder meetings held on April 8, 2004.

Vytek is a provider of technology integration solutions involving a mix of professional services and proprietary software and hardware products, serving the needs of enterprise customers and original equipment manufacturers.

Pursuant to the Agreement, the Company issued approximately 8,123,700 shares of common stock as the purchase consideration, of which 854,700 share were placed into an escrow account and approximately 7,269,000 shares were issued to the selling shareholders of Vytek. The Company also assumed all unexercised Vytek stock options and stock purchase warrants that were outstanding at the time of the merger. The Company reserved approximately 76,300 shares of its common stock for in-the-money Vytek options and warrants that were assumed, and also reserved approximately 117,600 shares of common stock for out-of-the-money Vytek options and warrants that were assumed.

For purchase accounting purposes, the fair market value per share used to value the approximately 7,269,000 shares issued to the Vytek selling stockholders is \$11.26 per share, which is the average closing price of the Company's common stock on the Nasdaq National Market for the period beginning two trading days before and ending two trading days after December 23, 2003, the day that the merger terms were agreed to and announced. Also for purchase accounting purposes, the fair value of the Vytek options and warrants assumed by the Company in the merger will be calculated using the Black-Scholes option pricing model. Direct costs of the acquisition, including legal, accounting and financial advisory fees, are estimated to be \$2.4 million, and have been or will be paid by the Company in cash.

None of the selling stockholders of Vytek were affiliated with the Company prior to the merger. On April 12, 2004, at the effective time of the merger, Tracy Trent, Vytek's Chief Operating Officer, became the President of the Company's Solutions Division. James E. Ousley, who served as President and Chief Executive Officer of Vytek from 2000 until the effective time of the merger, joined the Company's Board of Directors on April 20, 2004.
