1. Details of the agreement of integration between Sogecable, S.A. and Via Digital	3

Continuing from yesterday's announcement of a Significant Event, and in compliance with that set forth in article 82 of the Spanish Stock Market Act (Ley del Mercado de Valores), Telefonica S.A. would like to announce the following

SIGNIFICANT EVENT

Edgar Filing: TELEFONICA S A - Form 6-K

The agreement signed yesterday between Sogecable S.A. and Telefonica de Contenidos, S.A.U., a subsidiary of Telefonica, S.A., sets forth the possibility that the final stake to be held by the aforementioned company in the share capital of Sogecable will exceed that held by Prisa and Groupe Canal +, respectively, which, following the dilution derived from the operation, and having carried out the exchange for 100% of the share capital of Via Digital, will stand at 16.38% of the resulting share capital. Telefonica will renounce its right to exercise the voting rights that would correspond to this excess in stake. In this agreement, Telefonica also states that its current annual strategic plans do not foresee the divestiture of the 16.38% stake previously mentioned.

Telefonica will participate in the Board of Directors of Sogecable with five directors, as will be the case of Prisa and Groupe Canal +.

In order to collaborate in the financing of the operation, Prisa, Groupe Canal + and Telefonica will contribute with a participation loan of Euros 150 million, with each of the parties holding Euros 50 million, at 10-year maturity, and an annual interest rate of 11%.

Sogecable will also offer its shareholders the possibility of participating in a subordinated loan of Euros 175 million, at an interest rate of 10.28%, whose final underwriting will be undertaken by Telefonica. This subordinated loan will mature at 9 years, and will include the yield of the warrant issue equal to 1% of the share capital of Sogecable.

The parties have also agreed that Via Digital's indebtedness at April 30<sup>th</sup>, 2003, may not exceed Euros 425 million, and that that of Sogecable may neither exceed, at this same date, Euros 705 million.

Once the accounting effect of the operation for Telefonica has been calculated, the market will be duly informed.
