The Offers commence on 13 March 2018 and will expire at 17:00 CET on 20 March 2018 (the "Expiration Deadline"), unless extended, re-opened, withdrawn or terminated at the sole discretion of the Issuer.
Purpose of the Offers

The purpose of the Offers and the planned issuance of New Notes (as defined below) is, amongst other things, to proactively manage the Issuer's layer of hybrid capital. The Offers also provide Noteholders with the opportunity to switch into the New Notes (as defined below) ahead of upcoming first call dates.

New Financing Condition

The Issuer intends to issue new EUR denominated Undated 5.7 Year Non-Call Deeply Subordinated Guaranteed Fixed Rate Reset Securities guaranteed by the Guarantor and new EUR denominated Undated 8.5 Year Non-Call Deeply Subordinated Guaranteed Fixed Rate Reset Securities guaranteed by the Guarantor (the "New Notes"). Whether the Issuer will accept for purchase any Notes validly tendered in the Offers is subject, without limitation, to the settlement of the issue of the New Notes (the "New Financing Condition").

Purchase Price

Subject to the applicable Minimum Denomination in respect of the relevant Series of Notes, the price payable per EUR 100,000 or GBP 100,000 (as applicable) in principal amount of the Notes (the "Purchase Price") will be (i) in respect of the EUR 2018 Notes, EUR 103,187.67 per EUR 100,000 and (ii) in respect of the remaining Series of Notes, calculated by reference to the sum of the relevant fixed spread in respect of that Series, as specified in the table above (the "Fixed Spread Amount") and the relevant Benchmark Rate at or around the Pricing Time, expressed as a percentage and rounded to the third decimal place (with 0.0005 being rounded upwards). In respect of any Notes accepted for purchase, the Issuer will also pay an amount equal to any accrued and unpaid interest on the relevant Notes from, and including, the relevant interest payment date for the Notes immediately preceding the Settlement Date up to, but excluding, the Settlement Date, which is expected to be no later than 23 March 2018.

Notes repurchased by the Issuer pursuant to the Offer may be cancelled. Notes which have not been validly tendered and accepted for purchase pursuant to the Offers will remain outstanding after the Settlement Date.

Maximum Acceptance Amount

The Issuer proposes to accept Notes for purchase up to a maximum aggregate principal amount equal to the aggregate principal amount of the New Notes (the "Maximum Acceptance Amount") on the terms and conditions contained in the Tender Offer Memorandum.

If the Issuer decides to accept any Notes for purchase pursuant to the Offers, the Issuer intends to accept any and all of the EUR 2018 Notes for purchase in priority to the Notes of any other Series. The Issuer intends that the aggregate principal amount of Notes of all remaining Series which it will accept for purchase (if any) will be an amount that will not exceed: (i) the Maximum Acceptance Amount, less (ii) the aggregate principal amount outstanding of the EUR 2018 Notes (being EUR 1,125,000,000). The Issuer will determine the allocation of the acceptance amounts across the remaining Series of Notes in its sole discretion, and reserves the right to accept significantly more or significantly less (or none) of any such Series (subject to pro rata scaling, if applicable) as compared to the other Series. If the Issuer decides to accept any GBP Notes for purchase, the Issuer will determine the Euro equivalent of the relevant Series Acceptance Amount based on the prevailing GBP/EUR exchange rate at the Expiration Deadline, as shown on Bloomberg Page BFIX (or, if such screen is unavailable or is manifestly erroneous, a generally recognised source for currency quotations with quotes as of a time as close as reasonably possible to the aforementioned time as determined by the Issuer).
