Item 8.01. Other Events.

As previously disclosed, on July 30, 2007, Marathon Electric Manufacturing Corporation (“Marathon”), a subsidiary of Regal Beloit Corporation, entered into a settlement agreement with Enron Wind Energy Systems, LLC, Enron Wind Contractors, LLC and Zond Minnesota Construction Company, LLC (collectively, “Enron Wind”) to resolve all matters alleged by Enron Wind in the litigation it filed in 2004 against Marathon involving certain generators sold by Marathon to Enron Wind from 1997 to 1999 (the “Action”). The settlement agreement was subject to approval by the United States Bankruptcy Court for the Southern District of New York (the “Court”) where each of the Enron Wind entities has consolidated its Chapter 11 bankruptcy petition as part of the Enron Corporation bankruptcy proceedings.

On September 21, 2007, the Court approved the settlement agreement. Under the terms of the settlement agreement, Enron Wind has fully released and discharged Marathon from all claims relating to the Action and, in exchange, Enron Wind will receive a monetary payment. After contributions from other involved parties, the after-tax impact of Marathon’s portion of the payment under the settlement agreement is approximately \$1.15 million.
