Item 9. Undertakings.

(a) The undersigned registrant hereby undertakes:

(1) To file, during any period in which offers or sales are being made, a post-effective amendment to this registration statement:

(i) To include any prospectus required by Section 10(a)(3) of the Securities Act of 1933, as amended (the "Securities Act");

(ii) To reflect in the prospectus any facts or events arising after the effective date of the Registration Statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the Registration Statement. Notwithstanding the foregoing, any increase or decrease in the volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the SEC pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than a 20% change in the maximum aggregate offering price set forth in the "Calculation of Registration Fee" table in the effective registration statement; and

(iii) To include any material information with respect to the plan of distribution not previously disclosed in the Registration Statement or any material change to such information in the Registration Statement.

Provided, however, that paragraphs (a)(1)(i) and (a)(1)(ii) above do not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in reports filed with or furnished to the SEC by the registrant pursuant to Section 13 or Section 15(d) of the Exchange Act that are incorporated by reference in the Registration Statement.

(2) That, for the purpose of determining any liability under the Securities Act, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(b) The undersigned registrant hereby undertakes that, for purposes of determining any liability under the Securities Act, each filing of the registrant's annual report pursuant to Section 13(a) or Section 15(d) of the Exchange Act that is incorporated by reference in the registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(c) Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers and controlling persons of the registrant pursuant to the foregoing provisions, or otherwise, the registrant has been advised that in the opinion of the SEC such indemnification is against public policy as expressed in the Securities Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the registrant of expenses incurred or paid by a director, officer or controlling person of the registrant in the successful defense of any action,

suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question of whether such indemnification by it is against public policy as expressed in the Securities Act and will be governed by the final adjudication of such issue.

PROSPECTUS SUMMARY

Our Business

We are a national specialty retailer featuring exclusively-designed, private-brand women's apparel and accessories. We offer our customers an assortment of classic and versatile clothing for her everyday needs at a good value.

We operate an integrated, omni-channel platform that provides our customer the ability to shop when and where she wants, including online or at retail and outlet stores. This approach allows our customers to browse, purchase, return, or exchange our merchandise through the channel that is optimal for her.

Christopher & Banks Corporation was incorporated in 1986 to acquire Braun's Fashions, Inc., which had operated as a family-owned business since 1956. We became a publicly traded corporation in 1992 and, in July 2000, our stockholders approved a company name change from Braun's Fashions Corporation to Christopher & Banks Corporation. Christopher & Banks caters to missy and petite sized customers. In 2000, we introduced our women's plus sized collection under the name C.J. Banks.

As of February 27, 2017, we operated 479 stores in 45 states, including 317 Missy, Petite, Women ("MPW") stores, 82 outlet stores, 41 Christopher & Banks ("CB") stores, and 39 C.J. Banks ("CJ") stores. Our CB brand offers unique fashions and accessories featuring exclusively designed assortments of women's apparel in sizes 4 to 16 and in petite sizes 4P to 16P. Our CJ brand offers similar assortments of women's apparel in sizes 14W to 26W.

We continue to evaluate the benefits of converting the remaining CB stores and CJ stores to MPW stores. MPW stores provide a unified store format that simplifies merchandising and allocations processes, enhances the customer experience, and enables more scale economies across functions.

Outlet stores play a distinct role in the store fleet and are an important growth lever. These stores enable us to expand our customer reach to new geographies and heighten brand awareness. Our outlet stores contain a mixture of core merchandise, made-for-outlet merchandise, and clearance merchandise. The company now operates 82 outlets, a near doubling of the outlet store count compared to two years ago. Due to the significant growth in the number of outlets coupled with their challenging performance, we are focused on improving the performance of the existing outlets. We offer merchandise assortments that reflect a balance of novelty and basic core pieces, at affordable prices. We emphasize comfort and easy care in classic and relevant fashion. To differentiate ourselves from our competitors, our buyers, working in conjunction with our product development teams, strive to create a merchandise assortment of coordinated outfits, the majority of which are manufactured exclusively for us under our proprietary Christopher & Banks ® and C.J. Banks ® names.

Unless otherwise noted, the use of the terms "the Company", "we", "us" and "our" in this Reoffer Prospectus refers to Christopher & Banks Corporation and its wholly owned subsidiaries, Christopher & Banks, Inc. and Christopher & Banks Company.

Our principal executive office is located at 2400 Xenium Lane North, Plymouth, Minnesota and our telephone number is (763) 551-5000.

The Offering

As an inducement to Joel N. Waller joining Christopher & Banks as interim Chief Executive Officer and President on January 17, 2017, we granted Mr. Waller 200,000 shares of restricted Common Stock offered and sold pursuant to the Performance-Based Restricted Stock Agreement, effective as of January 17, 2017, by and between Christopher & Banks and Joel Waller (the “Restricted Stock Agreement”). Upon the fulfillment of certain performance conditions set forth in the Restricted Stock Agreement, Mr. Waller may offer and sell up to 200,000 shares of such Common Stock. Along with the shares granted under the Restricted Stock Agreement, Mr. Waller also received 375,000 shares of Common Stock to be offered and sold pursuant to the Stock Option Agreement (non-qualified stock option), effective as of January 17, 2017, by and between the Company and Joel Waller (the “Option Agreement”).

Mr. Waller may sell all or a portion of the shares being offered pursuant to this reoffer prospectus at fixed prices, at prevailing market prices at the time of sale, at varying prices or at negotiated prices.

Number of Shares Outstanding

There were 37,624,918 shares of our Common Stock issued and outstanding as of February 25, 2017.

RISK FACTORS

Our business is subject to a variety of risks. Thus, an investment in our stock is also subject to risk. In connection with evaluating our business, the following risk factors should be read carefully, along with the risk factors and the forward-looking statements that are contained in our Annual Report on Form 10-K for the fiscal year ended January 30, 2016 (the “Annual Report”), as well as certain of our other filings with the SEC, which are incorporated by reference into this Reoffer Prospectus. See “Available Information” for an explanation of how to get a copy of the Annual Report. The risk factors described below and the risk factors included in the Annual Report should not be construed as an exhaustive list of all the risks related to our business or ownership of our Common Stock that could have a material adverse effect on our business, financial condition, results of operations, the price of our stock and/or the outcome of matters with respect to which the forward-looking statements are made. There may be other risk factors not identified below or in the Annual Report that are either not presently known to us or that we currently believe to be immaterial, that could cause materially adverse effects.

Risks Related to Ownership of Our Common Stock

Stock price volatility.

Our stock price, like that of other retail companies, is subject to significant volatility due to many factors, including, but not limited to: general economic conditions, stock and credit market conditions, quarter- to-quarter variations in our actual or anticipated financial results, analysts’ ratings and investor sentiment. In addition, the stock market has experienced price and volume fluctuations that have affected the market price of many retail and other stocks and which may be unrelated or disproportionate to the operating performance of these companies.

Furthermore, we may provide public guidance on our expected financial results for future periods. Although we believe that this guidance provides investors and analysts with a better understanding of management's expectations for the future and is useful to our stockholders and potential stockholders, such guidance is comprised of forward-looking statements subject to the risks and uncertainties described in this Report and in our other public filings and public statements. Our actual results may not always be in line with the guidance we have provided. If our financial results for a particular period do not meet our guidance or the expectations of investment analysts or if we reduce our guidance for future periods, the market price of our common stock may decline.

The sufficiency and availability of our sources of liquidity may be affected by a variety of factors.

The sufficiency and availability of our sources of liquidity may be affected by a variety of factors, including, without limitation: (i) the level of our operating cash flows, which are impacted by consumer acceptance of our merchandise, general economic conditions and the level of consumer discretionary spending; and (ii) our ability to maintain borrowing availability and to comply with applicable covenants contained in our Credit Facility.

Our ability to return to profitability and to generate positive cash flows is dependent upon many factors, including favorable economic conditions and consumer confidence and our ability to successfully execute our financial plan and strategic and tactical initiatives. There can be no assurance that our cash flows from operations will be sufficient at all times to support our Company without additional financing or credit availability. An inability to generate sufficient cash flow could have important consequences. For example, it could:

- increase our vulnerability to general adverse economic and industry conditions;
- limit our flexibility in planning for, or reacting to, changes in our business and the industry in which we operate;
- limit our ability to borrow money or to invest in our business operations;
- make it more difficult for us to open new stores, improve existing stores or convert stores to the MPW format; and
- require us to incur significant additional indebtedness.

Should we be unable in the future to borrow under the Credit Facility, it is possible, depending on the cause of our inability to borrow, that we may not have sufficient cash resources for our operations. If that were to occur, our liquidity would be significantly impaired, which could have a material adverse effect on our business, financial condition and results of operations.

Access to additional financing from the capital markets may be limited.

While we have availability under our Credit Facility to bolster our liquidity, we may need additional capital to fund our operations, particularly if our cash flows from operating activities were to decrease or if the Credit Facility were unavailable. The sale of additional equity securities or convertible debt securities in order to improve our liquidity could result in additional dilution to our stockholders. If we borrow under our Credit Facility or incur other debt, our expenses will increase and we could be subject to additional restrictions that may limit our operating flexibility.

Newly issued securities may have rights, preferences and privileges that are senior or otherwise superior to those of our common stock. There is no assurance that equity or debt financing will be available in amounts or on terms acceptable to us. Without sufficient liquidity, we will be more vulnerable to any future downturns in our business or the general economy. Future increases in interest rates or other tightening of the credit markets, or future turmoil in the financial markets, could make it more difficult for us to access funds, to refinance our indebtedness (if necessary), to enter into agreements for new indebtedness, or to obtain funding through the issuance of our securities.

Provisions in our charter documents and Delaware law may inhibit a takeover. We are entitled to certain other protective provisions under Delaware law.

We are a Delaware corporation and the anti-takeover provisions of Delaware law impose various impediments to the ability of a third-party to acquire control of the Company, even if a change of control would be beneficial to our existing stockholders. In addition, our amended and restated certificate of incorporation and by-laws contain provisions that may discourage, delay or prevent a merger or acquisition involving us that our stockholders may consider favorable by, among other things:

- prohibiting cumulative voting in the election of directors;
- authorizing the Board to designate and issue “blank check” preferred stock;
- limiting persons who can call special meetings of the Board of Directors or stockholders;
- prohibiting stockholder action by written consent; and
- establishing advance notice requirements for nominations for election to the Board of Directors or for proposing matters that can be acted on by stockholders at a stockholders’ meeting.

CAUTIONARY NOTE REGARDING FORWARD-LOOKING STATEMENTS

This Reoffer Prospectus contains “forward-looking statements” within the meaning of the safe harbor provisions of the U.S. Private Securities Litigation Reform Act of 1995. Forward-looking statements can be identified by words such as “anticipate,” “intend,” “plan,” “goal,” “seek,” “believe,” “project,” “estimate,” “expect,” “strategy,” “future,” “likely,” “may,” similar references to future periods. These statements may be found in the section of this Reoffer Prospectus entitled “Risk Factors” and in other sections of this Reoffer Prospectus that contain forward-looking statements. These statements are based on our current beliefs, expectations and assumptions and are subject to a number of risks and uncertainties. Actual results and timing of certain events could differ materially from those projected in or contemplated by forward-looking statements due to a number of factors including, without limitation, macroeconomic conditions, fashion trends and customer demands, competition, seasonality, dependence on management, and reliance on manufacturers, vendors and distributors, as well as other risks outlined from time to time in the our filings with the Commission. A description of risks that could cause our results to vary appears under the caption “Risk Factors” and elsewhere in this Reoffer Prospectus.

These risks and uncertainties should be considered in evaluating any forward-looking statement contained in this Reoffer Prospectus or incorporated by reference herein. All forward-looking statements speak only as of the date of this Reoffer Prospectus or, in the case of any document incorporated by reference, the date of that document. All subsequent written and oral forward-looking statements attributable to us or any person acting on our behalf are qualified by the cautionary statements in this section. We undertake no obligation to update or publicly release any revisions to forward-looking statements to reflect events, circumstances or changes in expectations after the date of this Reoffer Prospectus. In addition, our past results are not necessarily indicative of our future results.

USE OF PROCEEDS

We will not receive any proceeds from the sale of any shares of our Common Stock by Mr. Waller.

PLAN OF DISTRIBUTION

The shares of Common Stock covered by this Reoffer Prospectus are being registered by the Company for the account of Mr. Waller. The Company understands that none of such shares will be offered through underwriters.

Shares of Common Stock covered by this Reoffer Prospectus may be offered and sold from time to time by Mr. Waller through the NYSE, the over-the-counter market, negotiated transactions or otherwise, at the prices prevailing at the time of such sales, at prices relating to such prevailing market prices or at prices otherwise negotiated. To the Company's knowledge, no specific brokers or dealers have been designated by Mr. Waller nor has any agreement been entered into in respect of brokerage commissions or for the exclusive or coordinated sale of any securities which may be offered pursuant to this Reoffer Prospectus. Mr. Waller and any broker dealer through whom sales are made by Mr. Waller may be regarded as "underwriters" within the meaning of the Securities Act although Mr. Waller disclaims such status, and their compensation may be regarded as underwriters' compensation.

The Company will not receive any of the proceeds from the offering hereunder. All expenses of registration incurred in connection with this offering are being borne by the Company, but all selling and other expenses incurred by Mr. Waller will be borne by Mr. Waller.

On March 3, 2017, the closing sales price of the Common Stock, as reported on the NYSE, was \$1.32.

SELLING STOCKHOLDER

This Reoffer Prospectus relates to shares of Common Stock which may be acquired by Joel N. Waller, the interim President and Chief Executive Officer of the Company, who may be deemed to be “affiliate” of the Company. Mr. Waller’s address is c/o Christopher & Banks Corporation, 2400 Xenium Lane North, Plymouth, Minnesota. Mr. Waller may offer and sell, from time to time, any or all of shares of our Common Stock issued pursuant to the Restricted Stock Agreement.

The following table sets forth certain information regarding the beneficial ownership of shares of Common Stock by Mr. Waller as of March 3, 2017 and the number of shares of our Common Stock being offered pursuant to this Reoffer Prospectus. The table does not include the 375,000 shares of Common Stock to be offered and sold pursuant to the Option Agreement which do not vest until the earlier to occur of: (i) January 17, 2018, (ii) the date on which the Company has hired a permanent Chief Executive Officer, and (iii) the termination of Mr. Waller’s employment without cause in connection with a change in control of the Company. We believe that Mr. Waller has sole voting and investment powers over his shares.

Because Mr. Waller may offer and sell all or only some portion of the 200,000 shares of our Common Stock being offered pursuant to this Reoffer Prospectus, the numbers in the table below representing the amount and percentage of these shares of our Common Stock that will be held by Mr. Waller upon termination of the offering are only estimates, based upon the assumption that Mr. Waller will sell all of his shares of our Common Stock being offered pursuant to this Reoffer Prospectus.

Mr. Waller is not a broker-dealer or an affiliate of a broker-dealer.
