PROSPECTUS SUPPLEMENT NO. 1

(TO PROSPECTUS DATED AUGUST 21, 2006)

PROSPECTUS UP TO 1,550,134 SHARES OF SPECTRUM PHARMACEUTICALS, INC. COMMON STOCK

This prospectus supplement no. 1 relates to the offer and sale of up to 1,550,134 shares of our common stock by the selling stockholders named in the prospectus dated August 21, 2006 (the Prospectus). This prospectus supplement no. 1 should be read in conjunction with the Prospectus.

In connection with our 2006 acquisition of all the oncology drug assets of Targent, LLC, as the successor to Targent, Inc. (Targent), Targent is eligible to receive contingent consideration, in the form of either cash or shares, upon the satisfaction of certain milestones. As a result of the satisfaction of one such milestone in 2007, we are issuing 125,000 shares of our common stock, as directed by Targent, to the individuals named in the Selling Stockholders table below. Pursuant to this prospectus supplement no. 1, as required by our registration rights agreement with Targent, we are registering for resale 41,665 of those 125,000 shares. Other than in respect of the asset purchase agreement relating to the acquisition and transactions contemplated thereby, there are no material relationships between the Company and Targent.

The information appearing in the table below, as of the date hereof, supplements the information in the table appearing under the heading Selling Stockholders in the Prospectus, and, where the name of the selling stockholder identified in the table below also appears in the table in the Prospectus, the information set forth in the table below regarding the selling stockholder supersedes the information in the Prospectus. This table only provides beneficial ownership information with respect to selling stockholders who are receiving shares of our common stock in connection with the achievement of a milestone related to the acquisition of certain assets from Targent, as described above.
