**1. BASIS OF PREPARATION AND CONSOLIDATION**

Our condensed consolidated financial statements have not been audited. These statements have been prepared in accordance with U.S. Generally Accepted Accounting Principles ( U.S. GAAP ) for interim financial information and with the instructions to Form 10-Q and Article 10 of Regulation S-X. Accordingly, they do not include all of the information and footnotes required by U.S. GAAP for complete financial statements. In the opinion of management, these financial statements reflect all adjustments (consisting of normal recurring accruals) considered necessary for a fair presentation of our financial position and results of operations as at the end of and for the periods presented. Results of operations for subsidiaries acquired are included from the dates of their acquisition by the Company. Intercompany transactions are eliminated on consolidation. The results of operations for any interim period are not necessarily indicative of the results for a full year. All significant inter-company accounts and transactions have been eliminated. In these notes, the terms we, us, our, or the Company refer to Enstar Group Limited and its direct and indirect subsidiaries. The following information is unaudited and should be read in conjunction with our Annual Report on Form 10-K for the year ended December 31, 2008.

**Adoption of New Accounting Standards**

The term FAS used in these notes refers to Statements of Financial Accounting Standards issued by the United States Financial Accounting Standards Board ( FASB ).

The Company adopted FAS No. 141(R), Business Combinations ( FAS 141(R) ), effective January 1, 2009. FAS 141(R) replaces FAS No. 141 Business Combinations ( FAS 141 ) but retains the fundamental requirements in FAS No. 141 that the acquisition method of accounting be used for all business combinations and for an acquirer to be identified for each business combination. FAS 141(R) requires an acquirer to recognize the assets acquired, the liabilities assumed, and any noncontrolling interest in the acquiree at the acquisition date, measured at their fair values as of that date. FAS 141(R) also requires the Company to recognize acquisition-related costs separately from the acquisition, recognize assets acquired and liabilities assumed arising from contractual contingencies at their acquisition-date fair values and recognize goodwill as the excess of the consideration transferred plus the fair value of any noncontrolling interest in the acquiree at the acquisition date over the fair values of the identifiable net assets acquired. The adoption of FAS 141(R) did not have a material impact on the consolidated financial statements.

The Company adopted FAS No. 160, Noncontrolling Interests in Consolidated Financial Statements an amendment of ARB No. 51 ( FAS 160 ), effective January 1, 2009. FAS 160 amends ARB No. 51 to establish accounting and reporting standards for the noncontrolling interest in a subsidiary and for the deconsolidation of a subsidiary. FAS 160 clarifies that a noncontrolling interest in a subsidiary is an ownership interest that should be reported as equity in the consolidated financial statements. FAS 160 requires consolidated net income to be reported at the amounts that include the amounts attributable to both the parent and the noncontrolling interest. This statement also establishes a method of accounting for changes in a parent s ownership interest in a subsidiary that results in deconsolidation. The presentation and disclosure of FAS 160 have been applied retrospectively for all periods presented. The adoption of FAS 160 resulted in reclassification of noncontrolling interest in the amounts of \$238.3 million and \$256.0 million to shareholders equity as at March 31, 2009 and December 31, 2008, respectively.

The Company adopted FAS No. 161, Disclosures about Derivative Instruments and Hedging Activities an amendment of FASB Statement No. 133 ( FAS 161 ), effective January 1, 2009. FAS 161 expands the disclosure requirements of FAS 133 and requires the reporting entity to provide enhanced disclosures about the objectives and strategies for using derivative instruments, quantitative disclosures about fair values and amounts of gains and losses on derivative contracts, and credit-risk related contingent features in derivative agreements. The adoption of FAS 161 did not have a material impact on the consolidated financial statements.

**NOTES TO THE UNAUDITED CONDENSED  
CONSOLIDATED FINANCIAL STATEMENTS (Continued)**

**1. BASIS OF PREPARATION AND CONSOLIDATION (cont d)**

**Recently Issued Accounting Standards Not Yet Adopted**

On April 9, 2009, the FASB issued the following three Staff Positions ( FSPs ):

FSP FAS 157-4, Determining Fair Value When the Volume and Level of Activity for the Asset or Liability Have Significantly Decreased and Identifying Transactions That are Not Orderly ( FSP FAS 157-4 ). This FSP supercedes FSP FAS 157-3, Determining the Fair Value of a Financial Asset When the Market for That Asset is Not Active. FSP FAS 157-4 provides additional guidance on: 1) estimating fair value when the volume and level of activity for an asset or liability have significantly decreased in relation to the normal market activity for the asset or liability, and 2) identifying transactions that are not orderly. FSP FAS 157-4 must be applied prospectively and retrospective application is not permitted. FSP FAS 157-4 is effective for interim and annual periods ending after June 15, 2009, with early adoption permitted for periods ending after March 15, 2009 subject to also early adoption of FSP FAS 115-2 and FAS 124-2 (as defined below).

FSP FAS 115-2 and FAS 124-2, Recognition and Presentation of Other-Than-Temporary Impairments ( FSP FAS 115-2 and FAS 124-2 ). This FSP provides new guidance on the recognition and presentation of other-than-temporary impairments ( OTTI ) for available-for-sale and held-to-maturity fixed maturities (equities are excluded). An impaired security is not recognized as an impairment if management does not intend to sell the impaired security and it is more likely than not it will not be required to sell the security before the recovery of its amortized cost basis. If management concludes a security is other-than-temporarily impaired, the FSP requires that the difference between the fair value and the amortized cost of the security be presented as an OTTI charge in the Consolidated Statements of Operations, with an offset for any noncredit-related loss component of the OTTI charge to be recognized in other comprehensive income. Accordingly, only the credit loss component of the OTTI amount will have an impact on the Company's results of operations. The FSP also requires extensive new interim and annual disclosure for both fixed maturities and equities to provide further disaggregated information as well as information about how the credit loss component of the OTTI charge was determined and requires a roll forward of such amount for each reporting period. FSP FAS 115-2 and FAS 124-2 is effective for interim and annual periods ending after June 15, 2009, with early adoption permitted for periods ending after March 15, 2009 subject to also early adoption of FSP FAS 157-4.

FSP FAS 107-1 and APB 28-1, Interim Disclosures about Fair Value of Financial Instruments ( FSP FAS 107-1 and APB 28-1 ). This FSP extends the disclosure requirements under FAS 107, Disclosures about Fair Value of Financial Instruments, to interim financial statements and amends APB Opinion 28, Interim Financial Reporting, to require those disclosures in summarized financial information at interim reporting periods. This FSP is effective for interim and annual periods ending after June 15, 2009, with early adoption permitted for periods ending after March 15, 2009 also subject to early adoption of FSP FAS 157-4 and FSP FAS 115-2 and FAS 124-2.

The Company is presently evaluating the impact of the adoption of these FSPs on its results of operations and financial position.

On April 1, 2009, the FASB issued FSP FAS 141(R)-1, Accounting for Assets and Liabilities Assumed in a Business Combination That Arise from Contingencies ( FSP FAS 141(R)-1 ). This FSP amends the guidance in FAS 141(R) by requiring that assets acquired or liabilities assumed in a business combination that arise from contingencies be recognized at fair value only if fair value can be reasonably estimated; otherwise the asset or liability should generally be recognized in accordance with FAS 5, Accounting for Contingencies, and FASB Interpretation 14, Reasonable Estimation of the Amount of Loss. This FSP removes the requirement to disclose an estimate of the range of outcomes of recognized contingencies at the acquisition date. FSP FAS 141(R)-1 is effective for assets and liabilities arising from contingencies in business combinations for which the acquisition date is on or after December 15, 2008. The

**REPORT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM**

To the Board of Directors and Shareholders  
of Enstar Group Limited

We have reviewed the accompanying condensed consolidated balance sheet of Enstar Group Limited and subsidiaries (the Company) as of March 31, 2009, and the related condensed consolidated statements of earnings and comprehensive income, changes in shareholders' equity and cash flows for the three-month periods ended March 31, 2009 and 2008. These interim financial statements are the responsibility of the Company's management.

We conducted our review in accordance with the standards of the Public Company Accounting Oversight Board (United States). A review of interim financial information consists principally of applying analytical procedures and making inquiries of persons responsible for financial and accounting matters. It is substantially less in scope than an audit conducted in accordance with the standards of the Public Company Accounting Oversight Board (United States), the objective of which is the expression of an opinion regarding the financial statements taken as a whole. Accordingly, we do not express such an opinion.

Based on our review, we are not aware of any material modifications that should be made to such condensed consolidated interim financial statements for them to be in conformity with accounting principles generally accepted in the United States of America.

We have previously audited, in accordance with the standards of the Public Company Accounting Oversight Board (United States), the consolidated balance sheet of Enstar Group Limited and subsidiaries as of December 31, 2008, and the related consolidated statements of earnings, comprehensive income, changes in shareholders' equity, and cash flows for the year then ended prior to retrospective adjustment for the adoption of FAS No. 160, Noncontrolling Interests in Consolidated Financial Statements, (not presented herein); and in our report dated March 4, 2009, we expressed an unqualified opinion on those consolidated financial statements. We have also audited the adjustments that were applied to retrospectively adjust the December 31, 2008 consolidated financial statements of Enstar Group Limited and subsidiaries (not presented herein). In our opinion, the information set forth in the accompanying condensed consolidated balance sheet as of December 31, 2008 is fairly stated, in all material respects, in relation to the consolidated balance sheet from which it has been derived.

**Item 2. *MANAGEMENT'S DISCUSSION AND ANALYSIS OF FINANCIAL CONDITION AND RESULTS OF OPERATIONS***

The following is a discussion and analysis of our results of operations for the three months ended March 31, 2009 and 2008. This discussion and analysis should be read in conjunction with the attached unaudited condensed consolidated financial statements and notes thereto and the audited consolidated financial statements and notes thereto contained in our Annual Report on Form 10-K for the fiscal year ended December 31, 2008.

**Business Overview**

Enstar Group Limited, or Enstar, was formed in August 2001 under the laws of Bermuda to acquire and manage insurance and reinsurance companies in run-off, and to provide management, consulting and other services to the insurance and reinsurance industry.

Since our formation we have acquired a number of insurance and reinsurance companies and are now administering those businesses in run-off. We derive our net earnings from the ownership and management of these companies primarily by settling insurance and reinsurance claims below the recorded loss reserves and from returns on the portfolio of investments retained to pay future claims. In addition, we have formed other businesses that provide management and consultancy services, claims inspection services and reinsurance collection services to our affiliates and third-party clients for both fixed and success-based fees.

**Recent Transactions**

On January 31, 2009, we, through our indirect subsidiary, Sun Gulf Holdings Inc., completed the acquisition of all of the outstanding capital stock of Constellation Reinsurance Company Limited, or Constellation, for a total purchase price of approximately \$2.5 million. Constellation is a New York domiciled reinsurer that is in run-off. The acquisition was funded from available cash on hand.

We own 50.1% of Shelbourne Group Limited, which in turn owns 100% of Shelbourne Syndicate Services Limited, the Managing Agency for Lloyd's Syndicate 2008, a syndicate approved by Lloyd's of London on December 16, 2007 to undertake Reinsurance to Close or RITC transactions (the transferring of liabilities from one Lloyd's Syndicate to another) with Lloyd's syndicates in run-off. In February 2009, Lloyd's Syndicate 2008 entered into a RITC agreement with a Lloyd's syndicate with total gross insurance reserves of approximately \$67.0 million. JCF FPK I L.P., or JCF FPK, a joint investment program between J.C. Flowers II L.P., or the Flowers Fund, and Fox-Pitt Kelton Cochran Caronia Waller (USA) LLC, or FPK, owns 49.9% of Shelbourne Group Limited.

The Flowers Fund is a private investment fund advised by J.C. Flowers & Co. LLC. J. Christopher Flowers, a member of our board of directors and one of our largest shareholders, is the founder and Managing Member of J.C. Flowers & Co. LLC. John J. Oros, our Executive Chairman and a member of our board of directors, is a Managing Director of J.C. Flowers & Co. LLC. In July 2008, FPK acted as lead managing underwriter in our public share offering. An affiliate of the Flowers Fund controls approximately 41% of FPK.

***Comparison of the Three Months Ended March 31, 2009 and 2008***

We reported consolidated net earnings attributable to Enstar Group Limited of approximately \$11.5 million for the three months ended March 31, 2009 as compared to approximately \$11.7 million for the same period in 2008. Included as part of net earnings for 2008 are extraordinary gains related to negative goodwill of \$50.3 million (inclusive of the noncontrolling interest's share of extraordinary gain of \$15.1 million). The increase in earnings, before extraordinary item and net earnings attributable to noncontrolling interest, of approximately \$31.0 million was primarily a result of the following:

(i) an increase in investment income (net of realized losses) of \$11.8 million, primarily due to an overall increase in cash and investments as a result of acquisitions that we completed during 2008; and

- (ii) an increase in the net decrease in loss and loss adjustment expense liabilities of \$27.4 million; partially offset by
- (iii) net increase in foreign exchange loss of \$2.9 million;
- (iv) increased interest expense of \$1.7 million due to increased bank borrowings; and
- (v) decreased consulting fee income of \$2.7 million.

**Table of Contents***Consulting Fees:*

	<b>Three Months Ended March 31, 2009          2008          Variance (in thousands of U.S. dollars)</b>		
Consulting	\$ 11,332	\$ 13,303	\$ (1,971)
Reinsurance	(7,996)	(7,248)	(748)
Total	\$ 3,336	\$ 6,055	\$ (2,719)

We earned consulting fees of approximately \$3.3 million and \$6.1 million for the three months ended March 31, 2009 and 2008, respectively. The decrease in consulting fees primarily relates to decreased incentive fees earned from third party agreements.

Internal management fees of \$8.0 million and \$7.2 million were paid in the three months ended March 31, 2009 and 2008, respectively, by our reinsurance companies to our consulting companies. The increase in internal fees paid to the consulting segment was due primarily to fees paid by reinsurance companies that we acquired subsequent to March 31, 2008.

*Net Investment Income and Net Realized Gains/(Losses):*

	<b>Net Investment Income</b>		<b>Three Months Ended March 31, Net Realized Gains/(Losses)</b>			
	<b>2009</b>	<b>2008</b>	<b>Variance</b>	<b>2009</b>	<b>2008</b>	<b>Variance</b>
	<b>(in thousands of U.S. dollars)</b>					
Consulting	\$ 212	\$ (4,908)	\$ 5,120	\$	\$	\$
Reinsurance	17,097	5,498	11,599	(6,010)	(1,084)	(4,926)
Total	\$ 17,309	\$ 590	\$ 16,719	\$ (6,010)	\$ (1,084)	\$ (4,926)

Net investment income for the three months ended March 31, 2009 increased by \$16.7 million to \$17.3 million, as compared to \$0.6 million for the same period in 2008. The increase was primarily attributable to the combination of the following items:

- (i) decrease from \$26.2 million to \$2.0 million in writedowns in the fair value of our investments in New NIB Partners L.P., the Flowers Fund, Affirmative Investment LLC and GSC European Mezzanine Fund II, LP for the quarters ended March 31, 2008 and 2009, respectively; partially offset by
- (ii) lower investment income from fixed maturities and cash and cash equivalents, reflecting the impact of lower global short-term and intermediate interest rates – the average U.S. Federal Funds Rate has decreased from 3.24% for the three months ended March 31, 2008 to 0.25% for the three months ended March 31, 2009.

The average return on the cash and fixed maturities investments for the three months ended March 31, 2009 was 1.72%, as compared to the average return of 3.24% for the three months ended March 31, 2008. In respect of our fixed income investments, 76.4% and 91.0% had a Standard & Poor's credit rating of AA or higher for the three months ended March 31, 2009 and 2008, respectively.

Net realized losses for the three months ended March 31, 2009 and 2008 were \$6.0 million and \$1.1 million, respectively. The net realized loss for the three months ended March 31, 2009 primarily arose as a result of us transferring approximately \$10.0 million of investments that were classified as available-for-sale fixed maturities and approximately \$2.0 million of other investments that were classified as other to equities and we wrote down the value of those securities by approximately \$5.4 million to reflect their current market values.

*Net (Decrease) Increase in Loss and Loss Adjustment Expense Liabilities:*

The net (decrease) increase in loss and loss adjustment expense liabilities for the three months ended March 31, 2009 and 2008 was \$(26.7) million and \$0.7 million, respectively. The net decrease in loss and loss adjustment expense liabilities for the three months ended March 31, 2009 of \$26.7 million was attributable to a reduction in estimates of net ultimate losses of \$29.9 million, a reduction in aggregate provisions for bad debts of \$9.7 million and a reduction in estimates of loss adjustment expense liabilities of \$10.1 million, relating to 2009 run-off activity, partially offset by the amortization, over the estimated payout period, of fair value adjustments relating to companies acquired amounting to \$23.0 million. The reduction in estimates of net ultimate losses of \$29.9 million primarily related to a reduction in Incurred But Not Reported (IBNR) loss reserves. Subsequent to the period end, claims liabilities of certain policyholders within a number of our insurance subsidiaries were agreed at levels that required a reassessment of IBNR loss reserves for those subsidiaries. The reduction in aggregate provisions for bad debts of \$9.7 million resulted from the collection of certain reinsurance balances receivable against which bad debt provisions had been provided.

For the three months ended March 31, 2008, the net increase in loss and loss adjustment expense liabilities of \$0.7 million was attributable to an increase in bad debt provisions of \$1.3 million, the amortization, over the estimated payout period, of fair value adjustments relating to companies acquired amounting to \$6.5 million, partially offset by the reduction in estimates of loss adjustment expense liabilities of \$7.1 million, to reflect 2008 run-off activity.

The following table shows the components of the movement in the net increase in loss and loss adjustment expense liabilities for the three months ended March 31, 2009 and 2008.

Total	\$ 12,417	\$ 11,357	\$ (1,060)

Salaries and benefits, which include expenses relating to our discretionary bonus and employee share plans, were \$12.4 million and \$11.4 million for the three months ended March 31, 2009 and 2008, respectively. The increase in salaries and benefits is primarily attributable to increased staff costs due to an increase in staff numbers from 253 as at March 31, 2008 to 284 as at March 31, 2009.

Expenses relating to our discretionary bonus plan will be variable and dependent on our overall profitability.

*General and Administrative Expenses:***Three Months Ended March 31,**

	<b>2009</b>	<b>2008</b>	<b>Variance</b>

Reinsurance	8,057	8,289	232
Total	\$ 12,382	\$ 11,911	\$ (471)

General and administrative expenses attributable to the consulting segment increased by \$0.7 million during the three months ended March 31, 2009, as compared to the three months ended March 31, 2008.

General and administrative expenses attributable to the reinsurance segment decreased by \$0.2 million during the three months ended March 31, 2009, as compared to the three months ended March 31, 2008. For the quarter ended March 31, 2008, we incurred approximately \$4.5 million of bank loan structure fees incurred in respect of acquisitions we completed during the quarter for the three months ended March 31, 2009 we did not incur any similar fees. The reduced expenses were partially offset by increased costs associated with new companies acquired subsequent to March 31, 2008.

**Table of Contents***Interest Expense:*

	<b>Three Months Ended March 31, 2009          2008          Variance (in thousands of U.S. dollars)</b>		
Consulting	\$	\$	\$
Reinsurance	4,965	3,315	(1,650)
Total	\$ 4,965	\$ 3,315	\$ (1,650)

Interest expense of \$5.0 million and \$3.3 million was recorded for the three months ended March 31, 2009 and 2008, respectively. The increase in interest expense is attributable to the increase in bank borrowings used in the funding of acquisitions during 2008, primarily in relation to Goshawk Insurance Holdings Plc, or Goshawk, AMP Limited's Australian-based closed reinsurance and insurance operations, or Gordian, and Unionamerica Holdings Limited or Unionamerica.

*Negative Goodwill:*

	<b>Three Months Ended March 31 2009          2008          Variance (in thousands of U.S. dollars)</b>		
Consulting	\$	\$	\$
Reinsurance		50,280	(50,280)
Total	\$	\$ 50,280	\$ (50,280)

Negative goodwill of \$nil and \$50.3 million, was recorded for the three months ended March 31, 2009 and 2008, respectively. For the three months ended March 31, 2008 the negative goodwill of \$50.3 million was earned in connection with our acquisition of Gordian and represents the excess of the cumulative fair value of net assets acquired of \$455.7 million over the cost of \$405.4 million. This excess was, in accordance with FAS No. 141

Business Combinations, recognized as an extraordinary gain in 2008. The negative goodwill arose primarily as a result of the income earned by Gordian between the date of the balance sheet on which the agreed purchase price was based, June 30, 2007, and the date the acquisition closed, March 5, 2008, and the desire of the vendors to achieve a substantial reduction in regulatory capital requirements and therefore to dispose of Gordian at a discount to fair value.

*Noncontrolling Interest*

	<b>Three Months Ended March 31 2009          2008          Variance (in thousands of U.S. dollars)</b>		
Consulting	\$	\$	\$

Reinsurance	692	(18,460)	19,152
Total	\$ 692	\$ (18,460)	\$ 19,152

We recorded a noncontrolling interest in earnings of \$0.7 million and \$(18.5) million for the three months ended March 31, 2009 and 2008, respectively. The decrease for the quarter ended March 31, 2009 in noncontrolling interest was primarily due to the noncontrolling interest's share of the negative goodwill relating to the Gordian acquisition in the first quarter of 2008.

### **Liquidity and Capital Resources**

On April 4, 2009, we repaid AU\$80.7 million (approximately \$56.7 million) of the outstanding principal of the Facility A commitment pursuant to the term facility agreement of our wholly-owned subsidiary, Cumberland Holdings Limited. Other than this repayment, which occurred subsequent to the three month period ended March 31, 2009, there have been no material changes in our liquidity position or capital resource requirements

since December 31, 2008. For more information refer to Management's Discussion and Analysis of Financial Condition and Results of Operations Liquidity and Capital Resources included in Item 7 of our Annual Report on Form 10-K for the year ended December 31, 2008, filed with the SEC on March 5, 2009.

With respect to the three month periods ended March 31, 2009 and 2008, net cash provided by our operating activities was \$3.1 million and \$374.4 million, respectively. The decrease in cash flows was primarily attributable to net assets assumed on retro-active reinsurance contracts during the three months ended March 31, 2008, which did not recur in 2009.

Net cash used in investing activities for the three months ended March 31, 2009 was \$(283.1) million compared to \$(243.2) million for the three months ended March 31, 2008. The decrease in the cash flows was primarily due to an increase in net purchases of investments, offset partially by an increase in cash provided by the sales and maturities of available-for-sale securities.

Net cash (used in) provided by financing activities for the three months ended March 31, 2009 and 2008 was \$(19.1) million and \$354.2 million, respectively. The decrease in cash flows was primarily attributable to the receipt of bank loans and capital contributions by noncontrolling interest shareholders, relating to the purchase of Guildhall Insurance Company Limited, Gordian, and the financing of Shelbourne Group Limited, during the three months ended March 31, 2008, which did not recur in 2009.

## **Commitments and Contingencies**

There have been no other material changes in our commitments or contingencies since December 31, 2008. We are, from time to time, involved in various legal proceedings in the ordinary course of business, including litigation regarding claims. We do not believe that the resolution of any currently pending legal proceedings, either individually or taken as a whole, will have a material adverse effect on our business, results of operations or financial condition. Nevertheless, we cannot assure you that lawsuits, arbitrations or other litigation will not have a material adverse effect on our business, financial condition or results of operations. We anticipate that, similar to the rest of the insurance and reinsurance industry, we will continue to be subject to litigation and arbitration proceedings in the ordinary course of business, including litigation generally related to the scope of coverage with respect to asbestos and environmental claims. There can be no assurance that any such future litigation will not have a material adverse effect on our business, financial condition or results of operations.

In April 2008, we, Enstar US, Inc., or Enstar US, Dukes Place Limited and certain affiliates of Dukes Place, or, collectively, Dukes Place, were named as defendants in a lawsuit filed in the United States District Court for the Southern District of New York by National Indemnity Company, or NICO, an indirect subsidiary of Berkshire Hathaway. The complaint alleges, among other things, that Dukes Place, we and Enstar US: (i) interfered with the rights of NICO as reinsurer under reinsurance agreements entered into between NICO and each of Stonewall and Seaton, two Rhode Island domiciled insurers that are indirect subsidiaries of Dukes Place, and (ii) breached certain duties owed to NICO under management agreements between Enstar US and each of Stonewall and Seaton. The suit was filed shortly after Virginia Holdings Ltd., our indirect subsidiary, or Virginia, completed a hearing before the Rhode Island Department of Business Regulation as part of Virginia's application to buy a 44.4% interest in the insurers from Dukes Place. Virginia completed that acquisition on June 13, 2008. The suit does not seek a stated amount of damages. Our management and our U.S. legal counsel believe the claims in the suit are without merit and will not have a material impact on us or our subsidiaries. On July 23, 2008, we and Enstar US filed a motion to dismiss Count I (relating to breach of fiduciary duty), Count III (relating to breach of contract) and Count V (relating to inducing breach of contract), in each case for failure to state a claim upon which relief can be granted. Subsequently, the parties entered into a Stipulation and Order filed with the Court on October 7, 2008, by which (i) NICO agreed to dismiss Count V of its Complaint with prejudice, (ii) the defendants agreed to withdraw their motion to dismiss Counts I and III without prejudice, reserving all of their rights and defenses to challenge these claims on the merits, and (iii) NICO agreed to extend the defendants' time to file an answer and counterclaim. On November 5, 2008, we, Enstar US and Dukes Place filed an answer to NICO's complaint and Dukes Place asserted certain counterclaims against NICO. On January 12, 2009, NICO filed a motion to dismiss certain of the counterclaims, along with a motion for summary judgment addressed to the counterclaims. We, Enstar US and Dukes Place filed papers in opposition to NICO's motion on February 23, 2009, and NICO filed reply briefs in support of its motion on March 23, 2009. The Court has advised that it will decide these motions on submission without hearing any oral arguments. Our management intends to vigorously defend both us and Enstar US against the claims.
