Item 2.02.

Results of Operations and Financial Condition.

On November 8, 2018, Codorus Valley Bancorp, Inc. (Codorus Valley) issued a Press Release with updated results of operations, in summary form, for the period ended September 30, 2018 compared to the period ended September 30, 2017. The update resulted primarily from the addition of four impaired commercial loans totaling approximately \$9,686,000 to nonaccrual status as of September 30, 2018. The change resulted in an increase in the non-performing assets to total loans ratio from .35% to 1.00% at September 30, 2018. The change did not adjust any income related data set forth in the earlier Press Release, as the loans were paid current at that time. The attached Press Release replaces the financial information contained in the original Press Release issued October 18, 2018 and which was attached as Exhibit 99.1 to the Registrant's Current Report on Form 8-K, filed with the Commission on October 18, 2018.
