Item 5.03 Amendments to Articles of Incorporation or Bylaws; Change in Fiscal Year.

On June 18, 2008, the Board of Directors of Monsanto Company (the "Company") approved amendments to the Company's Bylaws, which changes are effective as of June 18, 2008. The amendments revise Sections 4 and 8 of the Company's Bylaws. The principal features of the amendments are as follows:

Advance Notice Bylaws.

Section 4 (Business to be Conducted at Annual Meeting) and Section 8 (Nominations of Directors) of the Bylaws require shareowners intending to make a director nomination or bring other business at a shareowner meeting to have provided the Company advance written notice of such nominations or business, generally between 90 and 120 days before the shareowner meeting.

The amended Bylaws (i) explicitly provide that the Bylaws apply to all shareowner nominations and proposals of business and are the exclusive means for a shareowner to submit such business, other than proposals governed by Rule 14a-8 of the federal proxy rules (which provides its own procedural requirements) and (ii) expand the required disclosure regarding the shareowners making such proposals or nominations to include, among other things, all ownership interests, hedges, economic incentives (including synthetic or temporary stock ownership) and rights to vote any shares of any security of the Company. In addition, the amended Bylaws provide that a shareowner making a director nomination or bringing other business at a shareowner meeting must not only be a shareowner at the time of the notice, but also at the time of the annual meeting.

The amended Bylaws, and a copy marked to show changes from the prior Bylaws, are included as Exhibits 3.2(i) and 3.2(ii), respectively, to this Current Report on Form 8-K, and are incorporated herein by reference.
