**Outlines History of Operational Success, Efficient Deployment of Capital, and Promising Product Pipeline**

**Recommends Shareholders Vote the WHITE Proxy Card FOR ALL Forest Nominees**

NEW YORK, July 29, 2011 Forest Laboratories, Inc. (NYSE: FRX) (Forbes) filed a presentation with the Securities and Exchange Commission (SEC) in connection with the Company's

Annual Meeting of Shareholders to be held on August 18, 2011. The presentation is available at [www.FRX2011annualmeeting.com](http://www.FRX2011annualmeeting.com) and on the SEC website, [www.sec.gov](http://www.sec.gov).

The presentation outlines important facts for shareholders to consider in connection with the upcoming director elections at the Annual Meeting, including the following:

- Forest has a longstanding track record of delivering strong top-line and bottom-line financial performance and superior value for shareholders, including share appreciation that has exceeded the S&P 500 and the AMEX Pharmaceutical Index (DRG) over both short and long time periods.
- The Company has a history of operational and commercial successes and has successfully managed loss of exclusivity cycles. Forest efficiently deploys capital and has maintained a disciplined R&D effort that has led to the development of one of the deepest and most promising product portfolios in the industry, including a total of nine new products which have been launched or are expected to be launched by 2013.
- Forest's slate of 10 director nominees has a combination of complementary skill sets, including senior executive experience in the healthcare and financial services industries, as well as legal and compliance expertise, which sets them apart from Mr. Icahn's four nominees. Forest's nominees are committed to serving in the best interests of all Forest shareholders.

Forest also has filed with the SEC several letters of support from industry partners and trade associations, including Ironwood Pharmaceuticals, Merz, Almirall, PhRMA and the U.S. Chamber Institute for Legal Reform. The letters are available at [www.FRX2011annualmeeting.com](http://www.FRX2011annualmeeting.com) and on the SEC website, [www.sec.gov](http://www.sec.gov).

Forest urges shareholders to vote the WHITE card they have received from Forest and to vote FOR ALL 10 of Forest's nominees to its Board of Directors. Shareholders can vote by telephone, Internet or by signing, dating and returning the Company's WHITE proxy card. Forest urges shareholders NOT to sign any gold proxy card sent to them by the Icahn Group. Even a withhold vote for Icahn's nominees on a gold proxy card will cancel any previous proxy submitted by shareholders that voted FOR ALL the Company's nominees.
