Dear Stockholder:

As you may be aware, on December 16, 2001, USA entered into a transaction agreement, pursuant to which, among other things, USA agreed to create a new joint venture with Vivendi Universal, S.A. that will hold the USA Entertainment Group, consisting of USA Cable, USA Films and Studios USA, and the film, television and theme park businesses of Universal Studios, Inc., a subsidiary of Vivendi.

In exchange for the contribution of the USA Entertainment Group to the joint venture, USA will receive cash; preferred interests and a 5.44% common interest in the joint venture; and the cancellation of securities currently exchangeable into approximately 320.9 million USA shares. In connection with these transactions, USA will also issue to Vivendi warrants to acquire approximately 60.5 million shares of USA common stock, which shares represent approximately 12.5% of USA's expected outstanding equity following completion of the transactions. The accompanying proxy statement describes in detail the transactions contemplated by the various transaction documents, including my ownership interest and role in the joint venture.

Upon completion of the transactions, the new USA, which will be renamed "USA Interactive," will be focused on integrating interactive assets across multiple lines of business. We believe USA Interactive, with its strong balance sheet, will be a leader in integrated interactivity. I'm enthusiastic about the prospects for USA Interactive and continuing to build very significant value for our stockholders.

In order to proceed with the transactions, we must receive the affirmative vote of at least 66 2/3% of our outstanding shares not owned by Vivendi, Liberty Media Corporation, myself or our affiliates. We have scheduled a special meeting of our stockholders for this vote and a related vote under the rules of the National Association of Securities Dealers, Inc. The special meeting will be held on _____, 2002, at _____ a.m., local time, at _____.

A SPECIAL COMMITTEE CONSISTING OF INDEPENDENT MEMBERS OF YOUR BOARD OF DIRECTORS HAS CAREFULLY REVIEWED THE TRANSACTIONS AND UNANIMOUSLY RECOMMENDED TO YOUR BOARD OF DIRECTORS APPROVAL OF THE TRANSACTIONS. BASED ON THAT RECOMMENDATION, YOUR BOARD OF DIRECTORS, BY THE UNANIMOUS VOTE OF ALL DIRECTORS (OTHER THAN DIRECTORS AFFILIATED WITH VIVENDI, NONE OF WHOM WAS PRESENT AT THE BOARD MEETING), APPROVED THE TRANSACTIONS, AND RECOMMENDS THAT YOU APPROVE THE PROPOSAL BEING SUBMITTED TO YOU FOR APPROVAL.

YOUR VOTE IS VERY IMPORTANT. Whether or not you plan to attend the special meeting, please take the time to vote by completing and mailing the enclosed proxy card. If you attend the special meeting, you may vote in person if you wish, even though you have previously returned your proxy card. You may also submit a proxy for your shares of USA stock by telephone or via the internet by

QUESTIONS AND ANSWERS ABOUT THE TRANSACTIONS

AT THE SPECIAL MEETING, WE WILL ASK YOU TO CONSIDER AND VOTE UPON A PROPOSAL TO APPROVE THE TRANSACTION AGREEMENT AND EACH OF THE OTHER TRANSACTION DOCUMENTS RELATED TO THE TRANSACTION AGREEMENT, AS WELL AS THE TRANSACTIONS CONTEMPLATED BY THE TRANSACTION DOCUMENTS. HERE ARE SOME QUESTIONS AND ANSWERS RELATING TO THE TRANSACTIONS.

Q: PLEASE BRIEFLY DESCRIBE THE TRANSACTIONS.

A: USA has agreed to the contribution of the USA Entertainment Group, comprising all of USA's entertainment assets and businesses, to Vivendi Universal Entertainment LLLP ("VUE"), a new entity to be created with Vivendi and which Vivendi will control. VUE will also hold the film, television and theme park businesses of Universal. VUE will be owned 5.44% by USA, 1.5% by Mr. Diller and 93.06% by Vivendi.

In exchange for the USA Entertainment Group, USA will receive the following:

- approximately \$1.62 billion in cash,
- a 5.44% common interest in VUE,
- a \$750 million Class A preferred interest in VUE,
- a \$1.75 billion Class B preferred interest in VUE, and
- the cancellation of approximately 320.9 million shares of USANi LLC, a subsidiary of USA, comprising all of the LLC shares not owned by USA and its subsidiaries. Following the transactions, USANi LLC will be wholly owned by USA and its subsidiaries.

USA will also issue to Vivendi ten-year warrants to acquire 60.5 million shares of USA common stock at various exercise prices. We describe the transactions in more detail beginning on page 15.

Q: PLEASE DESCRIBE THE VALUE OF THE USA ASSETS BEING CONTRIBUTED TO VUE AND OF THE CONSIDERATION RECEIVED BY USA.

A: As part of its evaluation of the transactions, Bear, Stearns & Co. Inc., the financial advisor to the special committee of the USA board, valued the USA Entertainment Group between \$8.2 billion and \$10.2 billion. Allen & Company Incorporated, financial advisor to USA, separately valued the USA Entertainment Group between \$8.6 billion and \$12.6 billion. These financial advisor analyses also valued the USA warrants to be issued to Vivendi.

USA management has valued the different elements of the consideration it will receive in the transactions as follows:

- \$1.62 billion in cash,
- \$1 billion for USA's common interest in VUE,
- \$750 million for USA's Class A preferred interest in VUE,
- \$1.43 billion for USA's Class B preferred interest in VUE, and

Edgar Filing: USA NETWORKS INC - Form PRER14A

- \$7.06 billion for the cancellation of the 320.9 million USANi LLC shares received from Vivendi, based on a \$22 USA share price

for total consideration to USA of \$11.86 billion. The financial advisors to the special committee and to USA also analyzed the value of the consideration to be received by USA. Bear Stearns valued the consideration to be received by USA between \$10.6 billion and \$11.8 billion. Allen & Co. valued the consideration to be received by USA between \$10.6 billion and \$12.8 billion.

Q: PLEASE DESCRIBE THE VALUE OF THE VIVENDI ASSETS BEING CONTRIBUTED TO VUE.

A: As part of its evaluation of the transactions, Bear Stearns valued the Universal Entertainment Group being contributed by Vivendi to VUE between \$4.2 billion and \$7.3 billion. Allen & Co. separately valued the Universal Entertainment Group between \$6.2 billion and \$9.7 billion. All of the Bear Stearns and Allen & Co. valuations are based on numerous assumptions and analyses and are complex. We encourage you to read the description of the analyses, which are included in this proxy statement beginning on pages 23 and 39.

Q: HOW WILL I BE AFFECTED BY THE TRANSACTIONS?

A: Each USA stockholder (other than Vivendi and Liberty) will continue to own the same number of shares of USA stock that it

i

owned immediately prior to the transactions. Each share of USA common stock, however, will represent a larger ownership percentage in USA, which will be a smaller company following the transactions. Public stockholders currently own 38.7% of the outstanding equity and 12.0% of the outstanding voting power of USA, in each case assuming full exchange of shares of USANi LLC and Home Shopping Network for shares of USA. Immediately following the transactions, based on the same assumption, USA's public stockholders will own 66.6% of the outstanding equity and 30.6% of the outstanding voting power of USA.

Q: WHY IS USA ENTERING INTO THE TRANSACTIONS?

A: Your board of directors believes that the transactions will provide numerous strategic benefits to USA, including receiving fair value for the USA Entertainment Group, emphasizing our leadership role in integrated interactivity and establishing an independent USA by eliminating or substantially limiting veto rights of Vivendi and Liberty over our corporate actions. We describe our reasons for the transactions in more detail beginning on page 19.

Q: WHAT IS LIBERTY'S INVOLVEMENT IN THE TRANSACTIONS?

A: As part of the transactions, Liberty will transfer to Vivendi 25 million shares of USA common stock, entities holding approximately 38.7 million shares of USANi LLC, constituting all of Liberty's then remaining interest in USANi LLC, and other assets in exchange for approximately 37.4 million American Depositary Shares ("ADSs") representing Vivendi ordinary shares, subject to adjustment.

Q: HOW WILL THE TRANSACTIONS AFFECT VIVENDI'S AND LIBERTY'S OWNERSHIP INTERESTS IN USA?

A: As part of USA's consideration in the transactions, USANi LLC will cancel LLC shares currently exchangeable into approximately 320.9 million USA common shares. These 320.9 million LLC shares are comprised of approximately

Edgar Filing: USA NETWORKS INC - Form PRER14A

282.2 million shares currently held by Vivendi and approximately 38.7 million LLC shares to be acquired by Vivendi from Liberty, as described above, and represent all of the interests of USANi LLC that are not then owned by USA or its subsidiaries. Based on a \$22.00 USA share price, the LLC shares are currently exchangeable for USA shares valued at approximately \$7.06 billion, and currently represent 42.0% of the outstanding equity of USA, assuming full exchange of shares of USANi LLC and Home Shopping Network for shares of USA.

Vivendi currently owns approximately 313.8 million USA shares, or 41.0% of the outstanding equity of USA, assuming full exchange of shares of USANi LLC and Home Shopping Network for shares of USA. Immediately following the transactions, because Vivendi will have acquired 25 million USA shares from Liberty as part of the transactions, as described above, and because USA will have fewer shares outstanding following the transactions, based on the same assumption, Vivendi will continue to own approximately 56.6 million USA shares, or 12.7% of the outstanding equity of USA.

Liberty currently owns approximately 153.4 million USA shares, or 20.0% of the outstanding equity of USA, including USA shares held by certain entities in which Liberty owns substantially all of the equity interests but none of the voting interests and assuming full exchange of shares of USANi LLC and Home Shopping Network for shares of USA. Immediately following the transactions, because USA will have fewer shares outstanding following the transactions, based on the same assumptions, Liberty will continue to own approximately 89.7 million USA shares, or 20.2% of the outstanding equity of USA.

Q: WHO WILL HAVE VOTING CONTROL OF USA?

A: Barry Diller, USA's chairman and chief executive officer, will continue to have voting control of USA following completion of the transactions. In connection with the transactions, Mr. Diller, Vivendi, Universal and Liberty have reaffirmed existing stockholder arrangements relating to their voting of USA shares. These arrangements

ii

provide that Mr. Diller will generally have a proxy over all USA shares owned by Vivendi and Liberty as long as Mr. Diller is chief executive officer of USA. Immediately following the transactions and assuming full exchange of shares of Home Shopping Network for shares of USA, these shares will represent 69.2% of the combined voting power of USA (69.4% if the shares owned by Mr. Diller are added).

USA, Vivendi, Universal, Liberty and Mr. Diller also entered into an amended and restated governance agreement as part of the transactions. This agreement, among other things, eliminates Vivendi's veto rights over all "fundamental matters" that currently require its prior consent, and significantly limits the circumstances in which Liberty and Mr. Diller are entitled to exercise veto rights. For a description of the limited veto rights that Liberty and Mr. Diller would have following completion of the transactions, see pages 67-68.

Q: WHEN DO YOU EXPECT TO COMPLETE THE TRANSACTIONS?

A: We are working to complete the transactions as soon as possible. We currently expect to complete the transactions promptly following the special meeting.

Q: AM I ENTITLED TO DISSENTERS' RIGHTS?

A: No. You will have no right under Delaware law to seek appraisal of the value of your USA shares in connection with the transactions.

Edgar Filing: USA NETWORKS INC - Form PRER14A

Q: ARE THERE ANY SIGNIFICANT DISADVANTAGES TO ME FROM THE TRANSACTIONS?

A: We do not think so. Your board of directors, based on a unanimous recommendation of a special committee of all disinterested directors, has approved the transactions, and believes they are in the best interests of USA's stockholders.

Q: WHAT DO I NEED TO DO NOW?

A: Just mail your signed proxy card in the enclosed return envelope as soon as possible, so that your shares may be represented at the special meeting. You may also submit a proxy for your shares of USA stock by telephone or via the internet by following the instructions on the enclosed proxy card. The meeting will take place on _____, _____, 2002. Because the vote required to approve the proposed transactions is 66 2/3% of the outstanding unaffiliated voting shares, failure to vote will have the effect of a vote against the transactions.

Q: CAN I CHANGE MY VOTE AFTER I HAVE MAILED IN MY SIGNED PROXY CARD?

A: Yes. You can change your vote at any time before we vote your proxy at the special meeting. You can do so in one of three ways. First, you can send a written notice stating that you would like to revoke your proxy to The Bank of New York at the address given below. Second, you can submit a later-dated proxy relating to the same shares by mail, telephone or the internet. Third, you can attend the special meeting and vote in person. You should send any written notice or new proxy card to USA c/o The Bank of New York at the following address: USA Networks, Inc., P.O. Box _____, New York, New York 10203. You may request a new proxy card by calling our proxy solicitor, MacKenzie Partners, Inc., at 1-800-322-2885 (toll-free).

Q: WHERE CAN I FIND ADDITIONAL INFORMATION?

A: You may obtain more information from various sources, as set forth under "Where You Can Find More Information" on page 100.

COMPARISON OF USA STRUCTURE/OWNERSHIP

THE FOLLOWING DIAGRAMS ILLUSTRATE IN GENERAL TERMS HOW OUR CORPORATE STRUCTURE AND OWNERSHIP WOULD CHANGE AS A RESULT OF THE TRANSACTIONS. WHILE THE DIAGRAMS REFLECT THE ECONOMIC SUBSTANCE OF THE CHANGES, THE ACTUAL LEGAL AND CORPORATE STRUCTURES OF USA ARE MORE COMPLICATED AND WE HAVE ROUNDED PERCENTAGES TO THE NEAREST TENTH. UNLESS WE INDICATE OTHERWISE, THE PERCENTAGES BELOW ARE BASED ON SHARES ISSUED AND OUTSTANDING (OR EXPECTED TO BE ISSUED AND OUTSTANDING AFTER GIVING EFFECT TO THE TRANSACTIONS), IN EACH CASE ASSUMING FULL EXCHANGE OF SHARES OF USANI LLC AND HOME SHOPPING NETWORK FOR SHARES OF USA. IN THE TABLES ENTITLED "OWNERSHIP OF USA," EACH PARTY'S EQUITY PERCENTAGE DIFFERS FROM THAT PARTY'S PERCENTAGE OF VOTING POWER BECAUSE USA CURRENTLY HAS THREE CLASSES OF STOCK: COMMON STOCK, ENTITLED TO ONE VOTE PER SHARE, CLASS B COMMON STOCK, ENTITLED TO TEN VOTES PER SHARE, AND PREFERRED STOCK, ENTITLED TO TWO VOTES PER SHARE.

RECOMMENDATION OF THE SPECIAL COMMITTEE (page 22)

Your board of directors formed a special committee composed of all of USA's directors who had no material relationship with Vivendi, Liberty, Mr. Diller or their affiliates, or any personal interest in the transactions that diverges from the interests of USA's stockholders generally, to consider the transactions and to make a recommendation to your board of directors regarding the transactions. We refer to these directors in this proxy statement as the "disinterested directors." At a meeting called to consider the transactions, the special committee unanimously:

- declared the Transaction Agreement, the other related transaction documents and the transactions advisable;
- determined that the terms of the transactions are fair to and in the best interests of the stockholders of USA, other than Vivendi, Liberty, Mr. Diller and their affiliates; and
- recommended that the USA board of directors approve the Transaction Agreement, the other related transaction documents and the transactions.

RECOMMENDATION TO STOCKHOLDERS (page 23)

Based on the recommendation of the special committee, your board of directors believes that the Transaction Agreement, the other related transaction documents and the transactions are advisable, fair to, and in the best interests of, USA stockholders, and recommends, by the unanimous vote of all directors (other than directors affiliated with Vivendi, none of whom was present at the board meeting), that you vote FOR the transactions proposal.

THE TRANSACTION DOCUMENTS

The transaction documents are attached as Appendices A through F to this proxy statement. We encourage you to read them carefully.

TRANSACTION AGREEMENT (page 51)

GENERAL

The Transaction Agreement is the legal document that governs the principal transactions.

TERMINATION OF EXISTING AGREEMENTS

In connection with the transactions, USA and Universal have agreed to terminate the following business arrangements upon (1) the completion of the transactions or (2) the termination of the Transaction Agreement:

- Universal's exclusive international distribution of television programming produced by USA; and
- USA's exclusive domestic distribution of television programming produced by Universal.

USA TRADEMARK

The name "USA Networks" will be included among the assets contributed to VUE, and USA and Vivendi have agreed to work together to determine the ownership

Edgar Filing: USA NETWORKS INC - Form PRER14A

of the various logos and designs associated with the "USA Networks" name prior to completion of the transactions.

2

PARTNERSHIP AGREEMENT (page 58)

The Partnership Agreement is the legal document that provides for USA's economic interest in VUE, including its common and preferred interests and the cash distribution to be paid to USA at the closing of the transactions. In addition, the Partnership Agreement provides for Mr. Diller's 1.5% common interest in VUE and contains Mr. Diller's agreement not to compete with VUE for a minimum of 18 months.

AMENDED AND RESTATED GOVERNANCE AGREEMENT (page 65)

USA, Vivendi, Universal, Liberty and Mr. Diller have entered into an Amended and Restated Governance Agreement that will become effective at the closing of the transactions and supersede the existing Governance Agreement among the parties.

The Amended and Restated Governance Agreement restricts Vivendi's ability to acquire additional USA equity securities and its ability to transfer USA securities. In addition, this agreement provides for continuing representation on USA's board of directors by Vivendi and Liberty.

The agreement also eliminates Vivendi's right to veto specified "fundamental matters," and significantly limits the circumstances in which Liberty and Mr. Diller are entitled to exercise veto rights.

Finally, the agreement eliminates Vivendi's preemptive rights with respect to USA common shares, while preserving Liberty's existing preemptive rights.

If the transactions are not completed, the existing Governance Agreement will remain in effect.

AMENDED AND RESTATED STOCKHOLDERS AGREEMENT (page 68)

Vivendi, Universal, Liberty and Mr. Diller have entered into an Amended and Restated Stockholders Agreement, which will become effective at the closing of the transactions and supersede the existing Stockholders Agreement.

Generally, the agreement governs the relationship among the stockholders, including rights of first refusal for sales of USA securities, tag-along rights for sales of USA securities by Liberty and Mr. Diller, restrictions on transfers of USA securities and a standstill by Mr. Diller with respect to Vivendi. Under this agreement, Mr. Diller generally has voting control over all of the USA shares owned by Universal and Liberty.

If the transactions are not completed, the existing Stockholders Agreement will remain in effect.

WARRANT AGREEMENT (page 71)

In connection with the transactions, USA has agreed to issue to Vivendi warrants to purchase 60,467,735 shares of USA common stock under a Warrant Agreement.

The warrants have a ten-year term from the closing of the transactions and the following exercise prices.

- 24,187,094 shares at \$27.50 per share;

Edgar Filing: USA NETWORKS INC - Form PRER14A

- 24,187,094 shares at \$32.50 per share; and
- 12,093,547 shares at \$37.50 per share.

VIVENDI/LIBERTY MERGER AGREEMENT (page 72)

In connection with the transactions, Vivendi, Universal, Liberty and certain of their affiliates have entered into an Agreement and Plan of Merger and Exchange. While none of USA or its subsidiaries is a party to the Vivendi/Liberty Merger Agreement, completion of the transactions contemplated by the Transaction Agreement is conditioned on completion of certain of the transactions contemplated by the Vivendi/Liberty Merger Agreement.

The Vivendi/Liberty Merger Agreement sets out the terms under which Liberty will exchange with USA 7,079,726 LLC shares for 7,079,726 shares of USA common stock. Subsequently, Liberty will transfer to Vivendi 25,000,000 shares of USA common stock, entities holding Liberty's remaining 38,694,982 LLC

3

shares, as well as the assets and liabilities of Liberty Programming France (which consist primarily of 4,921,250 shares of multiThematiques) in exchange for 37,386,436 ADSs representing Vivendi ordinary shares, subject to adjustment.

INTERESTS OF OFFICERS AND DIRECTORS IN THE TRANSACTIONS (page 73)

Members of the management and board of directors of USA have interests in the transactions that are different from, or in addition to, their interests as USA stockholders.

Mr. Diller will become chairman and chief executive officer of VUE and will receive an equity interest in VUE, which interest is subject to put and call rights at a minimum price of \$275 million. In February 2002, Mr. Diller assigned to three executive officers of USA, Victor Kaufman, vice chairman and a director of USA; Dara Khosrowshahi, executive vice president and chief financial officer; and Julius Genachowski, executive vice president and general counsel, the right to receive economic interests in a portion of the common interests in VUE that Mr. Diller will receive upon closing of the transactions.

The USA board of directors includes representatives from Vivendi and Liberty. The Vivendi representatives on the USA board of directors did not participate in the meeting at which the USA board of directors approved the transactions.

VOTES REQUIRED FOR THE TRANSACTIONS PROPOSAL (page 11)

Two separate votes are required to approve the transactions proposal:

- Under Delaware law, because Vivendi is considered an "interested stockholder" under Section 203 of the Delaware General Corporation Law, the transactions proposal must be approved by the affirmative vote of 66 2/3% of the outstanding USA common stock and USA preferred stock (both in voting power and in number of shares), voting together as a single class, excluding the shares held by Vivendi, Liberty, Mr. Diller and their respective affiliates.
- Under the rules of the National Association of Securities Dealers, Inc., because USA will be issuing to Vivendi warrants to acquire shares of USA common stock, which warrants, if exercised, would represent an increase in outstanding USA common shares of at least 5%, approval of the transactions proposal also requires the affirmative vote of a majority of the votes

Edgar Filing: USA NETWORKS INC - Form PRER14A

cast at the special meeting by the holders of USA common stock, USA Class B common stock and USA preferred stock, voting together as a single class, including the shares held by Vivendi, Liberty, Mr. Diller and their respective affiliates.

USA VOTING POWER

Each share of USA common stock entitles the holder to one vote per share, each share of USA Class B common stock entitles the holder to ten votes per share and each share of USA preferred stock entitles the holder to two votes per share. As of March 12, 2002, the directors and executive officers of USA (other than Mr. Diller and the Liberty and Vivendi designees to the USA board of directors) beneficially owned approximately 2.4% of the total voting power of USA. Mr. Diller, through shares owned by him as well as the irrevocable proxy over shares held by Universal and Liberty granted to him under the Stockholders Agreement, controls approximately 67.7% of the combined voting power of USA, which is sufficient for stockholder approval of the transactions proposal for purposes of the vote required under the rules of the National Association of Securities Dealers. USA will not complete the transactions unless the transactions proposal is approved both for purposes of Delaware law and the rules of the National Association of Securities Dealers.

OPINIONS OF FINANCIAL ADVISORS

OPINION OF THE SPECIAL COMMITTEE'S FINANCIAL ADVISOR (page 23)

In deciding to recommend the transactions to the USA board of directors, the special

4

committee considered, among other things, advice from Bear Stearns, its financial advisor. The special committee received an opinion from Bear Stearns to the effect that, as of December 16, 2001, the consideration to be received by USA in the transactions was fair, from a financial point of view, to the stockholders of USA other than Vivendi, Liberty, Mr. Diller and their affiliates. Bear Stearns' opinion is attached as Appendix G to this proxy statement. We encourage you to read it carefully.

OPINION OF USA'S FINANCIAL ADVISOR (page 39)

In addition to the recommendation of the special committee, in deciding to approve the transactions, USA's board of directors considered, among other things, advice from Allen & Co., USA's financial advisor. USA's board of directors received an opinion from Allen & Co. that as of December 16, 2001 the consideration to be received by USA in the transactions was fair, from a financial point of view, to USA. Allen & Co.'s opinion is attached as Appendix H to this proxy statement. We encourage you to read it carefully.

MATERIAL FEDERAL INCOME TAX CONSEQUENCES

Because your USA shares will not be exchanged in connection with the transactions, you will not recognize any gain or loss for U.S. federal income tax purposes as a result of the transactions. In addition, we do not anticipate that USA will currently recognize any material amount of income or gain for U.S. federal income tax purposes as a result of the transactions.

THE SPECIAL MEETING

GENERAL

We are mailing this proxy statement and the accompanying proxy card to holders of USA common stock, USA Class B common stock and USA preferred stock in connection with the solicitation of proxies by our board of directors for use at the special meeting. We solicit proxies to give all stockholders on the record date an opportunity to vote on matters that will come before the special meeting. This procedure is necessary because stockholders live in all states and abroad and many may not be able to attend the special meeting. You can vote or let us vote your shares of USA common stock, USA Class B common stock and/or USA preferred stock only if you are present in person or represented by proxy. A proxy card is being provided to holders of USA common stock, USA Class B common stock and USA preferred stock with this proxy statement. You may also submit a proxy for your shares by telephone or via the internet. Information with respect to the execution and revocation of proxies is provided under "--How You Can Vote."

At the special meeting, we will ask holders of USA common stock, USA Class B common stock and USA preferred stock eligible to vote to consider and vote upon the approval of the transactions proposal. For more information, see "The Transactions."

Edgar Filing: USA NETWORKS INC - Form PRER14A

DATE, TIME AND PLACE OF THE SPECIAL MEETING; RECORD DATE; ADJOURNMENTS

The special meeting is scheduled to be held at _____ a.m., local time, on _____, _____, 2002, at _____. Our board of directors has fixed the close of business on March 12, 2002 as the record date for determination of holders of USA common stock, USA Class B common stock and USA preferred stock entitled to notice of and to vote at the special meeting. On the record date, there were outstanding 341,218,693 shares of USA common stock, 63,033,452 shares of USA Class B common stock and 13,124,902 shares of USA preferred stock. Adjournments may be made for the purpose of, among other things, soliciting additional proxies. An adjournment may be made from time to time by the holders of shares representing a majority of the votes present in person or by proxy at the meeting without further notice other than by an announcement made at the meeting. No proxies voted against approval of the transactions will be voted in favor of adjournment of the meeting for the purpose of soliciting additional proxies.

QUORUM

The presence, either in person or by proxy, of the holders of USA's securities representing a majority of USA's voting power entitled to vote is necessary to constitute a quorum at the special meeting. Shares of USA common stock, USA Class B common stock or USA preferred stock represented by a properly executed proxy will be treated as present at the special meeting for purposes of determining a quorum, without regard to whether the proxy is marked as casting a vote or abstaining. See "--How You Can Vote" for more information.

VOTES REQUIRED

The transactions proposal requires stockholder approval under the Delaware General Corporation Law and under the rules of the National Association of Securities Dealers, as further described below.

THE VOTE REQUIRED UNDER DELAWARE LAW

Because Vivendi is considered an "interested stockholder" under Section 203 of the Delaware General Corporation Law as a result of its acquisition of The Seagram Company Ltd. in December 2000 (which held 42.5% of USA's equity on a fully diluted basis at that time), the parties have agreed to obtain approval of the transactions proposal by the affirmative vote of 66 2/3% of the

11

outstanding USA common stock and USA preferred stock (by vote and by number), voting together as a single class, excluding the shares held by Vivendi, Liberty, Mr. Diller and their respective affiliates. Due to the fact that all of the outstanding shares of USA Class B common stock are held by Vivendi, Liberty, Mr. Diller or their respective affiliates, votes cast in respect of any shares of USA Class B common stock will not be counted for or against approval of the transactions proposal for purposes of the vote required under the Delaware General Corporation Law.

THE VOTE REQUIRED UNDER NASD

Under the rules of the National Association of Securities Dealers, because, in connection with the transactions, USA will be issuing to Vivendi (which owns in excess of 5% of the outstanding USA common shares) equity warrants to acquire USA common stock, which warrants, if exercised, would represent an increase in outstanding USA common shares of at least 5%, approval of the transactions proposal requires the affirmative vote of a majority of the votes cast at the special meeting by the holders of USA common stock, USA Class B common stock and

Edgar Filing: USA NETWORKS INC - Form PRER14A

USA preferred stock, voting together as a single class, including any shares held by Vivendi, Liberty, Mr. Diller and their respective affiliates.

USA VOTING POWER

Each share of USA common stock entitles the holder to one vote per share, each share of USA Class B common stock entitles the holder to ten votes per share and each share of USA preferred stock entitles the holder to two votes per share. As of March 12, 2002, the directors and executive officers of USA (other than Mr. Diller and the Liberty and Vivendi designees to the USA board of directors) beneficially owned approximately 2.4% of the total voting power of USA. Mr. Diller, through shares owned by him as well as the irrevocable proxy over shares held by Universal and Liberty, granted to him under the Stockholders Agreement, controls approximately 67.7% of the combined voting power of USA, which is sufficient for stockholder approval of the transactions for purposes of the National Association of Securities Dealers. USA will not complete the transactions unless the transactions are approved both for purposes of Delaware law and the rules of the National Association of Securities Dealers.

HOW YOU CAN VOTE

If you attend the special meeting, you may vote by ballot. However, many stockholders may be unable to attend the special meeting. Therefore, our board of directors is soliciting proxies so that each holder of USA common stock, USA Class B common stock and USA preferred stock at the close of business on the record date has the opportunity to vote on the transactions proposal.

Stockholders of record may vote your shares of USA common stock, USA Class B common stock or USA preferred stock in any of four ways:

- Submitting a Proxy by Mail. If you choose to submit your proxy by mail, simply mark your proxy, date and sign it, and return it in the postage-paid envelope provided.
- Submitting a Proxy by Telephone. Submit a proxy for your shares by telephone proxy by using the toll-free telephone number provided on your proxy card. Telephone proxy voting is available 24 hours a day.
- Submitting a Proxy by Internet. Submit your proxy via the internet. The web site for internet proxy voting is on your proxy card, and internet proxy voting is also available 24 hours a day.
- Voting in Person. Vote by appearing and voting in person at the special meeting.

Street name holders may submit a proxy by telephone or the internet if their bank or broker makes those methods available, in which case the bank or broker will enclose the instructions with this

12

proxy statement. If you submit a proxy by telephone or via the internet you should not return your proxy card. Instructions on how to submit a proxy by telephone or via the internet are located on the proxy card enclosed with this proxy statement.

If you submit a proxy without specifying a choice, we will vote your shares in favor of the transactions proposal. Abstentions marked on your proxy card and broker non-votes are voted neither FOR nor AGAINST, but we count these shares in determining a quorum for the proposals. Abstentions and broker non-votes have the effect of a vote against the transactions proposal for purposes of Delaware law. Abstentions and broker non-votes have no effect on the vote for the

Edgar Filing: USA NETWORKS INC - Form PRER14A

transactions proposal for purposes of the rules of the National Association of Securities Dealers.

A stockholder who has given a proxy may revoke it at any time before it is exercised at the special meeting by (1) delivering to The Bank of New York a written notice, bearing a date later than the proxy, stating that the proxy is revoked, (2) submitting a later-dated proxy relating to the same shares by mail, telephone or the internet prior to the vote at the special meeting, or (3) attending the special meeting and voting in person (although attendance at the special meeting will not, by itself, revoke a proxy). You should send any written notice or new proxy card to USA c/o The Bank of New York at the following address: USA Networks, Inc., P.O. Box , New York, New York 10203 or follow the instructions provided on your proxy card to submit a proxy by telephone or via the internet. You may request a new proxy card by calling our proxy solicitor, MacKenzie Partners, Inc., at 1-800-322-2885 (toll-free).

IF YOU HOLD YOUR SHARES THROUGH A BANK OR BROKER, FOLLOW THE VOTING INSTRUCTIONS ON THE FORM YOU RECEIVE FROM YOUR BANK OR BROKER.

YOUR VOTE IS IMPORTANT. WE URGE YOU TO SUBMIT YOUR PROXY BY TELEPHONE, INTERNET OR BY SIGNING AND RETURNING THE ACCOMPANYING PROXY CARD WHETHER OR NOT YOU PLAN TO ATTEND THE SPECIAL MEETING. Failure to vote will have the effect of a vote against the transactions proposal for purposes of Delaware law. If you do attend the special meeting, you may vote by ballot, thereby cancelling any proxy previously given.

COST OF SOLICITATION

We have retained MacKenzie Partners, Inc. for a fee of \$17,500, plus additional charges related to telephone calls and other services, to assist in the solicitation of proxies. The cost of soliciting proxies will be borne by USA. In addition to solicitations by mail, the officers, directors and a number of regular employees of USA and its subsidiaries may solicit proxies in person or by telephone.

RECOMMENDATION OF OUR BOARD OF DIRECTORS

YOUR BOARD OF DIRECTORS BELIEVES THAT THE TRANSACTIONS ARE IN YOUR BEST INTERESTS AND USA'S BEST INTERESTS AND RECOMMENDS, BY THE UNANIMOUS VOTE OF ALL DIRECTORS (OTHER THAN DIRECTORS AFFILIATED WITH VIVENDI, NONE OF WHOM WAS PRESENT AT THE BOARD MEETING), THAT YOU VOTE FOR THE TRANSACTIONS PROPOSAL.

13

THE TRANSACTIONS

The description of the material terms of the transactions set forth below is not intended to be a complete description of the transactions. We qualify this description by reference to the transaction documents, which we have attached as appendices to this proxy statement. We encourage all stockholders to read these documents in their entirety.

GENERAL

USA has agreed to contribute the USA Entertainment Group, comprising all of USA's entertainment assets and businesses, to VUE, a new entity to be created with Vivendi. VUE will also hold the film, television and theme park businesses of Universal. VUE will be owned 5.44% by USA, 1.5% by Mr. Diller and 93.06% by Vivendi and will be controlled by Vivendi. In exchange for the USA Entertainment Group, USA will receive cash, common and preferred interests in VUE and the cancellation of approximately 320.9 million USANi LLC shares that are currently exchangeable into shares of USA. In connection with the transactions, USA has

Edgar Filing: USA NETWORKS INC - Form PRER14A

also agreed to issue to Vivendi ten-year warrants to acquire shares of USA common stock. In addition, Liberty will exchange with USA approximately 7 million LLC shares for shares of USA common stock, following which Liberty will transfer to Vivendi 25 million USA shares, entities holding Liberty's remaining interest in USANi LLC and other assets, in exchange for ADSs representing Vivendi ordinary shares.

VALUE OF USA ASSETS BEING CONTRIBUTED TO VUE AND CONSIDERATION RECEIVED BY USA

As part of its evaluation of the transactions, Bear Stearns, the financial advisor to the special committee, valued the USA Entertainment Group between \$8.2 billion and \$10.2 billion. Allen & Co., financial advisor to USA, separately valued the USA Entertainment Group between \$8.6 billion and \$12.6 billion. These financial advisor analyses also valued the USA warrants to be issued to Vivendi, as well as the VUE entity as a whole.

USA management has valued the different elements of the consideration it will receive in the transactions as follows:

- \$1.62 billion in cash,
- \$1 billion for USA's common interest in VUE,
- \$750 million for USA's Class A preferred interest in VUE,
- \$1.43 billion for USA's Class B preferred interest in VUE, and
- \$7.06 billion for the cancellation of the 320.9 million USANi LLC shares received from Vivendi, based on a \$22 USA share price

for total consideration to USA of \$11.86 billion. The financial advisors to the special committee and to USA also analyzed the value of the consideration to be received by USA. Bear Stearns valued the consideration to be received by USA between \$10.6 billion and \$11.8 billion. Allen & Co. valued the consideration to be received by USA between \$10.6 billion and \$12.8 billion.

VALUE OF VIVENDI ASSETS BEING CONTRIBUTED TO VUE

As part of its evaluation of the transactions, Bear Stearns, the financial advisor to the special committee, valued the Universal Entertainment Group being contributed by Vivendi to VUE between \$4.2 billion and \$7.3 billion. Allen & Co., the financial advisor to the USA board, separately valued the Universal Entertainment Group between \$6.2 billion and \$9.7 billion.

All of the Bear Stearns and Allen & Co. valuations described above are based on numerous assumptions and analyses and are complex. We encourage you to read the description of the analyses,

which are included under "--Opinion of the Special Committee's Financial Advisor" and "--Opinion of USA's Financial Advisor."

STRUCTURE OF THE TRANSACTIONS

The transactions will occur as follows:

- Vivendi and USA will create VUE in which Vivendi and its subsidiaries, USA and its subsidiaries and Mr. Diller will have common ownership interests of 93.06%, 5.44% and 1.5%, respectively.

Edgar Filing: USA NETWORKS INC - Form PRER14A

- USA and its subsidiaries will contribute their ownership interest in the USA Entertainment Group, consisting of USA Cable, USA Films and Studios USA, to VUE.
- Universal will contribute the Universal Entertainment Group, consisting of Universal's film, television and theme park businesses, as well as the remaining interest in the USA Entertainment Group that it receives in exchange for cancellation of its LLC shares (as described below), to VUE.
- As members of VUE, USA and its subsidiaries will receive the following at the closing of the transactions:
 - approximately \$1.62 billion in cash, debt-financed by VUE, which will be subject to tax-deferred treatment by USA for a 15-year period;
 - a \$750 million face value Class A preferred interest in VUE, with a 5% annual paid-in-kind dividend and a 20-year term, to be settled in cash at its then face value at maturity;
 - a \$1.75 billion face value Class B preferred interest in VUE, with a 1.4% annual paid-in-kind dividend, a 3.6% annual cash dividend, callable and puttable after 20 years, to be settled by Universal at its then face value with a maximum of approximately 56.6 million USA common shares, provided that Universal may substitute cash in lieu of shares of USA common stock (but not 13,430,000 shares of USA Class B common stock), at its election;
 - a 5.44% common interest in VUE, generally callable by Universal after five years and puttable by USA after eight years, which may be settled in either Vivendi stock or cash, at Universal's election.

By virtue of its 93.06% equity interest in VUE, Vivendi will be able to exercise control over VUE, subject to limited consent and veto rights of USA, which we describe under "The Transaction Documents--Partnership Agreement--Negative Covenants."

- In exchange for Vivendi agreeing to enter into certain commercial arrangements and for other valuable consideration, USA will issue to Vivendi ten-year warrants to acquire shares of USA common stock as follows:
 - 24,187,094 shares at \$27.50 per share;
 - 24,187,094 shares at \$32.50 per share; and
 - 12,093,547 shares at \$37.50 per share.
- Liberty will exchange 7,079,726 LLC shares for shares of USA common stock, after which the current USA exchange agreement relating to the LLC shares will immediately terminate. Liberty will then transfer to Vivendi 25,000,000 shares of USA common stock, entities holding 38,694,982 LLC shares, as well as the assets and liabilities of Liberty Programming France (which consist primarily of 4,921,250 shares of multiThematiques), in exchange for 37,386,436 ADSs representing Vivendi ordinary shares, subject to adjustment.

15

- USANi LLC will cancel LLC shares currently exchangeable into 320,856,512 USA common shares, representing all of the LLC shares then owned by Universal (including all the LLC shares acquired from Liberty as described above), in exchange for the distribution to Vivendi of partial interests

Edgar Filing: USA NETWORKS INC - Form PRER14A

in the following subsidiaries of USANi LLC, which comprise part of the USA Entertainment Group:

- USA Cable
- Studios USA LLC
- USA Networks Partner LLC
- Mr. Diller will receive a common interest in VUE with a 1.5% profit sharing percentage in return for his agreeing to specified non-competition provisions and agreeing to serve as the chairman and chief executive officer of VUE.
- USA and Mr. Diller have generally agreed that they will not compete with Vivendi's television and filmed entertainment businesses (including VUE) for a minimum of 18 months.

BACKGROUND OF THE TRANSACTIONS

Beginning in September 2001, management of USA and Vivendi spoke informally regarding their companies and discussed, at a general level, whether there was any interest in a possible strategic transaction involving the entertainment assets of each of USA and Universal. USA was interested in pursuing a possible strategic transaction involving its entertainment assets, in large part, because management believed that the USA Entertainment Group required larger scale in order to compete effectively in the rapidly consolidating entertainment industry. These discussions evolved into discussions in which senior management from USA and Vivendi discussed creating a joint venture between USA and Vivendi, with USA contributing the USA Entertainment Group and Vivendi contributing the Universal Entertainment Group.

In early November 2001, USA's management contacted the disinterested members of the USA board of directors, as well as Wachtell, Lipton, Rosen & Katz ("Wachtell"), special counsel to USA, and Allen & Co., USA's financial advisor, to inform them of the preliminary discussions that USA and Vivendi were having. USA's management had multiple discussions with its advisors to review possible transaction structures. Under certain of the proposals under discussion, Vivendi would have purchased a portion of the USA shares owned by Mr. Diller at a premium to market. However, Mr. Diller concluded that the long-term prospects for USA following the transactions made it unattractive for him to sell any portion of his USA shares even at a premium to current market, and therefore determined not to sell any of his USA shares.

Subsequently, management of Vivendi and USA also separately contacted Liberty's management to inform them of the ongoing discussions. Under the existing Governance Agreement, each of Liberty, Vivendi and Mr. Diller has veto rights over the proposed transactions or any other disposition by USA of its entertainment businesses.

From the beginning, each party to the negotiations had certain preconditions to proceeding. On Vivendi's part, Vivendi insisted that Mr. Diller must agree to non-competition provisions with the entertainment businesses (non-competition provisions were also required from USA), to manage VUE, with Vivendi ultimately in control, under terms that would sufficiently incentivize him in managing VUE, and to a personal standstill with Vivendi (including a prohibition on Mr. Diller's involvement with others in any actions to acquire control of Vivendi). On USA's part, in addition to seeking to ensure that any transaction was financially in the best interests of USA and its stockholders, USA insisted that both Vivendi and Liberty agree to relinquish their veto rights over "fundamental matters" as set forth in the current Governance Agreement, that any transaction must provide full value for USA's contribution to the joint venture

Edgar Filing: USA NETWORKS INC - Form PRER14A

and have minimal "outs", and that any transaction must achieve

16

long-term tax deferral of gain for USA while also permitting USA to receive a substantial amount of cash immediately. On Liberty's part, Liberty insisted that Vivendi purchase Liberty's interest in and assume its liabilities in connection with multiThematiques, S.A., a French venture in which Vivendi already participates, at a negotiated price, that it retain "fundamental matter" veto rights if USA became a highly leveraged entity in the future and that the transactions contemplated by the Transaction Agreement and those contemplated by the Vivendi/Liberty Merger Agreement be conditioned upon each other. On Mr. Diller's part, Mr. Diller insisted that he retain voting control of USA through the proxies on USA shares owned by Vivendi and Liberty, that "fundamental matter" veto rights of Vivendi and Liberty be eliminated and that his agreement to manage VUE be "at will."

Later in November 2001, USA, Vivendi and their respective advisors held extensive discussions regarding the terms and structure of a proposed transaction. These discussions grew increasingly frequent and substantive in nature. Also, the disinterested directors informally held discussions and contacted independent legal and financial advisors to represent them should the parties' discussions reach a point that a special committee became necessary or advisable. USA and Vivendi began to exchange drafts of various transaction documents during the first week of December 2001.

On December 4, 2001, USA's board of directors formally appointed a special committee to participate in the negotiation of the transactions, evaluate the transactions on behalf of USA and its public stockholders and make a recommendation to USA's board of directors regarding the transactions. The special committee consisted of William Savoy, Anne Busquet, General H. Norman Schwarzkopf and Paul Allen, each of whom was determined to be an independent director for purposes of evaluating the transactions as none of them had any material relationship with Vivendi, Liberty, Mr. Diller or their affiliates, or any personal interest in the transactions that diverges from the interests of USA's stockholders generally. The special committee retained Morris, Nichols, Arsht & Tunnell ("Morris Nichols") as its legal advisor and Bear Stearns as its financial advisor. The special committee met formally on December 4, December 11, December 14 and December 16, 2001, and in between meeting dates members of the special committee participated directly and through their advisors in an ongoing review of the developing transactions.

On December 4, 2001, at the first meeting of the special committee, USA's management provided the special committee with background information regarding the transactions, presented management's views of the transactions and described a variety of unresolved issues with respect to the transactions. In addition, representatives from Wachtell described the negotiations to date. Next, members of management and representatives from Wachtell left the meeting, and Allen & Co. updated the special committee on the status of the negotiations. Allen & Co. also informed the special committee, which was subsequently confirmed by Bear Stearns, that Vivendi had informed USA that it would not consent to any proposed transaction involving a sale of USA or the USA Entertainment Group to a third party. Following its presentation, representatives from Allen & Co. left the meeting, and representatives from Morris Nichols described the fiduciary duties of the members of the special committee. Next, representatives from Bear Stearns discussed the financial issues regarding the transactions and described the due diligence that Bear Stearns had conducted to date.

The special committee convened again on December 11, 2001 to receive an update on the status of the parties' negotiations and discuss legal and financial issues with its advisors. The committee discussed particular terms of the transactions, including the indemnification provisions contained in the

Edgar Filing: USA NETWORKS INC - Form PRER14A

draft Transaction Agreement (under which USA would indemnify Vivendi for breaches of USA's representations and warranties) and an expense reimbursement proposed to be payable to Vivendi in the event that the transactions were abandoned at Vivendi's behest as a result of the USA board of directors or any committee of the USA board of directors withdrawing or modifying its approval or recommendation of the transactions, which would be capped at \$30 million. Members of the special committee expressed their views that USA's indemnification obligations should be limited and articulated concern that a \$30 million cap on the expense reimbursement was too high. Members of the special committee also discussed a proposed provision that, with some modifications, in effect would

17

have required USA to assume an obligation similar to that of Universal under the terms of the existing Stockholders Agreement to purchase shares of USA common stock owned by Mr. Diller during the one-year period following such time as Mr. Diller no longer serves as chief executive officer of USA, which we refer to as the "Diller Put."

Under the terms of the existing Stockholders Agreement, the Diller Put obligation is required to be assumed by any party that acquired the USA shares held by Universal, which under the proposed transactions may be deemed to be acquired by USA. The Diller Put has a one-year term, and the per share price is determined based on the market price of USA common stock either prior to the announcement that Mr. Diller no longer serves as chief executive officer of USA or prior to the exercise of the Diller Put, depending on when Mr. Diller exercised the Diller Put. Under the proposal, in lieu of being obligated to purchase Mr. Diller's shares as required under the Stockholders Agreement as a condition to the transfer by Universal of its USA stock interest to USA, USA would have been required to make Mr. Diller whole for any market discount he suffered upon a sale of his shares based on the pre-announcement price as set forth in the Stockholders Agreement. Following discussions between the advisors to the special committee and Wachtell, the proposal relating to the Diller Put was withdrawn, and Mr. Diller waived the requirement for USA to assume Universal's obligation under the Diller Put.

The special committee next met on December 14, 2001 to receive an update and consider the status of the negotiations, including the outstanding issues between USA, Vivendi and Liberty. Representatives from Wachtell indicated that Vivendi had agreed to reduce the \$30 million cap on the expense reimbursement to up to \$15 million in documented expenses and that, also in response to concerns expressed by the special committee, Mr. Diller had agreed to withdraw the proposal relating to the Diller Put and waive the requirement that USA assume Universal's obligation under the Diller Put, which proposal was estimated by Bear Stearns to have had a value of \$300 to \$400 million. During the December 11, 2001 meeting, the special committee also focused on the scope and duration of the proposed non-compete for USA and Mr. Diller (which at that time was proposed by Vivendi to remain in effect from the closing of the transactions until 18 months following the time that USA no longer held a common interest in VUE). At the special committee's request, Mr. Diller discussed his intended management role with USA, assuming completion of the transactions. Next, representatives from Wachtell left the meeting, and Bear Stearns reviewed the status of the transactions and certain financial analyses. Following the presentation by Bear Stearns, representatives from Morris Nichols reviewed the \$15 million expense reimbursement provision and other open legal points. The special committee agreed that the \$15 million expense reimbursement provision was reasonable.

Over the course of the discussions/negotiations, the special committee's legal and financial advisors, for the most part, communicated the special committee's views to USA's legal and financial advisors who negotiated those

Edgar Filing: USA NETWORKS INC - Form PRER14A

points and others directly with Vivendi's legal and financial advisors. The special committee's legal and financial advisors at times also engaged in direct discussions/negotiations with Vivendi's legal and financial advisors. In addition, Mr. Savoy, on behalf of the special committee, on occasion discussed matters directly with Mr. Diller. While neither USA management nor the special committee participated in negotiations relative to the financial terms of the Vivendi/Liberty transaction, USA was concerned that, given that the USA/Vivendi transaction would be conditioned on the Vivendi/Liberty transaction, consummation of the Vivendi/Liberty transaction must be highly certain, and USA did negotiate to obtain assurance on that point. The discussions among all parties culminated on the weekend of December 15-16, 2001, during which time the transaction agreements were finalized.

On December 16, 2001, the special committee held a meeting to consider the transactions. At the meeting, USA management reported to the special committee on the course of negotiations relating to the transactions, discussed with the special committee the potential benefits and risks of the transactions, and responded to questions from the members of the special committee. In addition, representatives from Wachtell reviewed with the members of the special committee the principal terms and conditions of each of the transaction documents, including the Transaction Agreement, the

18

Partnership Agreement, the Amended and Restated Governance Agreement, the Amended and Restated Stockholders Agreement, the Warrant Agreement and the Vivendi/Liberty Merger Agreement, as well as tax, regulatory and other legal matters relating to the transactions. Representatives from Wachtell also reported that Vivendi had agreed, in response to the special committee's concerns regarding USA's indemnification obligations for breaches of USA's representations and warranties, to increase the deductible to \$150 million with respect to those obligations.

Next, Bear Stearns discussed various analyses relating to the transactions and responded to questions from the directors regarding the manner and conclusion of its analyses. Following its presentation, Bear Stearns rendered an oral opinion that, as of December 16, 2001, the consideration to be received by USA in the transactions was fair, from a financial point of view, to the stockholders of USA other than Vivendi, Liberty, Mr. Diller and their affiliates. The special committee subsequently received the written opinion of Bear Stearns confirming its oral opinion at the special committee meeting. Following discussion by the special committee, and subject to finalization of the necessary documentation, the special committee unanimously declared the Transaction Agreement advisable; determined that the terms of the transactions are fair to and in the best interests of the stockholders of USA, other than Vivendi, Liberty, Mr. Diller and their affiliates; and recommended that the USA board of directors approve the transactions and declare the advisability of the Transaction Agreement.

On December 16, 2001, following the meeting of the special committee, USA's board of directors (other than directors affiliated with Vivendi) held a special meeting to consider the transactions. At the meeting, USA management reported to the USA board of directors on the course of negotiations relating to the transactions, discussed with the directors the potential benefits and risks of the transactions, and responded to questions from the directors. In addition, representatives from Wachtell reviewed with the USA board of directors the principal terms and conditions of each of the transaction documents, including the Transaction Agreement, the Partnership Agreement, the Amended and Restated Governance Agreement, the Amended and Restated Stockholders Agreement, the Warrant Agreement and the Vivendi/Liberty Merger Agreement, as well as tax, regulatory and other legal matters relating to the transactions. Wachtell also noted for USA's board that the parties had come to agreement on the terms of the

Edgar Filing: USA NETWORKS INC - Form PRER14A

non-compete applicable to USA and Mr. Diller as reflected in the definitive documents.

Next, Allen & Co. discussed various analyses relating to the transactions and responded to questions from the directors regarding the manner and conclusion of its analyses. Following its presentation, Allen & Co. rendered an oral opinion that, as of December 16, 2001, the consideration to be received by USA pursuant to the transactions was fair, from a financial point of view, to USA. The USA board of directors subsequently received the written opinion of Allen & Co. confirming their oral opinion at the USA board meeting. Following discussion by the board of directors, and subject to finalization of the necessary documentation, the board of directors determined that the transactions are advisable, fair to, and in the best interests of, the USA stockholders and recommended, by the unanimous vote of all directors (other than directors affiliated with Vivendi, none of whom was present at the board meeting), that the USA stockholders approve the transactions.

On December 16, 2001, the parties executed the Transaction Agreement, the Amended and Restated Governance Agreement and the Amended and Restated Stockholders Agreement, and Vivendi, Liberty and certain of their respective affiliates executed the Vivendi/Liberty Merger Agreement, copies of which are attached as Appendices A, C, D and F to this proxy statement. On December 17, 2001, USA issued a press release announcing the execution of the Transaction Agreement.

REASONS FOR THE TRANSACTIONS

In view of the wide variety of factors considered in connection with their evaluation of the transactions, the special committee and the USA board of directors did not find it practicable to, and

19

did not, quantify or otherwise attempt to assign relative weights to the specific factors each considered in reaching its determinations.

We do not intend for the following discussion of the information and factors considered by the special committee and the USA board of directors to be exhaustive. We believe the discussion includes all material factors that the special committee and the USA board of directors considered.

USA SPECIAL COMMITTEE

In reaching its decision to recommend that the USA board of directors approve the Transaction Agreement, the related transaction documents and the transactions and declare the advisability of the same, the special committee consulted with USA's management as well as its legal counsel and its financial advisor and carefully considered the following material factors:

- PREMIUM TRANSACTION. The consideration that USA will receive for the USA Entertainment Group represents a significant premium to the consideration of \$4.075 billion that USA paid in 1998 for substantially all of the businesses comprising the USA Entertainment Group. The consideration received by USA includes USANi LLC shares currently exchangeable for USA common shares owned by Vivendi (including those Universal received in 1998) that have appreciated in value significantly since 1998. For an analysis of the value of the consideration to be received by USA in the transactions, please see "--Opinion of the Special Committee's Financial Advisor--Valuation of Consideration to be Received by USA in the Transactions" and "--Opinion of USA's Financial Advisor--Valuation of the Transactions."

Edgar Filing: USA NETWORKS INC - Form PRER14A

- PARTICIPATION IN THE FUTURE OF VUE. USA will have the opportunity to participate, through its 5.44% common interest, in the future of VUE.
- BEAR STEARNS' FAIRNESS OPINION. Bear Stearns provided an oral opinion, subsequently confirmed in writing, to the effect that, as of December 16, 2001, the consideration to be received by USA in the transactions is fair, from a financial point of view, to the stockholders of USA other than Vivendi, Liberty, Mr. Diller and their affiliates.
- LIMITED CONDITIONS TO CONSUMMATION. The obligation of Vivendi to consummate the transactions is subject to a limited number of conditions, with no financing condition. Moreover, Vivendi has the financial resources to consummate the transactions expeditiously.
- STRATEGIC ALTERNATIVES. USA's management advised the special committee that in order to remain fully competitive in a rapidly consolidating industry, the USA Entertainment Group would need to grow through acquisitions and that although it continuously evaluates potential acquisition targets, USA's management had not identified entertainment assets of the size, caliber and fit necessary to meaningfully improve the competitive position of the USA Entertainment Group that were available at a reasonable price. USA management advised the special committee that a sale of the USA Entertainment Group made strategic sense. Furthermore, in determining to recommend the transactions, the special committee took into account the fact that USA could not effect a sale of the USA Entertainment Group or any substantial acquisition on behalf of the USA Entertainment Group without the prior approval of Vivendi and Liberty and that either Vivendi or Liberty could effectively veto any such transaction under the terms of the current Governance Agreement and the current Stockholders Agreement. The special committee also considered Vivendi's position that Vivendi would veto any proposed transaction involving a sale of USA or the USA Entertainment Group to a third party.
- CONCENTRATED EMPHASIS ON INTEGRATED INTERACTIVITY. The transactions present an opportunity for USA to emphasize its leadership role in integrated interactivity, including ticketing, online travel, online dating, teleservices, electronic retailing and other interactive commerce services, where USA can engage in multiple forms of electronic commerce at scale, and which USA believes to be an area of faster growth opportunities than the business of the USA Entertainment Group.

20

The transactions will give USA Interactive greater financial and operating strength to help realize growth opportunities in the future in electronic commerce, including through acquisitions.

- ESTABLISHING AN INDEPENDENT USA. The transactions will significantly increase the independence of USA. The Amended and Restated Governance Agreement, which will become effective at the closing of the transactions, eliminates altogether the veto rights that Vivendi currently has with respect to USA's actions. Moreover, the Amended and Restated Governance Agreement significantly limits the veto rights that Liberty and Mr. Diller will have with respect to USA's actions. In particular, following completion of the transactions, most of Liberty's and Mr. Diller's veto rights, including with respect to significant acquisitions and dispositions by USA and amendments to USA's charter, will exist only if USA's debt to income ratio equals or exceeds 4:1 for a continuous twelve-month period. Currently, Vivendi, Liberty and Mr. Diller possess veto rights irrespective of whether or not USA satisfies any financial ratio test. Accordingly, upon completion of the transactions, USA believes that it will have a great deal more flexibility

Edgar Filing: USA NETWORKS INC - Form PRER14A

to pursue its growth.

- OTHER BUSINESS ARRANGEMENTS. USA and Universal agreed to enter into a series of strategic and commercial alliances with one another covering each party's transactional and internet businesses and to negotiate in good faith to arrange for VUE to provide to USA programming distribution for the Home Shopping Network and other USA transactional services.
- SIMPLIFICATION OF USA'S CAPITAL STRUCTURE. The transactions will allow USA to simplify and streamline its capital structure by eliminating all of the currently exchangeable LLC shares held by Universal, Liberty and their affiliates. USANi LLC has been a non-wholly owned subsidiary of USA since its formation in connection with the Universal transaction in 1998 (in which USA acquired the television entertainment assets of Universal). USA management advised the special committee that it believed these changes would significantly benefit USA by facilitating greater understanding by the financial community of USA and its stock value.
- POSSIBLE CONFLICTS OF INTEREST. The special committee took into account the possible conflicts of interest of certain directors and members of management of USA as well as Vivendi and Liberty. For a discussion of these possible conflicts of interest, see "Interests of Officers and Directors in the Transactions."
- ROLE OF MR. DILLER. Following completion of the transactions, Mr. Diller will serve as chairman and chief executive officer of each of USA and VUE.
- DECREASED DIVERSIFICATION AND SMALLER SIZE. Following completion of the transactions, USA will be a smaller and less diversified company. As a more focused company, USA's earnings will be more closely tied to a less diversified portfolio of assets and as a result USA securities may be subject to greater volatility.

Each of the factors described above was considered by the special committee to be a positive factor relating to the transactions, other than "--POSSIBLE CONFLICTS OF INTEREST," which was considered negatively, and "--DECREASED DIVERSIFICATION AND SMALLER SIZE," which was not considered by the special committee negatively or positively. This discussion of the information and factors which the special committee considered in making its decision is not intended to be exhaustive but includes all material factors considered by the special committee. In view of the wide variety of factors considered in connection with its evaluation of the transaction and the complexity of these matters, the special committee did not find it useful to, and did not attempt to, quantify, rank or otherwise assign relative weights to these factors. In addition, the individual members of the special committee may have given different weight to different factors.

The special committee believed that, overall, the potential benefits of the transaction to USA and its stockholders outweighed the risks.

21

USA BOARD OF DIRECTORS

In reaching its decision to recommend that USA stockholders approve the transactions proposal, the USA board of directors consulted with USA's management as well as its legal counsel and its financial advisor and carefully considered the following material factors:

- The conclusions and recommendation of the special committee;
- The factors referred to above as having been taken into account by the

Edgar Filing: USA NETWORKS INC - Form PRER14A

special committee; and

- USA's board of directors having received an opinion from Allen & Co. that, as of December 16, 2001, the consideration to be received by USA in the transactions was fair, from a financial point of view, to USA.

Each of the factors described above was considered by USA's board to be a positive factor relating to the transactions, other than "--USA SPECIAL COMMITTEE--POSSIBLE CONFLICTS OF INTEREST" which was considered negatively, and "--USA SPECIAL COMMITTEE--DECREASED DIVERSIFICATION AND SMALLER SIZE," which was not considered by the USA board of directors negatively or positively. This discussion of the information and factors considered by the USA board of directors in making its decision is not intended to be exhaustive but includes all material factors which the USA board of directors considered. In view of the wide variety of factors considered in connection with its evaluation of the transaction and the complexity of these matters, the USA board of directors did not find it useful to, and did not attempt to, quantify, rank or otherwise assign relative weights to these factors. In addition, the individual members of the USA board of directors may have given different weight to different factors.

The USA board of directors believed that, overall, the potential benefits of the transaction to USA and its stockholders outweighed the risks.

The USA board of directors, including the members of the special committee, believes that the transactions are procedurally fair because, among other things:

- The special committee consisted of independent directors appointed to represent the interests of USA's stockholders, other than Vivendi, Liberty, Mr. Diller and their affiliates;
- The special committee retained and was advised by its own independent legal counsel;
- The special committee retained and was advised by Bear Stearns, as its independent financial advisor, to assist in evaluating a potential transaction with Vivendi; and
- Under Delaware law, because Vivendi is considered an "interested stockholder," the parties agreed to obtain approval of the transactions proposal by the affirmative vote of 66 2/3% of the outstanding USA voting stock, excluding any shares held by Vivendi, Liberty, Mr. Diller and their affiliates.

RECOMMENDATION OF THE SPECIAL COMMITTEE AND THE USA BOARD OF DIRECTORS

SPECIAL COMMITTEE

On December 16, 2001, the special committee:

- declared the Transaction Agreement, the other related transaction documents and the transactions advisable;

22

- determined that the terms of the transactions are fair to and in the best interests of USA's stockholders, other than Vivendi, Liberty, Mr. Diller and their affiliates; and
- recommended that the USA board of directors approve the Transaction Agreement, the other related transaction documents and the transactions, and that the USA board of directors declare the advisability of the same.

Edgar Filing: USA NETWORKS INC - Form PRER14A

USA BOARD OF DIRECTORS

On December 16, 2001, the USA board of directors:

- approved the Transaction Agreement, the other related transaction documents and the transactions, and declared the advisability of the same;
- determined that the terms of the Transaction Agreement, the related transaction documents and the transactions are fair to and in the best interests of the USA stockholders;
- directed that the Transaction Agreement, the related transaction documents and the transactions be submitted to a vote at a meeting of USA's stockholders to be held as promptly as practicable following the date of the Transaction Agreement; and
- recommended that USA's stockholders approve the Transaction Agreement, the other related transaction documents and the transactions.

OPINION OF THE SPECIAL COMMITTEE'S FINANCIAL ADVISOR

Bear Stearns has rendered a fairness opinion to the special committee of the board of directors of USA in connection with the transactions. Bear Stearns is an internationally recognized investment banking firm that has substantial experience in transactions similar to the transactions. Bear Stearns, as part of its investment banking business, is continuously engaged in the valuation of businesses and their securities in connection with mergers and acquisitions, negotiated underwritings, competitive biddings, secondary distributions of listed and unlisted securities, private placements and other transactions. The special committee retained Bear Stearns based on its qualifications, expertise and reputation in providing advice to companies with respect to transactions similar to the transactions and because it is familiar with USA's business.

In connection with Bear Stearns' engagement, the special committee requested that Bear Stearns evaluate whether the consideration to be received by USA in the transactions is fair, from a financial point of view, to the stockholders of USA other than Vivendi, Liberty, Mr. Diller and their affiliates. The consideration to be received in the transactions includes:

- (1) a total of approximately 320.9 million LLC shares (which are currently exchangeable for USA common shares) held by Universal (including LLC shares that will be acquired by Universal from Liberty prior to the closing of the transactions), which will be cancelled by USA,
- (2) 5.44% of the outstanding common interests in VUE,
- (3) a Class A preferred interest in VUE with an initial face value of \$750 million,
- (4) a Class B preferred interest in VUE with an initial face value of \$1.75 billion, and
- (5) a cash distribution from VUE of approximately \$1.62 billion.

On December 16, 2001 Bear Stearns delivered its oral opinion to the special committee that, as of December 16, 2001, the consideration to be received in the transactions was fair, from a financial point of view, to the stockholders of USA other than Vivendi, Liberty, Mr. Diller and their affiliates. Bear Stearns subsequently confirmed its oral opinion by delivery of its written opinion dated December 16, 2001.

The full text of the written opinion of Bear Stearns, dated December 16, 2001, which contains the assumptions made, matters considered and limitations on the review undertaken in connection with the opinion, is attached as Appendix G to this proxy statement and is incorporated by reference in this proxy statement. You should read the opinion carefully in its entirety. - reviewed the terms and conditions of (1) the Class A preferred interest and the Class B preferred interest in VUE and (2) the warrants to be issued to Vivendi in connection with the transactions; and
- conducted such other studies, analyses, inquiries and investigations as Bear Stearns deemed appropriate.

Bear Stearns relied upon and assumed, without independent verification, the accuracy and completeness of the financial and other information, including without limitation the projections provided to Bear Stearns by USA and Vivendi. With respect to the projected financial results of the USA Entertainment Group, the USA Interactive Group, and the Universal Entertainment Group, Bear Stearns has assumed that they have been reasonably prepared on bases reflecting the best currently available estimates and judgments of the respective senior management teams of USA and Vivendi as to the expected future performance of the USA Entertainment Group and the USA Interactive Group and the Universal Entertainment Group, respectively. Bear Stearns has not assumed any responsibility for the independent verification of any such information or of the projections provided to Bear Stearns, and Bear Stearns has further relied upon the assurances of the senior management of USA and Vivendi that they are unaware of any facts that would make the information and projections provided to Bear Stearns incomplete or misleading.

In arriving at its opinion, Bear Stearns has not performed or obtained any independent appraisal of the assets or liabilities (contingent or otherwise) of the USA Entertainment Group, the USA Interactive Group and the Universal Entertainment Group, nor has Bear Stearns been furnished with any such appraisals. Bear Stearns has relied, with the consent of the special committee, on the statements made by Vivendi indicating that it would not consent to any proposed transaction involving a sale of USA or the USA Entertainment Group to a third party, and Bear Stearns was not requested to solicit, and Bear Stearns did not solicit, interest from any third party with respect to an acquisition of USA or the USA Entertainment Group. Bear Stearns has assumed, without independent verification, that for U.S. federal income tax purposes, any gain realized by USA, USANi LLC, or VUE upon consummation of the transactions will be tax deferred, and in particular no gain or loss will be recognized by USA, USANi LLC or VUE as a result of (1) the distribution of the USANi Distributed Interests (as defined in the Transaction Agreement) by USANi LLC to Universal, (2) the issuance to Vivendi of equity warrants to acquire USA common stock, (3) the cancellation of the LLC shares (including the shares received from Liberty) held

Edgar Filing: USA NETWORKS INC - Form PRER14A

by Universal, (4) the contribution of the USA Entertainment Group to VUE, (5) USA's receipt of the Class A preferred interest, the Class B preferred interest and the common interests of VUE, and (6) the receipt by USA of approximately \$1.62 billion of cash as a distribution from VUE, other than the potential recognition of an insignificant amount of income or gain pursuant to Section 751 of the Internal Revenue Code of 1986, as amended. Bear Stearns has assumed that the transactions will be consummated in a timely manner and in accordance with the terms of the transaction agreements without any limitations, restrictions, conditions, amendments or modifications, regulatory or otherwise, that collectively would have a material effect on the USA Entertainment Group, the USA Interactive Group, the Universal Entertainment Group or VUE. Bear Stearns has been informed by USA and has assumed, without independent verification, that, following the transactions, USA will not be deemed to be an "investment company" within the meaning of the Investment Company Act of 1940, as amended.

Bear Stearns does not express any opinion as to the price or range of prices at which the shares of USA common stock may trade subsequent to the announcement of the transactions or as to the price or range of prices at which the shares of USA common stock may trade subsequent to the completion of the transactions.

Bear Stearns' opinion does not constitute a recommendation to the special committee, the board of directors of USA or any stockholder of USA as to how to vote in connection with the transactions. Bear Stearns' opinion does not address USA's underlying business decision to pursue the transactions, the relative merits of the transactions as compared to any alternative business strategies that might exist for USA or the effects of any other transaction in which USA might engage. In addition, Bear Stearns' opinion does not address the fairness, from a financial point of view, of the consideration that may be received by Vivendi, Mr. Diller, Liberty or their respective affiliates in the transactions or the relative value of that consideration as compared to the consideration to be received by USA in the transactions. Bear Stearns' opinion is subject to the assumptions and conditions contained therein and is necessarily based on economic, market and other conditions, and the information made available to Bear Stearns, as of the date of its opinion. Bear Stearns assumes no responsibility for updating or revising its opinion based on circumstances or events occurring after the date thereof.

The following is a summary of the financial analyses used by Bear Stearns in connection with providing its oral opinion to the special committee on December 16, 2001 and its written opinion to the special committee which is attached to this proxy statement as Appendix G.

The following summaries of financial analyses include information presentation in tabular format. You should read these tables together with the text of each summary.

VALUATION OF THE USA ENTERTAINMENT GROUP

Bear Stearns valued the USA Entertainment Group, which consists of USA Network, the SCI FI Channel and the "Emerging Networks" (the Trio and Newsworld International cable networks), and USA's TV/film production businesses, including USA Films and Studios USA.

A summary of the financial analyses used by Bear Stearns in connection with determining the value of each segment of the USA Entertainment Group is provided below. Bear Stearns noted that USA would be unable to sell the USA Entertainment Group to a third party without the consent of Vivendi. Vivendi, through its financial advisor, communicated to Bear Stearns its unwillingness to consent to such a transaction. Therefore, the analyses of selected transactions were

provided for informational purposes only.

USA NETWORK

DISCOUNTED CASH FLOW ANALYSIS FOR USA NETWORK. Bear Stearns performed a discounted cash flow analysis of USA Network as of December 31, 2001 to estimate the present value of the future unleveraged, after-tax, free cash flows that USA Network could generate. The analysis was based on financial projections for the two years ending December 31, 2003 provided by management of USA and management's guidance for the calendar years ending 2004 through 2006.

Using a range of discount rates of 10.5% to 11.5% reflecting Bear Stearns' estimate of the network's weighted average after-tax cost of capital and a range of perpetual growth rates of 5.5% to 6.5%, Bear Stearns calculated the present value of the projected free cash flows for each of the 2002-2006 fiscal years and the present value of the terminal value of USA Network at the end of fiscal year 2006. The discounted cash flow analysis implied a valuation range of \$5.3 to \$6.3 billion (before adjusting for the assumption of \$138 million of promotional obligations).

ANALYST VALUATIONS OF USA NETWORK. Bear Stearns reviewed and compared certain financial information and ratios for USA Network based on sum-of-the-parts valuations of USA found in the

27

most recent available research reports of selected investment banks, as of the respective dates indicated below.

INVESTMENT BANK	REPORT DATE	12/31/01 TARGET PRICE	PRICE AS OF 12/10/01(1)	12/31/01 TARGET VALUATION (\$ IN BILLIONS)
Morgan Stanley	10/25/01	\$25.43	\$23.95	\$5.7
A.G. Edwards	10/25/01	\$25.25	\$23.95	\$7.9
UBS Warburg	12/6/01	\$29.00	\$23.95	\$6.6

(1) Most recent unaffected closing price.

Bear Stearns noted that the valuation range for USA Network implied by the discounted cash flow analysis was generally consistent with the target values ascribed to USA Network by the above analyst reports. Bear Stearns also noted that the December 31, 2001 target values set forth in the analyst reports are related to target stock prices for USA common stock that exceeded the market value of USA common stock at the time of Bear Stearns' analysis.

COMPARISON TO GENERALLY COMPARABLE CABLE NETWORKS. Using publicly available information and analyst research reports, Bear Stearns reviewed and compared certain financial information, ratios and percentages for USA Network with corresponding financial information, ratios and percentages for the following generally comparable cable networks: (1) Turner Network Television (owned by AOL Time Warner), (2) TBS Superstation (owned by AOL Time Warner), (3) The National Network (owned by Viacom), (4) Lifetime Television (owned by The Walt Disney Company ("Disney") and Hearst) and (5) A&E Television Networks (owned by Disney, Hearst and NBC).

For each of the selected networks, Bear Stearns reviewed certain publicly

Edgar Filing: USA NETWORKS INC - Form PRER14A

available financial and operating data, valuation statistics, financial ratios, and research reports and calculated ratios and multiples based on such information. Bear Stearns compared Enterprise Values, as defined below, based on sum-of-the-parts valuations by Wall Street analysts, of the selected networks and USA Network as multiples of their respective estimated calendar year 2002 EBITDA and as multiples of estimated year-end 2001 total subscribers.

The results of such analysis are summarized below:

	ENTERPRISE VALUE/ -----	
	2002E EBITDA	2001E YEAR-END SUBSCRIBERS
Range of Generally Comparable Cable Networks.....	12.5x-18.9x	\$30.11-\$70.70
Mean of Generally Comparable Cable Networks.....	15.8x	\$52.46
Median of Generally Comparable Cable Networks.....	15.9x	\$52.92
Multiples Implied by Bear Stearns' DCF Valuation Range for USA Network(1).....	13.3x-15.8x	\$62.13-\$73.96

(1) Before the impact of promotional obligations.

Bear Stearns noted that the multiples of estimated 2002 EBITDA and of estimated 2001 year-end subscribers implied by its discounted cash flow analysis for USA Network were generally consistent with the multiples observed for the generally comparable cable networks.

ANALYSIS OF SELECTED TRANSACTIONS. Using publicly available information, Bear Stearns reviewed and analyzed the purchase prices and transaction multiples implied by the purchase prices proposed to be

28

paid, at the time of the announcement, in the following two selected merger and acquisition transactions, which we refer to as the "USA Network Selected Transactions":

ACQUIROR	TARGET	DATE ANNOUNCED
Disney.....	Fox Family Worldwide	July 2001
Viacom.....	BET Network	November 2000

Bear Stearns compared the value of the equity, plus debt, preferred stock and minority interest, less cash, cash equivalents and other non-operating assets, which we refer to as the "Enterprise Values," proposed to be paid at the time of announcement in each of the USA Network Selected Transactions and the transactions as multiples of latest 12 months EBITDA and as multiples of total subscribers. Bear Stearns reviewed analyst reports and adjusted the acquisition multiples to reflect the value and EBITDA of the Fox Family Channel and BET cable network assets exclusively. Bear Stearns also reviewed certain operating and financial data of the target cable network assets relative to those of USA Network. All multiples and data for the USA Network Selected Transactions were based on financial information and Wall Street research available at the time of

Edgar Filing: USA NETWORKS INC - Form PRER14A

the announcement of the relevant transaction and data for the latest 12 months preceding the date of announcement. The results of such analysis are summarized below:

	ENTERPRISE VALUE/	
	LTM EBITDA	SUBSCRIBERS
Disney/Fox Family Transaction.....	34.7x	\$51.85
Viacom/BET Network Transaction.....	21.1x	\$43.35
Multiples Implied by Bear Stearns' DCF Valuation Range for USA Network(1).....	12.0x-14.3x	\$62.13-\$73.96

(1) Before the impact of promotional obligations.

Bear Stearns noted that the multiples of latest 12 months EBITDA implied by the discounted cash flow analysis of USA Network were generally below those observed for the USA Network Selected Transactions and attributed this differential to two factors: (1) the ratio of latest 12 months EBITDA divided by latest 12 months revenue, which we refer to as the "LTM EBITDA Margin," was lower for both Fox Family Worldwide (39.1%) and BET Network (47.6%) than for USA Network (52.1%) and (2) the ratio of latest 12 months revenue per month divided by total subscribers was significantly lower for both Fox Family Worldwide (\$0.40) and BET Network (\$0.28) than for USA Network (\$0.85). Bear Stearns noted that the per subscriber multiples implied by the discounted cash flow analysis of USA Network were above those observed for the USA Network Selected Transactions.

SCI FI CHANNEL

DISCOUNTED CASH FLOW ANALYSIS FOR THE SCI FI CHANNEL. Bear Stearns performed a discounted cash flow analysis of the SCI FI Channel as of December 31, 2001 to estimate the present value of the future unleveraged, after-tax, free cash flows that the SCI FI Channel could generate. The analysis was based on financial projections for the two years ending December 31, 2003 and management's guidance for the calendar years ending 2004 through 2006, each as provided by management of USA.

Using a range of discount rates of 11% to 12% reflecting Bear Stearns' estimate of the SCI FI Channel's weighted average after-tax cost of capital and a range of perpetual growth rates of 7.0% to 8.0%, Bear Stearns calculated the present value of the projected free cash flows for each of the 2002-2006 fiscal years and the present value of the terminal value of the SCI FI Channel at the end of fiscal year 2006. The discounted cash flow analysis implied a valuation range of \$2.0 to \$2.8 billion.

ANALYST VALUATIONS OF THE SCI FI CHANNEL. Bear Stearns reviewed and compared certain financial information and ratios for the SCI FI Channel based on sum-of-the-parts valuations of USA found in the most recent available research reports of selected investment banks, as of the respective dates indicated below.

Scripps) and (7) The History Channel (owned by Disney, Hearst and NBC).

For each of the selected networks, Bear Stearns reviewed certain publicly available financial and operating data, valuation statistics, financial ratios, and research reports and calculated ratios and multiples based on such information. Bear Stearns compared Enterprise Values, based on sum-of-the-parts valuations by Wall Street analysts, of the selected networks and the SCI FI Channel as multiples of their respective estimated calendar year 2002 EBITDA and as multiples of estimated 2001 year-end subscribers.

ACQUIROR	TARGET	DATE ANNOUNCED
Viacom.....	BET Network	November 2000
MGM.....	20% investment in Rainbow Media Group (owner of American Movie Classics and Bravo Cable Networks)	February 2001

Bear Stearns compared Enterprise Values, proposed to be paid at the time of announcement, in each of the SCI FI Channel Selected Transactions and the transactions as multiples of latest 12 months EBITDA and as multiples of total subscribers. Bear Stearns also reviewed analyst reports and adjusted the acquisition multiples to reflect the value and EBITDA of the BET, American Movie Classics and Bravo cable network assets exclusively. Bear Stearns also reviewed certain operating and financial data of the targets relative to those of the SCI FI Channel. All multiples and data for the SCI FI Channel Selected Transactions were based on financial information and Wall Street research available at the time of the announcement of the relevant transaction and data for the latest 12 months preceding the date of announcement. Bear Stearns noted that the multiples of latest 12 months EBITDA and subscribers implied by the discounted cash flow analysis of the SCI FI Channel were generally consistent with those observed for the SCI FI Channel Selected Transactions.

STUDIOS USA & USA FILMS

DISCOUNTED CASH FLOW ANALYSIS FOR STUDIOS USA AND USA FILMS. Bear Stearns performed a discounted cash flow analysis of Studios USA to estimate the present value of the future unleveraged, after-tax, free cash flows generated by each of its major programs, based on financial projections for the three years ending December 31, 2004 and guidance from management for calendar year 2005 and

Edgar Filing: USA NETWORKS INC - Form PRER14A

thereafter, each as provided by management of USA. The cash flow impact (outflows and inflows) related to future, unidentified programs was not incorporated in this analysis.

Bear Stearns calculated a range of discount rates of 8.0% to 16.0% reflecting Bear Stearns' estimate of the weighted average after-tax cost of capital for the cash flows generated by the various programs produced by Studios USA. For programs which have been on the air for at least two seasons, Bear Stearns utilized discount rates at the lower end of this range. Bear Stearns calculated the present value as of December 31, 2001 of the projected free cash flows for the major programs, along with the present value of the terminal value for those programs that were projected to have cash flow in the long-term. The discounted cash flow analysis implied a valuation range of \$0.8 to \$1.0 billion.

For USA Films, Bear Stearns reviewed management of USA's 2001 forecast and 2002 budget, along with management of USA's Ultimates as of December 4, 2001. Bear Stearns noted that management projections showed substantial negative EBITDA and free cash flow in 2002 for the USA Films segment. Based on the foregoing, Bear Stearns did not assign any value to the USA Films business.

31

ANALYST VALUATIONS OF STUDIOS USA AND USA FILMS. Bear Stearns reviewed and compared certain financial information and ratios for Studios USA and USA Films based on sum-of-the parts valuations of USA found in the most recent available research reports of selected investment banks, as of the respective dates indicated below.

INVESTMENT BANK	REPORT DATE	12/31/01 TARGET PRICE	PRICE AS OF 12/10/01(1)	12/31/01 TARGET VALUATION (\$ IN	
				STUDIOS USA	USA FILMS
Morgan Stanley	10/25/01	\$25.43	\$23.95	\$0.4	\$0.5

UBS Warburg	12/6/01	\$29.00	\$23.95	\$0.8	\$1.2

(1) Most recent unaffected closing price.

Bear Stearns noted that its valuation range for Studios USA and USA Films, combined, of \$0.8 to \$1.0 billion was generally consistent with the combined valuation ascribed to Studios USA and USA Films by Wall Street research. Bear Stearns also noted that the December 31, 2001 target values set forth in the analyst reports are related to target stock prices for USA common stock that exceeded the market value of USA common stock at the time of Bear Stearns' analysis.

COMPARISON TO GENERALLY COMPARABLE TELEVISION AND FILM STUDIOS. Using Wall Street research, Bear Stearns reviewed and compared certain financial information and ratios for Studios USA with corresponding financial information and ratios for generally comparable television and film studios of the following diversified media companies: MGM, Viacom, Sony, Fox, AOL, Disney and Vivendi.

For each of the selected companies, Bear Stearns reviewed certain valuation statistics, financial ratios and research reports for calendar years 2001 and 2002. Bear Stearns compared the projected 2001 year-end Enterprise Values that

Edgar Filing: USA NETWORKS INC - Form PRER14A

Wall Street research analysts ascribed to the television and/or film studio segments of the selected companies as multiples of their respective calendar year 2001 and 2002 EBITDA. Bear Stearns then compared these multiples to the comparable multiples for Studios USA implied by the discounted cash flow analysis.

The results of such analysis are summarized below:

	ENTERPRISE VALUE(1) /		
	2001E EBITDA		200
	LOW	HIGH	LOW
Range of Generally Comparable Television Studios(2).....	13.1x	15.3x	8.6x

(2) Includes MGM and Viacom (Spelling and King World).

(3) Includes Sony, Fox, and Warner Filmed Entertainment.

(4) Includes MGM, Disney, Paramount and Universal.

Bear Stearns noted that the 2001 and 2002 EBITDA multiples implied by the discounted cash flow analysis for Studios USA were generally consistent with those observed for generally comparable film and television studios.

32

EMERGING NETWORKS

DISCOUNTED CASH FLOW ANALYSIS FOR THE EMERGING NETWORKS. Bear Stearns performed a discounted cash flow analysis of Newsworld International and Trio as of December 31, 2001 to estimate the present value of the future unleveraged, after-tax, free cash flows that Newsworld International and Trio could generate. The analysis was based on management of USA's business plan for 2002 through 2005 relating to Newsworld International and Trio and management of USA's guidance for 2005 Newsworld International subscribers and 2006 Trio subscribers. Due to the fact that the Crime network has not yet launched, and therefore has no current subscribers, Bear Stearns did not assign any value to that asset.

Using a range of discount rates of 30% to 40% reflecting Bear Stearns' estimate of the weighted average after-tax cost of capital for both Newsworld International and Trio, a range of terminal multiples of \$15 to \$20 per 2005 subscriber for Newsworld International and a range of terminal multiples of \$15 to \$25 per 2006 subscriber for Trio, Bear Stearns calculated the present value of the projected free cash flows for the four years ending December 31, 2002-2005 and the present value of the terminal value of Newsworld International and Trio at the end of fiscal years 2005 and 2006, respectively. The discounted

Edgar Filing: USA NETWORKS INC - Form PRER14A

cash flow analysis implied a valuation range of \$0.3 to \$0.4 billion for the Emerging Networks.

ANALYST VALUATIONS OF THE EMERGING NETWORKS. Bear Stearns reviewed and compared certain financial information and ratios for the Emerging Networks based on sum-of-the-parts valuations of USA found in the most recent available research reports of selected investment banks, as of the respective dates indicated below.

INVESTMENT BANK	REPORT DATE	12/31/01 TARGET PRICE	PRICE AS OF 12/10/01 (1)	12/31/01 TARGET VALUATION (\$ IN BILLIONS)
Morgan Stanley	10/25/01	\$25.43	\$23.95	\$0.2

UBS Warburg	12/6/01	\$29.00	\$23.95	\$0.5

(1) Most recent unaffected closing price.

Bear Stearns noted that the valuation range for the Emerging Networks implied by the discounted cash flow analysis was generally consistent with the target values ascribed to the Emerging Networks by the above analyst reports. Bear Stearns also noted that the December 31, 2001 target values set forth in the analyst reports are related to target stock prices for USA common stock that exceeded the market value of USA common stock at the time of Bear Stearns' analysis.

COMPARISON TO GENERALLY COMPARABLE CABLE NETWORKS. Using publicly available information and analyst research reports, Bear Stearns reviewed and compared certain financial information, ratios and percentages for the Emerging Networks with corresponding financial information, ratios and percentages for the following generally comparable cable networks: (1) Noggin (owned by Viacom and others) and (2) Much Music (owned by Rainbow Media Group).

For each of the selected networks, Bear Stearns reviewed certain publicly available financial and operating data, valuation statistics, financial ratios, and research reports and calculated ratios and multiples based on such information. Bear Stearns compared Enterprise Values, based on sum-of-the-parts valuations by Wall Street analysts, of the selected networks and the Emerging Networks as multiples of estimated 2001 year-end subscribers.

All multiples were based on the most recent publicly available information.

The results of such analysis are summarized below:

ANALYSIS OF SELECTED TRANSACTIONS. Using publicly available information, Bear Stearns reviewed and analyzed the purchase prices and transaction multiples implied by the purchase prices proposed to be paid, at the time of the announcement, in the following selected merger and acquisition transactions, which we refer to as the "Emerging Networks Selected Transactions":

ACQUIROR -----	TARGET -----	DATE ANNOUNCED -----
USA Networks	Newsworld International and Trio (original acquisition)	May 2000
Vulcan Ventures	ZDTV(1)	November 1999
Vulcan Ventures	ZDTV(1)	November 1998
The Discovery Channel	Eye on People	February 1999
The Discovery Channel	The Travel Channel	December 1998

(1) Vulcan Ventures acquired 33% of ZDTV in 1998 and an additional 64% in 1999.

Bear Stearns compared Enterprise Values, proposed to be paid at the time of announcement, in each of the Emerging Networks Selected Transactions and the transactions as multiples of total subscribers. Bear Stearns reviewed analyst reports and adjusted the acquisition multiples to reflect the values of the target cable network assets exclusively. Bear Stearns also reviewed certain operating and financial data of the targets relative to those of the Emerging Networks. All multiples and data for the Emerging Networks Selected Transactions were based on financial information and Wall Street research available at the time of the announcement of the relevant transaction. The results of such analysis are summarized below:

	ENTERPRISE VALUE/ 2001 YEAR-END SUBSCRIBERS -----
Range of Selected Transactions.....	\$8.03 - \$22.86
Mean of Selected Transactions.....	\$13.41
Median of Selected Transactions.....	\$9.09
Multiples Implied by Bear Stearns' DCF Valuation Range for the Emerging Networks.....	\$10.00 - \$15.00

Bear Stearns noted that the multiples of 2001 year-end subscribers implied by the discounted cash flow valuation of the Emerging Networks were generally consistent with those observed for the Emerging Networks Selected Transactions.

Bear Stearns noted that its analysis implied a valuation for the USA

Edgar Filing: USA NETWORKS INC - Form PRER14A

Entertainment Group, in the aggregate, of \$8.2 to \$10.2 billion (after reducing for the promotional obligations).

VALUATION OF CONSIDERATION TO BE RECEIVED BY USA IN THE TRANSACTIONS

Bear Stearns performed an analysis of the consideration to be received by USA in the transactions. The range of implied Enterprise Values based on this analysis is set forth in the following table:

(\$ IN BILLIONS)	VALUE BASED ON USA @ 12/10/01 (\$23.95)			VALU 20 D PRIC

(1) Consists of LLC shares (which are currently exchangeable for USA common shares) held by Universal.

Bear Stearns estimated the value of the equity warrants to be issued to Vivendi in the transactions to be \$0.6 to \$0.8 billion, based on an estimated USA common stock price range of \$22.00 to \$25.00 per share and an estimated volatility of 35% to 45%. Bear Stearns noted that this valuation reflects a theoretical value based on the Black Scholes model and that the public market may attribute a lower volatility and therefore lower value to the warrants. Bear Stearns also noted that the public market may not attribute significant value to the premium associated with the out-of-the-money warrants, and the research community may only begin to adjust valuation as the market price of USA common stock approaches or exceeds the exercise prices of the warrants. Bear Stearns estimated the present value of USA's deferred tax liability in connection with the transactions to be \$0.2 to \$0.3 billion, based on an estimated after-tax discount rate of 4.5% and tax basis of \$3.5 billion. Bear Stearns noted that, given the long-term tax deferral, the market may discount the present value of the tax liability significantly. Bear Stearns noted that after deducting the theoretical value of the warrants and the theoretical present value of the deferred tax liability, the net value of the consideration to be received by USA in the transactions would be \$9.7 to \$10.9 billion.

Bear Stearns performed a sum-of-the-parts valuation of USA, summarized in the table below, and noted that the stock price as of December 10, 2001 of \$23.95 as well as the 20-day average stock price of \$22.26 fell within the valuation range of USA implied by the sum-of-the-parts analysis. The sum-of-the-parts valuation was calculated based upon a variety of analyses conducted by Bear Stearns with respect to the USA Interactive Group, including discounted cash flow analyses, review of analyst valuations, a review of the stock trading performance of USA's publicly traded segments, a comparison to generally comparable companies and an analysis of selected transactions.

VALUATION OF CLASS A PREFERRED INTEREST IN VUE

Bear Stearns calculated the present value of the Class A preferred interest in VUE by discounting the future value of \$2.0 billion from December 31, 2021 to December 31, 2001 at discount rates ranging from 9.00% to 9.85%. Bear Stearns estimated a value of approximately \$0.3 billion.

36

VALUATION OF CLASS B PREFERRED INTEREST IN VUE

Bear Stearns estimated the intrinsic value of the Class B preferred interest in VUE by calculating the present value of the cash component of interest and the intrinsic value of the call option based on an estimated volatility range of 35% - 45% with a stock price range for USA common stock between \$22 and \$25. Bear Stearns noted that the public market may consider the Class B preferred interest in VUE to be equivalent to a reduction in outstanding USA common shares and that such characterization could exceed the intrinsic value of the securities. Bear Stearns estimated the value of the Class B preferred interest in VUE to be \$1.0 to \$1.3 billion.

VALUATION OF COMMON INTEREST IN VUE

Bear Stearns analyzed the film and television businesses, which we refer to as the "filmed entertainment" segment, theme park businesses, which we refer to as the "recreation" segment, and retail businesses, which we refer to as the "retail" segment, of Universal, which collectively comprise the Universal Entertainment Group to be contributed to VUE by Vivendi. Bear Stearns then calculated an implied value of USA's 5.44% common interest in VUE.

Bear Stearns performed a sum-of-the-parts analysis of the Universal Entertainment Group by assessing the value of each of the principal business segments, including unconsolidated businesses, and adjusting for minority interests where appropriate.

- The Enterprise Value of the Filmed Entertainment segment was calculated based upon discounted cash flow analysis, comparison to generally comparable companies and selected precedent transactions.

- The Enterprise Value of the Recreation segment was calculated as follows:

Edgar Filing: USA NETWORKS INC - Form PRER14A

for the owned theme park facilities, Enterprise Value was calculated based upon comparison to generally comparable companies; for the managed theme park facilities, Enterprise Value was calculated based upon discounted cash flow analyses of the projected management fees; for the unconsolidated equity interests in various theme park facilities, Enterprise Value was calculated based on comparison to generally comparable companies and was adjusted for net debt and for Universal's ownership percentage in each entity.

- The value of the Retail segment was calculated based upon comparison to generally comparable companies.

The results of this analysis are summarized as follows:

	ESTIMATED VALUE (\$ IN BILLIONS)
Enterprise Value of the Universal Entertainment Group.....	\$ 4.2 - \$ 7.3
Enterprise Value of the USA Entertainment Group.....	8.2 - 10.2
Enterprise Value of VUE.....	\$ 12.4 - \$17.5

- (1) Reflects adjustment for estimated debt, estimated value of the Class A preferred interest in VUE and estimated value of cash coupons related to Class B preferred interest in VUE.

37

Bear Stearns noted that its valuation range for USA's common interest in VUE is based on the fully distributed public market value. Since the contractual procedure to determine the value of USA's common interest in VUE for purposes of a put or call of that interest under the Partnership Agreement may exceed the fully distributed public market value, the put and call provisions contained in the Partnership Agreement may result in additional value to USA.

OTHER ANALYSES

Bear Stearns conducted other analyses as it deemed appropriate, including reviewing the historical stock performance and the historical and estimated financial and operating data of USA and Vivendi. In addition, Bear Stearns examined publicly available information relating to trends in the various industries in which USA and its affiliates operate.

The preparation of a fairness opinion is a complex process and involves various judgments and determinations as to the most appropriate and relevant assumptions and financial analyses and the application of those methods to the particular circumstances involved. Bear Stearns' opinion is therefore not necessarily susceptible to partial analysis or summary description. In arriving at its opinion, Bear Stearns made qualitative judgments as to the significance and relevance of each analysis and factor considered by it and did not attribute particular weight to any one analysis or factor. Bear Stearns did not form an opinion as to whether any individual analysis or factor, positive or negative, considered in isolation, supported or failed to support its opinion.

Edgar Filing: USA NETWORKS INC - Form PRER14A

Accordingly, Bear Stearns believes that its analyses must be considered as a whole and that selecting portions of its analyses and factors or of the summary described above or focusing on information presented in tabular format, without considering all analyses and factors or the narrative description of the analyses, could create a misleading or incomplete view of the processes underlying its analyses and opinion.

The analyses performed by Bear Stearns, particularly those based on estimates, are not necessarily indicative of actual values or actual future results, which may be significantly more or less favorable than those results suggested by the analyses. In addition, analyses relating to the value of businesses or securities do not purport to be appraisals or to reflect the prices at which businesses or securities actually may be sold. Accordingly, Bear Stearns' analyses are inherently subject to substantial uncertainty. The analyses were prepared solely as part of Bear Stearns' analysis of whether the consideration to be received by USA in the transactions is fair, from a financial point of view, to the stockholders of USA other than Vivendi, Liberty, Mr. Diller and their affiliates.

Bear Stearns' opinion and financial analyses were only one of many factors considered by the special committee and the board of directors of USA in their evaluation of the transactions, and should not be viewed as determinative of the views of the special committee, the board of directors of USA or USA's management with respect to their decision to recommend the transactions.

In the ordinary course of business, Bear Stearns and its affiliates may actively trade debt and equity securities and bank debt of USA and/or any of its affiliates, including Vivendi and its affiliates and Liberty and its affiliates, and enter into derivative transactions with any of such parties, or with reference to such parties' securities, for Bear Stearns' own account and for the account of Bear Stearns' customers and, accordingly, may at any time hold a long or short position in or in reference to such securities or bank debt.

Bear Stearns has acted as a financial advisor to the special committee of the board of directors of USA in connection with the transactions and will receive a customary fee for such services, one-half of which is contingent on successful completion of the transactions. Bear Stearns has been previously engaged by USA and its affiliates to provide investment banking and financial advisory services for which Bear Stearns received customary fees. In addition, Bear Stearns has acted as agent or principal in certain transactions to which Vivendi is a counter-party, for which Bear Stearns has been compensated.

38

Pursuant to a letter agreement dated as of December 5, 2001 entered into by USA and Bear Stearns, USA has agreed to pay Bear Stearns (1) a cash fee of \$1,500,000 upon the earlier of (a) notice by Bear Stearns to the special committee that Bear Stearns is prepared to render an opinion (oral or written) or (b) termination of discussions between the special committee and Vivendi relating to the transactions (as determined in good faith by the special committee and Bear Stearns) and (2) an additional cash fee of \$1,500,000 upon completion of the transactions.

USA has agreed to reimburse Bear Stearns for all out-of-pocket expenses incurred by Bear Stearns, excluding fees and disbursements of counsel (other than as provided in the indemnification provisions of the letter agreement), in connection with matters contemplated by USA's engagement of Bear Stearns. USA has agreed to indemnify Bear Stearns and related persons against liabilities in connection with the engagement of Bear Stearns, including liabilities under the federal securities laws.

OPINION OF USA'S FINANCIAL ADVISOR

Edgar Filing: USA NETWORKS INC - Form PRER14A

At a meeting of the USA board of directors on December 16, 2001, Allen & Co. delivered its oral opinion, subsequently confirmed in writing, to the effect that, as of December 16, 2001, the consideration to be received by USA in the transactions was fair, from a financial point of view, to USA.

The full text of the written opinion of Allen & Co., dated December 16, 2001, is attached as Appendix H to this proxy statement and describes the assumptions made, matters considered, and limits on, the review undertaken. We urge USA's stockholders to read the opinion in its entirety. Allen & Co.'s opinion does not constitute a recommendation that USA pursue the transactions or that any stockholder of USA vote to approve the transactions. The summary of the opinion of Allen & Co. set forth in this proxy statement is qualified in its entirety by reference to the full text of Allen & Co.'s opinion.

In arriving at its opinion, Allen & Co.:

- reviewed the terms and conditions of the transactions, including the draft Transaction Agreement and drafts of the other agreements entered into in connection with the Transaction Agreement (none of which had been executed by the parties prior to the delivery of the opinion);
- analyzed various financial aspects of the transactions and the consideration to be paid in respect of the transactions;
- reviewed and analyzed publicly available historical business and financial information relating to USA and the Universal Entertainment Group as presented in documents filed with the Securities and Exchange Commission;
- analyzed selected summary non-public financial and operating results of USA and the Universal Entertainment Group;
- analyzed the financial condition and prospects of USA and the Universal Entertainment Group;
- reviewed and analyzed public information, including various stock market data and financial information relating to selected companies with businesses similar to those of USA and the Universal Entertainment Group;
- reviewed the trading history of USA common stock;
- conferred with the management teams of each of USA and Vivendi;
- reviewed analysts' reports on each of USA and Vivendi;
- reviewed and analyzed recent business combination transactions involving businesses similar to those being contributed to VUE by USA and Vivendi;

39

- analyzed the potential impact of the transactions on USA's capital structure, financial condition and business operations; and
- conducted such other financial analyses and investigations as Allen & Co. deemed necessary or appropriate for the purposes of its opinion.

In rendering its opinion, Allen & Co. relied upon and assumed, without independent verification or investigation, the accuracy and completeness of all of the financial and other information that USA, Vivendi and their respective employees, representatives and affiliates provided to or discussed with Allen & Co. With respect to forecasts relating to USA and Vivendi provided to or discussed with Allen & Co. by the management of USA or Vivendi, Allen & Co.

Edgar Filing: USA NETWORKS INC - Form PRER14A

assumed, at the direction of management, without independent verification or investigation, that the forecasts were reasonably prepared on bases reflecting the best available information, estimates and judgments of the management of USA or Vivendi, as applicable, as to the future financial condition and operating results of USA and Vivendi. Allen & Co. assumed, with USA's consent, that the transactions would be consummated in all material respects in accordance with their terms, without waiver, modification or amendment of any material term, condition or agreement and that, in the course of obtaining the necessary regulatory or third party consents and approvals for the transactions, if any, no limitations, restrictions or conditions would be imposed that would have a material adverse effect on USA, Vivendi or the contemplated benefits of the transactions.

Allen & Co. did not make or obtain any independent evaluations or appraisals of the assets or liabilities, contingent or otherwise, of USA or Vivendi. Allen & Co. did not express any opinion as to the underlying valuation, future performance or long-term viability of USA or Vivendi, the price at which USA's common stock would trade after announcement or upon consummation of the transactions, or the price at which Vivendi common shares would trade at any time in the future. Allen & Co. expressed no view as to, and Allen & Co.'s opinion does not address, the underlying business decision of USA to effect the transactions, and Allen & Co. was not requested to consider the relative merits of the transactions as compared to any alternative business strategies that might exist for USA or the effect of any other transaction in which USA might engage. Allen & Co.'s opinion was necessarily based on the information available to Allen & Co. and general economic, financial and stock market conditions and circumstances as they existed and could be evaluated by Allen & Co. as of the date of its opinion. Although subsequent developments may affect its opinion, Allen & Co. does not have any obligation to update, revise or reaffirm its opinion. USA imposed no other limitations, and gave no other instructions, with respect to the investigations made or the procedures followed by Allen & Co. in rendering its opinion.

This summary is not a complete description of Allen & Co.'s opinion to the USA board of directors or the financial analyses performed and factors considered by Allen & Co. in connection with its opinion. The preparation of a fairness opinion is a complex analytical process involving various determinations as to the most appropriate and relevant methods of financial analysis and the application of those methods to the particular circumstances and, therefore, a fairness opinion is not readily susceptible to summary description. Allen & Co. believes that its analyses and this summary must be considered as a whole and that selecting portions of its analyses and factors or focusing on information presented in tabular format, without considering all analyses and factors or the narrative description of the analyses, could create a misleading or incomplete view of the processes underlying Allen & Co.'s analyses and opinion.

In performing its analyses, Allen & Co. considered industry performance, general business, economic, market and financial conditions and other matters existing as of the date of its opinion, many of which are beyond the control of USA. No company or business used in the analyses as a comparison is identical to USA, and an evaluation of the results of those analyses is not entirely mathematical. Rather, the analyses involve complex considerations and judgments concerning financial

40

and operating characteristics and other factors that could affect the acquisition, public trading or other values of the companies or business segments analyzed.

The estimates contained in Allen & Co.'s analysis and the ranges of

Edgar Filing: USA NETWORKS INC - Form PRER14A

valuations resulting from any particular analysis are not necessarily indicative of actual values or future results, which may be significantly more or less favorable than those suggested by its analyses. In addition, analyses relating to the value of businesses or securities do not necessarily purport to be appraisals or to reflect the prices at which businesses or securities actually may be sold. Accordingly, Allen & Co.'s analyses and estimates are inherently subject to substantial uncertainty.

The type and amount of consideration payable in the transactions was determined through negotiation among the parties to the transactions, and the decision to enter into the transactions was solely that of the USA board of directors. Allen & Co.'s opinion and financial analyses were only two of many factors considered by the USA board of directors in its evaluation of the transactions and should not be viewed as determinative of the views of the USA board of directors or USA's management with respect to the transactions or the consideration to be paid in connection with the transactions.

Allen & Co. did not separately value the Vivendi/Liberty transaction in arriving at its opinion.

The following is a summary of the analyses made by Allen & Co. in connection with the rendering of its fairness opinion:

VALUATION OF THE TRANSACTIONS

LLC SHARES

As part of the consideration to be received by USA and its subsidiaries in the transactions and in exchange for the distribution of interests in certain entities within the USA Entertainment Group, USANi LLC will cancel approximately 320.9 million LLC shares, which are currently exchangeable into approximately 320.9 million USA common shares, representing all of the LLC shares that will be owned by Universal following its acquisition of LLC shares from Liberty. Allen & Co. reviewed the twelve-month trading history of USA common stock for the period from December 12, 2000 to December 13, 2001, and based on this review and a range of valuation assumptions relating to USA's business segments, determined that, for purposes of the transactions, the USA common stock has a per share value which ranged from a low of \$22.00, to a midpoint of \$25.00, and to a high of \$28.00. In the aggregate, Allen & Co. valued the LLC shares to be cancelled as part of the transactions at a range from \$7.059 billion to \$8.021 billion to \$8.984 billion.

OTHER CONSIDERATION

In addition to valuing the LLC shares, Allen & Co. also reviewed the terms of (1) the Class A and Class B preferred interests and the common interest in VUE, as well as the approximately \$1.62 billion cash distribution, to be received by a subsidiary of USA in the transactions, and (2) the warrants to purchase USA common stock to be issued to Vivendi in connection with the transactions. Allen & Co. valued the Class A and Class B preferred interests in VUE using a range of pre-tax discount rates of 7% to 8% and also analyzed the theoretical values of the call option component of the Class B preferred interest and the warrants based on a Black-Scholes model using a range of values relating to the USA common stock underlying those securities (I.E., \$22.00, \$25.00 and \$28.00 per share of USA common stock) (on an after-tax basis the preferred interests received by USA would be valued significantly in excess of the values Allen & Co. used in this analysis). Allen & Co. valued USA's common interest in VUE by utilizing discounted cash flow analyses, comparable transaction analyses, comparable stock analyses and reviewing Wall Street analyst reports to determine a valuation range relating to the USA Entertainment Group and the Universal Entertainment Group, each of which will

Edgar Filing: USA NETWORKS INC - Form PRER14A

be contributed to VUE. The table below summarizes the total consideration to be paid pursuant to the transactions, which we refer to as the "Consideration":

In the aggregate, Allen & Co. valued the total consideration to be received by USA in the transactions (including the warrants to be issued by USA to Vivendi) in a range from \$10.556 billion, which we refer to as the "Low Point Valuation," to \$11.685 billion, which we refer to as the "Midpoint Valuation," to \$12.767 billion, which we refer to as the "High Point Valuation."

IMPACT ON USA'S OWNERSHIP AND VOTING STRUCTURES

Allen & Co. also analyzed the impact of the transactions on USA's ownership and voting structures and determined that, if consummated, the transactions will reduce USA's stock capitalization by approximately 40%. At the time Allen & Co. issued its opinion, USA's unaffiliated common stockholders (excluding any new stockholders who may become stockholders as a result of the completion of the Expedia transaction) owned 33.3% of USA's capital stock, and, if the transactions are completed, those stockholders would own 55.5% of USA's capital stock, representing an increase of approximately 67%.

At the time Allen & Co. issued its opinion, USA's unaffiliated common stockholders (excluding any new stockholders who may become stockholders as a result of the consummation of the Expedia transaction) held 10% of USA's voting power, and, if the transactions are consummated, those stockholders would hold 25.5% of USA's voting power, representing an increase of approximately 155%.

VALUE MULTIPLES OF THE TRANSACTIONS

Allen & Co. analyzed the range of Consideration as a multiple of projected calendar year 2001 and projected calendar year 2002 EBITDA, of the businesses to be contributed to VUE in the transactions, which we refer to as the "EBITDA Multiple," and per number of cable television subscribers of the businesses to be contributed to VUE pursuant to the transactions, which we refer to as the "Per Subscriber Value." COMPARABLE TRANSACTION ANALYSIS

Allen & Co. screened hundreds of transactions to find business combinations similar to the transactions. Allen & Co. limited its analysis to transactions involving companies for which financial and valuation data is publicly disclosed. Allen & Co. analyzed the EBITDA Multiples and Per Subscriber Values of 27 recent comparable transactions, which we refer to as the "Comparable Transactions." In the Comparable Transactions, the EBITDA Multiples at the time of the applicable transaction ranged from 8.7x to 38.3x with a mean of 20.5x and a median of 16.1x, and the Per Subscriber Value ranged from \$1.43 to \$127.80 with a mean of \$27.18 and a median of \$18.00. Allen & Co. noted that, based on the Midpoint Valuation, the EBITDA Multiple in the transactions is within the range of the Comparable Transactions, and the Per Subscriber Values in the transactions is toward the high end of the range of the Comparable Transactions.

SELECTED NETWORK TELEVISION TRANSACTIONS

Allen & Co. also noted that four recent Comparable Transactions appear to have higher EBITDA Multiples than the transactions. Those four transactions, which we refer to as the "four recent Comparable Transactions," are:

ACQUIROR -----	SELLER -----	NETWORK -----	EBITDA MULTIPLE -----
NBC	Telemundo	Telemundo	38.3x
Disney	News Corp./Saban Ent.	Fox Family Worldwide	34.7x
MGM	Rainbow	AMC, Bravo, IFC, WE	27.5x
Viacom	BET Holdings	BET	25.9x

In assessing the significance of the EBITDA multiples reflected by the four recent Comparable Transactions, Allen & Co. noted that each of the four recent Comparable Transactions involved the acquisition of businesses that, unlike the USA Entertainment Group, were expected to generate rapid growth and/or significant synergies in the years immediately following their acquisition. Allen & Co. therefore calculated the implied EBITDA Multiples for the four recent Comparable Transactions based on the EBITDA then anticipated to be generated by the businesses purchased for each of the four years following the completion of the Comparable Transactions (I.E., the EBITDA Multiples reflected

Edgar Filing: USA NETWORKS INC - Form PRER14A

by the four recent Comparable Transactions after the accelerated growth and/or synergies anticipated in connection with those transactions would be realized and the businesses would have achieved a more mature level of growth). That analysis indicated that the EBITDA Multiple to be paid in connection with the formation of VUE is within the range of the four recent Comparable Transaction EBITDA Multiples after consideration of the adjustments described in the preceding sentence.

The following table indicates the EBITDA Multiple received in each of the four recent Comparable Transactions by year, where Year 1 is the year in which the relevant transaction occurred. In the cases of NBC's acquisition of Telemundo and Disney's acquisition of Fox Family Worldwide, the EBITDA Multiples reflect EBITDA before and after synergies then anticipated to be realized from those transactions. In the case of Viacom's acquisition of BET, the Year 1 EBITDA Multiple is presented before and after adjustments appropriate to reflect the transition from private to public ownership of BET. The table also presents the EBITDA Multiples reflected by the contribution of the

43

USA Cable network properties to VUE based on USA Cable's expected EBITDA in years one through four following completion of the transactions.

TRANSACTION -----	EBITDA MULTIPLE YEAR 1 -----	EBITDA MULTIPLE YEAR 2 -----	EBITDA MULTIPLE YEAR 3 -----	EBITDA MULTIPLE YEAR -----
NBC Acquires Telemundo	38.3x	23.3x (before synergies) 14.5x (after synergies)	14.5x (before synergies) 10.7x (after synergies)	n/a
Disney Acquires Fox Family Worldwide	34.7x	30.6x (before synergies) 23.6x (after synergies)	26.0x (before synergies) 17.3x (after synergies)	n/a
MGM Acquires Rainbow	27.5x	23.6x	19.8x	17.2x
Viacom Acquires BET	25.9x (before adjustments) 19.9x (after adjustments)	n/a	n/a	n/a
Formation of VUE(1)	20.2x	20.7x	17.7x	15.8x

(1) EBITDA Multiples for the formation of VUE were calculated by dividing the Midpoint Valuation of the consideration to be received by USA in the transactions (less \$1 billion of value allocated to Studios USA and USA films) by the expected EBITDA of USA Cable (excluding the Emerging Networks).

Allen & Co.'s analysis indicated that the formation of VUE reflected an EBITDA Multiple for USA Cable that was in the range of EBITDA Multiples reflected by the four recent Comparable Transactions. Allen & Co. further noted that the Per Subscriber Value for USA Cable reflected by the transactions was higher than the Per Subscriber Value for the four recent Comparable

Edgar Filing: USA NETWORKS INC - Form PRER14A

Transactions.

COMPARISON OF THE TRANSACTIONS TO THE 1998 TRANSACTION

Allen & Co. also compared the Consideration to the terms of USA's purchase of virtually all of the assets of the USA Entertainment Group in 1998. The Midpoint Valuation of the transactions is \$11.685 billion, and the transaction value of the 1998 transaction was \$4.075 billion, an increase of 186.8%. Based on the Mid Point Valuation, (1) the EBITDA Multiple for the transactions (based on estimated EBITDA for the year following the transactions) is 19.5x, and the EBITDA Multiple in the 1998 transaction (based on then estimated EBITDA for the year following the 1998 transaction) was 14.9x, an increase of 30.9%, and (2) the Per Subscriber Value in the transactions is \$66.99, and the Per Subscriber Value in the 1998 transactions was \$27.80, an increase of 141%.

USA STOCKHOLDER VALUE ACCRETION ANALYSIS

Allen & Co. analyzed whether the completion of the transactions could reasonably be expected to have an accretive impact on the per share value of USA common stock by examining public and private market valuations for USA's businesses across a range of assumptions.

Allen & Co. constructed a sum-of-the-parts valuation range of USA common stock on a public market basis roughly tying that valuation range to a trading price range for USA's common stock. Allen & Co. noted that the twelve-month average per share price of USA common stock in the period from December 12, 2000 to December 13, 2001 was \$22.83, and the per share price ranged from a low of \$16.55 on September 18, 2001 to a high of \$28.04 on August 1, 2001. Ranges of implied valuations for USA's business segments were derived by Allen & Co. from publicly available information, Wall Street analyst research and financial information provided by USA. Allen & Co. compared the implied

44

valuations for USA with the anticipated value of USA's common stock after completion of the transactions.

Based on this analysis, Allen & Co. observed that it would be reasonable to expect the transactions to result in value accretion to holders of USA common stock of \$4.06 per share based on the low end of the range of value for USA's business segments, \$3.54 per share based on the middle of the range, and \$2.92 per share based on the high end of the range.

Allen & Co. also constructed a sum-of-the-parts valuation for USA on a private market basis. Using publicly available information, Wall Street analyst research and financial information provided by USA, Allen & Co. prepared discounted cash flow analyses of USA's business segments and analyzed the private market value of certain publicly traded businesses of USA (I.E., Expedia, the acquisition of which was then pending; Hotel Reservations Network; and Ticketmaster) by ascribing to their respective public market values customary premiums paid in business combination transactions. Allen & Co. compared the results of this analysis with the anticipated value of USA common stock following the completion of the transactions. Allen & Co. observed that, across a private market value range for USA's business segments, it would be reasonable to expect the transactions to result in value accretion to holders of USA common stock of \$5.07 per share based on the low end of the range, \$4.63 per share based on the middle of the range, and \$3.95 per share based on the high end of the range.

Allen & Co. made no prediction as to how the stock of USA would trade at any point in time, and did not perform a market check to ascertain what a third party might pay for USA's business segments separately or collectively, before

Edgar Filing: USA NETWORKS INC - Form PRER14A

or after completion of the transactions. Allen & Co. also noted that USA would be unable to sell itself or the USA Entertainment Group to a third party without the express approval of Vivendi and Liberty. Allen & Co. observed that the stockholder accretion analysis supported the conclusion that the transactions could reasonably be expected to have an accretive effect on the per share value of USA common stock.

EARNINGS ACCRETION/DILUTION ANALYSIS

Allen & Co. also reviewed and analyzed the effect of the transactions on the future cash earnings per share of USA, which we refer to as "Cash EPS." For purposes of this analysis, Allen & Co. used information based upon operating and financial assumptions, forecasts and other information provided to Allen & Co. by the senior management of USA. This analysis excluded any one-time charges and resulted in Cash EPS of \$0.54 in 2002, a 15.6% accretion, and Cash EPS of \$0.72 in 2003, a 7.4% accretion.

COMPARABLE COMPANIES ANALYSIS

Allen & Co. analyzed the ratios of enterprise value, which is equity market value plus debt plus preferred stock, less cash, to EBITDA, which we refer to as the "EV/EBITDA Multiple," for Crown Media and Rainbow Media, the two public companies that are comparable to the USA Entertainment Group. The following table provides the results of this analysis:

COMPANY	EV/EBITDA MULTIPLE--2001	EV/EBITDA MULTIPLE--2002	EV/EBITDA MULTIPLE--2003	EV/EBITDA MULTIPLE--2004
Crown Media.....	n/m	n/m	24.7x	9.7x
Rainbow Media.....	24.7x	21.1x	17.8x	15.5x

45

The following table provides the EV/EBITDA Multiples for the transactions based on the Midpoint Valuation:

EV/EBITDA MULTIPLE--2001	EV/EBITDA MULTIPLE--2002	EV/EBITDA MULTIPLE--2003	EV/EBITDA MULTIPLE--2004
20.2x	20.7x	17.7x	15.8x

Allen & Co. noted that the EV/EBITDA Multiples for the transactions are within the range of the EV/EBITDA Multiples of the Comparable Companies.

DISCOUNTED CASH FLOW ANALYSIS OF THE USA ENTERTAINMENT GROUP

Allen & Co. performed a discounted cash flow analysis on the projected financial information of the USA Entertainment Group for the fourth financial quarter of 2001 and for the calendar years 2002 through 2005 based upon (1) operating and financial assumptions, forecasts and other information provided to Allen & Co. by the management of USA, and (2) financial and operating estimates of research analysts. Using this information, Allen & Co. discounted to present value of the projected stream of after-tax free cash flow (net income plus depreciation and amortization less capital expenditures and

Edgar Filing: USA NETWORKS INC - Form PRER14A

working capital changes) of the USA Entertainment Group. Allen & Co. used discount rates ranging from 7% to 11%.

Based on these discount rates, Allen & Co. calculated that the discounted cash flow valuation range for the USA Entertainment Group is \$8.643 billion based on the low point of the estimated value of the USA Entertainment Group, \$10.503 billion for the midpoint and \$12.609 billion for the high point. The Low Point Valuation, \$10.556 billion, is a 0.5% premium over the midpoint discounted cash flow valuation; the Midpoint Valuation, \$11.685 billion, is a 11.3% premium over the midpoint discounted cash flow valuation, and the High Point Valuation, \$12.767 billion, is a 21.6% premium over the midpoint discounted cash flow valuation.

The financial forecasts that underlie this analysis are subject to substantial uncertainty, and accordingly, actual results may be substantially different.

VALUATION OF VUE

For purposes of valuing VUE, Allen & Co. performed the analyses described below in "--Discounted Cash Flow Analysis," "--Comparable Companies Analysis," "--Precedent Transactions" and "--Wall Street Estimates."

Based on these analyses, Allen & Co. determined that the valuation range of VUE, which is the aggregate of the average of the valuation ranges of the Universal Entertainment Group and the USA Entertainment Group, is \$17.200 billion based on the low point of the estimated value of the Universal Entertainment Group and the USA Entertainment Group, \$19.348 billion for the midpoint and \$23.267 billion for the high point.

DISCOUNTED CASH FLOW ANALYSIS

Allen & Co. performed a discounted cash flow analysis on the projected financial information of the Universal Entertainment Group for the fourth financial quarter of 2001 and for the calendar years 2002 through 2005 based upon (1) operating and financial assumptions, forecasts and other information provided to Allen & Co. by the management of Vivendi, and (2) financial and operating estimates of research analysts. Using this information, Allen & Co. discounted to present value the projected stream of after tax-free cash flow (net income plus depreciation and amortization less capital expenditures and working capital changes) of the Universal Entertainment Group. Allen & Co. used discount rates ranging from 7% to 11%. Allen & Co. then aggregated the discounted cash flow valuation of the

46

Universal Entertainment Group and the USA Entertainment Group to determine the discounted cash flow valuation of VUE.

Based on these discount rates, Allen & Co. calculated that the discounted cash flow valuation range for the Universal Entertainment Group is \$6.244 billion based on the low point of the estimated value of the Universal Entertainment Group, \$7.878 billion for the midpoint and \$9.748 billion for the high point.

As described under "--Discounted Cash Flow Analysis of the USA Entertainment Group," Allen & Co. determined that the discounted cash flow valuation range for the USA Entertainment Group is \$8.643 billion based on the low point of the estimated value of the USA Entertainment Group, \$10.503 billion for the midpoint and \$12.609 billion for the high point. Therefore, the discounted cash flow valuation range for VUE, which is the aggregate of the discounted cash flow valuation ranges of the Universal Entertainment Group and the USA Entertainment

Edgar Filing: USA NETWORKS INC - Form PRER14A

Group, is \$14.887 billion based on the low point of the estimated value of the Universal Entertainment Group and the USA Entertainment Group, \$18.381 billion for the midpoint and \$22.357 billion for the high point.

The financial forecasts that underlie this analysis are subject to substantial uncertainty, and accordingly, actual results may be substantially different.

COMPARABLE COMPANIES ANALYSIS

Allen & Co. analyzed the EV/EBITDA Multiple for the following five companies that are comparable to VUE: AOL Time Warner, Inc.; Disney; Fox Entertainment Group, Inc.; Viacom, Inc. and Vivendi. The average estimated EV/EBITDA Multiple for these companies for 2001 was 15.1x, and the median estimated EV/EBITDA Multiple for 2001 was 16.5x. Based on the average EV/EBITDA Multiple for the above companies, the implied value of VUE (based on its pro forma EBITDA and excluding losses from emerging businesses) is \$20.765 billion in 2001E and based on the median EV/EBITDA Multiple for the above companies, the implied value of VUE (based on its pro forma EBITDA and excluding losses from emerging businesses) is \$22.692 billion. The average estimated EV/EBITDA Multiple for these companies for 2002 was 13.8x, and the median estimated EV/EBITDA Multiple for 2002 was 14.2x; based on the average EV/EBITDA Multiple for the above companies, the implied value of VUE (based on its pro forma EBITDA and excluding losses from emerging businesses) is \$20.382 billion in 2002E and based on the median EV/EBITDA Multiple, the implied value of VUE is \$20.978 billion.

PRECEDENT TRANSACTIONS

Allen & Co. also analyzed precedent transactions in each of the different asset classes in VUE. For the filmed entertainment assets, the average EV/EBITDA Multiple for nine precedent transactions was 18.8x, and based on their estimated 2001 pro forma EBITDA, at an 18.8x multiple, the implied transaction value of the filmed entertainment assets is \$10.169 billion. For the cable assets, the average ratio of implied value to estimated cash flow for 27 precedent transactions was 20.5x, and based on their estimated 2001 pro forma EBITDA, at a 20.5x multiple, the implied value of the cable assets is \$10.849 billion. For the television production assets, the average EV/EBITDA Multiple for eight precedent transactions was 11.2x, and based on their estimated 2001 pro forma EBITDA, at an 11.2x multiple, the implied value of the filmed entertainment assets is \$1.043 billion. For the recreation & retail assets, the average ratio of transaction value to estimated cash flow for ten precedent transactions was 8.3x, and based on their estimated 2001 pro forma EBITDA, at an 8.3x multiple, the implied value of the cable assets is \$2.954 billion. The aggregate implied value of the filmed entertainment assets, the cable assets, the television production assets and the recreation & retail assets is therefore \$25.015 billion.

47

WALL STREET ESTIMATES

Allen & Co. also reviewed Wall Street research reports concerning the value of the assets to be contributed to VUE by Vivendi and USA. The following table sets forth the results of this review (dollars in millions):

REGULATORY APPROVALS

The transactions are subject to foreign regulatory approvals, including in Germany and Austria. The German antitrust authorities cleared the transactions on February 27, 2002. The parties anticipate receiving any other requisite approvals in a timely manner, but there can be no guarantee that the parties will receive such approvals or, if they do receive the approvals, that such approvals will be received in a timely manner.

LITIGATION RELATING TO THE TRANSACTIONS

USA and its directors, along with Vivendi and Liberty, have been named as defendants in purported stockholder class and derivative actions filed in the Court of Chancery, County of New Castle, State of Delaware. Each of these actions, which are substantially identical and have been consolidated, are brought on behalf of a purported class consisting of public stockholders of USA not affiliated with any of the defendants and as a purported derivative action in the right of USA. The complaints in the actions allege, among other things, that "[t]he transfer of the USA Entertainment Group and its assets to [VUE] represents a break-up" of USA; that this transfer is "wrongful, unfair and harmful" to the public stockholders of USA; that the transfer, and related transactions, represent breaches of fiduciary duty by the individual defendants; that the board of directors of USA has not fulfilled its alleged duties in connection with the transaction because defendants were allegedly under a duty to seek the highest price available for the USA Entertainment Group; that specified defendants (i.e., Mr. Diller, Vivendi, Liberty and the representatives of Vivendi and Liberty on the USA board of directors) are being disproportionately "enriched" by the proposed transaction in relation to the public stockholders; that the defendants have "failed to fully disclose the true value of USA's Entertainment Group" and the alleged future financial benefits which Vivendi, Liberty and Mr. Diller will obtain; and that the individual defendants approved Mr. Diller's alleged usurpation of a corporate opportunity. The complaints also allege that Vivendi and Liberty have aided and abetted the individual defendants in their alleged breaches of fiduciary duty. As relief, the complaints seek, among other things, a declaration that the proposed joint venture is "unfair, unjust and inequitable"; an injunction against consummation of the transactions; an award of damages in an unspecified amount; and an order "[r]equiring defendants to conduct a proper process in the break up of [USA]." USA believes the allegations of the complaints are entirely without merit and intends to vigorously defend the actions.

ABSENCE OF DISSENTERS' RIGHTS

USA is incorporated in the State of Delaware, and, accordingly, is governed by the provisions of the Delaware General Corporation Law. USA stockholders are not entitled to appraisal rights under the Delaware General Corporation Law with

respect to the transactions.

- redeeming or otherwise acquiring any shares of capital stock or any option, warrant or right relating to such capital stock or any securities convertible into or exchangeable for any shares of such capital stock;
- incurring or assuming any indebtedness for borrowed money or guaranteeing any such indebtedness;
- permitting any asset being contributed to VUE to become subject to a lien;
- canceling any material indebtedness or waiving any claims or rights of substantial value;
- paying, loaning or advancing any amount to, or selling, transferring or leasing any of its assets to, or entering into any agreement or arrangement with any of its affiliates;
- making any change in any method of financial accounting or financial accounting practice or policy other than those required by generally accepted accounting principles;
- making any change in the methods or timing of collecting receivables or paying payables;
- other than in the ordinary course of business, making or incurring any capital expenditure not currently approved in writing or budgeted; or
- selling, leasing, licensing or otherwise disposing of any of its assets, except inventory, programming or other goods or services sold in the ordinary course of business consistent with past practice.

In addition to the foregoing restrictions, the Transaction Agreement restricts USA from:

- making changes to benefits arrangements or labor agreements relating to the USA Entertainment Group other than in the ordinary course of business and consistent with past practice;
- granting any increase in compensation or benefits to employees of the USA

Edgar Filing: USA NETWORKS INC - Form PRER14A

Entertainment Group, other than in the ordinary course of business, consistent with past practice; or

- granting new options or restricted stock to employees of the USA Entertainment Group, other than as required under existing agreements.

EFFORTS

Each of USA and Universal and its respective affiliates has agreed to use its reasonable best efforts to cause the closing of the transactions to occur as soon as practicable and to obtain all consents and approvals from third parties necessary or appropriate to effect the contributions of the USA Entertainment Group and the Universal Entertainment Group to VUE. In addition, each of Vivendi, Universal, USA and Liberty has agreed to take all other actions as such other party may reasonably deem necessary or desirable to complete the transactions.

Concurrently with the execution of the Transaction Agreement, Vivendi, Universal, Liberty and certain of their respective affiliates entered into an Agreement and Plan of Merger and Exchange, which we refer to as the "Vivendi/Liberty Merger Agreement." Among other things, the Vivendi/Liberty Merger Agreement provides for the transfer by Liberty to Vivendi of 25,000,000 shares of USA common stock, entities holding 38,694,982 LLC shares, as well as the assets and liabilities of Liberty Programming France (which consist primarily of 4,921,250 shares of multiThematiques) in return for ADSs representing Vivendi ordinary shares. The completion of the transfers by Liberty of the USA common stock and the LLC shares, and Liberty's receipt of ADSs representing Vivendi ordinary shares in return, is a condition precedent to each of USA's, Universal's and Liberty's satisfaction of its obligations under the Transaction Agreement. USA and Vivendi have agreed not to amend or waive this prerequisite without Liberty's consent. Accordingly, under the terms of the Transaction Agreement, Universal and Liberty have agreed to use their reasonable best efforts (subject to the terms of the Vivendi/Liberty Merger Agreement) to satisfy, as promptly as practicable, the conditions to the completion of the transactions set forth in the Vivendi/Liberty Merger Agreement.

53

Universal has also agreed not to terminate the Vivendi/Liberty Merger Agreement prior to September 30, 2002 or amend the Vivendi/Liberty Merger Agreement in any manner that would (1) delay the completion of the transactions in any material respect, or (2) increase the consideration payable to Liberty thereunder, other than as a result of any amendments entered into in connection with a European regulatory proceeding relating to the transfer by Liberty to Vivendi of interests in multiThematiques. In the event that the closing of the transactions will be significantly delayed by the inquiry of any regulatory body reviewing the multiThematiques transaction, Vivendi and Liberty will negotiate in good faith to amend the Vivendi/Liberty Merger Agreement to avoid delaying the closing of the transactions, and Vivendi and Liberty are required to execute such amendment if it provides to Liberty the economic benefits of the multiThematiques transaction.

EXPENSES

USA has agreed that if Universal terminates the Transaction Agreement as a result of the USA board of directors or a committee of the USA board of directors having withdrawn or modified its approval or recommendation of the Transaction Agreement or the transactions, USA will reimburse Universal and its affiliates for all of their documented, out of pocket expenses incurred in connection with the Transaction Agreement and the related documents, up to a limit of \$15 million. Other than as provided in the preceding sentence or with respect to transfer taxes, the payment of which is specifically allocated

Edgar Filing: USA NETWORKS INC - Form PRER14A

between the parties, each party to the Transaction Agreement is responsible for the costs and expenses incurred by that party in connection with the Transaction Agreement and the completion of the transactions.

TERMINATION OF EXISTING AGREEMENTS

In connection with the transactions, subject to the parties' commitment to provide for a mutually satisfactory, orderly wind-down, USA and Universal have agreed to terminate the following business arrangements upon the earlier to occur of (1) the completion of the transactions and (2) the termination of the Transaction Agreement:

- Universal's exclusive international distribution of television programming produced by USA; and
- USA's exclusive domestic distribution of television programming produced by Universal.

Even if the parties do not complete the transactions, Universal and USA will terminate the foregoing business arrangements if the Transaction Agreement is terminated. Notwithstanding the termination of these business arrangements, USA and Universal have agreed, for a minimum period of one year, to make available to one another any excess capacity with respect to the domestic and international distribution of television programming.

USA and Universal have also agreed to terminate existing agreements relating to merchandising, music administration and music publishing, video distribution and other matters. These agreements will only terminate if the parties complete the transactions.

STOCKHOLDERS MEETING

USA has agreed to hold a meeting of its stockholders for the purpose of obtaining approval of the transactions as soon as practicable and has agreed to recommend to its stockholders that they approve the transactions, except to the extent that the USA board of directors has withdrawn or modified its recommendation of the transactions as a result of a good faith determination that it is necessary to do so in order to comply with its fiduciary obligations.

COMMERCIAL ARRANGEMENTS

USA and Vivendi have agreed to enter into a series of strategic and commercial alliances with one another covering each party's transactional and internet businesses. In addition, USA and Universal have agreed to negotiate in good faith to enter into an agreement pursuant to which the VUE Joint

54

Venture will provide programming distribution for the Home Shopping Network, America's Store, and other USA transactional services.

LEASE ARRANGEMENT

USA has agreed, for a reasonable transition period of up to two years following the closing of the transactions, to permit VUE to occupy USA's premises located at 8800 Sunset Boulevard, West Hollywood, California, on a rent-free basis.

USA AGREEMENT NOT TO COMPETE

Until the later of (1) the 18-month anniversary of the closing of the transactions, and (2) six months after Mr. Diller ceases to be chief executive

Edgar Filing: USA NETWORKS INC - Form PRER14A

officer of VUE, USA has agreed not to engage in or acquire any interest in any person engaged in the following businesses:

- the operation, programming or delivery of any general or genre-based entertainment television channel;
- the production and distribution of entertainment television programming and feature films; and
- any other business conducted by the USA Entertainment Group or the Universal Entertainment Group as of the closing of the transactions; and any reasonably foreseeable entertainment-focused extensions of such businesses that are programming or film-oriented, other than in a transactional context.

If, at any time following the 18-month anniversary of the closing of the transactions, Mr. Diller ceases to be an officer of USA or any of its affiliates or resigns as chief executive officer of VUE for good reason or is terminated as chief executive officer of VUE without cause, USA's agreement not to compete will cease to apply.

The agreement not to compete makes clear that USA may conduct the following businesses:

- television channels which are consumer transaction-oriented or which provide informational services which lend themselves to commerce or which otherwise serve as a means of introducing, starting or promoting transactional services, including transaction-oriented television channels whose primary focus is the provision of electronic retailing, auction services or gaming/gambling services; and
- electronic commerce and retailing, information and services.

Furthermore, the agreement not to compete does not prevent USA from owning:

- its interest in VUE;
- less than 5% of the equity of a public company engaged in the competing business;
- less than 10% of the indebtedness of a company engaged in the competing business;
- any company which derives less than 30% of its revenues from the competing business, so long as USA disposes of its interest in the competing business within six months of the acquisition; or
- interests in Vivendi as a result of the exercise of the put or call relating to USA's common interest in VUE.

USA'S NON-SOLICITATION AGREEMENT

Until the later of (1) the 18-month anniversary of the closing of the transactions, and (2) six months after Mr. Diller ceases to be chief executive officer of VUE, USA has agreed, subject to specified exceptions, not to:

- solicit, recruit or hire any employees of VUE; or
- solicit or encourage any employee of VUE to leave VUE.

Edgar Filing: USA NETWORKS INC - Form PRER14A

If, at any time following the 18-month anniversary of the closing of the transactions, Mr. Diller ceases to be an officer of USA or any of its affiliates or resigns as chief executive officer of VUE for good reason or is terminated as chief executive officer of VUE without cause, the non-solicitation restrictions with respect to USA will cease to apply.

USA TRADEMARKS

The name "USA Networks" will be included among the assets contributed to VUE. USA and Universal have agreed to negotiate in good faith to determine how the ownership of the various logos and designs currently associated with the "USA Networks" name will be allocated and have further agreed that each party will grant to the other party, at no significant economic cost, the right to use any logo or name allocated to it in accordance with the current use of such logo or name.

USA STOCK OPTIONS AND RESTRICTED STOCK

Generally, with respect to options to purchase shares of USA common stock and restricted shares of USA common stock held by USA employees transferred to VUE, Vivendi has agreed to replace unexercised USA options with options to purchase Vivendi American Depositary Shares, and to replace restricted USA shares with restricted Vivendi American Depositary Shares, as applicable, based on a calculation that is intended to preserve the "intrinsic value" (if any) of the options and the restricted shares being converted and with such other terms and conditions as may be set forth in the plan or policy applicable to such converted awards.

RETENTION OF USA COMMON SHARES

In order to satisfy its obligations with respect to USA's Class B preferred interest in VUE, Universal has agreed that it will, at all times until the consummation of a sale pursuant to an exercise (if any) of the put right or the call right relating to the Class B preferred interest, retain at least 43,181,308 shares of USA common stock and 13,430,000 shares of USA Class B common stock, in each case free of any liens.

MISCELLANEOUS COVENANTS

The Transaction Agreement contains other customary covenants relating to the preparation and distribution of this document, public announcements regarding the transactions, mutual notification of specified matters and access to information.

CONDITIONS TO THE TRANSACTIONS

Pursuant to the terms of the Transaction Agreement, the obligations of each party to complete the transactions are subject to a number of conditions, including:

- receipt of all consents that would have a material adverse effect if not obtained;
- the absence of any law or judgment or other legal restraint or prohibition preventing the completion of the transactions;
- the required approval of the transactions by USA's stockholders; and
- the transfer by Liberty to Vivendi of 25,000,000 shares of USA common stock, entities holding 38,694,982 LLC shares, as well as the assets and obligations of Liberty Programming France, pursuant to the terms of the Vivendi/Liberty Merger Agreement in return for ADSs representing Vivendi

Edgar Filing: USA NETWORKS INC - Form PRER14A

ordinary shares.

Pursuant to the terms of the Transaction Agreement, USA's obligation to complete the transactions is subject to the following additional conditions:

- Each of Universal's representations and warranties must have been true and correct as of December 16, 2001, except to the extent that the failure of such representations and warranties

56

to have been true and correct would not have a material adverse effect on the Universal Entertainment Group or on the ability of Universal and its affiliates to complete the transactions.

- Universal's representations and warranties relating to
 - organization, good standing and authority;
 - the absence of material conflicts resulting from the execution of the Transaction Agreement;
 - Universal's and its affiliates' organizational documents; and
 - the Universal Entertainment Group assets being contributed to VUE

must be true and correct as of the closing of the transactions, except to the extent that the failure of such representations and warranties to be true and correct would not have a material adverse effect on the Universal Entertainment Group or on the ability of Universal and its affiliates to complete the transactions.

- Each of Universal and its affiliates shall have performed in all material respects all obligations required to be performed under the Transaction Agreement.

Pursuant to the terms of the Transaction Agreement, Universal's obligation to complete the transactions is subject to the following conditions:

- Each of USA's representations and warranties must have been true and correct as of December 16, 2001, except to the extent that the failure of such representations and warranties to have been true and correct would not have a material adverse effect on the USA Entertainment Group or on the ability of USA and its affiliates to complete the transactions.
- USA's representations and warranties relating to
 - organization, good standing and authority;
 - the absence of material conflicts resulting from the execution of the Transaction Agreement;
 - USA's and its affiliates' organizational documents; and
 - the USA Entertainment Group assets being contributed to VUE

must be true and correct as of the closing of the transactions, except to the extent that the failure of such representations and warranties to be true and correct would not have a material adverse effect on the USA Entertainment Group or on the ability of USA and its affiliates to complete the transactions.

Edgar Filing: USA NETWORKS INC - Form PRER14A

- Each of USA and its affiliates shall have performed in all material respects all obligations required to be performed under the Transaction Agreement.

Each of the foregoing conditions is waivable by USA or Vivendi, as the case may be, except the condition relating to USA stockholder approval. In certain cases, the waiver of a condition would require Liberty's consent. In the event of a waiver, the parties do not intend to seek further approval by USA's stockholders.

TERMINATION OF THE TRANSACTION AGREEMENT

The Transaction Agreement may be terminated at any time:

- by mutual written consent of the parties;
- by either USA or Universal if the USA stockholders do not approve the transactions;
- by either USA or Universal if any of the conditions to such party's obligations become impossible to fulfill;

57

- by Universal if the USA board of directors or any committee of the USA board of directors withdraws or modifies its approval or recommendation of the Transaction Agreement; or
- by any party if the closing does not occur on or prior to September 30, 2002.

INDEMNIFICATION

USA and Vivendi have entered into customary indemnification arrangements regarding the breach of representations, warranties and covenants of each party and its affiliates contained in any of the following documents: the Transaction Agreement, the Partnership Agreement, the Amended and Restated Governance Agreement, the Amended and Restated Stockholders Agreement, the Warrant Agreement and the Vivendi/Liberty Merger Agreement. The obligations for breaches of representations and warranties are generally subject to a \$150 million "basket," pursuant to which an indemnifying party is required to compensate an indemnified party for any losses related to the breaches only to the extent all such losses exceed \$150 million. In the case of indemnification obligations relating to taxes, the indemnifying party has a complete obligation, from the first dollar of an indemnified loss relating to tax matters covered by the Transaction Agreement.

As part of the indemnification obligations described above, Vivendi agreed to indemnify USA for any dissolution or winding up of VUE or bankruptcy of the general partner of VUE at any time while preferred interests in VUE are outstanding.

AMENDMENT

The Transaction Agreement may be amended by the parties to the Transaction Agreement, at any time before or after the USA stockholders approve the transactions, but after any such approvals, the parties may not amend the Transaction Agreement in a manner that requires further approval of USA's stockholders without obtaining such further approval.

PARTNERSHIP AGREEMENT

Edgar Filing: USA NETWORKS INC - Form PRER14A

GENERAL

At the closing of the transactions, as provided in the Transaction Agreement, subsidiaries of Universal, USA and its subsidiaries and Mr. Diller will execute a limited liability limited partnership agreement, which we refer to throughout this proxy statement as the "Partnership Agreement." The form of Partnership Agreement is attached as Appendix B to this proxy statement. The Partnership Agreement governs the formation and management of VUE, the terms of the preferred and common interests in VUE, partnership distributions, the transfer of interests in VUE, the dissolution and liquidation of VUE and the terms of Mr. Diller's agreement not to compete with VUE. Under the terms of the Partnership Agreement, subsidiaries of Vivendi, USA and its subsidiaries and Mr. Diller will initially hold common interests in VUE in participation percentages of 93.06%, 5.44% and 1.50%, respectively.

CASH DISTRIBUTION TO USA

At the closing of the transactions, VUE will pay to a subsidiary of USA a \$1,618,710,396 cash distribution, which amount will be structured to be tax-deferred for a 15-year period. VUE will finance the cash distribution through a borrowing which VUE will keep outstanding during the 15-year period. The repayment of the borrowing at the end of the 15-year period will be treated as a taxable distribution to the USA subsidiary.

58

USA'S COMMON INTEREST

USA and its subsidiaries will initially hold a 5.44% common interest in VUE. This common interest will have the following put/call features:

- Beginning on the five-year anniversary of the closing of the transactions, Universal may purchase USA's common interest for an amount in cash or, at Universal's option, Vivendi ordinary shares (or, at USA's option, other listed common equity securities of Vivendi) at the private market value (see below) of the common interest.
- Beginning on the eight-year anniversary of the closing of the transactions, USA may require Universal to purchase USA's common interest for an amount in cash or, at Universal's option, Vivendi ordinary shares (or, at USA's option, other listed common equity securities of Vivendi) at the private market value of the common interest.
- If USA continues to hold its Class A preferred interest or Class B preferred interest in VUE, any purchase or sale will only be applicable to a portion of the common interest so that USA and its subsidiaries continue to collectively own a 1% common interest in VUE.
- In the event that USA receives Vivendi shares in settlement of its common interest, USA will receive customary registration rights with respect to those shares, including the right to three demand registrations.
- The private market value of USA's common interest will be determined in an appraisal process involving investment bankers selected by USA and Universal. Such valuation will not assume the value of VUE in an "auction" proceeding, and any valuation methodology will exclude any acquisition of similar assets or businesses at a uniquely high valuation due to a purchaser's strategic need to acquire such assets or businesses.

MR. DILLER'S COMMON INTEREST

Mr. Diller will hold a common interest in VUE with a 1.5% profit sharing

Edgar Filing: USA NETWORKS INC - Form PRER14A

percentage. Mr. Diller's common interest will have the following put/call features:

- At any time after the first anniversary of the closing of the transactions, Mr. Diller may require Universal to purchase his common interest for an amount in cash or, at Universal's option, Vivendi ordinary shares (or, at Mr. Diller's option, other listed common equity securities of Vivendi) having a value equal to the greater of (1) \$275 million and (2) the private market value of Mr. Diller's common interest.
- At any time after the later of (1) the second anniversary of the closing of the transactions and (2) the time that Mr. Diller is no longer chief executive officer of VUE, Universal may purchase Mr. Diller's common interest for an amount in cash or, at Universal's option, Vivendi ordinary shares (or, at Mr. Diller's option, other listed common equity securities of Vivendi) having a value equal to the greater of (1) \$275 million and (2) the private market value of Mr. Diller's common interest.
- In the event that Mr. Diller's employment is terminated without cause or as a result of his death, Mr. Diller terminates his employment for good reason or Mr. Diller becomes disabled, Mr. Diller's right to require Universal to purchase his common interest will become immediately exercisable.
- In the event that Mr. Diller receives Vivendi shares in settlement of his common interest, Mr. Diller will receive customary registration rights with respect to those shares, including the right to two demand registrations. Vivendi will pay up to 1% of gross proceeds in the aggregate of any underwriting discounts, fees and commissions related to the registration of shares on behalf of Mr. Diller.

59

- The private market value of Mr. Diller's common interest will be determined in an appraisal process involving investment bankers selected by Mr. Diller and Universal. Such valuation will not assume the value of VUE in an "auction" proceeding, and any valuation methodology will exclude any acquisition of similar assets or businesses at a uniquely high valuation due to a purchaser's strategic need to acquire such assets or businesses.

USA'S PREFERRED INTERESTS

Under the terms of the Partnership Agreement, USA and its subsidiaries will hold additional equity interests in VUE in the form of a Class A preferred interest and a Class B preferred interest. The Class A preferred interest and the Class B preferred interest will rank equally with one another, and will be the most senior equity interests in VUE, having a preference with respect to distributions and liquidations.

The Class A preferred interest will have the following key terms:

- FACE VALUE. \$750 million.
- MATURITY. 20 years.
- ANNUAL PAID-IN-KIND DIVIDEND. 5%, accreting quarterly.
- SETTLEMENT. Settled at maturity in cash in an amount equal to the face value plus the aggregate annual paid-in-kind dividends.

The Class B preferred interest will have the following key terms:

Edgar Filing: USA NETWORKS INC - Form PRER14A

- FACE VALUE. \$1.75 billion.
- ANNUAL PAID-IN-KIND DIVIDEND. 1.4%, accreting quarterly.
- ANNUAL CASH DIVIDENDS. 3.6%.
- PUT/CALL ARRANGEMENT. USA may require Universal to purchase the preferred interest and Vivendi and/or Universal may require USA to sell to it the preferred interest any time following the 20-year anniversary of issuance for a number of USA common shares having a market value equal to the face value plus the aggregate annual paid-in-kind dividends, subject to a maximum of 56,611,308 USA common shares.
 - In accordance with the terms of the Transaction Agreement, Universal will, at all times, retain at least 43,181,308 shares of USA common stock and 13,430,000 shares of USA Class B common stock, in each case free of any liens.
 - Universal will satisfy its put/call obligations first out of USA Class B common stock, and second out of USA common stock.
 - The market value of the USA common shares will be determined based on a volume weighted average price over the 15 consecutive trading days preceding settlement.
 - Universal may, at its election, in lieu of shares of USA common stock (but not USA Class B common stock), deliver cash equal to the market value of those shares.
 - In the event that USA common shares ceases to be outstanding before exercise of the put or call, the Class B preferred interest in VUE will instead be puttable or callable for cash, plus interest at USA's effective cost of borrowing, or such other securities or property into which USA common shares was exchanged for or converted into.

Because the Class B preferred interest is subject to a put and call arrangement solely against approximately 56.6 million USA shares, if the stock price of USA common stock is below \$40.82 at the time of the exercise of the put or call, USA will receive less than the accreted face value of the Class B preferred interest upon such exercise. There can be no assurance that USA will receive the accreted face value of the Class B preferred interest upon exercise of the put or call.

60

NEGATIVE COVENANTS

The Partnership Agreement contains a number of restrictions on the conduct of VUE, including the following:

CONSENT RIGHTS OF HOLDERS OF PREFERRED INTERESTS

Other than the consent rights described in this proxy statement under this section, holders of preferred interests in VUE have no voting, approval or consent rights, including with respect to any merger, conversion or consolidation of VUE. Any change to the Partnership Agreement that would have an adverse effect on the rights of the Class A preferred interest or the Class B preferred interest or that would be materially adverse to the right of the holders of the preferred interests requires the consent of the holders of such preferred interests.

Edgar Filing: USA NETWORKS INC - Form PRER14A

CONSENT RIGHTS OF USA RELATING TO THE CLASS A PREFERRED INTEREST

For as long as the Class A preferred interest is outstanding, VUE will not take any of the following actions without the prior consent of USA:

- issue any equity securities that rank senior to, or equally with, the Class A preferred interest and the Class B preferred interest, or that are exchangeable for or convertible into such securities;
- merge or consolidate unless specified conditions are satisfied;
- liquidate, dissolve or wind up; or
- become an "investment company" as defined in the Investment Company Act of 1940, as amended.

For as long as the Class A preferred interest is outstanding, unless VUE posts an irrevocable letter of credit in favor of the holders of the Class A preferred interest in VUE in an amount sufficient to cover its obligations with respect to the Class A preferred interest and with an expiration date no earlier than the maturity date of the Class A preferred interest, VUE will not take any of the following actions without the prior consent of USA:

- issue any other preferred equity interests in VUE redeemable or exchangeable for or convertible into any equity security of VUE (other than common interests), or issue any security that is exchangeable for or convertible into cash, cash equivalents or any preferred equity interest described in this bullet;
- transfer any assets of VUE other than in the ordinary course of business unless at least 50% of the net proceeds of the transfer are retained or otherwise redeployed by VUE and at the time of the transfer VUE has a consolidated tangible net worth of at least \$4 billion; or
- create, incur, assure, guarantee or permit to exist indebtedness in excess of \$800 million at any time, other than the indebtedness incurred in order to make the \$1.62 billion cash distribution to USA at the closing of the transactions.

CONSENT RIGHTS OF HOLDERS OF COMMON INTERESTS

Other than the consent rights described in this paragraph, no holder of common interests, including USA and Mr. Diller, has any voting, approval or consent rights, including with respect to any merger, conversion or consolidation of VUE. Any change to the Partnership Agreement that would have an adverse effect on the rights of a holder of a common interest in VUE requires the consent of each such holder. In addition, prior to the exercise of a put or call right with respect to USA's common interest in VUE and prior to any election by USA to exercise its preemptive right solely to maintain a 1% common interest in VUE, the following actions require the consent of USA:

- entering into, terminating, modifying or extending any agreement, transaction or relationship between VUE and an affiliate of Vivendi that is not on an arm's-length basis; or

61

- making any distribution in respect of, redeeming, repurchasing or otherwise acquiring any common interest in VUE held by Universal or any of its affiliates, other than pro rata distributions, redemptions, repurchases and acquisitions.

Edgar Filing: USA NETWORKS INC - Form PRER14A

TAX RELATED COVENANTS

VUE will not take any of the following actions without the consent of USA:

- sell any assets of the USA Entertainment Group any time prior to the 15-year anniversary of the closing of the transactions, other than sales of assets in the ordinary course of business and sales the fair market values of which do not exceed, individually or in the aggregate, \$5 million;
- reduce the principal balance of the debt incurred by VUE to fund the \$1.62 billion cash distribution to USA, other than certain permitted reductions after the second anniversary of the closing of the transactions; or
- take certain other actions that would result in current tax to USA.

Under the terms of the Transaction Agreement, Vivendi may elect to have any of the preceding tax-related covenants not apply. If Vivendi makes that election and the Vivendi or VUE takes any action that would have breached that covenant protecting USA's tax deferral, Vivendi is required to pay to USA an amount designed to approximate the net present value of the resulting loss of tax deferral.

TRANSFERS OF INTERESTS IN VUE

Subject to the put and call features of USA's Class B preferred interest and USA's common interest in VUE, the Partnership Agreement contains the following restrictions on transfers of USA's common and preferred interests:

- In general, USA may transfer its preferred interests and common interests in VUE only to wholly owned subsidiaries of USA.
- USA may pledge or hedge its preferred interests in VUE, but may not enter into any transaction which could result in the transfer of its preferred interests or common interests to a third party.
- No transfer is permitted that would reasonably be expected to result in a materially adverse tax consequence to any partner in VUE, or that would result in a violation of federal securities law.

Under the terms of the Transaction Agreement, Mr. Diller is permitted to assign beneficial interests in the right to receive up to an aggregate of 10% of his common interest in VUE to up to four persons designated by Mr. Diller prior to the closing of the transactions.

In the event that Universal transfers any portion of its common interest to a third party, USA and Mr. Diller are entitled to participate in any such sale on a pro rata basis and on the same terms and conditions as Universal.

ADDITIONAL COMMON INTERESTS IN VUE

Subject to the restrictions on additional preferred interests described above, VUE may issue additional common interests at any time (whether to existing partners or to third parties), and each of VUE's partners' common interests will be diluted pro rata by any third party issuance of additional common interests in VUE.

For as long as USA and its affiliates own a common interest in VUE equal to or greater than 1%, and a put or call with respect to USA's common interest has not been exercised, USA will have the right, but not the obligation, to purchase for cash additional common interests in connection with an issuance of

Edgar Filing: USA NETWORKS INC - Form PRER14A

additional common interests to Universal or any of its affiliates so that USA and its affiliates maintain the same relative common interest in VUE that they had immediately prior to the issuance to Universal or its affiliates. In the event of any issuance of additional common interests in

62

VUE, USA will have the right to exercise preemptive rights to maintain a 1% common interest in VUE.

TAX DISTRIBUTIONS

VUE will make mandatory tax distributions to cover taxes allocable to USA and its subsidiaries, Universal or Mr. Diller with respect to VUE's taxable income.

GOVERNANCE OF VUE

Universal will control VUE and USA will not be entitled to any veto or consent rights other than as described under "--Negative Covenants."

CHAIRMAN AND CHIEF EXECUTIVE OFFICER OF VUE

Mr. Diller will serve as the Chairman and Chief Executive Officer of VUE, at his will and at Vivendi's pleasure. Mr. Diller will have no employment contract, and will receive no compensation for his service as the Chairman and Chief Executive Officer of VUE. VUE will pay or reimburse Mr. Diller and any other USA employee, if any, who is an officer of VUE for all out-of-pocket expenses directly related to the performance of his duties as an officer of VUE.

VUE BOARD OF DIRECTORS

Universal may, at its election, appoint a board of directors or other governing body to oversee the policy and operating procedures with respect to the business and affairs of VUE. In the event that Universal appoints such a board, it will include Mr. Diller for so long as Mr. Diller remains an officer of VUE. If Mr. Diller is no longer an officer of VUE, for so long as USA has a common interest in VUE in excess of 1% and a put or call of USA's common interest has not been exercised, VUE board of directors will include one person designated by USA and reasonably satisfactory to Universal.

CONTRIBUTIONS BY UNIVERSAL OF ASSETS TO VUE

To the extent that Universal or an affiliate of Universal acquires assets or equity securities of third parties engaged in the business of VUE or any related business, Universal or its affiliate may, upon receiving the approval of the general partner of VUE (which will be a subsidiary of Universal), elect to contribute those assets or equity securities to VUE in exchange for cash or if otherwise permitted by the Partnership Agreement, a note or common interests in VUE, subject to USA's preemptive rights, in each case equal to the value of the consideration paid by Universal or its affiliate for the contributed assets or equity securities.

MR. DILLER'S AGREEMENT NOT TO COMPETE

Until the date that is the earlier of:

- the later of

-- the 18-month anniversary of the closing of the transactions; and

-- six months after Mr. Diller ceases to be chief executive officer of

Edgar Filing: USA NETWORKS INC - Form PRER14A

VUE; and

- the three-year anniversary of the closing of the transactions,

Mr. Diller has agreed not to engage in or acquire any interest in any person engaged in the following businesses:

- the operation, programming or delivery of any general or genre-based entertainment television channel;
- the production and distribution of entertainment television programming and feature films; and

63

- any other business conducted by the USA Entertainment Group or the Universal Entertainment Group as of the closing of the transactions; and any reasonably foreseeable entertainment-focused extensions of such businesses that are programming or film oriented, other than in a transactional context.

If, at any time following the 18-month anniversary of the closing, Mr. Diller resigns as chief executive officer of VUE for good reason or is terminated as chief executive officer of VUE without cause, the non-competition restrictions with respect to Mr. Diller will cease to apply.

Mr. Diller's agreement not to compete makes clear that he may engage in the following businesses:

- television channels which are consumer transaction-oriented or which provide informational services which lend themselves to commerce or which otherwise serve as a means of introducing, starting or promoting transactional services, including transaction-oriented television channels whose primary focus is the provision of electronic retailing, auction services or gaming/gambling services;
- electronic commerce; and
- retailing, information and services.

The agreement does not prevent Mr. Diller from:

- owning his interest in VUE;
- owning interests in an entity engaged in the restricted business so long as he does not serve as a director, officer, consultant, or employee of that entity or otherwise engage in the management of such entity;
- engaging in charitable activities relating to the restricted business;
- owning interests in Vivendi as a result of the exercise of the put or call relating to his common interest in VUE; or
- remaining a director on any board of directors on which he currently sits.

MR. DILLER'S NON-SOLICITATION AGREEMENT

Until the date that is the earlier of:

- the later of
 - the 18-month anniversary of the closing of the transactions; and

Edgar Filing: USA NETWORKS INC - Form PRER14A

- six months after Mr. Diller ceases to be chief executive officer of VUE; and
 - the three-year anniversary of the closing of the transactions,
- Mr. Diller has agreed, subject to specified exceptions, not to:
- solicit, recruit or hire any employees of VUE;
 - solicit or encourage any employee of VUE to leave VUE;
 - disclose any confidential information relating to VUE ; or
 - use such confidential information for his benefit or the benefit of others.

If, at any time following the 18-month anniversary of the closing of the transactions, Mr. Diller ceases to be an officer of USA or any of its affiliates or resigns as chief executive officer of VUE for good reason or is terminated as chief executive officer of VUE without cause, the non-solicitation restrictions with respect to Mr. Diller will cease to apply.

64

CORPORATE OPPORTUNITY

If any of Universal, USA, Mr. Diller or any of their respective affiliates acquires knowledge of a potential transaction or matter which may be an investment or business opportunity or prospective economic advantage in which VUE could have an interest or otherwise is then exploiting any such transaction or matter, VUE will not have any interest in such transaction or matter and will not have any expectation that such transaction or opportunity be offered to it, except to the extent that such corporate opportunity is expressly offered to such person in his or her capacity as an officer of VUE.

Except as otherwise provided under "--Transaction Agreement--USA Agreement Not to Compete" and "--Partnership Agreement--Mr. Diller's Agreement Not to Compete,"

- Universal, USA, Mr. Diller and their respective affiliates may engage or invest in any business activity of any type or description, including those that might be the same as or similar to VUE's business;
- neither VUE nor any person beneficially owning common interests in VUE shall have any right in or to the business activities or ventures described in the immediately preceding bullet or to receive or share in any income or proceeds derived therefrom; and
- VUE will not have any interest or expectancy, and specifically renounces any interest or expectancy, in any such business activities or ventures.

AMENDED AND RESTATED GOVERNANCE AGREEMENT

GENERAL

On December 16, 2001, USA, Vivendi, Universal, Liberty and Mr. Diller entered into an Amended and Restated Governance Agreement. The Amended and Restated Governance Agreement will be effective as of the closing of the transactions and sets forth restrictions on the acquisition of additional equity securities of USA and other conduct restrictions, in each case, applicable to Vivendi and its affiliates. In addition, the Amended and Restated Governance

Edgar Filing: USA NETWORKS INC - Form PRER14A

Agreement governs Vivendi's and Liberty's rights of representation on USA's board of directors and Liberty's and Mr. Diller's rights to approve certain actions by USA.

The Amended and Restated Governance Agreement amends and restates the Governance Agreement, dated as of October 19, 1997, and provides for certain amendments to the Investment Agreement, dated as of October 19, 1997, as amended from time to time, eliminating preemptive rights held by Universal, but retaining these rights for Liberty, as described in further detail below. The existing Governance Agreement and Stockholders Agreement were entered into in connection with the contribution by Universal of its domestic television production businesses to USANi LLC (which transaction required the prior written consent of Liberty and Mr. Diller) in exchange for an effective 45.8% interest in USA and approximately \$1.63 billion in cash. If the transactions are not completed, the existing Governance Agreement will remain in place.

RESTRICTIONS ON VIVENDI'S ACQUISITION OF ADDITIONAL EQUITY SECURITIES OF USA AND OTHER RESTRICTIONS ON VIVENDI'S CONDUCT WITH RESPECT TO USA

Pursuant to the Amended and Restated Governance Agreement, Vivendi agreed that it will not acquire the beneficial ownership of any additional equity securities of USA until such time (the "Trigger Date") that the equity securities beneficially owned by Vivendi represent less than 20% of the total equity securities of USA. Following the Trigger Date, Vivendi will not acquire beneficial ownership of any additional equity securities of USA if following such acquisition Vivendi would beneficially own equity securities that represent more than 20% of the total equity securities of USA. Generally, the restrictions described in the preceding sentence will cease to apply upon the later of (1) the CEO Termination Date (as defined in the Amended and Restated Governance Agreement) or the date that Mr. Diller becomes disabled and (2) the date following which Vivendi owns less than 10% of the total equity securities of USA.

65

So long as the restrictions on Vivendi's right to acquire additional equity securities of USA continue to apply, Vivendi has agreed not to:

- act, alone or in concert with others, to seek to affect or influence the management, business or operations of USA;
- enter into any kind of arrangement, such as a proxy, with respect to the voting of equity securities of USA;
- propose any merger or other business combination involving USA, provided that discussions to that effect are not prohibited if Mr. Diller participates;
- make or participate in a solicitation of proxies to vote equity securities in USA;
- act, alone or in concert with others, for the purpose of acquiring voting or selling equity securities in USA; or
- request any amendment to or waiver of any of these covenants.

Except in connection with open market transactions, Vivendi is not entitled to transfer to any single third party transferee, in the aggregate, 10% or more of the total equity securities of USA, unless Vivendi causes such third party transferee to agree to the acquisition and conduct restrictions described above.

REPRESENTATION OF VIVENDI AND LIBERTY ON THE USA BOARD OF DIRECTORS

Edgar Filing: USA NETWORKS INC - Form PRER14A

Under the terms of the Amended and Restated Governance Agreement, immediately following the closing of the transactions:

- the USA board of directors will include Jean-Marie Messier, chairman of the board and chief executive officer of Vivendi, and Philippe Germond, chairman of the board and chief executive officer of Cegetel;
- Vivendi will continue to have the right to nominate up to two USA directors so long as the number of equity securities of USA beneficially owned by Vivendi is at least equal to 75% of the number of equity securities of USA beneficially owned by Vivendi immediately following the closing of the transactions (so long as Vivendi's ownership percentage is at least equal to the lesser of (x) 15% of the total equity securities of USA and (y) the percentage that is five percentage points less than the percentage of the total equity securities of USA beneficially owned by Vivendi immediately following the closing of the transactions); and
- Vivendi will have the right to nominate one USA director so long as Vivendi beneficially owns a number of equity securities of USA at least equal to 50% of the number of the equity securities of USA beneficially owned by it immediately following the closing of the transactions (so long as Vivendi owns at least equal to 10% of the total equity securities of USA).

Under the terms of the Amended and Restated Governance Agreement, immediately following the closing of the transactions:

- the USA board of directors will include John C. Malone, chairman of the board of directors of Liberty, and Robert R. Bennett, president and chief executive officer of Liberty;
- Liberty will continue to have the right to nominate up to two USA directors so long as the number of equity securities beneficially owned by Liberty is at least equal to 75% of the number of equity securities of USA beneficially owned by Liberty immediately following the closing of the transactions (so long as Liberty's ownership percentage is at least equal to the lesser of (x) 15% of the total equity securities of USA and (y) the percentage that is five percentage points less than the percentage of the total equity securities of USA beneficially owned by Liberty immediately following the closing of the transactions);

66

- Liberty will have the right to nominate one USA director so long as Liberty beneficially owns a number of equity securities of USA at least equal to 50% of the number of the equity securities of USA beneficially owned by it immediately following the closing of the transactions (so long as Liberty owns at least 5% of the total equity securities of USA); and
- USA will use its reasonable best efforts to cause one of Liberty's designees to be a member of a committee of the USA board of directors and, to the extent the person designated by Liberty would qualify as a member of the compensation committee of the USA board of directors under applicable tax and securities laws and regulations, USA will seek to have such person appointed to the compensation committee.

Pursuant to the terms of the Amended and Restated Governance Agreement, USA will cause each director that Vivendi or Liberty nominates to be included in the slate of nominees recommended by the USA board of directors to USA's stockholders for election as directors at each annual meeting of the stockholders of USA and will use all reasonable efforts to cause the election of

Edgar Filing: USA NETWORKS INC - Form PRER14A

each such director including soliciting proxies in favor of the election of such persons.

CONTINGENT MATTERS

The Amended and Restated Governance Agreement lists fundamental actions that require the prior consent of Liberty and Mr. Diller before USA can take any such action. We refer to these fundamental actions as "Contingent Matters." In connection with the transactions, Vivendi will surrender its existing veto rights with respect to Contingent Matters. In addition, Liberty and Mr. Diller agreed to significantly limit the Contingent Matters with respect to which they are entitled to exercise veto rights under the current Governance Agreement.

For so long as

- in the case of Liberty, Liberty owns at least two-thirds of the number of USA equity securities owned by it immediately after the closing of the transactions and at least 5% of the total equity securities of USA (the "Liberty Condition"), and
- in the case of Mr. Diller, he owns at least 20,000,000 USA common shares (including options to purchase USA common shares, whether or not then exercisable), continues to serve as chief executive officer of USA and has not become disabled (the "Diller Condition," and together with the Liberty Condition, the "Consent Conditions"),

USA has agreed that, without the prior approval of Liberty and/or Mr. Diller, as applicable, it will not engage in any transaction that would result in Liberty or Mr. Diller having to divest any part of their interests in USA or any other material assets, or that would render any such ownership illegal or would subject Mr. Diller or Liberty to any fines, penalties or material additional restrictions or limitations. Liberty's and Mr. Diller's approval rights under this provision are determined based on their respective ownership interests as of the closing of the transactions.

In addition, for so long as the Consent Conditions apply, if USA's "total debt ratio" (as defined in the Amended and Restated Governance Agreement) equals or exceeds 4:1 over a twelve-month period, USA may not take any of the following actions without the prior approval of Liberty and Mr. Diller:

- acquire or dispose of any assets, issue any debt or equity securities, repurchase any debt or equity securities, or incur indebtedness, if the aggregate value of such transaction or transactions (alone or in combination) during any six month period equals 10% or more of USA's market capitalization;
- voluntarily commence any liquidation, dissolution or winding up of USA or any material subsidiary;
- make any material amendments to the certificate of incorporation or bylaws of USA;

67

- engage in any line of business other than media, communications and entertainment products, services and programming, and electronic retailing, or other businesses engaged in by USA as of the date of determination;
- adopt any stockholder rights plan that would adversely affect Liberty or Mr. Diller, as applicable; or

Edgar Filing: USA NETWORKS INC - Form PRER14A

- grant additional consent rights to a USA stockholder.

PREEMPTIVE RIGHTS

The Amended and Restated Governance Agreement eliminates Vivendi's preemptive rights with respect to USA common shares contained in the Investment Agreement, while preserving Liberty's existing preemptive rights with respect to USA common shares.

In the event that USA issues or proposes to issue any shares of USA common stock or Class B common stock (including shares issued upon exercise, conversion or exchange of options, warrants and convertible securities), Liberty will have preemptive rights that entitle it to purchase a number of USA common shares so that Liberty will maintain the identical ownership interest in USA that Liberty had immediately prior to such issuance or proposed issuance. Any purchase by Liberty will be allocated between USA common stock and Class B common stock in the same proportion as the issuance or issuances giving rise to the preemptive right, except to the extent that Liberty opts to acquire shares of USA common stock in lieu of shares of USA Class B common stock.

REGISTRATION RIGHTS

Vivendi, Liberty and Mr. Diller will be entitled to customary, transferable registration rights with respect to shares of USA common stock (and in the case of Vivendi, the warrants) owned by them as of the closing of the transactions or acquired from USA in the future. Vivendi, Liberty and Mr. Diller will be entitled to four, four and three demand registration rights, respectively. USA will pay the costs associated with such registrations (other than underwriting discounts, fees and commissions). USA will not be required to register shares of USA common stock if a stockholder could sell the shares in the quantities proposed to be sold at such time in one transaction under Rule 144 of the Securities Act or under another comparable exemption from registration.

TERMINATION

Generally, the Amended and Restated Governance Agreement will terminate

- with respect to Vivendi, at such time that Vivendi beneficially owns USA equity securities representing less than 5% of the total equity securities of USA;
- with respect to Liberty, at such time that Liberty beneficially owns equity securities representing less than 5% of the total equity securities of USA; and
- with respect to Mr. Diller, at such time that the CEO Termination Date (as defined in the Amended and Restated Governance Agreement) has occurred or at such time as Mr. Diller becomes disabled.

With respect to the provisions governing "Contingent Matters," such provisions will terminate as to Mr. Diller and Liberty as set forth under "--Contingent Matters."

AMENDED AND RESTATED STOCKHOLDERS AGREEMENT

GENERAL

On December 16, 2001, Vivendi, Universal, Liberty and Mr. Diller entered into an Amended and Restated Stockholders Agreement, which will become effective at the closing of the transactions and

Edgar Filing: USA NETWORKS INC - Form PRER14A

supersede the existing Stockholders Agreement among Universal, Liberty, Mr. Diller, USA and Vivendi (as the successor to The Seagram Company Ltd.), dated as of October 19, 1997. If the transactions are not completed, the existing Stockholders Agreement will remain in place.

CORPORATE GOVERNANCE

Each party to the Amended and Restated Stockholders Agreement has agreed to vote against any Contingent Matter if Mr. Diller and Liberty do not approve the Contingent Matter (and continue to have veto rights with respect to the Contingent Matter under the Amended and Restated Governance Agreement). Universal, Liberty and Mr. Diller have also agreed to vote all USA securities over which they have voting control in favor of the Vivendi and Liberty designees to the USA board of directors.

Each of Universal and Liberty has granted to Mr. Diller an irrevocable proxy with respect to all USA securities owned by Universal and Liberty for all matters, except, with respect to the proxy granted by Liberty, for Contingent Matters to which Liberty has not consented, in each case so long as Mr. Diller continues to own at least 20,000,000 USA common shares (including options). The proxy will generally remain in effect until the earlier of (1) the CEO Termination Date (as defined in the Amended and Restated Stockholders Agreement) and (2) the date that Mr. Diller becomes disabled.

RESTRICTIONS ON TRANSFERS

Until the earlier of (1) the CEO Termination Date (as defined in the Amended and Restated Stockholders Agreement) and (2) the date that Mr. Diller becomes disabled, subject to the other provisions of the Amended and Restated Stockholders Agreement, neither Liberty nor Mr. Diller can transfer shares of USA common stock or USA Class B common stock, other than:

- transfers by Mr. Diller to pay taxes relating to the granting, vesting and/or exercise of stock options to purchase shares of USA common stock;
- transfers to each party's respective affiliates;
- pledges relating to financings; and
- transfers of options or USA common shares in connection with "cashless exercises" of Mr. Diller's options to purchase shares of USA common stock.

The restrictions on transfer are subject to a number of exceptions (which exceptions are generally subject to the rights of first refusal described below):

- either of Liberty or Mr. Diller may transfer USA common shares to an unaffiliated third party or Universal, subject to tag-along rights described below;
- either of Liberty or Mr. Diller may transfer USA common shares so long as, in the case of Mr. Diller, he continues to beneficially own at least 4,400,000 USA common shares (including stock options) and, in the case of Liberty, Liberty continues to beneficially own 4,000,000 USA common shares, and in the case of a transfer of an interest in, or USA common shares held by, specified entities referred to as the "BDTV Entities," after such transfer, Liberty, Universal and Mr. Diller collectively control at least 50.1% of the total voting power of USA; and
- either of Liberty or Mr. Diller may transfer USA common shares so long as the transfer complies with the requirements of Rule 144 or Rule 145 under

Edgar Filing: USA NETWORKS INC - Form PRER14A

the Securities Act, and, in the case of a transfer of an interest in, or USA common shares held by, the BDTV Entities, after such transfer, Liberty, Universal and Mr. Diller collectively control at least 50.1% of the total voting power of USA.

69

TAG-ALONG RIGHTS AND RIGHTS OF FIRST REFUSAL

Each of Mr. Diller and Liberty is entitled to a right to "tag-along" (I.E., participate on a pro rata basis) on sales by Mr. Diller or Liberty, as the case may be, of USA common shares to any third party, including to Universal. Liberty will not have a tag-along right in the event of:

- sales by Mr. Diller of up to 4,000,000 USA common shares within any rolling twelve-month period;
- transfers by Mr. Diller to pay taxes relating to the granting, vesting and/or exercise of stock options to purchase shares of USA common stock or transfers in connection with "cashless exercises" of Mr. Diller's options to purchase shares of USA common stock;
- specified "brokers' transactions," as defined under the Securities Act, which we refer to as "market sales"; or
- generally, when Mr. Diller is no longer chief executive officer of USA.

Mr. Diller has a right of first refusal with respect to sales by Universal of USA common shares. Mr. Diller will not have a right of first refusal in the event of:

- transfers between affiliates of Vivendi;
- market sales of up to 1,000,000 USA common shares within any rolling twelve-month period;
- transfers of up to 4,000,000 USA common shares within any rolling twelve-month period; and
- transfers of USA common shares upon the exercise of a put or call of the Class B preferred interest in VUE.

Subject to Mr. Diller's right of first refusal, Liberty also has a right of first refusal on any transfer of USA common shares by Universal with respect to which Mr. Diller would have a right of first refusal.

Each of Mr. Diller and Liberty has a right of first refusal in the case of a transfer by the other of USA common shares to a third-party unless:

- the transfer is permitted under the first paragraph of "--Restrictions on Transfers";
- not more than 4,000,000 USA common shares are transferred within any rolling twelve-month period; or
- less than 1,000,000 USA common shares are transferred within any rolling twelve-month period through market sales.

TRANSFERS OF SHARES OF USA CLASS B COMMON STOCK

If any of Universal, Liberty or Mr. Diller proposes to transfer shares of USA Class B common stock, the other parties to the Amended and Restated

Edgar Filing: USA NETWORKS INC - Form PRER14A

Stockholders Agreement are entitled to swap any shares of USA common stock they own for such shares of USA Class B common stock (subject to the rights of first refusal described above), Mr. Diller having the priority over Liberty in case of transfers made by Universal. To the extent there remain shares of USA Class B common stock that the selling stockholder would otherwise transfer to a third party, such shares must first be converted into shares of USA common stock. This restriction does not apply to, among other specified transfers, transfers among the parties and their affiliates.

STANDSTILL IN FAVOR OF VIVENDI

Mr. Diller has agreed that, prior to the earliest of:

- the fourth anniversary of the closing of the transactions;
- the sale of all or substantially all of the assets of Vivendi to a third party; and

70

- a merger or consolidation of Vivendi in which a majority of the shares of the surviving entity are not held by the former shareholders of Vivendi,

neither Mr. Diller nor his affiliates will take any of the following actions:

- acquire, agree to acquire or make any proposal to acquire beneficial ownership of (1) voting securities that would result in Mr. Diller and his affiliates collectively owning greater than 5% of the outstanding voting securities of Vivendi or (2) any significant assets of Vivendi, in each case other than indirectly through the acquisition of an entity that owns Vivendi voting securities if Mr. Diller and his affiliates collectively own less than 1% of that entity's total assets;
- act, alone or in concert with others, to seek to affect or influence the control of the management or the board of directors of Vivendi or the business, operations or policies of Vivendi;
- enter into any discussions, negotiations, arrangements, understandings or agreements with any person regarding a business combination involving Vivendi;
- make or participate in a solicitation of proxies to vote Vivendi's securities;
- call a meeting of Vivendi shareholders; or
- create or join any kind of group (E.G., a voting trust) for the purpose of acquiring Vivendi's voting securities.

TERMINATION OF AMENDED AND RESTATED STOCKHOLDERS AGREEMENT

Universal's rights and obligations under the Amended and Restated Stockholders Agreement generally terminate at such time as Universal ceases to have the right to designate directors of USA pursuant to the Amended and Restated Governance Agreement.

Mr. Diller's and Liberty's rights and obligations under the Amended and Restated Stockholders Agreement generally terminate at such time as, in the case of Mr. Diller, he no longer beneficially owns at least 4,400,000 USA common shares (including stock options) and, in the case of Liberty, Liberty no longer beneficially owns at least 4,000,000 USA common shares. Liberty's tag-along rights and obligations terminate at such time as Liberty ceases to beneficially

Edgar Filing: USA NETWORKS INC - Form PRER14A

own at least 5% of the total equity securities of USA.

In addition, Mr. Diller's rights under the Amended and Restated Stockholders Agreement generally terminate if Mr. Diller no longer serves as the chief executive officer of USA or if Mr. Diller has become disabled.

WARRANT AGREEMENT

In connection with the transactions, and in exchange for Vivendi agreeing to enter into certain commercial arrangements and for other valuable consideration, USA has agreed to issue to Vivendi upon closing of the transactions warrants to purchase shares of USA common stock. The warrants will be issued under a warrant agreement to be entered into prior to completion of the transactions between USA and The Bank of New York, as warrant agent, a form of which is attached to this proxy statement as Appendix E. Each warrant entitles the holder to purchase one share of USA common stock at the applicable exercise price, subject to customary adjustments to prevent dilution.

USA will issue the warrants in three tranches as follows:

NUMBER OF WARRANTS	EXERCISE PRICE PER WARRANT
24,187,094	\$27.50
24,187,094	\$32.50
12,093,547	\$37.50

71

The exercise price must be paid in cash. Each warrant may be exercised on any business day following the six-month anniversary of the closing of the transactions until the tenth anniversary of its date of issuance. Any warrant not exercised before the expiration of this period will become void, and all rights of the holder of the warrant will cease. Holders of warrants will not be entitled, by virtue of being such holders, to have any rights of holders of USA common stock until they exercise their warrants.

The number of shares of USA common stock issuable upon exercise of the warrants and the exercise price of the warrants will be subject to adjustment from time to time upon the occurrence of any of the following events after the completion of the transactions: any stock split; any stock consolidation, combination or subdivision; any stock dividend or other distribution; and any repurchase, reclassification, recapitalization or reorganization.

Neither the USA common stock issuable upon exercise of the warrants nor the warrants will be registered under the Securities Act as of the closing of the transactions. Vivendi has registration rights with respect to the warrants. In addition, Vivendi may generally transfer the warrants and/or the shares of USA common stock issuable upon exercise of the warrants, subject to the limitations in the Amended and Restated Governance Agreement and the Amended and Restated Stockholders Agreement. The issuance of USA common stock upon exercise of the equity warrants issued to Vivendi is subject to Liberty's preemptive rights.

VIVENDI/LIBERTY MERGER AGREEMENT

On December 16, 2001, Vivendi, Universal, Liberty and certain of their affiliates entered into the Vivendi/Liberty Merger Agreement. None of USA or its subsidiaries is a party to the Vivendi/Liberty Merger Agreement although the Transaction Agreement provides that Liberty and Vivendi cannot amend the

Edgar Filing: USA NETWORKS INC - Form PRER14A

Vivendi/Liberty Merger Agreement in certain ways without the approval of USA. Under the Vivendi/Liberty Merger Agreement, among other things, affiliates of Liberty will exchange 7,079,726 LLC shares for 7,079,726 shares of USA common stock, following which the exchange agreement relating to the LLC shares will terminate (except for the representations and warranties contained therein) and the remaining LLC shares will no longer be exchangeable for shares of USA common stock. Immediately following the completion of the share exchange and termination, Vivendi and Liberty will complete specified transfers and mergers that will result in the transfer from Liberty to Vivendi of 25,000,000 shares of USA common stock, entities holding 38,694,982 LLC shares, as well as all of the assets and liabilities of Liberty Programming France (which consist primarily of 4,921,250 shares of multiThematiques). In return, Vivendi will issue 37,386,436 ADSs representing Vivendi ordinary shares to Liberty, which is subject to adjustment.

Completion of the transfers specified in the Vivendi/Liberty Merger Agreement is conditioned on the satisfaction of customary closing conditions, including (1) the receipt of any regulatory consent or approval the failure of which to obtain could have a material adverse effect, (2) the absence of any law or judgment or any other legal restraint or prohibition preventing the completion of the transactions under the Vivendi/Liberty Merger Agreement, (3) the accuracy of specified representations and warranties, (4) the performance of specified obligations and covenants and (5) satisfaction of the conditions to completion of the transactions specified in the Transaction Agreement and the concurrent completion of those transactions. In turn, completion of the transactions contemplated by the Transaction Agreement is conditioned on completion of the transactions contemplated by the Vivendi/Liberty Merger Agreement. In the event that the closing of the transactions will be significantly delayed by the inquiry of any regulatory body reviewing the multiThematiques transaction, Vivendi and Liberty will negotiate in good faith to amend the Vivendi/Liberty Merger Agreement to avoid delaying the closing of the transactions, and Vivendi and Liberty are required to execute such amendment if it provides to Liberty the economic benefits of the multiThematiques transaction.

72

INTERESTS OF OFFICERS AND DIRECTORS IN THE TRANSACTIONS

When considering the recommendation of the USA board of directors, you should be aware that the USA officers and directors may have interests in the transactions that are different from or are in addition to yours. The special committee and the USA board of directors were aware of these interests and considered them, among other matters, in approving the transactions. These interests are described below.

CERTAIN EXECUTIVE OFFICERS

Mr. Diller will become chairman and chief executive officer of VUE in addition to remaining chairman and chief executive officer of USA. In consideration of his assuming these new roles with VUE and his agreeing to the specified non-competition provisions with respect to VUE contained in the Partnership Agreement, Mr. Diller will receive a common interest in VUE with a 1.5% profit sharing percentage. For a description of Mr. Diller's common interest in VUE, see "The Transaction Documents--Partnership Agreement--Mr. Diller's Common Interest."

In February 2002, Mr. Diller assigned to three executive officers of USA the right to receive beneficial interests in a portion of Mr. Diller's common interest in VUE. As a result of the assignments, upon closing of the transactions, Victor Kaufman, vice chairman and a director of USA, will have an economic interest in Mr. Diller's VUE common interests subject to put and call

Edgar Filing: USA NETWORKS INC - Form PRER14A

rights with a minimum value of \$15 million, and both of Dara Khosrowshahi, executive vice president and chief financial officer of USA, and Julius Genachowski, executive vice president and general counsel of USA, will have an economic interest in Mr. Diller's VUE common interests subject to put and call rights with a minimum value of \$2.5 million. Mr. Kaufman will serve as special advisor to the chairman and chief executive officer of VUE. In no event will any of the officers receive any amounts referred to above prior to the exercise of the put or call relating to Mr. Diller's common interest, nor will any of these officers have any right to exercise any voting interests relating to Mr. Diller's VUE common interest. As a result of the assignments, upon closing of the transactions, Mr. Diller's economic interest in his VUE common interest will be reduced to 92.7%, subject to put and call rights at a minimum price of \$255 million.

VIVENDI BOARD DESIGNEES

The USA board of directors includes four representatives from Vivendi. In connection with the transactions, USA will grant to Vivendi warrants to purchase 60,467,735 shares of USA common stock and, more generally, Vivendi is a party to the transactions. For a description of the warrants that USA has agreed to issue to Vivendi, see "The Transaction Documents--Warrant Agreement." In addition, Vivendi and its subsidiaries will own 93.06% of the common interests in VUE to which USA is contributing the USA Entertainment Group. The Vivendi representatives on the USA board of directors did not participate in the USA board meetings relating to transactions.

LIBERTY BOARD DESIGNEES

The USA board of directors includes two representatives from Liberty. In connection with the transactions, Liberty will transfer to Vivendi 25,000,000 USA common shares, entities holding 38,694,982 LLC shares, as well as the assets and obligations of Liberty Programming France (which consist primarily of 4,921,250 shares of multiThematiques), in exchange for 37,386,436 ADSs representing Vivendi ordinary shares, subject to adjustment.

INTERESTS IN USA SECURITIES AND OPTIONS

As of the record date, the executive officers and directors of USA and their affiliates beneficially owned USA common shares as set forth under "Stock Ownership of Management and Directors."

73

STOCK OWNERSHIP OF MANAGEMENT AND DIRECTORS

USA COMMON STOCK

The following table presents, as of February 15, 2002, information relating to the beneficial ownership of USA's common stock by (1) each person known by USA to own beneficially more than 5% of the outstanding shares of USA's common stock, (2) each director of USA, (3) each of the chief executive officer and the four other most highly compensated executive officers of USA who served in such capacities as of December 31, 2001 (the "Named Executive Officers"), and (4) all executive officers and directors of USA as a group. The table also presents, as of February 15, 2002, information relating to the beneficial ownership of shares of Class A common stock of Hotel Reservations Network, Inc., a subsidiary of USA ("HRN"), shares of Class A common stock of Styleclick, Inc., a subsidiary of USA ("Styleclick"), and shares of Class B common stock of Ticketmaster, a subsidiary of USA ("TM"), and shares of Class A common stock of Expedia, Inc., a subsidiary of USA ("Expedia") by (1) each director of USA, (2) each of the Named Executive Officers, and (3) all executive officers and directors of USA as a group.

UNAUDITED PRO FORMA COMBINED CONDENSED FINANCIAL STATEMENTS OF USA

In the tables below, we provide you with unaudited pro forma combined condensed financial information for USA giving effect to the contribution of the USA Entertainment Group to VUE, USA's acquisition of Expedia, and the Ticketmaster combination completed by USA during the year ended December 31, 2001. The Ticketmaster combination was a transaction completed on January 31, 2001 which combined Ticketmaster Online--CitySearch, Inc. ("TMCS") and Ticketmaster Corporation, both of which are subsidiaries of USA. We also provide you with unaudited pro forma combined condensed financial information for Expedia for the year ended December 31, 2001.

The pro forma combined condensed financial statements of USA reflect some assumptions regarding the transactions and are based on the historical financial statements of USA. The combined condensed financial statements of USA, including the notes accompanying them, are qualified in their entirety by reference to, and should be read in conjunction with, USA's audited financial statements, including the notes accompanying them, which are incorporated by reference into this proxy statement.

The pro forma combined condensed balance sheet as of December 31, 2001 gives effect to the disposition of the USA Entertainment Group and the acquisition of Expedia as if those transactions had occurred on December 31, 2001.

The pro forma combined condensed statement of operations for the year ended December 31, 2001 reflects USA's audited statements of operations for the year ended December 31, 2001 and Expedia's results for the twelve months ended December 31, 2001, adjusted for the pro forma effects of the disposition of the USA Entertainment Group, the acquisition of Expedia, as well as the completion of the Ticketmaster combination described above, as if such transactions had occurred as of January 1, 2001.

USA is in the process of evaluating the fair value of Expedia's assets acquired and liabilities assumed in order to make a final allocation of the excess purchase price, including allocation to intangibles other than goodwill.

Edgar Filing: USA NETWORKS INC - Form PRER14A

Accordingly, the purchase accounting information is preliminary and has been made solely for the purpose of developing such unaudited pro forma combined condensed financial information. Statement of Financial Accounting Standards No. 142, "Goodwill and Other Intangible Assets," provides that goodwill resulting from a business combination completed subsequent to June 30, 2001 will not be amortized but instead is required to be tested for impairment at least annually.

THE PRO FORMA COMBINED CONDENSED BALANCE SHEET AND STATEMENTS OF OPERATIONS ARE NOT NECESSARILY INDICATIVE OF THE RESULTS OF OPERATIONS OR FINANCIAL POSITION, WHICH ACTUALLY WOULD HAVE BEEN REPORTED HAD THESE TRANSACTIONS OCCURRED AS OF DECEMBER 31, 2001 OR AS OF JANUARY 1, 2001, NOR ARE THEY NECESSARILY INDICATIVE OF USA'S FUTURE FINANCIAL RESULTS OF OPERATIONS.

Unaudited Pro Forma Combined Condensed Statement of Operations for the year ended December 31, 2001. For additional financial information, refer to Expedia's periodic reports as of and for the periods ending March 31, 2001, June 30, 2001, and December 31, 2001 incorporated by reference in this document. Note that Expedia adopted Staff Accounting Bulletin No. 101, Revenue Recognition in Financial Statements, in the quarter ended June 30, 2001, resulting in an adjustment to net revenues and cost of sales.

	=====

The pro forma combined condensed financial statements are prepared using the

Edgar Filing: USA NETWORKS INC - Form PRER14A

final exchange ratio for each security issued as merger consideration as determined at the close of the transaction on February 4, 2002. Based on these exchange ratios, USA issued 20.6 million, 13.1 million, and 14.6 million of its common stock, preferred stock, and warrants, respectively, to Expedia Class B common stockholders who elected to receive USA securities.

The value of USA common stock issued is \$26.80, which is the price used in establishing the final common stock exchange ratio specified in the Expedia merger agreement. The price is calculated as the average closing price of USA common stock over the ten consecutive trading-day period ending on the second trading day prior to the date of the Expedia annual meeting, which was February 4, 2002. The value of the USA convertible preferred stock is based on a valuation provided by Allen & Co., USA's financial advisor in the transaction, which valued the preferred stock at a 5 - 15% premium to face value, or \$52.50 to \$57.50, plus a theoretical value of \$5.00 to \$5.75 for the feature that reduces the conversion price at USA common stock prices above \$35.10. USA chose to value the securities at the mid-point of the valuation range, or \$60.375. The value of the USA warrants is based on the market price of \$8.00 on their initial trading day on Nasdaq.

As a result of the termination of an acquisition agreement, USA will contribute to Expedia \$20,000 plus interest from the date of the Expedia merger.

3. Reflects the elimination of Expedia's historical equity.
4. The unallocated excess of acquisition costs over net assets acquired has been preliminarily allocated to goodwill. Statement of Financial Accounting Standards No. 142, "Goodwill and Other Intangible Assets," ("FAS 142") provides that goodwill resulting from business combinations completed subsequent to June 30, 2001 will not be amortized but instead is required to be tested for impairment at least annually. In order to complete its assessment, USA is in the process of obtaining an independent valuation of the assets and liabilities acquired, including the identification of intangibles other than goodwill. Potential intangible assets that USA may identify

84

include trade names and trademarks, supply agreements, customer relationships, technology and commercial arrangements. Accordingly, the purchase accounting information is preliminary. In the second quarter 2002, USA expects to complete the allocation of the purchase price relating to the Expedia transaction. As the pro forma combined condensed statement of operations includes no amortization of the goodwill associated with the Expedia merger, the final allocation of purchase value to intangible assets other than goodwill could result in increased amortization and decreased operating income, net income, and earnings per share in subsequent periods. USA recorded approximately \$350.0 million of goodwill amortization during the year ended December 31, 2001. Expedia recorded \$10.2 million of goodwill amortization during the year ended December 31, 2001.

5. Represents the minority interest in the financial position and the results of operations of Expedia, based upon a 64.2% equity ownership by USA of Expedia.
6. Reflects the contribution of the USA Entertainment Group to VUE. See the Unaudited Financial Statements of the USA Entertainment Group. Intercompany revenues of \$8,307 were eliminated in the consolidated unaudited pro forma financial statements.

Edgar Filing: USA NETWORKS INC - Form PRER14A

7. Reflects decreased minority interest expense as a result of the Vivendi transaction, as following the transaction, USANi LLC will be wholly owned by USA and its subsidiaries. USANi LLC's primary businesses include USA Cable, Studios USA (both of which will be contributed to VUE in the transaction), Home Shopping Network, Styleclick and Electronic Commerce Solutions. Prior to the transaction, Vivendi owned approximately 47% and Liberty 8% of USANi LLC.
8. A summary of the securities received from VUE in the Vivendi transaction and the basis of each security as recorded in the pro forma combined condensed balance sheet is set forth below:

Class A preferred interest in VUE.....	750,000
Class B preferred interest in VUE.....	1,428,530
Common interest in VUE.....	1,000,000

The values attributed to the \$750 million initial face value Class A preferred interest in VUE and the 5.44% common interest in VUE were determined based upon internal valuations considering characteristics of the security and the underlying credit worthiness of the venture. The value of the Class A preferred interest in VUE is based upon a valuation provided by Allen & Co., USA's financial advisor in the transaction, which ascribed a value to the security based upon the net present value of future dividend payments as well as other tax distributions from VUE associated with the instrument. The value of the common interest in VUE of \$1 billion is based upon a valuation provided by Allen & Co. For purposes of valuing VUE, Allen & Co. performed analyses of discounted cash flows, comparable transactions, precedent transactions in each of the different asset classes in VUE and reviewed Wall Street estimates. The valuation provided by Allen & Co. is summarized in this proxy statement under "The Transactions--Opinion of USA's Financial Advisor."

The \$1.75 billion initial face value Class B preferred interest in VUE is puttable and callable at its then accreted face value for up to approximately 56.6 million USA common shares held by Vivendi. At the election of Universal, USA common shares to be received by USA pursuant to the put or call can be substituted with cash equal to the market value of such shares, except with respect to 13.4 million USA Class B shares. If cash is substituted, it is USA's intention to repurchase shares with the proceeds. The value of \$1,428,530 attributed to the \$1.75 billion initial face value Class B preferred interest in VUE was determined by multiplying the 56.6 million shares times \$25.23, which is the average closing price of USA common stock on the two days before, the date of and the two days after December 17, 2001, the date the transaction was announced.

USA will also receive \$1,618,710 of cash from VUE. The pro forma financial statements do not reflect the application of cash proceeds received by USA from VUE to reduce outstanding debt and associated interest expense.

9. The preliminary value of \$810,873 for the USA warrants issued to Vivendi is estimated using a Black-Scholes pricing model with the following assumptions: a risk-free interest rate of 5.0%, a dividend yield of zero, a volatility factor of 0.30, and a ten-year expected life of the warrant. The warrants have a ten-year term following the closing of the transaction, and the following exercise prices - 24.2 million at \$27.50 per share; 24.2 million at \$32.50 per share; and 12.1 million at \$37.50 per share. Pursuant to the Transaction Agreement, the warrants are being issued to

Edgar Filing: USA NETWORKS INC - Form PRER14A

Vivendi in exchange for certain commercial arrangements and other valuable consideration. At this time, no such commercial arrangements are in place. As a result, USA has allocated the estimated fair value of the equity warrants to reduce the gain on the sale of the entertainment assets and increased additional paid in capital on the pro forma balance sheet. At such time as any commercial arrangements are entered into, USA will assign appropriate value to such arrangements.

10. USA's contribution of businesses to VUE and the receipt of consideration by USA results in an estimated gain to USA ranging from \$2.4 billion to \$2.9 billion. The gain is based on the consideration described in note 8 plus USA's acquisition of Vivendi's interest in Home Shopping Network ("HSN") and other USANi LLC entities. USA will acquire Vivendi's interest in HSN and other LLC entities through the cancellation of Vivendi's LLC shares resulting in additional goodwill of \$1,315,534. The calculation of the gain is preliminary and will depend on the book value and tax basis of the assets contributed at the close of the transaction. The gain will be finalized and is expected to be recorded in the second quarter of 2002. The gain from the Vivendi transaction, including an estimated \$20,000 of transactional costs, has been excluded from the pro forma combined condensed statement of operations. The preliminary estimate of deferred taxes of \$2,207,931 presented in the pro forma combined condensed balance sheet is computed applying an effective tax rate of 38.7% to the mid point of the range of estimated gain on the transaction and consideration of permanent tax differences of \$810,873 related to the estimated fair value of the USA warrants as described in Note 9. At such time as any commercial arrangements are entered into, USA will assign appropriate value to such arrangements, which will reduce the permanent tax difference. The adjustment of \$3,989,497 to reduce minority interest represents USA's acquisition of HSN and other LLC entities and the contribution of USA Entertainment to VUE. The adjustment of \$5,634,937 to increase shareholders' equity represents the estimated gain on the VUE contribution and acquisition of HSN and other LLC entities minority interest.
 11. Reflects decreased tax expense of \$1,612 and increased minority interest of \$3,148 as a result of the merger of TMCS and Ticketmaster Corporation ("TM"), both of which are subsidiaries of USA. The merger has been accounted for as entities under common control in a manner similar to a pooling of interests. Tax expense decreased as a result of taxable losses from TMCS being used to offset taxable income of TM. Minority interest increased principally due to the impact of a lower minority interest benefit related to the losses of TMCS, as USA's economic ownership in TMCS increased from 50% to 68% as a result of the merger.
 12. Reflects the cash and payable-in-kind dividends payable with respect to USA's Class A preferred interest and Class B preferred interest in VUE along with the related tax expense.
 13. In connection with the transaction, Liberty will exchange approximately 7 million USANi LLC shares for USA common stock. USA has accounted for this as an acquisition and therefore a reduction of minority interest. The price used to value the common stock in the exchange was \$25.23, which is the average closing price on the two days before, the day of and the two days after December 17, 2001, the date the transaction was announced. The acquisition cost of \$178,650 over the net assets acquired of \$70,797 (acquisition of minority interest) has been allocated goodwill (\$107,853).
- 86
14. Reflects a reduction in tax expense with respect to a decrease in income from the contribution of the USA Entertainment Group to VUE.

Edgar Filing: USA NETWORKS INC - Form PRER14A

15. USA is supplementing its GAAP disclosure of EPS with an additional measure. Management believes that this additional measure is meaningful and relevant to investors, as it reflects the unique characteristics of the Class B preferred interest in VUE. In order to satisfy its pull/call obligations relating to the Class B Preferred Interest, Vivendi must hold 56.6 million USA shares until maturity, at which time Vivendi will either return up to 56.6 million shares to USA or, to the extent that Vivendi chooses, pay cash in lieu of USA common stock. If Vivendi elects to pay cash, USA intends to use those proceeds to repurchase USA shares. If USA's stock price climbs to greater than \$40.82, the instrument is similar to a warrant, and USA will compute dilution similar to other dilutive securities. Dilution would be 10.4, 25.8 and 33.5 million shares at USA shares prices of \$50, \$75 and \$100, respectively. In order to be consistent, this additional measure also reduces net income by the amount of PIK income on the preferred security. The preferred security has a 1.4% annual PIK dividend, resulting in an accreted value of approximately \$2.3 billion on the 20th anniversary of issuance, which corresponds to a stock price of \$40.82 at that date. Finally, on its balance sheet, USA has based its valuation of the Class B preferred interest in VUE on the value of 56.6 million shares. Management believes that, in this unusual case, the additional measure described in this footnote provides information that will help shareholders fully understand the transaction and USA's capital structure. The additional measure results in EPS loss for the twelve months ended December 31, 2001 of (\$0.50).

USA ENTERTAINMENT NOTES TO UNAUDITED COMBINED FINANCIAL STATEMENTS

NOTE 1--BASIS OF PRESENTATION

On February 12, 1998, USA Networks, Inc. ("USA") acquired USA Cable, a New York general partnership, consisting of cable television networks, USA Network and Sci Fi Channel ("USA Cable"), as well as the domestic television production and distribution businesses of Universal Studios ("Studios USA") from Universal Studios, Inc. ("Universal"), an entity now controlled by Vivendi Universal, S.A., a French corporation ("Vivendi") (the "Universal Transaction"). On May 28, 1999, USAi acquired October Films, Inc., in which Vivendi owned a majority interest, and the domestic film distribution and development business of Universal ("USA Films") previously operated by Polygram Filmed Entertainment, Inc. (the "October Films/PFE Transactions"). For the purposes of these combined financial statements, USA Entertainment ("USA Entertainment") includes USA Cable, Studios USA, and USA Films. USA Cable and Studios USA are directly owned by USANi LLC ("LLC"), a Delaware limited liability company, which was formed on February 12, 1998 and is a subsidiary of Home Shopping Network, Inc. ("Home Shopping"), which is a subsidiary of USA. USA Films is directly owned by USA.

On December 16, 2001, USA entered into an agreement with Vivendi pursuant to which USA would contribute USA Entertainment to a joint venture newly formed with Vivendi.

The accompanying combined financial statements and related notes reflect the carve-out historical results of the combined operations and financial position of USA Entertainment, as described above. These financial statements are not necessarily indicative of results that would have occurred if USA Entertainment had been a separate, stand-alone entity during the periods presented or of the future results of USA Entertainment.

Significant transactions between USA Cable, Studios USA, and USA Films and associated accounts have been eliminated.

NOTE 2--SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

REVENUES

Television production revenues are recognized as completed episodes are delivered. Generally, television programs are first licensed for network exhibition and foreign syndication, and subsequently for domestic syndication, cable television and home video. Certain television programs are produced and/or distributed directly for initial exhibition by local television stations, advertiser-supported cable television, pay television and/or home video. Television production advertising revenues (i.e., sales of advertising time received by Studios USA in lieu of cash fees for the licensing of program broadcast rights to a broadcast station ("barter syndication")) are recognized upon both the commencement of the license period of the program and the sale of advertising time pursuant to non-cancelable agreements, provided that the program is available for its first broadcast. Foreign minimum guaranteed amounts are recognized as revenues on the commencement date of the license agreement, provided the program is available for exhibition.

USA Cable advertising revenue is recognized in the period in which the advertising commercials are aired on cable networks. Certain contracts with advertisers contain minimum commitments with respect to advertising viewership.

Edgar Filing: USA NETWORKS INC - Form PRER14A

In the event that such minimum commitments are not met, the contracts require additional subsequent airings of the advertisement. As a result, provisions are recorded against advertising revenues for audience under deliveries ("makegoods") until such subsequent airings are conducted. Affiliate fees are recognized in the period during which the programming is provided.

91

USA ENTERTAINMENT NOTES TO UNAUDITED COMBINED FINANCIAL STATEMENTS (CONTINUED)

NOTE 2--SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Revenue from theatrical film distributions is recognized as the films are exhibited. Revenue from home video distribution is recognized, less a provision for returns, when the home videos are sold. Revenue from the distribution of theatrical products to cable, broadcast, and syndicated television markets is recognized when the films are available to telecast.

Revenues from all other sources are recognized either upon delivery or when the service is provided.

PROGRAM RIGHTS

License agreements for program material are accounted for as a purchase of program rights. The asset related to the program rights acquired and the liability for the obligation incurred are recorded at their net present value when the license period begins and the program is available for its initial broadcast. The asset is amortized primarily based on the estimated number of airings. Amortization is computed generally on the straight-line basis as programs air; however, when management estimates that the first airing of a program has more value than subsequent airings, an accelerated method of amortization is used. Other costs related to programming, which include program assembly, commercial integration and other costs, are expensed as incurred. Management periodically reviews the carrying value of program rights and records write-offs, as warranted, based on changes in programming usage.

FILM COSTS

Film costs consist of direct production costs and production overhead, less accumulated amortization. Prior to the adoption of SOP 00-2 on January 1, 2001, development roster (and related costs) and abandoned story and development costs were charged to production overhead. Film costs are stated at the lower of unamortized cost or estimated net realizable value on a production-by-production basis.

Generally, the estimated ultimate costs of completed productions are amortized, and participation expenses are accrued, for each production in the proportion that current period revenue recognized bears to the estimated future revenue to be received from all sources. Amortization and accruals are made under the individual film forecast method. Estimated ultimate revenues and costs are reviewed quarterly and revisions to amortization rates or write-downs to net realizable value are made as required.

Film costs, net of amortization, classified as current assets include the portion of unamortized costs of program productions allocated to network, first run syndication and initial international distribution markets. The allocated portion of released film costs expected to be recovered from secondary markets or other exploitation is reported as a noncurrent asset. Other costs relating to productions, such as in-process productions and the film library, are classified as noncurrent assets.

PROPERTY, PLANT AND EQUIPMENT

Edgar Filing: USA NETWORKS INC - Form PRER14A

Property, plant and equipment, including significant improvements, are recorded at cost. Repairs and maintenance and any gains or losses on dispositions are included in operations.

92

USA ENTERTAINMENT NOTES TO UNAUDITED COMBINED FINANCIAL STATEMENTS (CONTINUED)

NOTE 2--SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Depreciation and amortization is provided for on a straight-line basis to allocate the cost of depreciable assets to operations over their estimated service lives.

ASSET CATEGORY -----	DEPRECIATION/AMORTIZATION PERIOD -----
Computer and broadcast equipment.....	3 to 13 Years
Buildings.....	30 to 40 Years
Leasehold improvements.....	4 to 20 Years
Furniture and other equipment.....	3 to 10 Years

Depreciation and amortization expense on property, plant and equipment was \$12.7 million, \$10.2 million, and \$9.3 million for the years ended December 31, 2001, 2000, and 1999, respectively.

LONG-LIVED ASSETS INCLUDING INTANGIBLES

USA Entertainment's accounting policy regarding the assessment of the recoverability of the carrying value of long-lived assets, including goodwill and other intangibles and property, plant and equipment, is to review the carrying value of the assets if the facts and circumstances suggest that they may be impaired. If this review indicates that the carrying value will not be recoverable, as determined based on the projected undiscounted future cash flows, the carrying value is reduced to its estimated fair value.

ADVERTISING

Advertising costs are expensed in the period incurred. Advertising expense for the years ended December 31, 2001, 2000, and 1999 were \$109.0 million, \$112.7 million and \$85.3 million, respectively.

STOCK-BASED COMPENSATION

USA Entertainment accounts for stock-based compensation in accordance with APB 25, ACCOUNTING FOR STOCK ISSUED TO EMPLOYEES. In cases where exercise prices are less than fair value as of the grant date, compensation is recognized over the vesting period.

ACCOUNTING ESTIMATES

Management of USA Entertainment is required to make certain estimates and assumptions during the preparation of consolidated financial statements in accordance with accounting principles generally accepted in the United States. These estimates and assumptions impact the reported amount of assets and liabilities and disclosures of contingent assets and liabilities as of the date of the consolidated financial statements. They also impact the reported amount of net earnings during any period. Actual results could differ from those estimates.

Edgar Filing: USA NETWORKS INC - Form PRER14A

Significant estimates underlying the accompanying combined financial statements include the, program rights and film cost amortization, sales return and other revenue allowances, allowance for doubtful accounts, recoverability of intangibles and other long-lived assets, estimates of film revenue ultimates and various other operating allowances and accruals.

USA ENTERTAINMENT NOTES TO UNAUDITED COMBINED FINANCIAL STATEMENTS (CONTINUED)

NOTE 2--SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

NEW ACCOUNTING PRONOUNCEMENTS

In June 2000, the Accounting Standards Executive Committee ("AcSEC") issued SOP 00-2, ACCOUNTING BY PRODUCERS OR DISTRIBUTORS OF FILMS ("SOP 00-2"), which replaces FASB Statement No. 53, FINANCIAL ACCOUNTING BY PRODUCERS AND DISTRIBUTORS OF MOTION PICTURE FILMS. The AcSEC concluded that film costs would be accounted for under an inventory model. In addition, SOP 00-2 addresses such topics as revenue recognition (fixed fees and minimum guarantees in variable fee arrangements), fee allocation in multiple films, accounting for exploitation costs, and impairment assessment. SOP 00-2 was adopted as of January 1, 2001, and USA Entertainment recorded a one-time, non-cash benefit of \$10.8 million. The benefit is reflected as a cumulative effect of an accounting change in the accompanying consolidated statement of operations.

In June 2001, the Financial Accounting Standards Board issued Statements of Financial Accounting Standards No. 141, "Business Combinations," and No. 142, "Goodwill and Other Intangible Assets," effective for fiscal years beginning after December 15, 2001. Under the new rules, goodwill and intangible assets deemed to have indefinite lives will no longer be amortized but will be subject to annual impairment tests in accordance with the Statements. Other intangible assets will continue to be amortized over their useful lives. USA Entertainment will apply the new rules on accounting for goodwill and other intangible assets beginning in the first quarter of 2002, and adoption of the statements is expected to significantly reduce amortization expense.

NOTE 3--INTANGIBLE ASSETS

Intangible assets represent goodwill which is amortized using the straight-line method over periods ranging from 3 to 40 years.

Goodwill primarily relates to various transactions, and represents the excess of purchase price over the fair value of assets acquired and is net of accumulated amortization of \$3,941.8 million and \$4,092.0 million at December 31, 2001 and 2000, respectively.

NOTE 4--INCOME TAXES

The businesses that comprise USA Entertainment are principally part of a combined group that is treated as a partnership for income tax purposes. As such, USA Entertainment is not subject to federal and state income taxation. However, USA Entertainment is subject to certain state and local taxes, including New York unincorporated business tax.

NOTE 5--COMMITMENTS AND CONTINGENCIES

USA Entertainment leases satellite transponders, computers, warehouse and office space, as well as production facilities, equipment and services used in connection with its operations under various operating leases and contracts, many of which contain escalation clauses.

USA Entertainment estimates that approximately 90% of unamortized film costs at December 31, 2001 will be amortized within the next three years.

NOTE 7--LITIGATION

In the ordinary course of business, USA Entertainment is engaged in various lawsuits. In the opinion of management, the ultimate outcome of the various lawsuits should not have a material impact on the liquidity, results of operations or financial condition of USA Entertainment.

NOTE 8--BENEFIT PLANS

USA Entertainment offers various plans pursuant to Section 401(k) of the

Edgar Filing: USA NETWORKS INC - Form PRER14A

Internal Revenue Code covering substantially all full-time employees who are not party to collective bargaining agreements. USA Entertainment's share of the matching employer contributions is set at the discretion of the Board of Directors or the applicable committee thereof. USA Entertainment funds all costs of the employee benefit plans on an annual basis.

NOTE 9--STOCK OPTION PLANS

USA has outstanding options to employees of USA Entertainment under several plans (the "Plans") which provide for the grant of options to purchase USA's common stock at not less than fair

USA ENTERTAINMENT NOTES TO UNAUDITED COMBINED FINANCIAL STATEMENTS (CONTINUED)

NOTE 9--STOCK OPTION PLANS (CONTINUED)

market value on the date of the grant. The options under the Plans vest ratably, generally over a range of three to five years from the date of grant and generally expire not more than 10 years from the date of grant.

Pro forma information regarding net income and earnings per share is required by SFAS 123. The information is determined as if USA Entertainment had accounted for its employee stock options granted subsequent to December 31, 1994 under the fair market value method. The fair value for these options was estimated at the date of grant using a Black-Scholes option pricing model with the following weighted-average assumptions for the years ended December 31, 2001, 2000 and 1999: risk-free interest rates of 5.0%; a dividend yield of zero; a volatility factor of .72, .62, and .44, respectively, based on the expected market price of USA Common Stock based on historical trends; and a weighted-average expected life of the options of five years.

The Black-Scholes option valuation model was developed for use in estimating the fair market value of traded options which have no vesting restrictions and are fully transferable. In addition, option valuation models require the input of highly subjective assumptions including the expected stock price volatility. Because USA Entertainment employee stock options have characteristics significantly different from those of traded options and because changes in the subjective input assumptions can materially affect the fair market value estimate, in management's opinion, the existing models do not necessarily provide a reliable single measure of the fair value of its employee stock options.

For purposes of pro forma disclosures, the estimated fair value of the options is amortized to expense over the options' vesting period. USA Entertainment's pro forma information follows:

	YEAR ENDED DECEMBER 31,		
	2001	2000	1999
	-----	-----	-----
	(IN THOUSANDS)		
Pro forma net income.....	\$362,660	\$323,351	\$370,174

These pro forma amounts may not be representative of future disclosures since the estimated fair value of stock options is amortized to expense over the vesting period and additional options may be granted in future years.

NOTE 11--RELATED PARTY TRANSACTIONS

As of December 31, 2001, USA Entertainment was involved in several agreements with related parties as follows:

Universal provides certain support services to USA Entertainment under a Transition Services agreement entered into in connection with the Universal Transaction. For these services, which include use of pre-production, production and post-production facilities, information technology services, physical distribution, contract administration, legal services and office space, Universal charged USA Entertainment \$9.1 million, \$8.2 million and \$12.5 million for the years ended December 31, 2001, 2000

NOTE 11--RELATED PARTY TRANSACTIONS (CONTINUED)

and 1999, respectively, of which \$5.7 million, \$4.7 million and \$8.0 million was capitalized to production costs, respectively.

Universal and USA Entertainment entered into an International Television Distribution Agreement under which USA Entertainment pays to Universal a distribution fee of 10% on all programming owned or controlled by USA Entertainment distributed outside of the United States. For the years ended December 31, 2001, 2000 and 1999, the fee totaled \$13.6 million, \$14.0 million and \$9.0 million, respectively.

In addition, USA Entertainment and Universal entered into a Domestic Television Distribution Agreement under which USA Entertainment distributes in the United States certain of Universal's television programming. For the years ended December 31, 2001, 2000 and 1999, Universal paid the company \$4.1 million, \$1.5 million and \$1.5 million, respectively.

Pursuant to the October Films/PFE Transaction, the company entered into a series of agreements on behalf of USA Films with entities owned by Universal, to provide distribution services, video fulfillment and other interim and transitional services. These agreements are described below.

Under a distribution agreement covering approximately fifty films owned by Universal, USA Films earns a distribution fee and remits the balance of revenues to a Universal entity. For the years ending December 31, 2001, 2000 and 1999, USA Films earned distribution fees of approximately \$5.7 million, \$10.7 million and \$4.5 million, respectively, from the distribution of these films. USA Films is responsible for collecting the full amount of the sale and remitting the net amount after its fee to Universal, except for amounts applied against the

Edgar Filing: USA NETWORKS INC - Form PRER14A

advance of fees initially given to Universal.

In addition, USA Films acquired home video distribution rights to a number of "specialty video" properties. Universal holds a profit participation in certain of these titles. No amounts were earned by Universal under this agreement to date.

USA Films is party to a "Videogram Fulfillment Agreement" with a Universal entity pursuant to which such entity provides certain fulfillment services for the United States and Canadian home video markets. In the years ended December 31, 2001, 2000 and 1999, USA Films incurred fees to Universal of approximately \$5.6 million, \$3.5 million and \$2.5 million, respectively, for such services.

USA Films has entered into other agreements with Universal pursuant to which Universal administers certain music publishing rights controlled by USA Films and has licensed to Universal certain foreign territorial distribution rights in specified films from which it received \$0.0 million, \$5.8 million and \$4.8 million in revenue during the years ended December 31, 2001, 2000 and 1999, respectively.

USA agreed to assume certain liabilities related to the PFE businesses acquired. In addition, USA advanced \$200.0 million to Universal pursuant to an eight year, full recourse, interest-bearing note in connection with a distribution agreement pursuant to which USA will distribute, in the United States and Canada, certain Polygram theatrical films which were not acquired in the transaction. The advance is repaid as revenues are received under the distribution agreement and, in any event, will be repaid in full at maturity. Through December 31, 2001, approximately \$180,101.1 million had been offset against the advance and \$19,365.8 million of interest had accrued.

NOTE 12--TRANSACTIONS WITH USA AND SUBSIDIARIES

Advances to and from USA and subsidiaries to fund operations are presented within net assets to be sold. Pursuant to an investment agreement, all excess cash held at USA Entertainment is transferred

97

USA ENTERTAINMENT NOTES TO UNAUDITED COMBINED FINANCIAL STATEMENTS (CONTINUED)

NOTE 12--TRANSACTIONS WITH USA AND SUBSIDIARIES (CONTINUED)

to USA no less frequently than monthly and USA Entertainment may transfer funds to USA to satisfy obligations of USA and its subsidiaries. Transfers of cash are evidenced by a demand note and accrue interest at USA Entertainment's borrowing rate under the credit facility. Certain transfers of funds between USA Entertainment and USA are not evidenced by a demand note and do not accrue interest, primarily relating to the establishment of the operations of USA Entertainment and to equity contributions. USA Entertainment has no external sources of financing, such as available lines of credit, as would be necessary to operate as a stand-alone company.

As members of a consolidated group, USA and certain of its subsidiaries routinely provide a variety of services for the benefit of USA Entertainment. The amount of the insurance and health benefit expense allocated to USA Entertainment is based upon USA's actual per capita cost rate and USA Entertainment's employee headcount. The amount of facilities cost allocated to USA Entertainment is based on actual cost expenses incurred by USA related to properties occupied by USA Entertainment Businesses. Management believes that the allocation methods applied for the transactions summarized above are reasonable in the circumstances and that such allocated expenses approximate the amounts USA Entertainment would incur as a stand-alone company. The principal

expenses allocated from USA to USA Entertainment are summarized below:

(i) (A) USAi and The Bank of New York shall execute and deliver the Warrant Agreement and (B) USAi shall issue and deliver Warrants to Universal in the amounts and with the exercise prices as set forth in Schedule 2.04; PROVIDED, that if any event shall have occurred after the close of business on November 30, 2001 (the "REFERENCE DATE") and on or prior to the Closing Date that would result in an adjustment to the number of shares purchasable upon the exercise of Warrants under Article IV of the Warrant Agreement if such Warrants had been issued on the Reference Date, USAi shall issue and deliver to Universal Warrants to purchase the number of shares set forth on Schedule 2.04 as so adjusted, with exercise prices adjusted accordingly;

Edgar Filing: USA NETWORKS INC - Form PRER14A

Agreement to the contrary notwithstanding, except as set forth on Schedule 2.05, this Agreement shall not constitute an agreement to assign any Contract or License or any claim or right or any benefit arising thereunder or resulting therefrom, or an assumption of liability thereunder, if an attempted assignment thereof, without the approval of a party thereto, would be ineffective or would constitute a breach or other contravention thereof or give rise to any right of termination thereof, as a direct result of such assignment. Each Parent Party shall use its reasonable best efforts (which shall not require any payment of money) to obtain the approval of the other parties to any such Contract or License, or any claim or right or any benefit arising thereunder, for the assignment thereof to, and the assumption by, the Partnership. If as of the Closing Date an attempted assignment and assumption thereof would be ineffective or would give rise to any right of termination thereof, each Parent Party shall cooperate in arranging a mutually agreeable alternative to enable the Partnership to obtain the benefits and assume the obligations under such Contract or License in accordance with this Agreement as of the Closing Date or as soon as practicable thereafter (including through a sub-contracting, sub-licensing, or sub-leasing arrangement, or an arrangement under which such Parent Party or one of its Affiliates would enforce such Contract or License for the benefit of the Partnership, with the Partnership assuming such Parent Party's or its Affiliate's obligations and any and all rights of such Parent Party or its Affiliate against the other party thereto). If the approval of the other party is obtained, such approval shall constitute a confirmation (automatically and without further action of the parties) that such Contract or License is assigned to the Partnership as of the Closing Date, and (automatically and without further action of the parties) that the liabilities with respect to such Contract or License are assumed by the Partnership as of the Closing Date. The agreements set forth on Schedule 2.05 will apply with respect to the USAi Contracts described therein.

SECTION 2.06. CLOSING DATE. The closing of the transactions set forth in this Article II (the "CLOSING") shall take place at the offices of Cravath, Swaine & Moore, 825 Eighth Avenue, New York, New York 10019, at 10:00 a.m. on the second Business Day following the satisfaction (or to the extent permitted, the waiver) of all the conditions to the parties' obligations set forth in Article V (other than those requiring the delivery of documents or the taking of other action at the Closing), or at such other place, time and date as the parties hereto shall agree (the "CLOSING DATE").

For any such assignment to be effective, such assignee shall have agreed, pursuant to an instrument in a form reasonably satisfactory to Universal, to be bound by the terms of Section 6.07 of the Partnership Agreement.

The Special Committee, at a meeting duly called and held at which all members of the Special Committee were present either in person or by telephone, (x) received the opinion of Bear, Stearns & Co. to the effect that the consideration to be received by USAi in the Transactions is fair, from a financial point of view, to the stockholders of USAi other than Universal, Liberty, Diller and their Affiliates, and (y) duly and unanimously (and without any abstentions) adopted resolutions (i) declaring advisable this Agreement, (ii) determining that the terms of the Transactions are fair to and in the best interests of the public stockholders of USAi, other than stockholders party to the Transactions, and (iii) recommending that the USAi Board approve this Agreement, the other Transaction Documents to which USAi is a party and the Transactions, and that the USAi Board

No consent, approval, license, permit, order or authorization (collectively, "CONSENT") of, or registration, declaration or filing with, any Federal, state, local or foreign government or any court of competent jurisdiction, regulatory or administrative agency or commission or other governmental authority or instrumentality, domestic or foreign (collectively, "GOVERNMENTAL ENTITY"), is required to be obtained or made by or with respect to either such Parent Party or any of its Affiliates in connection with the execution, delivery and performance of the Transaction Documents to which it is, or is specified to be, a party or the consummation of the Transactions, other than such Consents, registrations, declarations or filings, the failure of which to obtain or make, would not, individually or in the aggregate, have a Material Adverse Effect or those set forth on Schedule 3.03.

SECTION 3.04. CAPITALIZATION OF USAi; WARRANTS. USAi represents and warrants to Universal that as of the close of business on the Reference Date (a) the authorized capital stock of USAi consisted of (i) 1,600,000,000 shares of USAi Common Stock, of which 314,347,113 shares were then issued and outstanding and 6,379,547 shares were then held in treasury, (ii) 400,000,000 shares of Class B common stock of USAi, par value \$.01 per share ("USAi CLASS B COMMON STOCK"), of which 63,033,452 shares were then issued and outstanding and (iii) 100,000,000 shares of preferred stock of USAi, par value \$.01 per share ("USAi PREFERRED STOCK"), of which there were then no shares issued and outstanding (the issued and outstanding shares in clauses (i) and (ii) above, collectively, the "USAi SHARES"). There are not any bonds, debentures, notes or other indebtedness of any such Contributed Subsidiary having the right to vote (or

A-10

convertible into, or exchangeable for, securities having the right to vote) on any matters on which holders of capital stock or other ownership interests of such Contributed Subsidiary may vote ("VOTING SUBSIDIARY DEBT"). Except as set forth above, as of the date hereof, there are not any options, warrants, rights, convertible or exchangeable securities, "phantom" stock rights, stock appreciation rights, stock-based performance units, commitments, Contracts or undertakings of any kind to which any such Contributed Subsidiary is a party or by which any of them is bound (i) obligating such Contributed Subsidiary to issue, deliver or sell, or cause to be issued, delivered or sold, additional shares of capital stock or other ownership interests in, or any security convertible or exercisable for or exchangeable into any capital stock of or other ownership interests in, any such Contributed Subsidiary or Voting Subsidiary Debt, (ii) obligating such Contributed Subsidiary to issue, grant, extend or enter into any such option, warrant, call, right, security, commitment, Contract, arrangement or undertaking or (iii) that give any Person the right to receive any economic benefit or right similar to or derived from the economic benefits and rights occurring to holders of capital stock or other ownership interests of such Contributed Subsidiary. (b) (i) Except for ownership interests in its wholly owned subsidiaries and the ownership interests set forth on Schedule 3.05(b), as of the date hereof, no Contributed Subsidiary owns, directly or indirectly, any capital stock, membership interest, partnership interest, joint venture interest or other equity interest in any Person, other than any interest in special purpose subsidiaries formed in connection with motion picture or television production projects, and (ii) the Contributed Subsidiaries do not own (or will not own as of the Closing), directly or indirectly, any Excluded Assets and are not (or will not be) liable (after giving effect to the indemnification provisions of Article VII) in respect of any Excluded Liabilities.

SECTION 3.06. FINANCIAL STATEMENTS; NO UNDISCLOSED LIABILITIES. (a) USAi represents and warrants to Universal that

(i) the consolidated financial statements of USAi included in the documents filed by USAi with the SEC since January 1, 2000, through the date hereof (the "USAi SEC DOCUMENTS") comply as to form in all material respects with applicable accounting requirements and the published rules and regulations of the SEC with respect thereto, have been prepared in accordance with generally accepted accounting principles in the United States ("U.S. GAAP") (except, in the case of unaudited statements, as permitted by Form 10-Q of the SEC) applied on a consistent basis during the periods involved (except as may be indicated in the notes thereto) and present fairly, in all material respects, the consolidated financial position of USAi and its consolidated subsidiaries as of the dates thereof and the consolidated results of their operations and cash flows for the periods then ended (subject, in the case of unaudited statements, to normal year-end audit adjustments). Except as set forth in the USAi SEC Documents,

Edgar Filing: USA NETWORKS INC - Form PRER14A

as of the date of this Agreement, neither USAi nor any of its subsidiaries has any liabilities or obligations of any nature (whether accrued, absolute, contingent or otherwise) required by U.S. GAAP to be set forth on a consolidated balance sheet or in the notes thereto and that, individually or in the aggregate, would have a Material Adverse Effect.

(ii) USAi has delivered to Universal a copy of the unaudited interim balance sheet of USAi's Existing Business as of September 30, 2001 (the "BALANCE SHEET"). The Balance Sheet has been prepared in accordance with U.S. GAAP, from the books and records of USAi, and presents fairly, in all material respects, the financial position of USAi's Existing Business as of the date thereof, subject to normal year-end adjustments. Except as set forth in the Balance Sheet, as of the date thereof, neither USAi nor any of its subsidiaries had any liabilities or obligations of any nature (whether accrued, absolute, contingent or otherwise) arising primarily out of the conduct of USAi's Existing Business and required by U.S. GAAP to be set forth on a consolidated balance sheet or in the notes thereto and that, individually or in the aggregate, would have a Material Adverse Effect.

A-11

(b) Universal represents and warrants to USAi that the consolidated financial statements of Vivendi included in the documents filed by Vivendi with the SEC since January 1, 2000, through the date hereof (the "VIVENDI SEC DOCUMENTS") comply as to form in all material respects with applicable accounting requirements and the published rules and regulations of the SEC with respect thereto, have been prepared in accordance with generally accepted accounting principles in France ("FRENCH GAAP") applied on a consistent basis during the periods involved (except as may be indicated in the notes thereto) and present fairly, in all material respects, the consolidated financial position of Vivendi and its consolidated subsidiaries as of the dates thereof and the consolidated results of their operations and cash flows for the periods then ended (subject, in the case of unaudited statements, to normal year-end audit adjustments). Except as set forth in the Vivendi SEC Documents, as of the date of this Agreement, neither Vivendi nor any of its subsidiaries has any liabilities or obligations of any nature (whether accrued, absolute, contingent or otherwise) required by French GAAP to be set forth on a consolidated balance sheet or in the notes thereto and that, individually or in the aggregate, would have a Material Adverse Effect.

SECTION 3.07. CONTRACTS. USAi's SEC Reports complied in all material respects with the disclosure requirements of Item 601 of Regulation S-K. Except as set forth on Schedule 3.07 and except as would not have a Material Adverse Effect, all of the Material Contracts are in full force and effect and are valid and binding agreements of USAi or its Affiliates and, to the knowledge of USAi, the other parties thereto, enforceable in accordance with their terms. Except as set forth on Schedule 3.07, to the knowledge of USAi, no party is in default in any material respect under any of the Material Contracts, nor does any condition exist that with notice or the lapse of time or both would constitute such a default. Except for the need to obtain the Consents listed on Schedule 3.03 and except as would not have a Material Adverse Effect, the Transactions will not affect the validity or enforceability of any of the Material Contracts. Except as set forth on Schedule 3.07 or as would not have a Material Adverse Effect, as of the date of this Agreement, no party to any Material Contract has informed USAi or, to USAi's knowledge, its Affiliates, of its intention (x) to terminate such Material Contract or amend the material terms thereof, (y) to refuse to renew such Material Contract upon expiration of its term, or (z) to renew such Material Contract upon expiration only on terms and conditions that are more onerous to its Existing Business, as the case may be, than those now existing.

SECTION 3.08. CONTRIBUTED ASSETS. (a) Such Parent Party owns, directly or indirectly, and has good and valid title to all such Parent Party's Contributed

Edgar Filing: USA NETWORKS INC - Form PRER14A

Assets, free and clear of all Liens, except Permitted Liens.

(b) Neither such Parent Party nor any of its Affiliates owns (or will own as of the Closing) any asset, property or right, tangible or intangible, that is primarily used in the business or operations of its Existing Business, other than, in each case, such assets, properties and rights that are being Contributed to the Partnership in accordance with this Agreement. Such Parent Party's Contributed Assets are sufficient for the conduct of its business by the Partnership immediately following the Closing in substantially the same manner as currently conducted by such Parent Party.

SECTION 3.09. REAL PROPERTY. No fee estates are included in the Material Real Property. Except as set forth on Schedule 3.09, USAi or an Affiliate thereof has good title to all the Material Real Property, free and clear of all Liens or other restrictions on the Material Real Property, except for Permitted Liens. Except for that portion of the Material Real Property subject to leases where USAi is lessor or sublessor and except as would not have a Material Adverse Effect, USAi is in possession of, and has full legal and practical access to, the Material Real Property. As of the date hereof there are no pending or, to the knowledge of USAi, threatened condemnation or appropriation proceedings against any of the Material Real Property, except as would not have a Material Adverse Effect. With respect to each leasehold or subleasehold interest included in the Material Real Property, USAi or its Affiliate has enforceable rights to nondisturbance and quiet enjoyment, and no third party holds any

A-12

interest in the leased premises with the right to foreclose upon such leasehold or subleasehold interest, except as would not have a Material Adverse Effect.

SECTION 3.10. INTANGIBLE PROPERTY. Except (i) as set forth on Schedule 3.10 or (ii) as has arisen in the ordinary course of business consistent with past practice and without material diminution of the value thereof, to the knowledge of USAi, no other person has any claim of ownership or right of use with respect to its Intangible Property. The use of such Intangible Property by USAi's Existing Business does not, and the use by the Partnership immediately after the Closing will not, conflict with, infringe upon, violate, or interfere with or constitute an appropriation of any right, title, interest, or goodwill, including any intellectual property right, patent, trademark, trade name, service mark, brand name, computer program, database, industrial design, copyright, or any pending application therefor of any other Person (except for such conflicts, infringements, violations or appropriations as would not have a Material Adverse Effect), and, to the knowledge of USAi, there have been no claims made, and USAi's Existing Business has not received any written notice, that any such item of Intangible Property is invalid or conflicts with the asserted rights of any Person (other than such invalidity or conflicts as would not have a Material Adverse Effect).

SECTION 3.11. LICENSES. Each material License of USAi's Existing Business has been validly issued and is in full force and effect, and USAi, or an Affiliate thereof, is the authorized legal holder thereof and has complied in all material respects with all the terms and conditions thereof. SECTION 3.18. TAX MATTERS. (a) All material Returns required to be filed by such Parent Party for taxable periods ending on or prior to the Closing Date by, or with respect to, its Existing Business have been or will be filed in accordance with all applicable laws, and all Taxes due have been or will be paid, except where the failure to so file or so pay would not reasonably be expected to have, in the aggregate, a Material Adverse Effect.

A-14

(b) USAi represents and warrants that, except as set forth on Schedule 3.18(b), each entity to be Contributed to the Partnership by USAi or USANi Sub pursuant to this Agreement and Section 3.01 of the Partnership Agreement will be treated as a pass-through entity for U.S. federal income tax purposes at the time of contribution.

Edgar Filing: USA NETWORKS INC - Form PRER14A

defined in Section 3(2) of ERISA (an "USAi PENSION PLAN"), that is subject to Title IV of ERISA or Section 412 of the Code, and no USAi Benefit Arrangement provides post-retirement welfare benefits, except as required by law. Neither USAi nor any of its Affiliates has incurred or expects to incur any liability or lien under Title IV of ERISA or Section 412 of the Code, which liability or lien would be reasonably expected to have a Material Adverse Effect.

(d) Except as set forth on Schedule 3.19(d), none of USAi, any of its Affiliates, or any of its ERISA Affiliates has incurred, or expects to incur solely as a result of the consummation of the Transactions (including any termination of employment in connection therewith), any cost, fee, expense, liability, claim, suit, obligation, or other damage with respect to any USAi Pension Plan, or any USAi Benefit Arrangement that could give rise to the imposition of any liability, cost, fee, expense, or obligation on the Partnership or any of its Affiliates, which would be reasonably expected to have a Material Adverse Effect, and, to USAi's knowledge, no facts or circumstances exist that could give rise to any such cost, fee, expense, liability, claim, suit, obligation, or other damage, which would be reasonably expected to have a Material Adverse Effect. Except as set forth on Schedule 3.19(d), neither the execution and delivery of this Agreement nor the consummation of the Transactions (including any terminations of employment in connection therewith) will (i) increase any benefits otherwise payable under any USAi Benefit Arrangement, which would be reasonably expected to have a Material Adverse Effect or (ii) result in the acceleration of the time of payment or vesting of any such payment, which would be reasonably expected to have a Material Adverse Effect.

(e) USAi will deliver or make available to Universal within ten business days hereafter true and complete copies of each of the following documents:

(i) each USAi Benefit Arrangement (and, if applicable, related trust agreements) and all amendments thereto, and (if applicable) each summary plan description together with any summary of material modifications;

Edgar Filing: USA NETWORKS INC - Form PRER14A

to solicit cards from employees to authorize a union to request a National Labor Relations Board Certification election with respect to any USAi Business Employees.

(g) Except where any such failure would not be reasonably expected to have a Material Adverse Effect, all USAi Benefit Arrangements (i) comply in all material respects with Applicable Law, including but not limited to ERISA and the Code, and (ii) have been administered in all material respects in accordance with their terms, and all required contributions have been made to such USAi Benefit Arrangements. Except as set forth on Schedule 3.19(g), all USAi Pension Plans that are intended to be qualified under Section 401(a) of the Code have received a favorable determination letter from the Internal Revenue Service, and USAi has no knowledge of any events that would cause such letter to be revoked.

(b) Except as set forth in Schedule 4.01 or otherwise expressly permitted by the terms of this Agreement or any ancillary agreements that may be entered into in connection with the Transactions, USAi shall not, and shall not permit any of its Affiliates to:

(i) adopt or amend any USAi Benefit Arrangement (or any plan or arrangement that would be an USAi Benefit Arrangement if adopted) relating primarily to its Existing Business or enter into, adopt, extend (beyond the Closing Date), renew or amend any collective bargaining agreement or other Contract relating to its Existing Business with any labor organization, union or association, except in each case, in the ordinary course of business and consistent with past practice or as required by Applicable Law; or

give the other Parent Party and its authorized representatives reasonable access to the offices, properties, books and records of it relating to its

A-17

Existing Business during normal business hours and upon reasonable prior notice, (ii) shall furnish to such other Parent Party and its authorized representatives such financial and operating data and other information relating to such Existing Business as such other Parent Party may reasonably request and (iii) shall instruct its employees and representatives to cooperate with such other Parent Party in its investigation of such Existing Business, all for the purpose of enabling such other Parent Party and its authorized representatives to conduct, at their own expense, business and financial reviews, investigations and studies of such Existing Business. No investigation pursuant to this Section 4.02 shall affect or otherwise obviate or diminish any representations or warranties of any Parent Party or conditions to the obligations of any Parent Party.

SECTION 4.03. CONFIDENTIALITY. Each Parent Party acknowledges that the information being provided to it in connection with the consummation of the Transactions, as well as the information relating to its Existing Business that will be Contributed to the Partnership as of the Closing Date, is intended to be kept confidential, and each Parent Party shall keep confidential, and cause its Affiliates and instruct its and their officers, directors, employees and advisors to keep confidential, all such information, except as required by law or administrative process and except for information that is currently available to the public, or thereafter becomes available to the public other than as a result of a breach of this Section 4.03. The covenant set forth in this Section 4.03 shall terminate five years after the date of this Agreement.

SECTION 4.04. REASONABLE BEST EFFORTS. (a) On the terms and subject to the conditions of this Agreement, each Parent Party and its Affiliates shall use its reasonable best efforts to cause the Closing to occur as soon as practicable after the date hereof (but subject to the satisfaction of the conditions set forth in Article V), including taking all reasonable actions necessary to comply promptly with all legal requirements that may be imposed on it or any of its Affiliates with respect to the Closing.

(b) Subject to Section 2.05, prior to the Closing each Parent Party (at its own expense) shall use its reasonable best efforts to obtain, and shall cause its Affiliates to cooperate in obtaining, all consents and approvals from third parties necessary or appropriate to permit the contributions contemplated by Section 2.03 and the consummation by such Parent Party and its Affiliates of the Transactions.

(c) Following the date hereof, each Parent Party shall file promptly any forms required under applicable law and take any other action reasonably necessary in connection with obtaining the expiration or termination of the waiting periods under the Hart-Scott-Rodino Antitrust Improvements Act of 1976, as amended, to the extent applicable to the Transactions.

SECTION 4.05. EXPENSES; TRANSFER TAXES. (a) Whether or not the Closing takes place, and except as set forth in Section 6.02(b) or in Article VII, all costs and expenses incurred in connection with the preparation of the Transaction Documents and the consummation of the Transactions shall be paid by the party incurring such costs and expenses, including all costs and expenses incurred pursuant to Section 4.04.

(b) Any liabilities, obligations or commitments for transfer, documentary, sales, use, registration, value-added and other similar Taxes, governmental fees or other like assessments or charges of any kind whatsoever and related amounts (including any penalties, interest and additions thereto) (each, a "TRANSFER

Edgar Filing: USA NETWORKS INC - Form PRER14A

A-18

one another in providing any information and documentation that may be necessary to obtain such exemptions.

SECTION 4.06. DISTRIBUTION AGREEMENTS. (a) On the earlier to occur of (i) the Closing Date and (ii) the date on which this Agreement is terminated in accordance with Section 6.01, the Distribution Agreements shall terminate (and each Parent Party shall take all efforts necessary to effectuate the foregoing), and the parties thereto shall have no further obligations or liabilities thereunder (including under the provisions of each such agreement relating to (x) distribution obligations after termination or (y) rights of first negotiation and last refusal after termination), except with respect to services rendered prior to the date of such termination.

(b) On the Closing Date, the Ancillary Distribution Agreements shall terminate (and each Parent Party shall take all efforts necessary to effectuate the foregoing), and the parties thereto shall have no further obligations or liabilities thereunder, except with respect to services rendered prior to the date of such termination.

(c) Each Parent Party agrees, on behalf of itself and its Affiliates, that for a reasonable period of time and not less than one year following the termination of the Distribution Agreements, it or its Affiliates will make available to the other Parent Party and its Affiliates (for the domestic and international distribution of television programming produced by such Parent Party or its Affiliates), any excess capacity, under existing output agreements or otherwise, with respect to the domestic and international distribution of television programming that such Parent Party and its Affiliates are unable to use for their own programming. In connection with the termination of the agreements set forth in Section 4.06(a), Universal and USAi shall cooperate and act in good faith (i) to continue to provide television distribution, including access to output agreements, for a period of one-year following the termination date under Section 4.06(a) on terms and conditions (not including with respect to exclusivity, non-compete and the like) consistent with past practice, and (ii) to provide for the orderly wind down of any in-process commitments or obligations so as not to unreasonably disrupt the Existing Businesses.

SECTION 4.07. PUBLICITY. From the date hereof through the Closing Date, no public release or announcement concerning the Transactions shall be issued by any party or any of its Affiliates without the prior consent of the other parties (which consent shall not be unreasonably withheld), except as such release or announcement may be required by law or the rules or regulations of any United States or foreign securities exchange or commission (in which case the party required to make the release or announcement shall allow the other parties reasonable time to comment on such release or announcement in advance of such issuance); PROVIDED, HOWEVER, that a party may make internal announcements to its and its Affiliates' employees that are consistent with the parties' prior public disclosures regarding the Transactions.

Edgar Filing: USA NETWORKS INC - Form PRER14A

SECTION 4.08. FURTHER ASSURANCES. (a) From time to time prior to and after the Closing, as and when reasonably requested by another party, each party shall execute and deliver, or cause to be executed and delivered, all such documents and instruments and shall take, or cause to be taken, all such further or other actions (subject to Section 4.04), as such other party may reasonably deem necessary or desirable to consummate the Transactions.

(b) Universal and its Affiliates and Liberty and its Affiliates shall use their respective reasonable best efforts (subject to the terms of the Universal/Liberty Merger Agreement) to cause the conditions to closing set forth in Sections 6.01, 6.02 and 6.03 of the Universal/Liberty Merger Agreement to be satisfied as promptly as practicable. Universal and its Affiliates shall not, without USAi's written consent, terminate the Universal/Liberty Merger Agreement (other than pursuant to Section 7.01(a)(iv) thereof) or amend the Universal/Liberty Merger Agreement in any manner that would (i) delay the consummation of the Transactions in any material respect, or (ii) increase the consideration payable to Liberty and/or its Affiliates thereunder, other than in connection with any amendments entered into pursuant to Section 5.01(d) of the Universal/Liberty Merger Agreement.

A-19

(c) In the event that at any time or from time to time after the Closing, any Parent Party (or its Affiliates) shall receive or otherwise possess any Contributed Asset that was not assigned or otherwise transferred to the Partnership at the Closing, such Parent Party shall promptly use its reasonable best efforts to transfer, or cause to be transferred, such asset to the Partnership. Prior to any such transfer, the Parent Party (or its Affiliates) possessing such asset shall hold such asset (and all earnings generated by such asset from and after the Closing) in trust for the Partnership.

SECTION 4.09. BOARD RECOMMENDATION. Neither the USAi Board nor any committee thereof shall withdraw or modify in a manner adverse to Universal, or propose to withdraw or modify, in a manner adverse to Universal, the approval or recommendation by the USAi Board or any such committee of this Agreement, the other Transaction Documents to which USAi is a party or the Transactions. Notwithstanding the foregoing, if, prior to the USAi Stockholder Approvals, (a) a majority of the Special Committee determines in good faith, following receipt of the advice of outside counsel, that it is necessary to do so in order to comply with its fiduciary obligations, the Special Committee may withdraw or modify its recommendation of this Agreement, the other Transaction Documents to which USAi is a party and the Transactions, and (b) a majority of the USAi Board determines in good faith, following receipt of the advice of outside counsel, that it is necessary to do so in order to comply with its fiduciary obligations, the USAi Board may withdraw or modify its recommendation to USAi's stockholders of this Agreement, the other Transaction Documents to which USAi is a party and the Transactions; PROVIDED that neither the Special Committee nor the USAi Board may take any action that would result in USAi's stockholders no longer being legally capable under the DGCL of approving or authorizing this Agreement or the Transactions.

SECTION 4.10. PREPARATION OF PROXY STATEMENT; STOCKHOLDERS MEETING. (a) As soon as practicable after execution of this Agreement, USAi shall prepare and file with the SEC a preliminary Proxy Statement, in form and substance reasonably satisfactory to Universal, and shall use its reasonable best efforts to respond, after consultation with Universal, as promptly as practicable to any comments of the SEC with respect thereto. USAi shall notify Universal promptly of the receipt of any comments from the SEC or its staff and of any request by the SEC or its staff for amendments or supplements to the Proxy Statement or for additional information. USAi shall supply Universal with copies of all correspondence between it or its representatives, on the one hand, and the SEC or its staff, on the other hand, with respect to the Proxy Statement. Universal

Edgar Filing: USA NETWORKS INC - Form PRER14A

shall cooperate with USAi in providing any information or responses to comments, or other assistance, reasonably requested in connection with the foregoing. If at any time prior to receipt of the USAi Stockholder Approvals there shall occur any event that should be set forth in an amendment or supplement to the Proxy Statement, USAi shall promptly prepare and mail to its stockholders such an amendment or supplement. USAi shall use its reasonable best efforts to cause the Proxy Statement to be mailed to its stockholders as promptly as practicable after filing with the SEC. The Proxy Statement shall comply in all material respects with all applicable requirements of law. None of the information supplied or to be supplied by Vivendi, USAi or their respective Affiliates for inclusion or incorporation by reference in the proxy statement will contain any untrue statement of material fact or omit to state any material fact required to be stated therein or necessary in order to make the statements therein not misleading.

(b) USAi shall duly call, give notice of, convene and hold a meeting of its stockholders (the "USAi STOCKHOLDERS MEETING") for the purpose of seeking the USAi Stockholder Approvals as soon as practicable after the filing of the definitive Proxy Statement. USAi shall, through the USAi Board, recommend to its stockholders that they give the USAi Stockholder Approvals, except to the extent that the USAi Board shall have withdrawn or modified its recommendation to USAi's stockholders of this Agreement and the Transactions as permitted by Section 4.09. USAi agrees that its obligations pursuant to this Section 4.10 shall not be affected by the withdrawal or modification by the USAi Board or any committee thereof of such Board's or such committee's recommendation to USAi's stockholders of this Agreement or the Transactions.

A-20

(c) Subject to clause (b) of this Section 4.10, each Parent Party shall use its reasonable best efforts to take, or cause to be taken, all actions, and to do, or cause to be done, and to assist and cooperate with the other Parent Party in doing, all things necessary, proper or advisable to obtain the USAi Stockholder Approvals.

(d) At any meeting of the stockholders of USAi called to seek the USAi Stockholder Approvals or in any other circumstances upon which a vote, consent or other approval (including by written consent) with respect to this Agreement or the Transactions is sought, such Parent Party or Diller, as applicable, shall vote (or cause to be voted) any USAi Common Stock over which such Parent Party or Diller, as applicable, has the power to vote in favor of granting the USAi Stockholder Approvals.

SECTION 4.11. COMMERCIAL ARRANGEMENTS. (a) Each Parent Party shall enter into (or cause its Affiliates to enter into) a series of strategic and commercial alliances with one another covering the transactional and internet businesses of such Parent Party and its Affiliates on the Closing Date; PROVIDED, that if such alliances are not entered into on or prior to the Closing Date, the obligations under this provision shall continue after the Closing Date. The commitment to enter into such agreements is an integral part of the Transactions and the Parent Parties and their respective Affiliates shall negotiate in good faith the terms thereof, which shall be mutually beneficial and on mutually satisfactory terms and designed to treat each Parent Party and its Affiliates as a "preferred partner" of the other.

(b) The Parent Parties shall negotiate in good faith to enter into an agreement on the Closing Date pursuant to which the Partnership will provide affiliate distribution of the Home Shopping Network, America's Store and other transactional services (such as a travel network) on an arm's-length basis; PROVIDED, that if such agreement is not entered into on or prior to the Closing Date, the obligations to provide such affiliate distribution shall continue after the Closing Date.

Edgar Filing: USA NETWORKS INC - Form PRER14A

(c) The Parent Parties agree to the arrangements set forth on Schedule 4.11(c).

(d) The failure to enter into any of the agreements set forth in this Section 4.11 prior to the Closing Date will not constitute a failure of the condition set forth in Section 5.02(b).

SECTION 4.12. TAX MATTERS. (a) The Parent Parties intend that the Partnership be treated as a partnership for United States federal income tax purposes and agree to take no actions inconsistent with such treatment. The Parent Parties agree, except as otherwise required pursuant to a final determination within the meaning of Section 1313(a)(1) of the Code, to treat the transactions contemplated by Section 2.02 as a distribution by USANi to Universal and/or its Affiliates governed by Section 731 of the Code and the transactions contemplated by Sections 2.03 as a contribution of property to the Partnership governed by Section 721(a) of the Code and a distribution by the Partnership to USANi Sub, in each case that will not result in recognition of gain or loss by any Parent Party or any of their respective Affiliates under any provision of the Code or the Treasury Regulations thereunder.

(b) To the extent any entity to be Contributed to the Partnership by Universal pursuant to this Agreement and Section 3.01 of the Partnership Agreement is treated as other than a pass-through entity for U.S. federal income tax purposes, Universal shall take all reasonable actions necessary to cause such entity (or its successor) to be treated as a pass-through entity for U.S. federal income tax purposes (a "CONVERSION"), provided that Universal has determined in good faith that (i) neither Universal nor any of its Affiliates shall suffer a material tax detriment or any other material cost as a result of such Conversion and (ii) such Conversion is not prohibited by applicable contract or law.

(c) Subject to Universal delivering to USAi a schedule setting forth Universal's (or any of its Affiliate's) adjusted tax basis in any assets that were contributed to USANi or any of its subsidiaries by Universal (or any of its Affiliates) in a transaction in which USANi or any of its subsidiaries took a transferred basis, USAi will deliver to Universal no later than 30 days prior to the Closing Date a

A-21

schedule setting forth to USAi's best knowledge USANi Sub's tax basis, immediately after the Effective Time, in its interest in the Partnership.

(d) No later than 30 days prior to the Closing Date, USAi shall deliver to Universal a schedule setting forth, to the best knowledge of USAi, the adjusted tax basis of USAi or USANi Sub, as the case may be, in each of the assets to be contributed by USAi or USANi Sub, as the case may be, to the Partnership.

SECTION 4.13. AGREEMENT NOT TO COMPETE. (a) USAi understands that the Partnership shall be entitled to protect and preserve the going concern value of USAi's Existing Business to the extent permitted by law and that Universal would not have entered into this Agreement absent the provisions of this Section 4.13 and, therefore, for a period from the Closing Date until the date that is the later of (1) 18 months after the Closing Date and (2) six calendar months after the date upon which Diller ceases to be the CEO of the Partnership, USAi shall not, and shall cause each of its controlled Affiliates not to, directly or indirectly:

(i) engage in the Business or acquire any interest in any Person engaged in the Business; and

Edgar Filing: USA NETWORKS INC - Form PRER14A

(ii) (A) solicit, recruit or hire any employees of any Existing Business or the Partnership or Persons who have worked for any Existing Business or the Partnership, in each case other than employees who perform solely clerical functions for such Persons, (B) solicit or encourage any employee of any Existing Business or the Partnership to leave the employment of any Existing Business or the Partnership, in each case other than employees who perform solely clerical functions for such Persons, and (C) disclose or furnish to anyone any confidential information relating to its Existing Business or the Partnership or otherwise use such confidential information for its own benefit or the benefit of any other Person; PROVIDED that the non-solicitation provisions of clauses (A) and (B) shall be deemed not breached by any advertisement or general solicitation that is not specifically targeted at the employees or Persons referred to therein;

PROVIDED, FURTHER, that if at any time after 18 months after the Closing Date (x) Diller shall cease to be the CEO or an officer of USAi or any of its Affiliates but shall still be the CEO of the Partnership, or (y) Diller resigns as CEO of the Partnership for Good Reason or is terminated without Cause (each, as defined in the Partnership Agreement), then the restrictions set forth in this Section 4.13(a) shall cease to apply. Notwithstanding the foregoing, USAi agrees that it shall not restructure, reorganize or take any other action in an effort to circumvent the terms or intent of this Section 4.13(a).

(b) Section 4.13(a) shall be deemed not breached as a result of the ownership by USAi or any of its Affiliates of: (i) interests in the Partnership, (ii) less than an aggregate of 5% of any class of stock of a Person engaged, directly or indirectly, in the Business; PROVIDED, HOWEVER, that such stock is listed on a national securities exchange, (iii) Vivendi ordinary shares as the result of the exercise of a put or a call under Section 10.03 of the Partnership Agreement, (iv) less than 10% in value of any instrument of indebtedness of a Person engaged, directly or indirectly, in the Business, and (v) the whole or any part of an acquired Person or business which carries on the Business, where less than 30% of such Person's revenues are generated by the Business, and USAi or its Affiliates will dispose of such Business within six months of its acquisition, PROVIDED that such disposition may be delayed pending receipt of required regulatory approvals.

(c) USAi agrees that this covenant is reasonable with respect to its duration and scope. If, at the time of enforcement of this Section 4.13, a court holds that the restrictions stated herein are unreasonable under the circumstances then existing, the parties hereto agree that the period and scope legally permissible under such circumstances will be substituted for the period and scope stated herein.

SECTION 4.14. USAi PARTNERSHIP INTERESTS. USAi covenants and agrees that at all times its interests in the Partnership shall be held directly by USAi or by a wholly owned direct or indirect subsidiary of USAi, PROVIDED, HOWEVER, that this covenant shall not be deemed to be breached solely as a

A-22

result of the fact that Home Shopping Network, Inc. is not a wholly owned subsidiary of USAi, so long as Liberty and USAi remain the only shareholders of Home Shopping Network, Inc. and Liberty's ownership percentage of Home Shopping Network, Inc. does not increase materially.

SECTION 4.15. OFFICERS OF THE PARTNERSHIP. Universal shall cause Diller to be appointed as the CEO and Chairman of the Partnership, as contemplated by the Partnership Agreement.

SECTION 4.16. PARTNERSHIP AGREEMENT OBLIGATIONS. Vivendi shall comply with the terms of Section 10.03 of the Partnership Agreement and Universal shall

Edgar Filing: USA NETWORKS INC - Form PRER14A

comply with the terms of Sections 8.07 and 10.03 of the Partnership Agreement, in each case, as if it were a party to such agreement. Vivendi shall cause the general partner of the Partnership to perform all of its obligations as the general partner under the Partnership Agreement.

SECTION 4.17. COMMITTED LLC SHARES; COMMITTED COMMON EQUITY. (a) Between the date hereof and the Closing, Universal shall not, and shall not permit any of its Affiliates to, sell, transfer, pledge, encumber, assign or otherwise dispose of, or enter into any contract, option or other arrangement or understanding with respect to the sale, transfer, pledge, encumbrance, assignment or other disposition of, the Committed LLC Shares. Any transfer of Committed LLC Shares not permitted hereby shall be null and void.

(b) Following the Closing and until such time that the obligations in Section 8.07 of the Partnership Agreement are satisfied, Universal and its Affiliates shall at all times retain at least 43,181,308 shares of USAi Common Stock and 13,430,000 shares of USAi Class B Common Stock (as adjusted for stock splits and the like, together, the "COMMITTED COMMON EQUITY"), in each case, free of any Liens, except Permitted Liens. To the extent that some, but not all, of the Committed Common Equity is required to satisfy Universal's obligations under the Partnership Agreement, Universal and its Affiliates shall satisfy such obligations, first out of USAi Class B Common Stock, and second out of USAi Common Stock.

SECTION 4.18. PARTNERSHIP. (a) Universal shall ensure that the Partnership, when formed, is formed as a Delaware limited liability limited partnership, is formed for the purpose of engaging in the Transactions and for the other purposes set forth in the Partnership Agreement, and, following its formation through to the Closing, does not engage in any business activities or incur any liabilities, other than as specifically contemplated by the Transactions.

(b) Universal shall from time to time, directly or indirectly, contribute sufficient equity to the Partnership to ensure the Partnership is able to perform all of its obligations under Sections 8.01, 8.02 and 8.06 of the Partnership Agreement.

SECTION 4.19. SUBSTITUTE LETTERS OF CREDIT; GUARANTEES. As promptly as practicable following the date hereof, USAi shall provide to Universal a list of letters of credit, guarantees and any similar obligations of USAi and its Affiliates (other than the Contributed Subsidiaries) primarily related to USAi's Existing Business and not constituting Excluded Liabilities. Effective as of the Closing, Universal shall cause the Partnership or one of its Affiliates to procure substitute letters of credit, and shall cause the Partnership or one of its Affiliates to be substituted in all respects for any of USAi or its Affiliates (other than the Contributed Subsidiaries) with respect to any such matters.

SECTION 4.20. USANi TAX DISTRIBUTION. A distribution (as calculated pursuant to Section 8.2 of the USANi LLC Agreement) shall be made by USANi to each Liberty Party that holds an interest in USANi prior to the exchanges of USANi Shares for Shares of USAi Common Stock contemplated by Section 2.01 of the Universal/Liberty Merger Agreement (the "TAX DISTRIBUTION"), and the proceeds of such Tax Distribution shall be distributed by such Liberty Party to its shareholder, immediately prior to any Merger involving such Liberty Party. The amount of such Tax Distribution shall be calculated in the good faith judgment of USANi based on facts known as of the date of such Tax Distribution and such Tax Distribution shall be made with respect to any taxable period (or portion thereof) of USANi (up to

Edgar Filing: USA NETWORKS INC - Form PRER14A

and including the Closing Date) and such determination shall be final and binding upon the parties. For purposes of this Section 4.20, "Liberty Party" and "Merger" shall have the meanings assigned to such terms by the Universal/Liberty Merger Agreement.

SECTION 4.21. LEASE ARRANGEMENT. For a reasonable transition period of up to two years following the Closing (but in no event later than the date that executives of USAi's Existing Business as of the date hereof cease to occupy such premises), the Partnership shall be entitled to occupy the premises located at 8800 Sunset Boulevard, West Hollywood, California, on a rent-free basis.

SECTION 4.22. USA NAME. The Parent Parties acknowledge that the USA Name shall be Contributed to the Partnership as of the Closing Date. Prior to the Closing the Parent Parties shall negotiate in good faith to determine how the ownership of the various logos and designs currently associated with the USA Name ("ASSOCIATED IP") shall be allocated, it being understood that (A) USAi shall be granted a perpetual, non-exclusive royalty-free license to use the USA Name in connection with its other businesses and (B) whichever Parent Party is allocated ownership of a particular piece of Associated IP will grant to the other Parent Party the right to use such Associated IP consistently with current practice and without any significant economic cost to the grantee. The Parent Parties shall work cooperatively to provide for an orderly transition and to minimize confusion resulting from the use of the USA Name by the Partnership and USAi.

SECTION 4.23. OPTIONS AND RESTRICTED STOCK. Vivendi shall use its reasonable best efforts to ensure that each USAi Business Employee, who holds stock options to acquire USAi Common Stock, whether vested or unvested, in-the-money or underwater (the "USAi OPTIONS") and/or USAi restricted Common Stock awards (the "USAi RESTRICTED STOCK", collectively with the USAi Options, the "USAi EQUITY AWARDS"), shall be awarded, as of the Closing Date (or, if the date of forfeiture of the USAi Option is 90 days or more following the Closing Date, as soon as reasonably practicable following the applicable forfeiture date), subject to the forfeiture of any USAi Equity Award, stock options, restricted stock or other equity-based compensation in respect of Vivendi American Depositary Shares representing Vivendi ordinary shares par value E5.50 per share (the "ADSs") that have a "value" that is at least equal to the "value" of the forfeited USAi Equity Awards (the "VIVENDI REPLACEMENT AWARDS"). The Vivendi Replacement Awards shall at a minimum (a) preserve the intrinsic value (I.E., the "SPREAD") of the USAi Options that are in-the-money (relative to the fair market value of the ADSs underlying the Vivendi Replacement Awards) and the fair market value of the USAi Restricted Stock and (b) with respect to USAi Options that are underwater, have an exercise price such that the Vivendi Replacement Awards are not underwater by a greater percentage of fair market value than the underwater USAi Options, in all cases measured as of the date of grant of the Vivendi Replacement Awards. USAi represents that the maximum number of shares of USAi Restricted Stock held by USAi Business Employees that will be required to be replaced with Vivendi Replacement Awards is 57,500 shares of USAi Common Stock.

ARTICLE V

CONDITIONS PRECEDENT

SECTION 5.01. CONDITIONS TO EACH PARTY'S OBLIGATION. The obligation of each party to consummate the Transactions is subject to the satisfaction on the Closing Date of the following conditions, any one or more of which conditions of each party may be waived by such party to the extent permitted by law:

(a) Other than such Consents, registrations, declarations or filings the failure of which to obtain would not have a Material Adverse Effect, all Consents of, or registrations, declarations or filings with, or expirations of

Edgar Filing: USA NETWORKS INC - Form PRER14A

waiting periods imposed by, any Governmental Entity necessary for the consummation of the Transactions shall have been obtained or filed or shall have occurred.

A-24

(b) No Applicable Law or Judgment enacted, entered, promulgated, enforced or issued by any Governmental Entity or other legal restraint or prohibition preventing the consummation of the Transactions shall be in effect.

(c) USAi shall have received the USAi Stockholder Approvals at the USAi Stockholder Meeting.

(d) The other parties shall have furnished such other documents relating to the corporate existence and the authority to consummate the Transactions of such other parties and their respective Affiliates, and such other matters as counsel to such party may reasonably request.

(e) The Transaction Documents shall have been executed and delivered by each other party thereto, and the USAi Share Exchanges and the Mergers (each as defined in the Universal/Liberty Merger Agreement) shall have been consummated; PROVIDED, that USAi and Universal shall not be entitled to waive the satisfaction of the foregoing condition without the prior written approval of Liberty.

SECTION 5.02. ADDITIONAL CONDITIONS TO OBLIGATION OF EACH PARENT PARTY. The obligation of each Parent Party to consummate the Transactions is further subject to the satisfaction on the Closing Date of the following conditions, any one or more of which conditions of such Parent Party may be waived by such party to the extent permitted by law:

(a) Except to the extent that the failure of such representations and warranties to be true and correct, in the aggregate, would not (after giving effect to the operation of Section 2.05) have a Material Adverse Effect: the representations and warranties of the other Parent Party made in this Agreement, without regard to any materiality or Material Adverse Effect qualification, shall be true and correct as of the date hereof and, in the case of the representations and warranties set forth in Sections 3.01, 3.02, 3.03 (only with respect to the Organizational Documents of such Parent Party), 3.05, 3.08 and 3.15, as of the Effective Time, except to the extent such representations and warranties expressly relate to an earlier date (in which case such representations and warranties shall be true and correct as of such earlier date), and such Parent Party shall have received a certificate signed by an executive officer of the other Parent Party to such effect.

(b) The other Parent Party and its Affiliates shall have performed or complied in all material respects with all obligations and covenants required by this Agreement to be performed or complied with by such other Parent Party or such Affiliates by the Effective Time, and such Parent Party shall have received a certificate signed by an authorized officer of such other Parent Party to such effect.

SECTION 5.03. FRUSTRATION OF CLOSING CONDITIONS. No Parent Party may rely on the failure of any condition set forth in this Article V to be satisfied if such failure was caused by (i) the action or willful inaction of such party or its Affiliates, (ii) the failure of any representation or warranty of such party qualified as to materiality to be true and correct or, those not so qualified to be true and correct in all material respects, or (iii) failure to use its reasonable best efforts to cause the Closing to occur as required by Section 4.04.

ARTICLE VI

TERMINATION

SECTION 6.01. TERMINATION. (a) Notwithstanding anything to the contrary in this Agreement, this Agreement may be terminated and the other Transactions abandoned at any time prior to the Effective Time, whether before or after the USAi Stockholder Approvals are obtained:

(i) by mutual written consent of the parties hereto;

(ii) by either Parent Party if, upon a vote at a duly held USAi Stockholder Meeting or any adjournment thereof, the USAi Stockholder Approvals shall not have been obtained;

A-25

(iii) by either Parent Party if any of the conditions to such Parent Party's obligations set forth in Article V shall have become incapable of fulfillment, and shall not have been waived by such Parent Party;

(iv) by Universal if the USAi Board or any committee thereof shall have withdrawn or modified its approval or recommendation of this Agreement or the Transactions; or

(v) by any party hereto, if the Closing does not occur on or prior to September 30, 2002;

PROVIDED, HOWEVER, that the party seeking termination pursuant to clause (ii), (iii) or (v) is not in breach of any of its representations, warranties, covenants or agreements contained in this Agreement in any material respect.

(b) In the event of termination by a party pursuant to this Section 6.01, written notice thereof shall forthwith be given to the other parties, and the Transactions shall be terminated without further action by any party. If this Agreement is terminated as provided herein, each party shall return all documents and other material received from any other party relating to the Transactions, whether so obtained before or after the execution hereof.

SECTION 6.02. EFFECT OF TERMINATION. (a) If this Agreement is terminated and the Transactions are abandoned as described in Section 6.01, this Agreement shall become null and void and of no further force and effect, except for the provisions of (i) Section 3.16 relating to broker's and finder's fees, (ii) Section 4.03 relating to the obligation of the Parent Parties to keep confidential certain information and data obtained by it from the other parties, (iii) Section 4.05 relating to certain expenses, (iv) Section 4.07 relating to publicity, and (v) Section 6.01 and this Section 6.02 relating to termination. Nothing in this Section 6.02 shall be deemed to release any party from any liability for any breach by such party of the terms and provisions of this Agreement.

(b) If this Agreement is terminated pursuant to Section 6.01(a)(iv), then USAi shall promptly reimburse Universal and its Affiliates for all of their documented, out of pocket expenses incurred in connection with this Agreement and the other Transaction Documents, up to a limit of \$15,000,000. Such reimbursement shall be paid upon demand following such termination.

ARTICLE VII

officers, directors, shareholders, employees, representatives, agents or trustees and (y) the Partnership and its Affiliates and their respective officers, directors, partners, employees, representatives, agents or trustees (clauses (x) and (y) together, the "USAi INDEMNIFIED PARTIES"), from and against any Losses (other than any Losses relating to Taxes, the indemnification of which is governed solely by Section 7.02), as incurred (payable promptly upon written request), to the extent arising from, relating to or otherwise in respect of:

(i) any breach of any representation or warranty of Universal or its Affiliates contained in any Transaction Document or any certificate delivered on behalf of Universal pursuant to Section 5.02(a) (in each case, without regard to any materiality or Material Adverse Effect qualifier contained therein);

(ii) any failure by Universal or its Affiliates (including for purposes of this Section 7.01(a)(ii), the Partnership) to perform or fulfill any of its covenants or agreements contained in any Transaction Document (other than Sections 8.01, 8.02 and 8.06 of the Partnership Agreement);

A-26

(iii) any fees, expenses or other payments incurred or owed by Universal or its Affiliates to any brokers, financial advisors or comparable other persons retained or employed by it in connection with the Transactions;

(iv) any Excluded Liability of Universal or its Affiliates; and

(v) any dissolution or winding up of the Partnership or Bankruptcy (as defined in the Partnership Agreement) of the general partner of the Partnership, in each case at any time while the Preferred Interests (as defined in the Partnership Agreement) are outstanding;

but only (with respect to items described in Section 7.01(a)(i)) to the extent the aggregate amount of all such Losses of all such USAi Indemnified Parties exceed \$150 million (the "BASKET"), PROVIDED, HOWEVER, that the Basket shall not apply to the representations contained in Section 3.18.

(b) USAi shall indemnify and hold harmless (x) Universal and its Affiliates and their respective officers, directors, shareholders, employees, representatives, agents or trustees and (y) the Partnership and its Affiliates and their respective officers, directors, partners, employees, representatives, agents or trustees (clauses (x) and (y) together, the "UNIVERSAL INDEMNIFIED PARTIES"), from and against any Losses (other than any Losses relating to Taxes, the indemnification of which is governed solely by Section 7.02), as incurred (payable promptly upon written request), to the extent arising from, relating to or otherwise in respect of:

(i) any breach of any representation or warranty of USAi or its Affiliates contained in any Transaction Document or any certificate delivered on behalf of USAi pursuant to Section 5.02(a) (in each case, without regard to any materiality or Material Adverse Effect qualifier contained therein);

(ii) any failure by USAi or its Affiliates to perform or fulfill any of its covenants or agreements contained in any Transaction Document;

(iii) any fees, expenses or other payments incurred or owed by USAi or its Affiliates to any brokers, financial advisors or comparable other persons retained or employed by it in connection with the Transactions; and

(iv) any Excluded Liability of USAi or its Affiliates;

Edgar Filing: USA NETWORKS INC - Form PRER14A

but only (with respect to items described in Section 7.01(b)(i)) to the extent the aggregate amount of all such Losses of all such Universal Indemnified Parties exceed the Basket, PROVIDED, HOWEVER, that the Basket shall not apply to the representation contained in Section 3.18.

SECTION 7.02. TAX INDEMNIFICATION BY EACH PARENT PARTY. (a) Vivendi shall be liable for, and shall indemnify and hold harmless USAi, the Partnership and their respective Affiliates from and against, the following Taxes:

(i) any and all Taxes with respect to its Existing Business and any Taxes attributable to its ownership of USANi Shares, in each case for any taxable period ending (or deemed pursuant to Section 7.02(c) to end) on or before the Closing Date; and

(ii) any several liability under Treasury Regulation Section 1.1502-6 or under any comparable or similar provision under state, local or foreign laws or regulations for periods ending on or prior to the Closing Date.

(b) In addition, Vivendi shall be liable for, and shall indemnify and hold harmless USAi and its Affiliates from and against any Tax Detriment incurred by USAi or any of its Affiliates solely as a result of (i) the breach by Universal or any of its Affiliates of any of the covenants set forth in Sections 2.07, 3.01(c), 5.05(a)(i), 5.05(a)(v) or 5.05(a)(vi) of the Partnership Agreement or (ii) if Vivendi has

A-27

elected that any covenant set forth in Section 5.05(b) of the Partnership Agreement shall not apply, any action or inaction that would constitute a breach of such covenant.

(c) USAi shall be liable for, and shall indemnify and hold harmless Universal, the Partnership and their respective Affiliates from and against, the following Taxes:

(i) any and all Taxes with respect to its Existing Business (other than Taxes attributable to the ownership of USANi Shares by Universal or any of its Affiliates) for any taxable period beginning on or after February 13, 1998 (in the case of Taxes relating to USA Cable, Studios USA or their respective subsidiaries) and May 29, 1999 (in the case of Taxes relating to USA Films or its subsidiaries) and ending (or deemed pursuant to Section 7.02(c) to end) on or before the Closing Date; and

(ii) any several liability under Treasury Regulation Section 1.1502-6 or under any comparable or similar provision under state, local or foreign laws or regulations for periods beginning on or after February 13, 1998 (in the case of Taxes relating to USA Cable, Studios USA or their respective subsidiaries) and May 29, 1999 (in the case of Taxes relating to USA Films or its subsidiaries) and ending on or prior to the Closing Date.

(d) In addition, USAi shall be liable for, and shall indemnify and hold harmless Universal and its Affiliates from and against any Tax Detriment incurred by Universal or any of its Affiliates solely as a result of the breach by USAi or any of its Affiliates of any covenant set forth in Section 2.07 or 3.01(c) of the Partnership Agreement.

(e) (i) The Parent Parties agree that if any entity transferred to the Partnership is permitted but not required under applicable foreign, state or local Income Tax laws to treat the day before the Closing Date or the Closing Date as the last day of a taxable period, such day shall be treated as the last day of a taxable period.

(ii) For purposes hereof, in the case of any Taxes that are imposed on a periodic basis and are payable for a period that begins before the Closing Date and ends after the Closing Date, the portion of such Tax that shall be deemed to be payable for the portion of the period ending on the Closing Date shall (i) in the case of any Taxes, other than Taxes based upon or related to income or receipts, be deemed to be the amount of such Taxes for the entire period (or, in the case of such Taxes determined on an arrears basis, the amount of such Taxes for the immediately preceding period), whether actually paid before, during, or after such period, multiplied by a fraction the numerator of which is the number of calendar days in the period ending on (and including) the Closing Date and the denominator of which is the number of calendar days in the entire period, and (ii) in the case of any Taxes based upon or related to income or receipts (including but not limited to withholding Taxes), be deemed equal to the amount which would be payable if the taxable year ended on the close of business on the Closing Date. Any credits for such a period shall be prorated, based upon the fraction employed in clause (i) of the preceding sentence. Such clause (i) shall be applied with respect to Taxes for such period relating to capital (including net worth or long-term debt) or intangibles by reference to the level of such items on the Closing Date. Principles similar to those of this Section 7.02(c)(ii) shall be applied in determining whether a Tax is for a taxable period beginning on or after February 13, 1998 or May 29, 1999, as applicable.

SECTION 7.03. REFUNDS. (a) Universal and its Affiliates shall be entitled to any refunds or credits of Taxes attributable to or arising in taxable periods ending (or deemed pursuant to Section 7.02(c) to end) on or before the Closing Date with respect to its Existing Business or its ownership of the USANi Shares, as the case may be.

(b) USAi and its Affiliates shall be entitled to any refunds or credits of Taxes attributable to or arising in taxable periods ending (or deemed pursuant to Section 7.02(c) to end) on or before the

A-28

Closing Date with respect to its Existing Business (other than with respect to the USANi Shares owned by Universal or any of its Affiliates).

SECTION 7.04. CALCULATION OF LOSSES. The amount of any Loss, Tax, or Tax Detriment for which indemnification is provided under this Article VII shall be net of any amounts actually recovered by the indemnified party (as defined in Section 7.06(a)) under insurance policies or indemnities from third parties with respect to such Loss, Tax, or Tax Detriment and shall be (i) increased to take account of any net Tax cost incurred by the indemnified party arising from the receipt of indemnity payments hereunder (grossed up for such increase) and (ii) reduced to take account of any net Tax benefit realized by the indemnified party arising from the incurrence or payment of any such Loss, Tax or Tax Detriment. In computing the amount of any such Tax cost or Tax benefit, the indemnified party shall be deemed to fully utilize, at the highest marginal Tax rate then in effect, all Tax items arising from the receipt of any indemnity payment hereunder or the incurrence or payment of any indemnified Loss, Tax or Tax Detriment.

SECTION 7.05. TERMINATION OF INDEMNIFICATION. The obligations to indemnify and hold harmless any party (i) pursuant to Section 7.01(a)(i) or 7.01(b)(i), as the case may be, shall terminate when the applicable representation or warranty terminates pursuant to Section 7.07, (ii) pursuant to Section 7.02, shall terminate when the applicable statute of limitations expires (giving effect to any waiver, mitigation or extension thereof) and (iii) pursuant to the other clauses of Sections 7.01, shall not terminate; PROVIDED, HOWEVER, that such

Edgar Filing: USA NETWORKS INC - Form PRER14A

obligations to indemnify and hold harmless shall not terminate with respect to any item as to which the Person to be indemnified shall have, before the expiration of the applicable period, previously made a claim by delivering a notice of such claim (stating in reasonable detail the basis of such claim) pursuant to Section 7.06 to the party to be providing the indemnification.

SECTION 7.06. PROCEDURES; EXCLUSIVITY. (a) In order for a party (the "INDEMNIFIED PARTY") to be entitled to any indemnification provided for under this Agreement in respect of, arising out of or involving a claim made by any Person against the indemnified party (a "THIRD PARTY CLAIM"), such indemnified party must notify the indemnifying party in writing (and in reasonable detail) of the Third Party Claim promptly following receipt by such indemnified party of written notice of the Third Party Claim; PROVIDED, HOWEVER, that failure to give such notification shall not affect the indemnification provided hereunder except to the extent the indemnifying party shall have been actually prejudiced as a result of such failure. Thereafter, the indemnified party shall deliver to the indemnifying party, promptly after the indemnified party's receipt thereof, copies of all notices and documents (including court papers) received by the indemnified party relating to the Third Party Claim.

(b) If a Third Party Claim is made against an indemnified party, the indemnifying party shall be entitled to participate in the defense thereof and, if it so chooses, to assume the defense thereof with counsel selected by the indemnifying party; PROVIDED, HOWEVER, that such counsel is not reasonably objected to by the indemnified party. Should the indemnifying party so elect to assume the defense of a Third Party Claim, the indemnifying party shall not be liable to the indemnified party for any legal expenses incurred from and after the date of such assumption by the indemnified party in connection with the defense thereof. If the indemnifying party assumes such defense, the indemnified party shall have the right to participate in the defense thereof and to employ counsel, at its own expense, separate from the counsel employed by the indemnifying party, it being understood that the indemnifying party shall control such defense. The indemnifying party shall be liable for the fees and expenses of counsel employed by the indemnified party for any period during which the indemnifying party has not assumed the defense thereof. If the indemnifying party chooses to defend or prosecute a Third Party Claim, all the indemnified parties shall cooperate in the defense or prosecution thereof. Such cooperation shall include the retention and (upon the indemnifying party's request and at its expense) the provision to the indemnifying party of records and information which are reasonably relevant to such Third Party Claim, and making employees available on a mutually convenient basis to provide additional information and explanation of any material provided hereunder. Whether or not the indemnifying

A-29

party assumes the defense of a Third Party Claim, the indemnified party shall not admit any liability with respect to, or settle, compromise or discharge, such Third Party Claim without the indemnifying party's prior written consent (which consent shall not be unreasonably withheld). If the indemnifying party assumes the defense of a Third Party Claim, the indemnified party shall agree to any settlement, compromise or discharge of a Third Party Claim that the indemnifying party may recommend and that by its terms obligates the indemnifying party to pay the full amount of the liability in connection with such Third Party Claim (or, in the case of any Third Party Claim with respect to Taxes, as to which the indemnifying party acknowledges in writing its obligation to make payment in full), that releases the indemnified party completely in connection with such Third Party Claim (or, in the case of any Third Party Claim with respect to Taxes, as to which the indemnifying party acknowledges in writing its obligation to make payment in full) and that would not otherwise materially and adversely affect the indemnified party. Notwithstanding the foregoing, the indemnifying party shall not be entitled to assume the defense of

Edgar Filing: USA NETWORKS INC - Form PRER14A

any Third Party Claim (and shall be liable for the reasonable fees and expenses of counsel incurred by the indemnified party in defending such Third Party Claim) if the Third Party Claim seeks an order, injunction or other equitable relief or relief for other than money damages against the indemnified party that the indemnified party reasonably determines, after conferring with its outside counsel, cannot be separated from any related claim for money damages.

(c) In the event any indemnified party should have a claim against any indemnifying party under this Article VII that does not involve a Third Party Claim being asserted against or sought to be collected from such indemnified party, the indemnified party shall deliver notice of such claim with reasonable promptness to the indemnifying party. So long as the indemnified party provides notification to the indemnifying party prior to the termination of the obligation to indemnify as set forth in Section 7.05, the failure by any indemnified party so to notify the indemnifying party shall not relieve the indemnifying party from any liability that it may have to such indemnified party under this Article VII, except to the extent that the indemnifying party demonstrates that it has been actually prejudiced by such failure. The indemnifying party and the indemnified party shall proceed in good faith to negotiate a resolution of any dispute with respect to such a claim and, if not resolved through negotiations, such dispute shall be resolved by litigation in an appropriate court of competent jurisdiction.

(d) After the Closing, Section 7.01 shall constitute the exclusive remedy for any misrepresentation or breach of warranty contained in this Agreement.

SECTION 7.07. SURVIVAL. The representations, warranties, covenants and agreements contained in the Transaction Documents or in any certificates delivered pursuant to Section 5.02(a) shall survive the Closing and shall terminate on March 31, 2003, except for those contained in Section 3.18, which shall survive until the expiration of the applicable statute of limitations (giving effect to any waiver, mitigation or extensions thereof). Notwithstanding the foregoing, those covenants or agreements that contemplate or may involve actions to be taken or obligations in effect after the Closing shall survive in accordance with their terms.

ARTICLE VIII

MISCELLANEOUS

SECTION 8.01. APPROVAL OF TRANSACTIONS. (c) Subject to Section 5.05(a)(i), the Preferred Interests shall be the most senior preferred equity interests in the Partnership. The Preferred Interests shall have no Participation Percentage, and shall not be entitled to participate in distributions made pursuant to Section 8.01(b).

SECTION 5.03. PIK ACCRETION. (a) The Face Value of the Class A Preferred Interests shall accrete at a rate of 5.0% per annum and (b) the Face Value of the Class B Preferred Interests shall accrete at a rate of 1.4% per annum, in each case beginning on the Closing Date, and the Face Value of each such Preferred Interest shall increase accordingly on the last day of each calendar quarter.

SECTION 5.04. CONSENT RIGHT. The consent of the Partners who hold the majority of the aggregate amount of a class of Preferred Interests, determined based on the Face Value thereof, voting as a separate class, shall be required for any amendment, alteration or repeal of the provisions of this Agreement (including by merger, consolidation or otherwise) that would have an adverse effect on the rights of such class or that would be materially adverse to the rights of such Partners under this Agreement.

SECTION 5.05. NEGATIVE COVENANTS. (a) For so long as the Class A Preferred Interests are outstanding, the Partnership shall not, and shall not permit any subsidiary of the Partnership, without the prior consent of the Partners holding the Class A Preferred Interests to:

(ii) issue any other preferred equity interests in the Partnership redeemable or exchangeable for or convertible into any equity security of the Partnership or any subsidiary thereof (other than Common Interests), or issue any security that is exchangeable for or convertible into cash, cash equivalents or any such preferred equity interest described in this clause (ii);

(iii) Transfer any assets other than in the ordinary course of business of the Partnership unless, (x) at least 50% of the net proceeds of such sale, transfer or disposition are retained or otherwise redeployed by the Partnership or its subsidiaries and (y) at the time of such Transfer the Partnership has a Consolidated Tangible Net Worth of at least \$4,000,000,000;

(vi) liquidate, dissolve or wind up the Partnership; or

(vii) become an "investment company" as defined in the Investment Company Act of 1940, as amended.

The covenants set forth in this Section 5.05(a), other than those set forth in clause (i), (v), (vi) and (vii) shall not be applicable at a particular time, if at such time the Partnership shall have posted an irrevocable letter of credit in a form that is reasonably acceptable to the Partner holding the Class A

Preferred Interests in favor of such Partner (1) in an amount equal to the expected Face Value of the Class A Preferred Interests at maturity and (2) with an expiration date falling no earlier than the maturity date of the Class A Preferred Interests.

(b) Unless Vivendi shall have made the election described in Section 7.02(b)(ii) of the Transaction Agreement, for a period of 15 years following the Effective Time, or if a shorter period is set forth in this Section 5.05(b), then for such shorter period, without the consent of USAi, the Partnership shall not:

(i) sell or otherwise dispose of all or any part of the assets set forth on Schedule 5.05(b) other than in the ordinary course of business and other than sales or other dispositions of assets the fair market values of which, as of the Effective Time, do not, individually or in the aggregate, exceed \$5,000,000;

(ii) notwithstanding anything in Sections 8.04 and 13.03 to the contrary, for a period of seven years following the Effective Time, distribute any assets in kind to USAi or USANi Sub, or distribute any of the assets set forth on Schedule 5.05(b);

(iii) pay (whether voluntarily or involuntarily) all or any part of the principal amount of the Partnership Debt prior to the maturity of such debt (without giving effect to any acceleration thereof) (PROVIDED, HOWEVER, that beginning 2 years after the Effective Time, the Partnership may, from time to time, pay a part of the principal amount of the Partnership Debt; PROVIDED that no such payment shall be permitted to the extent such payment would exceed USAi Sub's tax basis in its interest in the Partnership);

(iv) for a period of two years following the Effective Time, make any distributions to USAi or USANi Sub other than distributions permitted under Section 8.01(a) or Section 8.02 or which constitute operating cash flow distributions within the meaning of Treasury Regulation Section 1.707-4(b) (unless the facts and circumstances would clearly establish that any such distribution is part of a sale);

(v) change the organizational structure with respect to any Person set forth on Schedule 5.05(b), including, for the avoidance of doubt, taking any action or failing to take any action which action or inaction would cause USAi Cable or Studios USAi (each as defined in the Transaction Agreement) to be treated as other than a partnership for U.S. federal income tax purposes;

(vi) cause or permit any Partner or any Person related to a Partner (within the meaning of Treasury Regulation Section 1.752-4(b)) to bear the

"economic risk of loss" (within the meaning of Treasury Regulation Section 1.752-2(b)) with respect to the Partnership Debt; or

(vii) take any action, or fail to take any action, which action or inaction would cause the Partnership to cease to be qualified as a limited liability limited partnership under and pursuant to the Delaware Act and DRUPA (including any failure to make the annual filings provided under Section 17-214(a)(1) of the Delaware Act and Section 15-1003 of DRUPA).

SECTION 5.07. NO OTHER CONSENT RIGHTS. Except as provided in Sections 5.04 and 5.05, holders of Preferred Interests shall have no voting, approval or consent rights, including with respect to any merger, conversion or consolidation of the Partnership.

ARTICLE VI

COMMON INTERESTS

SECTION 6.01. GENERAL. (a) As of the Effective Time, the participation percentage (the "PARTICIPATION PERCENTAGE") of each Partner's Common Interest shall be as set forth below:

PARTNER -----	PARTICIPATION PERCENTAGE -----
Universal Sub.....	93.06%
USAi.....	0.54%
USANi Sub.....	4.90%
Diller.....	1.50%

(b) Such initial Participation Percentages shall be subject to adjustment as provided in this Article VI. The aggregate outstanding Participation Percentages at all times shall equal 100%, and Participation Percentages shall be adjusted from time to time, PRO RATA, as necessary to maintain the foregoing.

SECTION 6.02. ISSUANCES OF COMMON INTERESTS AFTER THE CLOSING DATE. (a) After the Closing Date the Partnership, at the discretion of the Board (or, if no Board shall then be constituted, the General Partner), may issue additional Common Interests in return for additional Capital Contributions.

(b) In connection with the issuance of a Common Interest after the Closing Date, the Board shall designate the Participation Percentage associated with such issuance and any other material terms thereof. Upon such issuance, the Participation Percentages of all Common Interests outstanding immediately before such issuance shall be reduced in the aggregate by an amount equal to the Participation Percentage so designated, in proportion to their relative Participation Percentages immediately before such issuance.

SECTION 6.03. PREEMPTIVE RIGHTS. (a) For so long as USAi and its Affiliates shall have an aggregate Participation Percentage of greater than 1% (or at least 1% in the event that USAi and its Affiliates shall have an aggregate Participation Percentage of no less than 1% due to any reason other than a failure by USAi to exercise its right under this Section 6.03), in connection with any issuance of additional Common Interests by the Partnership to Universal Sub or an Affiliate thereof under Section 6.02(a) prior to the exercise of an USAi Put or an USAi Call, USAi (or USANi Sub) shall have the right to purchase, at the same time, on the same terms and at the same purchase

Edgar Filing: USA NETWORKS INC - Form PRER14A

price per Participation Percentage point (or in the event Common Interests are being issued in exchange for property, an amount of cash equal to the fair market value of the property being contributed), an amount of Common Interests (x) equal to a portion of the Common Interests being issued by the Partnership that is in proportion to the relative Participation Percentages of USAi and its Affiliates and Universal Sub and its Affiliates, in each case immediately prior to the issuance giving rise to USAi's rights under this Section 6.03, or (y) such that, after giving effect to such issuance, USAi and its Affiliates would have an aggregate Participation Percentage equal to 1%.

(b) In connection with any issuance of additional Common Interests by the Partnership to Universal Sub or an Affiliate thereof under Section 6.02(a) after the exercise of an USAi Put or an USAi Call, if USAi and its Affiliates shall have an aggregate Participation Percentage of at least 1%, USAi (or USANi Sub) shall have the right to purchase, at the same time, on the same terms of such issuance and at the same price per Participation Percentage point (or in the event Common Interests are being issued in exchange for property, an amount of cash equal to the fair market value of the property being contributed), an amount of Common Interests such that, after giving effect to such issuance, USAi and its Affiliates would have an aggregate Participation Percentage equal to 1%.

B-16

(c) The Partnership shall deliver written notice to USAi of any proposed issuance of Common Interests by the Partnership to Universal Sub and its Affiliates, including the applicable purchase price, the amount offered, the proposed closing date, the place and time for the issuance thereof (which shall be no less than 20 days from the date of such notice) and any other material terms and conditions of the issuance. Within 15 days from the date of receipt of such notice, USAi shall deliver written notice to the Partnership if it intends to exercise its right under Section 6.03(a) or (b). Upon exercising such right, USAi shall be entitled and obligated to purchase the amount of Common Interests determined in accordance with Section 6.03(a) on the terms and conditions of such issuance, and Universal Sub shall be entitled and obligated to purchase the remaining amount of Common Interests in such issuance. Thereafter, the Participation Percentages of all the Partners shall be adjusted in accordance with Section 6.02(a).

SECTION 6.04. OTHER ISSUANCES OF COMMON INTERESTS. (a) For so long as USAi and its Affiliates shall have an aggregate Participation Percentage of at least 1%, in the event that any issuance under Section 6.02(a) to a Person other than Universal Sub or an Affiliate thereof would result in USAi and its Affiliates having an aggregate Participation Percentage of less than 1%, USAi (or USANi Sub) shall have the right to purchase, on the same terms of such issuance and at the same price per Participation Percentage point (or in the event Common Interests are being issued in exchange for property, an amount of cash equal to the fair market value of the property being contributed), an amount of Common Interests such that, after giving effect to such issuance to such Person and to USAi, USAi and its Affiliates would have an aggregate Participation Percentage equal to 1%.

(b) The Partnership shall deliver written notice to USAi of such proposed issuance, including the applicable purchase price, the amount offered, the proposed closing date, the place and time for the issuance thereof (which shall be no less than 20 days from the date of such notice) and any other material terms and conditions of the issuance. Within 15 days from the date of receipt of such notice, USAi shall deliver written notice to the Partnership if it intends to exercise its right under Section 6.04(a). Upon exercising such right, USAi shall be entitled and obligated to purchase the amount of Common Interests determined in accordance with Section 6.04(a) on the terms and conditions of such issuance and the third party shall be entitled and obligated to purchase the remaining amount of Common Interests in such issuance. Thereafter, the

Participation Percentages of all the Partners shall be adjusted in accordance with Section 6.02(a).

SECTION 6.05. CONTRIBUTION OF ASSETS OR CAPITAL STOCK BY UNIVERSAL SUB. In connection with an acquisition by Universal Sub or an Affiliate thereof of equity securities or assets of one or more third parties engaged in the Business or any related business in which Universal Sub or its Affiliate issued shares of capital stock or paid cash or other consideration to such third party, Universal Sub or its Affiliate may, in its sole discretion and upon the approval of the Board (or, if no Board shall then be constituted, the General Partner), either (i) contribute such acquired equity securities or assets to the Partnership in return for cash or, to the extent permitted under Section 5.05, a promissory note with a principal amount equal to the aggregate value (determined as set forth below) of the consideration paid by Universal Sub or its Affiliate for such equity securities or assets or (ii) contribute such acquired equity securities or assets to the Partnership in return for Common Interests in the Partnership in accordance with Section 6.02(a), subject to the provisions of Section 6.03. The "purchase price" for any such Common Interests shall be deemed to be (i) in the case of a contribution of equity securities or assets to the Partnership on or prior to the first anniversary of the acquisition by Universal Sub or an Affiliate of such equity securities or assets, the value of the consideration paid by Universal Sub or its Affiliate for such equity securities or assets, which consideration shall be valued at the same time it was valued under the terms of the agreement with the applicable third party, and (ii) in the case of a contribution of equity securities or assets to the Partnership following the first anniversary of the acquisition by Universal Sub or an Affiliate of such equity securities or assets, the fair market value of such contributed equity securities or assets.

B-17

SECTION 6.06. CONSENT RIGHT. Except for the General Partner, no holder of Common Interests shall have any voting, approval or consent rights, including with respect to any merger, conversion or consolidation of the Partnership; PROVIDED, HOWEVER, that (i) at all times a Partner holding Common Interests shall have the right to consent to any amendment, alteration or repeal of this Agreement that would have an adverse effect on the rights of such Partner hereunder and (ii) for so long as an USAi Put or an USAi Call has not been exercised and USAi has not exercised its rights under Section 6.03(a)(y), the consent of USAi shall be required prior to: (x) the entering into, terminating, modifying or extending of any agreement, transaction or relationship between the Partnership and any Affiliate of Vivendi that is not on an arm's-length basis, and (y) the making of distributions in respect of, redeeming, repurchasing or otherwise acquiring any Common Interests of Universal Sub or any of its Affiliates, other than PRO RATA distributions, redemptions, repurchases and acquisitions.

SECTION 6.07. ASSIGNEES OF DILLER COMMON INTERESTS. Any holder of a beneficial interest in Common Interests that shall have received such interest as an assignee of Diller pursuant to Section 2.07 of the Transaction Agreement hereby irrevocably appoints Diller (or his executor, administrator or trustee, as the case may be) as its or his designated representative for all purposes under this Agreement and agrees (except to the extent otherwise provided in Section 4.02) that (a) any action taken or waived by, or binding upon, Diller (or his executor, administrator or trustee, as the case may be) with respect to Diller's Common Interests (including the provisions set forth in Section 10.03) shall be deemed taken or waived by, and binding upon, such assignee with respect to such assignee's beneficial interest in Diller's Common Interests, (b) such assignee shall have no right to deal directly with the Partnership or its Partners and the Partnership and its Partners shall deal solely with Diller in respect of all matters relating to such assignee's interest in the Partnership, as if such assignment had never occurred, including in respect of the provision

Edgar Filing: USA NETWORKS INC - Form PRER14A

of information, the giving of notices and the payment of money, (c) such assignee shall have no right to attend Partnership meetings, (d) all rights of a holder of Common Interests under this Agreement or otherwise in connection with the Partnership shall be exercisable only by Diller (or his executor, administrator or trustee, as the case may be) and (e) such assignee shall in all respects be subject to the same terms under this Agreement (other than Section 9.04) as Diller is subject to hereunder. The General Partner shall treat any holder of a beneficial interest in Common Interests who received such interest as an assignee of Diller pursuant to Section 2.07 of the Transaction Agreement as a Partner in the Partnership for income tax purposes with an interest in the Partnership corresponding to such beneficial interest.

ARTICLE VII

CAPITAL ACCOUNTS, ALLOCATIONS OF PROFIT AND LOSS AND TAX MATTERS

SECTION 7.01. CAPITAL ACCOUNTS. (a) The Partnership shall establish a separate capital account (a "CAPITAL ACCOUNT") in respect of each Common Interest and Preferred Interest held by each Partner on the books of the Partnership. The Capital Account of a Partner shall be increased by (i) the amount of money contributed by that Partner to the Partnership, (ii) the fair market value of property contributed by that Partner to the Partnership (net of liabilities related to such contributed property that the Partnership is considered to assume or take subject to under Section 752 of the Code) and (iii) allocations to that Partner pursuant to Section 7.02 of profit, income and gain (or items thereof). The Capital Account of a Partner shall be decreased by (i) the amount of money distributed to that Partner by the Partnership, (ii) the fair market value of property distributed to that Partner by the Partnership (net of liabilities related to such distributed property that such Partner is considered to assume or take subject to under Section 752 of the Code) and (iii) allocations to that Partner pursuant to Section 7.02 of loss, expense and deduction (or items thereof).

(b) In the event that a Partner Transfers its Interest in accordance with the provisions of this Agreement, the Transferee of such Interest shall succeed to the Capital Account of the Transferor attributable to such Interest.

B-18

(c) Upon the occurrence of any event specified in Treasury Regulation Section 1.704-1(b)(2)(iv)(f), the Capital Accounts of the Partners shall be adjusted to reflect the fair market value of the Partnership's property at such time and in such manner as provided in such Regulation.

(d) No Partner shall be entitled to withdraw capital or receive distributions except as specifically provided herein. No Partner shall have any obligation to the Partnership, to any other Partner or to any creditor of the Partnership to restore any negative balance in the Capital Account of such Partner.

(e) The foregoing provisions and the other provisions of this Agreement relating to the maintenance of Capital Accounts are intended to comply with the Treasury Regulations promulgated under Section 704(b) of the Code and shall be interpreted and applied in a manner consistent with such Treasury Regulations.

SECTION 7.02. ALLOCATIONS OF NET INCOME AND NET LOSS. (a) GENERAL.

(i) Except as otherwise provided in this Section 7.02, Net Income shall be allocated to the extent thereof:

(A) FIRST, if any Net Loss has been allocated to the holders of

Edgar Filing: USA NETWORKS INC - Form PRER14A

Preferred Interests under Section 7.02 (a) (ii) (B), to the holders of Preferred Interests PRO RATA in proportion to the amount of Net Loss so allocated until the aggregate Net Income allocated under this paragraph (A) shall equal the aggregate amount of such Net Loss;

(B) SECOND, to the holders of Preferred Interests PRO RATA until the aggregate amount allocated under this paragraph (B) equals a return of 5% per annum on the Face Value of their Preferred Interests;

(C) THIRD, if any Net Loss has been allocated to the holders of Common Interests under Section 7.02(a) (ii) (A) or (C), to the holders of Common Interests PRO RATA in proportion to the amount of Net Loss so allocated until the aggregate Net Income allocated under this paragraph (C) shall equal the aggregate amount of such Net Loss; and

(D) FOURTH, to the Partners in accordance with their Participation Percentages.

(ii) Net Loss shall be allocated to the extent thereof:

(A) FIRST, to the holders of Common Interests PRO RATA to the extent of their respective Capital Accounts;

(B) SECOND, to the holders of Preferred Interests PRO RATA to the extent of their respective Capital Accounts; and

(C) THIRD, to the Partners in accordance with their Participation Percentages.

(b) MINIMUM GAIN CHARGE BACK. The Partnership shall allocate items of profit among the Partners at such times and in such amounts as necessary to satisfy the minimum gain charge back requirements of Treasury Regulation Sections 1.704-2(f) and 1.704-2(i) (4).

(c) ALLOCATION OF DEDUCTIONS ATTRIBUTABLE TO PARTNER NONRECOURSE LIABILITIES. Any nonrecourse deductions attributable to a "partner nonrecourse liability" (as defined in Treasury Regulation Section 1.704-2(b) (4)) shall be allocated among the Partners that bear the economic risk of loss for such Partner's nonrecourse liability under Treasury Regulation Section 1.752-2 in accordance with the ratios in which such Partners share such economic risk of loss and in a manner consistent with the requirements of Treasury Regulation Sections 1.704-2(c), 1.704-2(i) (2) and 1.704-2(j) (1).

(d) QUALIFIED INCOME OFFSET. The Partnership shall specially allocate items of profit and loss when and to the extent required to satisfy the "qualified income offset" requirement within the meaning of Treasury Regulation Section 1.704-1(b) (2) (ii) (d).

B-19

(e) CURATIVE ALLOCATIONS. The allocations set forth in Sections 7.02 (b), (c) and (d) (the "REGULATORY ALLOCATIONS") are intended to comply with certain requirements of the Treasury Regulations. It is the intent of the Partners that, to the extent possible, the Partnership shall make such special allocations of Partnership income, gain, loss or deduction so that, after such allocations are made, each Partner's Capital Account balance is, to the greatest extent possible, equal to the Capital Account balance such Partner would have had if the Regulatory Allocations were not part of the Agreement and all Partnership items were allocated pursuant to Section 7.02(a) and (f) hereof.

(f) ALLOCATIONS IN LIQUIDATION AND UPON MATURITY OF CLASS A PREFERRED INTERESTS. Upon a dissolution of the Partnership in accordance with Article

Edgar Filing: USA NETWORKS INC - Form PRER14A

XIII, the Net Income or Net Loss (or items of profit, income, gain, loss, deduction and expense) of the Partnership shall be allocated to the Partners so that the balance in each Partner's Capital Account as of the date of dissolution shall equal the amount distributable to such Partner pursuant to Section 13.02. In the case of any distribution made at the maturity of a Class A Preferred Interest in accordance with Section 8.06, Net Income or Net Loss (or items of profit, income, gain, loss, deduction and expense) for the taxable period of the Partnership in which such distribution is made shall be allocated so that the Capital Account of each holder of such Class A Preferred Interest shall, as of the date of distribution, equal the amount to be distributed to such holder pursuant to Section 8.06.

SECTION 7.03. ALLOCATIONS OF NET INCOME AND NET LOSS FOR FEDERAL INCOME TAX PURPOSES. Except as provided in the following sentence, profit, income, gain, loss, deduction and expense as determined for Federal income tax purposes shall be allocated among the Partners in the same proportions as the corresponding items of "book" profit, income, gain, loss, deduction and expense are allocated among such Partners pursuant to Section 7.02. Notwithstanding the foregoing sentence, Federal income tax items relating to any Section 704(c) Property shall be allocated among the Partners in accordance with Section 704(c) of the Code and Treasury Regulation Section 1.704-3(c) to take into account the difference between the fair market value and the tax basis of such Section 704(c) Property as of the date of its contribution to the Partnership or its revaluation pursuant to Section 7.01(c) using the "traditional method" as described in Treasury Regulation Section 1.704-3(b). Items described in this Section 7.03 shall neither be credited nor charged to the Partners' Capital Accounts.

SECTION 7.04. ALLOCATION OF THE PARTNERSHIP DEBT. The Partners acknowledge that, for purposes of Section 752 of the Code and in accordance with Treasury Regulation 1.752-3(a)(3), and consistent with allocations of other significant items of Partnership income or gain, 100% of the Partnership Debt shall be allocated PRO RATA among the Partners holding the Preferred Interests.

SECTION 7.05. ELECTIONS. Except as otherwise expressly provided herein, all elections required or permitted to be made by the Partnership under the Code or other applicable tax law (including any election under Section 754 of the Code), and all material decisions with respect to the calculation of its taxable income or tax loss for tax purposes under the Code or other applicable tax law, shall be made in such manner as may be determined by the General Partner.

SECTION 7.06. FISCAL YEAR. The fiscal year of the Partnership for tax and accounting purposes ("FISCAL YEAR") shall be the 12-month (or shorter) period ending on December 31 of each year, unless otherwise determined by the Board.

SECTION 7.07. WITHHOLDING REQUIREMENTS. Notwithstanding any provision herein to the contrary, the General Partner is authorized to take any and all actions that are necessary or appropriate to ensure that the Partnership satisfies any and all withholding and tax payment obligations under Section 1441, 1445, 1446 or any other provision of the Code or other applicable law. Without limiting the generality of the foregoing, the General Partner may withhold any amount that it determines is required to be withheld from amounts otherwise distributable to any Partner pursuant to this Agreement; PROVIDED, HOWEVER, that such amount shall be deemed to have been distributed to such Partner for purposes of applying this Agreement. Each Partner will timely provide any certification or

B-20

file any agreement that is required by any taxing authority in order to avoid any withholding obligation that would otherwise be imposed on the Partnership.

SECTION 7.08. TAX MATTERS PARTNER. The General Partner shall act as the

Edgar Filing: USA NETWORKS INC - Form PRER14A

"TAX MATTERS PARTNER" of the Partnership within the meaning of Section 6231(a)(7) of the Code and in any similar capacity under applicable state or local tax law. The Tax Matters Partner shall not be liable in its capacity as such to the Partnership or the Partners for any losses, claims or damages. All reasonable out-of-pocket expenses incurred by the Tax Matters Partner while acting in such capacity shall be paid or reimbursed by the Partnership.

ARTICLE VIII

DISTRIBUTIONS

SECTION 8.01. DISTRIBUTIONS. (a) The Partnership shall make cumulative preferential distributions to holders of the Class B Preferred Interests at a rate of 3.6% per annum of the Face Value of such holder's Preferred Interests (without taking into account any adjustments thereto made on the date of such distribution), which distributions shall begin to accrue on the Closing Date. Distributions shall be payable in cash in quarterly installments on the last Business Day of each calendar quarter. Any delay or deferral of distributions required by this Section 8.01 or Section 8.02, including upon a breach of this Section 8.01(a), shall accrue interest commencing on the applicable due date and continuing through to the date of payment at an annual rate equal to USAi's effective cost of borrowing, expressed as a percentage, as of the applicable due date.

(b) At the times and in the amounts determined by the General Partner, subject to Section 5.05(b), the Partnership may make distributions to holders of Common Interests PRO RATA in accordance with the respective Participation Percentages of such Common Interests; PROVIDED that no distributions may be made with respect to the Common Interests unless all past due distributions on the Preferred Interests have been made as of the date of payment.

(c) To the extent any distribution to a Partner provided herein in respect of a Common Interest or a Preferred Interest would exceed the balance of such Partner's Capital Account relating to such Common Interest or Preferred Interest, the distribution of such excess shall be deferred and shall be made (prior to any other distribution pursuant to this Section 8.01) when and to the extent that the balance of such Capital Account is increased.

SECTION 8.02. TAX DISTRIBUTIONS. The Partnership shall, as soon as practicable after the close of each taxable year, make cash distributions to each Partner in an amount equal to the product of (a) the amount of taxable income allocated to such Partner for such taxable year pursuant to Section 7.02, reduced by the amount of taxable loss allocated to such Partner for all prior taxable years (except to the extent such taxable losses have previously been taken into account under this sentence) and (b) the highest aggregate marginal statutory Federal, state, local and foreign income tax rate (determined taking into account the deductibility of state and local income taxes for Federal income tax purposes and the creditability or deductibility of foreign income taxes for Federal income tax purposes) applicable to any Partner.

SECTION 8.03. GENERAL LIMITATIONS. (a) Notwithstanding anything in this Agreement to the contrary, the Partnership, and the General Partner on behalf of the Partnership, is not required to make any distributions except to the extent permitted under the Delaware Act.

(b) Holders of Preferred Interests shall not be entitled to any distributions in excess of the distributions set forth in this Article VIII and Article XIII.

SECTION 8.04. DISTRIBUTIONS IN KIND. The Partnership shall not distribute any assets in kind, except as provided in Section 13.03.

SECTION 8.05. CLOSING DATE DISTRIBUTION. At the Effective Time, the Partnership shall use the net proceeds of the Partnership Debt to make a cash distribution to USANi Sub in the amount of \$1,618,710,396.

SECTION 8.06. DISTRIBUTION UPON MATURITY OF CLASS A PREFERRED INTERESTS. On the twentieth anniversary of the Closing Date (the "MATURITY DATE"), the Class A Preferred Interests shall be redeemed by the Partnership by payment to the holder thereof of a distribution in cash equal to the Face Value thereof as of such date (after taking into account any accretion in the Face Value pursuant to Section 5.03 through and including the date of redemption). Following such payment, the Class A Preferred Interests shall cease to be outstanding and all the rights of the holders thereof shall cease.

SECTION 8.07. PUT/CALL RIGHTS WITH RESPECT TO CLASS B PREFERRED INTERESTS. (a) Beginning on the twentieth anniversary of the Closing Date, (i) subject to Section 160 of the Delaware General Corporation Law, Vivendi and/or Universal shall have the right to purchase all (but not less than all) the Class B Preferred Interests of USAi and its Affiliates (the "USAi PREFERRED CALL"), and (ii) USAi shall have the right to require Universal to purchase all (but not less than all) its and its Affiliates' Class B Preferred Interests (the "USAi PREFERRED PUT"), in each case at a purchase price equal to (A) a number of shares of USAi Common Shares equal to the lesser of (x) the number of shares (rounded up to the nearest whole share) of USAi Common Shares having a Market Value equal to the Face Value as of such date (after taking into account any accretion in the Face Value pursuant to Section 5.03 through and including such date) of the Class B Preferred Interests or (y) 56,611,308 shares of USAi Common Stock (as adjusted for any stock splits, stock dividends or other similar transactions after the Effective Time), and (B) cash equal to any accrued and unpaid distributions pursuant to Section 8.01(a) (collectively, the "CLASS B PREFERRED CONSIDERATION"). Universal shall have the right to substitute cash for the portion of the USAi Common Shares deliverable in the form of USAi Common Stock as set forth in Section 4.17 of the Transaction Agreement, based on the Market Value of such USAi Common Stock.

(b) In the event that USAi Common Shares cease to be outstanding following the Effective Time, references to each USAi Common Share in this Section 8.07 shall refer instead to the cash (plus interest accruing at an annual rate equal to USAi's effective cost of borrowing, expressed as a percentage, as of the applicable date on which such cash is delivered in such exchange or conversion) or other securities or property into which each such USAi Common Share was exchanged for or converted into after the Effective Time, including any successive exchange or conversion.

(c) Upon consummation of an USAi Preferred Put or an USAi Preferred Call, the maturity of the Class B Preferred Interests shall be immediately accelerated, and the Class B Preferred Interests shall be redeemed by the Partnership by payment to the holder thereof of a distribution in cash equal to the Face Value thereof as of such date (after taking into account any accretion in the Face Value pursuant to Section 5.03 through and including the date of redemption). Following such payment, the Class B Preferred Interests shall cease to be outstanding and all the rights of the holders thereof shall cease.

ARTICLE IX

MANAGEMENT OF THE PARTNERSHIP

SECTION 9.01. GENERAL PARTNER. (a) The business and affairs of the Partnership shall be managed exclusively by the General Partner in a manner consistent with this Agreement, without the need for, except as set forth in Section 5.04, 5.05 or 6.06, any consent or approval of any other Partner.

Edgar Filing: USA NETWORKS INC - Form PRER14A

Subject to Section 9.02 and the terms of this Agreement, the General Partner shall have the exclusive power and authority, on behalf of the Partnership, to collect and distribute funds in accordance with Article VIII to make allocations and adjustments in accordance with Article VII and to take any action of any kind not inconsistent with this Agreement and to do anything and everything it deems necessary or appropriate to carry on the business and purposes of the Partnership in a manner consistent with

B-22

this Agreement. No other Partner shall participate in the management and control of the business of the Partnership, and in no event shall any Partner other than the General Partner have any authority to bind the Partnership for any purpose. Persons dealing with the Partnership are entitled to rely conclusively upon the power and authority of the General Partner.

(b) The General Partner is, to the extent of its rights and powers set forth in this Agreement, an agent of the Partnership for the purpose of the Partnership's business, and the actions of the General Partner taken in accordance with such rights and powers shall bind the Partnership.

SECTION 9.02. BOARD; REPRESENTATIVES; CHAIRMAN. (a) The General Partner shall be responsible for the establishment of policy and operating procedures with respect to the business and affairs of the Partnership and shall appoint agents or employees, with such titles as the General Partner may select, including a chief executive officer, as officers of the Partnership to act on behalf of the Partnership, with such power and authority as the General Partner may designate from time to time to any such Person. The initial chief executive officer shall serve at his will and at the pleasure of the General Partner, shall report directly to the chief executive officer of the General Partner who shall be the chief executive officer of Vivendi and shall have the same authority to act for the Partnership as a corresponding officer of a Delaware corporation would have to act for a Delaware corporation. Diller shall be the initial chief executive officer of the Partnership. The other officers of the Partnership shall report to the General Partner or the chief executive officer, as determined by the General Partner; PROVIDED that, as of the Effective Date and for so long as Diller is the chief executive officer, officers of the Partnership shall report to the chief executive officer.

(b) The General Partner may, at its election, appoint a Board of Directors or other governing body (a "BOARD") to oversee the policy and operating procedures with respect to the business and affairs of the Partnership, PROVIDED, HOWEVER, that the appointment of a Board shall not alter in any respect the reporting obligations of the chief executive officer. In the event that the General Partner appoints a Board, it shall appoint all of the members of the Board (the "REPRESENTATIVES"), which shall include each of Diller as a Representative for so long as he remains an officer of the Partnership and otherwise, one Person designated by USAi and reasonably satisfactory to the General Partner as a Representative for so long as USAi and its Affiliates shall have a Participation Percentage in excess of 1%, provided that an USAi Put or an USAi Call has not been exercised and USAi has not exercised its rights under Section 6.03(a)(y). For so long as Diller is chief executive officer of the Partnership, Diller shall also be Chairman of the Board ("CHAIRMAN"). The General Partner, in consultation, with the chief executive officer, shall establish whatever procedures it deems necessary and appropriate for operating and governing the business of the Partnership.

(c) No Representative shall be entitled to any fee, remuneration, compensation or expense reimbursement in connection with their service at Board meetings.

SECTION 9.03. EXPENSES. (a) The Partnership shall pay or reimburse the

Edgar Filing: USA NETWORKS INC - Form PRER14A

General Partner for all out-of-pocket expenses reasonably incurred by the General Partner in performing its duties as the General Partner. Except as provided in Section 7.08 and this Section 9.03, the General Partner shall not be entitled to any salary or other compensation for its services to the Partnership as General Partner.

(b) The Partnership shall pay or reimburse Diller and any other USAI employee who is an officer of the Partnership for all out-of-pocket expenses directly related to the performance by Diller or such other Person of his duties as an officer of the Partnership.

SECTION 9.04. AGREEMENT NOT TO COMPETE. (a) Diller understands that the Partnership shall be entitled to protect and preserve the going concern value of USAI's Existing Business (as "Existing Business" is defined in the Transaction Agreement) and the Partnership to the extent permitted by law and that Universal would not have entered into this Agreement absent the provisions of this Section

B-23

9.04 and, therefore, for a period from the Closing Date until the date that is the earlier of (A) the later of (1) 18 months after the Closing Date and (2) six calendar months after the date upon which Diller ceases to be the chief executive officer of the Partnership and (B) three years after the Closing Date, Diller shall not, and shall cause each of its Affiliates not to, directly or indirectly:

(i) engage in the Restricted Business or acquire any interest in any Person engaged in the Restricted Business; and

(ii) (A) solicit, recruit or hire any employees of USAI's Existing Business or the Partnership or Persons who have worked for USAI's Existing Business or the Partnership, in each case other than employees who perform solely clerical functions for such Persons, (B) solicit or encourage any employee of USAI's Existing Business or the Partnership to leave the employment of USAI's Existing Business or the Partnership, in each case other than employees who perform solely clerical functions for such Persons, and (C) disclose or furnish to anyone any confidential information relating to USAI's Existing Business or the Partnership or otherwise use such confidential information for its own benefit or the benefit of any other Person; PROVIDED that the non-solicitation provisions of clauses (A) and (B) shall be deemed not breached by any advertisement or general solicitation that is not specifically targeted at the employees or Persons referred to therein;

PROVIDED that, if at any time after 18 months after the Closing Date, Diller resigns as chief executive officer of the Partnership for Good Reason or Diller's employment is terminated without Cause, then the restrictions set forth in this Section 9.04(a) shall cease to apply on and from the effective date of such resignation or termination.

(b) This Section 9.04 shall be deemed not breached as a result of (i) the ownership by Diller or any of his Affiliates of interests in the Partnership, or of investments in any class of stock of any entity, public or private, engaged, directly or indirectly, in the Restricted Business so long as Diller does not serve as a director, an officer, a consultant or as an employee of such entity and is not otherwise engaged in the management or operations of such entity, (ii) Diller's engagement in not-for-profit or charitable activities related to the Business, whether on boards or otherwise, (iii) ownership of Vivendi Ordinary Shares as the result of the exercise of a Put or a Call or (iv) Diller's position as a member of any board of directors (including on any committees thereof) on which he is a board member on the date hereof.

Edgar Filing: USA NETWORKS INC - Form PRER14A

(c) Diller agrees that the covenant in Section 9.04(a) is reasonable with respect to its duration and scope. If, at the time of enforcement of this Section 9.04, a court holds that the restrictions stated herein are unreasonable under the circumstances then existing, the parties hereto agree that the period and scope legally permissible under such circumstances will be substituted for the period and scope stated herein.

ARTICLE X

TRANSFERS OF INTERESTS

SECTION 10.01. RESTRICTIONS ON TRANSFERS. (a) Except as permitted in this Article X, without the prior written consent of the General Partner, neither USAi nor Diller shall directly or indirectly Transfer all or any part of their respective Interests, or any rights to receive capital, profits or distributions of the Partnership pursuant thereto. To the fullest extent permitted by law, any such Transfer in violation of this Agreement shall be null and void.

(b) It shall be a condition to any Transfer not prohibited by this Article X that such Transfer shall comply with the provisions of the Securities Act and applicable state securities laws. Until any Interest has been registered under the Securities Act, such Interest may not be offered or sold except pursuant

B-24

to an exemption from, or in a transaction not subject to, the registration requirements of the Securities Act and applicable state securities laws.

(c) It shall also be a condition to any Transfer not prohibited by this Article X that no applicable law or judgment issued by any governmental entity shall be in effect, and all consents of, or declarations or filings with, or expirations of waiting periods imposed by, any governmental entity necessary for the consummation of such Transfer shall have been obtained or filed or shall have occurred, and each Partner agrees to cooperate with the other Partners to provide such information and make such filings as shall be necessary to satisfy as promptly as practicable the foregoing conditions in connection with a proposed Transfer.

SECTION 10.02. TRANSFERS PERMITTED AT ANY TIME. (a) At any time and from time to time, so long as such Transfer would not reasonably be expected to result in any materially adverse tax consequences to any other Partners, (i) USAi or USANi Sub may Transfer all, but not less than all, of its Interest to USAi or a wholly owned subsidiary of USAi (including any subsidiary that is not wholly owned solely as a result of the fact that Home Shopping Network, Inc. is not a wholly owned subsidiary of USAi, so long as Liberty and USAi remain the only shareholders of Home Shopping Network, Inc. and Light's ownership percentage of Home Shopping Network, Inc. does not increase materially from its interest as of the Closing Date) and USANi Sub may Transfer all, but not less than all, of its Interest to a wholly owned subsidiary of Universal Sub and (ii) USAi or USANi Sub may pledge or grant a security interest in, or place in trust, its Preferred Interests in connection with a bona fide indebtedness or hedging transactions; PROVIDED, HOWEVER, that the terms of such indebtedness or hedge shall not permit or enable under any circumstance, including in the event of a default thereunder, the pledgee of such indebtedness or party to such hedge to foreclose upon or otherwise acquire any Preferred Interests, it being understood that USAi, USANi Sub and/or one of their wholly owned subsidiaries shall in all cases be the only holder(s) of the Preferred Interests.

(b) In respect of holders of Interests that are individuals, a Transfer may be made upon or subsequent to the death of such holder to the executors, administrators, legatees or beneficiaries of such deceased holder, PROVIDED that such transferees shall (i) in aggregate be treated as a single Partner for all

Edgar Filing: USA NETWORKS INC - Form PRER14A

purposes under this Agreement and (ii) upon such Transfer, sign a counterpart to this Agreement or other similar document of accession, in each case in a customary form, agreeing to be bound by the terms of this Agreement (other than Section 9.04) to the same extent that the transferor was so bound.

SECTION 10.03. PUT/CALL RIGHTS. (a) (i) At any time, and from time to time, after the fifth anniversary of the Closing Date, Universal shall have the right to purchase all (but not less than all) the Common Interests of USAi and its Affiliates (the "USAi CALL"), and (ii) at any time, and from time to time, after the eighth anniversary of the Closing Date, USANi Sub shall have the right to require Universal to purchase all (but not less than all) its and its Affiliates' Common Interests (the "USAi PUT"), in each case at a purchase price equal to the Appraised Value thereof. Notwithstanding the foregoing, for so long as USAi or its Affiliates shall be the holder of any Preferred Interests, at the election of USANi Sub, any Call or Put under this Section 10.03(a) shall only be applicable to a portion of the Common Interests of USANi Sub and its Affiliates such that upon the consummation of the applicable purchase and sale USAi and its Affiliates would retain a Participation Percentage of 1%, and in such event the determination of Appraised Value shall only apply to the portion of the Common Interests of USAi and its Affiliates subject to such Call or Put.

(b) (i) At any time after the first anniversary of the Closing Date, Diller (or his executor, administrator or trustee, as the case may be) shall have the right to sell all (but not less than all) its Common Interests to Universal (the "DILLER PUT"), and (ii) at any time after the later of (A) the second anniversary of the Closing Date and (B) such time that Diller is no longer chief executive officer of the Partnership, Universal shall have the right to purchase all (but not less than all) the

B-25

Common Interests of Diller (the "DILLER CALL"), in each case at a purchase price equal to the greater of (x) the Appraised Value thereof and (y) \$275,000,000. In the event that Diller's employment is terminated without Cause or as a result of his death, Diller terminates his employment for Good Reason or Diller becomes Disabled, the Diller Put shall become thereafter exercisable (by Diller, or his executor, administrator, or trustee, as the case may be) immediately upon such termination or upon becoming Disabled.

(c) A Call or a Put may be exercised by the applicable Partner by providing notice to the other Partner in accordance with Section 14.01. The purchase and sale of the Selling Partner's Common Interests shall be consummated at a closing the date and time of which shall be selected by the Purchasing Partner and provided in writing at least seven days prior thereto; PROVIDED that such date shall not be later than the 20th Business Day following the date of the determination of the Appraised Value. Except as set forth in Section 10.03(e), at such closing, the Purchasing Partner shall cause to be paid to the Selling Partner the applicable purchase price, by wire transfer of immediately available funds, against delivery by the Selling Partner of one or more duly executed assignments and bills of sale (in form and substance reasonably satisfactory to the Purchasing Partner, but in any event which shall not include any provision for indemnification) assigning its Common Interests to the Purchasing Partner, free and clear of any Liens.

(d) The Appraised Value shall be determined as follows:

(i) subject to clause (iii) below, within 15 days from the date of notice given pursuant to Section 10.03(c), the Selling Partner and the Purchasing Partner shall each notify the other and the Partnership in writing of their respective selection of an Investment Bank; PROVIDED that if either such party fails to notify the other of its selection within such period, the determination of the Appraised Value of such Common Interests

Edgar Filing: USA NETWORKS INC - Form PRER14A

shall be rendered by the single Investment Bank already selected, within 45 days from the date of its selection, by notice to all the foregoing parties, and such determination shall be deemed to be the Appraised Value of such Common Interests and shall be final for purposes hereof;

(ii) within 45 days from the date of their selection, the Selling Partner's Investment Bank and the Purchasing Partner's Investment Bank shall jointly notify the Selling Partner and the Purchasing Partner in writing of their determination of the Appraised Value of such Common Interests (determined as set forth in the definition thereof), or, if such Investment Banks are unable to agree on such a value (unless the lower individual valuation is within 10% of the higher individual valuation, in which case the two valuations shall be averaged), of their selection of a third Investment Bank, in which case such Investment Banks shall notify such third Investment Bank in writing of their respective determinations of the Appraised Value concurrently with the delivery of the notice described above, following which such third Investment Bank shall, within 30 days, notify all of the foregoing parties of its selection of one of the two original determinations of the Appraised Value, (the "SELECTED APPRAISAL"), which Selected Appraisal shall be chosen by such third Investment Bank based on its determination that the Selected Appraisal more closely reflected the Appraised Value of such Common Interests (determined as set forth in the definition thereof) than the other original determination. The Selected Appraisal shall be deemed to be the Appraised Value of such Common Interests and shall be final for purposes hereof. The costs of such determination process shall be borne equally by the Purchasing Partner and the Selling Partner; and

(iii) if at any time prior to the second anniversary of the Closing Date Diller ceases to serve as the chief executive officer of the Partnership, Universal and Diller shall promptly initiate the process set forth in clauses (i) and (ii) above to determine the Appraised Value of the Partnership as of the time of such cessation, and such Appraised Value shall be deemed to be the Appraised Value of the Partnership with respect to the subsequent exercise of a Diller Put or a Diller Call.

B-26

(e) At the election of the Purchasing Partner, payment of the purchase price upon the exercise of a Call or a Put may be made in Vivendi Ordinary Shares having a Market Value at the time of closing equal to the applicable purchase price set forth in Section 10.03(a) or Section 10.03(b), in which case the Selling Partner shall be entitled to the rights set forth in Section 10.03(f) and 10.03(g). At the closing of any Put or Call pursuant to this Section 10.03(e), Universal shall deliver to USAi or Diller, as the case may be, validly issued Vivendi Ordinary Shares (or, if Diller requests, other common equity securities of Vivendi listed on an exchange other than that on which the Vivendi Ordinary Shares are listed and representing an equivalent number of Vivendi Ordinary Shares) free and clear of all Liens (other than Permitted Liens). The ability of any successor or new parent entity to Vivendi to issue shares hereunder shall be subject to (i) satisfaction of the trading volume provisions of the definition of Vivendi Ordinary Shares and (ii) the Selling Partner receiving less than 5% of the outstanding common stock or ordinary shares of such successor or new parent entity in such issuance.

(f) (i) Vivendi shall provide the Selling Partner with, and the Selling Partner shall be entitled to, customary registration rights relating to any Vivendi Ordinary Shares received pursuant to Section 10.03(e) (including the ability to transfer registration rights (but not to exceed in the aggregate the total number of registration rights to which the Selling Partner is entitled under Section 10.3(f)(ii) in connection with the sale or other disposition of all or a portion of its Vivendi Ordinary Shares). In the

Edgar Filing: USA NETWORKS INC - Form PRER14A

event Vivendi Ordinary Shares are listed or quoted on more than one national securities exchange (or Nasdaq), whether in the form of shares, depositary shares or receipts therefor, the Selling Partner may elect the type of security (or combination of securities) to be issued to it (such securities sometimes being referred to in paragraph (g) or this paragraph (f) of Section 10.03 as "Vivendi Ordinary Shares") and such securities shall be issued in an aggregate amount representing the amount of the Vivendi Ordinary Shares that would otherwise have been issued. Vivendi, each of the Partners and the Partnership each hereby agrees to cooperate and use its reasonable best efforts to provide for the prompt marketability of the Vivendi Ordinary Shares to be received hereunder, including, if requested by USAi or Diller, as applicable, through the advance preparation and filing by Vivendi of (x) a registration statement in order that such registration statement may become effective simultaneously with the closing of the Put or Call giving rise to the registration rights under this paragraph (f), and (y) any other regulatory filings or notices.

(ii) If requested by a Selling Partner, Vivendi shall be required promptly to cause the Vivendi Ordinary Shares owned by such Selling Partner or its Affiliates to be registered under the Securities Act and/or any applicable securities laws of any foreign jurisdiction in order to permit such Selling Partner or such Affiliate to sell such shares in one or more (but not more than, in the case of USAi, three, and in the case of Diller, two) registered public offerings (each, a "DEMAND REGISTRATION"). Each Selling Partner shall also be entitled to customary piggyback registration rights and, except pursuant to agreements in effect on the date hereof, no other Person shall be entitled to piggyback registration rights with respect to a Selling Partner's Demand Registration, without such Selling Partner's consent. If the amount of shares sought to be registered by a Selling Partner and its Affiliates pursuant to any Demand Registration is reduced by more than 25% pursuant to any underwriters' cutback, then such Selling Partner may elect to request Vivendi to withdraw such registration, in which case, such registration shall not count as one of such Selling Partner's Demand Registrations. If a Selling Partner requests that any Demand Registration be an underwritten offering, then such Selling Partner shall select the underwriter(s) to administer the offering, provided that such underwriter(s) shall be reasonably satisfactory to Vivendi. If a Demand Registration is an underwritten offering and the managing underwriter advises the Selling Partner initiating the Demand Registration in writing that in its opinion the total number or dollar amount of securities proposed to be sold in such offering is such as to materially and adversely affect the success of such offering, then Vivendi will include in such registration, first, the securities of the initiating Selling Partner, and, thereafter, any securities to be sold for the account of others who

B-27

are participating in such registration (as determined on a fair and equitable basis by Vivendi). In connection with any Demand Registration or inclusion of a Selling Partner's or its Affiliate's shares in a piggyback registration, Vivendi, such Selling Partner and/or its Affiliates shall enter into an agreement containing terms (including representations, covenants and indemnities by Vivendi and such Selling Partner), and shall be subject to limitations, conditions, and blackout periods, customary for a secondary offering by a selling stockholder. The costs of the registration (other than underwriting discounts, fees and commissions, except as provided herein) shall be paid by Vivendi. Vivendi shall pay up to 1% of gross proceeds in the aggregate of any underwriting discounts, fees and commissions related to the registration of shares on the behalf of Diller.

(iii) If Vivendi and a Selling Partner cannot agree as to what constitutes customary terms within 10 days of such Selling Partner's request

Edgar Filing: USA NETWORKS INC - Form PRER14A

for registration (whether in a Demand Registration or a piggyback registration), then such determination shall be made by a law firm of national reputation mutually acceptable to Vivendi and such Selling Partner. In no event shall the inability of the parties to come to agreement on customary terms delay in any way the registration of a Selling Partner's Vivendi Ordinary Shares hereunder.

SECTION 10.04. TAG-ALONG FOR LIMITED PARTNERS FOR TRANSFERS BY UNIVERSAL. (a) If Universal Sub or any of its Affiliates shall desire to Transfer in one transaction or a series of related transactions Common Interests beneficially owned by the applicable transferor and its Affiliates, other than to a wholly owned subsidiary of such transferor, Universal Sub shall give not less than 10 Business Days' prior written notice to each of the Limited Partners (each, a "TAG-ALONG OFFEREE") of such intended Transfer. Such notice (the "TAG-ALONG NOTICE") shall set forth the terms and conditions of such proposed Transfer, including the name of the proposed transferee, the amount of Common Interests (and the aggregate Participation Percentage represented thereby) proposed to be Transferred (including the number of securities previously or proposed to be Transferred to the applicable transferee or its Affiliates in a related transaction) (the "TAG-ALONG INTERESTS"), the purchase price per Common Interest on an equivalent basis proposed to be paid therefor (or if part of a larger transaction, the fair value allocable portion of the total purchase price) and the payment terms and type of Transfer to be effectuated.

(b) Within 10 Business Days after delivery of the Tag-Along Notice by Universal Sub to the Tag-Along Offerees, each Tag-Along Offeree shall, by written notice to Universal Sub, have the opportunity and right to sell to the transferee in such proposed Transfer (upon the same terms and conditions as Universal Sub and/or its Affiliates, including the same representations and warranties, covenants, indemnities, holdback and escrow provisions, if any) up to that number of Common Interests beneficially owned by such Tag-Along Offeree as shall represent a Participation Percentage equal to the product of (x) a fraction, (A) the numerator of which is the aggregate Participation Percentage represented by the Tag-Along Interests and (B) the denominator of which is the aggregate Participation Percentage represented by the Common Interests beneficially owned as of the date of the Tag-Along Notice by Universal Sub and its Affiliates, multiplied by (y) the aggregate Participation Percentage represented by the Common Interests beneficially owned by such Tag-Along Offeree and its Affiliates as of the date of the Tag-Along Notice. In the event that the proposed transferee is unwilling to purchase all of the Common Interests that Universal Sub and the Limited Partners propose to Transfer hereunder, the amount of Common Interests to be Transferred by Universal Sub and/or its Affiliates and each of the Limited Partners shall be reduced proportionately. The right of the Tag-Along Offerees shall terminate with respect to that proposed Transfer if not exercised within the period specified in the first sentence of this clause (b).

(c) At the closing of any proposed Transfer in respect of which a Tag-Along Notice has been delivered, each Tag-Along Offeree shall deliver to the proposed transferee the Common Interests to be sold hereby duly endorsed, or accompanied by written instruments of transfer in form satisfactory to the proposed transferee, free and clear of all Liens (other than Permitted Liens), and shall receive in exchange therefor the consideration to be paid by the proposed transferee in respect of such Common Interests.

ARTICLE XI

LIMITATION ON LIABILITY, EXCULPATION

SECTION 11.01. LIMITATION ON LIABILITY. Except as expressly provided

Edgar Filing: USA NETWORKS INC - Form PRER14A

herein or in the other Transaction Documents, the debts, obligations and liabilities of the Partnership, whether arising in contract, tort or otherwise, shall be solely the debts, obligations and liabilities of the Partnership, and no Covered Person shall be obligated personally for any such debt, obligation or liability of the Partnership; PROVIDED, HOWEVER, that the foregoing shall not alter each Partner's obligation under the Delaware Act to return funds wrongfully distributed to it.

SECTION 11.02. EXCULPATION OF COVERED PERSONS. (a) Except as expressly provided herein or in the Transaction Agreement, no Covered Person shall be liable, including under any legal or equitable theory of fiduciary duty or other theory of liability, to the Partnership or to any other Covered Person for any losses, claims, damages or liabilities incurred by reason of any act or omission performed or omitted by such Covered Person except for any loss, claims, damages or liabilities arising from such Covered Person's fraud. Whenever in this Agreement a Covered Person is permitted or required to make decisions such Covered Person shall make such decisions in good faith having regard to the best interests of the Partnership and shall not be subject to any other or different standard (including any legal or equitable standard of fiduciary or other duty) imposed by this Agreement or any relevant provisions of law or in equity or otherwise.

(b) A Covered Person shall be fully protected in relying in good faith upon the records of the Partnership and upon such information, opinions, reports or statements presented to the Partnership, Board or management by any Person as to matters the Covered Person reasonably believes are within such Person's professional or expert competence.

SECTION 11.03. PARTNERSHIP OPPORTUNITIES. (a) If any of Universal Sub, USAi, Diller or any officer, director, agent, stockholder, member, manager, partner or Affiliate of any of the foregoing acquires knowledge of a potential transaction or matter which may be a Partnership Opportunity (as defined below) or otherwise is then exploiting any Partnership Opportunity, the Partnership shall have no interest in such Partnership Opportunity and no expectancy that such Partnership Opportunity be offered to the Partnership, any such interest or expectancy being hereby renounced, so that, as a result of such renunciation, and for the avoidance of doubt, such Person (i) shall have no duty to communicate or present such Partnership Opportunity to the Partnership, (ii) subject to Section 9.04, shall have the right to hold any such Partnership Opportunity for its (and/or its officers', directors', agents', stockholders', members', managers', partners' or Affiliates') own account or to recommend, sell, assign or transfer such Partnership Opportunity to Persons other than the Partnership or any subsidiary of the Partnership and (iii) subject to Section 9.04, shall not breach any fiduciary or other duty to the Partnership, in such Person's capacity as a Partner or otherwise, by reason of the fact that such Person pursues or acquires such Partnership Opportunity for itself, directs, sells, assigns or transfers such Partnership Opportunity to another Person, or does not communicate information regarding such Partnership Opportunity to the Partnership.

(b) Notwithstanding the provisions of this Section 11.03, the Partnership does not renounce any interest or expectancy it may have in any Partnership Opportunity that is offered to an officer of the Partnership and who is also a director or officer of Universal Sub, USAi or the respective Affiliates of Vivendi or USAi if such opportunity is expressly offered to such person in his or her capacity as an officer of the Partnership.

(c) For purposes of this Section 11.03 only, the terms (i) "PARTNERSHIP" shall mean the Partnership and, except where the context requires otherwise, shall also include all corporations, partnerships, joint ventures, associations and other entities in which the Partnership beneficially owns

(directly or indirectly) 50% or more of the outstanding voting stock, voting power, partnership or membership interests or similar voting interests, and (ii) "PARTNERSHIP OPPORTUNITY" shall mean an investment or business opportunity or prospective economic advantage in which the Partnership could, but for the provisions of this Section 11.03, have an interest or expectancy.

(d) Except as otherwise expressly provided in Section 9.04, in Section 4.13 of the Transaction Agreement or in any other agreement to which the Partners may be a party, (i) the Partners and their officers, directors, agents, stockholders, members, managers, partners and Affiliates may engage or invest in, independently or with others, any business activity of any type or description, including those that might be the same as or similar to the Partnership's business or the business of any subsidiary of the Partnership, (ii) none of the Partnership, any subsidiary of the Partnership or any Person beneficially owning Common Interests shall have any right in or to such business activities or ventures or to receive or share in any income or proceeds derived therefrom and (iii) to the extent required by applicable law in order to effectuate the purpose of this Section 11.03, the Partnership shall have no interest or expectancy, and specifically renounces any interest or expectancy, in any such business activities or ventures.

SECTION 11.04. INDEMNIFICATION. (a) The Partnership shall, to the fullest extent authorized under the Delaware Act as the same exists or may hereafter be amended (but, in the case of any such amendment, only to the extent that such amendment permits the Partnership to provide broader indemnification rights than said law permitted the Partnership to provide prior to such amendment), indemnify and hold harmless any Covered Person who was or is a party or is threatened to be made a party to any threatened, pending or completed action, suit, investigation or proceeding, whether civil, criminal or administrative by reason of the fact that he or a Covered Person of whom he is the legal representative is or was a Representative or officer of the Partnership, or is or was a Representative or officer of the Partnership serving at the request of the Partnership as a Representative, officer or employee of another partnership, corporation, joint venture, trust or other enterprise (whether the basis of such proceeding is alleged action in an official capacity as a Representative or officer or in any other capacity while serving as a Representative or officer) against all expenses, liability and loss (including attorneys' fees, judgments, fines or penalties and amounts paid or to be paid in settlement) reasonably incurred or suffered by him in connection therewith, except in a case where such expenses, liabilities or losses resulted from the fraud of such indemnified Person. The right to indemnification conferred in this Agreement shall be a contract right and shall include the right to be paid by the Partnership the expenses incurred in defending any such proceeding in advance of its final disposition, such advances to be paid by the Partnership within 20 days after the receipt by the Partnership of a statement or statements from the claimant requesting such advance or advances from time to time.

(b) At all times from and after the Effective Time, the Partnership shall either maintain directors' and officers' liability insurance covering the officers and Representatives entitled to indemnification under this Section 11.04 or ensure that such officers and Representatives are covered in policies maintained by Vivendi, Universal Sub or their Affiliates, in each case providing coverage for reasonable amounts and on customary terms.

ARTICLE XII

EVENTS OF WITHDRAWAL; BANKRUPTCY OF A GENERAL PARTNER

SECTION 12.01. EVENTS OF WITHDRAWAL. Except as otherwise provided in this Agreement, no Partner shall withdraw from the Partnership.

Edgar Filing: USA NETWORKS INC - Form PRER14A

SECTION 12.02. BANKRUPTCY OF A GENERAL PARTNER. (a) In the event of the Bankruptcy of the General Partner (the "BANKRUPT PARTNER"), then the Partnership shall be dissolved unless it is continued without dissolution in accordance with Section 13.01(c) (iii).

B-30

(b) In the event a new General Partner is appointed, the Bankrupt Partner shall become a Limited Partner and shall have (x) no right to participate in the management of the Partnership or the business and affairs of the Partnership, and (y) the same interest in all items of income, gain, loss, deduction or credit of the Partnership to the same extent as if such Bankruptcy had not occurred. Upon the occurrence of the Bankruptcy of any General Partner, (i) the Bankrupt Partner and the other Partners shall execute such documents as may be necessary or appropriate to carry out the provisions of this Article XII, and (ii) the other Partners are, without necessity of any further action or documentation, hereby appointed attorneys-in-fact of the Bankrupt Partner for the purpose of carrying out the provisions of this Article XII and taking any action and executing any documents which such Partners may deem necessary or advisable to accomplish the purposes hereof, such appointment being irrevocable and coupled with an interest.

(c) In the event that the General Partner shall become a "debtor" as defined in the Bankruptcy Code in any case commenced thereunder and at any time during the pendency of such case there shall be appointed (i) a trustee with respect to the Bankrupt Partner under Section 701, 702 or 1104 of the Bankruptcy Code (or any successor provisions thereto), or (ii) an examiner having expanded powers beyond those specifically enumerated in Section 1104(b) of the Bankruptcy Code, then the other Partners may, at any time thereafter, so long as such condition exists, unanimously elect to dissolve the Partnership, in which event the affairs of the Partnership shall be wound up as provided in Article XIII.

ARTICLE XIII

DISSOLUTION AND TERMINATION

SECTION 13.01. DISSOLUTION. (a) The Partnership shall not be dissolved by the admission of Additional Partners or Substitute Partners pursuant to Section 3.03.

(b) Subject to Section 12.01, no Partner shall withdraw from the Partnership and, to the fullest extent permitted by applicable law, no Partner shall take any action to dissolve, terminate or liquidate the Partnership or to require apportionment, appraisal or partition of the Partnership or any of its assets, or to file a bill for an accounting, except as specifically provided in this Agreement, and each Partner, to the fullest extent permitted by applicable law, hereby waives any rights to take any such actions (or have such actions taken on its behalf) under applicable law, including any right to petition a court for judicial dissolution under Section 17-802 of the Delaware Act.

(c) The Partnership shall be dissolved and its business wound up upon the earliest to occur of any one of the following events:

(i) at the time there are no Limited Partners unless the Partnership is continued without dissolution in accordance with the Delaware Act;

(ii) the written agreement of all the Partners;

(iii) the occurrence of any event that causes the General Partner to cease to be a general partner of the Partnership, unless (i) there is a remaining General Partner who is hereby authorized to and shall continue the

Edgar Filing: USA NETWORKS INC - Form PRER14A

business of the Partnership without dissolution or (ii) the other Partners agree in writing, within 90 days after such event occurs, to continue the business of the Partnership without dissolution and to appoint, effective as of the date of such event, a new General Partner;

(iv) a decision to dissolve the Partnership in accordance with Section 12.02(c); and

(v) the entry of a decree of judicial dissolution under Section 17-802 of the Delaware Act, in contravention of this Agreement.

B-31

(d) Except as provided herein, the resignation, Bankruptcy, insolvency or dissolution of a Partner or the occurrence of any other event that terminates the continued membership of a Partner of the Partnership shall not in and of itself cause a dissolution of the Partnership.

SECTION 13.02. WINDING UP OF THE PARTNERSHIP. (a) Upon dissolution, the Partnership's business shall be liquidated in an orderly manner. The General Partner shall be the liquidator to wind up the affairs of the Partnership pursuant to this Agreement. If there shall be no General Partner, the remaining Partners may approve one or more liquidators to act as the liquidator in carrying out such liquidation. In performing its duties, the liquidator is authorized to sell, distribute, exchange or otherwise dispose of the assets of the Partnership in accordance with the Delaware Act and in any reasonable manner that the liquidator shall determine to be in the best interest of the Partners.

(b) The proceeds of the liquidation of the Partnership shall be distributed in the following order and priority:

(i) FIRST, to the creditors (including any Partners or their respective Affiliates that are creditors) of the Partnership in satisfaction of all of the Partnership's liabilities (whether by payment or by making reasonable provision for payment thereof, including the setting up of any reserves which are, in the judgment of the liquidator, reasonably necessary therefor);

(ii) SECOND, to the Partners holding Preferred Interests PRO RATA up to the amount of the Face Value of such Preferred Interests;

(iii) THIRD, to the Partners holding Common Interests PRO RATA based on the amount of Capital Contributions attributable thereto, up to the amount of such Capital Contributions; and

(iv) FOURTH, to the Partners holding Common Interests PRO RATA in accordance with their respective Participation Percentages;

PROVIDED, HOWEVER, that in the event that distributions pursuant to clauses (ii) through (iv) above would not otherwise be identical to distribution in accordance with the positive balances in the Partners' Capital Accounts, such distributions shall instead be made in accordance with such positive balances.

SECTION 13.03. DISTRIBUTION OF PROPERTY. In the event it becomes necessary in connection with the liquidation of the Partnership to make a distribution of property in kind, subject to the priority set forth in Section 13.02, the liquidator shall have the right to compel each Partner to accept a distribution of any asset in kind, so long as the portion of such asset to be distributed is determined based upon the amount of cash that would be distributed to such Partners if such property were sold for an amount of cash equal to the fair market value of such property, as determined by the liquidator in good faith.

Edgar Filing: USA NETWORKS INC - Form PRER14A

SECTION 13.04. CLAIMS OF PARTNERS. The Partners shall look solely to the Partnership's assets for the return of their Capital Contributions, and if the assets of the Partnership remaining after payment of or reasonable provision for the payment of all liabilities of the Partnership are insufficient to return such Capital Contributions, the Partners shall have no recourse against the Partnership or any Partner.

SECTION 13.05. TERMINATION. The Partnership shall terminate when all of the assets of the Partnership, after payment of or reasonable provision for the payment of all debts and liabilities of the Partnership, shall have been distributed to the Partners in the manner provided for in this Article XIII and when permitted by this Agreement, and the certificate of limited partnership of the Partnership shall have been canceled in the manner required by the Delaware Act.

SECTION 14.03. WAIVER. No failure by any party to insist upon the strict performance of any covenant, agreement, term or condition of this Agreement or to exercise any right or remedy consequent upon a breach of such or any other covenant, agreement, term or condition shall operate as a waiver of such or any other covenant, agreement, term or condition of this Agreement. Any Partner by notice given in accordance with Section 14.01 may, but shall not be under any obligation to, waive any of its rights or conditions to its obligations hereunder, or any duty, obligation or covenant of any other Partner. SECTION 14.08. APPLICABLE LAW. This Agreement shall be governed by and construed in accordance with the laws of the State of Delaware without giving effect to the conflicts of law principles thereof.

SECTION 14.09. JURISDICTION. Each of the Partners (i) consents to and submits itself and its property to the personal jurisdiction of any Federal or state court located in the State of Delaware in

AMENDED AND RESTATED GOVERNANCE AGREEMENT

Amended and Restated Governance Agreement, dated as of December 16, 2001, among USA Networks, Inc., a Delaware corporation ("USAi," or the "COMPANY"), Vivendi Universal, S.A., a SOCIETE ANONYME organized under the laws of France ("VU"), Universal Studios, Inc., for itself and on behalf of the members of its Stockholders Group ("UNIVERSAL"), Liberty Media Corporation, for itself and on behalf of the members of its Stockholders Group ("LIBERTY") and Mr. Barry Diller ("MR. DILLER") for himself and on behalf of the members of his Stockholders Group. Capitalized terms used herein without definition have the meanings ascribed to such terms in the Transaction Agreement (as hereinafter defined).

WHEREAS, the Company, VU, Universal, Liberty, Mr. Diller, and USANi LLC, a Delaware limited liability company ("USANi"), have entered into a Transaction Agreement, dated as of December 16, 2001 (the "TRANSACTION AGREEMENT"), pursuant to which, among other things, (i) each of Universal and the Company will contribute certain businesses to a limited liability partnership (the "PARTNERSHIP") in exchange for interests in the Partnership, and (ii) each of Universal, VU and Mr. Diller shall enter into a limited liability limited partnership agreement (the "PARTNERSHIP AGREEMENT") under which a wholly owned subsidiary of Universal will be the general partner and each of the Company, USANi Sub LLC, a Delaware limited liability company and a wholly owned subsidiary of USANi ("USANi SUB"), and Mr. Diller will be limited partners (collectively, the "TRANSACTIONS");

WHEREAS, the parties hereto have agreed that the Company, Universal, Liberty, Mr. Diller and VU shall enter into this Agreement in order to amend and

Edgar Filing: USA NETWORKS INC - Form PRER14A

restate in its entirety the respective rights and obligations of the parties set forth in the Governance Agreement, dated as of October 19, 1997 (the "1997 GOVERNANCE AGREEMENT");

WHEREAS, the Company, Universal, Liberty, Mr. Diller and VU desire to establish in this Agreement certain terms and conditions concerning the acquisition and disposition of securities of the Company by Universal and VU (together, the "VU PARTIES"), and certain additional provisions concerning Universal's, Liberty's, Mr. Diller's and VU's relationships with the Company, none of which shall become effective until the Closing; and

WHEREAS, the parties hereto also desire to provide for certain amendments to the Investment Agreement (the "INVESTMENT AGREEMENT"), among Universal, for itself and on behalf of certain Subsidiaries, the Company, Home Shopping Network, Inc. ("HSN"), and Liberty, for itself and on behalf of certain of its Subsidiaries, dated as of October 19, 1997, as amended and restated as of December 18, 1997.

NOW, THEREFORE, in consideration of the foregoing and the mutual covenants and agreements contained herein, and intending to be legally bound hereby, the Company, Universal, Liberty, Mr. Diller and VU hereby agree, effective as of the Closing, as follows:

ARTICLE I

STANDSTILL AND VOTING

SECTION 1.01. ACQUISITION OF VOTING SECURITIES. Subject to the last sentence hereof, immediately following the Closing, neither the VU Parties nor any of their Affiliates will acquire, directly or indirectly, the Beneficial Ownership of any additional Equity Securities of the Company until such time (the "TRIGGER DATE") that the Equity Securities Beneficially Owned by the VU Parties and their Affiliates represent less than 20% (the "PERMITTED OWNERSHIP PERCENTAGE") of the Total Equity Securities. Subject to the last sentence hereof, following the Trigger Date, neither the VU Parties nor any of their Affiliates will acquire, directly or indirectly, the Beneficial Ownership of any additional Equity Securities of the Company such that the Equity Securities Beneficially Owned by the VU Parties and their Affiliates following such acquisition would be in excess of the Permitted Ownership

C-4

Percentage. If at any time the VU Parties become aware that they and their Affiliates Beneficially Own more than the Permitted Ownership Percentage, then the VU Parties shall as soon as is reasonably practicable (but in no manner that would require the VU Parties to incur liability under Section 16(b) of the Exchange Act) take all action necessary to reduce the amount of Equity Securities Beneficially Owned by such Persons to an amount not greater than the Permitted Ownership Percentage. The restrictions contained in this Section 1.01 shall cease to apply upon the later of (x) the date that Mr. Diller no longer serves as CEO (provided that if Mr. Diller no longer serves as CEO but continues to hold a proxy from Universal in respect of Company Common Shares under the Amended and Restated Stockholders Agreement, Mr. Diller shall be deemed to be continuing to serve as CEO until the later of (i) such time as he no longer serves as CEO and (ii) such time as Mr. Diller no longer holds the Universal proxy, with the later of such times being referred to as the "CEO TERMINATION DATE") or becomes Disabled and (y) the date on which VU no longer has the right to appoint a director to the Board of Directors of the Company pursuant to Section 2.01 hereof (the later of clauses (x) and (y), the "STANDSTILL TERMINATION DATE"). Notwithstanding anything to the contrary contained herein, the provisions set forth in this Section 1.01 shall not prevent the VU Parties and their Affiliates from exercising the Warrants and continuing to Beneficially

Edgar Filing: USA NETWORKS INC - Form PRER14A

Own the shares thereunder.

SECTION 1.02. FURTHER RESTRICTIONS ON CONDUCT. The VU Parties covenant and agree that until the Standstill Termination Date:

(a) except by virtue of VU's representation on the Board of Directors of the Company and as otherwise contemplated under this Agreement and the other agreements contemplated by the Transaction Agreement or as otherwise permitted by the Board of Directors of the Company or the CEO so long as Mr. Diller is CEO, neither the VU Parties nor any Affiliate thereof will otherwise act, alone or in concert with others, to seek to affect or influence the control of the management or Board of Directors of the Company or the business, operations or policies of the Company (it being agreed that this paragraph shall not prohibit the VU Parties, their Affiliates and their respective employees from engaging in ordinary course business activities with the Company);

(b) other than to a Permitted Transferee, pursuant to the Transaction Agreement or the Amended and Restated Stockholders Agreement, neither the VU Parties nor any Affiliate thereof shall deposit any Equity Securities in a voting trust or subject any Equity Securities to any proxy, arrangement or agreement with respect to the voting of such securities or other agreement having similar effect;

(c) neither the VU Parties nor any Affiliate thereof shall propose any merger, tender offer or other business combination involving the Company or any of its Affiliates; PROVIDED, that discussions relating to the possibility of such a proposal in which Mr. Diller participates shall not be deemed to be a breach of this covenant;

(d) neither the VU Parties nor any Affiliate thereof shall initiate or propose any stockholder proposal or make, or in any way participate in, directly or indirectly, any "solicitation" of "proxies" to vote, or seek to influence any Person with respect to the voting of, any Equity Securities, or become a "participant" in a "solicitation" (as such terms are defined in Regulation 14A under the Exchange Act) in opposition to the recommendation of the majority of the directors of the Company with respect to any matter, except in response to a solicitation by a third party;

(e) other than as is contemplated by this Agreement, the Transaction Agreement, the Amended and Restated Stockholders Agreement and the other agreements contemplated by the Transaction Agreement, neither the VU Parties nor any Affiliate thereof shall join a partnership, limited partnership, syndicate or other group, or otherwise act in concert with any other Person (other than a Permitted Transferee), for the purpose of acquiring, holding, voting or disposing of Equity Securities, or otherwise become a "person" within the meaning of Section 13(d)(3) of the Exchange Act; and

C-5

(f) neither the VU Parties nor any Affiliate thereof shall, directly or indirectly, request that the Company or its Board of Directors amend or waive any of the provisions of this Section 1.02.

SECTION 1.03. REPORTS. The VU Parties shall deliver to the Company, promptly after any acquisition or Transfer of Equity Securities representing more than a 1% change in the Ownership Percentage, an accurate written report specifying the amount and class of Equity Securities acquired or Transferred in such transaction and the amount of each class of Equity Securities owned by the VU Parties and their Affiliates after giving effect to such transaction; PROVIDED, HOWEVER, that no such report need be delivered with respect to any such acquisition or Transfer of Equity Securities by the VU Parties or their Affiliates that is reported in a statement on Schedule 13D filed with the

Edgar Filing: USA NETWORKS INC - Form PRER14A

Commission and delivered to the Company by the VU Parties in accordance with Section 13(d) of the Exchange Act. The Company shall be entitled to rely on such reports and statements on Schedule 13D for all purposes of this Agreement.

SECTION 1.04. TRANSFEREES. No Third Party Transferee shall have any rights or obligations under this Agreement, except as specifically provided for in this Agreement and except that if such Third Party Transferee shall acquire Beneficial Ownership of more than 5% of the outstanding Total Equity Securities upon consummation of any Transfer or series of related Transfers from a Stockholder, to the extent such Stockholder has the right to Transfer a Demand Registration assigns such right in connection with a Transfer, such Third Party Transferee shall have the right to initiate one or more Demand Registrations pursuant to Section 6.07 or any registration rights agreement that replaces or supersedes Section 6.07 (and shall be entitled to such other rights that a Stockholder would have applicable to such Demand Registration), subject to the obligations of such Stockholder applicable to such demand (and the number of Demand Registrations to which such Stockholder is entitled under Section 6.07 hereof shall be correspondingly decreased). Except in connection with open market transactions (other than pursuant to an underwritten offering), neither the VU Parties, nor any of their Affiliates, shall be entitled to Transfer to any single Third Party Transferee (including Affiliates of such Third Party Transferee), in the aggregate, 10% or more of the Total Equity Securities, unless the VU Parties cause such Third Party Transferee (and its Affiliates, to the extent applicable) to agree to the provisions set forth in Sections 1.01 and 1.02 hereof until such time as such Third Party Transferee and its Affiliates own less than 10% of the Total Equity Securities. Subject to applicable securities laws, except as provided in this Section 1.04 and the Amended and Restated Stockholders Agreement, there are no restrictions on Transfer on the Company Common Stock (and, in the case of the VU Parties, the Warrants).

ARTICLE II

BOARD OF DIRECTORS AND RELATED MATTERS

SECTION 2.01. BOARD OF DIRECTORS. (a) Immediately following the Closing, the Company Board of Directors shall include Phillippe Germond and Jean-Marie Messier. VU shall have the right to nominate up to two VU Directors so long as the number of Equity Securities Beneficially Owned by the VU Parties and their Affiliates is at least equal to 75% of the number of Equity Securities Beneficially Owned by the VU Parties and their Affiliates immediately following the Closing (appropriately adjusted to reflect any stock splits and the like) (so long as the Ownership Percentage of the VU Parties and their Affiliates is at least equal to the lesser of (x) 15% of the Total Equity Securities and (y) the percentage that is five percentage points less than the percentage of the Total Equity Securities Beneficially Owned by the VU Parties and their Affiliates immediately following the Closing). VU shall have the right to nominate one VU Director so long as the VU Parties Beneficially Own a number of Equity Securities at least equal to 50% of the number of the Equity Securities Beneficially Owned by them immediately following the Closing (appropriately adjusted to reflect any stock splits and the like) (so long as the VU Party's Ownership Percentage is at least equal to 10% of the Total Equity Securities).

C-6

Edgar Filing: USA NETWORKS INC - Form PRER14A

(c) Within a reasonable time prior to the filing with the Commission of its proxy statement or information statement with respect to each meeting of stockholders at which directors are to be elected, the Company shall, to the extent such Person is entitled to representation on the Company's Board of Directors in accordance with this Agreement, provide VU and Liberty, as applicable, with the opportunity to review and comment on the information contained in such proxy or information statement applicable to the director nominees designated by such Person.

(d) In the event that a vacancy is created at any time by the death, disability, retirement, resignation or removal (with or without cause) of any VU Director or Liberty Director, VU or Liberty, as the case may be, shall have the right to designate a replacement VU Director or Liberty Director to fill such vacancy, and the Company agrees to use its best efforts to cause such vacancy to be filled with the replacement VU Director or Liberty Director so designated. Upon the written request of VU or Liberty, each Stockholder shall vote (and cause each of the members of its Stockholders Group to vote, if applicable), or act by written consent with respect to, all Equity Securities Beneficially Owned by it and otherwise take or cause to be taken all actions necessary to remove the director designated by such requesting party and to elect any replacement director designated by such party as provided in the first sentence of this Section 2.01(d).

(a) any transaction not in the ordinary course of business, launching new or additional channels or engaging in any new field of business, in any case, that will result in, or will have a reasonable likelihood of resulting in, Liberty or Mr. Diller or any Affiliate thereof being required under law to divest itself of all or any part of its Equity Securities, or interests therein, or any other material assets of such Person, or that will render such Person's continued ownership of such securities, shares, interests or assets illegal or subject to the imposition of a fine or penalty or that will impose material additional restrictions or limitations on such Person's full rights of ownership (including, without limitation, voting) thereof or therein. This Contingent Matter will be applied based only on the Equity Securities, interests therein or other material assets of Liberty or Mr. Diller or any Affiliate thereof as of the Closing Date;

(b) if the Total Debt Ratio continuously equals or exceeds 4:1 over a twelve-month period, then, for so long as the Total Debt Ratio continues to equal or exceed 4:1:

(i) any acquisition or disposition (including pledges), directly or indirectly, by the Company or any of its Subsidiaries of any assets (including debt and/or equity securities) or business (by merger, consolidation or otherwise), the grant or issuance of any debt or equity securities of the Company or any of its Subsidiaries, other than, in any of the foregoing, as contemplated by the Liberty Exchange Agreement or the Exchange Shares), the redemption, repurchase or reacquisition of any debt or equity securities of the Company or any of its Subsidiaries, other than as contemplated by the Liberty Exchange Agreement or the Exchange Shares, by the Company or any such Subsidiary, or the incurrence of any indebtedness, or any combination of the foregoing, in any such case, in one transaction or a series of transactions in a six-month period, with a value of 10% or more of the market value of the Total Equity Securities at the time of such transaction, provided that the prepayment, redemption, repurchase or conversion of prepayable, callable, redeemable or convertible securities in accordance with the terms thereof shall not be a transaction subject to this paragraph;

(ii) voluntarily commencing any liquidation, dissolution or winding up of the Company or any material Subsidiary;

(iii) any material amendments to the Certificate of Incorporation or Bylaws of the Company (including the issuance of blank check preferred stock containing super voting rights or class votes on any matter (except to the extent such class vote is required by Delaware law or to the extent the holder of such preferred stock may have the right to elect directors upon the occurrence of a default in payment of dividends or a redemption price));

electronic retailing and commerce, or other businesses engaged in by the Company as of the date of determination of the Total Debt Ratio;

SECTION 2.04. NOTICE OF EVENTS. In the event that (a) the Company intends to engage in a transaction of a type that is described in Section 2.03, and (b) the Company does not intend to seek consent from those parties that are required to consent to a Contingent Matter (a "CONSENTING PARTY") due to the Company's good faith belief that the specific provisions of such paragraph do not require such consent but that reasonable people acting in good faith could differ as to whether consent is required pursuant to such paragraph, the Company shall notify the Consenting Parties as to the material terms of the transaction (including the Company's estimate of the timing thereof) by written notice (including a statement of the Total Debt Ratio) delivered as far in advance of engaging in such transaction as is reasonably practicable unless such transaction was previously publicly disclosed.

(d) Notwithstanding anything contained herein to the contrary, Liberty shall have the rights set forth in Section 3.01(a) hereof with respect to the transactions contemplated by the Expedia Merger Agreement to the extent Liberty has not previously exercised such rights pursuant to Section 1.8 of the Investment Agreement prior to its termination in accordance with the terms of Section 3.02 hereof. SECTION 6.02. AMENDMENTS; NO WAIVERS. (a) Any provision of this Agreement may be amended or waived if, and only if, such amendment or waiver is in writing and signed, in the case of an amendment, by the party whose rights or obligations hereunder are affected by such amendment, or in the case of a waiver, by the party or parties against whom the waiver is to be effective. Approval by the VU Parties of any amendment to this Agreement (or any waiver of any provision hereof) shall be required only if it relates to Article I, Section 2.01 (as applied to the VU Parties), Article VI, or if such amendment or waiver would adversely affect any rights of, or impose any obligations on, the VU Parties provided hereunder or under the Amended and Restated Stockholders Agreement. Any amendment or waiver by the Company shall be authorized by a majority of the Board of Directors (excluding for this purpose any director who is a VU Director or Liberty Director as provided for in this Agreement).

(b) No failure or delay by any party in exercising any right, power or privilege hereunder shall operate as a waiver thereof nor shall any single or partial exercise thereof preclude any other or further exercise thereof or the exercise of any other right, power or privilege. The rights and remedies herein provided shall be cumulative and not exclusive of any rights or remedies provided by law.

SECTION 6.03. SUCCESSORS AND ASSIGNS. Except as provided in Section 1.04, neither this Agreement nor any of the rights or obligations under this Agreement shall be assigned, in whole or in part (except by operation of law pursuant to a merger of VU or Liberty with another Person a significant purpose of which is not to avoid the provisions of this Agreement), by any party without the prior written consent of the other parties hereto. Subject to the foregoing, the provisions of this Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective successors and permitted assigns.

SECTION 6.04. GOVERNING LAW; CONSENT TO JURISDICTION. This Agreement shall be construed in accordance with and governed by the internal laws of the State of Delaware, without giving effect to the principles of conflicts of laws. Each of the parties hereto hereby irrevocably and unconditionally consents to submit to the non-exclusive jurisdiction of the courts of the State of Delaware, for any action, proceeding or investigation in any court or before any governmental authority ("LITIGATION") arising out of or relating to this Agreement and the transactions contemplated hereby and further

C-17

agrees that service of any process, summons, notice or document by U.S. mail to its respective address set forth in this Agreement shall be effective service of process for any Litigation brought against it in any such court. Each of the parties hereto hereby irrevocably and unconditionally waives any objection to the laying of venue of any Litigation arising out of this Agreement or the transactions contemplated hereby in the courts of the State of Delaware, and hereby further irrevocably and unconditionally waives and agrees not to plead or claim in any such court that any such Litigation brought in any such court has been brought in an inconvenient forum. Each of the parties irrevocably and unconditionally waives, to the fullest extent permitted by applicable law, any and all rights to trial by jury in connection with any Litigation arising out of or relating to this Agreement or the transactions contemplated hereby.

SECTION 6.05. COUNTERPARTS; EFFECTIVENESS. This Agreement may be signed in any number of counterparts, each of which shall be an original, with the same effect as if the signatures thereto and hereto were upon the same instrument. This Agreement shall become effective upon the Closing, at which time this Agreement shall supersede in all respects the 1997 Governance Agreement.

Edgar Filing: USA NETWORKS INC - Form PRER14A

SECTION 6.06. SPECIFIC PERFORMANCE. The Company, Mr. Diller, Universal, VU and Liberty each acknowledges and agrees that the parties' respective remedies at law for a breach or threatened breach of any of the provisions of this Agreement would be inadequate and, in recognition of that fact, agrees that, in the event of a breach or threatened breach by the Company, Universal, VU or Liberty of the provisions of this Agreement, in addition to any remedies at law, Mr. Diller, Universal, VU, Liberty and the Company, respectively, without posting any bond shall be entitled to obtain equitable relief in the form of specific performance, a temporary restraining order, a temporary or permanent injunction or any other equitable remedy which may then be available.

SECTION 6.07. REGISTRATION RIGHTS. (a) The VU Parties, Liberty and Mr. Diller shall be entitled to customary registration rights relating to Company Common Stock (and with respect to the VU Parties, the Warrants) owned by them as of the Closing or acquired from the Company (including upon the exercise of the Warrants) in the future (including the ability to transfer registration rights in connection with the sale or other disposition of Company Common Stock as set forth in this Agreement). In the case of the VU Parties, references in this Section 6.07 to Company Common Stock shall be deemed to include the Warrants.

(b) If requested by a Stockholder, the Company shall be required promptly to cause the Company Common Stock owned by such Stockholder or its Affiliates to be registered under the Securities Act in order to permit such Stockholder or such Affiliate to sell such shares in one or more (but not more than (i) in the case of the VU Parties, four, (ii) in the case of Liberty, four and (iii) in the case of Mr. Diller, three) registered public offerings (each, a "DEMAND REGISTRATION"). Each Stockholder shall also be entitled to customary piggyback registration rights. If the amount of shares sought to be registered by a Stockholder and its Affiliates pursuant to any Demand Registration is reduced by more than 25% pursuant to any underwriters' cutback, then such Stockholder may elect to request the Company to withdraw such registration, in which case, such registration shall not count as one of such Stockholder's Demand Registrations. If a Stockholder requests that any Demand Registration be an underwritten offering, then such Stockholder shall select the underwriter(s) to administer the offering, provided that such underwriter(s) shall be reasonably satisfactory to the Company. If a Demand Registration is an underwritten offering and the managing underwriter advises the Stockholder initiating the Demand Registration in writing that in its opinion the total number or dollar amount of securities proposed to be sold in such offering is such as to materially and adversely affect the success of such offering, then the Company will include in such registration, first, the securities of the initiating Stockholder, and, thereafter, any securities to be sold for the account of others who are participating in such registration (as determined on a fair and equitable basis by the Company). In connection with any Demand Registration or inclusion of a Stockholder's or its Affiliate's shares in a piggyback registration, the Company, such Stockholder and/or its Affiliates shall enter into an agreement containing terms

C-18

(including representations, covenants and indemnities by the Company and such Stockholder), and shall be subject to limitations, conditions, and blackout periods, customary for a secondary offering by a selling stockholder. The costs of the registration (other than underwriting discounts, fees and commissions) shall be paid by the Company. The Company shall not be required to register such shares if a Stockholder would be permitted to sell the Company Common Stock in the quantities proposed to be sold at such time in one transaction under Rule 144 of the Securities Act or under another comparable exemption therefrom.

(c) If the Company and a Stockholder cannot agree as to what constitutes customary terms within ten days of such Stockholder's request for registration

Edgar Filing: USA NETWORKS INC - Form PRER14A

(whether in a Demand Registration or a piggyback registration), then such determination shall be made by a law firm of national reputation mutually acceptable to the Company and such Stockholder.

SECTION 6.08. TERMINATION. Except as otherwise provided in this Agreement, this Agreement shall terminate (a) as to the VU Parties, at such time that the VU Parties Beneficially Own Equity Securities representing less than 5% of the Total Equity Securities, (b) as to Liberty, at such time that Liberty Beneficially Owns Equity Securities representing less than 5% of the Total Equity Securities and (c) as to Mr. Diller, at such time that the CEO Termination Date has occurred or at such time as he becomes Disabled. In respect of "Contingent Matters," such provisions shall terminate as to Mr. Diller and Liberty as set forth therein.

SECTION 6.09. SEVERABILITY. If any term, provision, covenant or restriction of this Agreement is held by a court of competent jurisdiction to be invalid, void or unenforceable, the remainder of the terms, provisions, covenants and restrictions of this Agreement shall remain in full force and effect and shall in no way be affected, impaired or invalidated, provided that the parties hereto shall negotiate in good faith to attempt to place the parties in the same position as they would have been in had such provision not been held to be invalid, void or unenforceable.

SECTION 6.10. COOPERATION. Each of Universal, VU, Liberty and Mr. Diller covenants and agrees with the other to use its reasonable best efforts to cause the Company to fulfill the Company's obligations under this Agreement.

SECTION 6.11. ADJUSTMENT OF SHARE NUMBERS. If, after the date of this Agreement, there is a subdivision, split, stock dividend, combination, reclassification or similar event with respect to any of the shares of capital stock referred to in this Agreement, then, in any such event, the numbers and types of shares of such capital stock referred to in this Agreement shall be adjusted to the number and types of shares of such capital stock that a holder of such number of shares of such capital stock would own or be entitled to receive as a result of such event if such holder had held such number of shares immediately prior to the record date for, or effectiveness of, such event.

SECTION 6.12. ENTIRE AGREEMENT. Except as otherwise expressly set forth herein, this Agreement, the Amended and Restated Stockholders Agreement, the Liberty Exchange Agreement, the Transaction Agreement and each of the other agreements contemplated by the Transaction Agreement embody the complete agreement and understanding among the parties hereto with respect to the subject matter hereof and supersede and preempt any prior understandings, agreements or representations by or among the parties, written or oral, that may have related to the subject matter hereof in any way (including, without limitation, effective upon the Closing, all stockholders agreements relating to the Company (other than the Amended and Restated Stockholders Agreement) between Liberty and Mr. Diller). Without limiting the generality of the foregoing, to the extent that any of the terms hereof are inconsistent with the rights or obligations of any party under any other agreement with any other party, the terms of this Agreement shall govern.

SECTION 6.13. INTERPRETATION. References in this Agreement to Articles and Sections shall be deemed to be references to Articles and Sections of this Agreement unless the context shall otherwise

require. The words "include," "includes" and "including" shall be deemed to be followed by the phrase "without limitation." D-9

(b) The meanings given to terms defined herein shall be equally applicable to both the singular and plural forms of such terms.

(c) For purposes of calculating the amount of outstanding Common Shares or Equity as of any date and the number of Common Shares or Equity beneficially owned by any Person as of any date, (i) any Common Shares held in the Company's treasury or owned by any Subsidiaries of the Company shall be disregarded and (ii) all Exchange Shares shall be assumed to have been converted into Common Shares.

SECTION 2.1 DILLER STANDSTILL WITH VIVENDI. (a) Diller agrees that, prior to the earliest of (i) the fourth anniversary of the Closing Date, (ii) the sale of all or substantially all of the assets of Vivendi and its Subsidiaries to another Person other than a Subsidiary of Vivendi, or (iii) the effective time of any merger or consolidation of Vivendi with or into any other Person, other than a merger or consolidation in which a majority of the shares of the surviving entity are held by the holders of Vivendi's voting securities immediately prior to such effective time (the "RESTRICTED PERIOD"), he and his Affiliates will not, in any manner, whether publicly or otherwise, directly or indirectly, without the prior written consent of Vivendi, unless specifically requested in writing by the CEO of Vivendi or by a resolution of a majority of the board of directors of Vivendi:

(i) acquire, agree to acquire or make any proposal to acquire, directly or indirectly, by purchase or otherwise, beneficial ownership of (A) any voting securities if immediately after such acquisition, the voting securities beneficially owned, in the aggregate, by Diller and its Affiliates would exceed five percent (5%) of the outstanding voting securities of Vivendi or (B) any significant assets of Vivendi, or any of its Subsidiaries (other than assets acquired in the ordinary course of business); PROVIDED, HOWEVER, that this clause shall not be deemed to be violated by the indirect acquisition of voting securities of Vivendi as a result of an acquisition by Diller of another Person that holds such voting securities so long as the voting securities of Vivendi held by such Person do not exceed 1% of such Person's total assets;

(ii) propose to enter into, directly or indirectly, any merger, tender offer or other business combination or similar transaction involving Vivendi or any of its Subsidiaries (including a purchase of a material portion of their assets);

(iii) make, or in any way participate in, directly or indirectly, any

"solicitation" of "proxies" (as such terms are defined in Regulation 14A ("REGULATION 14A") under the Exchange Act but without regard to the exclusion set forth in clause (2)(iv) of the definition of "solicitation") to vote, or seek to advise or influence any Person with respect to the voting of, any securities of Vivendi or any of its Subsidiaries, or become a "participant" in a "solicitation" (as such terms are defined in Regulation 14A but without regard to the exclusion set forth in clause (2)(iv) of the definition of "solicitation") whether or not such solicitation is subject to regulation under Regulation 14A;

(iv) grant any proxy with respect to any voting securities of Vivendi (other than to Vivendi, its Affiliates or the CEO of Vivendi);

(v) call, or seek to call, a meeting of Vivendi's shareholders or initiate any shareholder proposal for action by shareholders of Vivendi;

(vi) bring any action or otherwise act to contest the validity of this Article II or seek a release of the restrictions contained herein;

D-10

(vii) form, join or in any way participate in a "group" (within the meaning of Section 13(d)(3) of the Exchange Act) with respect to any voting securities of Vivendi or any of its Subsidiaries or deposit any voting securities of Vivendi in a voting trust or subject any voting securities of Vivendi to any arrangement or agreement with respect to the voting of such voting securities or other agreement having similar effect;

(viii) otherwise act, alone or in concert with others, to seek to affect or influence the control of the management or the board of directors of Vivendi or the business, operations or policies of Vivendi;

(ix) enter into any discussions, negotiations, arrangements, understandings or agreements (whether written or oral) with any other Person (other than Diller's financial advisors, agents, other advisors or representatives) regarding a business combination involving Vivendi, any other purchase of any voting securities involving Vivendi, or significant assets of Vivendi;

(x) disclose any intention, plan or arrangement inconsistent with the foregoing; or

(xi) advise or assist any other Person in connection with any of the foregoing.

Diller also agrees that, during the Restricted Period, neither he nor anyone acting on his behalf will (x) request Vivendi or any of its directors, officers, employees, agents, advisors or representatives, directly or indirectly, to amend or waive any provision of this Article II (including this sentence) or (y) take any action which might require Vivendi to make a public announcement regarding the possibility of a business combination, merger or extraordinary transaction.

(b) Notwithstanding Section 2.1(a), Diller or any of his Affiliates shall be permitted during the Restricted Period to submit a proposal addressed to the board of directors of Vivendi that proposes a merger or other business combination involving Vivendi if (i) Vivendi shall have publicly announced that it has entered into a definitive agreement providing for: (A) any acquisition from Vivendi or from one or more stockholders thereof (by tender or exchange offer or other public offer), or both, more than 50% of the outstanding voting or equity securities of Vivendi, (B) any acquisition of all, or substantially all, the assets of Vivendi and its Subsidiaries or (C) a merger, consolidation, statutory share exchange or similar transaction between or involving Vivendi and

Edgar Filing: USA NETWORKS INC - Form PRER14A

another Person (other than a merger or consolidation in which a majority of the voting shares of the surviving entity are held by the holders of Vivendi's voting securities immediately prior to such effective time); or (ii) any Person shall have commenced a tender offer or exchange offer that is likely to result in any Person or group beneficially owning 50% or more of the voting securities of Vivendi; PROVIDED, that in the case of this clause (ii), the right to make a proposal pursuant to this Section 2.1(b) shall cease upon the withdrawal or termination of such unsolicited tender offer or exchange offer or proposal unless Diller or any of his Affiliates shall have submitted a proposal prior to such withdrawal or termination.

ARTICLE III CORPORATE GOVERNANCE

SECTION 3.1 VOTING ON CERTAIN MATTERS. (a) In the event that Section 2.03 of the Governance Agreement is applicable, in connection with any vote or action by written consent of the stockholders of the Company relating to any matter that constitutes a Contingent Matter, each Stockholder agrees (and agrees to cause each member of its Stockholders Group, if applicable), with respect to any Common Shares with respect to which it or he has the power to vote (whether by proxy, the ownership of voting securities of a BDTV Entity or otherwise) (including all shares held by any BDTV Entity), to vote against (and not act by written consent to approve) such Contingent Matter (including not voting or not executing a written consent with respect to the Common Shares beneficially owned by a BDTV Entity) if Liberty and Diller have not consented to such Contingent Matter in accordance with the provisions of the Governance Agreement and to take or cause to be taken all other reasonable actions

D-11

required, to the extent permitted by law, to prevent the taking of any action by the Company with respect to a Contingent Matter without the consent of Liberty.

(b) Each Stockholder agrees to vote (and cause each member of its or his Stockholder Group to vote, if applicable), or act by written consent with respect to any Common Shares with respect to which it or he has the power to vote (whether by proxy, the ownership of voting securities of a BDTV Entity or otherwise) (including all shares held by any BDTV Entity) in favor of (i) each of the designees of Universal which Universal has a right to designate pursuant to the Governance Agreement, and (ii) each of the designees of Liberty which Liberty has a right to designate pursuant to the Governance Agreement.

(c) Upon the written request of Universal or Liberty, each Stockholder, in such Stockholder's capacity as a stockholder only, agrees to vote (and cause each member of its Stockholders Group to vote, if applicable), or act by written consent with respect to any Common Shares with respect to which it or he has the power to vote (whether by proxy, the ownership of voting securities of a BDTV Entity or otherwise) (including all shares held by any BDTV Entity) and otherwise take or cause to be taken all actions necessary to remove any Director designated by such requesting party and to elect any replacement Director designated by such party as provided in the Governance Agreement. Unless all the Stockholders otherwise agree, no Stockholder or any member of its Stockholders Group shall take any action to cause the removal of any Director designated by Universal or any Director designated by Liberty except (i) in the case of a Director designated by Universal, upon the written request of Universal, and (ii) in the case of a Director designated by Liberty, upon the written request of Liberty.

(d) For purposes of Sections 3.1 and 3.4 and Article V of this Agreement as well as the 1997 Stockholders Agreement, each of Liberty, Universal and Diller hereby consents and agrees to the taking of any action by any of Diller, a BDTV Entity, Universal or Liberty, which action is reasonably necessary or

Edgar Filing: USA NETWORKS INC - Form PRER14A

appropriate to approve and consummate the transactions pursuant to the Transaction Agreement and the Transaction Documents (and including Diller's arrangements with the Partnership). Neither Diller nor Liberty shall enter into, or permit any material amendment to, or waiver or modification of material rights or obligations under the Transaction Agreement or the Transaction Documents (including by the Company) without the prior written consent of the other Stockholder. The consent granted by the first sentence of this paragraph is intended to be specifically limited by the foregoing sentence.

(e) Liberty will not be deemed to be in violation of paragraphs (a), (b) or (c) of this Section 3.1 as a result of any action by Diller (including by a BDTV Entity as a result of an action by Diller) that is not within Liberty's control.

SECTION 3.2 RESTRICTIONS ON OTHER AGREEMENTS. No Stockholder or any of its or his Permitted Transferees shall enter into or agree to be bound by any stockholder agreements or arrangements of any kind with any Person with respect to any Equity (including, without limitation, the deposit of any Common Shares in a voting trust or forming, joining or in any way participating in or assisting in the formation of a Group with respect to any Common Shares, other than any such Group consisting exclusively of Liberty, Universal and Diller and any of their respective Affiliates, Permitted Designees and Permitted Transferees) and no Stockholder (other than Universal or Liberty or any of their respective Permitted Transferees) or any of its or his Permitted Transferees shall enter into or agree to be bound by any agreements or arrangements of any kind with any Person to incur indebtedness for purposes of purchasing Equity (other than to exercise Options or to purchase Common Shares pursuant to Section 4.3 or 4.4 of this Agreement), except (i) for such agreements or arrangements as are now in effect or as are contemplated by the Transaction Documents, (ii) in connection with a proposed sale of BDTV Entity securities or Common Shares otherwise permitted hereunder or (iii) for such agreements or arrangements with a Permitted Designee reasonably acceptable to the other Stockholders and not inconsistent with or for the purpose of evading the terms of this Agreement.

D-12

SECTION 3.3 IRREVOCABLE PROXY OF UNIVERSAL. (a) (i) Until the earlier of the date that Diller ceases to exercise rights under this Section 3.3 pursuant to Section 6.2(c) or the Universal Termination Date, Diller shall be entitled to exercise voting authority and authority to act by written consent over all shares of Common Stock beneficially owned by each member of the Vivendi Stockholder Group, and (ii) until Diller ceases to exercise rights under this Section 3.3 pursuant to Section 6.2(c), Diller shall be entitled to exercise voting authority to act by written consent over all shares of Class B Common Stock beneficially owned by each member of the Vivendi Stockholder Group (the shares referred to in clauses (i) and (ii), collectively, the "UNIVERSAL PROXY SHARES"), in each case, on all matters submitted to a vote of the Company's stockholders or by which the Company's stockholders may act by written consent pursuant to a conditional proxy (which proxy is irrevocable and coupled with an interest for purposes of Section 212 of the Delaware General Corporation Law) (the "UNIVERSAL PROXY"); PROVIDED, that in the event that Diller is removed by the Board as CEO for any reason other than Cause, Diller shall be deemed to continue to be CEO hereunder and shall be entitled to exercise the Universal Proxy set forth herein until the earlier of (A) such time as he has abandoned efforts to cause his reinstatement as CEO and (B) the next stockholders meeting of the Company at which he had an adequate opportunity to nominate and elect his slate of directors (unless at such stockholders meeting Diller's slate of directors is elected and Diller is promptly thereafter reinstated as CEO).

(b) The Universal Proxy shall terminate as provided for in Section 3.3(a) or, if earlier, (i) immediately upon a material breach by Diller of Section 3.1(b) (i) or Section 3.1(c) (as applicable to Universal) or of Article II (which breach is not cured promptly following receipt by Diller of written notice of

Edgar Filing: USA NETWORKS INC - Form PRER14A

such breach from Vivendi), (ii) at such time as Diller has been convicted of, or has pleaded guilty to, any felony involving moral turpitude or (iii) at such time as Diller ceases to beneficially own 20,000,000 Common Shares with respect to which he has a pecuniary interest; PROVIDED, in the case of clauses (ii) and (iii) above, that Universal sends notice of such termination to Diller within 30 days after the event giving rise to such termination, in which case the Universal Proxy shall terminate immediately upon the receipt of such notice.

(c) Notwithstanding anything to the contrary set forth in this Agreement, the Universal Proxy is personal to Diller and may not be assigned by Diller by operation of law or otherwise and shall not inure to Diller's successors without the prior written consent of Universal.

SECTION 3.4 IRREVOCABLE PROXY OF LIBERTY. (a) Subject to paragraphs (b) and (c) below, until the earlier of the date that (x) Diller is no longer CEO or (y) Diller is Disabled, Diller shall be entitled to exercise voting authority and authority to act by written consent over all Common Shares beneficially owned by each member of the Liberty Stockholder Group (the "LIBERTY PROXY SHARES"), on all matters submitted to a vote of the Company's stockholders or by which the Company's stockholders may act by written consent pursuant to a conditional proxy (which proxy is irrevocable and coupled with an interest for purposes of Section 212 of the Delaware General Corporation Law) (the "LIBERTY PROXY"); PROVIDED, that in the event that Diller is removed by the Board as CEO for any reason other than Cause, Diller shall be deemed to continue to be CEO hereunder and shall be entitled to the Liberty Proxy set forth herein until the earlier of (A) such time as he has abandoned efforts to cause his reinstatement as CEO and (B) the next stockholders meeting of the Company at which he had an adequate opportunity to nominate and elect his slate of directors (unless at such stockholders meeting Diller's slate of directors is elected and Diller is promptly thereafter reinstated as CEO).

(d) Notwithstanding the foregoing, the Liberty Proxy shall not be valid with respect to any of the Liberty Proxy Shares in connection with any vote for (or consent to approve) any matter that is a Contingent Matter which Liberty has the right to consent to pursuant to the terms of the Governance Agreement with respect to which Liberty has not consented.

D-13

(e) The Liberty Proxy shall terminate as provided for in Section 3.4(a) or, if earlier, (i) immediately upon a material breach by Diller of the terms of Section 3.1(a), Section 3.1(b)(ii), Section 3.1(c) (as applicable to Liberty) or Section 3.4(b) of this Agreement, (ii) at such time as Diller has been convicted of, or has pleaded guilty to, any felony involving moral turpitude or (iii) at such time as Diller ceases to beneficially own 20,000,000 Common Shares with respect to which he has a pecuniary interest; PROVIDED, in the case of clauses (ii) and (iii) above, that Liberty sends notice of such termination to Diller within 30 days after receiving notice of the event giving rise to such termination, in which case the Liberty Proxy shall terminate immediately upon the receipt of such notice.

(f) Notwithstanding anything to the contrary set forth herein, the Liberty Proxy is personal to Diller and may not be assigned by Diller and shall not inure to Diller's successors without the prior written consent of Liberty.

SECTION 3.5 COOPERATION. Each Stockholder shall vote (or act or not act by written consent with respect to) all of its Common Shares (and any Common Shares with respect to which it has the power to vote (whether by proxy or otherwise) and shall, as necessary or desirable, attend all meetings in person or by proxy for purposes of obtaining a quorum, and execute all written consents in lieu of meetings, as applicable, to effectuate the provisions of this Article III.

ARTICLE IV TRANSFER OF COMMON SHARES

SECTION 4.1 RESTRICTIONS ON TRANSFER BY LIBERTY AND DILLER. (a) Until the CEO Termination Date or such time as Diller becomes Disabled, subject to the other provisions of this Agreement, neither Liberty nor Diller shall Transfer or otherwise dispose of (including pledges), directly or indirectly, any Common Shares beneficially owned by its Stockholder Group other than (w) Transfers of Common Shares by Diller in order to pay taxes arising from the granting, vesting and/or exercise of the Options, (x) Transfers of Common Shares by Liberty to members of the Liberty Stockholder Group or by Diller to members of the Diller Stockholder Group, (y) a pledge or grant of a security interest in vested Common Shares (other than the pledge of certain Common Shares pursuant to prior arrangements between Diller and the Company) or pledges by a member of the Liberty Stockholder Group of securities of a BDTV Entity that Liberty is entitled to Transfer under (b)(iii) below in connection with BONA FIDE indebtedness in which the pledgee of the applicable Common Shares (or securities of such BDTV Entity) agrees that, upon any default or exercise of its rights under such pledge or security arrangement, it will offer to sell the pledged Common Shares (or securities of such BDTV Entity) to the non-pledging Stockholder(s) (or its or his designee) for an amount equal to the lesser of the applicable amount of such indebtedness and the fair market value of such pledged Common Shares (or securities of such BDTV Entity), and (z) Transfers of Options or Common Shares to the Company by Diller or his Affiliates in connection with a "cashless" exercise of the Options (including Options granted to Diller on the date hereof or in the future). The restrictions on Transfer by Liberty provided in this Section 4.1 shall be for the sole benefit of Diller and the restrictions on Transfer by Diller provided in this Section 4.1 shall be for the sole benefit of Liberty.

(b) Notwithstanding the restrictions contained in subsection (a) above (and in addition to the foregoing exceptions, but subject to the right of first refusal described in Section 4.4 on behalf of Diller (or his designee) with respect to Transfers by members of the Liberty Stockholder Group and to a right of first refusal on behalf of Liberty (or its designee) with respect to Transfers by members of the Diller Stockholder Group (which rights shall be assignable)): (i) either Liberty or Diller may Transfer all or any portion of the Common Shares beneficially owned by its Stockholder Group (and, in the case of Liberty only, its entire interest in the BDTV Entities) to an unaffiliated third party or to Universal, PROVIDED, HOWEVER, that a Transfer by either Liberty or Diller to a third party or to Universal shall be subject to the tag-along right pursuant to Section 4.2, and (ii) either Liberty or Diller may Transfer any

D-14

portion of the Common Shares (including, in the case of Liberty, all or a portion of a BDTV Entity interest) held by its Stockholder Group to an unaffiliated third party; PROVIDED that, (a) following such Transfer such Stockholder Group retains its Eligible Stockholder Amount of Common Shares and (b) in the case of the Transfer of an interest in or Common Shares held by a BDTV Limited Entity as of the date hereof, following such Transfer, Liberty, Diller and Universal, to the extent Universal remains subject to this Agreement, and each of their respective Stockholder Groups collectively beneficially own the Minimum Stockholder Amount. Notwithstanding the previous sentence and the restrictions contained in paragraph (a) above and subject to the requirement, with respect to a Transfer by Liberty of an interest in or Common Shares held by a BDTV Limited Entity as of the date hereof, that the Stockholders and their respective Stockholder Groups collectively beneficially own the Minimum Stockholder Amount, either Liberty or Diller may transfer any of its Common Shares in one or more transactions that comply with the requirements of Rule 144 or 145 (as applicable) under the Securities Act.

Edgar Filing: USA NETWORKS INC - Form PRER14A

SECTION 4.2 TAG-ALONG FOR DILLER AND LIBERTY FOR TRANSFERS BY THE OTHER. (a) If either Diller or Liberty shall desire to Transfer to any third party, including Universal and the members of its Stockholder Group, any of the Common Shares beneficially owned by him or it or any member of his or its Stockholder Group (other than as set forth in paragraph (e) below), in one transaction or a series of related transactions (the "TAG-ALONG SALE"), Diller or Liberty, as applicable, shall give prior written notice to the other of such intended Transfer. Such notice (the "TAG-ALONG NOTICE") shall set forth the terms and conditions of such proposed Transfer, including the number of Common Shares proposed to be Transferred (the "TAG-ALONG SHARES"), the purchase price per Common Share proposed to be paid therefor and the payment terms and type of Transfer to be effectuated.

(b) Within 10 days after delivery of the Tag-Along Notice by Diller or Liberty to the other, as applicable, Liberty or Diller, respectively, shall, by written notice to the other, have the opportunity and right to sell to such third party in such proposed Transfer (upon the same terms and conditions as Diller or Liberty, as applicable) up to that number of Common Shares beneficially owned by Liberty or Diller (including Liberty's pro rata portion of any shares held by a BDTV Entity) as shall equal the product of (x) a fraction, the numerator of which is the number of Tag-Along Shares and the denominator of which is the aggregate number of Common Shares beneficially owned as of the date of the Tag-Along Notice by Diller and his Affiliates (excluding shares held by any BDTV Entity that were not contributed by Diller) or Liberty and its Affiliates (including Common Shares held by any BDTV Entity that were contributed by Liberty), multiplied by (y) the number of Common Shares beneficially owned by Liberty or Diller, as applicable (including Liberty's pro rata portion of any shares held by a BDTV Entity) as of the date of the Tag-Along Notice. The number of Common Shares that Diller or Liberty may sell to a third party pursuant to Section 4.2(a) shall be determined by multiplying the maximum number of Tag-Along Shares that such third party is willing to purchase on the terms set forth in the Tag-Along Notice by a fraction, the numerator of which is the number of Common Shares that such Stockholder proposes to sell hereunder (subject to the maximum amount for Diller or Liberty, as applicable, calculated pursuant to the preceding sentence) and the denominator of which is the aggregate number of Common Shares that Diller and Liberty propose to sell hereunder.

(c) At the closing of any proposed Transfer in respect of which a Tag-Along Notice has been delivered, Liberty or Diller, as applicable, shall deliver, free and clear of all liens (other than liens caused by the other party), to such third party certificates evidencing the Common Shares to be sold thereto duly endorsed with Transfer powers and shall receive in exchange therefore the consideration to be paid by such third party in respect of such Common Shares as described in the Tag-Along Notice. No transferee shall be required to purchase shares of a BDTV Entity in connection with the Tag-Along Sale and each of Liberty and Diller shall cooperate so that any transferee will be able to purchase directly any Common Shares held by a BDTV Entity and not the shares of any BDTV Entity.

D-15

(d) Neither Diller and the members of his Stockholders Group, on the one hand, nor Liberty and the members of its Stockholders Group, on the other hand, shall effect any Transfer or Transfers constituting a Tag-Along Sale absent compliance with this Section 4.2.

(e) This Section 4.2 shall not be applicable to the Transfer by Diller or any member of his Stockholder Group (i) of an aggregate of not more than 4,000,000 Common Shares within any rolling twelve-month period, (ii) pursuant to Section 4.1(a)(w) or 4.1(a)(z), (iii) in a Market Sale or (iv) following such

Edgar Filing: USA NETWORKS INC - Form PRER14A

time as Diller is no longer CEO other than any Transfer made in connection with Diller ceasing to be CEO.

SECTION 4.3 RIGHT OF FIRST REFUSAL OF DILLER ON TRANSFERS BY UNIVERSAL. (a) Any Transfer of Common Shares by Universal or any member of its Stockholder Group (the "TRANSFERRING PARTY") will be subject to the right of first refusal provisions of this Section 4.3 other than a Transfer (i) between Universal and any member of the Vivendi Stockholder Group or between members of the Vivendi Stockholder Group, (ii) in connection with any Market Sale (other than any Market Sale (a "COVERED MARKET SALE") involving the Transfer of 1,000,000 or more Common Shares in any rolling twelve-month period), (iii) of an aggregate of not more than 4,000,000 Common Shares within any rolling twelve-month period, or (iv) contemplated by Section 8.07 of the Partnership Agreement.

(b) Prior to effecting any Transfer described in Section 4.3(a), the Transferring Party shall deliver a written notice (the "OFFER NOTICE") to Diller, which Offer Notice shall specify (i) the Person to whom the Transferring Party proposes to make such Transfer or the proposed manner of Transfer in the case of a public offering or a Covered Market Sale, (ii) the number or amount and description of the Common Shares to be Transferred, (iii) except in the case of a public offering or a Covered Market Sale, the Offer Price (as defined below), and (iv) all other material terms and conditions of the proposed Transfer, including a description of any non-cash consideration sufficiently detailed to permit valuation thereof, and which Offer Notice shall be accompanied by any written offer from the prospective transferee to purchase such Common Shares, if available and permitted pursuant to the terms thereof. The Offer Notice shall constitute an irrevocable offer to Diller or his designee, for the period of time described below, to purchase all (but not less than all) of such Common Shares upon the same terms specified in the Offer Notice, subject to Section 4.3(g) and as otherwise set forth in this Section 4.3. Diller may elect to purchase all (but not less than all) of the Common Shares at the Offer Price (or, if the Offer Price includes property other than cash, the equivalent in cash of such property as determined in accordance with Section 4.3(g)) and upon the other terms and conditions specified in the Offer Notice.

(c) For purposes of this Section 4.3, "OFFER PRICE" shall be defined to mean on a per share or other amount of Common Shares basis (i) in the case of a third party tender offer or exchange offer, the tender offer or exchange offer price per Common Share taking into account any provisions thereof with respect to proration and any proposed second step or "back-end" transaction, (ii) in the case of a public offering or a Covered Market Sale, the Current Market Value per Common Share as of the date the election notice of Diller hereinafter described is delivered and (iii) in the case of a privately-negotiated transaction, the proposed sale price per Common Share.

(d) If Diller elects to purchase the offered Common Shares, he shall give notice (the "ACCEPTANCE NOTICE") to the Transferring Party within 10 Business Days of his receipt of the Offer Notice of his election (or in the case of a third party tender offer or exchange offer, not later than five Business Days prior to the expiration date of such offer; PROVIDED that all conditions to such offer (other than with respect to the number of Common Shares tendered) shall have been satisfied or waived and the Offer Notice shall have been provided at least ten Business Days prior to the expiration date of such offer), which shall constitute a binding obligation, subject to standard terms and conditions for a stock purchase contract between two significant stockholders of an issuer (provided that the Transferring Party shall not be required to make any representations or warranties regarding the business of the

D-16

Company), to purchase the offered Common Shares, which Acceptance Notice shall

Edgar Filing: USA NETWORKS INC - Form PRER14A

include the date set for the closing of such purchase, which date shall be no later than 20 Business Days following the delivery of such Acceptance Notice, or, if later, five Business Days after receipt of all required regulatory approvals; PROVIDED that the closing shall only be delayed pending receipt of required regulatory approvals if (i) Diller is using reasonable efforts to obtain the required regulatory approvals, (ii) there is a reasonable prospect of receiving such regulatory approvals and (iii) if such closing is delayed more than 90 days after the date of the Acceptance Notice, then Diller agrees to pay interest at the Reference Rate to the Transferring Party from such date to the closing date. Notwithstanding the foregoing, such time periods shall not be deemed to commence with respect to any purported notice that does not comply in all material respects with the requirements of this Section 4.3(d). Diller may assign its rights to purchase under this Section 4.3 to any Person who is a Permitted Designee.

(e) Subject to Section 4.3(f) in the case of a Covered Market Sale, if Diller does not respond to the Offer Notice within the required response time period or elects not to purchase the offered Common Shares, the Transferring Party shall be free to complete the proposed Transfer (to the same proposed transferee, in the case of privately-negotiated transaction) on terms no less favorable to the Transferring Party or its Affiliate, as the case may be, than those set forth in the Offer Notice; PROVIDED that (x) such Transfer is closed within (I) 90 days after the latest of (A) the expiration of the foregoing required response time periods, or (B) the receipt by the Transferring Party of the foregoing Acceptance Notice or, in the case of (A) or (B), if later, five Business Days following receipt of all required regulatory approvals; PROVIDED that the closing shall only be delayed pending receipt of required regulatory approvals if (i) the Transferring Stockholder is using reasonable efforts to obtain the required regulatory approvals and (ii) there is a reasonable prospect of receiving such regulatory approvals or, (II) in the case of a public offering, within 20 days of the declaration by the Commission of the effectiveness of a registration statement filed with the Commission pursuant to this Agreement, and (y) the price at which the Common Shares are transferred must be equal to or higher than the Offer Price (except in the case of a public offering, in which case the price at which the Common Shares are sold (before deducting underwriting discounts and commissions) shall be equal to at least 90% of the Offer Price).

(f) If Diller does not respond to the Offer Notice with respect to a Covered Market Sale within the required response time period or elects not to purchase the offered Common Shares, the Transferring Party shall be free to complete the proposed Covered Market Sale in one or more transactions during the 90-day period commencing on the latest of (i) the expiration of the required response time period described in Section 4.3(d) or (ii) receipt by the Transferring Party of the election notice described in Section 4.3(d); PROVIDED that the price at which each Common Share is transferred (excluding brokerage commissions) shall be at least equal to 90% of the Offer Price.

(g) If (i) the consideration specified in the Offer Notice consists of, or includes, consideration other than cash or a publicly traded security for which a closing market price is published for each Business Day, or (ii) any property other than Common Shares is proposed to be transferred in connection with the transaction to which the Offer Notice relates, then the price payable by Diller under this Section 4.3 for the Common Shares being transferred shall be equal to the Fair Market Value of such consideration which shall be determined in the manner set forth in Section 4.3(h). Notwithstanding anything to the contrary contained in this Section 4.3, the time periods applicable to an election by Diller to purchase the offered securities set forth in Section 4.3(a) shall not be deemed to commence until the Fair Market Value has been determined; PROVIDED that, in the case of a third party tender offer or exchange offer, in no event shall any such election be permitted later than five Business Days prior to the latest time by which Common Shares shall be tendered in order to be accepted

Edgar Filing: USA NETWORKS INC - Form PRER14A

pursuant to such offer or to qualify for any proration applicable to such offer if all conditions to such offer (other than the number of shares tendered) have been satisfied or waived. Each of Diller and Universal agrees to use its best efforts to cause the Fair Market Value to be determined as

D-17

promptly as practicable but in no event later than 10 Business Days after the receipt by Diller of the Offer Notice.

(h) Promptly upon receipt by the Transferring Party of the Acceptance Notice, each of Universal and Diller shall select an Independent Investment Banking Firm each of which shall promptly make a determination (each such determination, an "APPRAISAL") of the Fair Market Value of the Transferring Party's Equity. If the higher of such Appraisals is less than or equal to 110% of the lower of such Appraisals, then the Fair Market Value shall be equal to the average of such Appraisals. If the higher of such Appraisals is greater than 110% of the lower of such Appraisals, then a third Independent Investment Banking Firm (which shall be an Independent Investment Banking Firm that shall not have been engaged by the Company, Universal or Diller for the three years prior to the date of such selection) shall be selected by the first two Independent Investment Banking Firms, which third Independent Investment Banking Firm shall promptly make a determination of the Fair Market Value. The Fair Market Value shall equal the average of the two of such three Appraisals closest in value (or if there are no such two, then of all three Appraisals).

SECTION 4.4 RIGHT OF FIRST REFUSAL BETWEEN LIBERTY AND DILLER. (a) Any Transfer of Common Shares by a member of the Liberty Stockholder Group or a member of the Diller Stockholder Group (the "L/D TRANSFERRING PARTY") will be subject to the right of first refusal provisions of this Section 4.4, other than a Transfer by a member of the Liberty Stockholder Group or the Diller Stockholder Group permitted by Section 4.1(a) hereof, a Transfer that is a sale described in Section 4.2(e) (i) or a Market Sale that is not a Covered Market Sale.

(b) Prior to effecting any Transfer referred to in Section 4.4(a), the L/D Transferring Party shall deliver written notice (the "L/D OFFER NOTICE") to Diller, if the L/D Transferring Party is a member of the Liberty Stockholder Group, or to Liberty, if the L/D Transferring Party is a member of the Diller Stockholder Group (the recipient of such notice, the "L/D OTHER PARTY"), which Offer Notice shall specify (i) the Person to whom the L/D Transferring Party proposes to make such Transfer or the proposed manner of Transfer in the case of a public offering or a Covered Market Sale, (ii) the number or amount and description of the Common Shares to be Transferred, (iii) except in the case of a public offering or a Covered Market Sale, the L/D Offer Price (as defined below), and (iv) all other material terms and conditions of the proposed Transfer, including a description of any non-cash consideration sufficiently detailed to permit valuation thereof, and which Offer Notice shall be accompanied by any written offer from the prospective transferee to purchase such Common Shares, if available and permitted pursuant to the terms thereof. The L/D Offer Notice shall constitute an irrevocable offer to the L/D Other Party, for the period of time described below, to purchase all (but not less than all) of such Common Shares.

(c) For purposes of this Section 4.4, "L/D OFFER PRICE" shall mean the purchase price per Common Share to be paid to the L/D Transferring Party in the proposed transaction (as it may be adjusted in order to determine the net economic value thereof). In the event that the consideration payable to the L/D Transferring Party in a proposed transaction consists of securities, the purchase price per share shall equal the fair market value of such securities divided by the number of Common Shares to be Transferred. Such fair market value shall be the market price of any publicly traded security and, if such security

Edgar Filing: USA NETWORKS INC - Form PRER14A

is not publicly traded, the fair market value shall be equal to the Fair Market Value (calculated in accordance with the method described in Section 4.3(h)) of such security.

(d) If the L/D Other Party elects to purchase the offered Common Shares, it shall give notice to the L/D Transferring Party within ten Business Days after receipt of the L/D Offer Notice of its election (or in the case of a third party tender offer or exchange offer, not later than five Business Days prior to the expiration date of such offer; PROVIDED that all conditions to such offer (other than with respect to the number of Common Shares tendered) shall have been satisfied or waived and the L/D Offer Notice shall have been provided at least ten Business Days prior to the expiration date of

D-18

such offer), which shall constitute a binding obligation, subject to standard terms and conditions for a stock purchase contract between two significant stockholders of an issuer (provided that the L/D Transferring Party shall not be required to make any representations or warranties regarding the business of the Company), to purchase the offered Common Shares, which notice shall include the date set for the closing of such purchase, which date shall be no later than 20 Business Days following the delivery of such election notice, or, if later, five Business Days after receipt of all required regulatory approvals; PROVIDED that the closing shall only be delayed pending receipt of required regulatory approvals if (i) the L/D Other Party is using reasonable efforts to obtain the required regulatory approvals, (ii) there is a reasonable prospect of receiving such regulatory approvals and (iii) if such closing is delayed more than 90 days after the date of the L/D Other Party's notice of election to purchase, then the L/D Other Party agrees to pay interest at the Reference Rate to the L/D Transferring Party from such date to the closing date. Notwithstanding the foregoing, such time periods shall not be deemed to commence with respect to any purported notice that does not comply in all material respects with the requirements of this Section 4.4(d). Liberty and Diller may assign their respective rights to purchase under this Section 4.4 to any Person who is a Permitted Designee.

(e) Subject to Section 4.4(f) in the case of a Covered Market Sale, if the L/D Other Stockholder does not respond to the L/D Offer Notice within the required response time period or elects not to purchase the offered Common Shares, the L/D Transferring Party shall be free to complete the proposed Transfer (to the same proposed transferee, in the case of a privately-negotiated transaction) on terms no less favorable to the L/D Transferring Party or its Affiliate, as the case may be, than those set forth in the L/D Offer Notice, provided that (x) such Transfer is closed within (I) 90 days after the latest of (A) the expiration of the foregoing required response time periods, or (B) the receipt by the L/D Transferring Party of the foregoing election notice or, in the case of (A) or (B), if later, five Business Days following receipt of all required regulatory approvals; PROVIDED that the closing shall only be delayed pending receipt of required regulatory approvals if (i) the L/D Transferring Stockholder is using reasonable efforts to obtain the required regulatory approvals and (ii) there is a reasonable prospect of receiving such regulatory approvals, or (II) in the case of a public offering, within 20 days of the declaration by the Commission of the effectiveness of a registration statement filed with the Commission pursuant to this Agreement, and (y) the price at which the Common Shares are transferred must be equal to or higher than the L/D Offer Price (except in the case of a public offering, in which case the price at which the Common Shares are sold (before deducting underwriting discounts and commissions) shall be equal to at least 90% of the L/D Offer Price).

(f) If the L/D Other Stockholder does not respond to the L/D Offer Notice with respect to a Covered Market Sale within the required response time period or elects not to purchase the offered Common Shares, the L/D Transferring Party

Edgar Filing: USA NETWORKS INC - Form PRER14A

shall be free to complete the proposed Covered Market Sale in one or more transactions during the 90-day period commencing on the latest of (i) the expiration of the required response time period described in Section 4.4(d) or (ii) receipt by the L/D Transferring Party of the election notice described in Section 4.4(d); PROVIDED that the price at which each Common Share is transferred (excluding brokerage commissions) shall be at least equal to 90% of the L/D Offer Price.

(g) If the L/D Other Party elects to exercise its right of first refusal under this Section 4.4, the L/D Other Party shall pay the L/D Offer Price in cash (by wire transfer of immediately available funds) or by the delivery of marketable securities having an aggregate fair market value equal to the L/D Offer Price; PROVIDED, that if the securities to be so delivered by the L/D Other Party would not, in the L/D Transferring Party's possession, have at least the same general degree of liquidity as the securities the L/D Transferring Party was to receive in such proposed transaction (determined by reference to the L/D Transferring Party's ability to dispose of such securities (including, without limitation, the trading volume of such securities and the L/D Other Party's percentage ownership of the issuer of such securities)), then the L/D Other Party shall be required to deliver securities having an appraised value

D-19

(calculated in accordance with the method described in Section 4.3(h)) equal to the L/D Offer Price. If the L/D Other Party delivers securities in payment of the L/D Offer Price, it will cause the issuer of such securities to provide the L/D Transferring Party with customary registration rights related thereto (if, in the other transaction, the L/D Transferring Party would have received cash, cash equivalents, registered securities or registration rights). Each of Diller and Liberty agrees to use his or its commercially reasonable efforts (but not to expend any money) to preserve for the other Stockholder, to the extent possible, the tax benefits available to it in such proposed transaction, and to otherwise seek to structure such transaction in the most tax efficient method available. Notwithstanding the foregoing, if Diller pays the L/D Offer Price in securities, such securities must be securities that Liberty is permitted to own under applicable FCC Regulations.

(h) Notwithstanding anything to the contrary contained in this Section 4.4, the time periods applicable to an election by the L/D Other Party to purchase the offered securities shall not be deemed to commence until the fair market value has been determined, provided that, in the case of a third party tender offer or exchange offer, in no event shall any such election be permitted later than five Business Days prior to the latest time by which Common Shares shall be tendered in such offer if all conditions to such offer (other than the number of shares tendered) have been satisfied or waived. Each of Diller and Liberty agrees to use his and its best efforts to cause the fair market value to be determined as promptly as practicable, but in no event later than ten Business Days after the receipt by the L/D Other Stockholder of the L/D Offer Notice.

SECTION 4.5 (a) Subject to the right of first refusal of Diller pursuant to Section 4.3, any direct or indirect Transfer of Common Shares by a member of the Vivendi Stockholder Group with respect to which Diller would have a right of first refusal pursuant to Section 4.3 will be subject to a right of first refusal by Liberty on the same terms and conditions as are applicable to Diller pursuant to Section 4.3, MUTATIS MUTANDIS.

(b) Liberty acknowledges and agrees that its right of first refusal pursuant to this Section 4.5 is subject to the right of first refusal by Diller pursuant to Section 4.3.

SECTION 4.6 TRANSFERS OF CLASS B SHARES. (a) Subject to the rights of first refusal pursuant to Sections 4.3, 4.4 and 4.5 and subject to paragraph (c)

Edgar Filing: USA NETWORKS INC - Form PRER14A

below, in the event that any Stockholder or any members of its Stockholders Group (the "TRANSFERRING STOCKHOLDER") proposes to Transfer any shares of Class B Common Stock, such Transferring Stockholder shall send a written notice (which obligation may be satisfied by the delivery of the applicable Offer Notice) (the "EXCHANGE NOTICE") to Diller, if the Transferring Stockholder is Liberty, Universal or a member of their respective Stockholder Groups, or to Liberty, if the Transferring Stockholder is Diller, Universal or a member of their respective Stockholder Groups (the recipient of such notice, the "NON-TRANSFERRING STOCKHOLDER"), that such Transferring Stockholder intends to Transfer shares of Class B Common Stock, including the number of such shares proposed to be Transferred. The Non-Transferring Stockholder(s) shall give notice to the Transferring Stockholder within 20 days of its receipt of the Exchange Notice of its or their desire to exchange some or all of such shares of Class B Common Stock proposed to be Transferred for an equivalent number of shares of Common Stock. If the Non-Transferring Stockholder(s) desire to exchange some or all of such shares and to the extent that such shares are not otherwise Transferred to any Stockholder (or its Permitted Designee) pursuant to Section 4.3, 4.4 or 4.5, such shares of Class B Common Stock shall be exchanged; PROVIDED that if the Transferring Stockholder is Universal or a member of its Stockholder Group, first with Diller (to the extent he elects to exchange) and, second with Liberty (to the extent that Liberty elects to exchange). Except to the extent necessary to avoid liability under Section 16(b) of the Exchange Act and subject to applicable law, any such exchange shall be consummated immediately prior to the consummation of any such Transfer.

(b) If any shares of Class B Common Stock proposed to be Transferred are not exchanged pursuant to the provisions of paragraph (a) above, prior to any such Transfer, the Transferring

D-20

Stockholder shall convert, or cause to be converted, such shares of Class B Common Stock into shares of Common Stock (or such other securities of the Company into which such shares are then convertible).

(c) The provisions of Section 4.6(a) and 4.6(b) shall not be applicable to any Transfers (i) to a member of such Stockholder's Stockholder Group, (ii) pursuant to a pledge or grant of a security interest in compliance with clause (y) of Section 4.1(a), or (iii) from Liberty, Diller or their respective Stockholder Group to the other Stockholder or its or his Stockholder Group subject to the terms of this Agreement.

SECTION 4.7 TRANSFEREES. (a) Any Permitted Transferee or Permitted Designee of a Stockholder shall be subject to the terms and conditions of this Agreement as if such Permitted Transferee or Permitted Designee were Universal (if Universal or a Permitted Transferee of Universal is the transferor), Liberty (if Liberty or a Permitted Transferee of Liberty is the transferor) or Diller (if Diller or a Permitted Transferee of Diller is the transferor). Prior to the initial acquisition of beneficial ownership of any Common Shares by any Permitted Transferee (or a Permitted Designee), and as a condition thereto, each Stockholder agrees (i) to cause its respective Permitted Transferees or Permitted Designees to agree in writing with the other parties hereto to be bound by the terms and conditions of this Agreement to the extent described in the preceding sentence and (ii) that such Stockholder shall remain directly liable for the performance by its respective Permitted Transferees or Permitted Designees of all obligations of such Permitted Transferees or Permitted Designees under this Agreement. Except as otherwise contemplated by this Agreement (i) each of Universal, Diller and Liberty agrees not to cause or permit any of its respective Permitted Transferees to cease to qualify as a member of such Stockholder's Stockholders Group so long as such Permitted Transferee beneficially owns any Common Shares, and if any such Permitted Transferee shall cease to be so qualified, such Permitted Transferee shall

Edgar Filing: USA NETWORKS INC - Form PRER14A

automatically upon the occurrence of such event cease to be a "Permitted Transferee" for any purpose under this Agreement and (ii) each Stockholder agrees not to Transfer any Common Shares to any Affiliate other than a Permitted Transferee of such Stockholder.

(b) No Third Party Transferee shall have any rights or obligations under this Agreement, except:

(i) in the case of a Third Party Transferee of Liberty (or any member of the Liberty Stockholder Group) who acquires shares of Common Stock and who (together with its Affiliates) would not be a Public Stockholder, such Third Party Transferee shall be subject to the obligations of Liberty (but subject to the other terms and conditions of this Agreement) pursuant to Section 3.1(a) (but shall not have the right to consent to any Contingent Matters), Section 3.1(b), Section 3.1(c), Section 3.2, Section 3.5, as applicable, this Section 4.7 and Article VI; PROVIDED that such Third Party Transferee shall only be subject to such obligations for so long as it would not be a Public Stockholder;

(ii) in the case of a Third Party Transferee of Universal (or any member of the Vivendi Stockholder Group) who (together with its Affiliates) upon consummation of any Transfer would not be a Public Stockholder, such Third Party Transferee shall be subject to the obligations of Universal (but subject to the other terms and conditions of this Agreement) pursuant to Section 3.1(a), Section 3.1(b) (ii), Section 3.1(c), Section 3.2, Section 3.5, as applicable, this Section 4.7 and Article VI; PROVIDED that such Third Party Transferee shall only be subject to such obligations for so long as it would not be a Public Stockholder; and

(iii) in the case of a Third Party Transferee of Diller (or any member of the Diller Stockholder Group) who (together with its Affiliates) upon consummation of any Transfer would not be a Public Stockholder, such Third Party Transferee shall be subject to the obligations of Diller (but subject to the other terms and conditions of this Agreement) pursuant to Section 3.1(a) (but shall not have the right to consent to any Contingent Matters), 3.1(b), Section 3.1(c), Section 3.5, as applicable, this Section 4.7 and Article VI; PROVIDED that such Third Party

D-21

Transferee shall only be subject to such obligations for so long as it would not be a Public Stockholder.

(c) Prior to the consummation of a Transfer described in Section 4.7(b) to the extent rights and obligations are to be assigned, and as a condition thereto, the applicable Third Party Transferee shall agree in writing with the other parties hereto to be bound by the terms and conditions of this Agreement to the extent described in Section 4.7(b). To the extent the Third Party Transferee is not an "ULTIMATE PARENT ENTITY" (as defined in the HSR Act), the ultimate parent entity of such Third Party Transferee shall agree in writing to be directly liable for the performance of the Third Party Transferee to the same extent Universal or Liberty would be liable for their respective Permitted Transferees.

SECTION 4.8 NOTICE OF TRANSFER. To the extent any Stockholder and its Permitted Transferees shall Transfer any Common Shares, such Stockholder shall, within three Business Days following consummation of such Transfer, deliver notice thereof to the Company and the other Stockholders; PROVIDED, HOWEVER, that no such notice shall be required to be delivered unless the aggregate Common Shares transferred by such Stockholder and its Permitted Transferees since the date of the last notice delivered by such Stockholder pursuant to this Section 4.8 exceeds 1% of the outstanding Common Shares.

Edgar Filing: USA NETWORKS INC - Form PRER14A

SECTION 4.9 COMPLIANCE WITH TRANSFER PROVISIONS. Any Transfer or attempted Transfer of Common Shares in violation of any provision of this Agreement shall be void.

ARTICLE V

BDTV ENTITY ARRANGEMENTS

SECTION 5.1 MANAGEMENT. The business and affairs of each BDTV Entity will be managed by a Board of Directors elected by the holders of a majority of the voting equity interests in such BDTV Entity. Notwithstanding the foregoing, the taking of any action by a BDTV Entity with respect to (i) to the extent permitted by applicable law, any matter that would have constituted a Fundamental Change under the 1997 Stockholders Agreement (as applied to such BDTV Entity, MUTATIS MUTANDIS) or (ii) any acquisition or disposition (including pledges) of any Common Shares held by such BDTV Entity, in either case, will require the unanimous approval of the holders of all voting and non-voting equity interests in such BDTV Entity.

SECTION 5.2 TREATMENT OF EXCHANGE SHARES. In the event that a holder of Exchange Shares would be entitled to hold directly shares of Class B Common Stock issuable upon an exchange of shares of Liberty Surviving Class B Stock but for the limitation imposed by the FCC Regulations relating to a person's aggregate voting power in the Company, and if such person would, under the FCC Regulations, be permitted to hold directly a number of shares of Common Stock equal to the number of shares of Class B Common Stock so issuable, then in connection with such exchange, such holder will be required to offer to exchange such shares of Class B Common Stock so receivable by it for Common Stock owned by the Diller Stockholder Group and, if Diller does not accept such offer to exchange, or if such exchange with the Diller Stockholder Group cannot be accomplished on a tax-free basis (and the exchange of such Exchange Shares for Common Shares would not otherwise be taxable), then such holder shall be entitled to exchange such Exchange Shares for shares of Class B Common Stock and thereafter convert such shares of Class B Common Stock into shares of Common Stock.

Nothing in this Agreement shall obligate Liberty HSN to contribute any Common Shares received pursuant to the Investment Agreement or the Holder Exchange Agreement to a BDTV Entity.

D-22

SECTION 5.3 CHANGES TO BDTV STRUCTURES. Liberty and Diller agree, subject to applicable law and FCC Regulations, to take such actions as may be reasonably necessary, including but not limited to amending the certificate of incorporation of the BDTV Entities, in order to provide Liberty with the ability to transfer, directly or indirectly, such amounts of Common Shares Liberty is permitted to sell hereunder.

SECTION 5.4 TRANSFERS OF BDTV INTERESTS. Except as otherwise specifically provided in this Agreement (including Section 4.1(b)), no transfers or other dispositions (including pledges), directly or indirectly, of any interest in (a) any BDTV Limited Entity by Liberty or (b) any BDTV Entity by Diller will be permitted without the consent of the other; PROVIDED, that (i) Liberty shall be entitled to transfer all or part of its interest in a BDTV Entity to members of the Liberty Stockholder Group, (ii) at such time Liberty becomes the owner of any voting securities of any BDTV Limited Entity, such BDTV Limited Entity shall be deemed to be a BDTV Unrestricted Entity, and (iii) in connection with any sale by Diller entitling Liberty to a right pursuant to Section 4.2, Liberty and Diller shall take such reasonable action as may be required in order for such interest in a BDTV Limited Entity to be sold in any such transaction. Without

Edgar Filing: USA NETWORKS INC - Form PRER14A

the prior written consent of Liberty, Diller shall not Transfer any interest in a BDTV Entity (other than to Liberty or, subject to Liberty's reasonable consent, a member of the Diller Stockholder Group).

For purposes of determining whether Liberty is permitted to transfer the Common Shares held by a BDTV Unrestricted Entity, (i) such BDTV Unrestricted Entity shall be deemed to be a member of the Liberty Stockholder Group and the restrictions on transfers of interests in BDTV Entities shall not apply to Liberty (subject, however, to the other restrictions on transfer of Common Shares set forth herein, including the Right of First Refusal) and (ii) in connection with any proposed sale by Liberty HSN of the Common Shares held by a BDTV Entity (or its equity interest in such BDTV Entity), Liberty shall be entitled to purchase Diller's entire interest in such BDTV Entity for an amount in cash equal to the Diller Interest Purchase Price or, at its election, require Diller to sell his interest in such BDTV Entity to any such transferee for a pro rata portion of the consideration to be paid by the applicable transferee in such transaction.

At such time as (i) the CEO Termination Date has occurred or Diller becomes Disabled or (ii) the Diller Stockholder Group ceases to own its Eligible Stockholder Amount of Common Shares, Diller shall be required to sell his entire interest in the BDTV Entities to Liberty (or Liberty's designee) at a price equal to the Diller Interest Purchase Price.

ARTICLE VI

MISCELLANEOUS

SECTION 6.1 CONFLICTING AGREEMENTS. Each of the Stockholders represents and warrants that such party has not granted and is not a party to any proxy, voting trust or other agreement that is inconsistent with or conflicts with any provision of this Agreement.

SECTION 6.2 DURATION OF AGREEMENT. Except as otherwise provided in this Agreement, the rights and obligations of a Stockholder under this Agreement shall terminate as follows:

(a) Universal shall cease to be entitled to exercise any rights and shall cease to have any obligations under this Agreement as of the date that it ceases to have the right under the Governance Agreement to designate any directors to the Board (the "UNIVERSAL TERMINATION DATE").

(b) Each of Liberty and Diller shall cease to be entitled to exercise any rights and shall cease to have any obligations under this Agreement as of the date that its Stockholder Group collectively ceases to own its Eligible Stockholder Amount of Common Shares; PROVIDED that Liberty shall cease to be entitled to exercise any rights and shall cease to have any obligations under Section 4.2 at such time as

D-23

the Liberty Stockholder Group ceases to beneficially own at least 5% of the outstanding Common Shares (the "LIBERTY TERMINATION DATE").

(c) Diller and each member of his Stockholder Group shall cease to be entitled to exercise any rights under this Agreement if the CEO Termination Date has occurred or Diller has become Disabled (the "DILLER TERMINATION DATE").

In addition, at such time as the CEO Termination Date has occurred or Diller has become Disabled, neither the Diller Stockholder Group nor the Liberty Stockholder Group shall have any obligation under this Agreement with respect to the matters covered under Sections 3.4, 4.1 and 4.4. The obligations under

Edgar Filing: USA NETWORKS INC - Form PRER14A

Section 3.1(d) terminate upon termination of the Transaction Agreement.

SECTION 6.3 FURTHER ASSURANCES. At any time or from time to time after the date hereof, the parties agree to cooperate with each other, and at the request of any other party, to execute and deliver any further instruments or documents and to take all such further action as the other party may reasonably request in order to evidence or effectuate the consummation of the transactions contemplated hereby and to otherwise carry out the intent of the parties hereunder.

SECTION 6.4 AMENDMENT AND WAIVER. Except as otherwise provided herein, no modification, amendment or waiver of any provision of this Agreement shall be effective against any Stockholder unless such modification, amendment or waiver is approved in writing by each Stockholder; PROVIDED THAT with respect to any provision containing an agreement between only two Stockholders or pursuant to which only two Stockholders have rights thereunder, such provision may be modified or waived by approval in writing by such Stockholders, without the consent of the third Stockholder unless such modification or waiver adversely affects the rights of such third Stockholder as provided under this Agreement or the Governance Agreement. The failure of any party to enforce any of the provisions of this Agreement shall in no way be construed as a waiver of such provisions and shall not affect the right of such party thereafter to enforce each and every provision of this Agreement in accordance with its terms.

SECTION 6.5 SEVERABILITY. Whenever possible, each provision of this Agreement shall be interpreted in such manner as to be effective and valid under applicable law, but if any provision of this Agreement is held to be invalid, illegal or unenforceable in any respect under any applicable law or rule in any jurisdiction, such invalidity, illegality or unenforceability shall not affect any other provision or any other jurisdiction, but this Agreement shall be reformed, construed and enforced in such jurisdiction as if such invalid, illegal or unenforceable provision had never been contained herein.

SECTION 6.6 EFFECTIVE DATE. Other than with respect to Section 3.1(d) which shall be effective as of the date hereof, this Agreement shall become effective immediately upon the Closing.

SECTION 6.7 ENTIRE AGREEMENT. Except as otherwise expressly set forth herein, this document and the Transaction Documents embody the complete agreement and understanding among the parties hereto with respect to the subject matter hereof and supersede and preempt any prior understandings, agreements or representations by or among the parties, written or oral, that may have related to the subject matter hereof in any way. Without limiting the generality of the foregoing, to the extent that any of the terms hereof are inconsistent with the rights or obligations of any Stockholder under any other agreement with any other Stockholder, the terms of this Agreement shall govern. Upon the Closing, the 1997 Stockholders Agreement shall terminate and shall be superseded by this Agreement.

SECTION 6.8 SUCCESSORS AND ASSIGNS. Neither this Agreement nor any of the rights or obligations under this Agreement shall be assigned, in whole or in part (except by operation of law pursuant to a merger whose purpose is not to avoid the provisions of this Agreement), by any party without the prior written consent of the other parties hereto. Subject to the foregoing, this Agreement shall bind and inure to the benefit of and be enforceable by the parties hereto and their respective successors and assigns.

D-24

SECTION 6.9 COUNTERPARTS. This Agreement may be executed in separate counterparts each of which shall be an original and all of which taken together shall constitute one and the same agreement.

Edgar Filing: USA NETWORKS INC - Form PRER14A

SECTION 6.10 LIABILITIES UNDER FEDERAL SECURITIES LAWS. The exercise by any Stockholder (or its Affiliates or Stockholder Group, if applicable) (and including, in the case of the Liberty Stockholder Group, its exercise of the preemptive rights under Article III of the Governance Agreement or the rights relating to the Holder Exchange Agreement) of any rights under this Agreement shall be subject to such reasonable delay as may be required to prevent any Stockholder or its respective Stockholder Group from incurring any liability under the federal securities laws and the parties agree to cooperate in good faith in respect thereof.

SECTION 6.11 REMEDIES. (a) Each party hereto acknowledges that money damages would not be an adequate remedy in the event that any of the covenants or agreements in this Agreement are not performed in accordance with its terms, and it is therefore agreed that in addition to and without limiting any other remedy or right it may have, the non-breaching party will have the right to an injunction, temporary restraining order or other equitable relief in any court of competent jurisdiction enjoining any such breach and enforcing specifically the terms and provisions hereof.

(b) All rights, powers and remedies provided under this Agreement or otherwise available in respect hereof at law or in equity shall be cumulative and not alternative, and the exercise or beginning of the exercise of any thereof by any party shall not preclude the simultaneous or later exercise of any other such right, power or remedy by such party.

SECTION 6.12 NOTICES. Any notice, request, claim, demand or other communication under this Agreement shall be in writing, shall be either personally delivered, delivered by facsimile transmission, or sent by reputable overnight courier service (charges prepaid) to the address for such Person set forth below or such other address as the recipient party has specified by prior written notice to the other parties hereto and shall be deemed to have been given hereunder when receipt is acknowledged for personal delivery or facsimile transmission or one day after deposit with a reputable overnight courier service.

ISSUANCE OF EQUITY WARRANTS AND EXECUTION AND DELIVERY OF EQUITY WARRANT CERTIFICATES

2.1. ISSUANCE OF EQUITY WARRANTS. Equity Warrants may be issued by the Company from time to time.

2.2. FORM AND EXECUTION OF EQUITY WARRANT CERTIFICATES.

(a) The Equity Warrants shall be evidenced by the Equity Warrant Certificates, which shall be in registered form and substantially in the form set forth as Exhibit A attached hereto. Each Equity Warrant Certificate shall be dated the date it is countersigned by the Equity Warrant Agent and may have such letters, numbers or other marks of identification and such legends or endorsements printed, lithographed or engraved thereon as are not inconsistent with the provisions of this Agreement, or as may be required to comply with any law or with any rule or regulation made pursuant thereto or with any rule or regulation of any securities exchange on which the Equity Warrants may be

Edgar Filing: USA NETWORKS INC - Form PRER14A

listed, or to conform to usage, as the officer of the Company executing the same may approve (his execution thereof to be conclusive evidence of such approval). Each Equity Warrant Certificate shall evidence one or more Equity Warrants.

(b) The Equity Warrant Certificates shall be signed in the name and on behalf of the Company by its Chairman, its Vice Chairman, its Chief Executive Officer, President or a Vice President (any reference to a Vice President of the Company herein shall be deemed to include any Vice President of the Company whether or not designated by a number or a word or words added before or after the title "Vice President") under its corporate seal, and attested by its Secretary or an Assistant Secretary.

E-4

Such signatures may be manual or facsimile signatures of the present or any future holder of any such office and may be imprinted or otherwise reproduced on the Equity Warrant Certificates. The seal of the Company may be in the form of a facsimile thereof and may be impressed, affixed, imprinted or otherwise reproduced on the Equity Warrant Certificates.

(c) No Equity Warrant Certificate shall be valid for any purpose, and no Equity Warrant evidenced thereby shall be deemed issued or exercisable, until such Equity Warrant Certificate has been countersigned by the manual or facsimile signature of the Equity Warrant Agent. Such signature by the Equity Warrant Agent upon any Equity Warrant Certificate executed by the Company shall be conclusive evidence that the Equity Warrant Certificate so countersigned has been duly issued hereunder.

(d) In case any officer of the Company who shall have signed any Equity Warrant Certificate either manually or by facsimile signature shall cease to be such officer before the Equity Warrant Certificate so signed shall have been countersigned and delivered by the Equity Warrant Agent, such Equity Warrant Certificate nevertheless may be countersigned and delivered as though the person who signed such Equity Warrant Certificate had not ceased to be such officer of the Company; and any Equity Warrant Certificate may be signed on behalf of the Company by such person as, at the actual date of the execution of such Equity Warrant Certificate, shall be the proper officer of the Company, although at the date of the execution of this Agreement such person was not such an officer.

2.3. ISSUANCE AND DELIVERY OF EQUITY WARRANT CERTIFICATES. At any time and from time to time after the execution and delivery of this Agreement, the Company may deliver Equity Warrant Certificates executed by the Company to the Equity Warrant Agent for countersignature. Except as provided in the following sentence, the Equity Warrant Agent shall thereupon countersign and deliver such Equity Warrant Certificates to or upon the written request of the Company. Subsequent to the original issuance of an Equity Warrant Certificate evidencing Equity Warrants, the Equity Warrant Agent shall countersign a new Equity Warrant Certificate evidencing such Equity Warrants only if such Equity Warrant Certificate is issued in exchange or substitution for one or more previously countersigned Equity Warrant Certificates evidencing such Equity Warrants or in connection with their transfer, as hereinafter provided.

2.4. TEMPORARY EQUITY WARRANT CERTIFICATES. Pending the preparation of a definitive Equity Warrant Certificate, the Company may execute, and upon the order of the Company the Equity Warrant Agent shall countersign and deliver, temporary Equity Warrant Certificates that are printed, lithographed, typewritten, mimeographed or otherwise produced, substantially of the tenor of the definitive Equity Warrant Certificates in lieu of which they are issued and with such appropriate insertions, omissions, substitutions and other variations as the officer executing such Equity Warrant Certificates may determine, as evidenced by his execution of such Equity Warrant Certificates.

Edgar Filing: USA NETWORKS INC - Form PRER14A

If temporary Equity Warrant Certificates are issued, the Company will cause definitive Equity Warrant Certificates to be prepared without unreasonable delay. After the preparation of definitive Equity Warrant Certificates, the temporary Equity Warrant Certificates shall be exchangeable for definitive Equity Warrant Certificates upon surrender of the temporary Equity Warrant Certificates at the corporate trust office of the Equity Warrant Agent. Upon surrender for cancellation of any one or more temporary Equity Warrant Certificates, the Company shall execute and the Equity Warrant Agent shall countersign and deliver in exchange therefor definitive Equity Warrant Certificates representing the same aggregate number of Equity Warrants. Until so exchanged, the temporary Equity Warrant Certificates shall in all respects be entitled to the same benefits under this Agreement as definitive Equity Warrant Certificates.

2.5. PAYMENT OF TAXES. The Company will pay all stamp and other duties, if any, to which this Agreement or the original issuance, or exercise, of the Equity Warrants or Equity Warrant Certificates may be subject under the laws of the United States of America or any state or locality; PROVIDED, HOWEVER, that the Holder, and not the Company, shall be required to pay any stamp or other tax or

E-5

other governmental charge that may be imposed in connection with any transfer involved in the issuance of the Common Stock where the Holder designates the shares to be issued in a name other than the name of the Holder; and in the event that any such transfer is involved, the Company shall not be required to issue any Common Stock (and the purchase of the shares of Common Stock issued upon the exercise of such Holder's Equity Warrant shall not be deemed to have been consummated) until such tax or other charge shall have been paid or it has been established to the Company's satisfaction that no such tax or other charge is due.

ARTICLE 3. DURATION AND EXERCISE OF EQUITY WARRANTS

3.1. EXERCISE PRICE. Each Holder shall have the right to purchase the number of fully paid and nonassessable shares of Common Stock which the Holder may at the time be entitled to receive on exercise of such Equity Warrant and payment of the Exercise Price, subject to the terms herein. The number of shares of Common Stock which shall be purchasable upon the payment of the Exercise Price and to the extent provided therein, the Exercise Price, shall be subject to adjustment pursuant to Article 4 hereof.

3.2. DURATION OF EQUITY WARRANTS. Each Equity Warrant is exercisable at any time commencing on _____, 2002++ up to the Expiration Date. Each Equity Warrant not exercised at or before the Expiration Date shall become void, and all rights of the Holder of such Equity Warrant thereunder and under this Agreement shall cease.

3.3. EXERCISE OF EQUITY WARRANTS.

(a) The Holder of an Equity Warrant shall have the right, at its option, to exercise such Equity Warrant and purchase one share of Common Stock during the period referred to in Section 3.2, subject to adjustment pursuant to Article 4 hereof. Except as may be provided in an Equity Warrant Certificate, an Equity Warrant may be exercised by completing the form of election to purchase set forth on the reverse side of the Equity Warrant Certificate, by duly executing the same, and by delivering the same, together with payment in full of the Exercise Price, in lawful money of the United States of America, in cash or by certified or official bank check or by bank wire transfer, to the Equity Warrant Agent. Except as may be provided in an Equity Warrant Certificate, the date on

Edgar Filing: USA NETWORKS INC - Form PRER14A

which such Equity Warrant Certificate and payment are received by the Equity Warrant Agent as aforesaid shall be deemed to be the date on which the Equity Warrant is exercised and the relevant shares of Common Stock are issued (the "EXERCISE DATE").

(b) Upon the exercise of an Equity Warrant, the Company shall, as soon as practicable, issue, to or upon the order of the Holder of such Equity Warrant, the shares of Common Stock to which such Holder is entitled, registered in such name or names as may be directed by such Holder.

(c) Unless the Equity Warrant Agent and the Company agree otherwise, the Equity Warrant Agent shall deposit all funds received by it in payment of the Equity Warrant Price for Equity Warrants in the account of the Company maintained with it for such purpose and shall advise the Company by telephone by 5:00 P.M., New York City time, of each day on which a payment of the Exercise Price for Equity Warrants is received of the amount so deposited in its account. The Equity Warrant Agent shall promptly confirm such telephone advice in writing to the Company.

(d) The Equity Warrant Agent shall, from time to time, as promptly as practicable, advise the Company of (i) the number of Equity Warrants exercised as provided herein, (ii) the instructions of each Holder of such Equity Warrants with respect to delivery of the Common Stock issued upon exercise of such Equity Warrants to which such Holder is entitled upon such exercise, and (iii) such

++ Date following the six-month anniversary of the Closing.

E-6

other information as the Company shall reasonably require. Such advice may be given by telephone to be confirmed in writing.

ARTICLE 4. ADJUSTMENTS OF NUMBER OF SHARES

4.1. ADJUSTMENTS. The number of shares of Common Stock purchasable upon the exercise of the Equity Warrants shall be subject to adjustment as follows:

(a) In case the Company shall (A) pay a dividend or make a distribution on its Common Stock in shares of Common Stock, (B) subdivide its outstanding shares of Common Stock into a greater number of shares, (C) combine its outstanding shares of Common Stock into a smaller number of shares, or (D) issue by reclassification, recapitalization or reorganization of its Common Stock any shares of capital stock of the Company, then in each such case the number of shares of Common Stock issuable upon exercise of an Equity Warrant shall be equitably adjusted so that the Holder of any Equity Warrant thereafter surrendered for conversion shall be entitled to receive the number of shares of Common Stock or other capital stock of the Company which such Holder would have owned or been entitled to receive immediately following such action had such Equity Warrant been exercised immediately prior to the occurrence of such event. An adjustment made pursuant to this subsection 4.1(a) shall become effective immediately after the record date, in the case of a dividend or distribution, or immediately after the effective date, in the case of a subdivision, combination or reclassification. If, as a result of an adjustment made pursuant to this subsection 4.1(a), the Holder of any Equity Warrant thereafter exercised shall become entitled to receive shares of two or more classes of capital stock or shares of Common Stock and other capital stock of the Company, the Board of Directors (whose determination shall be in its good faith judgment and shall be described in a statement filed by the Company with the Equity Warrant Agent) shall determine the allocation of the Exercise Price between or among shares of

Edgar Filing: USA NETWORKS INC - Form PRER14A

such classes of capital stock or shares of Common Stock and other capital stock. Such adjustment shall be made successively whenever any event listed above shall occur.

(b) In case the Company shall issue options, rights or warrants to holders of its outstanding shares of Common Stock entitling them (for a period expiring within 45 days after the record date mentioned below) to subscribe for or purchase shares of Common Stock or other securities convertible or exchangeable for shares of Common Stock at a price per share of Common Stock less than the Current Market Price (as determined pursuant to subsection (d) of this Section 4.1) (other than pursuant to any stock option, restricted stock or other incentive or benefit plan or stock ownership or purchase plan for the benefit of employees, directors or officers or any dividend reinvestment plan of the Company in effect at the time hereof or any other similar plan adopted or implemented hereafter, it being agreed that none of the adjustments set forth in this Section 4.1 shall apply to the issuance of stock, rights, warrants or other property pursuant to such benefit plans), then the number of shares of Common Stock issuable upon exercise of an Equity Warrant shall be adjusted so that it shall equal the product obtained by multiplying the number of shares of Common Stock issuable upon exercise of an Equity Warrant immediately prior to the date of issuance of such rights or warrants by a fraction of which the numerator shall be the number of shares of Common Stock outstanding on the date of issuance of such rights or warrants (immediately prior to such issuance) plus the number of additional shares of Common Stock offered for subscription or purchase and of which the denominator shall be the number of shares of Common Stock outstanding on the date of issuance of such rights or warrants (immediately prior to such issuance) plus the number of shares which the aggregate offering price of the total number of shares so offered would purchase at such Current Market Price. Such adjustment shall be made successively whenever any rights or warrants are issued, and shall become effective immediately after the record date for the determination of stockholders entitled to receive such rights or warrants; PROVIDED, HOWEVER, in the event that all the shares of Common Stock offered for

E-7

subscription or purchase are not delivered upon the exercise of such rights or warrants, upon the expiration of such rights or warrants the number of shares of Common Stock issuable upon exercise of an Equity Warrant shall be readjusted to the number of shares of Common Stock issuable upon exercise of an Equity Warrant which would have been in effect had the numerator and the denominator of the foregoing fraction and the resulting adjustment been made based upon the number of shares of Common Stock actually delivered upon the exercise of such rights or warrants rather than upon the number of shares of Common Stock offered for subscription or purchase. In determining whether any security covered by this Section 4.1(b) entitles the holders to subscribe for or purchase shares of Common Stock at less than such Current Market Price, and in determining the aggregate offering price of such shares of Common Stock, there shall be taken into account any consideration received by the Company for the issuance of such options, rights, warrants or convertible or exchangeable securities, plus the aggregate amount of additional consideration (as set forth in the instruments relating thereto) to be received by the Company upon the exercise, conversion or exchange of such securities, the value of such consideration, if other than cash, to be determined by the Board of Directors in its good faith judgment (whose determination shall be described in a statement filed by the Company with the Equity Warrant Agent).

(c) In case the Company shall, by dividend or otherwise, distribute to all holders of its outstanding Common Stock, evidences of its indebtedness or assets (including securities and cash, but excluding any regular periodic cash dividend of the Company and dividends or distributions payable in stock for which adjustment is made pursuant to subsection (a) of this Section 4.1) or rights or

Edgar Filing: USA NETWORKS INC - Form PRER14A

warrants to subscribe for or purchase securities of the Company (excluding those referred to in subsection (b) of this Section 4.1), then in each such case the number of shares of Common Stock issuable upon exercise of an Equity Warrant shall be adjusted so that the same shall equal the product determined by multiplying the number of shares of Common Stock issuable upon exercise of an Equity Warrant immediately prior to the record date of such distribution by a fraction of which the numerator shall be the Current Market Price as of the Time of Determination, and of which the denominator shall be such Current Market Price less the Fair Market Value on such record date (as determined by the Board of Directors in its good faith judgment, whose determination shall be described in a statement filed by the Company with the stock transfer or conversion agent, as appropriate) of the portion of the capital stock or assets or the evidences of indebtedness or assets so distributed to the holder of one share of Common Stock or of such subscription rights or warrants applicable to one share of Common Stock. Such adjustment shall be made successively whenever any such distributions referred to in the first sentence of this Section 4.01(c) are made and shall become effective immediately after the record date for the determination of stockholders entitled to receive such distribution.

(d) For the purpose of any computation under subsections (b) and (c) of this Section 4.1, the "CURRENT MARKET PRICE" per share of Common Stock on any date shall be deemed to be the average of the daily Closing Prices for the shorter of (A) 10 consecutive Trading Days ending on the day immediately preceding the applicable Time of Determination or (B) the period commencing on the date next succeeding the first public announcement of the issuance of such rights or warrants or such distribution through such last day prior to the applicable Time of Determination. For purposes of the foregoing, the term "TIME OF DETERMINATION" shall mean the time and date of the record date for determining stockholders entitled to receive the rights, warrants or distributions referred to in Section 4.1(b) and (c).

(e) In any case in which this Section 4.1 shall require that an adjustment in the amount of Common Stock or other property to be received by a Holder upon exercise of an Equity Warrant be made effective as of a record date for a specified event, the Company may elect to defer until the occurrence of such event the issuance to the Holder of any Equity Warrant exercised after such record date the Common Stock or other property issuable upon such exercise over and above the shares of Common Stock issuable upon such exercise prior to such adjustment, PROVIDED, HOWEVER, that the Company shall deliver to such Holder a due bill or other appropriate instrument evidencing such

E-8

Holder's right to receive such additional shares of Common Stock or other property, if any, upon the occurrence of the event requiring such adjustment.

(f) In the event that the Amended and Restated Merger Agreement, dated as of July 15, 2001, among the Company, Expedia, Inc. and Microsoft Corporation, is terminated following the date hereof without consummation of the merger contemplated thereby, the aggregate number of Equity Warrants shall be reduced by 3,348,210* (subject to adjustment pursuant to Sections 4.1(a), (b) or (c)), which reduction shall be allocated proportionately to any Equity Warrant Certificates issued hereunder.

(g) No adjustment in the number of shares of Common Stock issuable upon exercise of an Equity Warrant shall be required to be made pursuant to this Section 4.1 unless such adjustment would require an increase or decrease of at least 1% of such number; PROVIDED, HOWEVER, that any adjustments which by reason of this subsection (g) are not required to be made shall be carried forward and taken into account in any subsequent adjustment. All calculations under this subsection 4.1(g) shall be made to the nearest cent or to the nearest 1/1000th of a share, as the case may be. Except as set forth in subsections 4.1(a), (b),

Edgar Filing: USA NETWORKS INC - Form PRER14A

and (c) above, the number of shares of Common Stock issuable upon exercise of an Equity Warrant shall not be adjusted as a result of the issuance of Common Stock, or any securities convertible into or exchangeable for Common Stock or carrying the right to purchase any of the foregoing, in exchange for cash, property or services.

4.2. STATEMENT ON WARRANTS. Irrespective of any adjustment in the amount of Common Stock issued upon exercise of an Equity Warrant, Equity Warrants theretofore or thereafter issued may continue to express the same number and kind of shares as are stated in the Equity Warrants initially issuable pursuant to this Agreement.

4.3. CASH PAYMENTS IN LIEU OF FRACTIONAL SHARES. No fractional shares or scrip representing fractions of shares of Common Stock shall be issued upon exercise of the Equity Warrants. If more than one share of Equity Warrants shall be exercised at one time by the same Holder, the number of full shares of Common Stock issuable upon exercise thereof shall be computed on the basis of the aggregate number of shares of Common Stock purchasable on exercise of the Equity Warrants so requested to be exercised. In lieu of any fractional interest in a share of Common Stock which would otherwise be deliverable upon the exercise of such Equity Warrants, the Company shall pay to the Holder of such Equity Warrants an amount in cash (computed to the nearest cent) equal to the Closing Price on the Exercise Date (or the next Trading Day if such date is not a Trading Day) multiplied by the fractional interest that otherwise would have been deliverable upon exercise of such Equity Warrants.

4.4. NOTICES TO WARRANTHOLDERS. Upon any adjustment of the amount of Common Stock issuable upon exercise of an Equity Warrant pursuant to Section 4.1 (but not for any fractional cumulation as described in Section 4.1(f)), the Company within 30 days thereafter shall (i) cause to be filed with the Equity Warrant Agent an Officer's Certificate (as defined hereinafter) setting forth the amount of Common Stock issuable upon exercise of an Equity Warrant after such adjustment and setting forth in reasonable detail the method of calculation and the facts upon which such calculations are based, which certificate, absent manifest error and any failure to comply with Section 4.1 (other than failures that are de minimus in nature), shall be conclusive evidence of the correctness of the matters set forth therein, and (ii) cause to be given to each of the registered Holders at his address appearing on the Equity Warrant Register (as defined hereinafter) written notice of such adjustments by first-class mail, postage prepaid.

* In the event of adjustment, there would be an aggregate of 57,119,525 warrants, comprised of 22,847,810 warrants each at \$27.50 and \$32.50 and 11,423,905 warrants at \$37.50.

ARTICLE 5. OTHER PROVISIONS RELATING TO RIGHTS OF HOLDERS OF EQUITY WARRANTS

5.1. NO RIGHTS AS HOLDER OF COMMON STOCK CONFERRED BY EQUITY WARRANTS OR EQUITY WARRANT CERTIFICATES. No Equity Warrant or Equity Warrant Certificate shall entitle the Holder to any of the rights of a holder of Common Stock, including, without limitation, voting, dividend or liquidation rights.

5.2. LOST, STOLEN, DESTROYED OR MUTILATED EQUITY WARRANT CERTIFICATES. Upon receipt by the Company and the Equity Warrant Agent of evidence reasonably satisfactory to them of the ownership of and the loss, theft, destruction or mutilation of any Equity Warrant Certificate and of indemnity (other than in

Edgar Filing: USA NETWORKS INC - Form PRER14A

connection with any mutilated Equity Warrant certificates surrendered to the Equity Warrant Agent for cancellation) reasonably satisfactory to them, the Company shall execute, and the Equity Warrant Agent shall countersign and deliver, in exchange for or in lieu of each lost, stolen, destroyed or mutilated Equity Warrant Certificate, a new Equity Warrant Certificate evidencing a like number of Equity Warrants of the same title. Upon the issuance of a new Equity Warrant Certificate under this Section, the Company may require the payment of a sum sufficient to cover any stamp or other tax or other governmental charge that may be imposed in connection therewith and any other expenses (including the fees and expenses of the Equity Warrant Agent) in connection therewith. Every substitute Equity Warrant Certificate executed and delivered pursuant to this Section in lieu of any lost, stolen or destroyed Equity Warrant Certificate shall represent a contractual obligation of the Company, whether or not such lost, stolen or destroyed Equity Warrant Certificate shall be at any time enforceable by anyone, and shall be entitled to the benefits of this Agreement equally and proportionately with any and all other Equity Warrant Certificates, duly executed and delivered hereunder, evidencing Equity Warrants of the same title. The provisions of this Section are exclusive and shall preclude (to the extent lawful) all other rights and remedies with respect to the replacement of lost, stolen, destroyed or mutilated Equity Warrant Certificates.

5.3. HOLDERS OF EQUITY WARRANTS MAY ENFORCE RIGHTS. Notwithstanding any of the provisions of this Agreement, any Holder may, without the consent of the Equity Warrant Agent, enforce and may institute and maintain any suit, action or proceeding against the Company suitable to enforce, or otherwise in respect of his right to exercise his Equity Warrants as provided in the Equity Warrants and in this Agreement.

5.4. CONSOLIDATION OR MERGER OR SALE OF ASSETS. For purposes of this Section 5.4, a "SALE TRANSACTION" means any transaction or event, including any merger, consolidation, sale of assets, tender or exchange offer, reclassification, compulsory share exchange or liquidation, in which all or substantially all outstanding shares of the Company's Common Stock are converted into or exchanged for stock, other securities, cash or assets or following which any remaining outstanding shares of Common Stock fail to meet the listing standards imposed by each of the New York Stock Exchange, the American Stock Exchange and the Nasdaq National Market at the time of such transaction, but shall not include any transaction the primary purpose of which is the reincorporation of the Company in another U.S. jurisdiction so long as in such transaction each Equity Warrant shall convert into an equity security of the successor to the Company having identical rights as the Equity Warrant. If a Sale Transaction occurs, then lawful provision shall be made by the corporation formed by such Sale Transaction or the corporation whose securities, cash or other property will immediately after the Sale Transaction be owned, by virtue of such Sale Transaction, by the holders of Common Stock immediately prior to the Sale Transaction, or the corporation which shall have acquired such securities of the Company (collectively the "FORMED, SURVIVING OR ACQUIRING CORPORATION"), as the case may be, providing that each Equity Warrant then outstanding shall thereafter be exercisable for the kind and amount of securities, cash or other property receivable upon such Sale Transaction by a holder of the number of shares of Common Stock that would have been received upon exercise of such Equity

E-10

Warrant immediately prior to such Sale Transaction assuming such holder of Common Stock did not exercise his rights of election, if any, as to the kind or amount of securities, cash or other property receivable upon such Sale Transaction (PROVIDED that, if the kind or amount of securities, cash or other property receivable upon such Sale Transaction is not the same for each share of Common Stock in respect of which such rights of election shall not have been exercised ("NON-ELECTING SHARE")), then for the purposes of this Section 5.4 the

Edgar Filing: USA NETWORKS INC - Form PRER14A

kind and amount of securities, cash or other property receivable upon such Sale Transaction for each Non-Electing Share shall be deemed to be the kind and amount so receivable per share by a plurality of the Non-Electing Shares). At the option of the Company, in lieu of the foregoing, the Company may require that in a Sale Transaction each Holder of an Equity Warrant shall receive in exchange for each such Equity Warrant a security of the Formed, Surviving or Acquiring Corporation having substantially equivalent rights, other than as set forth in this Section 5.4, as the Equity Warrant. Concurrently with the consummation of such transaction, the Formed, Surviving or Acquiring Corporation shall enter into a supplemental Equity Warrant Agreement so providing and further providing for adjustments which shall be as nearly equivalent as may be practical to the adjustments provided for in Section 4.1. The Formed, Surviving or Acquiring Corporation shall mail to Holders a notice describing the supplemental Equity Warrant Agreement. If the issuer of securities deliverable upon exercise of Equity Warrants under the supplemental Equity Warrant Agreement is an affiliate of the formed or surviving corporation, that issuer shall join in the supplemental Equity Warrant Agreement. Notwithstanding anything to the contrary herein, there will be no adjustments pursuant to Article 4 hereof in case of the issuance of any shares of the Company's stock in a Sale Transaction except as provided in this Section 5.4. The provisions of this Section 5.4 shall similarly apply to successive Sale Transactions; PROVIDED, HOWEVER, that in no event shall a Holder of an Equity Warrant be entitled to more than one adjustment pursuant to this Section 5.4 in respect of a series of related transactions.

ARTICLE 6. EXCHANGE AND TRANSFER OF EQUITY WARRANTS

6.1. EQUITY WARRANT REGISTER; EXCHANGE AND TRANSFER OF EQUITY WARRANTS. The Equity Warrant Agent shall maintain, at its corporate trust office or at 385 Rifle Camp Road, Reorganization Services Department, 5th Floor, West Paterson, New Jersey 07424, a register (the "EQUITY WARRANT REGISTER") in which, upon the issuance of Equity Warrants, and, subject to such reasonable regulations as the Equity Warrant Agent may prescribe, it shall register Equity Warrant Certificates and exchanges and transfers thereof. The Equity Warrant Register shall be in written form or in any other form capable of being converted into written form within a reasonable time.

Except as provided in the following sentence, upon surrender at the corporate trust office of the Equity Warrant Agent or at 385 Rifle Camp Road, Reorganization Services Department, 5th Floor, West Paterson, New Jersey 07424, Equity Warrant Certificates may be exchanged for one or more other Equity Warrant Certificates evidencing the same aggregate number of Equity Warrants of the same title, or may be transferred in whole or in part. A transfer shall be registered and an appropriate entry made in the Equity Warrant Register upon surrender of an Equity Warrant Certificate to the Equity Warrant Agent at its corporate trust office or at 385 Rifle Camp Road, Reorganization Services Department, 5th Floor, West Paterson, New Jersey 07424 for transfer, properly endorsed or accompanied by appropriate instruments of transfer and written instructions for transfer, all in form satisfactory to the Company and the Equity Warrant Agent. Whenever an Equity Warrant Certificate is surrendered for exchange or transfer, the Equity Warrant Agent shall countersign and deliver to the person or persons entitled thereto one or more Equity Warrant Certificates duly executed by the Company, as so requested. The Equity Warrant Agent shall not be required to effect any exchange or transfer which will result in the issuance of an Equity Warrant Certificate evidencing a fraction of an Equity Warrant. All Equity Warrant Certificates issued upon any exchange or transfer of an Equity

E-11

Warrant Certificate shall be the valid obligations of the Company, evidencing

Edgar Filing: USA NETWORKS INC - Form PRER14A

the same obligations, and entitled to the same benefits under this Agreement, as the Equity Warrant Certificate surrendered for such exchange or transfer.

No service charge shall be made for any exchange or transfer of Equity Warrants, but the Company may require payment of a sum sufficient to cover any tax or other governmental charge that may be imposed in connection with any such exchange or transfer, in accordance with Section 2.5 hereof.

6.2. TREATMENT OF HOLDERS OF EQUITY WARRANTS. Every Holder of an Equity Warrant, by accepting the Equity Warrant Certificate evidencing the same, consents and agrees with the Company, the Equity Warrant Agent and with every other Holder of Equity Warrants that the Company and the Equity Warrant Agent may treat the record holder of an Equity Warrant Certificate as the absolute owner of such Equity Warrant for all purposes and as the person entitled to exercise the rights represented by such Equity Warrant.

6.3. CANCELLATION OF EQUITY WARRANT CERTIFICATES. In the event that the Company shall purchase, redeem or otherwise acquire any Equity Warrants after the issuance thereof, the Equity Warrant Certificate shall thereupon be delivered to the Equity Warrant Agent and be canceled by it. The Equity Warrant Agent shall also cancel any Equity Warrant Certificate (including any mutilated Equity Warrant Certificate) delivered to it for exercise, in whole or in part, or for exchange or transfer. Equity Warrant Certificates so canceled shall be delivered by the Equity Warrant Agent to the Company from time to time, or disposed of in accordance with the instructions of the Company.

ARTICLE 7. CONCERNING THE EQUITY WARRANT AGENT

7.1. EQUITY WARRANT AGENT. The Company hereby appoints The Bank of New York as Equity Warrant Agent of the Company in respect of the Equity Warrants upon the terms and subject to the conditions set forth herein; and The Bank of New York hereby accepts such appointment. The Equity Warrant Agent shall have the powers and authority granted to and conferred upon it in the Equity Warrant Certificates and hereby and such further powers and authority acceptable to it to act on behalf of the Company as the Company may hereafter grant to or confer upon it. All of the terms and provisions with respect to such powers and authority contained in the Equity Warrant Certificates are subject to and governed by the terms and provisions hereof.

7.2. CONDITIONS OF EQUITY WARRANT AGENT'S OBLIGATIONS. The Equity Warrant Agent accepts its obligations set forth herein upon the terms and conditions hereof, including the following, to all of which the Company agrees and to all of which the rights hereunder of the Holders shall be subject:

(a) COMPENSATION AND INDEMNIFICATION. The Company agrees to pay the Equity Warrant Agent from time to time such compensation for its services as the Company and the Equity Warrant shall agree in writing and to reimburse the Equity Warrant Agent for reasonable out-of-pocket expenses (including reasonable counsel fees) incurred by the Equity Warrant Agent in connection with the services rendered hereunder by the Equity Warrant Agent. The Company also agrees to indemnify the Equity Warrant Agent for, and to hold it harmless against, any loss, liability or expenses (including the reasonable costs and expense of defending against any claim of liability) incurred without negligence or bad faith on the part of the Equity Warrant Agent arising out of or in connection with its appointment as Equity Warrant Agent hereunder.

(b) AGENT FOR THE COMPANY. In acting under this Agreement and in connection with any Equity Warrant Certificate, the Equity Warrant Agent is acting solely as agent of the Company and does not assume any obligation or relationship of agency or trust for or with any Holder.

(c) COUNSEL. The Equity Warrant Agent may consult with counsel reasonably satisfactory to it, and the advice of such counsel shall be full and complete authorization and protection in respect of any action taken, suffered or omitted by it hereunder in good faith and in accordance with the advice of such counsel.

(d) DOCUMENTS. The Equity Warrant Agent shall be protected and shall incur no liability for or in respect of any action taken, suffered or omitted by it in reliance upon any notice, direction, consent, certification, affidavit, statement or other paper or document reasonably believed by it to be genuine and to have been presented or signed by the proper parties.

(e) OFFICER'S CERTIFICATE. Whenever in the performance of its duties hereunder the Equity Warrant Agent shall reasonably deem it necessary that any fact or matter be proved or established by the Company prior to taking, suffering or omitting any action hereunder, the Equity Warrant Agent may (unless other evidence in respect thereof be herein specifically prescribed), in the absence of bad faith on its part, rely upon a certificate signed by the Chairman, the Vice Chairman, the Chief Executive Officer, the President, a Vice President, the Treasurer, and Assistant Treasurer, the Secretary or an Assistant Secretary of the Company (an "OFFICER'S CERTIFICATE") delivered by the Company to the Equity Warrant Agent.

(f) ACTIONS THROUGH AGENTS. The Equity Warrant Agent may execute and exercise any of the rights or powers hereby vested in it or perform any duty hereunder either itself or by or through its attorneys or agents, provided, however, that reasonable care shall be exercised in the selection and continued employment of such attorneys and agents.

(g) CERTAIN TRANSACTIONS. The Equity Warrant Agent, and any officer, director or employee thereof, may become the owner of, or acquire interest in, any Equity Warrant, with the same rights that he, she or it would have if it were not the Equity Warrant Agent, and, to the extent permitted by applicable law, he, she or it may engage or be interested in any financial or other transaction with the Company and may serve on, or as depositary, trustee or agent for, any committee or body of holders of any obligations of the Company as if it were not the Equity Warrant Agent.

(h) NO LIABILITY FOR INTEREST. The Equity Warrant Agent shall not be liable for interest on any monies at any time received by it pursuant to any of the provisions of this Agreement or of the Equity Warrant Certificates, except as otherwise agreed with the Company.

(i) NO LIABILITY FOR INVALIDITY. The Equity Warrant Agent shall incur no liability with respect to the validity of this Agreement (except as to the due execution hereof by the Equity Warrant Agent) or any Equity Warrant Certificate (except as to the countersignature thereof by the Equity Warrant Agent).

(j) NO RESPONSIBILITY FOR COMPANY REPRESENTATIONS. The Equity Warrant Agent shall not be responsible for any of the recitals or representations contained herein (except as to such statements or recitals as describe the Equity Warrant Agent or action taken or to be taken by it) or in any Equity Warrant Certificate (except as to the Equity Warrant Agent's countersignature on such Equity Warrant Certificate), all of which recitals and representations are made solely by the Company.

(k) NO IMPLIED OBLIGATIONS. The Equity Warrant Agent shall be obligated to perform only such duties as are specifically set forth herein, and no other duties or obligations shall be implied. The Equity Warrant Agent shall not be under any obligation to take any action hereunder that may subject it to any expense or liability, the payment of which within a reasonable time is not, in

its reasonable opinion, assured to it. The Equity Warrant Agent shall not be accountable or under any duty or responsibility for the use by the Company of any Equity Warrant Certificate countersigned by the Equity Warrant Agent and delivered by it to the Company pursuant to this Agreement or for the application by the Company of the proceeds of the issuance or exercise of Equity Warrants. The Equity Warrant Agent shall have no duty or responsibility in case of any default by the Company in the performance of its covenants or agreements contained herein or in any Equity Warrant Certificate or in

E-13

case of the receipt of any written demand from a Holder with respect to such default, including, without limiting the generality of the foregoing, any duty or responsibility to initiate or attempt to initiate any proceedings at law or otherwise or, except as provided in Section 8.2 hereof, to make any demand upon the Company.

7.3. COMPLIANCE WITH APPLICABLE LAWS. The Equity Warrant Agent agrees to comply with all applicable federal and state laws imposing obligations on it in respect of the services rendered by it under this Agreement and in connection with the Equity Warrants, including (but not limited to) the provisions of United States federal income tax laws regarding information reporting and backup withholding. The Equity Warrant Agent expressly assumes all liability for its failure to comply with any such laws imposing obligations on it, including (but not limited to) any liability for failure to comply with any applicable provisions of United States federal income tax laws regarding information reporting and backup withholding.

7.4. RESIGNATION AND APPOINTMENT OF SUCCESSOR.

(a) The Company agrees, for the benefit of the Holders of the Equity Warrants, that there shall at all times be an Equity Warrant Agent hereunder until all the Equity Warrants are no longer exercisable.

(b) The Equity Warrant Agent may at any time resign as such agent by giving written notice to the Company of such intention on its part, specifying the date on which its desired resignation shall become effective, subject to the appointment of a successor Equity Warrant Agent and acceptance of such appointment by such successor Equity Warrant Agent, as hereinafter provided. The Equity Warrant Agent hereunder may be removed at any time by the filing with it of an instrument in writing signed by or on behalf of the Company and specifying such removal and the date when it shall become effective. Such resignation or removal shall take effect upon the appointment by the Company, as hereinafter provided, of a successor Equity Warrant Agent (which shall be a banking institution organized under the laws of the United States of America, or one of the states thereof and having an office or an agent's office in the Borough of Manhattan, the City of New York) and the acceptance of such appointment by such successor Equity Warrant Agent. In the event a successor Equity Warrant Agent has not been appointed and has not accepted its duties within 90 days of the Equity Warrant Agent's notice of resignation, the Equity Warrant Agent may apply to any court of competent jurisdiction for the designation of a successor Equity Warrant Agent.

(c) In case at any time the Equity Warrant Agent shall resign, or shall be removed, or shall become incapable of acting, or shall be adjudged bankrupt or insolvent, or make an assignment for the benefit of its creditors or consent to the appointment of a receiver or custodian of all or any substantial part of its property, or shall admit in writing its inability to pay or meet its debts as they mature, or if a receiver or custodian of it or all or any substantial part of its property shall be appointed, or if any public officer shall have taken charge or control of the Equity Warrant Agent or of its property or affairs, for the purpose of rehabilitation, conservation or liquidation, a successor Equity

Edgar Filing: USA NETWORKS INC - Form PRER14A

Warrant Agent, qualified as aforesaid, shall be appointed by the Company by an instrument in writing, filed with the successor Equity Warrant Agent. Upon the appointment as aforesaid of a successor Equity Warrant Agent and acceptance by the latter of such appointment, the Equity Warrant Agent so superseded shall cease to be the Equity Warrant Agent hereunder.

(d) Any successor Equity Warrant Agent appointed hereunder shall execute, acknowledge and deliver to its predecessor and to the Company an instrument accepting such appointment hereunder, and thereupon such successor Equity Warrant Agent, without any further act, deed or conveyance, shall become vested with all the authority, rights, powers, trusts, immunities, duties and obligations of such predecessor with like effect as if originally named as Equity Warrant Agent hereunder, and such predecessor, upon payment of its charges and disbursements then unpaid, shall thereupon become obligated to transfer, deliver and pay over, and such successor Equity Warrant Agent shall be entitled

E-14

to receive all moneys, securities and other property on deposit with or held by such predecessor, as Equity Warrant Agent hereunder.

(e) Any corporation into which the Equity Warrant Agent hereunder may be merged or converted or any corporation with which the Equity Warrant Agent may be consolidated, or any corporation resulting from any merger, conversion or consolidation to which the Equity Warrant Agent shall be a party, or any corporation to which the Equity Warrant Agent shall sell or otherwise transfer all or substantially all of the assets and business of the Equity Warrant Agent, provided that it shall be qualified as aforesaid, shall be the successor Equity Warrant Agent under this Agreement without the execution or filing of any paper or any further act on the part of any of the parties hereto.

ARTICLE 8. MISCELLANEOUS

8.1. AMENDMENT.

(a) This Agreement and the Equity Warrants may be amended by the Company and the Equity Warrant Agent, without the consent of the Holders of Equity Warrants, for the purpose of curing any ambiguity, or of curing, correcting or supplementing any defective or inconsistent provision contained herein or therein or in any other manner which the Company may deem to be necessary or desirable and which will not (i) materially and adversely affect the rights of the Equity Warrants and (ii) adversely affect the rights of the Initial Holder under this Agreement to the extent the Initial Holder is a Holder at the time of such amendment.

(b) The Company and the Equity Warrant Agent may modify or amend this Agreement and the Equity Warrant Certificates with the consent of the Holders of not fewer than a majority in number of the then outstanding unexercised Equity Warrants affected by such modification or amendment, for any purpose; PROVIDED, HOWEVER, (i) that no such modification or amendment that shortens the period of time during which the Equity Warrants may be exercised, or increases the Exercise Price, or otherwise materially and adversely affects the exercise rights of the Holders or reduces the percentage of Holders of outstanding Equity Warrants the consent of which is required for modification or amendment of this Agreement or the Equity Warrants, may be made without the consent of each Holder affected thereby, and (ii) that no such modification or amendment that adversely affects the exercise rights of the Holders may be made without the consent of the Initial Holder of the Equity Warrants to the extent the Initial Holder is a Holder at the time of such modification and/or amendment.

Edgar Filing: USA NETWORKS INC - Form PRER14A

8.2. NOTICES AND DEMANDS TO THE COMPANY AND EQUITY WARRANT AGENT. If the Equity Warrant Agent shall receive any notice or demand addressed to the Company by any Holder pursuant to the provisions of the Equity Warrant Certificate, the Equity Warrant Agent shall promptly forward such notice or demand to the Company.

8.3. ADDRESSES FOR NOTICES. Any communications from the Company to the Equity Warrant Agent with respect to this Agreement shall be addressed to The Bank of New York, 385 Rifle Camp Road, Reorganization Services Department, 5th Floor, West Paterson, New Jersey 07424; any communications from the Equity Warrant Agent to the Company with respect to this Agreement shall be addressed to USA Networks, Inc., 152 West 57th Street, New York, NY 10019, Attention: General Counsel; or such other addresses as shall be specified in writing by the Equity Warrant Agent or by the Company.

8.4. GOVERNING LAW. This Agreement and the Equity Warrants shall be governed by the laws of the State of New York applicable to contracts made and to be performed entirely within such state.

8.5. GOVERNMENTAL APPROVALS. The Company will from time to time use all reasonable efforts to obtain and keep effective any and all permits, consents and approvals of governmental agencies and authorities and the national securities exchange on which the Equity Warrants may be listed or

E-15

authorized for trading from time to time and filings under the United States federal and state laws, which may be or become requisite in connection with the issuance, sale, trading, transfer or delivery of the Equity Warrants, and the exercise of the Equity Warrants.

8.6. RESERVATION OF SHARES OF COMMON STOCK. The Company covenants that it will at all times reserve and keep available, free from preemptive rights (other than such rights as do not affect the ownership of shares issued to a Holder), out of the aggregate of its authorized but unissued shares of Common Stock or its issued shares of Common Stock held in its treasury, or both, for the purpose of effecting exercises of Equity Warrants, the full number of shares of Common Stock deliverable upon the exercise of all outstanding Equity Warrants not theretofore exercised and on or before taking any action that would cause an adjustment resulting in an increase in the number of shares of Common Stock deliverable upon exercise above the number thereof previously reserved and available therefor, the Company shall take all such action so required. For purposes of this Section 8.6, the number of shares of Common Stock which shall be deliverable upon the exercise of all outstanding Equity Warrants shall be computed as if at the time of computation all outstanding Equity Warrants were held by a single holder. Before taking any action which would cause an adjustment reducing the price per share of Common Stock issued upon exercise of the Equity Warrants below the then par value (if any) of such shares of Common Stock, the Company shall take any corporate action which may, in the opinion of its counsel, be necessary in order that the Company may validly and legally issue fully paid and non-assessable shares of Common Stock at such Exercise Price.

8.7. COVENANT REGARDING SHARES OF COMMON STOCK. All shares of Common Stock which may be delivered upon exercise of the Equity Warrants will upon delivery be duly and validly issued and fully paid and non-assessable, free of all liens and charges and not subject to any preemptive rights (other than rights which do not affect the Holder's right to own the shares of Common Stock to be issued), and prior to the Exercise Date the Company shall take any corporate action necessary therefor. The issuance of all such shares of Common Stock shall, to the extent permitted by law, be registered under the Securities Act of 1933, as amended.

Edgar Filing: USA NETWORKS INC - Form PRER14A

8.8. PERSONS HAVING RIGHTS UNDER AGREEMENT. Nothing in this Agreement expressed or implied and nothing that may be inferred from any of the provisions hereof is intended, or shall be construed, to confer upon, or give to, any person or corporation other than the Company, the Equity Warrant Agent and the Holders any right, remedy or claim under or by reason of this Agreement or of any covenant, condition, stipulation, promise or agreement hereof; and all covenants, conditions, stipulations, promises and agreements in this Agreement contained shall be for the sole and exclusive benefit of the Company and the Equity Warrant Agent and their successors and of the Holders of Equity Warrant Certificates.

8.9. LIMITATION OF LIABILITY. No provision hereof, in the absence of affirmative action by the Holder to purchase shares of Common Stock, and no enumeration herein of the rights or privileges of the Holder hereof, shall give rise to any liability of such Holder to pay the Exercise Price for any shares of Common Stock other than pursuant to an exercise of the Equity Warrant or any liability as a stockholder of the Company, whether such liability is asserted by the Company or by creditors of the Company.

8.10. RESTRICTIONS ON TRANSFER/REGISTRATION RIGHTS. For any transfer of Equity Warrants and/or the Common Stock purchasable upon exercise of the Equity Warrants to be effective, the Holders of the Equity Warrants must comply with the transfer restrictions set forth in the Amended and Restated Stockholders Agreement, dated as of December 16, 2001, among the Company and the other parties on the signature pages thereto, as the same may be amended from time to time (the "STOCKHOLDERS AGREEMENT"). On delivery of the Equity Warrants by the Company to the Initial Holder, such Initial Holder (and to the extent provided for in the Amended and Restated Governance Agreement, dated as of December 16, 2001, among the Company and the other parties set forth on the signature pages

E-16

thereto, as the same may be amended from time to time (the "GOVERNANCE AGREEMENT"), certain transferees of the Initial Holder) shall have registration rights with respect to the Equity Warrants to the extent provided in the Governance Agreement.

8.11. HEADINGS. The descriptive headings of the several Articles and Sections and the Table of Contents of this Agreement are for convenience only and shall not control or affect the meaning or construction of any of the provisions hereof.

8.12. COUNTERPARTS. This Agreement may be executed by the parties hereto in any number of counterparts, each of which when so executed and delivered shall be deemed to be an original; but all such counterparts shall together constitute but one and the same instrument.

8.13. INSPECTION OF AGREEMENT. A copy of this Agreement shall be available at all reasonable times at the principal corporate trust office of the Equity Warrant Agent, for inspection by the Holders of Equity Warrants.

IN WITNESS WHEREOF, the parties hereto have caused this Agreement to be duly executed, all as of the day and year first above written.

Each Liberty Party has duly executed and delivered this Agreement and this Agreement constitutes its legal, valid and binding obligations, enforceable against it in accordance with its terms, except to the extent limited by bankruptcy, insolvency, reorganization, moratorium or other laws affecting creditors' rights generally and by general equity principles regardless of whether such proceeding is considered in equity or at law.

SECTION 4.03. NO CONFLICTS; CONSENTS. (a) The execution, delivery and performance by each Liberty Party of this Agreement does not, and the consummation of the Transactions will not (with or without the giving of notice or lapse of time, or both), conflict with or result in any breach or violation or default under, or give rise to a right of or result in a termination, cancelation or acceleration of any obligation or to loss of a material benefit under, or to increased, additional or accelerated rights or entitlements of any Person under, or result in the creation of any Lien or Encumbrance upon any of the properties or assets of any Liberty Party under, any provision of (i) the Organizational Documents of any Liberty Party, (ii) any Contract, permit or franchise to which any Liberty Party is a party or by which any of their respective properties or assets is bound or is the beneficiary or (iii) any Judgment or any Applicable Law (including any applicable state takeover statute or other similar statute or regulation) applicable to any Liberty Party or their respective properties or assets, except that no representation or warranty is made herein with respect to (x) Applicable Laws of any jurisdiction located outside of the United States and the European Community ("LIBERTY EXCLUDED JURISDICTIONS"), (y) in the case of clauses (ii) and (iii) above, any such items that, individually or in the aggregate, would not have a Liberty Material Adverse Effect and (z) the Articles of Association of multiThematiques (the "ARTICLES OF ASSOCIATION"), the multiThematiques Cooperation Agreement and the Option Agreements.

(b) No material Consent of, or Filing with, any Governmental Entity is required to be obtained or made by or with respect to any Liberty Party in connection with the execution, delivery and performance of this Agreement or the consummation of the Transactions (provided, that no representation or warranty is made by a Liberty Party with respect to Consents from, or Filings with, any Governmental Entity in a Liberty Excluded Jurisdiction), other than (i) compliance with and filings under the HSR Act, the EC Merger Regulation and the merger regulations of individual countries in Europe, in each case if applicable, (ii) the filing of such reports as may be required under the securities laws of France, and with the SEC of such reports under Sections 13 and 16 of the Exchange Act, as may be required in connection with this Agreement, the Mergers and the other Transactions, (iii) the filing of the Certificates of Merger and the Certificate of Dissolution with the Secretary of State of the State of Delaware, (iv) compliance with and such filings as may be required under applicable environmental laws, (v) such filings as may be required in connection with any Taxes, (vi) filings with the Ministry of Economy of France in connection with the liquidation of a foreign investment and (vii) such other items (A) required solely by reason of the participation of the Universal Parties (as opposed to any third party) in the Transactions or (B) that, individually or in the aggregate, have not had and would not have a Liberty Material Adverse Effect.

SECTION 4.04. CAPITALIZATION; OWNERSHIP AND VALIDITY OF SHARES. (a) The authorized and issued capital stock of each of the Liberty Holding Entities is set forth on Exhibit C hereto. record all of the issued and outstanding Liberty Shares, and such Liberty Shares constitute all of the issued and outstanding shares of capital stock of the Liberty Holding Entities. All of the outstanding Liberty Shares are duly authorized, validly issued, fully paid and non-assessable. LPC owns all of the Liberty Shares free and clear of any Lien or Encumbrance (other than those (x) arising under the Shareholder Arrangements, (y) arising under any Federal or state securities laws or arising in connection with an Excluded Tax Liability or (z) created by any Universal Party (collectively, "LIBERTY PERMITTED ENCUMBRANCES")). There are no agreements or commitments of any kind by any Liberty Party or any of their Affiliates, including LPC and the Liberty Holding Entities, to issue any shares of capital stock of the Liberty Holding Entities, or any securities convertible into, or exercisable or exchangeable for the capital stock of the Liberty Holding Entities.

(b) As of the date of this Agreement and immediately prior to the exchange contemplated by Section 2.01, the Liberty Holding Entities collectively own in the aggregate 40,000,000 USANi Shares, free and clear of any Encumbrances other than Liberty Permitted Encumbrances. After the exchange contemplated by Section 2.01 has been completed, (i) assuming that USAi complies with the Exchange Agreement, the Liberty Holding Entities collectively will own in the aggregate 38,694,982 USANi Shares (collectively, the "LIBERTY USANI SHARES") and (ii) assuming USAi complies with the Exchange Agreement, the Liberty Holding Entities and Liberty HSN LLC Holdings, Inc. collectively will own in the aggregate 1,305,038 USAi Common Shares and the Liberty Parties set forth on Schedule II collectively will own 23,694,962 USAi Common Shares (collectively, the "LIBERTY USAi SHARES"), in each case free and clear of any Encumbrances other than Liberty Permitted Encumbrances. Immediately following the USAi Share Exchanges, assuming that the USAi Share Exchange I is effected in full without regard to the proviso in Section 2.02(a)(i), and that USAi complies with the Exchange Agreement, Universal will own 25,000,000 Liberty USAi Shares and, immediately prior to the Effective Time, each of the Liberty Holding Entities will own the number of Liberty USANi Shares set forth next to its name in Schedule III hereto, in each case free and clear of any Encumbrances other than Liberty Permitted Encumbrances. Immediately following the Mergers, each of the surviving corporations of the Mergers will own the number of Liberty USANi Shares set forth next to its name in Schedule III hereto, in each case free and clear of any Encumbrances other than Liberty Permitted Encumbrances.

(c) As of the date of this Agreement and immediately prior to the multiThematiques Acquisition, LPF owns, and immediately following the multiThematiques Acquisition, Universal France will own, 4,921,250 multiThematiques Shares, in each case free and clear of any Encumbrances (other than those (x) arising under the multiThematiques Cooperation Agreement, the Articles of Association and the Option Agreements, (y) arising under any Federal, state or foreign securities laws or (z) created by any Universal Party). Except for (i) such 4,921,250 multiThematiques Shares, (ii) three shares held as directors' qualifying shares and (iii) as provided in the Call Option Agreement, the Articles of Association and the multiThematiques Cooperation Agreement, directly or indirectly, any capital stock or other ownership interest or any option or right to acquire any capital stock or other ownership interest in multiThematiques.

SECTION 4.05. NO LIABILITIES OF THE LIBERTY HOLDING ENTITIES AND LPF. (i) None of the Liberty Holding Entities or LPF has any material assets other than the Liberty USANi Shares and the Liberty USAi Shares in the case of the Liberty Holding Entities, or the multiThematiques Shares, the Loan Agreement and, the Call Option Agreement, and LPF's rights under the Articles of Association and the multiThematiques Cooperation Agreement, in the case of LPF, or any liabilities of any kind whatsoever, whether absolute or contingent, matured or unmatured, liquidated or unliquidated, accrued or unaccrued, known or unknown, whenever arising, other than the obligation to consummate the

Mergers, the multiThematiques Transaction and the other Transactions, other than liabilities to be assumed by Universal France pursuant to Section 5.09 hereof, and other than liabilities (x) that are immaterial and (y) as to which the Universal Parties and their Affiliates have a reasonable likelihood of being fully indemnified by Liberty pursuant to Article VIII below; (ii) upon consummation of the Mergers, the Universal Parties and their Affiliates will not have any obligation or liability in respect of any liabilities of any of the Liberty Holding Entities other than those described in the preceding clause (i) that are covered by the indemnification described in clause (i)(y); (iii) upon consummation of the multiThematiques Transaction, the Universal Parties and their Affiliates will not have any obligation or liability in respect of any liabilities of LPF, other than liabilities to be assumed by Universal France pursuant to Section 5.09 hereof, and other than those described in the preceding clause (i) that are covered by the indemnification described in clause (i)(y); and (iv) upon consummation of the Mergers, all of the capital stock of the Liberty Holding Entities shall have been converted, free of any Encumbrances other than Liberty Permitted Encumbrances. Notwithstanding the foregoing, no representation or warranty is made (and no indemnification obligation on the part of any Liberty Party shall be incurred or created) with respect to (a) any Transfer Taxes for which Vivendi is responsible pursuant to Section 5.02(b), (b) any Tax liabilities resulting solely from the exchange of USANi Shares for USAi Common Shares pursuant to Section 2.01(a) hereof or the USAi Share Exchange I, (c) any Tax liabilities resulting solely from any restructuring of, or modification to the terms of, the multiThematiques Transaction pursuant to Section 5.01(d) hereof, (d) any Tax liabilities for which Vivendi is responsible pursuant to Section 8.01(b)(iii), (e) any Tax liabilities resulting solely from a breach by Vivendi of any of its representations and warranties set forth in Sections 3.06(i) and 3.06(j), and (f) any Tax liabilities (the "EXCLUDED TAX LIABILITIES") resulting from any Merger or the multiThematiques Transaction being a taxable transaction to the relevant Liberty Holding Entity or LPF which result solely from any breach of any of the representations and warranties set forth in Sections 3.04 and 3.06, any breach by any Universal Party or any of their Affiliates of the covenants set forth in Section 5.05 or any action (other than any action contemplated by the Transaction Documents including, for the avoidance of doubt, any action contemplated by Section 3.06(i) of this Agreement) taken by any Universal Party or any of their Affiliates after the Effective Time (other than any Tax liability which results solely from (x) any breach of the representations and warranties set forth in Section 4.06(c), (e) or (f) or any breach by any Liberty Party or any of their Affiliates of the covenants set forth in Section 5.05, (y) any action or unreasonable inaction by any Liberty Party or any of their Affiliates (other than due to an action or inaction contemplated by the Transaction Documents) or (z) any action or inaction of any Universal Party or any of their Affiliates contemplated by the Transaction Documents, including, for the avoidance of doubt, any action contemplated by Section 3.06(i) of this Agreement).

SECTION 4.06. TAXES. (a) All material Returns required to be filed by or on behalf of each of the Liberty Holding Entities or LPF or with respect to the USANi Shares, the USAi Common Shares, the multiThematiques Shares or any other asset of LPF have been duly filed in a timely manner and all such Returns are true, complete and correct in all material respects. All Taxes shown to be due on such Returns and all Taxes otherwise due and payable have been timely paid in full or will be timely paid in full by the due date thereof. No material Tax liens have been filed with respect to the USANi Shares, the USAi Common Shares or with respect to the assets of the Liberty Holding Entities or LPF.

(b) No deficiencies, audit examinations, refund litigation, proposed adjustments or matters in controversy for any Taxes have been proposed, asserted or assessed against any Liberty Holding Entity, or LPF except for deficiencies, audit examinations, refund litigation, proposed adjustments or matters in

Edgar Filing: USA NETWORKS INC - Form PRER14A

controversy that individually or in the aggregate would not have a Liberty Material Adverse Effect. The Federal income Tax Returns of LPF have been examined by and settled with the U.S. Internal Revenue Service or have closed by virtue of the applicable statute of limitations for all taxable years through 1992. All assessments for Taxes due and owing by each Liberty Holding Entity or LPF with respect to completed and settled examinations or concluded litigation have been paid. Except as set

F-16

forth on Schedule 4.06(b), there is no currently effective agreement or other document extending, or having the effect of extending, the period of assessment or collection of any Taxes.

(c) None of the Liberty Holding Entities nor LPF has been a "United States real property holding corporation" within the meaning of Section 897(c)(2) of the Code during the applicable period specified in Section 897(c)(1)(A)(ii) of the Code. None of the Liberty Holding Entities nor LPF has filed a consent under Section 341(f) of the Code concerning collapsible corporations.

(d) None of the Liberty Holding Entities, nor LPF, as the case may be, has constituted either a "distributing corporation" or a "controlled corporation" in a distribution of stock qualifying for tax-free treatment under Section 355 of the Code (A) in the two years prior to the date of this Agreement or (B) in a distribution which could otherwise constitute part of a "plan" or "series of related transactions" (within the meaning of Section 355(e) of the Code) in conjunction with the Mergers or the multiThematiques Transaction, as the case may be.

(e) None of the Liberty Parties has taken any action that is reasonably likely to prevent any Merger or the multiThematiques Transaction from qualifying as a reorganization within the meaning of Section 368(a) of the Code.

(f) multiThematiques is not and will not have been at any time during the taxable year that includes the Closing Date a controlled foreign corporation, as defined in Section 957(a) of the Code, or a PFIC or a pass-through entity for U.S. Federal income tax purposes.

(g) Each Liberty Holding Entity purchased all its USANi Shares solely for cash and directly from USANi.

(h) None of the Liberty Holding Entities or LPF have any current non-contingent liability for the Taxes of any Person under Treasury Regulation Section 1.1502-6 (or any similar provision of state, local, or foreign law), as a transferee or successor, by contract, or otherwise.

(i) None of the Liberty Holding Entities or LPF have any liabilities for the payment of any amounts as a result of being party to any Tax sharing agreement or as a result of any express or implied obligation to indemnify any other Person with respect to the payment of any Taxes, except pursuant to the terms of this Agreement.

(j) Based on facts currently known as of the date of this Agreement, Liberty believes that (i) neither it nor any member of the Selling Affiliated Group is required to file a gain recognition agreement under Section 367 of the Code with respect to any of the Mergers or the multiThematiques Transaction and therefore Liberty does not intend, as of the date of this Agreement, to file a gain recognition agreement with respect to any of the Mergers or the multiThematiques Transaction and (ii) each of the Mergers will qualify for tax-free treatment under Section 367 of the Code and therefore Liberty does not intend, as of the date of this Agreement, to report taxable income or gain with respect to any of the Mergers pursuant to Section 367 of the Code.

SECTION 4.07. INVESTMENT INTENT. The Liberty Parties are not acquiring the Vivendi ADSs to be received pursuant to Article II with a view to or for sale (as defined in the Securities Act) in connection with any distribution thereof within the meaning of the Securities Act except pursuant to an exemption therefrom or pursuant to an effective registration statement.

ARTICLE V AGREEMENTS AND COVENANTS

SECTION 5.01. REASONABLE BEST EFFORTS. (a) On the terms and subject to the conditions of this Agreement, each party hereto shall use its reasonable best efforts to cause the Closing to occur as soon as practicable after the date hereof (but subject to the satisfaction of the conditions set forth in Article VI).

(b) Prior to the Closing each party hereto (at its own expense) shall use its reasonable best efforts to obtain all consents and approvals from third parties necessary or appropriate to permit the consummation by such party of the Transactions.

(c) Following the date hereof, each party hereto shall file promptly any forms required under applicable law and take any other action reasonably necessary in connection with obtaining any approvals and the expiration or termination of any waiting periods under the HSR Act and the EC Merger Regulation and the merger regulations of individual countries in Europe, in each case to the extent applicable to the Transactions.

Notwithstanding anything to the contrary contained herein, neither Liberty nor Vivendi nor any of their respective Affiliates shall be required by this Section 5.01 to: (i) pay any consideration that is not de minimus, (ii) surrender, modify or amend in any respect any material license or contract (including this Agreement, the Shareholders Arrangements or the Transaction Documents), (iii) hold separately (in trust or otherwise), divest itself of, or otherwise rearrange the composition of, any assets, (iv) agree to any limitations on any such person's freedom of action with respect to future acquisitions of assets or with respect to any existing or future business or activities or on the enjoyment of the full rights or ownership, possession and use of any asset now owned or hereafter acquired by any such person, or (v) agree to any of the foregoing or any other conditions or requirements of any Governmental Entity or other person that are materially adverse or burdensome.

(d) In the event that notification under the EC Merger Regulation, or under the merger regulations of individual countries in Europe, is necessary for the consummation of the multiThematiques Transaction, and the European Commission elects to extend its inquiry beyond a "phase I" inquiry, or another comparable commission elects a similar inquiry that would otherwise similarly delay the Closing, then the parties shall negotiate in good faith to enter into such amendments of this Agreement as may be required so that: (i) the obligations of the parties to consummate the Transactions shall not be subject to any approvals or the expiration or termination of any waiting periods under the EC Merger Regulation or the merger regulation of such individual country in Europe necessary for the consummation of the multiThematiques Transaction and the Closing Date shall not be delayed until such approvals are obtained or such waiting periods have expired or terminated; and (ii) Liberty will receive all the economic benefits of the multiThematiques Transaction on the Closing Date; PROVIDED, HOWEVER, that if Vivendi shall propose such an arrangement pursuant to which the Liberty Parties will receive on the Closing Date the same number of Vivendi ADSs, in the same manner, and on the same terms and conditions as provided in this Agreement, and subject to no restrictions other than those to

Edgar Filing: USA NETWORKS INC - Form PRER14A

which they would be subject if this Section 5.01(d) were not applicable, then the parties hereto shall execute such appropriate amendments of this Agreement as may be required to effect such arrangement.

(e) Vivendi shall obtain all consents, approvals, releases or waivers, as applicable, with respect to the right of first refusal under Section 5.2 of the multiThematiques Cooperation Agreement and the first and second rank preemptive right under Article 13 of the Articles of Association, in each case necessary for the consummation of the multiThematiques Transaction, and shall ensure that no shareholder of multiThematiques asserts such right of first refusal or preemptive rights. Vivendi shall

F-18

use its reasonable best efforts to obtain such consents, approvals, releases or waivers, as applicable, as promptly as practicable so as not to delay the Closing Date.

SECTION 5.02. EXPENSES; TRANSFER TAXES. (a) Whether or not the Closing takes place, and except as set forth in Article VIII, all costs and expenses incurred in connection with the preparation of this Agreement and the consummation of the Transactions shall be paid by the party incurring such expense, including all costs and expenses incurred pursuant to Section 5.01.

(b) All stock transfer, real estate transfer, documentary, stamp, recording and other similar Taxes (including interest, penalties and additions to any such Taxes) ("TRANSFER TAXES") incurred in connection with the Mergers or the multiThematiques Transaction, as the case may be, shall be paid by the applicable Liberty Holding Entity, or LPF, as the case may be, out of its own funds. All other Transfer Taxes incurred in connection with the Transactions shall be shared equally between the Liberty Parties, on the one hand, and Vivendi, on the other hand. The Liberty Parties, the Merger Subsidiaries, Universal France, Universal and Vivendi shall cooperate in preparing, executing and filing any Returns with respect to such Transfer Taxes.

SECTION 5.03. PUBLICITY. From the date hereof through the Closing Date, no public release or announcement concerning the Transactions shall be issued by any party without the prior consent of the other parties (which consent shall not be unreasonably withheld), except as such release or announcement may be required by law or the rules or regulations of any United States or foreign securities exchange or commission (in which case the party required to make the release or announcement shall allow the other party reasonable time to comment on such release or announcement in advance of such issuance); PROVIDED, HOWEVER, that a party may make internal announcements to its and its Affiliates' employees that are consistent with the parties' prior public disclosures regarding the Transactions.

SECTION 5.04. FURTHER ASSURANCES. From time to time prior to and after the Closing, as and when reasonably requested by another party, each party shall execute and deliver, or cause to be executed and delivered, all such documents and instruments and shall take, or cause to be taken, all such further or other actions (subject to Section 5.01), as such other party may reasonably deem necessary or desirable to consummate the Transactions. From the date hereof until the Effective Time, Liberty and the Liberty Holding Entities shall, and shall cause the officers, directors, employees and agents of such parties to, afford the officers, employees and agents of Vivendi reasonable access at all reasonable times to the books and records of the Liberty Holding Entities.

SECTION 5.05. TAX TREATMENT. (a) The parties intend each of the Mergers and the multiThematiques Transaction to qualify as a reorganization under Section 368(a) of the Code. Each party and its Affiliates shall use reasonable efforts to cause the Mergers and the multiThematiques Transaction to so qualify.

Edgar Filing: USA NETWORKS INC - Form PRER14A

Each of the parties hereto and each of their respective Affiliates shall not take (or cause to be taken) any action and shall not fail to take (or cause not to be taken) any action or suffer to exist any condition which action or failure to act or condition would prevent, or would be reasonably likely to prevent, any Merger or the multiThematiques Transaction from qualifying as a reorganization within the meaning of Section 368(a) of the Code.

(b) Each of the parties and its Affiliates will comply with all reporting and record-keeping requirements applicable to each of the Mergers and the multiThematiques Transaction which are prescribed by the Code, by Treasury Regulations thereunder, or by forms, instructions, or other publications of the Internal Revenue Service. None of the parties or any of their Affiliates will take any position on any foreign, federal, state or local income or franchise tax return, or take any other tax reporting position that is inconsistent with the treatment of each of the Mergers and the multiThematiques Transaction as a separate reorganization within the meaning of Section 368(a) of the Code, unless otherwise required by a "determination" (as defined in Section 1313(a)(1) of the Code).

F-19

SECTION 5.06. TAX MATTERS. From the date hereof through the Closing Date, (i) each Liberty Holding Entity and LPF will file all Returns ("POST-SIGNING RETURNS") required to be filed by them in a timely manner, (ii) timely pay all Taxes due and payable in respect of such Post-Signing Returns, (iii) accrue a reserve in the books and records and financial statements of any such entity in accordance with past practice for all Taxes payable by such entity for which no Post-Signing Return is due prior to the Closing Date; (iv) promptly notify Universal of any suit, claim, action, investigation, proceeding or audit (collectively, "ACTIONS") pending against or with respect to any Liberty Holding Entity or LPF in respect of any Tax and not settle or compromise any such Action without Universal's consent; (v) not make any material Tax election or settle or compromise any material Tax liability, other than in connection with currently pending proceedings or other than in the ordinary course of business; and (vi) cause all existing Tax sharing agreements, Tax indemnity obligations and similar agreements, arrangements and practices with respect to Taxes to which any Liberty Holding Entity or LPF is a party or by which any Liberty Holding Entity or LPF is otherwise bound to be terminated as of the Closing Date so that after such date none of the Liberty Holding Entities nor LPF shall have any further rights or liabilities thereunder.

SECTION 5.07. RESIGNATION OF MULTITHEMATIQUES DIRECTORS. LPF shall cause each member of the Board of Directors of multiThematiques whose appointment was proposed by LPF under the multiThematiques Cooperation Agreement to deliver to multiThematiques (with copies to Universal) on the Closing Date, (i) such director's duly signed written resignations, (ii) a full release of liability resulting solely from termination of the employment agreement, if any, of such resigning director, effective immediately after such closing, and (iii) to surrender any director's qualifying shares in multiThematiques held by such resigning director.

SECTION 5.08. VIVENDI SECURITIES. Vivendi shall use its reasonable best efforts to ensure that, after the Closing Date, upon issuance by the Depositary to the Liberty Parties or their permitted transferees of Vivendi Shares in exchange for Vivendi ADSs in accordance with the terms of the Deposit Agreement, such Vivendi Shares shall be freely tradeable on the PSE (or such other principal exchange upon which the Vivendi Shares are then listed or traded).

SECTION 5.09. PUT OPTION AGREEMENTS. Universal France shall assume the obligations of LPF under the multiThematiques Cooperation Agreement, the Option Agreements and the Loan Agreement and any other obligations in respect of any multiThematiques shareholder arrangements to which LMI and/or LPF, on the one

Edgar Filing: USA NETWORKS INC - Form PRER14A

hand, and Vivendi and/or one or more of its Affiliates, on the other hand, are parties, in each case relating to periods after the Closing Date, and shall use its reasonable best efforts to cause LMI and LPF to be released from such obligations.

ARTICLE VI CONDITIONS PRECEDENT

SECTION 6.01. CONDITIONS TO EACH PARTY'S OBLIGATION. The obligation of each party to consummate the Transactions is subject to the satisfaction on the Closing Date of the following conditions, any one or more of which conditions of each party may be waived by such party to the extent permitted by law:

(a) Other than such Consents, registrations, declarations or filings the failure of which to obtain would not have a Universal Material Adverse Effect or a Liberty Material Adverse Effect, all Consents of, or registrations, declarations or filings with, or expirations of waiting periods imposed by, any Governmental Entity necessary for the consummation of the Transactions shall have been obtained or filed or shall have occurred and continue to be in effect, including any approvals and the expiration or termination of any waiting periods under the HSR Act and, subject to Section 5.01(d), the EC Merger Regulation and the merger regulations of individual countries in Europe, to the extent applicable to the Transactions.

F-20

(c) All conditions set forth in Article V of the Transaction Agreement shall have been satisfied in accordance with their terms or irrevocably waived and the Closing (as defined in the Transaction Agreement) shall occur in accordance with the terms of the Transaction Agreement and each of the Transaction Documents in the form attached thereto concurrently with the Closing of the Transactions.

SECTION 6.02. CONDITIONS TO THE OBLIGATIONS OF THE UNIVERSAL PARTIES. The obligation of the Universal Parties to consummate the Transactions is subject to the satisfaction on the Closing Date of the following conditions, any one or more of which conditions may be waived by Universal and the Merger Subsidiaries to the extent permitted by law:

(a) Except to the extent that the failure of such representations and warranties to be true and correct, in the aggregate, would not have a Liberty Material Adverse Effect: the representations and warranties of the Liberty Parties made in this Agreement, without regard to any materiality or Liberty Material Adverse Effect qualification, as of the date hereof and in the case of the representations and warranties set forth in Section 4.01, 4.02, 4.03 (only with respect to the Organizational Documents referred to therein), 4.04, 4.05, 4.06 and 4.07, as of the Closing Date, except to the extent such representations and warranties expressly relate to an earlier date (in which case such representations and warranties shall be true and correct as of such earlier date), and Universal shall have received a certificate signed by an executive officer of Liberty to such effect.

(b) The Liberty Parties shall have performed or complied in all material respects with all obligations and covenants required by this Agreement to be performed or complied with by the Liberty Parties by the Closing Date, and Universal shall have received a certificate signed by an authorized officer of Liberty to such effect.

obligation of the Liberty Parties to consummate the Transactions is subject to the satisfaction on the Closing Date of the following conditions, any one or more of which conditions may be waived by the Liberty Parties to the extent permitted by law:

(a) Except to the extent that the failure of such representations and warranties to be true and correct, in the aggregate, would not have a Universal Material Adverse Effect: the representations and warranties of the Universal Parties made in this Agreement, without regard to any materiality or Universal Material Adverse Effect qualification, shall be true and correct as of the date hereof and, in the case of the representations and warranties set forth in Sections 3.01, 3.02, 3.03 (only with respect to the Organizational Documents referred to therein), 3.04, 3.05 and 3.06, as of the Closing Date, except to the extent such representations and warranties expressly relate to an earlier date (in which case such representations and warranties shall be true and correct as of such earlier date), and Liberty shall have received a certificate signed by an executive officer of Universal to such effect.

(i) by mutual written consent of the parties hereto;

(ii) by any party hereto if the Transaction Agreement is terminated;

(iii) by either party if any Governmental Entity shall have enacted, issued, promulgated, enforced or entered any Judgment restraining, enjoining or otherwise prohibiting any of the Transactions and such Judgment shall have become final and nonappealable; or

(iv) by any party hereto, if the Closing does not occur on or prior to September 30, 2002;

PROVIDED, HOWEVER, that the party seeking termination pursuant to clause (ii), (iii) or (iv) is not in breach of any of its representations, warranties, covenants or agreements contained in this Agreement in any material respect.

(b) In the event of termination by a party pursuant to this Section 7.01, written notice thereof shall forthwith be given to the other parties, and the Transactions shall be terminated without further action by any party. INDEMNIFICATION

SECTION 8.01. INDEMNIFICATION. (a) Liberty hereby agrees to indemnify and hold harmless the Universal Parties and their Affiliates from and against (but without duplication) (i) any and all damages, claims, losses, expenses, costs, obligations and liabilities, including, without limiting the generality of the foregoing, liabilities for all Taxes and all reasonable attorneys' fees and expenses, net of Tax benefits as and when realized and any recovery from any third party including, without limitation, insurance proceeds and taking into account Tax costs as and when suffered, directly or indirectly, by the Universal Parties and their Affiliates ("LOSSES"), arising out of a breach of any representation or warranty set forth in Section 4.04, 4.05 or 4.06 or any covenant of any Liberty Party set forth in Section 5.05, (ii) any other liability including liability for Taxes of any of the Liberty Holding Entities relating to the period or portion thereof ending at or prior to the Effective Time, (iii) any other liability, including liability for Taxes, of or in respect of LPF other than liability of LPF assumed pursuant to Section 5.09 hereof, (iv) all liability for Transfer Taxes for which any Liberty Party is responsible pursuant to Section 5.02(b) and (v) any liability under Treasury Regulation Section 1.1502-6 or under any comparable or similar provisions under state, local or foreign Tax laws or regulations for periods or portions thereof ending on or prior to the Closing Date, in the case of each of the preceding clauses (i) through (v) without regard to materiality, other than, in the case of those preceding clauses, any Loss or other liability for (t) any Tax liabilities for which Vivendi is responsible pursuant to Section 8.01(b)(iii), (u) any Tax liabilities resulting solely from a breach by Vivendi of any of its representations and warranties set forth in Sections 3.06(i) and 3.06(j), (v) Transfer Taxes for which Vivendi is responsible pursuant to Section 5.02(b), (w) any Tax liabilities resulting solely from the exchange of USANi Shares for USAi Common Shares pursuant to Section 2.01(a) hereof or, if consummated, the USAi Share Exchange I, (x) any Tax liabilities resulting solely from any restructuring of, or modification to the terms of, the multiThematiques Transaction pursuant to Section 5.01(d) hereof, (y) an Excluded Tax Liability and (z) any Loss arising as a result of such indemnified person's equity ownership of USANi relating to the period prior to the Effective Time. If a claim by a third party is made against a Universal Party, and if such Universal Party intends to seek indemnity with respect thereto under this Section, such Universal Party shall promptly notify Liberty in writing of such claims setting forth such claims in reasonable detail; PROVIDED that the failure to so notify Liberty shall not limit such Universal Party's rights to indemnity except to the extent Liberty is materially prejudiced thereby. Liberty shall as promptly as practicable, and in any event no later than 20 days after receipt of such

notice, undertake, through counsel of its own choosing and at its own expense, the settlement or defense thereof, and the Universal Parties shall cooperate with it in connection therewith; PROVIDED, HOWEVER, that the Universal Parties may participate in such settlement or defense through counsel chosen by the Universal Parties, provided that the fees and expenses of such counsel shall be borne by the Universal Parties unless the Universal Parties shall have reasonably determined that representation by the same counsel would be inappropriate under applicable standards of appropriate conduct due to actual or potential differing interests between the Universal Parties and Liberty, and in that event, the fees and expenses of such counsel shall be paid by Liberty. If Liberty assumes such defense, the Universal Parties shall have the right to participate in the defense thereof and to employ counsel, at their own expense (subject to the preceding sentence), separate from the counsel employed by Liberty, it being understood that Liberty shall control such defense. In the event that Liberty assumes such defense, the Universal Parties shall cooperate with Liberty in such defense and make available to Liberty, at Liberty's expense, all pertinent records, materials and information in their possession or under their control relating thereto as is reasonably required by Liberty. The Universal Parties shall not pay or settle any claim which Liberty is contesting without the prior written consent of Liberty, which consent shall not be unreasonably withheld. Liberty shall not settle any claim unless such settlement (i) contains an unconditional release of the Universal Parties and their Affiliates from any and all liability with respect to such third party claim and (ii) does not otherwise impose new or additional

F-23

limitations or restrictions on any Universal Party or any of their Affiliates, without the prior written consent of Universal which consent shall not be unreasonably withheld. Notwithstanding the foregoing, the Universal Parties shall have the right to pay or settle any such claim, provided that in such event it shall waive any right to indemnity therefor from Liberty. If Liberty does not notify a Universal Party within 20 days after the receipt of such Universal Party's notice of a claim of indemnity regarding a third party claim hereunder that it elects to undertake the defense thereof, such Universal Party shall have the right to contest, settle or compromise the claim but shall not thereby waive any right to indemnity therefor pursuant to this Agreement.

(b) (i) In the event that any Merger is taxable to LPC or any other member of the Selling Affiliated Group or the multiThematiques Transaction is taxable to LMI, LPF or any other member of the Selling Affiliated Group, in each case as a result of a breach of any of the representations and warranties set forth in Sections 3.04 and 3.06 or any of the covenants of the Universal Parties set forth in Section 5.05 or any action (other than any action contemplated by the Transaction Documents including, for the avoidance of doubt, any action contemplated by Section 3.06(i) of this Agreement) taken by any of the Universal Parties after the Effective Time (other than any Tax liability that results solely from (x) a breach of the representations and warranties set forth in Section 4.06(c), (e) or (f) or any breach by any Liberty Party of the covenants set forth in Section 5.05 or (y) an action or unreasonable inaction by any Liberty Party (other than due to an action or inaction contemplated by the Transaction Documents), or any action or inaction of the Universal Parties contemplated by the Transaction Documents including, for the avoidance of doubt, any action contemplated by Section 3.06(i) of this Agreement, Vivendi shall indemnify and hold harmless LPC, LMI, LPF, and such other members of the Selling Affiliated Group, as applicable, on an after-Tax basis for the amount of any resulting Adjustments on any Return filed in respect of such indemnified party. To the extent permitted by law, the parties agree to treat any indemnity payments pursuant to this Section 8.01(b) (i) as adjustments to the consideration paid in the Mergers or the multiThematiques Transaction, as applicable.

(ii) Vivendi shall indemnify and hold harmless the Liberty Parties on an

Edgar Filing: USA NETWORKS INC - Form PRER14A

after-Tax basis for the amount of any Adjustments on any Return filed or to be filed in respect of such indemnified parties that result solely from (a) the exchange of USANi Shares for USAi Common Shares pursuant to Section 2.01(a) hereof and, if consummated, the USAi Share Exchange I, (b) any restructuring of, or modification to the terms of, the multiThematiques Transaction pursuant to Section 5.01(d) hereof, and/or (c) a breach of any of the representations and warranties set forth in Sections 3.06(i) and 3.06(j) hereof. To the extent permitted by law, the parties agree to treat any indemnity payments pursuant to clauses (a) and (c) of this Section 8.01(b)(ii) as adjustments to the consideration paid in the Mergers and indemnity payments pursuant to clause (b) of this Section 8.01(b)(ii) as adjustments to the consideration paid in the multiThematiques Transaction.

(iii) Unless, as of the Closing Date, at least 35% of the Common Interests (as defined in the Partnership Agreement) are held in the aggregate by Vivendi or one or more Affiliates of Vivendi (other than the surviving corporations of the Mergers) who are members of the same "qualified group" (within the meaning of Treasury Regulation Section 1.368-1(d)(4)(ii)) with the surviving corporations of the Mergers and Vivendi, Vivendi shall indemnify and hold harmless the Liberty Parties on an after-Tax basis for the amount of any Adjustments on any Return filed in respect of such indemnified parties that result solely from any of the Mergers failing to qualify as a reorganization within the meaning of Section 368(a) of the Code solely as a result of the transactions contemplated by Sections 2.02 and 2.03(a) of the Transaction Agreement. To the extent permitted by law, the parties agree to treat any indemnity payments pursuant to this Section 8.01(b)(iii) as adjustments to the consideration paid in the Mergers.

(c) GAIN RECOGNITION AGREEMENTS; INDEMNITY. If Liberty (or another member of the Selling Affiliated Group) becomes a five-percent shareholder (within the meaning of Treasury Regulation

F-24

Section 1.367(a)-3(c)(5)(ii)) of Vivendi in connection with the Mergers and/or the multiThematiques Transaction solely as a result of the receipt of Vivendi ADSs in connection with (i) the Transactions, (ii) any indemnification payment made pursuant to Section 8.01(b) or (iii) any purchases of Vivendi ADSs made by any Liberty Party directly from Vivendi in connection with the Transactions (a "FIVE-PERCENT SHAREHOLDER EVENT") and is required, solely as a result of such Five-Percent Shareholder Event, to enter into one or more gain recognition agreements under Section 367 of the Code (including any new gain recognition agreements that Liberty (or another member of the Selling Affiliated Group) may be required to enter into as a result of any nonrecognition transfer described in Treasury Regulations Sections 1.367(a)-8(g)(2) or (3)) with respect to the Mergers and/or the multiThematiques Transaction, Vivendi will, effective as of the date of such Five-Percent Shareholder Event, indemnify and hold harmless Liberty (the "GRA INDEMNITY"), on an after-Tax basis, for the amount of any Adjustments on any Return filed by Liberty or any other member of the Selling Affiliated Group which are required to be made as a result of any gain triggered pursuant to such gain recognition agreements (or new gain recognition agreements) solely as a result of any action taken by Vivendi or any of its Affiliates after the Effective Time (other than any action or inaction contemplated by the Transaction Documents (except for any action contemplated by Section 3.06(i) of this Agreement)); PROVIDED, HOWEVER, that for purposes of this Section 8.01(c), the determination of whether Liberty (or another member of the Selling Affiliated Group) is a five-percent shareholder shall be made by taking into account only those Vivendi Securities acquired pursuant to clauses (i), (ii) and/or (iii) above. If the GRA Indemnity becomes effective, (i) Vivendi agrees to notify Liberty of any action taken by it or any of its Affiliates that has caused, or will cause, gain to be recognized under such gain recognition agreements (or new gain recognition agreements) and (ii) if Vivendi

or any of its Affiliates have consummated, or consummate, any nonrecognition transfer that is described in Treasury Regulations Sections 1.367(a)- 8(g)(2) or (3), Vivendi shall provide timely notice to Liberty of such nonrecognition transfer so Liberty (or another member of the Selling Affiliated Group) may comply with the reporting requirements set forth in such sections of the Treasury Regulations, and Vivendi will cause Liberty to be informed of any subsequent disposition of property within the meaning of Treasury Regulations Section 1.367(a)- 8(g)(2)(iv). To the extent permitted by law, the parties agree to treat any indemnity payments pursuant to this Section 8.01(c) as adjustments to the consideration paid in the Mergers or the multiThematiques Transaction, as applicable.

(d) Vivendi shall make (x) any indemnification payments pursuant to Sections 8.01(b)(i), 8.01(b)(iii) and 8.01(c) hereof within thirty (30) calendar days after the later of (i) the filing of any Return, or any amended Return, as applicable, including the income or gain recognized that created the applicable Adjustment, and (ii) the date (the "INDEMNIFICATION NOTICE DATE") Vivendi receives written notice from Liberty, or any of its Affiliates, which notice shall include a certificate setting forth in reasonable detail the calculation and nature of such adjustment (an "INDEMNIFICATION NOTICE") demanding payment of such indemnity, and (y) any indemnification payments pursuant to Section 8.01(b)(ii) within 30 calendar days after the date Vivendi receives an Indemnification Notice from Liberty or any of its Affiliates demanding payment of such indemnity. To the extent any indemnification payment is not paid by Vivendi within such 30-day period, as applicable, the amount due shall thereafter include interest thereon at a rate per annum equal to the prime rate as publicly announced from time to time by The Bank of New York (the "OVERPAYMENT RATE"), adjusted as and when changes to such Overpayment Rate shall occur, compounded semi-annually. Any indemnification payments to be made by Vivendi pursuant to Sections 8.01(b) and (c) and any additional interest amounts to be paid pursuant to this Section 8.01(d) shall be made by delivering shares of Vivendi ADSs. Any shares of Vivendi ADSs shall be valued based on the average of the daily closing prices (as of 4:00 p.m. eastern time) per share of Vivendi ADSs as reported on the New York Stock Exchange (as published in the Wall Street Journal, or if not published therein or incorrectly published therein, in another authoritative source mutually selected by Vivendi and Liberty) for the ten consecutive trading

days ending on the second trading day prior to the Indemnification Notice Date. All such Vivendi ADSs shall be duly authorized, fully paid, and non-assessable.

SECTION 8.02. SURVIVAL. The representations, warranties, covenants and agreements contained in this Agreement or in any certificates delivered pursuant to Article VI shall survive the Closing and shall terminate on March 31, 2003, except for (i) those contained in Sections 3.04, 3.05, 4.04 and 4.05, which shall not terminate and (ii) those relating to Taxes (including, but not limited to those contained in Sections 3.06, 4.06, 5.05, 5.06 and 8.01) which shall survive until the expiration of the applicable statute of limitations (giving effect to any waiver, mitigation or extensions thereof). Notwithstanding the foregoing, those covenants or agreements that contemplate or may involve actions to be taken or obligations in effect after the Closing shall survive in accordance with their terms.

ARTICLE IX
RESTRICTIONS ON TRANSFERS

SECTION 9.01. RESTRICTIONS ON TRANSFERS. without, in each case, the prior written consent of Vivendi. Notwithstanding the foregoing, with respect to the 18,300,000 Vivendi Securities referred to in clause (i) above, the Liberty Parties may enter into swaps, hedges or other arrangements ("HEDGES") that Transfer, in whole or in part, any of the economic consequences of ownership of such Vivendi Securities prior to the Closing Date; PROVIDED, that the number of Vivendi Securities so Hedged on any day does not exceed twice the average worldwide daily trading volume for Vivendi Securities during the five trading days preceding such day.

(b) It shall be a condition to any Transfer not prohibited by this Article IX that such Transfer shall comply with the provisions of the Securities Act and applicable state securities laws.

(c) The Liberty Parties acknowledge and understand that the certificates representing the Vivendi Securities to be received pursuant to Article II will bear an appropriate legend regarding the transfer restrictions set forth in this Article IX.

SECTION 9.02. TRANSFERS PERMITTED AT ANY TIME. At any time and from time to time, any Liberty Party may Transfer all or any portion of the Vivendi Securities received pursuant to Article II to a wholly owned subsidiary of Liberty that agrees in writing to be bound by this Article IX.

SECTION 10.01. STANDSTILL. (a) Each Liberty Party agrees that, prior to the earliest of (i) the fourth anniversary of the Closing Date, (ii) the sale of all or substantially all of the assets of Vivendi and its subsidiaries to another Person other than a subsidiary of Vivendi or (iii) the effective time of any merger or consolidation of Vivendi with or into any other Person, other than a merger or consolidation in which a majority of the shares of the surviving entity are held by the holders of Vivendi's voting securities immediately prior to such effective time (the "RESTRICTED PERIOD"), it and its Affiliates will not, in any manner, whether publicly or otherwise, directly or indirectly, without the prior written consent of Vivendi, unless specifically requested in writing by the CEO of Vivendi or by a resolution of a majority of the board of directors of Vivendi:

- (i) acquire, agree to acquire or make any proposal to acquire, directly or indirectly, by purchase or otherwise, beneficial ownership of (A) any voting securities if immediately after such acquisition, the voting securities beneficially owned, in the aggregate, by Liberty and its Affiliates would exceed five percent (5%) of the outstanding voting securities of Vivendi or (B) any significant assets of Vivendi, or any of

Edgar Filing: USA NETWORKS INC - Form PRER14A

its subsidiaries (other than assets acquired in the ordinary course of business); PROVIDED, HOWEVER, that this clause shall not be deemed to be violated by the indirect acquisition of voting securities of Vivendi as a result of an acquisition by a Liberty Party of another Person that holds such voting securities so long as the voting securities of Vivendi held by such Person do not exceed 1% of such Person's total assets;

(ii) propose to enter into, directly or indirectly, any merger, tender offer or other business combination or similar transaction involving Vivendi or any of its subsidiaries (including a purchase of a material portion of their assets);

(iii) make, or in any way participate in, directly or indirectly, any "solicitation" of "proxies" (as such terms are defined in Regulation 14A ("REGULATION 14A") under the Exchange Act but without regard to the exclusion set forth in clause (2)(iv) of the definition of "solicitation") to vote, or seek to advise or influence any Person with respect to the voting of, any securities of Vivendi or any of its subsidiaries, or become a "participant" in a "solicitation" (as such terms are defined in Regulation 14A but without regard to the exclusion set forth in clause (2)(iv) of the definition of "solicitation") whether or not such solicitation is subject to regulation under Regulation 14A;

(iv) grant any proxy with respect to any voting securities of Vivendi (other than to Vivendi, its Affiliates or the CEO of Vivendi);

(v) call, or seek to call, a meeting of Vivendi's shareholders or initiate any shareholder proposal for action by shareholders of Vivendi;

(vi) bring any action or otherwise act to contest the validity of this Article X or seek a release of the restrictions contained herein;

(vii) form, join or in any way participate in a "group" (within the meaning of Section 13(d)(3) of the Exchange Act) with respect to any voting securities of Vivendi or any of its subsidiaries or deposit any voting securities of Vivendi in a voting trust or subject any voting securities of Vivendi to any arrangement or agreement with respect to the voting of such voting securities or other agreement having similar effect;

(viii) otherwise act, alone or in concert with others, to seek to affect or influence the control of the management or the board of directors of Vivendi or the business, operations or policies of Vivendi;

F-27

(ix) enter into any discussions, negotiations, arrangements, understandings or agreements (whether written or oral) with any other Person (other than Liberty's financial advisors or directors, officers, employees, agents, advisors or representatives) regarding a business combination involving Vivendi, any other purchase of any voting securities involving Vivendi, or significant assets of Vivendi;

(x) disclose any intention, plan or arrangement inconsistent with the foregoing; or

(xi) advise or assist any other Person in connection with any of the foregoing.

Each Liberty Party also agrees that, during the Restricted Period, neither it nor anyone acting on its behalf will (x) request Vivendi or any of its directors, officers, employees, agents, advisors or representatives, directly or indirectly, to amend or waive any provision of this Article X (including this

Edgar Filing: USA NETWORKS INC - Form PRER14A

sentence) or (y) take any action which might require Vivendi to make a public announcement regarding the possibility of a business combination, merger or extraordinary transaction.

(b) Notwithstanding Section 10.01(a), Liberty or any of its Affiliates shall be permitted during the Restricted Period to submit a proposal addressed to the board of directors of Vivendi that proposes a merger or other business combination involving Vivendi if (i) Vivendi shall have publicly announced that it has entered into a definitive agreement providing for: (A) any acquisition from Vivendi or from one or more stockholders thereof (by tender or exchange offer or other public offer), or both, more than 50% of the outstanding voting or equity securities of Vivendi, (B) any acquisition of all, or substantially all, the assets of Vivendi and its subsidiaries or (C) a merger, consolidation, statutory share exchange or similar transaction between or involving Vivendi and another Person (other than a merger or consolidation in which a majority of the voting shares of the surviving entity are held by the holders of Vivendi's voting securities immediately prior to such effective time); or (ii) any Person shall have commenced a tender offer or exchange offer that is likely to result in any Person or group beneficially owning 50% or more of the voting securities of Vivendi; PROVIDED, that in the case of this clause (ii), the right to make a proposal pursuant to this Section 10.01(b) shall cease upon the withdrawal or termination of such unsolicited tender offer or exchange offer or proposal unless Liberty or any of its Affiliates shall have submitted a proposal prior to such withdrawal or termination.

ARTICLE XI REGISTRATION RIGHTS

SECTION 11.01 REGISTRATION RIGHTS. As soon as practicable after execution of this Agreement, Vivendi shall (i) prepare and cause to be filed with the SEC under the Securities Act a registration statement on Form F-3 (or other appropriate form) (the "REGISTRATION STATEMENT") registering under the Securities Act the resale by the Liberty Parties of the Vivendi ADSs received by such Liberty Parties pursuant to this Agreement (the "REGISTRABLE SECURITIES"), (ii) use its reasonable best efforts to cause such Registration Statement to be declared effective simultaneous with the Closing and (iii) shall use its reasonable best efforts to maintain such Registration Statement effective for a period (the "EFFECTIVE PERIOD") of two years following the Closing Date or, if earlier, until all Registrable Securities covered thereby have been disposed of. In addition to such registration under the Securities Act, as soon as practicable after the execution of this Agreement, Vivendi shall use its reasonable best efforts to register or qualify the resale of such Vivendi ADSs under the securities or "blue sky" laws of such jurisdictions as Liberty shall reasonably request. Vivendi shall cause such Vivendi ADSs to be listed for trading on the New York Stock Exchange.

SECTION 11.02. BLACKOUT PERIODS. (a) Prior to the end of the Effective Period, if Vivendi determines in good faith that the registration and distribution of Registrable Securities (or the use of the Registration Statement or related prospectus) would interfere with any pending financing, acquisition, corporate reorganization or any other corporate development involving Vivendi or any of

F-28

its subsidiaries or would require premature disclosure thereof, Vivendi shall be entitled to (i) postpone the filing of the Registration Statement otherwise required to be prepared and filed by Vivendi pursuant to Section 11.01 or (ii) elect that the Registration Statement not be used, in either case, for a reasonable period of time, but not to exceed an aggregate of 90 days in any consecutive 12-month period (a "SECTION 11.02(A) PERIOD").

Edgar Filing: USA NETWORKS INC - Form PRER14A

(b) The period for which the Registration Statement shall be kept effective pursuant to Section 11.01(a) shall be extended by a number of days equal to the number of days of any Section 11.02(a) Period occurring during such period.

(c) Vivendi will notify Liberty, at any time when a prospectus relating to the Registration Statement is required to be delivered under the Securities Act, of Vivendi's becoming aware that the prospectus included in such Registration Statement, as then in effect, includes an untrue statement of a material fact or omits to state a material fact required to be stated therein or necessary to make the statements therein not misleading in light of the circumstances then existing, and at the request of Liberty, prepare and furnish at Vivendi's expense a reasonable number of copies of an amendment or supplement to such Registration Statement or related prospectus as may be necessary so that, as thereafter delivered to the purchasers of such Registrable Securities, such prospectus shall not include an untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary to make the statements therein not misleading in light of the circumstances then existing.

(d) Each Liberty Party agrees that, upon receipt of any notice from Vivendi of the happening of any event of the kind described in Section 11.02(c), such Liberty Party will forthwith discontinue disposition of Registrable Securities pursuant to the prospectus or Registration Statement covering such Registrable Securities until such Liberty Party's receipt of the copies of the supplemented or amended prospectus contemplated by Section 11.02(c), and, if so directed by Vivendi, such Liberty Party will deliver to Vivendi (at Vivendi's expense) all copies, other than permanent file copies then in such Liberty Party's possession, of the prospectus covering such Registrable Securities current at the time of receipt of such notice. In the event Vivendi shall give any such notice, the period for which the Registration Statement shall be kept effective pursuant to Section 11.01(a) shall be extended by the number of days during the period from the date of the giving of such notice pursuant to Section 11.02(c) and through the date when each seller of Registrable Securities covered by such Registration Statement shall have received the copies of the supplemented or amended prospectus contemplated by Section 11.02(c).

(e) In connection with the Registration Statement, Vivendi shall: (i) use its best efforts to comply with all applicable rules and regulations of the SEC in connection with the Registration Statement; (ii) prepare and file with the SEC such amendments and supplements to the Registration Statement and the prospectus used in connection therewith as may be necessary to keep the Registration Statement effective during the Effective Period; (iii) notify Liberty of any stop order issued or, to the best knowledge of Vivendi, threatened by the SEC and take all reasonable action required to prevent the entry of such stop order or to remove it if entered; and (iv) take such other actions as Liberty may reasonably request to effect the disposition of the Registrable Securities pursuant to the Registration Statement.

(f) Vivendi shall pay all registration expenses with respect to the Registration Statement. Notwithstanding the foregoing, each Liberty Party selling Registrable Securities shall be responsible for its own internal administrative and similar costs, the legal fees and expenses of its own counsel and all underwriting discount and underwriting commissions and transfer Taxes, if any, in connection with the sale of Registrable Securities.

SECTION 12.04. WAIVER. No failure by any party to this Agreement to insist upon the strict performance of any covenant, agreement, term or condition hereof or to exercise any right or remedy consequent upon a breach of such or any other covenant, agreement, term or condition shall operate as a waiver of such or any other covenant, agreement, term or condition of this Agreement. - reviewed various Wall Street research reports for USA, its constituent businesses and Universal;
- performed discounted cash flow analyses based on the projections for certain USA businesses and the Universal Assets that were furnished to us;
- reviewed the pro forma financial results, financial condition and capitalization of USA and Newco giving effect to the Transaction;
- reviewed the terms and conditions of the Class A Preferred, the Class B Preferred and the Warrants to be issued in connection with the Transaction; and
- conducted such other studies, analyses, inquiries and investigations as we deemed appropriate.

We have relied upon and assumed, without independent verification, the accuracy and completeness of the financial and other information, including without limitation the projections provided to us by USA and Vivendi. With respect to the projected financial results of the USA Assets, the USA Commerce Assets and the Universal Assets, we have assumed that they have been reasonably prepared on bases reflecting the best currently available estimates and judgments of the senior managements of USA and Vivendi as to the expected future performance of the USA Assets and the USA Commerce Assets and the Universal Assets, respectively. We have not assumed any responsibility for the independent

verification of any such information or of the projections provided to us, and we have further relied upon the assurances of the senior managements of USA and Vivendi that they are unaware of any facts that would make the information, the projections provided to us incomplete or misleading.

In arriving at our opinion, we have not performed or obtained any independent appraisal of the assets or liabilities (contingent or otherwise) of the USA Assets, the USA Commerce Assets and the Universal Assets, nor have we been furnished with any such appraisals. We have relied, with your consent, on statements made by Vivendi indicating that it would not approve any proposed transaction involving a sale of USA or the USA Assets, and we were not requested to solicit, and we did not solicit, interest from any third party with respect to an acquisition of USA or the USA Assets. We have assumed, without independent verification, that for Federal income tax purposes, any gain realized by USA, USANi or Newco upon consummation of the Transaction will be tax deferred, and in particular that no gain or loss will be recognized by USA, USANi or Newco as a result of (i) the distribution of the USANi Distributed Interests (as defined in the Transaction Agreement) by USANi to Universal, (ii) the issuance to Universal of warrants to acquire USA common stock and the cancellation of the USANi common interests held by Universal, (iii) the contribution of the USA Assets to Newco, (iv) USA's receipt of the Class A Preferred, the Class B Preferred and the common interests of Newco, and (v) the receipt by USA of \$1.619 billion of cash as a distribution from Newco, other than the potential recognition of an insignificant amount of income or gain pursuant to section 751 of the Code. We have assumed that the Transaction will be consummated in a timely manner and in accordance with the terms of the Agreement without any limitations, restrictions, conditions, amendments or modifications, regulatory or otherwise, that collectively would have a material effect on the USA Assets, the USA Commerce Assets, the Universal Assets or Newco. We have been informed by USA and have assumed, without independent verification, that following the Transaction, USA will not be deemed to be an "investment company" within the meaning of the Investment Company Act of 1940, as amended.

We do not express any opinion as to the price or range of prices at which the shares of common stock of USA may trade subsequent to the announcement of the Transaction or as to the price or range of prices at which the shares of common stock of USA may trade subsequent to the consummation of the Transaction.

We have acted as a financial advisor to the Special Committee of the Board of Directors of USA (the "Special Committee") in connection with the Transaction and will receive a customary fee for such services, a substantial portion of which is contingent on successful consummation of the Transaction. Bear Stearns has been previously engaged by USA and its affiliates to provide certain investment banking and financial advisory services for which we received customary fees. In addition, Bear Stearns has acted as agent or principal in certain transactions to which Vivendi is a counter-party, for which Bear Stearns has been compensated. In the ordinary course of business, Bear Stearns and its affiliates may actively trade the equity and debt securities and bank debt of USA and/or any of its affiliates, including Vivendi and its affiliates and Liberty and its affiliates, and enter into derivative transactions with any of such parties, or with reference to such parties' securities, for our own account and for the account of our customers and, accordingly, may at any time hold a long or short position in or in reference to such securities or bank debt.

It is understood that this letter is intended for the benefit and use of the Special Committee in their consideration of the Transaction and does not

constitute a recommendation to the Special Committee, the Board of Directors of USA or any holders of USA common stock as to how to vote in connection with the Transaction. This opinion does not address USA's underlying business decision to pursue the Transaction, the relative merits of the Transaction as compared to any alternative business strategies that might exist for USA or the effects of any other transaction in which USA might engage. In addition, this letter does not address the fairness from a financial point of view, of the consideration that may be received by Vivendi, Universal, Diller or Liberty, or their respective affiliates, in connection with the transactions contemplated by the Agreements or the relative value of such consideration as compared to the Consideration to be Received by USA. This letter is not to be used for any other purpose, or be reproduced, disseminated, quoted from or referred to at any time, in whole or in part, without our prior written consent; provided, however, that this letter may be included in its entirety in any proxy statement to be distributed to the holders of USA common stock in connection with the Transaction. Our opinion is subject to the assumptions and conditions contained herein and is necessarily based on economic, market and other conditions, and the information made available to us, as of the date hereof. We assume no responsibility for updating or revising our opinion based on circumstances or events occurring after the date hereof.

Based on and subject to the foregoing, it is our opinion that, as of the date hereof, the Consideration to be Received by USA is fair, from a financial point of view, to the stockholders of USA other than Vivendi, Liberty, Diller and their affiliates.

Very truly yours,
