(1) The reporting person is the manager of Potash Acquisition, LLC ("PAL"). The shares were distributed by PAL proportionately to its members on November 14, 2008. Certain direct and indirect members of PAL immediately further distributed the shares proportionately to their partners and members. As a result of such distributions, the reporting person is now the direct beneficial owner of 35,000 shares of common stock of the issuer which were previously held indirectly by it as the manager of PAL. Remarks: The reporting person is deemed a director by deputization of the issuer by virtue of PAL's right to designate a representative to serve on the issuer's board of directors. J. Landis Martin currently serves as PAL's representative on the issuer's board of directors.
