Item 2.02. Results of Operation and Financial Condition

On November 20, 2007, Foot Locker, Inc. (the "Company") issued a press release announcing its operating results for the third quarter of 2007. The press release includes a non-GAAP financial measure of third quarter and year-to-date net income before the non-cash impairment charge and the incremental expenses of closing stores, which the Company believes is a useful measure to investors because it allows for a more direct comparison of the Company's performance for the quarter with the Company's performance in prior quarters. A copy of the press release is furnished as Exhibit 99.1, which, in its entirety, is incorporated herein by reference.

Item 9.01. Financial Statements and Exhibits
