**Item 2.02 Results of Operations and Financial Condition.**

On February 1, 2006, Illumina, Inc. issued a press release announcing financial results for the fourth quarter and fiscal year ended January 1, 2006. The full text of the Company's press release is attached hereto as Exhibit 99.1.

The press release attached hereto as Exhibit 99.1 contains net loss and net loss per share information that excludes the effect of a one-time charge for in-process research and development related to the Company's acquisition of CyVera Corporation in April 2005. This information constitutes a non-GAAP financial measure, within the meaning of the rules and regulations of the Securities and Exchange Commission. Management has included this information because it believes that, due to the nature and expected infrequency of the one-time charge, the information allows investors to better compare the Company's financial performance from period to period and to better assess the trends that affect the Company's core business.

This Form 8-K, including the exhibit hereto, is being furnished to the Securities and Exchange Commission and shall not be deemed to be filed for purposes of Section 18 of, or otherwise regarded as filed under, the Securities Exchange Act of 1934, as amended. The information in this report shall not be incorporated by reference into any filing of Illumina, Inc. with the Securities and Exchange Commission, whether made before or after the date hereof, regardless of any general incorporation language in such filing.
