RECORD DATE

Stockholders of record at the close of business on September 30, 2003 (the "Record Date"), are entitled to notice of and to vote at the Annual Meeting.

DEADLINE FOR RECEIPT OF STOCKHOLDER PROPOSALS FOR 2004 ANNUAL MEETING

Edgar Filing: PARTY CITY CORP - Form DEF 14A

Proposals of stockholders of the Company which are intended to be presented at the Company's 2004 Annual Meeting of Stockholders must be received by the Company no later than June 18, 2004, and must otherwise be in compliance with the Company's Certificate of Incorporation and Bylaws and with applicable laws and regulations in order to be included in the Company's proxy statement and form of proxy relating to that meeting.

If a stockholder intends to present a stockholder proposal at the 2004 Annual Meeting in a manner other than the inclusion of the proposal in the Company's proxy statement and form of proxy relating to that meeting, unless the stockholder notifies the Company of such intention by August 26, 2004, the proxy holders named by the Company may exercise their discretionary voting authority on the matter in accordance with their best judgment.

VOTING YOUR SHARES AT THE ANNUAL MEETING

If you want to vote your shares in person at the Annual Meeting and your shares are held of record by a broker, bank or other nominee, you will need to bring to the Annual Meeting a letter from the broker, bank or other nominee confirming your beneficial ownership of the shares. If you fail to bring such a letter, you will not be permitted to vote such shares at the Annual Meeting.

1

REVOCABILITY OF PROXY

Any proxy given by a record holder pursuant to this solicitation may be revoked by the person giving it at any time before its use by delivering to the Company a written notice of revocation or a duly executed proxy bearing a later date or by attending the Annual Meeting and voting in person. If your shares are held of record by a broker, bank or other nominee, you must contact the broker, bank or nominee for instructions on how to revoke your proxy.

Please note that merely attending the Annual Meeting without voting will not revoke your proxy. Also, as noted above, if you want to attend the Annual Meeting and vote in person and your shares of the Company's common stock are held of record by a broker, bank or other nominee, you will need to bring to the Annual Meeting a letter from the broker, bank or other nominee confirming your beneficial ownership of the shares.

Edgar Filing: PARTY CITY CORP - Form DEF 14A

VOTING SECURITIES AND PRINCIPAL HOLDERS

OUTSTANDING SHARES

The Company has only one class of stock outstanding, the Company's common stock, \$0.01 par value per share (the "Common Stock"). At September 30, 2003, 17,441,987 shares of the Company's Common Stock were issued and outstanding.

VOTING RIGHTS; REQUIRED VOTE

Under the Delaware General Corporation Law and the Company's Certificate of Incorporation and Bylaws, each stockholder will be entitled to one vote for each share of Common Stock held at the Record Date for all matters, including the election of directors. Holders of Common Stock have no cumulative voting rights in the election of directors. The presence, in person or by proxy, of stockholders holding a majority of the outstanding shares of Common Stock on the Record Date and entitled to vote is required in order to constitute a quorum for the Annual Meeting. The election of each director requires a plurality of the votes present at the Annual Meeting and entitled to vote.

Shares that are voted by their beneficial owners "FOR," "AGAINST," "WITHHELD" or "ABSTAIN" are treated as being present at the Annual Meeting for the purposes of establishing a quorum and are also treated as shares entitled to vote at the Annual Meeting with respect to such matter. If a beneficial owner votes to abstain or withhold his or her vote, such share will count as a vote against the proposals.

Shares that are held in street name and voted by a broker are treated as being present at the Annual Meeting for the purposes of establishing a quorum. However, a share that is held in street name that is not voted on a specific proposal because the broker's authority to vote on that matter is limited and the broker did not receive from the beneficial owner a direction on how to vote the share on that particular matter is considered a "broker non-vote" and such a share is not considered entitled to vote. Thus a broker non-vote will count for purposes of establishing a quorum but will not be calculated as a vote cast at the Annual Meeting either for or against the nondiscretionary proposal.

A broker's authority to vote on routine matters, such as the election of directors, is not limited, therefore there cannot be any broker non-votes on such routine matters and if the broker abstains or withholds his or her vote, such shares will be treated as shares entitled to vote at the Annual Meeting with respect to such matter and they shall count as a vote against the proposal.

Conversely, brokers must receive directions from beneficial owners on how to vote shares on non-routine matters, such as a proposal to amend the Company's Certificate of Incorporation to increase the Company's shares of authorized stock. If the broker did not receive a direction from the beneficial owner on how to vote the share on that non-routine matter, then such broker non-vote is not considered entitled to vote and is thus not calculated as a vote cast at the Annual Meeting either for or against the nondiscretionary proposal.

VOTING OF PROXIES

The shares of Common Stock represented by all properly executed proxies received in time for the Annual Meeting will be voted in accordance with the directions given by the stockholders. IF NO INSTRUCTIONS ARE GIVEN, THE SHARES WILL BE VOTED (i) FOR each of the nominees named herein as directors, or their respective substitutes as may be appointed by the Board of Directors; (ii) FOR the approval of the amendment to the Company's Certificate of Incorporation to increase the number of authorized shares of common stock from 25,000,000 to 40,000,000; (iii) FOR the approval of the amendment and restatement of the Company's 1999 Stock Incentive Plan (the "Incentive Plan") to increase the

Edgar Filing: PARTY CITY CORP - Form DEF 14A

number of shares from 2,000,000 to 7,500,000 and increase the limit on the number of shares which may be subject to options or stock appreciation rights granted to a single participant in any given year from 400,000 to 750,000; and (iv) at the discretion of the proxy holders with respect to any other matter properly brought before the Annual Meeting.

3

SECURITY OWNERSHIP OF CERTAIN BENEFICIAL OWNERS AND MANAGEMENT

The following table sets forth information regarding the beneficial ownership of the Common Stock, as of September 30, 2003, for individuals or entities in the following categories: (i) each of the Company's Directors; (ii) each executive officer of the Company named in the Summary Compensation Table (each, a "Named Executive Officer"); (iii) each person known by the Company to be a beneficial owner of more than 5% of the Common Stock; and (iv) all Directors and Named Executive Officers as a group. For purposes of this table, a person is deemed to have "beneficial ownership" of any shares that such person has the right to acquire within 60 days after the date of this Proxy Statement. For purposes of calculating the percentage of outstanding shares held by each person named below, any shares that such person has the right to acquire within 60 days after the date of this Proxy Statement are deemed to be outstanding, but not for the purposes of calculating the percentage ownership of any other person.

Unless indicated otherwise, each of the stockholders has sole voting and investment power with respect to the shares beneficially owned.

The minimum base salary level for Mr. Skiba is established by his respective employment agreement described above in "Compensation of Executive Officers and Directors -- Employment Agreements and Termination of Employment." The Compensation Committee annually reviews these base salary compensation levels and makes adjustments based on a subjective evaluation of the above factors.

Incentive Bonuses. The Company has established a cash-based annual bonus program to provide annual incentives to the executive officers to meet or exceed expected performance objectives. This program provides cash compensation, based on a percentage of base salary, for the achievement of EBITDA targets set by the Company and, for certain executive officers, the attainment of specific short-term corporate and individual performance objectives which contribute to the success of the Company.

Equity Compensation

In order to provide long-term incentives to the executive officers of the Company and to further align their interests with those of the Company's stockholders, the Company implemented several equity-based incentive compensation plans. Among these plans, the Company's 1999 Stock Incentive Plan allows for the grant of both incentive and nonqualified stock options as well as restricted stock and other equity-based awards. Equity awards under these plans are granted on a discretionary basis by the Compensation Committee. The Compensation Committee makes a subjective determination as to the award recipients and

17

their level of award after review of the performance factors for the executive officers noted above for base salary determinations. In order to encourage and reward continued employment, these awards typically vest over a period of three to four years after the date of grant.

In June of 2001, the Company implemented the Management Stock Purchase Plan through which executive officers may elect to forgo all or a portion of their annual bonus to be used to purchase restricted stock units linked on a one-to-one basis with the value of the Company's Common Stock. To encourage participation in this plan, the Company offers the units at a 20% to 25% discount depending on the amount of bonus forgone. These forgone bonuses are held by the Company for three or seven years, as elected by the executive officer, and typically paid out in shares of Common Stock.

The Employee Stock Purchase Plan, which was approved in November 2001, added yet another mechanism to further align the interests of all employees, including executive officers, with those of the stockholders of the Company. The Employee Plan is structured to offer shares of Company Common Stock for sale on a bi-annual basis through salary deductions at a 15% discount. The Management Plan and Employee Plan were adopted after consultation with and on the recommendation of the executive compensation consulting firm of Watson Wyatt Worldwide.

CHIEF EXECUTIVE OFFICER COMPENSATION

The Chief Executive Officer of the Company is eligible to participate in the same executive compensation plans available to other executive officers. The Compensation Committee's general approach in setting the Chief Executive Officer's annual compensation (including base salary, annual incentive bonuses and long-term equity-based incentives) is to seek to be competitive with other comparably sized companies in the same industry group and to tie a portion of his or her annual compensation to the performance of the Company's Common Stock. This approach is intended to incentivize the Company's senior executive through clearly defined long-term goals while providing certainty as to that portion of his or her compensation that is not performance based.

In conclusion, the Compensation Committee believes that the compensation policies and practices of the Company as described above are fair and reasonable and are in keeping with the best interests of the Company, its employees and its stockholders.

INTERNAL REVENUE CODE SECTION 162(M)

Section 162(m) of the Internal Revenue Code, as amended (the "Code"), generally disallows a tax deduction to public companies for annual compensation over \$1 million paid to each of the Named Executive Officers, except to the extent such compensation qualifies as "performance-based." None of the Named Executive Officers has received compensation in excess of the Section 162(m) limits and all such compensation has been fully deductible by the Company. Moreover, the Company's stock option plans are structured and administered to comply with the Section 162(m) performance-based exemption. While the Company's policy has always been to pursue a strategy for maximizing deductibility of compensation for the Named Executive Officers, it also believes it is important to maintain the flexibility to take actions it considers in the best interests of the Company and its stockholders, which may necessarily be based on considerations in addition to Section 162(m).

REPORT OF THE AUDIT COMMITTEE

The Audit Committee of the Company's Board of Directors operates under a written charter, as adopted and approved in September 2003. A copy of this charter is attached as Appendix A to this proxy statement. All of the current members of the Audit Committee are considered to be "independent directors" as defined by the charter and the Nasdaq Marketplace Rules.

The Audit Committee reviewed the Company's audited financial statements for the fiscal year ended June 28, 2003 and discussed these financial statements with management and the independent accountants.

The Audit Committee also discussed with the independent accountants the matters required to be discussed by the Statement on Auditing Standards 61, "Communications with Audit Committees," as amended, issued by the Auditing Standards Board of the American Institute of Certified Public Accountants. These discussions included information regarding the scope and results of the audit.

The independent accountants provided the Audit Committee with the written disclosures and the letter required by Independence Standards Board Standard No. 1 ("Independence Discussions with Audit Committees"), as amended. Independence Standards Board Standard No. 1 requires accountants to disclose annually in writing all relationships that in the auditor's professional opinion may reasonably be thought to bear on their independence, confirm their perceived independence and engage in a discussion of independence. In addition, the Audit Committee discussed with the independent accountants their independence from the Company. The Audit Committee also considered whether the independent accountants' provision of certain other, non-audit related services to the Company is compatible with maintaining such accountants' independence.

Based on its discussions with management and the independent accountants, and its review of the representations and information provided by management and the independent accountants, the Audit Committee recommended to the Company's Board of Directors that the audited financial statements be included in the Company's Annual Report on Form 10-K for the fiscal year ended June 28, 2003.

Party City Corporation has elected to early adopt the Securities and

Edgar Filing: PARTY CITY CORP - Form DEF 14A

Exchange Commission's (SEC) new proxy disclosure requirements pertaining to fee categories, pursuant to the implementation of the Sarbanes-Oxley Act of 2002. Under the new requirements, the fee categories have been expanded to four: Audit, Audit-related, Tax and All other. Under previous requirements, financial information systems design and implementation fees were reported in a separate category with tax, audit-related, and consulting services combined into the All other category. Under the new requirements, the Audit category has been expanded to include audit and attest services provided in connection with the statutory and regulatory filings and SEC consent letters.

In adopting these new disclosures in Fiscal 2003, the SEC requires that comparative information for Fiscal 2002 be presented. Accordingly, fee information presented in the 2002 proxy statements has been restated here for comparative purposes.

All services provided by Deloitte & Touche, LLP have been reviewed with senior management of the Company to confirm that the performance of such services is consistent with the regulatory requirements for auditor independence.

Aggregate fees for professional services rendered for the Company by Deloitte & Touche, LLP for the years ended June 28, 2003 and June 29, 2002, were:

Audit-Related Fees. Audit-related fees are comprised of assurance and related services that are traditionally performed by the external auditor. Under previous proxy reporting rules, many of these services were required to be included in the All other fees category. Deloitte & Touche LLP billed the Company \$33,250 and \$165,750 for Fiscal 2003 and Fiscal 2002, respectively, for audit related professional services, including employee benefit plan audits, accounting consultations and consent for the incorporation in our registration statements.

PERFORMANCE GRAPH

The following graph provides a comparison on a cumulative basis of the percentage change from December 31, 1997 through June 28, 2003 in (a) the total stockholder return on the Company's Common Stock with (b) the total return on the common equity of all domestic issuers traded on the NASDAQ National Market and the NASDAQ SmallCap Market ("NASDAQ Market Index") and (c) the total return of domestic issuers having the same Standard Industrial Classification ("SIC") Industry Group Number as the Company (SIC 5943) and traded on the NASDAQ National Market or Small-Cap Market (the "Industry Index"). Such percentage change has been measured by dividing: (i) the sum of (A) the cumulative amount of dividends for the measurement period assuming dividend reinvestment and (B) the difference between the price per share at the end and at the beginning of the measurement period, by (ii) the price per share at the beginning of the measurement period. The price of each investment unit has been set at \$100 on December 31, 1997 for purposes of preparing this graph. All share price information for the Common Stock has been retroactively adjusted to give effect to a three-for-two stock split which occurred on January 16, 1998.

The Company's Common Stock has traded on the NASDAQ National Market under the symbol "PCTY" since its relisting in July, 2001. From July 1999 until its relisting on the NASDAQ National Market, the Common Stock was traded on the OTC Bulletin Board, an electronic quotation service for NASD Market Makers. From March 1996 until July 1999, the Company's Common Stock was traded on the NASDAQ National Market.

2. APPROVAL OF AMENDMENT TO CERTIFICATE OF INCORPORATION

The Board recommends that the stockholders approve an amendment to the Fourth Article of the Company's Certificate of Incorporation, which will increase from 25,000,000 to 40,000,000 the number of shares of Common Stock that the Company may issue. The Board believes that it is in the best interests of the Company and its stockholders to have additional shares of Common Stock authorized that would be available

22

Edgar Filing: PARTY CITY CORP - Form DEF 14A

for issuance for general corporate purposes, including raising capital to support business expansion, stock splits, stock dividends, acquisitions or other developments which might make the issuance of additional common stock desirable. If approval of an increase in the Company's authorized Common Stock is postponed until a specific need arises, the delay and expense incident to obtaining approval of the stockholders at that time could impair the Company's ability to meet its objectives. If an increase in the Company's authorized Common Stock is approved, no further action or approval by the stockholders would be necessary prior to the issuance of the additional shares unless applicable laws or regulations or the rules of any stock exchange on which the Company's securities may then be listed required such action or approval.

As of October 17, 2003, there were 17,458,695 shares of Common Stock issued and outstanding and 5,379,200 options and warrants outstanding and reserved for issuance pursuant to all of the Company's stock option and purchase plans, leaving 2,162,105 authorized shares available for issuance. Currently, there are 747,012 treasury shares.

The holders of any of the additional shares of Common Stock issued in the future would have the same rights and privileges as the holders of the shares of Common Stock currently authorized and outstanding. Those rights do not include preemptive rights with respect to the future issuance of any additional shares.

The Company does not now have any agreement, understanding, arrangement or commitment that would result in the issuance of any of the additional shares that would be authorized by the proposed amendment (other than pursuant to stock options), and no assurance can be given at this time that additional shares will, or as to the circumstances under which such shares might, in fact be issued. However, the increased authorized shares could be used to make a takeover attempt more difficult by using the shares to make a counter-offer for the shares of a bidder or by selling shares to dilute the voting power of the bidder. As of this date, the Board is unaware of any effort to accumulate the Company's shares or to obtain control of the Company by means of a merger, tender offer, solicitation in opposition to management or otherwise.

The amendment authorizing the increase in the authorized shares of Common Stock will amend the Fourth Article of the Company's Certificate of Incorporation. If the amendment is approved, the text of the Fourth Article will read in its entirety as set forth below:

"FOURTH: The total number of shares of stock which the corporation shall have authority to issue is 40,000,000, all of which have a par value of \$0.01 each. All such shares are of one class and are shares of Common Stock."

Approval of the proposal to amend the Certificate of Incorporation requires the affirmative vote of the majority of the shares of Common Stock present, in person or by proxy, at the Annual Meeting and entitled to vote thereon.

THE BOARD UNANIMOUSLY RECOMMENDS A VOTE FOR THE APPROVAL OF THE PROPOSAL TO AMEND THE COMPANY'S CERTIFICATE OF INCORPORATION TO INCREASE THE NUMBER OF THE COMPANY'S AUTHORIZED SHARES OF COMMON STOCK FROM 25,000,000 TO 40,000,000.

3. APPROVAL OF AMENDMENT AND RESTATEMENT OF 1999 STOCK INCENTIVE PLAN

On October 19, 1999, the Board adopted the Company's Incentive Plan, with respect to which 500,000 shares of Common Stock were reserved for issuance. At the Company's annual shareholder meeting on November 15, 1999, the Company's shareholders approved the Incentive Plan.

On October 5, 2000, the Board approved an amendment and restatement of the Incentive Plan, increasing the number of shares of Common Stock reserved for

Edgar Filing: PARTY CITY CORP - Form DEF 14A

issuance thereunder from 500,000 to 2,000,000. At the Company's annual shareholder meeting on November 15, 2000, the Company's shareholders approved the amended and restated Incentive Plan.

A total of 2,000,000 shares are reserved for issuance under the 1999 Plan. There have been 1,986,000 options issued of which 107,043 have been exercised and 1,571,807 are outstanding. There have been cancellations of 307,150 options, therefore there are 321,150 options remaining to issue under the Incentive

23

Plan unless such plan is amended and restated to increase the number of shares for which options and other awards may be issued.

On October 17, 2003, the Board approved an amendment and restatement of the Incentive Plan, increasing the number of shares of Common Stock reserved for issuance from 2,000,000 to 7,500,000. The Board of Directors also approved a corresponding increase in the limit of the number of shares of Common Stock subject to an option or stock appreciation right granted to a participant in any given year from 400,000 shares to 750,000 shares. The Company now seeks the approval of the shareholders for this amendment and restatement.

The Company is seeking stockholder approval for this amendment and restatement of the Incentive Plan in order to comply with the requirements of Sections 162(m) and 422 of the Code. The following summary of the Incentive Plan is qualified in its entirety by express reference to the text of the Incentive Plan, a copy of which is attached here to as Exhibit 1. Under the Incentive Plan, options granted to purchase Common Stock may qualify as "incentive stock options" within the meaning of Section 422 of the Code ("ISOs") or may not so qualify ("NSOs") (collectively or individually, ISOs and NSOs may be referred to as "Options") restricted stock and other stock-based awards may also be granted under the Incentive Plan (together with Options, collectively or individually, "Awards").

PURPOSE AND ELIGIBILITY

The purpose of the Incentive Plan is to promote the long-term financial success of the Company by enhancing the ability of the Company to attract, retain and reward individuals who can and do contribute to such success and to further align the interests of the Company's key personnel with its stockholders. Key employees, directors and consultants of the Company and its subsidiaries are eligible to receive Awards under, and participate in, the Incentive Plan. The number of individuals eligible to participate in the Incentive Plan is approximately 325.

ADMINISTRATION

The Incentive Plan is administered by the Compensation Committee. The Compensation Committee, in its sole discretion, determines which individuals may participate in the Incentive Plan and the type, extent and terms of the Awards to be granted. In addition, the Compensation Committee interprets the Incentive Plan and makes all other determinations with respect to the administration of the Incentive Plan.

AWARDS

The Incentive Plan provides for grants of Options, restricted stock and other stock-based awards as the Compensation Committee may from time to time deem appropriate, including, but not limited to, stock appreciation rights, limited stock appreciation rights, phantom stock awards, the bargain purchase of stock and stock bonuses. The terms and conditions of Awards granted under the

Edgar Filing: PARTY CITY CORP - Form DEF 14A

Incentive Plan are set out in agreements between the Company and the individuals receiving such awards. Such terms and conditions include vesting conditions, exercise prices and the expiration dates for the Awards. The exercise price of the Options is determined by the Compensation Committee at the time of grant, but may not be less than the fair market value of the Common Stock on the date of grant. Options will vest and become exercisable within such period or periods (not to exceed 10 years) as determined by the Compensation Committee and set forth in the Option agreement. Unless otherwise set forth in the Option agreement, all Options expire on the earlier of (i) ten years after grant, (ii) three months after the Option holder's (A) qualified retirement, (B) termination of employment or service with the Company or a subsidiary due to complete and permanent disability, (C) termination of employment or service with the written approval of the Compensation Committee, (D) termination of employment or service by the Company without cause (each a "Normal Termination"), (iii) immediately upon the Option holder's termination of employment or service for cause, (iv) twelve months after the death of the Option holder while still employed or within three months of a Normal Termination, or (v) the expiration date set forth in the Option agreement. Unless otherwise set forth in the Option agreement, Options will vest and become exercisable only during the period of employment or service

24

with the Company and its subsidiaries such that upon such termination of employment or service the unvested portion of any outstanding Option will expire. Options that have become exercisable may be exercised by delivery of written notice of exercise to the Compensation Committee accompanied by full payment of the Option exercise price and any applicable withholding. The Option exercise price may be paid in cash, by check approved by the Compensation Committee and/or delivery of shares of Common Stock having a value equal to the aggregate exercise price or, in the discretion of the Compensation Committee, either (i) in other property having a value equal to the aggregate exercise price, or (ii) through a brokered exercise.

The Compensation Committee may permit an Option holder to voluntarily surrender any NSO conditioned upon the granting of a new Option for the same or a different number of shares as the surrendered Option or require such voluntary surrender as a condition precedent to a grant of a new Option to such Option holder. Any new Option granted may have terms different from the surrendered Option.

Grants of Restricted Stock vest in accordance with periods and conditions set by the Compensation Committee. Stock certificates in respect of Restricted Stock are generally not issued to the recipient at the time of grant; instead, such certificates are held by the Company during the restricted period. In addition, during the applicable restricted period, shares of Restricted Stock are subject to transfer restrictions and forfeiture in the event of termination of employment with the Company. The Compensation Committee may impose other conditions at the time the Award is granted.

The Compensation Committee may also grant any other cash, stock or stock-related Awards to any eligible participant under the Incentive Plan that the Compensation Committee deems appropriate, including but not limited to, stock appreciation rights, limited stock appreciation rights, phantom stock awards, the bargain purchase of Common Stock and Common Stock bonuses. Any such Award will have such terms and conditions as the Compensation Committee, in its sole discretion, so determines.

ADJUSTMENTS FOR RECAPITALIZATION, MERGER, ETC. OF THE COMPANY

Awards granted under the Plan and any agreements, the maximum number of

Edgar Filing: PARTY CITY CORP - Form DEF 14A

shares of Common Stock subject to all such Awards and the maximum number of shares of Common Stock that may be granted to any one person during any year may be subject to adjustment or substitution, as determined by the Compensation Committee in its sole discretion, as to the number, price or kind of share of Common Stock or other consideration subject to such Awards or as otherwise determined by the Compensation Committee to be equitable (i) in the event of changes in the outstanding Common Stock or in the capital structure of the Company by reason of stock dividends, stock splits, mergers, or other relevant changes in capitalization occurring after the date of grant of any such Award or (ii) in the event of any changes in applicable laws or any change in circumstances which results in or would result in any substantial dilution or enlargement of the rights granted to, or available for, participants in the Incentive Plan, or (iii) upon the occurrence of any other event which otherwise warrants equitable adjustment. In the event of any such adjustments or substitution, the aggregate number of shares of Common Stock available under the Incentive Plan and the maximum number of shares of Common Stock that may be granted to any one person during any years shall be appropriately adjusted by the Compensation Committee. In addition, in the event of (i) the merger of the Company into or with another corporation, (ii) a sale of all or substantially all of the assets of the Company to another entity, or (iii) the reorganization or liquidation of the Company, the Compensation Committee may, upon 10 days notice to participants, cancel and cash out any or all outstanding Awards for their fair market value.

SHARES SUBJECT TO THE INCENTIVE PLAN

As noted above, a maximum of 2,000,000 shares of Common Stock are available for issuance pursuant to the exercise of Options or other Awards under the Incentive Plan. To date, Options for 1,866,000 of these shares have already been granted. Under the amended and restated Incentive Plan, an additional 5,500,000 shares would be available for issuance, bringing the maximum number of shares available to 7,500,000 shares. As noted above, no more than 400,000 shares of Common Stock may be issued to any one person pursuant to awards of Options or stock appreciation rights during any one year. Under the amended and restated Incentive Plan, this share limitation has been increased to 750,000.

25

MARKET VALUE

The closing price of the Common Stock on October 17, 2003 was \$13.66 per share.

NONTRANSFERABILITY

Except as otherwise determined by the Compensation Committee, a person's rights and interest under the Incentive Plan, including any amounts payable pursuant to an Award, may not be sold, assigned, donated or transferred or otherwise disposed of, mortgaged, pledged or encumbered except, in the event of a participant's death, to a designated beneficiary to the extent permitted by the Plan, or in the absence of such designation, by will or the laws of descent and distribution.

AMENDMENT AND TERMINATION

The Board may at any time terminate the Incentive Plan. With the express written consent of an individual participant (subject to any other allowable adjustments under the Incentive Plan to outstanding Awards without the consent of any participant), the Board or the Compensation Committee may cancel or reduce or otherwise alter the outstanding Awards thereunder if, in its judgment, the tax, accounting, or other effects of the Incentive Plan or potential payouts

Edgar Filing: PARTY CITY CORP - Form DEF 14A

thereunder would not be in the best interest of the Company. The Board or the Compensation Committee may, at any time, or from time to time, amend or suspend and, if suspended, reinstate, the Incentive Plan in whole or in part, subject to any limitations set forth in the Incentive Plan.

FEDERAL TAX CONSEQUENCES

The following is a brief discussion of the Federal income tax consequences of transactions with respect to Options under the Incentive Plan based on the Code, as in effect as of the date of this summary. This discussion is not intended to be exhaustive and does not describe any state or local tax consequences.

ISOs. No taxable income is realized by the optionee upon the grant or exercise of an ISO. If Common Stock is issued to an optionee pursuant to the exercise of an ISO, and if no disqualifying disposition of such shares is made by such optionee within two years after the date of grant or within one year after the transfer of such shares to such optionee, then (1) upon the sale of such shares, any amount realized in excess of the Option price will be taxed to such optionee as a long-term capital gain and any loss sustained will be a long-term capital loss, and (2) no deduction will be allowed to the Company for Federal income tax purposes.

If the Common Stock acquired upon the exercise of an ISO is disposed of prior to the expiration of either holding period described above, generally, (1) the optionee will realize ordinary income in the year of disposition in an amount equal to the excess (if any) of the fair market value of such shares at exercise (or, if less, the amount realized on the disposition of such shares) over the Option price paid for such shares and (2) the Company will be entitled to deduct such amount for Federal income tax purposes if the amount represents an ordinary and necessary business expense. Any further gain (or loss) realized by the optionee upon the sale of the Common Stock will be taxed as short-term or long-term capital gain (or loss), depending on how long the shares have been held, and will not result in any deduction by the Company.

If an ISO is exercised more than three months following termination of employment (subject to certain exceptions for disability or death), the exercise of the Option will generally be taxed as the exercise of a NSO, as described below.

For the purposes of determining whether an optionee is subject to an alternative minimum tax liability, an optionee who exercises an ISO generally would be required to increase his or her alternative minimum taxable income, and compute the tax basis in the stock so acquired, in the same manner as if the optionee had exercised a NSO. Each optionee is potentially subject to the alternative minimum tax. In substance, a taxpayer is required to pay the higher of his/her alternative minimum tax liability or his/her "regular" income tax liability. As a result, a taxpayer has to determine his/her potential liability under the alternative minimum tax.

NSOs. With respect to NSOs: (1) no income is realized by the optionee at the time the Option is granted; (2) generally, at exercise, ordinary income is realized by the optionee in an amount equal to the excess, if any, of the fair market value of the shares on such date over the exercise price, and the Company is generally entitled to a tax deduction in the same amount, subject to applicable tax withholding requirements; and (3) at sale, appreciation (or depreciation) after the date of exercise is treated as either short-term or long-term capital gain (or loss) depending on how long the shares have been held.

Edgar Filing: PARTY CITY CORP - Form DEF 14A

SPECIAL RULES APPLICABLE TO CORPORATE INSIDERS

As a result of the rules under Section 16(b) of the Exchange Act ("Section 16(b)"), and depending upon the particular exemption from the provisions of Section 16(b) utilized, officers and directors of the Company and persons owning more than 10 percent of the outstanding shares of stock of the Company (together, "Insiders") may not receive the same tax treatment as set forth above with respect to the grant and/or exercise of Options. Generally, Insiders will not be subject to taxation until the expiration of any period during which they are subject to the liability provisions of Section 16(b) with respect to any particular Option. Insiders should check with their own tax advisers to ascertain the appropriate tax treatment for any particular Option.

NEW PLAN BENEFITS

Because the grant of awards under the Incentive Plan is entirely within the discretion of the Compensation Committee, the Company cannot forecast the extent or nature of awards that will be granted in the future. Therefore, the Company has omitted the tabular disclosure of the benefits or amounts allocated under the Incentive Plan. Information with respect to compensation paid and other benefits, including Options granted in respect of the fiscal year ended June 28, 2003 to the Named Executive Officers is set forth in the Summary Compensation Table.

RECOMMENDATION AND VOTE

Approval of the proposal to amend and restate the Incentive Plan requires the affirmative vote of a majority of the shares of Common Stock present, in person or by proxy, at the Annual Meeting and entitled to vote thereon.

THE BOARD UNANIMOUSLY RECOMMENDS A VOTE FOR THE APPROVAL OF THE PROPOSAL TO AMEND AND RESTATE THE COMPANY'S 1999 STOCK INCENTIVE PLAN TO INCREASE THE NUMBER OF SHARES OF COMMON STOCK RESERVED FOR ISSUANCE UPON EXERCISE OF OPTIONS AND OTHER AWARDS GRANTED THEREUNDER FROM 2,000,000 TO 7,500,000 AND INCREASE THE LIMIT OF THE NUMBER OF SHARES OF COMMON STOCK WHICH MAY BE SUBJECT TO OPTIONS OR STOCK APPRECIATION RIGHTS GRANTED TO A SINGLE PARTICIPANT IN ANY GIVEN YEAR FROM 400,000 TO 750,000.

OTHER MATTERS

The Board of Directors knows of no other matters to be brought before the Annual Meeting. However, if any other matters are properly brought before the Annual Meeting, the persons appointed in the accompanying proxy intend to vote the shares represented thereby in accordance with their best judgment.

PURPOSE

The purpose of the Audit Committee (the "COMMITTEE") is to oversee the accounting and financial reporting processes of the Company and the audits of the financial statements of the Company. The Committee shall prepare the report required by the rules of the Securities and Exchange Commission (the "SEC") to be included in the Company's annual proxy statement.

In addition to the powers and responsibilities expressly delegated to the Committee in this Charter, the Committee may exercise any other powers and carry out any other responsibilities delegated to it by the Board from time to time consistent with the Company's Bylaws. The powers and responsibilities delegated by the Board to the Committee in this Charter or otherwise shall be exercised and carried out by the Committee as it deems appropriate without requirement of Board approval, and any decision made by the Committee (including any decision to exercise or refrain from exercising any of the powers delegated to the Committee hereunder) shall be at the Committee's sole discretion. While acting within the scope of the powers and responsibilities delegated to it, the Committee shall have and may exercise all the powers and authority of the Board. To the fullest extent permitted by law, the Committee shall have the power to determine which matters are within the scope of the powers and responsibilities delegated to it.

The Committee's responsibility is limited to oversight. Although the Committee has the responsibilities set forth in this Charter, it is not the responsibility of the Committee to plan or conduct audits or to determine that the Company's financial statements and disclosure are complete and accurate and are in accordance with generally accepted accounting principles ("GAAP") and applicable laws, rules and regulations. These are the responsibilities of management, the internal auditor (or others responsible for the internal audit function, including contracted non-employee or audit or accounting firm engaged to provide internal audit services) (the "INTERNAL AUDITOR") and the independent auditor.

Further, auditing literature, particularly Statement of Accounting Standards No. 71, defines the term "review" to include a particular set of required procedures to be undertaken by independent auditors. The members of the Committee are not independent auditors, and the term "review" as used in this Charter is not intended to have that meaning and should not be interpreted to suggest that the Committee members can or should follow the procedures required of auditors performing reviews of financial statements.

MEMBERSHIP

The Committee shall consist of three (3) or more members of the Board. The members shall be appointed by action of the Board and shall serve at the discretion of the Board. Each Committee member shall satisfy the independence requirements of The NASDAQ National Market System and Rule 10A-3(b)(1) under the Securities Exchange Act of 1934, as amended (the "EXCHANGE ACT"), including, without limitation, restrictions with respect to compensation; provided, however, that one director who (i) is not independent as defined in National Association of Securities Dealers, Inc. ("NASD") Rule 4200, (ii) meets the criteria set forth in Section 10A(m)(3) of the Exchange Act and the rules thereunder, (iii) does not own or control 20% or more of the issuer's voting securities (or such lower measurement as may be established by the SEC in rulemaking under Section 10A(m)(3) of the Act), and (iv) is not a current officer or employee or a Family Member (as defined in Proposed NASD Rule 4200(a)(14)) of such employee, may be appointed to the Committee, if the Board, under exceptional and limited circumstances, determines that membership on the Committee by the individual is required by the best interest of the Company and

Edgar Filing: PARTY CITY CORP - Form DEF 14A

its shareholders, and the Board discloses, in the next annual proxy statement subsequent to such determination, the nature of the relationship and the reasons for that determination. A member appointed under this exception (i) may only

28

serve on the Committee for no longer than two (2) years from the date of his or her appointment and (ii) may not serve as chair of the Committee.

Each Committee member must be able to read and understand fundamental financial statements, including a company's balance sheet, income statement, and cash flow statement, at the time of his or her appointment to the Committee. Members of the Committee are not required to be engaged in the accounting and auditing profession and, consequently, some members may not be expert in financial matters, or in matters involving auditing or accounting. At least one Committee member shall have past employment experience in finance or accounting, requisite professional certification in accounting, or any other comparable experience or background which results in the individual's financial sophistication, including being or having been a chief executive officer, chief financial officer or other senior officer with financial oversight responsibilities. Furthermore, at least one Committee member shall be, as determined by the Board in its business judgment, an "audit committee financial expert" within the definition adopted by the SEC or the Company shall disclose in its periodic reports required pursuant to the Exchange Act the reasons why at least one member of the Committee is not an "audit committee financial expert."

COMMITTEE ORGANIZATION AND PROCEDURES

1. Unless a Chair is designated by the Board, the members of the Committee shall appoint a Chair of the Committee by majority vote. The Chair (or in his or her absence, a member designated by the Chair) shall preside at all meetings of the Committee and, in consultation with the other members of the Committee, will set the agenda of items to be addressed at each meeting. The Chair of the Committee shall ensure that the agenda for each meeting is circulated to each Committee member in advance of the meeting.

2. Meetings of the Committee shall be held upon call by the Chairman of the Board or the Chair of the Committee in accordance with the notice provisions of the Company's Bylaws.

3. The Committee shall meet at least once during each fiscal quarter, and more frequently as the Committee in its discretion deems desirable or advisable. Periodically the Committee shall meet separately with management, the internal auditor and with the independent auditor.

4. A quorum of the Committee shall consist of a majority of the members of the Committee in office at the time of any meeting, and the vote of a majority of the members of the Committee present at the time of a vote, if a quorum is present at that time, shall be the act of the Committee. All non-management directors who are not members of the Committee may attend and observe meetings of the Committee, but shall not participate in any discussion or deliberation unless invited to do so by the Committee, and in any event shall not be entitled to vote.

5. The Committee shall have the authority to establish its own rules and procedures for notice and conduct of its meetings consistent with the Bylaws of the Company, should the Committee, in its discretion, deem it desirable to do so. The Committee may form and delegate authority to subcommittees when appropriate, provided, however, that any such subcommittee must be comprised solely of members of the Committee.

Edgar Filing: PARTY CITY CORP - Form DEF 14A

6. The Committee may, in its discretion, include in its meetings any non-management director, members of the Company's management, representatives of the independent auditor, the senior internal audit manager, any other financial personnel employed or retained by the Company or any other persons whose presence the Committee believes to be necessary or appropriate. The Committee should meet with the independent auditor or the senior internal audit manager in separate executive sessions to discuss any matters that the Committee believes should be addressed privately, without management's presence. The Committee should likewise meet privately with management, as it deems appropriate. The Committee may also exclude from its meetings any persons it deems appropriate in order to carry out its responsibilities, including, but not limited to, any non-management director that is not a member of the Committee.

7. The Committee may, in its discretion, utilize the services of the Company's General Counsel or its regular outside corporate legal counsel with respect to legal matters or, at its discretion, retain (and determine funding for) other legal counsel if it determines that such counsel is necessary or appropriate under the

29

circumstances. Furthermore, the Committee may, in its discretion, retain (and determine funding for) any other counsel, experts or advisors (accounting, financial or otherwise) as the Committee determines are necessary or appropriate under the circumstances.

8. The Committee may, in its discretion, conduct or authorize investigations into any matters within the scope of its responsibilities and powers.

9. The Chair of the Committee shall report to the Board following meetings of the Committee, and as otherwise requested by the Chairman of the Board, regarding the Committee's actions and recommendations, if any.

10. The Committee shall maintain written minutes or other records of its meeting and activities. Minutes of each meeting of the Committee shall be distributed to each member of the Committee and other members of the Board. The Secretary of the Company shall retain the original signed minutes for permanent filing.

11. This Charter shall be made available on the Company's website at www.partycity.com and to any stockholder who otherwise requests a copy. The Company's Annual Report to Stockholders shall state the foregoing. The Charter shall be included as an appendix to the Company's proxy statement with respect to the election of Directors at least every three years.

POWERS AND RESPONSIBILITIES

INDEPENDENT AUDITOR

12. Appointment and Oversight. The independent auditor of the Company shall be ultimately accountable to the Committee in connection with the audit of the Company's annual financial statements and related services. The Committee shall be directly responsible and have sole authority for the appointment, compensation, retention and oversight of the work of the independent auditor (including resolution of disagreements between management of the Company and the independent auditor regarding financial reporting) for the purpose of preparing or issuing an audit report or related work or performing other audit, review or attest services for the Company, and the independent auditor shall report directly to the Committee. In addition, the Committee shall review the experience and qualifications of the independent auditor's senior personnel that are providing audit services to the Company.

Edgar Filing: PARTY CITY CORP - Form DEF 14A

13. Approval of Funding. The Committee shall determine, and the Company shall provide for, appropriate funding for payment of compensation to the independent auditor for the purpose of rendering or issuing an audit report or performing other audit, review or attest services, for payment of compensation to any counsel, experts and advisors employed by the Committee and for ordinary administrative expenses of the Committee that are necessary or appropriate in carrying out its duties.

14. Pre-Approval of Services. Before the independent auditor is engaged by the Company or its subsidiaries to render audit or non-audit services, the Committee shall pre-approve the engagement. Committee pre-approval of audit and non-audit services will not be required if the engagement for the services is entered into pursuant to pre-approval policies and procedures established by the Committee regarding the Company's engagement of the independent auditor, provided the policies and procedures are detailed as to the particular service, the Committee is informed of each service provided and such policies and procedures do not include delegation of the Committee's responsibilities under the Exchange Act to the Company's management. The Committee may delegate to one or more designated members of the Committee the authority to grant pre-approvals, provided such approvals are presented to the Committee at a subsequent meeting. If the Committee elects to establish pre-approval policies and procedures regarding non-audit services, the Committee must be informed of each non-audit service provided by the independent auditor. Committee pre-approval of non-audit services (other than review and attest services) also will not be required if such services fall within available exceptions established by the SEC.

15. Independence of Independent Auditor. The Committee shall, at least annually, review the independence and quality control procedures of the independent auditor and the experience and qualifications

30

of the independent auditor's senior personnel that are providing audit services to the Company. In conducting its review:

(i) The Committee shall obtain and review a report prepared by the independent auditor describing (a) the auditing firm's internal quality-control procedures and (b) any material issues raised by the most recent internal quality-control review, or peer review, of the auditing firm, or by any inquiry or investigation by governmental or professional authorities, within the preceding five years, respecting one or more independent audits carried out by the auditing firm, and any steps taken to deal with any such issues.

(ii) The Committee shall ensure that the independent auditor prepare and deliver, at least annually, a written statement delineating all relationships between the independent auditor and the Company, consistent with Independence Standards Board Standard 1. The Committee shall actively engage in a dialogue with the independent auditor with respect to any disclosed relationships or services that, in the view of the Committee, may impact the objectivity and independence of the independent auditor. If the Committee determines that further inquiry is advisable, the Committee shall take appropriate action in response to the independent auditor's report to satisfy itself of the auditor's independence.

(iii) The Committee shall confirm with the independent auditor that the independent auditor is in compliance with the partner rotation requirements established by the SEC.

Edgar Filing: PARTY CITY CORP - Form DEF 14A

(iv) The Committee shall consider whether the Company should adopt a rotation of the annual audit among independent auditing firms.

(v) The Committee shall, if applicable, consider whether the independent auditor's provision of any permitted information technology services or other non-audit services to the Company is compatible with maintaining the independence of the independent auditor.

ANNUAL AND QUARTERLY FINANCIAL STATEMENTS

16. Meetings with Management, Independent Auditor and Internal Auditor.

(i) The Committee shall meet with the independent auditor, management of the Company and the internal auditor in connection with each annual audit to discuss the scope of the audit, the procedures to be followed and the staffing of the audit.

(ii) The Committee shall review and discuss with management and the independent auditor: (a) major issues regarding accounting principles and financial statement presentation, including any significant changes in the Company's selection or application of accounting principles, and major issues as to the adequacy of the Company's internal controls and any special audit steps adopted in light of material control deficiencies; (b) any analyses prepared by management or the independent auditor setting forth significant financial reporting issues and judgments made in connection with the preparation of the Company's financial statements, including analyses of the effects of alternative GAAP methods on the Company's financial statements; and (c) the effect on the Company's financial statements of regulatory and accounting initiatives, as well as off-balance sheet structures or other material financial arrangements of the Company that do not appear on the financial statements of the Company.

(iii) The Committee shall review and discuss the annual audited financial statements and the quarterly unaudited financial statements with the management of the Company and the independent auditor, including management's disclosures under "Management's Discussion and Analysis of Financial Condition and Results of Operations."

17. Separate Meetings with Independent Auditor.

(i) The Committee shall discuss with the independent auditor any problems or difficulties the independent auditor may have encountered during the course of the audit work, including, without limitation, any restrictions on the scope of activities or access to required information or any significant disagreements with management and management's responses to such matters. Among the items that the Committee should

31

consider reviewing with the independent auditor are: (a) any accounting adjustments that were noted or proposed by the independent auditor but were "passed" (as immaterial or otherwise); (b) any communications between the audit team and the independent auditor's national office respecting auditing or accounting issues presented by the engagement; and (c) any "management" or "internal control" letter issued, or proposed to be issued, by the independent auditor to the Company. The Committee shall obtain from the independent auditor assurances that Section 10A(b) of the Exchange Act has not been implicated.

(ii) The Committee shall discuss with the independent auditor the matters required to be discussed by Statement on Auditing Standards No. 61, as amended, as then in effect including, among others, (a) the methods used to account for any significant unusual transactions reflected in the audited financial

Edgar Filing: PARTY CITY CORP - Form DEF 14A

statements; (b) the effect of significant accounting policies in any controversial or emerging areas for which there is a lack of authoritative guidance or a consensus; (c) the process used by management in formulating particularly sensitive accounting estimates and the basis for the independent auditor's conclusions regarding the reasonableness of those estimates; and (d) any disagreements with management over the application of accounting principles, the basis for management's accounting estimates or the disclosures in the financial statements.

18. Recommendations to Include Financial Statements in Annual Report. The Committee shall, based on the review and discussions in paragraphs 16(iii) and 17(ii) above, and based on the disclosures received from the independent auditor regarding its independence and discussions with the auditor regarding such independence in paragraph 15(ii) above, determine whether to recommend to the Board that the audited financial statements should be included in the Company's Annual Report on Form 10-K for the fiscal year subject to the audit.

INTERNAL CONTROLS

19. The Committee shall discuss with the independent auditor and the senior internal audit manager, at least annually, the adequacy and effectiveness of the accounting and financial controls of the Company, and consider any recommendations for improvement of such internal control procedures.

20. The Committee shall discuss with the independent auditor and with management any management letter or schedule of unadjusted differences provided to or by the independent auditor and any other significant matters brought to the attention of the Committee by the independent auditor as a result of its annual audit. The Committee should allow management adequate time to consider any such matters raised by the independent auditor.

INTERNAL AUDIT

21. Appointment and Review. The Committee shall review the appointment and replacement of the senior internal audit manager, as well as the performance of the internal audit group. In addition, the Committee shall review, based upon the recommendation of the independent auditor and the senior internal audit manager, the scope and plan of the work to be done by the internal audit group.

22. Separate Meetings with Internal Auditor.

(i) The Committee shall meet periodically with the Company's internal auditor to discuss the responsibilities, budget and staffing of the Company's internal audit function and any issues that the internal auditor believes warrant audit committee attention. The Committee shall discuss with the internal auditor any significant reports to management prepared by the internal auditor and any responses from management.

(ii) The Committee shall, at its discretion, meet with the senior internal audit manager to discuss any reports prepared by him or her and any responses from management or any other matters brought to the attention of the Committee by the senior internal audit manager.

23. Reports. Management shall furnish to the Committee a copy of each audit report prepared by the senior internal audit manager of the Company.

32

24. Access. The senior internal audit manager and the other personnel performing the Company's internal audit function shall be granted unfettered access to the Committee.

Edgar Filing: PARTY CITY CORP - Form DEF 14A

27. The Committee, through its Chair, shall report regularly to, and review with, the Board any issues that arise with respect to the quality or integrity of the Company's financial statements, the Company's compliance with legal or regulatory requirements, the performance and independence of the Company's independent auditor, the performance of the Company's internal audit function or any other matter the Committee determines is necessary or advisable to report to the Board.

28. The Committee shall establish procedures for the receipt, retention and treatment of complaints received by the Company regarding accounting, internal accounting controls or auditing matters. The Committee shall also establish procedures for the confidential and anonymous submission by employees regarding questionable accounting or auditing matters.

29. The Committee shall review and discuss with management and the independent auditor the Company's earnings press releases, with particular focus on the use of "pro forma", or "adjusted" non-GAAP information, as well as financial information and earnings guidance provided to analysts and rating agencies. The Committee's discussion in this regard may be general in nature (i.e., discussion of the types of information to be disclosed and the type of presentation to be made) and need not take place in advance of each earnings release or each instance in which the Company may provide earnings guidance.

APPENDIX B

COMPENSATION COMMITTEE CHARTER

This Compensation Committee Charter (the "CHARTER") was adopted by the Board of Directors (the "BOARD") of Party City Corporation (the "COMPANY") on September 18, 2003.

PURPOSE

The Compensation Committee (the "COMMITTEE") of the Board shall provide assistance to the Board in fulfilling its responsibilities by (1) designing (in consultation with management or the Board), recommending to the Board for approval and evaluating the compensation plans, policies and programs of the Company, especially those regarding executive compensation, and (2) producing an annual report on executive compensation for inclusion in the Company's proxy statement as may be required by rules and regulations of the Securities and Exchange Commission (the "SEC"). The Committee shall ensure that compensation programs are designed to encourage high performance, promote accountability and assure that employee interests are aligned with the interests of the Company's shareholders.

In addition to the powers and responsibilities expressly delegated to the Committee in this Charter, the Committee may exercise any other powers and carry out any other responsibilities delegated to it by the Board from time to time consistent with the Company's Bylaws. The powers and responsibilities delegated by the Board to the Committee in this Charter or otherwise shall be exercised and carried out by the Committee as it deems appropriate without requirement of Board approval, and any decision made by the Committee (including any decision to exercise or refrain from exercising any of the powers delegated to the Committee hereunder) shall be at the Committee's sole discretion. While acting within the scope of the powers and responsibilities delegated to it, the

Edgar Filing: PARTY CITY CORP - Form DEF 14A

Committee shall have and may exercise all the powers and authority of the Board. To the fullest extent permitted by law, the Committee shall have the power to determine which matters are within the scope of the powers and responsibilities delegated to it.

MEMBERSHIP

The Committee shall be comprised of at least three (3) directors as determined by the Board, none of whom shall be an employee of the Company and each of whom shall qualify as independent under the requirements of the NASDAQ National Market System (the "NNMS"), the Sarbanes-Oxley Act of 2002 (the "SOX") and applicable rules and regulations promulgated by the SEC thereunder; provided, however, that one director who is not independent as defined by National Association of Securities Dealers, Inc. ("NASD") Rule 4200 and is not a current officer or employee or a Family Member (as defined in Proposed NASD Rule 4200(a)(14)) of such person, may be appointed to the Committee if the Board, under exceptional and limited circumstances, determines that such director's membership on the Committee is required by the best interests of the Company and its shareholders, and the Board discloses, in the next annual meeting proxy statement subsequent to such determination, the nature of the relationship and the reasons behind for the determination. A director appointed under this exception may serve on the Committee for no longer than two (2) years from the date of his or her appointment.

In addition, notwithstanding the foregoing, each member of the Committee must be (i) a "non-employee director" within the meaning of Rule 16b-3 of the Securities Exchange Act of 1934, as amended, and (ii) an "outside director" under the regulations promulgated under Section 162(m) of the Internal Revenue Code of 1986, as amended (the "CODE").

The Board, after consultation with the General Counsel of the Company, shall (i) confirm before the proposed appointee can begin his or her official duties on the Committee and (ii) review and confirm each year thereafter, that a proposed appointee is independent under the requirements of the NNMS, SOX and the applicable rules and regulations promulgated by the SEC thereunder, eligible under Federal and state tax and securities laws and that no interlocks are present on the Committee as a result of such appointments or committee membership. Members of the Committee must, in the business judgment of the Board, have a

35

combination of business and people management experience that would be valuable in providing direction to the Board on matters related to compensation for non-employee directors and for the chief executive officer of the Company (the "CEO") and the president of the Company (the "PRESIDENT") and advising the Board and the CEO on executive compensation matters.

COMMITTEE ORGANIZATION AND PROCEDURES

The members of the Committee, including the Chair of the Committee, shall be appointed annually by the Board. Committee members may be removed, with or without cause, by the Board.

Unless a Chair is designated by the Board, the members of the Committee shall appoint a Chair of the Committee by majority vote. The Chair (or in his or her absence, a member designated by the Chair) shall preside at all meetings of the Committee and, in consultation with the Chairman of the Board or the other members of the Committee, as applicable, will set the agenda of items to be addressed at each meeting. The Chair of the Committee shall ensure that the agenda for each meeting is circulated to each Committee member in advance of the

Edgar Filing: PARTY CITY CORP - Form DEF 14A

meeting.

Meetings of the Committee shall be held upon call by the Chairman of the Board or the Chair of the Committee in accordance with the notice provisions of the Company's Bylaws.

The Committee shall meet at least two times in each fiscal year and on such other occasions as the members of the Committee shall from time to time determine in its discretion.

A quorum of the Committee shall consist of a majority of the members of the Committee in office at the time of any meeting, and the vote of a majority of the members of the Committee present at the time of a vote, if a quorum is present at that time, shall be the act of the Committee.

The Committee shall have the authority to establish its own rules and procedures for notice and conduct of its meetings consistent with the Bylaws of the Company should the Committee, in its discretion, deem it desirable to do so. The Committee may, in compliance with this Charter, form and delegate authority to subcommittees when appropriate, provided, however, that any such subcommittee must be comprised solely of members of the Committee and be consistent with the Company's Certificate of Incorporation, Bylaws, code of conduct and applicable law and the requirements of NNMS.

The Committee, may in its discretion, include in meetings of the Committee employees from the Company's legal, tax and accounting departments and by such other members of the management of the Company as the Committee deems necessary or appropriate. The Chairman of the Board, the President, the CEO and the chief financial officer may attend any and all meetings of the Committee, except for portions of the meetings where his, her or their presence would be inappropriate, as determined by the Chair of the Committee. All non-management directors who are not members of the Committee may attend meetings of the Committee, but shall not participate in any discussion or deliberation unless invited to do so by the Committee, and in any event shall not be entitled to vote. The Committee may exclude from its meetings any persons it deems appropriate in order to carry out its responsibilities.

In discharging its responsibilities, the Committee shall have the sole authority to, as it deems appropriate, select, retain and/or replace, as needed, compensation and benefits consultants, accountants, attorneys and other outside consultants to provide independent advice to the Committee. In that connection, in the event the Committee retains such a consultant, the Committee shall have the sole authority to approve such consultant's fees and other retention terms.

The Chair of the Committee shall report to the Board following meetings of the Committee, and shall report to the Board as otherwise requested by the Chairman of the Board, regarding the Committee's actions and recommendations, if any.

The Committee shall maintain written minutes or other records of its meeting and activities. Minutes of each meeting of the Committee shall be distributed to each member of the Committee and other members of the Board. The Secretary of the Company shall retain the original signed minutes for permanent filing.

This Charter shall be made available on the Company's website at www.partycity.com and to any stockholder who otherwise requests a copy. The Company's Annual Report to Stockholders shall state the foregoing.

When planning to establish, modify or certify performance targets under bonus plans for senior executives, grant any and all forms of equity compensation, modify or rescind any option, stock or restricted stock grants, or, when permissible, make, modify or rescind loans to employees or directors, the Committee may consult the Company's legal, tax and accounting departments and outside consultants and advisors as it shall deem necessary, appropriate or desirable.

DELEGATION OF DUTIES

In fulfilling its responsibilities, the Committee shall be entitled to delegate any or all of its responsibilities to a subcommittee of the Committee. All proposed delegations must be adopted by a resolution of the Committee and reviewed for compliance with the relevant plan and Delaware corporate law by the Company's legal, tax and accounting departments before such delegations are voted upon at meetings. The resolution shall specify which duties are being delegated, to whom the duties are delegated and which oversight powers the

Edgar Filing: PARTY CITY CORP - Form DEF 14A

Committee retains.

The Committee shall not delegate to a subcommittee (the "SUBCOMMITTEE") of fewer than two people any matters that involve executive compensation or any matters where it has determined such compensation is intended to comply with Section 162(m) of the Code ("SECTION 162(m)").

The Subcommittee shall, without further delegation:

- (b) Except as set forth in Section 5(d), such shares shall be deemed to have been used in payment of Awards only to the extent they are actually delivered and not where the Fair Market Value equivalent of such shares for a Stock-based Award is paid in cash. Edgar Filing: PARTY CITY CORP - Form DEF 14A

terminate, expire, or be forfeited, the number of shares of Stock no longer subject thereto shall thereupon be released and shall thereafter be available for new Awards under the Plan;

(c) Stock delivered by the Company in settlement of Awards under the Plan may be authorized and unissued Stock or Stock held in the treasury of the Company or may be purchased on the open market or by private purchase; and

(d) No Participant may receive Options or stock appreciation rights under the Plan with respect to more than 750,000 shares of Stock in any one year. For this purpose, such shares shall be deemed to have been used in payment of Awards whether they are actually delivered or where the Fair Market Value equivalent of such shares for a stock appreciation right is paid in cash.

6. ELIGIBILITY

Participation shall be limited to Eligible Persons who have received written notification from the Committee, or from a person designated by the Committee, that they have been selected to participate in the Plan.

7. DISCRETIONARY GRANT OF STOCK OPTIONS

The Committee is authorized to grant one or more Incentive Stock Options or Nonqualified Stock Options to any Eligible Person; provided, however, that no Incentive Stock Options shall be granted to any Eligible Person who is not an employee of the Company. Each Option so granted shall be subject to the following conditions, or to such other conditions as may be reflected in the applicable Stock Option Agreement.

(a) Option price. The exercise price ("Option Price") per share of Stock for each Option shall be set by the Committee at the time of grant but shall not be less than the Fair Market Value of a share of Stock at the Date of Grant.

(b) Manner of exercise and form of payment. Options which have become exercisable may be exercised by delivery of written notice of exercise to the Committee accompanied by payment of the Option Price. The Option Price may be payable in cash, by bank check (acceptable to the Committee) and/or shares of Stock (valued at the Fair Market Value at the time the Option is exercised), having in the aggregate a value equal to the aggregate Option Price or, in the discretion of the Committee, either (i) in other property having a fair market value on the date of exercise equal to the aggregate Option Price, or (ii) by delivering to the Committee a copy of irrevocable instructions to a stockbroker to deliver promptly to the Company an amount of sale or loan proceeds sufficient to pay the aggregate Option Price.

43

(c) Option Period and Expiration. Options shall vest and become exercisable in such manner and on such date or dates determined by the Committee and shall expire after such period, not to exceed ten years, as may be determined by the Committee (the "Option Period"); provided, however, that notwithstanding any vesting dates set by the Committee, the Committee may in its sole discretion accelerate the exercisability of any Option, which acceleration shall not affect the terms and conditions of any such Option other than with respect to exercisability. Unless otherwise specifically determined by the Committee, the vesting of an Option shall occur only while the Participant is employed or rendering services to the Company or its Subsidiaries and all vesting shall cease upon a Holder's termination of employment or services for any reason. If an Option is exercisable in installments, such installments or portions thereof which

Edgar Filing: PARTY CITY CORP - Form DEF 14A

become exercisable shall remain exercisable until the Option expires. Unless otherwise stated in the applicable Option Agreement, the Option shall expire earlier than the end of the Option Period in the following circumstances:

(i) If prior to the end of the Option Period, the Holder shall undergo a Normal Termination, the Option shall expire on the earlier of the last day of the Option Period or the date that is three months after the date of such Normal Termination. In such event, the Option shall remain exercisable by the Holder until its expiration, but only to the extent the Option was vested and exercisable at the time of such Normal Termination.

(ii) If the Holder dies prior to the end of the Option Period and While still in the employ or service of the Company or a Subsidiary, or within three months of Normal Termination, the Option shall expire on the earlier of the last day of the Option Period or the date that is twelve months after the date of death of the Holder. In such event, the Option shall remain exercisable by the person or persons to whom the Holder's rights under the Option pass by will or the applicable laws of descent and distribution until its expiration, but only to the extent the Option was vested and exercisable by the Holder at the time of death.

(iii) If the Holder ceases employment or service with the Company and all Subsidiaries for reasons other than Normal Termination or death, the Option shall expire immediately upon such cessation of employment or service.

(d) Stock Option Agreement -- Other Terms and Conditions. Each Option granted under the Plan shall be evidenced by a Stock Option Agreement, which shall contain such provisions as may be determined by the Committee and, except as may be specifically stated otherwise in such Stock Option Agreement, which shall be subject to the following terms and conditions:

(i) Each Option issued pursuant to this Section 7 or portion thereof that is exercisable shall be exercisable for the full amount or for any part thereof.

(ii) Each share of Stock purchased through the exercise of an Option issued pursuant to this Section 7 shall be paid for in full at the time of the exercise. Each Option shall cease to be exercisable, as to any share of Stock, when the Holder purchases the share or when the Option expires.

(iii) Options issued pursuant to this Section 7 shall not be transferable by the Holder except by will or the laws of descent and distribution and shall be exercisable during the Holder's lifetime only by him; provided, however, that the Committee may at any time upon the request of a Holder allow for the transfer of any Option, subject to such conditions or limitations as it may establish.

(iv) Each Option issued pursuant to this Section 7 shall vest and become exercisable by the Holder in accordance with the vesting schedule established by the Committee and set forth in the Stock Option Agreement.

(v) Each Stock Option Agreement may contain a provision that, upon demand by the Committee for such a representation, the Holder shall deliver to the Committee at the time of any exercise of an Option issued pursuant to this Section 7 a written representation that the shares to be acquired upon such exercise are to be acquired for investment and not

Edgar Filing: PARTY CITY CORP - Form DEF 14A

for resale or with a view to the

44

distribution thereof. Upon such demand, delivery of such representation prior to the delivery of any shares issued upon exercise of an Option issued pursuant to this Section 7 shall be a condition precedent to the right of the Holder or such other person to purchase any shares. In the event certificates for Stock are delivered under the Plan with respect to which such investment representation has been obtained, the Committee may cause a legend or legends to be placed on such certificates to make appropriate reference to such representation and to restrict transfer in the absence of compliance with applicable federal or state securities laws.

(vi) Each Incentive Stock Option Agreement shall contain a provision requiring the Holder to notify the Company in writing immediately after the Holder makes a disqualifying disposition of any Stock acquired pursuant to the exercise of such Incentive Stock Option. A disqualifying disposition is any disposition (including any sale) of such Stock before the later of (a) two years after the Date of Grant of the Incentive Stock Option or (b) one year after the date the Holder acquired the Stock by exercising the Incentive Stock Option.

(e) Incentive Stock Option Grants to 10% Stockholders. Notwithstanding anything to the contrary in this Section 7, if an Incentive Stock Option is granted to a Holder who owns stock representing more than 10% of the voting power of all classes of stock of the Company or of a Subsidiary, the Option Period shall not exceed five years from the Date of Grant of such Option and the Option Price shall be at least 110% of the Fair Market Value (on the Date of Grant) of the Stock subject to the Option.

(f) \$100,000 Per Year Limitation for Incentive Stock Options. To the extent the aggregate Fair Market Value (determined as of the Date of Grant) of Stock for which Incentive Stock Options are exercisable for the first time by any Participant during any calendar year (under all plans of the Company and its Subsidiaries) exceeds \$100,000, such excess Incentive Stock Options shall be treated as Nonqualified Stock Options.

(g) Voluntary Surrender. The Committee may permit the voluntary surrender of all or any portion of any Nonqualified Stock Option issued pursuant to this Section 7 to be conditioned upon the granting to the Holder of a new Option for the same or a different number of shares as the Option surrendered or require such voluntary surrender as a condition precedent to a grant of a new Option to such Participant. Such new Option shall be exercisable at an Option Price, during an Option Period, and in accordance with any other terms or conditions specified by the Committee at the time the new Option is granted, all determined in accordance with the provisions of the Plan without regard to the Option Price, Option Period, or any other terms and conditions of the Nonqualified Stock Option surrendered.

8. RESTRICTED STOCK AWARDS

(a) Award of Restricted Stock.

(i) The Committee shall have the authority (1) to grant Restricted Stock, (2) to issue or transfer Restricted Stock to Eligible Persons, and (3) to establish terms, conditions and restrictions applicable to such Restricted Stock, including the Restricted Period, which may differ with respect to each

Edgar Filing: PARTY CITY CORP - Form DEF 14A

grantee, the time or times at which Restricted Stock shall be granted or become vested and the number of shares to be covered by each grant.

(ii) The Holder of a Restricted Stock Award shall execute and deliver to the Company an Award agreement with respect to the Restricted Stock setting forth the restrictions applicable to such Restricted Stock. If the Committee determines that the Restricted Stock shall be held in escrow rather than delivered to the Holder pending the release of the applicable restrictions, the Holder additionally shall execute and deliver to the Company (i) an escrow agreement satisfactory to the Committee, and (ii) the appropriate blank stock powers with respect to the Restricted Stock covered by such agreements. If a Holder shall fail to execute a Restricted Stock agreement and, if applicable, an escrow agreement and stock powers, the Award shall be null and void. Subject to the restrictions set forth in Section 8(b), the Holder shall generally have the rights and privileges of a stockholder as to such Restricted Stock, including the right to vote such Restricted Stock. At the discretion of the Committee, cash dividends and stock dividends, if any, with respect to the Restricted

45

Stock may be either currently paid to the Holder or withheld by the Company for the Holder's account. Unless otherwise determined by the Committee no interest will accrue or be paid on the amount of any cash dividends withheld. Unless otherwise determined by the Committee, cash dividends or stock dividends so withheld by the Committee shall be subject to forfeiture to the same degree as the shares of Restricted Stock to which they relate.

(iii) Upon the Award of Restricted Stock, the Committee shall cause a stock certificate registered in the name of the Holder to be issued and, if it so determines, deposited together with the stock powers with an escrow agent designated by the Committee. If an escrow arrangement is used, the Committee shall cause the escrow agent to issue to the Holder a receipt evidencing any stock certificate held by it registered in the name of the Holder.

(b) Restrictions.

(i) Restricted Stock awarded to a Participant shall be subject to the following restrictions until the expiration of the Restricted Period, and to such other terms and conditions as may be set forth in the applicable Award agreement: (1) if an escrow arrangement is used, the Holder shall not be entitled to delivery of the stock certificate; (2) the shares shall be subject to the restrictions on transferability set forth in the Award agreement; (3) the shares shall be subject to forfeiture to the extent provided in Section 8(d) and the Award Agreement and, to the extent such shares are forfeited, the stock certificates shall be returned to the Company, and all rights of the Holder to such shares and as a shareholder shall terminate without further obligation on the part of the Company.

(ii) The Committee shall have the authority to remove any or all of the restrictions on the Restricted Stock whenever it may determine that, by reason of changes in applicable laws or other changes in circumstances arising after the date of the Restricted Stock Award, such action is appropriate.

(c) Restricted Period. The Restricted Period of Restricted Stock shall commence on the Date of Grant and shall expire from time to time as to that part of the Restricted Stock indicated in a schedule established by the Committee and set forth in a written Award agreement.

(d) Forfeiture Provisions. Except to the extent determined by the Committee and reflected in the underlying Award agreement, in the event a Holder terminates employment with the Company and all Subsidiaries during a Restricted

Edgar Filing: PARTY CITY CORP - Form DEF 14A

Period, that portion of the Award with respect to which restrictions have not expired ("Non-Vested Portion") shall be treated as follows.

(i) Upon the voluntary resignation of a Participant or discharge by the Company or a Subsidiary for Cause, the Non-Vested Portion of the Award shall be completely forfeited.

(ii) Upon Normal Termination, the Non-Vested Portion of the Award shall be prorated for service during the Restricted Period and shall be received as soon as practicable following termination.

(iii) Upon death, the Non-Vested Portion of the Award shall be prorated for service during the Restricted Period and paid to the Participant's beneficiary as soon as practicable following death.

(e) Delivery of Restricted Stock. Upon the expiration of the Restricted Period with respect to any shares of Stock covered by a Restricted Stock Award, the restrictions set forth in Section 8(b) and the Award agreement shall be of no further force or effect with respect to shares of Restricted Stock which have not then been forfeited. If an escrow arrangement is used, upon such expiration, the Company shall deliver to the Holder, or his beneficiary, without charge, the stock certificate evidencing the shares of Restricted Stock which have not then been forfeited and with respect to which the Restricted Period has expired (to the nearest full share) and any cash dividends or stock dividends credited to the Holder's account with respect to such Restricted Stock and the interest thereon, if any.

46

(f) Stock Restrictions. Each certificate representing Restricted Stock awarded under the Plan shall bear the following legend until the end of the Restricted Period with respect to such Stock:

"Transfer of this certificate and the shares represented hereby is restricted pursuant to the terms of a Restricted Stock Agreement, dated as of , between Party City Corporation and . A copy of such Agreement is on file at the offices of Party City Corporation."

Stop transfer orders shall be entered with the Company's transfer agent and registrar against the transfer of legended securities.

9. OTHER STOCK-BASED AWARDS

The Committee may grant any other cash, stock or stock-related Awards to any eligible individual under this Plan that the Committee deems appropriate, including, but not limited to, stock appreciation rights, limited stock appreciation rights, phantom stock Awards, the bargain purchase of Stock and Stock bonuses. Any such benefits and any related agreements shall contain such terms and conditions as the Committee deems appropriate. Such Awards and agreements need not be identical. With respect to any benefit under which shares of Stock are or may in the future be issued for consideration other than prior services, the amount of such consideration shall not be less than the amount (such as the par value of such shares) required to be received by the Company in order to comply with applicable state law.

10. GENERAL

(a) Additional Provisions of an Award. Awards under the Plan also may be subject to such other provisions (whether or not applicable to the benefit awarded to any other Participant) as the Committee determines appropriate including, without limitation, provisions to assist the Participant in financing

Edgar Filing: PARTY CITY CORP - Form DEF 14A

the purchase of Stock upon the exercise of Options, provisions for the forfeiture of or restrictions on resale or other disposition of shares of Stock acquired under any Award, provisions giving the Company the right to repurchase shares of Stock acquired under any Award in the event the Participant elects to dispose of such shares, and provisions to comply with Federal and state securities laws and Federal and state tax withholding requirements. Any such provisions shall be reflected in the applicable Award agreement.

(b) Privileges of Stock Ownership. Except as otherwise specifically provided in the Plan, no person shall be entitled to the privileges of stock ownership in respect of shares of Stock which are subject to Awards hereunder until such shares have been issued to that person.

(c) Government and Other Regulations. The obligation of the Company to make payment of Awards in Stock or otherwise shall be subject to all applicable laws, rules, and regulations, and to such approvals by governmental agencies as may be required. Notwithstanding any terms or conditions of any Award to the contrary, the Company shall be under no obligation to offer to sell or to sell and shall be prohibited from offering to sell or selling any shares of Stock pursuant to an Award unless such shares have been properly registered for sale pursuant to the Securities Act with the Securities and Exchange Commission or unless the Company has received an opinion of counsel, satisfactory to the Company, that such shares may be offered or sold without such registration pursuant to an available exemption therefrom and the terms and conditions of such exemption have been fully complied with. The Company shall be under no obligation to register for sale under the Securities Act any of the shares of Stock to be offered or sold under the Plan. If the shares of Stock offered for sale or sold under the Plan are offered or sold pursuant to an exemption from registration under the Securities Act, the Company may restrict the transfer of such shares and may legend the Stock certificates representing such shares in such manner as it deems advisable to ensure the availability of any such exemption.

(d) Tax Withholding. Notwithstanding any other provision of the Plan, the Company or a Subsidiary, as appropriate, shall have the right to deduct from all Awards cash and/or Stock, valued at Fair Market Value on the date of payment, in an amount necessary to satisfy all Federal, state or local taxes as required by law to be withheld with respect to such Awards and, in the case of Awards paid in Stock, the Holder or other person receiving such Stock may be required to pay to the Company or a Subsidiary, as appropriate, prior to delivery

47

of such Stock, the amount of any such taxes which the Company or Subsidiary is required to withhold, if any, with respect to such Stock. Subject in particular cases to the disapproval of the Committee, the Company may accept shares of Stock of equivalent Fair Market Value in payment of such withholding tax obligations if the Holder of the Award elects to make payment in such manner.

(e) Claim to Awards and Employment Rights. No individual shall have any claim or right to be granted an Award under the Plan or, having been selected for the grant of an Award, to be selected for a grant of any other Award. Neither the Plan nor any action taken hereunder shall be construed as giving any individual any right to be retained in the employ or service of the Company or a Subsidiary.

(f) Designation and Change of Beneficiary. Each Participant may file with the Committee a written designation of one or more persons as the beneficiary who shall be entitled to receive the rights or amounts payable with respect to an Award due under the Plan upon his death. A Participant may, from time to time, revoke or change his beneficiary designation without the consent of any

Edgar Filing: PARTY CITY CORP - Form DEF 14A

prior beneficiary by filing a new designation with the Committee. The last such designation received by the Committee shall be controlling; provided, however, that no designation, or change or revocation thereof, shall be effective unless received by the Committee prior to the Participant's death, and in no event shall it be effective as of a date prior to such receipt. If no beneficiary designation is filed by the Participant, the beneficiary shall be deemed to be his or her spouse or, if the Participant is unmarried at the time of death, his or her estate.

(g) Payments to Persons Other Than Participants. If the Committee shall find that any person to whom any amount is payable under the Plan is unable to care for his affairs because of illness or accident, or is a minor, or has died, then any payment due to such person or his estate (unless a prior claim therefor has been made by a duly appointed legal representative) may, if the Committee so directs the Company, be paid to his spouse, child, relative, an institution maintaining or having custody of such person, or any other person deemed by the Committee to be a proper recipient on behalf of such person otherwise entitled to payment. Any such payment shall be a complete discharge of the liability of the Committee and the Company therefor.

(h) No Liability of Committee Members. No member of the Committee shall be personally liable by reason of any contract or other instrument executed by such member or on his behalf in his capacity as a member of the Committee nor for any mistake of judgment made in good faith, and the Company shall indemnify and hold harmless each member of the Committee and each other employee, officer or director of the Company to whom any duty or power relating to the administration or interpretation of the Plan may be allocated or delegated, against any cost or expense (including counsel fees) or liability (including any sum paid in settlement of a claim) arising out of any act or omission to act in connection with the Plan unless arising out of such person's own fraud or willful bad faith; provided, however, that approval of the Board shall be required for the payment of any amount in settlement of a claim against any such person. The foregoing right of indemnification shall not be exclusive of any other rights of indemnification to which such persons may be entitled under the Company's Articles of Incorporation or By-Laws, as a matter of law, or otherwise, or any power that the Company may have to indemnify them or hold them harmless.

(i) Governing law. The Plan shall be governed by and construed in accordance with the internal laws of the State of Delaware without regard to the principles of conflicts of law thereof.

(j) Funding. No provision of the Plan shall require the Company, for the purpose of satisfying any obligations under the Plan, to purchase assets or place any assets in a trust or other entity to which contributions are made or otherwise to segregate any assets, nor shall the Company maintain separate bank accounts, books, records or other evidence of the existence of a segregated or separately maintained or administered fund for such purposes. Holders shall have no rights under the Plan other than as unsecured general creditors of the Company, except that insofar as they may have become entitled to payment of additional compensation by performance of services, they shall have the same rights as other employees under general law.

(k) Nontransferability. A person's rights and interest under the Plan, including amounts payable, may not be sold, assigned, donated, or transferred or otherwise disposed of, mortgaged, pledged or encumbered except, in the event of a Holder's death, to a designated beneficiary to the extent permitted by the Plan, or in

Edgar Filing: PARTY CITY CORP - Form DEF 14A

distribution; provided, however, the Committee may, in its sole discretion, allow for transfer of Awards other than Incentive Stock Options to other persons or entities, subject to such conditions or limitations as it may establish.

(l) Reliance on Reports. Each member of the Committee and each member of the Board shall be fully justified in relying, acting or failing to act, and shall not be liable for having so relied, acted or failed to act in good faith, upon any report made by the independent public accountant of the Company and its Subsidiaries and upon any other information furnished in connection with the Plan by any person or persons other than himself.

(m) Relationship to Other Benefits. No payment under the Plan shall be taken into account in determining any benefits under any pension, retirement, profit sharing, group insurance or other benefit plan of the Company or any Subsidiary except as otherwise specifically provided in such other plan.

(n) Expenses. The expenses of administering the Plan shall be borne by the Company and its Subsidiaries.

(o) Pronouns. Masculine pronouns and other words of masculine gender shall refer to both men and women.

(p) Titles and Headings. The titles and headings of the sections in the Plan are for convenience of reference only, and in the event of any conflict, the text of the Plan, rather than such titles or headings shall control.

(q) Termination of Employment. For all purposes herein, a person who transfers from employment or service with the Company to employment or service with a Subsidiary or vice versa shall not be deemed to have terminated employment or service with the Company or a Subsidiary.

11. CHANGES IN CAPITAL STRUCTURE

Awards granted under the Plan and any agreements evidencing such Awards, the maximum number of shares of Stock subject to all Awards under the Plan and the maximum number of shares of Stock with respect to which any one person may be granted Options or stock appreciation rights during any year may be subject to adjustment or substitution, as determined by the Committee in its sole discretion, as to the number, price or kind of a share of Stock or other consideration subject to such Awards or as otherwise determined by the Committee to be equitable (i) in the event of changes in the outstanding Stock or in the capital structure of Company by reason of stock dividends, stock splits, reverse stock splits, recapitalizations, reorganizations, mergers, consolidations, combinations, exchanges, or other relevant changes in capitalization occurring after the Date of Grant of any such Award or (ii) in the event of any change in applicable laws or any change in circumstances which results in or would result in any substantial dilution or enlargement of the rights granted to, or available for, Participants in the Plan, or (iii) for any other reason which the Committee, in its sole discretion, determines otherwise warrants equitable adjustment because it interferes with the intended operation of the Plan. Any such adjustment may provide for the elimination of any fractional share which might otherwise become subject to an Award. With respect to Awards intended to qualify as "performance-based compensation" under Section 162(m) of the Code, such adjustments or substitutions shall, unless otherwise determined by the Committee in its sole discretion, be made only to the extent that the Committee determines that such adjustments or substitutions may be made without a loss of deductibility for such Awards under Section 162(m) of the Code. The Company shall give each Participant notice of an adjustment hereunder and, upon notice, such adjustment shall be conclusive and binding for all purposes.

Notwithstanding the above, in the event of (i) a merger or consolidation such that after such merger or consolidation the Company is not the surviving

Edgar Filing: PARTY CITY CORP - Form DEF 14A

entity or the ultimate parent of the surviving entity, (ii) the sale of all or substantially all of the assets of the Company, or (iii) the reorganization or liquidation of the Company, the Committee may, in its discretion and upon at least 10 days advance notice to the affected persons, cancel any outstanding Awards and pay to the Holders thereof, in cash or Stock, the value of such Awards based upon the price per share of Stock received or to be received by other shareholders of the Company in the event.

12. NONEXCLUSIVITY OF THE PLAN

Neither the adoption of this Plan by the Board nor the submission of this Plan to the stockholder of the Company for approval shall be construed as creating any limitations on the power of the Board to adopt such other incentive arrangements as it may deem desirable, including, without limitation, the granting of stock options otherwise than under this Plan, and such arrangements may be either applicable generally or only in specific cases.

13. AMENDMENTS AND TERMINATION

The Board may at any time terminate the Plan. Subject to Section 11, with the express written consent of an individual Participant, the Board or the Committee may cancel or reduce or otherwise alter outstanding Awards if, in its judgment, the tax, accounting, or other effects of the Plan or potential payouts thereunder would not be in the best interest of the Company. The Board or the Committee may, at any time, or from time to time, amend or suspend and, if suspended, reinstate, the Plan in whole or in part; provided, however, that without further stockholder approval neither the Board nor the Committee shall make any amendment to the Plan which would:

- (a) Materially increase the maximum aggregate number of shares of Stock which may be issued or distributed pursuant to Awards, except as provided in Section 11;
- (b) Extend the maximum Option Period;
- (c) Extend the termination date of the Plan; or
- (d) Change the class of persons eligible to receive Awards under the Plan.
