No controlling stockholder may transfer Voting Stock except that transfers may be made to permitted transferees (as defined in the Voting Agreement) and in public markets as permitted by the Shareholders Agreement described below.

*Drag-Along Rights*

The controlling stockholders have agreed that if (1) the Voting Block proposes to transfer all of the Voting Stock held by it to any person other than a Principal or a Trustee, (2) such transfer would result in a change in control of the Company, and (3) if such a transfer requires any approval under the Voting Agreement or under the Shareholders Agreement, such transfer has been approved in accordance with the Voting Agreement and the GLG shareholders agreement, then if requested by the Voting Block, each other controlling stockholder will be required to sell all of his or its Voting Stock.

*Restrictions on Other Agreements*

The controlling stockholders have agreed not to enter into or agree to be bound by any other stockholder agreements or arrangements of any kind with any person with respect to any Voting Stock, including, without limitation, the deposit of any Voting Stock in a voting trust or forming, joining or in any way participating in or assisting in the formation of a group with respect to any Voting Stock, except to the extent contemplated by the Shareholders Agreement.

*Transferees*

Any permitted transferee (other than a limited partner of Sage Summit LP and Lavender Heights Capital LP) of a controlling stockholder will be subject to the terms and

conditions of the Voting Agreement as if such permitted transferee were a controlling stockholder. Each controlling stockholder has agreed (1) to cause its respective permitted transferees to agree in writing to be bound by the terms and conditions of the Voting Agreement and (2) that such controlling stockholder will remain directly liable for the performance by its respective permitted transferees of all obligations of such permitted transferees under the voting agreement.

**GLG Shareholders Agreement**

Concurrent with the execution of the Purchase Agreement, the Company entered into a Shareholders Agreement with Berggruen Holdings North America Ltd. and Marlin Equities II, LLC (collectively, the Sponsors) and the equity holders of GLG (the GLG Shareowners). The agreement restricts the GLG Shareowners, certain additional entities (the Green Transferees), which may be made a party to the agreement following a sale of equity interests in GLG by Jonathan Green and the Green GLG Trust, and their permitted transferees (as described below) from the direct or indirect sale or transfer of their equity interests in the Company or its subsidiaries for periods of up to four years after completion of the Acquisition, in each case, on terms and conditions described below. In addition, the agreement provides registration rights for the GLG Shareowners, the Green Transferees and the sponsors. On August 16, 2007, Istithmar (PJSC) and Sal. Oppenheim jr. & Cie. S.C.A., in connection with the purchase of certain shares from Mr. Green and the Green GLG Trust, entered into an agreement to be bound by the Shareholders Agreement as Green Transferees. A copy of the Shareholders Agreement is included as Annex D in the Company's definitive proxy statement dated October 12, 2007 and is incorporated herein by reference.

*Transfer Restrictions*

All the GLG Shareowners, the Green Transferees and their permitted transferees will be prohibited from selling or transferring any of their equity interests in the Company or its subsidiaries for one year after the closing of the Acquisition, except to family members, family trusts, family-owned entities and charitable institutions, which are referred to as permitted transferees. Thereafter, the GLG Shareowners, the Green Transferees and their permitted transferees will be subject to the following restrictions on sale or transfer:

*Principals, Trustees and Key Personnel.* Sage Summit LP and Lavender Heights Capital LP (on behalf of the key personnel participating in the equity participation plan), the Principals, the Trustees and each of their permitted transferees may each sell or transfer up to 10% of his or its original allocation of the Common Stock (plus the unused amounts of the 10% cap from prior years, if any) each year during the three years beginning on the first anniversary of the closing of the Acquisition. After the fourth anniversary of the closing, sales or transfers of the Common Stock by these shareholders will be unrestricted. Any Common Stock received by a Principal or Trustee pursuant to the forfeiture provisions of the Agreement Among Principals and Trustees (described below) will be subject to the same transfer restrictions, except that a portion of forfeited the Common Stock received by a Principal or Trustee may be sold to pay for any tax costs associated with the receipt of the forfeited Common Stock. Each Principal and Trustee will be entitled to registration of shares sold to pay for such tax

costs, and such registrations will not count against the number of demands for registration such Principal or Trustee is allowed to make under the Shareholders Agreement (as described below).

*Green, Green Trust and Green Transferees.* Each of the trustee of the Green GLG Trust, Mr. Green and the Green Transferees may sell or transfer up to 50% of his or its original allocation of the Common Stock during the year beginning on the first anniversary of the closing of the Acquisition. Thereafter, sales or transfers of the Common Stock by these GLG Shareowners will be unrestricted.

*Lehman.* Lehman (Cayman Islands) Ltd may sell or transfer up to 25% of its original allocation of the Common Stock during the year beginning on the first anniversary of the closing of the Acquisition and up to 50% of its original allocation of the Common Stock (plus the unused amount of the 25% cap from the prior year, if any) during the year beginning on the second anniversary of the closing of the Acquisition. Thereafter, sales or transfers of the Common Stock by Lehman will be unrestricted.

All of the foregoing transfer restrictions may be waived by the affirmative vote of two-thirds of the members of the board of directors of the Company.

*Registration Rights*

Each of the GLG Shareowners, the Green Transferees and the Sponsors will have certain registration rights with respect to their the Common Stock (or securities convertible into, exchangeable for or exercisable for shares of the Common Stock (other than the Exchangeable Shares)) ( registrable securities ) under the Shareholders Agreement as described below. These registration rights terminate as to each GLG Shareowner as soon as all registrable securities held by that shareholder become freely tradeable by the GLG Shareowner pursuant to Rule 144 under the Securities Act of 1933, as amended (the Securities Act ).

*Demand Registration Rights.* Any of the GLG Shareowners, the Green Transferees or the Sponsors who, together with permitted transferees, holds 5% or more of the Company s total voting securities may demand registration of its registrable securities under the Securities Act at any time after the first anniversary of the closing of the Acquisition.

For purposes of the Shareholders Agreement, the total voting securities of the Company will be the number of our issued and outstanding voting securities immediately following the closing of the Acquisition, and the number of voting securities held by a GLG Shareowner, a Green Transferee or the Sponsors will include only those securities owned by such GLG Shareowner immediately following the closing of the Acquisition that are voting securities of the Company (or convertible into, exchangeable for or exercisable for voting securities of the Company), but will exclude securities sold by such GLG Shareowner prior to the date of the demand for registration.

**Table of Contents****CUSIP No.** 37929X 107**Page 16 of 19 Pages**

Each of the GLG Shareowners, the Green Transferees and the Sponsors that is eligible to demand registration may demand a total of two demand registrations. The Company must use commercially reasonable efforts to effect such registration as soon as practicable. However, it may postpone such registration to prevent the disclosure of material, non-public information that it needs to keep confidential and to give effect to timing issues related to prior registrations. The Company may also cut back the number of shares covered by a demand registration statement if an underwriter or investment bank advises the Company that inclusion of all securities in the registration statement would adversely affect marketability of the securities sought to be sold.

*Piggyback Registration Rights.* Any of the GLG Shareowners, the Green Transferees or the Sponsors who, together with permitted transferees, holds 1% or more of the Company's total voting securities will have piggyback registration rights that allow the shareholder to include its registrable securities in any public offering of the Company's equity securities initiated by the Company whenever the Company proposes to register any of its equity securities under the Securities Act (except for registrations on Form S-8 or Form S-4), either for its own account or for the account of others, and when a demand registration is made (as described above). The calculation of the percentage ownership of equity securities of the Company held by an eligible shareholder and the cut-back provisions in connection with a piggyback registration are the same as for a demand registration described above.

*Shelf Registration Rights.* Any of the GLG Shareowners, the Green Transferees or the Sponsors who, together with permitted transferees, holds 10% or more of the Company's total voting securities may demand a shelf registration of its registrable securities on Form S-3 under the Securities Act at any time after the Company is eligible to file a shelf registration statement on Form S-3. The calculation of the percentage ownership of equity securities of the Company held by an eligible shareholder in connection with a shelf registration is the same as for a demand registration described above.

Lehman (Cayman Islands) Ltd (if it is an affiliate of the Company) and each Principal and Trustee may demand such number of shelf registrations as is necessary to sell all of its or his registrable securities. The Company must use commercially reasonable efforts to keep the shelf registration effective for two years or until all the shareholders securities registered thereunder have been sold, whichever is earlier. The Company has the right to suspend the shelf registration to prevent the disclosure of material, non-public information which it needs to keep confidential.
