SOLICITATION AND VOTING

We are sending you this Proxy Statement and the enclosed proxy card because the Board of Directors of Citizens First Financial Corp. (the Company we or us) is soliciting your proxy to vote at the 2004 Annual Meeting of Shareholders (the Annual Meeting). This Proxy Statement summarizes the information you need to know to vote at the Annual Meeting.

You are invited to attend our Annual Meeting on April 26, 2004 beginning at 10:00 a.m., local time. The Annual Meeting will be held at The Chateau, 1601 Jumer Drive, Bloomington, Illinois.

This Proxy Statement and the enclosed form of proxy are being mailed starting on or about March 19, 2004.

Shareholders Entitled to Vote

Holders of record of common stock of the Company at the close of business on March 1, 2004 are entitled to receive this notice. Generally, each share of common stock of the Company is equal to one vote. However, the Company s Certificate of Incorporation limits the number of shares that may be voted by any holder owning beneficially more than 10% of the outstanding shares of the common stock of the Company (the Limit). A beneficial holder of shares in excess of the Limit may not vote any shares exceeding the Limit. A shareholder may exceed the Limit if affiliates of the shareholder as well as persons acting in concert hold sufficient shares together with such shareholder so as to exceed the Limit. Pursuant to the Certificate of Incorporation, the Board of Directors will (i) make all determinations necessary to implement these rules and (ii) demand that anyone reasonably believed to beneficially own shares in excess of the Limit supply information to the Company to enable the enforcement of these rules.

There is no cumulative voting at the Annual Meeting.

As of the record date, there were 1,509,609 common shares issued and outstanding.

Voting Procedures

Unless you hold your shares in the Company s Profit Sharing and Savings Plan (the 401(k) Plan) or the Employee Stock Ownership Plan and Trust (the ESOP), you can vote on matters to come before the meeting in one of two ways:

you can come to the Annual Meeting and cast your vote there; or

you can vote by signing and returning the enclosed proxy card. If you do so, the individuals named as proxies on the card will vote your

shares in the manner you
indicate.

Table of Contents

You may also choose to vote for all of the nominees for Director and each proposal by simply signing, dating and returning the enclosed proxy card without further direction. All signed and returned proxies that contain no direction as to vote will be voted **FOR** each of the nominees for Director and **FOR** each of the proposals.

The Board of Directors has selected itself as the persons to act as proxies on the proxy card.

If you plan to attend the Annual Meeting and vote in person, you should request a ballot when you arrive. **HOWEVER, IF YOUR SHARES ARE HELD IN THE NAME OF YOUR BROKER, BANK OR OTHER NOMINEE, THE INSPECTOR OF ELECTION WILL REQUIRE YOU TO PRESENT A POWER OF ATTORNEY OR PROXY IN YOUR NAME FROM SUCH BROKER, BANK OR OTHER NOMINEE FOR YOU TO VOTE SUCH SHARES AT THE ANNUAL MEETING.** Please contact your broker, bank or nominee.

Voting Procedures for Shares in the Company's 401(k) Plan or ESOP

If you participate in the Company's 401(k) Plan or ESOP, please return your proxy in the envelope on a timely basis to ensure that your proxy is voted. If you own or are entitled to give voting instructions for shares in the 401(k) Plan or ESOP and do not vote your shares or give voting instructions, generally, the Plan Administrator or Trustee will vote your shares in the same proportion as the shares for all plan participants for which voting instructions have been received. Holders of shares in the 401(k) Plan or ESOP will not be permitted to vote such shares at the Annual Meeting, but their attendance is encouraged and welcome.

Required Vote

The presence, in person or by proxy, of the holders of a majority of the votes entitled to be cast by the shareholders at the Annual Meeting is necessary to constitute a quorum. Abstentions and broker non votes are counted as present and entitled to vote for purposes of determining a quorum. A broker non vote occurs when a broker, bank or other nominee holding shares for a beneficial owner does not vote on a particular proposal because such broker, bank or nominee does not have discretionary authority to vote and has not received instructions from the beneficial owner.

Once a quorum is achieved, a plurality of votes cast is all that is necessary for the election of Directors. Abstentions and broker non votes are not counted in determining the vote. As to ratification of BKD, LLP and all other matters that may come before the meeting, the affirmative vote of a majority of votes cast is necessary for the approval of such matters. Abstentions and broker non votes are again not counted for purposes of approving the matter.

Revoking a Proxy

If you give a proxy, you may revoke it at any time before it is exercised. You may revoke your proxy in any one of three ways:

you may send in another proxy with a later date;

you may notify the Company's Secretary in writing at Citizens First Financial Corp., 2101 North Veterans Parkway, Bloomington, Illinois 61704; or

Table of Contents

unless you hold shares in the 401(k) Plan or ESOP, you may revoke by voting in person at the Annual Meeting. If you choose to revoke your proxy by attending the Annual Meeting, you must vote in accordance with the rules for voting at the Annual Meeting. Attending the Annual Meeting alone will not constitute revocation of a proxy.

List of Shareholders

A list of shareholders entitled to vote at the Annual Meeting will be available for examination by shareholders for any purpose related to the Annual Meeting at the Company's offices at 2101 North Veterans Parkway, Bloomington, Illinois for a period of ten days prior to the Annual Meeting. A list will also be available at the Annual Meeting itself.

Cost of Proxy Solicitation

We will pay the expenses of soliciting proxies. Proxies may be solicited on our behalf by Directors, officers or employees in person or by telephone, mail or telegram. We do not intend to engage a proxy solicitation firm to assist us in the distribution and solicitation of proxies. The Company will also request persons, firms and corporations holding shares in their names for other beneficial owners to send proxy materials to such beneficial owners. The Company will reimburse these persons for their expenses.

Inspector of Election

Your proxy returned in the enclosed envelope will be delivered to the Company's transfer agent, Registrar and Transfer Company (R&T). The Board of Directors has designated R&T to act as inspectors of election and to tabulate the votes at the Annual Meeting. R&T is not otherwise employed by, or a Director of, the Company or any of its affiliates. After the final adjournment of the Annual Meeting, the proxies will be returned to the Company.

Other Matters

The Board of Directors knows of no business which will be presented for consideration at the Annual Meeting other than as stated in the Notice of Annual Meeting of Shareholders. If, however, other matters are properly brought before the Annual Meeting, it is the intention of the persons named in the proxies to vote the shares on such matters in their discretion.

This Committee also approves the senior officers' compensation and other incentive compensation programs. The Committee's functions include:

The Committee is aided in performing these functions by the counsel of members of the Bank's Compensation Committee.

Code of Ethics

The Company has adopted a Code of Ethics that applies to all of our employees, officers and directors, including our principal executive officer, principal financial officer, principal accounting officer or controller, or persons performing similar functions. Our Code of Ethics contains written standards that we believe are reasonably designed to deter wrongdoing and to promote:

Shareholder Communications with the Board

Our Board of Directors has a process for shareholders to send communications to the Board of Directors, its Nominating Committee or its Audit Committee, including complaints regarding accounting, internal accounting controls, or auditing matters. Communications can be sent to the Board of Directors, its Nominating Committee or its Audit Committee or specific directors either by regular mail to the attention of the Board of Directors, its Nominating Committee, its Audit Committee or specific directors, at our principal executive offices at 2101 North Veterans Parkway, Bloomington, Illinois 61704. All of these communications will be reviewed by our Secretary (1) to filter out communications that our Secretary deems are not appropriate for our directors, such as spam and communications offering to buy or sell products or services, and (2) to sort and relay the remainder to the appropriate directors. We encourage all of our directors to attend the annual meeting of shareholders, if possible. All eight of our directors attended the 2003 annual meeting of shareholders.

Directors Compensation

The Directors of the Company did not receive any fees or retainers for serving on the Company's Board of Directors in fiscal 2003. However, the Directors did receive an annual retainer of \$15,000 for serving on the Board of the Bank. Also, Directors who are not also employees of the Company receive \$100 per committee meeting attended, except for the Audit Committee Chairman who receives \$200 for each Audit Committee meeting attended. In addition, the Company maintains two compensation plans for Directors:

Stock-Based Incentive Plan. The Company maintains the Incentive Plan for both directors and employees. In 1996, each Outside Director of the Company and Bank at that time was granted non-statutory stock options to purchase 9,390 shares of Common Stock, and Stock Awards for 3,755 shares of Common Stock. The options and stock awards to Outside Directors began vesting in five equal annual installments, commencing November 12, 1997, the first anniversary of the effective date of the grants. If a director ceases service due to death or disability, all unvested options and stock awards vest immediately. In 1999, two new bank directors were each granted nonstatutory stock options to purchase 12,500 shares of common stock on terms identical to the terms of the options which were granted in 1996. No stock awards were made in the years 1997-2001 inclusive, and no stock option grants were made to directors in 1997, 1998 or 2000. In January 2002, three of the Company's directors, Messrs. Hogan, Hoeflerle and Mier, received stock awards of 720, 719, and 719 shares, respectively. The 2002 stock awards were immediately vested. In addition, one director, Mr. Hoeflerle, received stock options in January 2001 to purchase 10,000 shares on terms identical to the terms of previous grants to directors. Also, Mr. Hogan received stock options in January 2002 to purchase 10,000 shares on the same terms. In December 2003, Ms. Webb received stock options to purchase 10,000 shares on the same terms.

Advisory Directors Retirement Plan. The Bank maintains an Advisory Directors Retirement Plan (formerly known as the Directors Emeritus Retirement Plan) which provides retirement benefits to duly elected Directors and Advisory Directors as of December 31, 1997. The plan provides that in consideration for services and consultation rendered as an Advisory Director, the Advisory Directors will receive annual cash benefits equal to the annual director's fees received at the time of retirement, up to an annual maximum of \$12,650 per participant in a single premium insurance annuity for each covered Advisory Director. Currently there are ten Advisory Directors.

ITEM 1. ELECTION OF DIRECTORS

Currently, the Board of Directors has seven members divided into three classes of two or three directors per class. Each class of directors has three-year terms. One class of directors is up for election each year. This results in a staggered Board which ensures continuity from year to year.

Two directors will be elected at the Annual Meeting to serve for three-year terms expiring at our Annual Meeting in the year 2007.

The persons named in the enclosed proxy card intend to vote the proxy for the election of each of the two nominees unless you indicate on the proxy card that your vote should be withheld from any or all of such nominees. Each nominee elected as director will continue in office until his or her successor has been elected, or until his death, resignation or retirement.

The Board of Directors has proposed the following nominees for election as Directors with terms expiring in 2007 at the Annual Meeting: Dr. Lowell M. Thompson and Mary Ann Webb.

The Board of Directors recommends a vote FOR the election of these nominees as Directors.

We expect each nominee to be able to serve if elected. If any nominee is not able to serve, proxies will be voted in favor of the remainder of those nominated and may be voted for substitute nominees. The principal occupation and certain other information about the nominees and other Directors whose terms of office continue after the Annual Meeting is set forth below. Such terms may include years of services for the Bank prior to the formation of the Company.

OTHER COMPENSATION ARRANGEMENTS

Employment Agreements

The Bank and the Company have entered into employment agreements (collectively, the employment agreements) with Messrs. Landefeld and Smiley (individually, the Executive). These employment agreements are intended to ensure that the Bank and the Company will be able to maintain a stable and competent management base. The continued success of the Bank and the Company depends to a significant degree on the skills and competence of Messrs. Landefeld and Smiley.

The employment agreements provide for a three-year term. The Bank employment agreements provide that, commencing on the first anniversary date and continuing each anniversary date thereafter, the Board of the Bank may extend the agreement for an additional year so that the remaining term shall be three years, unless written notice of non-renewal is given by the Board of the Bank after conducting a performance evaluation of the Executive. The terms of the Company employment agreements shall be extended on a daily basis unless written notice of non-renewal is given by the Board of the Company. The current base salaries for Messrs. Landefeld and Smiley are \$ 250,535 and \$160,000, respectively. In addition to the base Salary, the agreements provide for, among other things, participation in stock benefits plans and other fringe benefits applicable to Executive personnel.

The employment agreements provide for termination by the Bank or the Company for cause as defined in the agreements at any time. In the event the Bank or the Company chooses to terminate the Executive s employment for reasons other than for cause, or in the event of the Executive s resignation from the Bank and the Company upon: (i) failure to re-elect the Executive to his current offices; (ii) a material change in the Executive s functions, duties or responsibilities; (iii) a relocation of the Executive s principal place of employment by more than 25 miles; (iv) liquidation or dissolution of the Bank or the Company; or (v) a breach of the agreement by the Bank or the Company, the Executive or, in the event of death, his beneficiary would be entitled to receive an amount equal to the remaining base Salary payment due to the Executive and the contributions that would have been made on the Executive s behalf to any employee benefit plans of the Bank or the Company during the remaining term of the agreement. The Bank and the Company would also continue to pay for the Executive s life, health and disability coverage for the remaining term of the agreement. Upon any termination of the Executive, the Executive is subject to a one year non-competition agreement.

Under the employment agreements, if voluntary or involuntary termination follows a change in control of the Bank or the Company (as defined in the employment agreements), the Executive or, in the event of the Executive s death, his beneficiary, would be entitled to a severance payment equal to the greater of: (i) the payments due for the remaining terms of the employment agreement; or (ii) three times the average of the five preceding taxable year s annual compensation. The Bank and the Company would also continue the Executive s life, health, and disability coverage for thirty-six months. Notwithstanding that both the Bank and the Company employment agreements provide for a severance payment in the event of a change in control, the Executive would only be entitled to receive a severance payment under one agreement. Based solely on the cash

Table of Contents

compensation paid to Messrs. Landefeld and Smiley over the past five fiscal years and excluding any benefits under any employee plan which may be payable, the total amount of payments due under the employment agreements following a change in control would be approximately \$1.2 million.

Payments to the Executive under the Bank's agreement will be guaranteed by the Company in the event that payments or benefits are not paid by the Bank. Payment under the Company's agreement would be made by the Company. All reasonable costs and legal fees paid or incurred by the Executive pursuant to any dispute or question of interpretation relating to the agreements shall be paid by the Bank or Company, respectively, if the Executive is successful on the merits pursuant to a legal judgment, arbitration or settlement. The employment agreements also provide that the Bank and Company shall indemnify the Executive to the fullest extent allowable under federal and Delaware law, respectively.

401(k) Plan

The Bank maintains the Profit Sharing and Savings Plan (the Savings Plan), which is a tax-qualified profit sharing and Salary reduction plan under Sections 401(a) and 401(k) of the Code. The Savings Plan provides participants with retirement benefits and may also provide benefits upon death, disability or termination of employment with the Bank. An employee who works at least 1,000 scheduled hours per year is eligible to participate in the Savings Plan following the completion of one year of service and attainment of age 21. A participant is always 100% vested in his or her contributions. A participant must reach one year of vesting service (total time employed) before attaining a vested interest in the employer contribution, which commences following this one year period. Participants become 20% vested in employer matching contribution after one year of service, and increase the vested percentage by 20% for each year of service completed thereafter, until attaining 100% vesting after five years of service.

Participants may make Salary reduction contributions to the Savings Plan up to the lesser of 15% of annual base Salary or the legally permissible limit (currently \$3,000 generally, and \$16,000 for employees who will reach age 50 by December 31, 2004). The Savings Plan provides that, with respect to 4% contributed by the employee, the Bank will match 100% of such contribution with funds to be invested at the direction of the employee. All participants receive a quarterly detailed statement including information regarding market value of the participant's investment and all contributions made on his or her behalf. Any withdrawals prior to age 59 are subject to a 10% tax penalty. Participants may borrow against the vested portion of their accounts.

The Savings Plan has a profit-sharing component in addition to the matched employee contribution. The amount of the annual profit-sharing contribution is at the discretion of the Board of Directors.

Employee Stock Ownership Plan and Trust

The Bank established an ESOP and related trust for eligible employees effective on January 1, 1996. Employees employed with the Bank as of January 1, 1996 and employees of the Company or the Bank employed after such date, who have been credited with at least 1,000 hours during a twelve month period and who have attained the age of 21 will become participants. The ESOP purchased 8% of the Common stock issued in the Conversion. In order to fund the ESOP's purchase of Common Stock, the ESOP borrowed funds from the Company equal to 100% of the aggregate purchase price of the Common Stock. The loan was repaid principally from the

Table of Contents

Company's or the Bank's contribution to the ESOP over a period of seven years and the collateral for the loan was the Common Stock purchased by the ESOP. Repayment of the loan was completed in 2002.

Supplemental Executive Retirement Plan

The Bank has implemented a non-qualified Supplemental Executive Retirement Plan (the "SERP") to provide certain officers and highly compensated employees, designated by the Board of Directors, with additional retirement benefits. The benefits provided under the SERP will make up the benefits lost to the SERP participants due to application of limitations on compensation and maximum benefits applicable to the Bank's tax qualified 401(k) Plan and ESOP. Benefits will be provided under the SERP at the same time and in the same form as the related benefits will be provided under the 401(k) Plan and ESOP.

Transactions With Certain Related Persons

The Bank makes loans to directors and executive officers from time-to-time in the ordinary course of business. The Bank's current policy provides that all loans made by the Bank to its directors and executive officers are made on substantially the same terms, including interest rates and collateral, as those prevailing at the time for comparable transactions with other persons and do not involve more than the normal risk of collectability or present other unfavorable features.

Compensation Committee Interlocks and Insider Participation

The Compensation Committee of the Board of Directors is comprised of Martin L. Hogan, L. Carl Borngasser, and Mary Ann Webb, none of whom is or was formerly an officer of the Company. Neither Mr. Hogan, Mr. Borngasser nor Ms. Webb had any relationship with the Company which would have required disclosure in this Proxy Statement under the caption "Transactions with Certain Related Persons." No executive officer of the Company served as a director or on the compensation committee of any other entity in 2003.

EXECUTIVE COMPENSATION COMMITTEE REPORT

Overview

The Committee establishes the salaries and other compensation of the Executive Officers of the Company and its subsidiary, the Bank. In its deliberations, it may consult with a Compensation Committee of the Board of Directors of the Bank. The Committee makes recommendations and advises the full Board of Directors with respect to compensation of senior executives of the Company and the Bank, and approves, subject to ratification of the full Board, the compensation of C. William Landefeld, the President and Chief Executive Officer of the Company.

The Company's executive compensation program is designed to:

retain Executive Officers by paying them competitively and rewarding them for superior performance;

align the interests of the Executive to that of the shareholder by encouraging common stock ownership by the Executive; and

tie a portion of each Executive Officers' compensation to the performance of both the Company and the individual goals set for each Executive Officer.

We accomplish these goals through three methods of compensation:

Salaries. The Committee evaluates salaries for comparable positions in the local market. The Committee strives to select salaries that are competitive in the market but not highest paid.

Bonus. The Committee and the Board of Directors have established a Bonus Plan for key employees of the Bank including, but not limited to, Executive Officers. This plan provides for a corporate performance award based upon an objective requirement of corporate performance and an individual performance award.

Stock Option and Stock Awards. The Company has a Stock Based Incentive Plan which permits the Company to award stock options or stock to employees and directors. In fiscal year 2003, the Company granted a total of 10,000 options to one of its directors (Mary Ann Webb).

CEO Compensation

Due to the results of the FDIC Safety and Soundness Examination that concluded in the Fourth Quarter of 2003, the Compensation Committee elected to not recommend any salary increase for Mr. Landefeld for 2004. If sufficient progress has been made in correcting the deficiencies noted in the Examination Report at the time of the FDIC visitation at mid-year, a salary increase for Mr. Landefeld might be considered at that time.

The Company had a favorable earnings year and the book value of the Company's stock improved slightly from \$21.91 per share at December 31, 2002, to \$22.00 per share at December 31, 2003. The market price of the Company's stock improved slightly from \$25.30 per share at December 21, 2002, to \$25.50 per share at December 31, 2003.

Mr. Landefeld's Incentive Bonus Awards are based on the Company reaching certain corporate performance targets for basic Earnings Per Share and Return on Equity. Mr. Landefeld received an incentive award of \$18,623 in 2002 for meeting and exceeding the basic earnings per share target. No bonus was paid in 2003 for fiscal 2002 performance, as the pre-determined targets for 2002 performance were not met. Also, no bonus was paid in 2004 for fiscal 2003 performance, as the pre-determined targets for 2003 performance were not met.

Tax Policy

Section 162(m) of the Internal Revenue Code limits tax deductions available to the Company to \$1 million for compensation paid to the Company's five most highly compensated officers unless certain requirements are met. Among such requirements are:

the Committee be comprised entirely of outside directors; and

compensation over \$1 million must be based upon performance goals approved by shareholders.

The Committee intends to monitor compensation so that the Company remains able to take deductions pursuant to the rules of 162(m). However, the Committee retains the right to award compensation that may not be deductible by the Company under Section 162(m) or otherwise.

APPENDIX B

**CITIZENS FIRST FINANCIAL CORP
AUDIT COMMITTEE CHARTER
Amended December, 2003**

The primary purpose of the Audit Committee (the Committee) of Citizens First Financial Corp. (the Company) is to assist the Board of Directors (the Board) in fulfilling its responsibility to oversee management's conduct of the Company's financial reporting process. This is to be accomplished through overseeing the integrity of financial reports and other financial information provided by the Company to governmental or regulatory bodies, the public or other users thereof, the Company's systems of internal accounting and financial controls, the annual independent audit of the Company's financial statements, the Company's legal compliance and ethics programs as established by management and the Board, and the company's compliance with laws, regulations and policy

In discharging its oversight role, the Committee is empowered to investigate any matter brought to its attention with full access to all books, records, facilities and personnel of the Company and to retain outside counsel, auditors or consultants, or incur other expenses for this purpose. The Committee will use and receive appropriate funding for the payment of compensation of outside legal, accounting or other advisors and staff employed by the Committee, as determined necessary by the Committee to carry out its duties. Any persons hired will work directly for the Committee, and will not be accountable to either Company management or the Company's Board of Directors.

The Board and Committee are in place to represent the Company's shareholders. The Company's outside auditor is ultimately accountable to the Committee. The Committee shall have the ultimate authority and responsibility to select, evaluate, compensate and, where appropriate, replace the outside auditor.

The Committee shall review and reassess the adequacy of this Charter and the Audit Policy on an annual basis. In addition to this Audit Committee Charter, the Internal Audit Policy defines additional requirements and specifics regarding both the internal auditor and audit committee member roles.

MEMBERSHIP

The Committee members shall be appointed annually, and will serve at the discretion of the Board of Directors and will be comprised of not less than three (3) outside directors of the Board. Members shall meet the following criteria:

The minutes of the meeting shall contain a record of the persons present, significant matters discussed and resolutions adopted. Minutes of the meetings shall be preserved by the Bank in minute books in the custody of the Bank's Internal Auditor.

KEY RESPONSIBILITIES

The Committee's job is one of oversight and it recognizes that the Company's management is responsible for preparing the Company's financial statements and that the outside auditors are responsible for auditing those financial statements. Additionally, the Committee recognizes that financial management, including the internal audit staff, as well as the outside auditors, have more time, knowledge and more detailed information on the Company than do Committee members. In carrying out its oversight responsibilities, the Committee is not providing any expert or special assurance as to the Company's financial statements or any professional certification as to the outside auditor's work. It is however the duty of the Committee to review any audit problems or difficulties and managements response. The Committee is responsible for resolving any differences between management and the independent auditors regarding accounting and auditing issues.

The following functions shall be the common recurring activities of the Committee in carrying out its oversight functions. These functions are set forth as a guide with the understanding that the Committee may diverge from this guide as appropriate given the circumstances. The Committee is responsible for establishing procedures to promote and protect employee reporting of suspected fraud or wrongdoing through the receipt, retention and treatment of complaints from Company employees on accounting, internal accounting controls or auditing matters, as well as for confidential, anonymous submissions by Company employees of concerns regarding questionable accounting or auditing matters.
