PIONEER ENHANCES PROPOSAL TO ACQUIRE PARTNERSHIPS

DALLAS, TEXAS, JUNE 29, 2001 - PIONEER NATURAL RESOURCES COMPANY ("PIONEER") (NYSE:PXND) (TSE:PXND) announces that it has filed an amendment to its registration statement filed April 17, 2001 with the Securities and Exchange Commission ("SEC") (SEC File Number 333-59094) that proposes an agreement and plan of merger among Pioneer, Pioneer Natural Resources USA, Inc. ("Pioneer USA"), a wholly-owned subsidiary of Pioneer, and 46 Parker & Parsley limited partnerships. The amended registration statement reflects an increase in the price

offered to limited partners and a change in the form of payment from a combination of stock and cash to all stock. As previously announced, each partnership that approves the proposals will merge with and into Pioneer USA.

## Edgar Filing: PARKER & PARSLEY 90-C CONV LP - Form 425

Pioneer has increased its offer to the unaffiliated limited partners by \$10 million to approximately \$112 million. Under the revised proposal, the partnership interests of each such partnership will be converted into the right to receive Pioneer common stock. The number of shares of Pioneer common stock to be offered will be based on its average closing price for the ten trading days ending three trading days before the date of the special meeting of limited partners to be held later this year. As outlined in the amended registration statement, the amount Pioneer will pay for the partnership interests will be based on the partnerships' reserves values and net working capital as of March 31, 2001 less the partnerships' pro rata share of estimated expenses of the mergers and less subsequent cash distributions to the partners. The reserves values have been derived from the present value of estimated future net revenues from the partnerships' oil and natural gas reserves at March 31, 2001, based on average NYMEX long-term oil and natural gas prices. Pioneer will include in its offer the partnerships' undistributed net working capital as of March 31, 2001. Related merger expenses will be allocated to each partnership based on its oil and gas reserves at March 31, 2001. The purchase price will be allocated among the limited partners as though the partnerships sold their assets and liquidated in accordance with the partnership agreements.

As previously noted, if the limited partners of the partnerships approve the mergers, Pioneer will acquire additional working interests in wells predominantly located in the Spraberry field in the Permian Basin of West Texas, a significant core area for Pioneer. The mergers will allow Pioneer to further consolidate Spraberry operations and reduce production costs.

The cash distribution that otherwise would have been mailed to limited partners in late June will be made to holders of record as of July 9, 2001 and will be mailed on or near July 12, 2001. Final merger values will be reduced by an amount equal to this distribution because Pioneer's offer is based on reserves and working capital as of March 31, 2001. The distribution will be slightly delayed to allow ownership changes to be reflected in the record of holders. To be reflected, complete paperwork must be received no later than July 9, 2001. No further ownership changes will be accepted until after the vote has been tabulated.

Pioneer USA will consider offers from third parties to purchase any partnership or its assets. Those who wish to make an offer for any partnership must demonstrate to Pioneer USA's reasonable satisfaction their financial ability and willingness to complete such a transaction. Before reviewing non-public information about a partnership or its assets, a third party must enter into a customary confidentiality agreement. Offers should be at prices and on terms that are fair to the partners of the partnership and more favorable to the limited partners than the price and terms that Pioneer has proposed. Persons interested in making an offer should contact Timothy L. Dove or Mark L. Withrow, Board of Directors, Pioneer Natural Resources USA, Inc., 5205 North O'Connor Boulevard, Suite 1400, Irving, Texas 75039 (972-444-9001).

Pioneer and Pioneer USA anticipate mailing the offering materials late this summer. The mergers will require the approval of a majority of the limited partners in each partnership (two thirds of the limited partners for two of the partnerships). If approved, Pioneer anticipates closing the mergers during the third quarter of 2001.

A registration statement containing a preliminary proxy statement/prospectus relating to these shares of Pioneer common stock has been filed with the SEC but has not yet become effective. These securities may not be sold nor may offers to buy be accepted prior to the time the registration statement becomes effective. This press release shall not constitute an offer to sell or the solicitation of an offer to buy nor shall there be any sale of these securities in any State in which such offer, solicitation or sale would be unlawful prior to registration or qualification under the securities laws of any such State.

## Edgar Filing: PARKER & PARSLEY 90-C CONV LP - Form 425
