Summary Term Sheet

The first paragraph of Summary Term Sheet is deleted in its entirety and replaced with the following paragraph:

DII Acquisition Corp., a wholly-owned subsidiary of *infoUSA*, is offering to purchase all the outstanding shares of common stock, par value \$0.001 per share, together with the associated preferred stock purchase rights, of Digital Impact, Inc. at a price of \$2.00 per share, net to the seller in cash, without interest. Unless the context otherwise requires, we refer to one share of Digital Impact common stock, together with the associated preferred stock purchase right, as a share or Share.

The following question and answer are hereby inserted following the question Do you have the financial resources to pay for the shares? and the related answer:

What are the preferred stock purchase rights ?

According to a Registration Statement on Form 8-A filed by Digital Impact with the Securities and Exchange Commission on March 7, 2005, the preferred stock purchase rights will be distributed to all stockholders of record of Digital Impact on March 16, 2005, the record date for such distribution. Certificates for the preferred stock purchase rights will not be sent to Digital Impact stockholders and the preferred stock purchase rights will attach to and trade only together with the Shares of Digital Impact common stock. Accordingly, Share certificates outstanding on the March 16, 2005, the record date, will evidence the preferred stock purchase rights related thereto. Unless the rights are distributed to stockholders, a tender of Shares will include a tender of the associated preferred stock purchase rights. If the rights are distributed, a holder will need to tender one right with each Share tendered. See The Offer Section 11.

What are the most significant conditions to the offer? is hereby amended by (i) deleting and from the end of the second bullet point; (ii) deleting the period at the end of the third bullet point and inserting ; and and (iii) inserting a fourth bullet point as follows:

Digital Impact s board of directors has redeemed the preferred stock purchase rights or we are satisfied, in our reasonable discretion, that such rights have been invalidated or are otherwise inapplicable to the offer and the proposed second-step merger.

Introduction

The first paragraph of the Introduction is hereby amended by replacing the phrase all outstanding shares of common stock (the Common Stock), par value \$0.001 per share, of Digital Impact, Inc., a Delaware corporation (the Digital Impact) with the phrase (1) all outstanding shares of common stock (the Common Stock), par value \$0.001 per share (the Shares), of Digital Impact, Inc., a Delaware corporation (Digital Impact) and (2) unless and until validly redeemed by Digital Impact s board of directors, the associated rights to purchase shares of Series A Participating Preferred Stock of Digital Impact (the Rights) to be issued pursuant to the Preferred Stock Rights Agreement (the Rights Agreement) between Digital Impact and Computershare Investor Services LLC, as Rights agent.

The first paragraph of the Introduction is hereby amended by inserting the following sentence at the end of the paragraph: Unless the context otherwise requires, all references herein to the Shares shall be deemed to include the associated Rights, and all references herein to the Rights shall be deemed to include the benefits that may inure to holder of Rights pursuant to the Rights Agreement.

The second paragraph of the Introduction is hereby amended by (i) deleting the word and prior to (3) and inserting in its place a comma, and (ii) inserting at the end of the paragraph but prior to the period,

the following phrase: and (4) Digital Impact's board of directors redeeming the Rights or our being satisfied, in our reasonable discretion, that the Rights have been invalidated or are otherwise inapplicable to the Offer and the proposed second-step merger (the Rights Condition).

The second sentence of the second paragraph of Section 1 (Terms of the Offer; Expiration Date) is hereby amended by inserting after the phrase the Section 203 Condition the phrase , the Rights Condition.

Section 11 Purpose of the Offer and the Proposed Merger; The Section 203 Condition; Appraisal Rights; Going-Private Transactions

Section 11 is hereby renamed Purpose of the Offer and the Proposed Merger; The Section 203 Condition; The Rights Condition; Appraisal Rights; Going-Private Transactions.

The second paragraph of Section 11, *The Proposed Merger*, is hereby amended to insert after the phrase the HSR Condition the phrase the Rights Condition.

Section 11 is hereby amended by inserting after the section entitled *The Section 203 Condition* and before the section entitled *Appraisal Rights* the following:

The Rights Condition.

Consummation of the Offer is conditioned upon Digital Impact's board of directors redeeming the Rights, or Purchaser being satisfied, in its reasonable discretion, that the Rights have been invalidated or are otherwise inapplicable to the Offer and the Proposed Merger. The following summary is qualified in its entirety by reference to the Rights Agreement.

The Rights are described in the Digital Impact 8-A filed with the Securities and Exchange Commission on March 7, 2005 (the Digital Impact 8-A). According to the Digital Impact 8-A, on March 4, 2005, the Digital Impact Board declared a dividend of one Right to purchase one one-thousandth share of Digital Impact's Series A Participating Preferred Stock (Series A Preferred) for each outstanding Share. The dividend is payable on March 16, 2005 to stockholders of record as of the close of business on that date. Each Right entitles the registered holder to purchase from Digital Impact one one-thousandth of a share of Series A Preferred at an exercise price of \$10.00 (the Purchase Price), subject to adjustment.

The Rights will not be exercisable until the Distribution Date (defined below). Certificates for the Rights (Rights Certificates) will not be sent to stockholders and the Rights will attach to and trade only together with the Shares. Accordingly, Share certificates outstanding on the Record Date will evidence the Rights related thereto, and Share certificates issued after the Record Date will contain a notation incorporating the Rights Agreement by reference. Until the Distribution Date (or earlier redemption or expiration of the Rights), the surrender or transfer of any certificates for Shares, outstanding as of the Record Date, even without notation being attached thereto, also will constitute the transfer of the Rights associated with the Shares represented by such certificate.

The Rights will be separate from the Shares, Rights Certificates will be issued and the Rights will become exercisable upon the earlier of (a) the tenth day after a person or group of affiliated or associated persons (Acquiring Person) has acquired, or obtained the right to acquire, beneficial ownership of 15% or more of the Shares then outstanding, or (b) the tenth business day (or such later date as may be determined

by the Digital Impact Board) after a person or group announces a tender or exchange offer, the consummation of which would result in ownership by a person or group of 15% or more of the then outstanding Shares. The earlier of such dates is referred to as the Distribution Date.

On March 4, 2005, the Digital Impact Board resolved to delay the Distribution Date with respect to the tender offer for Digital Impact's common stock made by Purchaser, and any modification or amendment to such tender offer, until that time that is immediately preceding consummation of any transaction or series of related transactions in which a person becomes, or will likely become (as determined by the Digital Impact Board), an Acquiring Person.

Following the Distribution Date, and until one of the further events described below, holders of the Rights will be entitled to receive, upon exercise and the payment of the Purchase Price, one one-thousandth share of the Series A Preferred. In the event that Digital Impact does not have sufficient Series A Preferred available for all Rights to be exercised, or the Digital Impact Board decides that such action is necessary and not contrary to the interests of Rights holders, Digital Impact may instead substitute cash, assets or other securities for the Series A Preferred for which the Rights would have been exercisable under this provision or as described below.

Unless the Rights are earlier redeemed, in the event that an Acquiring Person obtains 15% or more of the then outstanding Shares, then each holder of a Right which has not theretofore been exercised (other than Rights beneficially owned by the Acquiring Person, which will thereafter be void) will thereafter have the right to receive, upon exercise, Shares having a value equal to two times the Purchase Price. Rights are not exercisable following the occurrence of an event as described above until such time as the Rights are no longer redeemable by Digital Impact as set forth below.

Similarly, unless the Rights are earlier redeemed, in the event that, after an Acquiring Person obtains 15% or more of the then outstanding Shares, (i) Digital Impact is acquired in a merger or other business combination transaction, or (ii) 50% or more of Digital Impact's consolidated assets or earning power are sold (other than in transactions in the ordinary course of business), proper provision must be made so that each holder of a Right which has not theretofore been exercised (other than Rights beneficially owned by the Acquiring Person, which will thereafter be void) will thereafter have the right to receive, upon exercise, shares of common stock of the acquiring company having a value equal to two times the Purchase Price.

At any time after an Acquiring Person obtains 15% or more of the then outstanding Shares and prior to the acquisition by such Acquiring Person of 50% or more of the then outstanding Shares, the Digital Impact Board may exchange the Rights (other than Rights owned by the Acquiring Person), in whole or in part, at an exchange ratio of one Share per Right.

Because of the nature of the dividend, liquidation and voting rights of the Series A Preferred, the value of one one-thousandth interest in a share of Series A Preferred purchasable upon the exercise of each Right should approximate the value of one share.

The terms of the Rights and the Rights Agreement may be amended in any respect without the consent of the Rights holders on or prior to the Distribution Date; thereafter, the terms of the Rights and the Rights Agreement may be amended without the consent of the Rights holders in order to cure any ambiguities or to make changes which do not adversely affect the interests of Rights holders (other than the Acquiring Person).

Purchaser believes that if the Rights Condition is satisfied, the Rights Agreement will not be an impediment to the consummation of the Offer or the Proposed Merger.

Section 12 Source and Amount of Funds

The fourth paragraph of Section 12 (Source and Amount of Funds) shall be amended by adding the following sentence at the end of such paragraph: In connection with the extension of the credit facilities pursuant to the commitment letter, *infoUSA* intends to repay all amounts outstanding under the Amended and Restated Credit Agreement dated as of June 4, 2004, as amended by a First Amendment to the Amended and Restated Credit Agreement dated as of November 5, 2004 between *infoUSA*, various lenders, and Wells

Fargo Bank, N.A., as sole lead arranger, sole book runner and administrative agent and related premiums, fees and expenses. As of March 7, 2005, there was approximately \$176,200,000 aggregate principal amount outstanding under the current credit facility with Wells Fargo Bank, N.A.

The following paragraphs shall be inserted immediately following the fourth paragraph of Section 12 (Source and Amount of Funds):

Borrowings under the term credit facility and the revolving credit facility will bear interest at a rate equal to (i) LIBOR plus the applicable margin or alternate base rates (ranging from 0.75% to 2.50%) plus (ii) the applicable margin (ranging from 1.75% to 2.50%). Borrowings based on LIBOR will be for interest periods of 1, 2, 3 or 6 months, subject to availability.

Wells Fargo Bank, N.A.'s commitment to provide the term and revolving credit facilities are subject to, among other things, there being (i) no material adverse change in the business, assets, condition (financial or otherwise), operations, liabilities (whether contractual, environmental or otherwise), properties, projections or prospects of (A) the *infoUSA* and its subsidiaries, taken as a whole, since September 30, 2004, or (B) the Digital Impact since December 31, 2004 (in each case, other than as disclosed in publicly available filings by *infoUSA* or the Digital Impact with the Securities and Exchange Commission prior to February 23, 2005 and other than as indicated in the projections delivered by *infoUSA* to Wells Fargo Bank, N.A. prior to the date of this letter), or in the facts and information as represented to date, (ii) there not having occurred any material disruption or material adverse change in the financial or capital markets generally or in the market for syndicated credit facilities that could in the sole discretion of Wells Fargo Bank, N.A. be expected to materially impair the syndication of the credit facilities, (iii) the satisfaction of the terms and conditions of the commitment letter, the senior term sheet and the other annexes and schedules attached to the commitment letter and the fee letter in a manner acceptable to Wells Fargo Bank, N.A., and (iv) the absence of any competing offering, placement or arrangement for any debt security or bank financing by or on behalf of any of *infoUSA*, Digital Impact, Purchaser or any of their respective subsidiaries prior to successful syndication of the credit facilities.

The following paragraph shall be inserted immediately following the fifth paragraph of Section 12 (Source and Amount of Funds):

In the event that the credit facilities contemplated by the commitment letter were unavailable, *infoUSA* could also raise funds through borrowings from other lenders or the issuance of securities. *infoUSA* expects, based upon the combination of internally available cash, borrowings under the credit facilities or any other credit facility, or the issuance of securities, to have sufficient cash on hand at the expiration of the Offer to pay the Offer price for all Shares in the Offer.
