## Edgar Filing: Health Fitness Corp /MN/ - Form 8-K

### ITEM 1.01 ENTRY INTO A MATERIAL DEFINITIVE AGREEMENT.

Effective November 14, 2005, Health Fitness Corporation (the "Company") entered into a Securities Purchase Agreement with five accredited investors for the sale of an aggregate of 1,000 shares of its Series B Convertible Preferred Stock (the "Series B Stock"), at an aggregate purchase price of \$10.2 million. After selling commissions and expenses, the Company will receive net proceeds of approximately \$9.4 million. The Series B Stock will automatically convert into approximately 5.1 million shares of Common Stock effective on the date the Securities and Exchange Commission declares effective a registration statement to be filed by the Company with respect to the 5.1 million shares of Common Stock issued to the new investors. The registration statement is expected to become effective no later than March 15, 2005. The Company also issued the investors 5-year warrants (the "Warrants") to purchase approximately 1.5 million shares of Common Stock for \$2.40 per share, subject to customary weighted --average anti-dilution adjustments. Shares issuable upon exercise of the Warrants will also be included in the registration statement to be filed by the Company.

The Company is required to file the registration statement with the Securities and Exchange Commission within 60 days of the closing, to use its best efforts to cause the Registration Statement to be declared effective under the Securities Act of 1933 as promptly as possible after the filing thereof, but in no event within 120 days of the closing, and to use its best efforts to keep the registration statement continuously effective under the Securities Act until all registrable securities covered by the registration statement have been sold or are eligible to be sold without volume restrictions pursuant to Rule 144(k).

The Company anticipates using approximately \$5.1 million of the net proceeds from the issuance of the Series B Stock to redeem all of its outstanding shares of Series A Convertible Preferred Stock, currently convertible into approximately 2.2 million shares of Common Stock, together with warrants that were issued in connection with the Series A Stock to purchase approximately 1.3 million shares of Common Stock. The remainder of the gross proceeds are expected to be used for working capital and to finance growth of the Company's business.

Copies of the Securities Purchase Agreement, Registration Rights Agreement and Form of Warrant attached hereto as Exhibits 10.1, 10.2 and 10.3, respectively, and incorporated herein by reference.
