**Item 8.01 Other Events.**

On July 12, 2006, ADVENTRX Pharmaceuticals, Inc. (the Company ) notified holders of certain of its outstanding redeemable warrants (the Warrants ) to purchase shares of the Company s common stock, par value \$0.001 per share (the Common Stock ), that the Company will redeem the Warrants on Thursday, July 21, 2006, unless holders of such Warrants exercise the Warrants to purchase the underlying share of Common Stock by the close of business on July 21, 2006.

The Warrants may be redeemed if the average closing price of the Common Stock for 20 consecutive trading days prior to the date of the Company s notice of redemption is at least \$4.75 per share. The average closing price for the shares of the Common Stock for the 20 consecutive trading day period ended April 26, 2006 was \$4.93.

There are currently (i) 36 holders of Warrants to purchase an aggregate of 1,319,795 shares of Common Stock exercisable for \$2.375 per share (the A-2 Warrants ).

In the event all of the Warrants are fully exercised, the Company will issue an aggregate of 1,319,795 shares and will receive aggregate proceeds of \$3,134,513. In the event the Company redeems all of the Warrants, the Company will expend a total of \$1,320. The Company anticipates using the proceeds from the exercise of Warrants for research and development and clinical trials, and for general corporate purposes.

Pursuant to the terms of an agreement we entered into with Burnham Hill Partners, a division of Pali Capital, Inc., in March 2004, we are obligated to pay a 4% cash commission on each cash exercise of warrants issued in a financing that we consummated in April 2004. In accordance with this obligation, we anticipate that in the event that all of the Warrants are fully exercised by July 21, 2006 we would owe Burnham Hill Partners approximately \$125,380.53. No other commission or other remuneration will be paid or given directly or indirectly in connection with these warrant exercises.

On July 12, 2006 the Company issued the press release attached to this report as Exhibit 99.1.
