INFORMATION ABOUT THE MEETING

This Proxy Statement

We have sent you this proxy statement and the enclosed proxy card because our board of directors is soliciting your proxy to vote at our 2004 Annual Meeting of Stockholders or any adjournment or postponement of the meeting. The meeting will be held at 10:00 a.m., Eastern time, on Wednesday, May 19, 2004, at the offices of Hale and Dorr LLP, 60 State Street, Boston, Massachusetts.

THIS PROXY STATEMENT summarizes information about the proposals to be considered at the meeting and other information you may find useful in determining how to vote.

THE PROXY CARD is the means by which you actually authorize another person to vote your shares in accordance with the instructions.

Our directors, officers and employees may solicit proxies in person or by telephone, mail, electronic mail, facsimile or telegram. We will pay the expenses of soliciting proxies, although we will not pay additional compensation to these individuals for soliciting proxies. We will request banks, brokers and other nominees holding shares for a beneficial owner to forward copies of the proxy materials to those beneficial owners and to request instructions for voting those shares. We will reimburse these banks, brokers and other nominees for their related reasonable expenses. We have not retained the services of any proxy solicitation firm to assist us in soliciting proxies.

We are mailing this proxy statement and the enclosed proxy card to stockholders for the first time on or about April 8, 2004. In this mailing, we are enclosing a copy of our 2003 Annual Report to Stockholders, which includes our annual report on Form 10-K for the year ended December 31, 2003.

Who May Vote

Holders of record of our common stock at the close of business on March 26, 2004 are entitled to one vote per share on each matter properly brought before the meeting. The proxy card states the number of shares you are entitled to vote.

A list of stockholders entitled to vote will be available at the meeting. In addition, you may contact Edward Terino, our Secretary, at our address as set forth in the notice appearing before this proxy statement, to make arrangements to review a copy of the stockholder list at our offices located at 25 First Street, Cambridge, Massachusetts, prior to the meeting, between the hours of 8:30 a.m. and 5:30 p.m., Eastern time, on any business day from May 5, 2004 up to the time of the meeting.

Table of Contents

How to Vote

You may vote your shares at the meeting in person or by proxy:

To Vote in Person, you must attend the meeting, and then complete and submit the ballot provided at the meeting.

To Vote by Proxy, you must either: (1) mark, sign and date the enclosed proxy card and then mail the proxy card to our transfer agent, EquiServe Trust Company, N.A., or (2) submit your proxy card electronically via the Internet or by telephone, following the directions provided on the enclosed proxy card. Your proxy will be valid only if you complete and return the proxy card or vote electronically before the meeting. By completing and returning the proxy card, either by mail or electronically, you will direct the designated persons to vote your shares at the meeting in the manner you specify in the proxy card. If you complete the proxy card with the exception of the voting instructions, then the designated persons will vote your shares for the election of the nominated director, for the approval of the Amended and Restated 1996 Stock Option Plan and for the approval of the Amended and Restated 1999 Outside Director Stock Option Plan. If any other business properly comes before the meeting, the designated persons will have the discretion to vote your shares as they deem appropriate.

Even if you complete and return a proxy card or submit your proxy electronically, you may revoke it at any time before it is exercised by taking one of the following actions:

send written notice to Edward Terino, our Secretary, at our address as set forth in the Notice appearing before this proxy statement;

send us another signed proxy with a later date;

log on to the Internet the same way you did originally and change your votes;

call the telephone number listed on the proxy card; or

attend the meeting, notify our Secretary that you are present, and then vote by ballot.

If your shares are held in the name of a bank, broker or other nominee holder, you will receive instructions from the holder of record explaining how your shares may be voted. Please note that, in such an event, you must obtain a proxy, executed in your favor, from the holder of record to be able to vote at the meeting.

Quorum Required to Transact Business

At the close of business on March 26, 2004, 73,163,225 shares of our common stock were outstanding. Our by-laws require that a majority of the shares of our common stock outstanding on that date be represented, in person or by proxy, at the meeting in order to constitute the quorum we need to transact business. We will count abstentions and broker non-votes in determining whether a quorum exists. A broker non-vote occurs when a nominee holding shares for a beneficial owner does not vote on a particular proposal because the nominee does not have discretionary voting power for that particular item and has not received instructions from the beneficial owner.

DISCUSSION OF PROPOSALS

Proposal One: Election of a Class II Director

The first proposal on the agenda for the meeting is the election of Ilene H. Lang to serve as a Class II director for a three-year term beginning at the meeting and ending at our 2007 Annual Meeting of Stockholders.

Under our by-laws, our board of directors has the authority to fix the number of directors and our board is divided into three classes serving for staggered three-year terms. The number of directors currently is fixed at seven. Thomas N. Matlack, one of our Class II directors, has advised us that he is not standing for re-election to the board due to time constraints. The board has determined that the number of directors will decrease from seven to six immediately at the conclusion of the meeting.

The Nominating and Governance Committee has recommended that the board nominate, and the board has nominated Ilene H. Lang, a current Class II director, for re-election. A brief biography of Ms. Lang, as of March 15, 2004, follows. You will find information about her stockholdings on page 34.

Ilene H. Lang

Ms. Lang has served as a director since October 2001. Since September 2003, Ms. Lang has been president of Catalyst, Inc., an organization that works to advance women in business. From May 2000 to August 2003, Ms. Lang was a business and financial consultant to various boards of directors, boards of trustees, and Chief Executive Officers. From May 1999 to May 2000, she served as President and Chief Executive Officer of Individual.com, Inc., an Internet media service provider. From August 1998 until March 1999, Ms. Lang served as Chief Executive Officer of Essential.com, Inc., an e-commerce company. Ms. Lang also serves as a director of Adaptec, Inc., a data storage solutions company. Ms. Lang is 60 years old.

We expect that Ms. Lang will be able to serve if elected. If she is not able to serve, proxies may be voted for a substitute nominee.

The nominee receiving the greatest number of votes cast will be elected as a director. We will not count abstentions when we tabulate votes cast for the director election. Brokers have discretionary voting power with respect to director elections.

Proposal Two: Approve the Further Amendment and Restatement of the Amended and Restated 1996 Stock Option Plan

The board of directors believes that it would be in the best interests of our stockholders to amend and restate our Amended and Restated 1996 Stock Option Plan, to among other things

Table of Contents

allow for the grant of restricted stock awards, performance share awards and other forms of equity based compensation that are not provided for in our current equity incentive plans and extend the term of the plan until December 31, 2013. The number of shares of our common stock authorized under the Amended 1996 Plan, if approved by our stockholders, would remain at 25,600,000, which is the number of shares currently authorized under the 1996 Plan.

We are considering modifying the equity compensation that our senior executives and employees will receive, and believe that having the flexibility to make restricted stock awards, performance share awards and other forms of equity based compensation will allow us to better attract, retain and motivate talented employees. In addition, the 1996 Plan was originally adopted on April 25, 1996, and we will no longer be able to grant awards under the 1996 Plan after April 26, 2006. Accordingly, on February 11, 2004, the board adopted, subject to stockholder approval, the Amended 1996 Plan, which is attached as Appendix A to this proxy statement.

Description of the Amended and Restated 1996 Stock Option Plan

The following is a brief summary of the Amended and Restated 1996 Stock Option Plan as adopted by the board of directors on February 11, 2004. The following summary is qualified in its entirety by reference to the Amended 1996 Plan attached as Appendix A to this proxy statement.

Number of Shares Subject to Amended and Restated 1996 Stock Option Plan

There are currently 25,600,000 shares of our common stock reserved for issuance under the 1996 Plan. This number would not be affected by the proposed amendment and restatement. The number of shares of common stock reserved for issuance under the Amended 1996 Plan is subject to adjustment for stock splits, stock dividends and similar events.

Types of Awards

The Amended 1996 Plan authorizes the following types of awards:

Incentive Stock Options the grant of options to purchase common stock intended to qualify as incentive stock options under Section 422 of the Internal Revenue Code of 1986;

Non-qualified Stock Options the grant of options that do not qualify as incentive stock options;

Stock Appreciation Rights awards entitling the holder on exercise to receive an amount determined in whole or in part by reference to the appreciation of our common stock;

Restricted Stock direct grants or sales of common stock subject to transfer or other restrictions or conditions determined by the board of directors at the date of grant;

Table of Contents

Performance Share Awards grants of common stock subject to the attainment of certain performance goals; and

Other Stock-based Awards other awards that are valued in whole or in part by reference to, or are otherwise based on, shares of common stock or other property.

Incentive Stock Options and Non-Qualified Stock Options. Optionees receive the right to purchase a specified number of shares of common stock at a specified option price and subject to such other terms and conditions as are specified in connection with the option grant. Options may be granted at an exercise price that may be less than, equal to or greater than the fair market value of the common stock on the date of grant. Under present law, however, incentive stock options and options intended to qualify as performance-based compensation under Section 162(m) of the Internal Revenue Code of 1986 may not be granted at an exercise price less than 100% of the fair market value of the common stock on the date of grant or less than 110% of the fair market value in the case of incentive stock options granted to optionees holding more than 10% of the voting power of our company. The Amended 1996 Plan permits the following forms of payment of the exercise price of options: (i) payment by cash, check or in connection with a cashless exercise through a broker, (ii) surrender to us of shares of common stock, subject to specific exceptions, (iii) delivery to us of a promissory note, (iv) any other lawful means that the board of directors determines is acceptable, or (v) any combination of these forms of payment.

Stock Appreciation Rights. A stock appreciation right or SAR is an award entitling the holder on exercise to receive an amount in cash or our common stock or a combination thereof, such form to be determined by the board of directors, determined in whole or in part by reference to appreciation, from and after the date of grant, in the fair market value of a share of common stock. SARs may be based solely on appreciation in the fair market value of common stock or on a comparison of such appreciation with some other measure of market growth such as appreciation in a recognized market index.

Restricted Stock Awards. Restricted stock awards entitle recipients to acquire shares of common stock, subject to our right to repurchase all or part of such shares from the recipient at their issue price or other stated or formula price, or to require forfeiture of such shares if issued at no cost, in the event that the conditions specified in the applicable award are not satisfied prior to the end of the applicable restriction period established for such award. Restricted stock unit awards entitle the recipient to receive shares of common stock to be delivered in the future subject to such terms and conditions on the delivery of the shares as the board of directors may determine.

Performance Share Awards. The board of directors or an authorized committee of the board may grant performance accelerated restricted stock awards, or PARS, that provide for time vesting with acceleration of vesting if certain performance criteria are met. In addition to PARS, the board or an authorized committee of the board may grant restricted stock awards that vest solely upon satisfaction of certain performance criteria. The performance criteria for each restricted stock award that vests solely upon performance criteria will be based on one or

Table of Contents

more of the following measures: (i) earnings per share, (ii) return on average equity or average assets with respect to a pre-determined peer group, (iii) earnings, (iv) earnings growth, (v) revenues, (vi) expenses, (vii) stock price, (viii) market share, (ix) return on sales, assets, equity or investment, (x) regulatory compliance, (xi) improvement of financial ratings, (xii) achievement of balance sheet or income statement objectives, (xiii) total shareholder return, (xiv) net operating profit after tax, (xv) pre-tax or after-tax income, (xvi) cash flow or (xvii) such other objective goals established by the board. The board or an authorized committee may determine that special one-time or extraordinary gains or losses should or should not be included in the calculation of such measures. The board believes that disclosure of further detail concerning the performance criteria may be confidential commercial or business information, the disclosure of which would adversely affect us.

Other Stock-Based Awards. Under the Amended 1996 Plan, the board of directors has the right to grant other awards based upon the common stock having such terms and conditions as the board may determine, including the grant of shares based upon certain conditions and the grant of securities convertible into common stock.

Eligibility to Receive Awards; Plan Benefits

Our employees, officers, directors, consultants and advisors and employees, officers, directors, consultants and advisors of our subsidiaries and other business ventures in which we have a controlling interest are eligible to be granted awards under the Amended 1996 Plan. Under present law, however, incentive stock options may only be granted to our employees and employees of our subsidiaries. The maximum number of shares with respect to which awards may be granted to any participant under the Amended 1996 Plan may not exceed 1,000,000 shares per calendar year. The maximum number of shares of common stock with respect to which awards other than options and SARs may be granted is 2,100,000.

Plan Benefits

As of March 15, 2004, approximately 370 persons were eligible to receive awards under the 1996 Plan, including our seven executive officers and six non-employee directors. The granting of awards under the Amended 1996 Plan is discretionary, and we cannot now determine the number or type of awards to be granted in the future to any particular person or group. On March 15, 2004, the last reported sale price of our common stock on the Nasdaq National Market was \$1.42.

Administration

The Amended 1996 Plan is administered by the board of directors. The board has the authority to adopt, amend and repeal the administrative rules, guidelines and practices relating to the Amended 1996 Plan and to interpret the provisions of the Amended 1996 Plan. Pursuant to the terms of the Amended 1996 Plan, the board may delegate authority under the plan to one or more committees or subcommittees of the board. The board has authorized the Compensation Committee to administer certain aspects of the Amended 1996 Plan, including

Table of Contents

the granting of options to executive officers, and has granted Mr. Burke the authority to grant options, subject to limitations set by the Compensation Committee.

Subject to any applicable limitations contained in the Amended 1996 Plan, the board, the Compensation Committee, or any other committee to whom the board delegates authority, as the case may be, selects the recipients of awards and determines (i) the number of shares of common stock covered by options and the dates upon which such options become exercisable, (ii) the exercise price of options, (iii) the duration of options and (iv) the number of shares of common stock subject to any restricted stock or other stock-based awards and the terms and conditions of such awards, including conditions for repurchase, issue price and repurchase price.

The board is required to make appropriate adjustments in connection with the Amended 1996 Plan and any outstanding awards to reflect stock splits, stock dividends, recapitalizations, spin-offs and other similar changes in capitalization. The Amended 1996 Plan also contains provisions addressing the consequences of any reorganization event, which is defined as (i) any merger or consolidation of us with or into another entity as a result of which all of our common stock is converted into or exchanged for the right to receive cash, securities or other property, (ii) any exchange of all of our common stock for cash, securities or other property pursuant to a share exchange transaction or (iii) any our liquidation or dissolution.

If any award expires or is terminated, surrendered, canceled or forfeited, the unused shares of common stock covered by such award will again be available for grant under the Amended 1996 Plan, subject, however, in the case of incentive stock options, to any limitations under the Internal Revenue Code of 1986.

Amendment or Termination

No award may be granted under the Amended 1996 Plan after December 31, 2013, but awards previously granted may extend beyond that date. The board of directors may at any time amend, suspend or terminate the Amended 1996 Plan, except that no award designated as subject to Section 162(m) of the Internal Revenue Code of 1986 by the board after the date of such amendment shall become exercisable, realizable or vested, to the extent such amendment was required to grant such award, unless and until such amendment shall have been approved by our stockholders.

If the Amended 1996 Plan is approved by our stockholders, it will become effective on the date of such approval and will remain in effect until terminated by the board. If stockholders do not approve the Amended 1996 Plan, the 1996 Plan will remain in effect.

Tax Withholding

Participants under the Amended 1996 Plan are responsible for paying to us or for making arrangements satisfactory to us regarding payment of any federal, state, or local taxes of any kind required by law to be withheld with respect to income from the value of an award or of any stock or amounts received under an award. Participants may elect to have tax withholding obligations satisfied either by authorizing us to withhold from shares of common stock to be

Table of Contents

issued pursuant to any award a number of shares with an aggregate fair market value that would satisfy the minimum withholding amount due, or transferring to us shares of common stock owned by the participant with an aggregate fair market value that would satisfy the withholding amount due.

Federal Income Tax Consequences

The following generally summarizes the United States federal income tax consequences that generally will arise with respect to awards granted under the Amended 1996 Plan. This summary is based on the tax laws in effect as of the date of this proxy statement. Changes to these laws could alter the tax consequences described below.

Incentive Stock Options. A participant will not have income upon the grant of an incentive stock option. Also, except as described below, a participant will not have income upon exercise of an incentive stock option if the participant has been employed by us or our corporate parent or 50% or more-owned corporate subsidiary at all times beginning with the option grant date and ending three months before the date the participant exercises the option. If the participant has not been so employed during that time, then the participant will be taxed as described below under the caption Nonstatutory Qualified Stock Options. The exercise of an incentive stock option may subject the participant to the alternative minimum tax.

A participant will have income upon the sale of the stock acquired under an incentive stock option if sales proceeds exceed the exercise price. The type of income will depend on when the participant sells the stock. If a participant sells the stock more than two years after the option was granted and more than one year after the option was exercised, then all of the profit will be long-term capital gain. If a participant sells the stock prior to satisfying these waiting periods, then the participant will have engaged in a disqualifying disposition and a portion of the profit will be ordinary income and a portion may be capital gain. This capital gain will be long-term if the participant has held the stock for more than one year and otherwise will be short-term. If a participant sells the stock at a loss sales proceeds are less than the exercise price then the loss will be a capital loss. This capital loss will be long-term if the participant held the stock for more than one year and otherwise will be short-term.

Non-Qualified Stock Options. A participant will not have income upon the grant of a nonstatutory stock option. A participant will have compensation income upon the exercise of a nonstatutory stock option equal to the value of the stock on the day the participant exercised the option less the exercise price. Upon sale of the stock, the participant will have capital gain or loss equal to the difference between the sales proceeds and the value of the stock on the day the option was exercised. This capital gain or loss will be long-term if the participant has held the stock for more than one year and otherwise will be short-term.

Restricted Stock Awards. A participant will not have income upon the grant of restricted stock unless an election under Section 83(b) of the Internal Revenue Code of 1986 is made within 30 days of the date of grant. If a timely 83(b) election is made, then a participant will have compensation income equal to the value of the stock less the purchase price. When the

Table of Contents

stock is sold, the participant will have capital gain or loss equal to the difference between the sales proceeds and the value of the stock on the date of grant. If the participant does not make an 83(b) election, then when the stock vests the participant will have compensation income equal to the value of the stock on the vesting date less the purchase price. When the stock is sold, the participant will have capital gain or loss equal to the sales proceeds less the value of the stock on the vesting date. Any capital gain or loss will be long-term if the participant held the stock for more than one year after the vesting date and otherwise will be short-term.

Stock Appreciation Rights, Performance Share Awards and Other Stock-Based Awards. The tax consequences associated with any other stock-based award granted under the Amended 1996 Plan will vary depending on the specific terms of such award. Among the relevant factors are whether or not the award has a readily ascertainable fair market value, whether or not the award is subject to forfeiture provisions or restrictions on transfer, the nature of the property to be received by the participant under the award and the participant's holding period and tax basis for the award or underlying common stock.

Tax Consequences to Us. There will be no tax consequences to us except that we will be entitled to a deduction when a participant has compensation income. Any such deduction will be subject to the limitations of Section 162(m) of the Internal Revenue Code of 1986.

The board believes that stockholder approval of the Amended and Restated 1996 Stock Option Plan is in the best interest of our company and our stockholders and therefore recommends that stockholders vote FOR this proposal.

The affirmative vote of the holders of a majority of the outstanding common stock entitled to vote at the meeting is required for the approval of the Amended and Restated 1996 Stock Option Plan. Broker non-votes will not be counted as votes in favor of such matter. Accordingly, abstentions and broker non-votes will have the same effect as a vote against the proposed approval of the Amended and Restated 1996 Stock Option Plan.

Proposal Three: Approve the Further Amendment and Restatement of the Amended and Restated 1999 Outside Director Stock Option Plan

The board of directors believes that it would be in the best interests of our stockholders to amend and restate our Amended and Restated 1999 Outside Director Stock Option Plan, to among other things allow for the grant of restricted stock awards and extend the term of the plan until December 31, 2013. The number of shares of our common stock authorized under the Amended 1999 Director Plan, if approved by our stockholders, would remain at 800,000, which is the number of shares currently authorized under the 1999 Director Plan.

Our board believes that the strength of our corporate governance depends, in large part, upon our ability to attract and retain independent, qualified and active members to our board. Equity awards, which provide our independent directors with a financial stake in our success, are an important part of the incentives that we can provide to these directors. Qualified individuals expect and require public companies to provide equity incentive awards in connection with serving as directors, and may desire to receive their awards in the form of

Table of Contents

restricted stock. Accordingly, on February 11, 2004, our board adopted, subject to stockholder approval, the Amended 1999 Director Plan, which is attached as Appendix B to this proxy statement.

Description of the Amended and Restated 1999 Outside Director Stock Option Plan

The following is a brief summary of the Amended and Restated 1999 Outside Director Stock Option Plan as adopted by the board of directors on February 11, 2004. The following summary is qualified in its entirety by reference to the Amended 1999 Director Plan attached as Appendix B to this proxy statement.

Number of Shares Subject to Amended and Restated 1999 Outside Director Stock Option Plan

There are currently 800,000 shares of our common stock reserved for issuance under the 1999 Director Plan. This number would not be affected by the proposed amendment and restatement. The number of shares of common stock reserved for issuance under the Amended 1999 Director Plan is subject to adjustment for stock splits, stock dividends and similar events.

Types of Awards

The Amended 1999 Director Plan authorizes the following types of awards:

Non-qualified Stock Options the grant of options that do not qualify as incentive stock options;

Restricted Stock Awards direct grants or sales of common stock subject to transfer or other restrictions or conditions determined by the board of directors at the date of grant; and

Other Stock-Based Awards other awards that are valued in whole or in part by reference to, or are otherwise based on, shares of common stock or other property.

Non-Qualified Stock Options. Directors receive the right to purchase a specified number of shares of common stock at a specified option price and subject to such other terms and conditions as are specified in connection with the option grant. Options shall be granted at an exercise price equal to the fair market value of the common stock on the date of grant. The Amended 1999 Director Plan permits the following forms of payment of the exercise price of options: (i) payment by cash, check or in connection with a cashless exercise through a broker, (ii) surrender to us of shares of common stock, subject to specified restrictions, (iii) delivery to us of a promissory note, (iv) any other lawful means that the board of directors determines is acceptable, or (v) any combination of these forms of payment.

Restricted Stock Awards. Restricted stock awards entitle directors to acquire shares of common stock, subject to our right to repurchase all or part of such shares from the director at their issue price or other stated or formula price, or to require forfeiture of such shares if issued at no cost, in the event that the conditions specified in the applicable award are not satisfied

prior to the end of the applicable restriction period established for such award. Restricted stock unit awards entitle the director to receive shares of common stock to be delivered in the future subject to such terms and conditions on the delivery of the shares as the board of directors may determine.

Other Stock-Based Awards. Under the Amended 1999 Director Plan, the board of directors has the right to grant other awards based upon the common stock having such terms and conditions as the board may determine, including the grant of shares based upon certain conditions and the grant of securities convertible into common stock.

Eligibility to Receive Awards; Plan Benefits

Our non-employee directors are eligible to be granted awards under the Amended 1999 Director Plan. The maximum number of shares of common stock with respect to which awards other than options may be granted is 100,000.

Plan Benefits

As of March 15, 2004, our six non-employee directors were eligible to receive awards under the 1999 Director Plan. The granting of awards under the Amended 1999 Director Plan is discretionary, and we cannot now determine the number or type of awards to be granted in the future to any particular person or group, except to the extent set forth under the caption Compensation of Directors below. On March 15, 2004, the last reported sale price of our common stock on the Nasdaq National Market was \$1.42.

Administration

The Amended 1999 Director Plan is administered by the board of directors. The board has the authority to adopt, amend and repeal the administrative rules, guidelines and practices relating to the Amended 1999 Director Plan and to interpret the provisions of the Amended 1999 Director Plan.

Subject to any applicable limitations contained in the Amended 1999 Director Plan, the board selects the directors that will receive awards and determines (i) the number of shares of common stock covered by options and the dates upon which such options become exercisable, (ii) the exercise price of options, (iii) the duration of options and (iv) the number of shares of common stock subject to any restricted stock or other stock-based awards and the terms and conditions of such awards, including conditions for repurchase, issue price and repurchase price.

The board is required to make appropriate adjustments in connection with the Amended 1999 Director Plan and any outstanding awards to reflect stock splits, stock dividends, recapitalizations, spin-offs and other similar changes in capitalization.

If any award expires or is terminated, surrendered, canceled or forfeited, the unused shares of common stock covered by such award will again be available for grant under the Amended 1999 Director Plan.

Table of Contents

Amendment or Termination

No award may be granted under the Amended 1999 Director Plan after December 31, 2013, but awards previously granted may extend beyond that date. The board of directors may at any time amend, suspend or terminate the Amended 1999 Director Plan, except that no award designated as subject to Section 162(m) of the Internal Revenue Code of 1986 by the board after the date of such amendment shall become exercisable, realizable or vested, to the extent such amendment was required to grant such award, unless and until such amendment shall have been approved by our stockholders.

If the Amended 1999 Director Plan is approved by stockholders, it will become effective on the date of such approval and will remain in effect until terminated by the board. If stockholders do not approve the Amended 1999 Director Plan, the 1999 Director Plan will remain in effect.

Tax Withholding

Directors under the Amended 1999 Director Plan are responsible for paying to us or for making arrangements satisfactory to us regarding payment of any federal, state, or local taxes of any kind required by law to be withheld with respect to income from the value of an award or of any stock or amounts received under an award. Directors may elect to have tax withholding obligations satisfied either by authorizing us to withhold from shares of common stock to be issued pursuant to any award a number of shares with an aggregate fair market value that would satisfy the minimum withholding amount due, or transferring to us shares of common stock owned by the director with an aggregate fair market value that would satisfy the withholding amount due.

Federal Income Tax Consequences

The following summarizes the United States federal income tax consequences that generally will arise with respect to awards granted under the Amended 1999 Director Plan. This summary is based on the tax laws in effect as of the date of this proxy statement. Changes to these laws could alter the tax consequences described below.

Non-Qualified Stock Options. A director will not have income upon the grant of a nonstatutory stock option. A director will have compensation income upon the exercise of a nonstatutory stock option equal to the value of the stock on the day the director exercised the option less the exercise price. Upon sale of the stock, the director will have capital gain or loss equal to the difference between the sales proceeds and the value of the stock on the day the option was exercised. This capital gain or loss will be long-term if the director has held the stock for more than one year and otherwise will be short-term.

Restricted Stock Awards. A director will not have income upon the grant of restricted stock unless an election under Section 83(b) of the Internal Revenue Code of 1986, is made within 30 days of the date of grant. If a timely 83(b) election is made, then a director will have compensation income equal to the value of the stock less the purchase price. When the

Table of Contents

stock is sold, the director will have capital gain or loss equal to the difference between the sales proceeds and the value of the stock on the date of grant. If the director does not make an 83(b) election, then when the stock vests the director will have compensation income equal to the value of the stock on the vesting date less the purchase price. When the stock is sold, the director will have capital gain or loss equal to the sales proceeds less the value of the stock on the vesting date. Any capital gain or loss will be long-term if the director held the stock for more than one year and otherwise will be short-term.

Other Stock-Based Awards. The tax consequences associated with any other stock-based award granted under the Amended 1999 Director Plan will vary depending on the specific terms of such award. Among the relevant factors are whether or not the award has a readily ascertainable fair market value, whether or not the award is subject to forfeiture provisions or restrictions on transfer, the nature of the property to be received by the director under the award and the directors' holding period and tax basis for the award or underlying common stock.

Tax Consequences to Us. There will be no tax consequences to us except that we will be entitled to a deduction when a director has compensation income. Any such deduction will be subject to the limitations of Section 162(m) of the Internal Revenue Code of 1986.

The board believes that stockholder approval of the Amended and Restated 1999 Outside Director Stock Option Plan is in the best interest of our company and our stockholders and therefore recommends that stockholders vote FOR this proposal.

The affirmative vote of the holders of a majority of the outstanding common stock entitled to vote at the meeting is required for the approval of the Amended and Restated 1999 Outside Director Stock Option Plan. Broker non-votes will not be counted as votes in favor of such matter. Accordingly, abstentions and broker non-votes will have the same effect as a vote against the proposed approval of the Amended and Restated 1999 Outside Director Stock Option Plan.

Other Matters

Our board of directors is not aware of any matters that are expected to come before the meeting other than those referred to in this proxy statement. If any other matter should properly come before the meeting, the persons named in the accompanying proxy card intend to vote the proxies in accordance with their best judgment.

The chairperson of the meeting may refuse to allow the transaction of any business not presented beforehand, or to acknowledge the nomination of any person not made, in compliance with the above procedures.

Submission of Future Stockholder Proposals

Under SEC rules, a stockholder who intends to present a proposal, including nomination of a director, at our 2005 Annual Meeting of Stockholders and who wishes the proposal to be

Table of Contents

included in the proxy statement for that meeting must submit the proposal in writing to our Secretary at 25 First Street, Cambridge, Massachusetts 02141, prior to December 9, 2004. SEC rules set standards for the types of stockholder proposals and the information that must be provided by the stockholder making the request.

A stockholder may also submit a proposal to be considered at our 2005 Annual Meeting of Stockholders pursuant to our by-laws, which provide that the proposal must be received by our Secretary not less than sixty days nor more than ninety days prior to that meeting. This notice must include the information required by the provisions of our by-laws, a copy of which may be obtained by writing to our Secretary at the address specified above. We have not yet set a date for our 2005 Annual Meeting. If the 2005 Annual Meeting were to be held on May 18, 2005, the Friday before the anniversary of the 2004 Annual Meeting, the deadline for delivery of a stockholder proposal pursuant to our by-laws would be March 20, 2005. If a proposal is submitted pursuant to our by-laws but after December 9, 2004, the stockholder may not require that the proposal be included in the proxy statement for the 2005 Annual Meeting.

INFORMATION ABOUT CORPORATE GOVERNANCE

General

We believe that good corporate governance is important to ensure that Art Technology Group, Inc. is managed for the long-term benefit of our stockholders. During the past year, we have continued to review our corporate governance policies and practices and to compare them to those suggested by various authorities in corporate governance and the practices of other public companies. We have also continued to review the provisions of the Sarbanes-Oxley Act of 2002, the new and proposed rules of the Securities and Exchange Commission and the new listing standards of Nasdaq.

Based on this review, in February 2004, our board of directors:

adopted our Code of Business Conduct and Ethics; and

approved restated charters for our Audit Committee, Compensation Committee and Nominating and Governance Committee.

Board and Committee Meetings

The board of directors has responsibility for establishing broad corporate policies and reviewing our overall performance rather than day-to-day operations. The board's primary responsibility is to oversee our management and, in so doing, serve the best interests of the company and its stockholders. The board selects, evaluates and provides for the succession of executive officers and, subject to stockholder election, directors. It reviews and approves corporate objectives and strategies, and evaluates significant policies and proposed major commitments of corporate resources. Management keeps the directors informed of our activities through regular written reports and presentations at board and committee meetings.

Our board met in person or via teleconference 13 times in 2003. Robert D. Burke, Ilene H. Lang, Mary E. Makela, Thomas N. Matlack, Paul G. Shorthose and Phyllis S. Swersky attended at least 75 percent of the meetings of the board. John R. Held attended 70 percent of the meetings of the board. The board has established three standing committees—Audit, Compensation, and Nominating and Governance—each of which operates under a charter that has been approved by the board. Current copies of each committee's charter are posted on the Company Management Board Committees section of our website, *www.atg.com*. In addition, a copy of the Amended and Restated Audit Committee Charter, as in effect on the date of this proxy statement, is attached as Appendix C.

The board has determined that all of the members of the board's Audit Committee, Compensation Committee and Nominating and Governance Committee are independent as defined under the new rules of the Nasdaq Stock Market that become applicable to us on the date of our the meeting, including, in the case of all members of the Audit Committee, the independence requirements contemplated by Rule 10A-3 under the Securities Exchange Act of

1934. In addition, all of the members of the Audit Committee are independent as defined by the rules of the Nasdaq Stock Market that apply to us until the date of the meeting.

The Audit Committee's responsibilities include:

appointing, evaluating, approving the compensation of, and assessing the independence of the our independent auditor;

establishing procedures for the receipt and retention of accounting related complaints and concerns;

meeting independently with our independent auditors and management; and

preparing the audit committee report required by SEC rules (which is included on page 24 of this proxy statement).

The Audit Committee met in person or via teleconference nine times during 2003. The current Audit Committee members are Ilene H. Lang, Mary E. Makela and Thomas N. Matlack. Ms. Lang, Ms. Makela and Mr. Matlack attended at least 75 percent of the meetings of the Audit Committee in 2003. The board of directors has determined that Thomas N. Matlack is an audit committee financial expert as defined in Item 401(h) of Regulation S-K.

Compensation Committee

The Compensation Committee's responsibilities include:

annually reviewing and approving corporate goals and objectives relevant to chief executive officer compensation;

Mr. Held and Ms. Swersky attended at least 75 percent of the meetings of the Compensation Committee in 2003, and Ms. Makela attended all of the meetings of the Compensation Committee since she joined the Compensation Committee in May 2003.

Nominating and Governance Committee

The Nominating and Governance Committee's responsibilities include:

identifying individuals qualified to become members of the board of directors;

recommending to the board the persons to be nominated for election as directors;

recommending directors for each committee of the board;

developing and recommending to the board corporate governance principles; and

overseeing the evaluation of the board.

The Nominating and Governance Committee met or acted by written consent two times during 2003. The Nominating and Governance Committee's current members are Mr. Held, Ms. Lang and Ms. Swersky. Mr. Held, Ms. Lang and Ms. Swersky attended all of the meetings of the Nominating and Governance Committee

Director Candidates

The process followed by the Nominating and Governance Committee to identify and evaluate director candidates includes requests to members of the board of directors and others for recommendations, meetings from time to time to evaluate biographical information and background material relating to potential candidates and interviews of selected candidates by members of the Nominating and Governance Committee and the board. In addition, the Nominating and Governance Committee is authorized to retain and in 2004 retained the services of a search firm to help identify and evaluate potential director candidates.

In considering whether to recommend any particular candidate for inclusion in the board's slate of recommended director nominees, the Nominating and Governance Committee will apply the written criteria established by the board. These criteria include the candidate's integrity, business acumen, knowledge of our business and industry, experience, diligence, conflicts of interest and the ability to act in the interests of all stockholders. The Nominating and Governance Committee does not assign specific weights to particular criteria and no particular criterion is a prerequisite for each prospective nominee. We believe that the backgrounds and qualifications of our directors, considered as a group, should provide a composite mix of experience, knowledge and abilities that will allow the board to fulfill its responsibilities.

Stockholders may recommend individuals to the Nominating and Governance Committee for consideration as potential director candidates by submitting their names, together with

Table of Contents

appropriate biographical information and background materials and a statement as to whether the stockholder or group of stockholders making the recommendation has beneficially owned more than 5% of our common stock for at least a year as of the date such recommendation is made, to Nominating and Governance Committee, c/o Secretary, Art Technology Group, Inc., 25 First Street, Cambridge, Massachusetts 02141. Assuming that appropriate biographical and background material has been provided on a timely basis, the Nominating and Governance Committee will evaluate stockholder-recommended candidates by following substantially the same process, and applying substantially the same criteria, as it follows for candidates submitted by others. If the board determines to nominate a stockholder-recommended candidate and recommends his or her election, then his or her name will be included in our proxy card for the next annual meeting.

Stockholder Communications and Annual Meeting Attendance

The board of directors will give appropriate attention to written communications that are submitted by stockholders, and will respond if and as appropriate. Absent unusual circumstances or as contemplated by committee charters and subject to any required assistance or advice, Phyllis S. Swersky, Chairperson of the Nominating and Governance Committee, is primarily responsible for monitoring communications from stockholders and for providing copies or summaries of such communications to the other directors as she considers appropriate.

Communications are forwarded to all directors if they relate to important substantive matters and include suggestions or comments that the Chairperson of the Nominating and Governance Committee considers to be important for the directors to know. In general, communications relating to corporate governance and long-term corporate strategy are more likely to be forwarded than communications relating to ordinary business affairs, personal grievances and matters as to which we tend to receive repetitive or duplicative communications.

Stockholders who wish to send communications on any topic to the Board should address such communications in c/o Secretary, Art Technology Group, Inc., 25 First Street, Cambridge, Massachusetts 02141.

Code of Business Conduct and Ethics

We have adopted a Code of Business Conduct and Ethics that applies to all of our directors, officers and employees, including our principal executive officer, principal financial officer and principal accounting officer or controller. Our Code of Business Conduct and Ethics is posted on the Company Legal Information section of our website, www.atg.com, and a copy is available without charge upon request to Secretary, Art Technology Group, Inc., 25 First Street, Cambridge, Massachusetts 02141.

Information regarding any amendments to, or waivers from, the Code of Business Conduct and Ethics will be posted on the Company Legal Information section of our website, www.atg.com.

Audit Committee Report

The Audit Committee reviewed the audited financial statements for the year ended, and as of, December 31, 2003 and discussed these financial statements with management. The Audit Committee also reviewed and discussed the audited financial statements and the matters required by Statement on Auditing Standards 61, *Communication with Audit Committees*, with Ernst & Young LLP, our independent auditors for 2003. SAS 61 requires Ernst & Young to discuss with our Audit Committee, among other things, the following:

methods used to account for significant unusual transactions;

the effect of significant accounting policies in controversial or emerging areas for which there is a lack of authoritative guidance or consensus;

the process used by management in formulating particularly sensitive accounting estimates and the basis for the auditors' conclusions regarding the reasonableness of those estimates; and

disagreements, of which there were none, with management about financial accounting and reporting matters and audit procedures.

Ernst & Young also provided the Audit Committee with the written disclosures and the letter required by Independence Standards Board Standard No. 1, *Independence Discussions with Audit Committees*. This Standard requires auditors annually to disclose in writing all relationships that in the auditors' professional opinion may reasonably be thought to bear on independence, confirm their perceived independence and engage in a discussion of independence. In addition, the Audit Committee discussed with Ernst & Young the independence of Ernst & Young from the company, and considered whether Ernst & Young's provision of other, non-audit related services, which are described below under Independent Auditors Fees and Services, is compatible with maintaining such independence.

Based on its discussions with management and Ernst & Young, and its review of the representations and information provided by management and Ernst & Young, the Audit Committee recommended to the board that the audited financial statements be included in the annual report on Form 10-K for the year ended December 31, 2003.

Independent Public Auditors

Our board of directors, upon the recommendation of the Audit Committee, selected Ernst & Young LLP to serve as our independent auditors for the year ending December 31, 2004. Ernst & Young has served as our independent auditors since 2002. We expect that representatives of Ernst & Young will be present at the meeting to answer appropriate questions. They will have the opportunity to make a statement if they desire to do so.

On March 28, 2002, our board, upon the recommendation of our Audit Committee, decided to dismiss Arthur Andersen LLP as the Company's independent auditors and engaged Ernst & Young to serve as the Company's independent auditors for the fiscal year 2002, effective April 1, 2002.

None of Arthur Andersen's report on our consolidated financial statements for the year ended December 31, 2001 or Ernst & Young's reports on our consolidated financial statements for the years ended December 31, 2002 or December 31, 2003 contain any adverse opinion or disclaimer of opinion, nor were they qualified or modified as to uncertainty, audit scope or accounting principles.

During the year ended December 31, 2001 and the interim period ending March 28, 2002, there were no disagreements with Arthur Andersen on any matter of accounting principle or practice, financial statement disclosure, or auditing scope or procedure which, if not resolved to Arthur Andersen's satisfaction, would have caused them to make reference to the subject matter in conjunction with their report on our consolidated financial statements for such years; and there were no reportable events as defined in Item 304(a)(1)(v) of Regulation S-K.

During the year ended December 31, 2001 and through March 28, 2002 neither we, nor anyone acting on our behalf, consulted Ernst & Young with respect to the application of accounting principles to a specified transaction, either completed or proposed, or the type of audit opinion that might be rendered on our consolidated financial statements, or any other matters or reportable events as set forth in Items 304(a)(2)(i) and (ii) of Regulation S-K.

Each option included in the preceding table has an exercise price per share equal to the fair market value per share of the common stock on the date of grant.

The potential realizable values reflected in the preceding table represent hypothetical gains that could be achieved for the options if exercised at the end of their option terms. These gains are based on assumed rates of stock price appreciation of 5% and 10% compounded annually from the date an option was granted to their expiration date. The grants shown are net of the option exercise price, but do not include deductions for taxes or other expenses associated with the exercise of the option or the sale of the underlying shares. The actual gains, if any, on the exercises of stock options will depend on the future performance of the common stock, the option holder's continued employment through the option period, and the date on which the options are exercised.

Compensation Committee Report

The Compensation Committee's executive compensation philosophy, which is intended to apply to the chief executive officer and all other executive officers, is to provide a balanced compensation package while recognizing ATG's particular needs. The Compensation Committee seeks to establish competitive levels of compensation, integrate management's pay with the achievement of ATG's performance goals, and assist ATG in attracting and retaining qualified management. The Compensation Committee seeks to balance three elements: salaries, bonuses and equity incentive awards. With this philosophy in mind, we have developed and implemented compensation policies, plans and programs that support ATG's competitive position and that are aligned with ATG's strategic direction. These policies, plans and programs are designed to:

retain executive officers by paying them competitively and motivating them to contribute to ATG's success;

link a substantial part of each executive officer's compensation to ATG's performance; and

encourage ownership of common stock by executive officers, to tie the interests of management to the interests of ATG's stockholders.

The Compensation Committee tries to align the compensation opportunities of executive officers closely with the interests of stockholders in allocating compensation opportunities among these elements. In making compensation decisions, the Compensation Committee relied in part on recommendations made by third-party executive compensation specialists at Clarke/ Bardes Consulting for 2003 and Towers Perrin for 2004.

Table of Contents

Base Salary

The Compensation Committee sets base salary levels for executive officers each year based on a number of factors, including the status of the competitive marketplace for such positions, including a comparison of base salaries for comparable positions at comparable companies within the Internet services industry, the responsibilities of the position, and the experience and knowledge of the individual. The Compensation Committee has attempted to fix base salaries on a basis generally in line with base salary levels for comparable companies. Companies viewed as comparable to ATG for these purposes include a number of companies that are included in the published industry index shown in the performance comparison on page 36, but also include some public companies traded in markets other than the Nasdaq National Market as well as private companies. Base salary comparisons are based in part on information provided by third-party consultants to the Compensation Committee.

Cash Bonuses

ATG has an executive cash incentive plan that establishes criteria for awarding quarterly cash bonuses to ATG's executive officers based on a percentage of each officer's base salary. ATG must achieve a minimum operating profit threshold for the applicable quarter before any cash bonuses are paid to ATG's executive officers, except that our senior vice president of worldwide sales may receive cash bonuses based on revenue thresholds. If the minimum operating profit is achieved, a portion of each executive's bonus payout is based on the operating profit and a portion is based on up to five other components, weighted differently for different executives and tied directly to the areas over which the executive has functional responsibility. The executive cash incentive plan bonus levels for 2003 were established by the Compensation Committee at levels that would make available bonuses a significant part of the total compensation package if bonus goals were met, in order that the cash bonus component would act as a substantial performance incentive. In 2003, cash bonuses were paid to each of ATG's executive officers that were employed by ATG during the second quarter of 2003, based on ATG's financial performance and the executives' performances during the second quarter of 2003. No other cash bonuses were paid to the executive officers based on ATG's performance during 2003 or the predetermined goals for 2003 set for the executive officers by the Compensation Committee.

Incentive Stock Awards

During each fiscal year, the Compensation Committee considers granting executive officers awards under ATG's equity incentive plans. These awards are based on various factors, including both corporate and individual performance during the preceding year and incentives to reach certain goals during future years. In 2003 and 2004, the Compensation Committee, upon the recommendation of third party compensation consulting firms, awarded stock options to each of our executive officers, each of which options has an exercise price equal to the last reported sale price of the common stock as reported on the Nasdaq National Market on the date of grant. The vesting of these shares occurs over a four-year period.

Table of Contents

Compensation of the Chief Executive Officer and President

The Compensation Committee determines the compensation of Robert D. Burke, ATG's chief executive officer and president. Mr. Burke's base salary of \$350,000 for fiscal 2003 was fixed at a level designed to be comparable to the salary of chief executive officers at comparable companies. If Mr. Burke had achieved 100% of the goals established for him in each quarter of 2003, he would have been paid bonuses of \$175,000, which would have represented 50% of his base salary in 2003. For the second quarter of 2003, Mr. Burke was paid a cash bonus of \$43,750 based on ATG's performance and Mr. Burke's performance against predetermined goals. No other cash bonuses were paid to Mr. Burke based on ATG's performance during 2003 or the predetermined goals for 2003 set for Mr. Burke by the Compensation Committee. In 2003, Mr. Burke was granted an option to purchase 400,000 shares of common stock at an exercise price of \$1.29 per share, which equaled the last reported sale price of the common stock as reported on the Nasdaq National Market on the date of grant. This option vests over a four-year period.

The Compensation Committee has determined that Mr. Burke's annual salary for 2004 will remain at \$350,000. The Compensation Committee has also approved an executive cash incentive plan for 2004, with the same structure as the executive cash incentive plan for 2003. Under this plan, if Mr. Burke achieves 100% of the goals established for him for each quarter of 2004, he would be paid bonuses of \$175,000, or 50% of his base salary. In addition, in January 2004, the Compensation Committee granted Mr. Burke an option to purchase 225,000 shares of common stock at an exercise price of \$1.57 per share, which equaled the last reported sale price of the common stock as reported on the Nasdaq National Market on the date of grant. This option vests over a four-year period.

Deductibility of Compensation

Section 162(m) of the Internal Revenue Code of 1986 and the regulations thereunder place a limit on the tax deduction for compensation in excess of \$1,000,000 paid to certain covered employees of a publicly held corporation. Covered employees generally consist of a corporation's chief executive officer and its next four most highly compensated executive officers in the year that the compensation is paid. The Compensation Committee's policy with respect to Section 162(m) is to make reasonable efforts to ensure that compensation is deductible to the extent permitted, while simultaneously providing ATG's executive officers with appropriate rewards for their performance. ATG did not pay any compensation during 2003 that was subject to Section 162(m).

Employment Contracts, Termination of Employment and Change of Control Arrangements

On December 4, 2002, we entered into an agreement with Robert D. Burke that provides for severance benefits in the event his employment is terminated under specified circumstances. This agreement provides that if we terminate his employment without cause or if he resigns for good reason, then Mr. Burke will receive a continuation of base pay and all employee benefits for the 12-month period following his termination. Among other events that constitute good reason for Mr. Burke's resignation is a change in control that results in us no longer having a public traded class of securities or us no longer being subject to reporting requirements under the Securities Exchange Act of 1934. In addition, we have granted to Mr. Burke two separate option grants, one being an option to acquire 500,000 shares of stock as of December 5, 2002, the other an option to acquire 400,000 shares of stock as of January 2, 2003. Under their terms, these options will vest in full in the event Mr. Burke's employment with us ceases within 12 months of a change in control.

On December 1, 2002, we entered into an agreement that provides for severance benefits in the event Mr. Terino's employment is terminated under specified circumstances following a change in control. The agreement expires on December 31, 2002; provided that the agreement is subject to automatic one-year extensions unless prior notice of termination is given by us. Mr. Terino is entitled to the severance benefits provided therein if a change in control occurs during the term of the agreement and his employment is terminated under specified circumstances within 12 months after such change in control. Upon a change in control, all of Mr. Terino's outstanding stock options and restricted stock award, become exercisable in full irrespective of whether an employment termination occurs. Mr. Terino's agreement provides that if his employment is terminated by the Company without cause or by him for good reason within 12 months following the change in control date, then he will receive a continuation of base pay (including salary and target bonus) and all employee benefits during the 12-month period following employment termination.

The Internal Revenue Code imposes certain tax penalties on both us and an executive if the amount of severance payments to the executive following a change in control exceeds certain limits, generally three times the average of the executive's compensation over the previous five years. Mr. Terino's agreement requires us to make a gross up payment such that their net after-tax severance benefits are equal to what they would have received absent the penalty tax.

(C) such Common Stock is not subject to any repurchase, forfeiture, unfulfilled vesting or other similar requirements;

(4) to the extent permitted by applicable law and by the Board, by (A) delivery of a promissory note of the Participant to the Company on terms determined by the Board or (B) payment of such other lawful consideration as the Board may determine; or

(5) by any combination of the above permitted forms of payment.

(g) *Substitute Options*. In connection with a merger or consolidation of an entity with the Company or the acquisition by the Company of property or stock of an entity, the Board may grant Options in substitution for any options or other stock or stock-based awards granted by such entity or an affiliate thereof. Substitute Options may be granted on such terms as the Board deems appropriate in the circumstances, notwithstanding any limitations on Options contained in the other sections of this Section 5 or in Section 2.

6. Stock Appreciation Rights

(a) *Nature*. A Stock Appreciation Right (SAR) is an Award entitling the holder on exercise to receive an amount in cash or Common Stock or a combination thereof (such form to be determined by the Board) determined in whole or in part by reference to appreciation, from and after the date of grant, in the fair market value of a share of Common Stock. SARs may be based solely on appreciation in the fair market value of Common Stock or on a comparison of such appreciation with some other measure of market growth such as (but not limited to) appreciation in a recognized market index. The date as of which such appreciation or other measure is determined shall be the exercise date unless another date is specified by the Board in the SAR Award.

(b) *Grants*. SARs may be granted in tandem with, or independently of, Options granted under the Plan.

(1) *Tandem Awards*. When SARs are expressly granted in tandem with Options: (A) the SAR will be exercisable only at such time or times, and to the extent, that the related Option is exercisable and will be exercisable in accordance with the procedure required for exercise of the related Option; (B) the SAR will terminate and no longer be exercisable upon the termination or exercise of the related Option, except that a SAR granted with respect to less than the full number of shares covered by an Option will not be reduced until the number of shares as to which the related Option has been exercised or has terminated exceeds the number of shares not covered by the SAR; (C) the Option will terminate and no longer be exercisable upon the exercise of the related SAR; and (D) the SAR will be transferable only with the related Option.

(2) *Independent SARs*. A SAR not expressly granted in tandem with an Option will become exercisable at such time or times, and on such conditions, as the Board may specify in the SAR Award.

Table of Contents

(c) *Exercise.* A SAR may be exercised only by delivery to the Company of a written notice of exercise signed by the proper person or other form of notice (including electronic notice) approved by the Board, together with any other documents required by the Board.

7. Restricted Stock.

(a) *Grants.* The Board may grant Awards entitling recipients to acquire shares of Common Stock, subject to the right of the Company to repurchase all or part of such shares at their issue price or other stated or formula price (or to require forfeiture of such shares if issued at no cost) from the recipient in the event that conditions specified by the Board in the applicable Award are not satisfied prior to the end of the applicable restriction period or periods established by the Board for such Award (each, a Restricted Stock Award).

(b) *Terms and Conditions.* The Board shall determine the terms and conditions of a Restricted Stock Award, including the conditions for repurchase (or forfeiture) and the issue price, if any.

(c) *Stock Certificates.* Any stock certificates issued in respect of a Restricted Stock Award shall be registered in the name of the Participant and, unless otherwise determined by the Board, deposited by the Participant, together with a stock power endorsed in blank, with the Company (or its designee). At the expiration of the applicable restriction periods, the Company (or such designee) shall deliver the certificates no longer subject to such restrictions to the Participant or the Designated Beneficiary of such Participant. For these purposes, a Designated Beneficiary of a Participant shall be (1) a beneficiary designated by such Participant, in a manner determined by the Board, to receive amounts due or exercise rights of such Participant in the event of such Participant's death or (2) in the absence of such a designation, the Participant's estate.

(d) *Deferred Delivery of Shares.* The Board may, at the time any Restricted Stock Award is granted, provide that, at the time Common Stock would otherwise be delivered pursuant to the Award, the Participant shall instead receive an instrument evidencing the right to future delivery of Common Stock at such time or times, and on such conditions, as the Board shall specify. The Board may at any time accelerate the time at which delivery of all or any part of the Common Stock shall take place.

8. Other Stock-Based Awards

Other Awards of shares of Common Stock, and other Awards that are valued in whole or in part by reference to, or are otherwise based on, shares of Common Stock or other property, may be granted under the Plan to Participants (Other Stock Unit Awards), including Awards entitling recipients to receive shares of Common Stock to be delivered in the future. Such Other Stock Unit Awards shall also be available as a form of payment in the settlement of other Awards granted under the Plan or as payment in lieu of compensation to which a Participant is otherwise entitled. Other Stock Unit Awards may be paid in shares of Common Stock or cash, as the Board shall determine. Subject to the provisions of the Plan, the Board shall determine the conditions of each Other Stock Unit Awards, including any purchase price

applicable thereto. At the time any Award is granted, the Board may provide that, at the time Common Stock would otherwise be delivered pursuant to the Award, the Participant will instead receive an instrument evidencing the Participant's right to future delivery of the Common Stock.

9. Adjustments for Changes in Common Stock and Certain Other Events

(a) *Changes in Capitalization.* In the event of any stock split, reverse stock split, stock dividend, recapitalization, combination of shares, reclassification of shares, spin-off or other similar change in capitalization or event, or any distribution to holders of Common Stock other than an ordinary cash dividend, (1) the number and class of securities available under the Plan, (2) sub-limits set forth in Section 4(b), (3) the number and class of securities and exercise price per share of each outstanding Option, (4) the repurchase price per share subject to each outstanding Restricted Stock Award and (5) the share- and per-share-related provisions of each outstanding SAR and Other Stock Unit Award, shall be appropriately adjusted by the Company (or substituted Awards may be made, if applicable) to the extent determined by the Board.

(b) *Reorganization Events.*

(1) *Definition.* A Reorganization Event shall mean: (A) any merger or consolidation of the Company with or into another entity as a result of which all of the Common Stock of the Company is converted into or exchanged for the right to receive cash, securities or other property, (B) any exchange of all of the Common Stock of the Company for cash, securities or other property pursuant to a share exchange transaction or (C) any liquidation or dissolution of the Company.

(2) *Consequences of a Reorganization Event on Awards Other than Restricted Stock Awards.* In connection with a Reorganization Event, the Board shall have the authority to take, in its discretion, any of the following actions as to all or any outstanding Awards on such terms as the Board determines:

(A) provide that Awards shall be assumed, or substantially equivalent Awards shall be substituted, by the acquiring or succeeding corporation (or an affiliate thereof),

(B) upon written notice to a Participant, provide that the Participant's unexercised Options or other unexercised Awards shall become exercisable in full and will terminate immediately prior to the consummation of such Reorganization Event unless exercised by the Participant within a specified period following the date of such notice,

(C) provide that outstanding Awards shall become realizable or deliverable, or restrictions applicable to an Award shall lapse, in whole or in part prior to or upon such Reorganization Event,

Table of Contents

(D) in the event of a Reorganization Event under the terms of which holders of Common Stock will receive upon consummation thereof a cash payment for each share surrendered in the Reorganization Event (the Acquisition Price), make or provide for a cash payment to a Participant equal to (i) the Acquisition Price times the number of shares of Common Stock subject to the Participant's Options or other Awards (to the extent the exercise price does not exceed the Acquisition Price) minus (ii) the aggregate exercise price of all such outstanding Options or other Awards, in exchange for the termination of such Options or other Awards,

(E) provide that, in connection with a liquidation or dissolution of the Company, Awards shall convert into the right to receive liquidation proceeds (if applicable, net of the exercise price thereof), and

(F) any combination of the foregoing.

For purposes of clause (A) above, an Option shall be considered assumed if, following consummation of the Reorganization Event, the Option confers the right to purchase, for each share of Common Stock subject to the Option immediately prior to the consummation of the Reorganization Event, the consideration (whether cash, securities or other property) received as a result of the Reorganization Event by holders of Common Stock for each share of Common Stock held immediately prior to the consummation of the Reorganization Event (and if holders were offered a choice of consideration, the type of consideration chosen by the holders of a majority of the outstanding shares of Common Stock); *provided* that if the consideration received as a result of the Reorganization Event is not solely common stock of the acquiring or succeeding corporation (or an affiliate thereof), the Company may, with the consent of the acquiring or succeeding corporation, provide for the consideration to be received upon the exercise of Options to consist solely of common stock of the acquiring or succeeding corporation (or an affiliate thereof) equivalent in fair market value to the per share consideration received by holders of outstanding shares of Common Stock as a result of the Reorganization Event.

To the extent all or any portion of an Option becomes exercisable solely as a result of clause (B) above, the Board may provide that upon exercise of such Option the Participant shall receive shares subject to a right of repurchase by the Company or its successor at the Option exercise price; such repurchase right (i) shall lapse at the same rate as the Option would have become exercisable under its terms and (ii) shall not apply to any shares subject to the Option that were exercisable under its terms without regard to clause (B) above.

(3) *Consequences of a Reorganization Event on Restricted Stock Awards.* Upon the occurrence of a Reorganization Event other than a liquidation or dissolution of the Company, the repurchase and other rights of the Company under each outstanding Restricted Stock Award shall inure to the benefit of the Company's successor and shall apply to the cash, securities or other property that the Common Stock was converted into or exchanged for pursuant to such Reorganization Event in the same manner and to the same extent as they applied to the Common Stock subject to such Restricted Stock

Award. Upon the occurrence of a Reorganization Event involving the liquidation or dissolution of the Company, except to the extent specifically provided to the contrary in the instrument evidencing any Restricted Stock Award or any other agreement between a Participant and the Company, all restrictions and conditions on all Restricted Stock Awards then outstanding shall automatically be deemed terminated or satisfied.

10. *General Provisions Applicable to Awards*

(a) *Transferability of Awards.* Except as the Board may otherwise determine or provide in an Award, Awards shall not be sold, assigned, transferred, pledged or otherwise encumbered by the person to whom they are granted, either voluntarily or by operation of law, except by will or the laws of descent and distribution or, other than in the case of an Incentive Stock Option, pursuant to a qualified domestic relations order, and, during the life of the Participant, shall be exercisable only by the Participant. References to a Participant, to the extent relevant in the context, shall include references to authorized transferees.

(b) *Documentation.* Each Award shall be evidenced in such form (written, electronic or otherwise) as the Board shall determine. Each Award may contain terms and conditions in addition to those set forth in the Plan.

(c) *Board Discretion.* Except as otherwise provided by the Plan, each Award may be made alone or in addition or in relation to any other Award. The terms of each Award need not be identical, and the Board need not treat Participants uniformly.

(d) *Termination of Status.* The Board shall determine the effect on an Award of the disability, death, retirement, authorized leave of absence or other change in the employment or other status of a Participant and the extent to which, and the period during which, the Participant, or the Participant's legal representative, conservator, guardian or Designated Beneficiary, may exercise rights under the Award.

(e) *Withholding.* Each Participant shall pay to the Company, or make provision satisfactory to the Company for payment of, any taxes required by law to be withheld in connection with an Award to such Participant. Except as the Board may otherwise provide in an Award, for so long as the Common Stock is registered under the Exchange Act, Participants may satisfy such tax obligations in whole or in part by delivery of shares of Common Stock, including shares retained from the Award creating the tax obligation, valued at their Fair Market Value; *provided* that the total tax withholding where stock is being used to satisfy such tax obligations cannot exceed the Company's minimum statutory withholding obligations (based on minimum statutory withholding rates for federal and state tax purposes, including payroll taxes, that are applicable to such supplemental taxable income). Shares surrendered to satisfy tax withholding requirements cannot be subject to any repurchase, forfeiture, unfulfilled vesting or other similar requirements. The Company may, to the extent permitted by law, deduct any such tax obligations from any payment of any kind otherwise due to a Participant.

(f) *Amendment of Award.* The Board may amend, modify or terminate any outstanding Award, including substituting therefor another Award of the same or a different type, changing

the date of exercise or realization, and converting an Incentive Stock Option to a Nonstatutory Stock Option, *provided* that the Participant's consent to such action shall be required unless the Board determines that the action, taking into account any related action, would not materially and adversely affect the Participant.

(g) *Conditions on Delivery of Stock.* The Company will not be obligated to deliver any shares of Common Stock pursuant to the Plan or to remove restrictions from shares previously delivered under the Plan until (1) all conditions of the Award have been met or removed to the satisfaction of the Company, (2) in the opinion of the Company's counsel, all other legal matters in connection with the issuance and delivery of such shares have been satisfied, including any applicable securities laws and any applicable stock exchange or stock market rules and regulations, and (3) the Participant has executed and delivered to the Company such representations or agreements as the Company may consider appropriate to satisfy the requirements of any applicable laws, rules or regulations.

(h) *Acceleration.* The Board may at any time provide that any Award shall become immediately exercisable in full or in part, free of some or all restrictions or conditions, or otherwise realizable in full or in part, as the case may be.

(i) *Performance Conditions.*

(1) This Section 10(i) shall be administered by a Committee approved by the Board, all of the members of which are outside directors as defined by Section 162(m) (the Section 162(m) Committee).

(2) Notwithstanding any other provision of the Plan, if the Section 162(m) Committee determines at the time a Restricted Stock Award or Other Stock Unit Award is granted to a Participant who is then an officer, that such Participant is, or is likely to be as of the end of the tax year in which the Company would claim a tax deduction in connection with such Award, a Covered Employee (as defined in Section 162(m)), then the Section 162(m) Committee may provide that this Section 10(i) is applicable to such Award.

(3) If a Restricted Stock Award or Other Stock Unit Award is subject to this Section 10(i), then the lapsing of restrictions thereon and the distribution of cash or Shares pursuant thereto, as applicable, shall be subject to the achievement of one or more objective performance goals established by the Section 162(m) Committee, which:

(A) shall be set by the Section 162(m) Committee within the time period prescribed by, and shall otherwise comply with the requirements of, Section 162(m);

(B) shall be based on the attainment of specified levels of one or any combination of the following: (i) earnings per share; (ii) return on average equity or average assets with respect to a pre-determined peer group; (iii) earnings; (iv) earnings growth; (v) revenues; (vi) expenses; (vii) stock price; (viii) market share; (ix) return on sales, assets, equity or investment; (x) regulatory compliance; (xi) improvement of financial ratings; (xii) achievement of balance sheet or income

statement objectives; (xiii) total shareholder return; (xiv) net operating profit after tax; (xv) pre-tax or after-tax income; (xvi) cash flow; or (xvii) such other objective goals as are established by the Board;

(C) may be absolute in their terms or measured against or in relationship to other companies comparably, similarly or otherwise situated;

(D) may be adjusted to exclude any one or more of (i) extraordinary items, (ii) gains or losses on the dispositions of discontinued operations, (iii) the cumulative effects of changes in accounting principles, (iv) the writedown of any asset and (v) charges for restructuring and rationalization programs; and

(E) may vary by Participant and may be different for different Awards.

(4) Notwithstanding any provision of the Plan, with respect to any Restricted Stock Award or Other Stock Unit Award that is subject to this Section 10(i), the Section 162(m) Committee:

(A) may adjust downwards, but not upwards, the cash or number of Shares payable pursuant to such Award; and

(B) may not waive the achievement of the applicable performance goals except in the case of the death or disability of the Participant.

(5) The Section 162(m) Committee shall have the power to impose such other restrictions on Awards subject to this Section 10(i) as it may deem necessary or appropriate to ensure that such Awards satisfy all requirements for performance-based compensation within the meaning of Section 162(m)(4)(C) of the Code, or any successor provision thereto.

11. *Miscellaneous*

(a) *No Right To Employment or Other Status.* No person shall have any claim or right to be granted an Award, and the grant of an Award shall not be construed as giving a Participant the right to continued employment or any other relationship with the Company. The Company expressly reserves the right at any time to dismiss or otherwise terminate its relationship with a Participant free from any liability or claim under the Plan, except as expressly provided in the applicable Award.

(b) *No Rights As Stockholder.* Subject to the provisions of the applicable Award, no Participant or Designated Beneficiary shall have any rights as a stockholder with respect to any shares of Common Stock to be distributed with respect to an Award until becoming the record holder of such shares. Notwithstanding the foregoing, in the event the Company effects a split of the Common Stock by means of a stock dividend and the exercise price of and the number of shares subject to such Option are adjusted as of the date of the distribution of the dividend (rather than as of the record date for such dividend), then an optionee who exercises an Option between the record date and the distribution date for such stock dividend shall be entitled to receive, on the distribution date, the stock dividend with respect to the shares of

Common Stock acquired upon such Option exercise, notwithstanding the fact that such shares were not outstanding as of the close of business on the record date for such stock dividend.

(c) *Effective Date and Term of Plan.* The Plan shall become effective on the date on which it is adopted by the Board, but no Award may be granted unless and until the Plan has been approved by the Company's stockholders. No Awards shall be granted under the Plan after December 31, 2013, but Awards previously granted may extend beyond that date.

(d) *Amendment of Plan.* The Board may amend, suspend or terminate the Plan or any portion thereof at any time, *provided that*, to the extent determined by the Board, no amendment requiring stockholder approval under any applicable legal, regulatory or listing requirement shall become effective until such stockholder approval is obtained. No Award shall be made that is conditioned upon stockholder approval of any amendment to the Plan.

(e) *Provisions for Foreign Participants.* The Board may modify Awards or Options granted to Participants who are foreign nationals or employed outside the United States or establish subplans or procedures under the Plan to recognize differences in laws, rules, regulations or customs of such foreign jurisdictions with respect to tax, securities, currency, employee benefit or other matters.

(f) *Governing Law.* The provisions of the Plan and all Awards made hereunder shall be governed by and interpreted in accordance with the laws of the State of Delaware, without regard to any applicable conflicts of law.

(g) *Effect of Restatement.* This Amendment and Restatement of the Plan shall not be effective until approved by the stockholders of the Company. All Awards to Participants outstanding as of the date of the Amendment and Restatement of the Plan shall continue in full force and effect without modification by such Amendment and Restatement; *provided that* each reference in any such Awards to a section of the Plan as in effect prior to the restatement shall be deemed to refer to the corresponding section of the Plan as restated unless the reference to such corresponding section would have an adverse impact on the Participant holding the applicable Award.

(h) *Construction.* The headings of the Sections of the Plan are included only for convenience and shall not affect the meaning or interpretation of the Plan. Except as otherwise expressly provided, references herein to Sections shall mean such Sections of the Plan. The word including as used in the Plan shall not be construed so as to exclude any other thing not referred to or described.

APPENDIX B

ART TECHNOLOGY GROUP, INC.

AMENDED AND RESTATED

1999 OUTSIDE DIRECTOR STOCK OPTION PLAN

1. Purpose

The purpose of this Amended and Restated 1999 Outside Director Stock Option Plan (the *Plan*) of Art Technology Group, Inc., a Delaware corporation (the *Company*), is to advance the interests of the Company's stockholders by enhancing the Company's ability to attract, retain and motivate outside directors of the Company by providing such directors with equity ownership opportunities and performance-based incentives that are intended to better align their interests with those of the Company's stockholders.

2. Eligibility

Each director of the Company who is not an employee of the Company (an *Eligible Director*) is eligible to receive options, restricted stock and other stock-based awards (each an *Award*) under the Plan. Any *Eligible Director* who receives an *Award* under the Plan is deemed a *Participant*.

3. Administration and Delegation

The Plan will be administered by the Board of Directors of the Company (the *Board*). The Board shall have authority to grant *Awards* and to adopt, amend and repeal such administrative rules, guidelines and practices relating to the Plan as it shall deem advisable. The Board may correct any defect, supply any omission or reconcile any inconsistency in the Plan or any *Award* in the manner and to the extent it shall deem expedient to carry the Plan into effect (including any interpretation and implementation of Section 10(f)) and it shall be the sole and final judge of such expediency. All decisions by the Board shall be made in the Board's sole discretion and shall be final and binding on all persons having or claiming any interest in the Plan or in any *Option*. No director or person acting pursuant to the authority delegated by the Board shall be liable for any action or determination relating to or under the Plan made in good faith.

4. Stock Available for Awards

(a) *Number of Shares.* Subject to adjustment under Section 8, *Awards* may be made under the Plan for up to 800,000 shares of common stock, \$0.01 par value per share, of the Company (the *Common Stock*). If any *Award* expires or is terminated, surrendered or canceled without having been fully exercised or is forfeited in whole or in part (including as the result of shares of *Common Stock* subject to such *Award* being repurchased by the Company at the original issuance price pursuant to a contractual repurchase right) or results in any *Common Stock* not being issued, the unused *Common Stock* covered by such *Award* shall

again be available for the grant of Awards under the Plan. Shares issued under the Plan may consist in whole or in part of authorized but unissued shares or treasury shares.

(b) *Limit on Awards other than Options.* The maximum number of shares with respect to which Awards other than Options may be granted shall be 100,000.

5. Stock Options

(a) *General.* The Board may grant options to purchase Common Stock (each, an Option) and determine the number of shares of Common Stock to be covered by each Option, the exercise price of each Option and the conditions and limitations applicable to the exercise of each Option, including conditions relating to applicable federal or state securities laws, as it considers necessary or advisable. None of the Options granted hereunder are intended to be Incentive Stock Options as defined in Section 422 of the Internal Revenue Code of 1986, as amended, and any regulations promulgated thereunder.

(b) *Exercise Price.* The exercise price per share for each Option shall equal (1) the last reported sales price per share of the Common Stock on the Nasdaq National Market or on any national securities exchange on which the Common Stock is then traded, as the case may be, on the date of grant (or, if no such price is reported on such date, such price as reported on the nearest preceding day) or (2) if the Common Stock is not then traded on the Nasdaq National Market or any national securities exchange, the fair market value of the Common Stock on the date of grant, as determined by the Board.

(c) *Duration of Options.* Each Option granted to a Participant shall expire on the earlier of 10 years from the date of grant or one year following termination of such Participant's service on the Board.

(d) *Exercise of Options.* Options may be exercised by delivery to the Company of a written notice of exercise signed by the proper person or by any other form of notice (including electronic notice) approved by the Board together with payment in full as specified in Section 5(e) for the number of shares for which the Option is exercised.

(e) *Payment Upon Exercise.* Common Stock purchased upon the exercise of an Option granted under the Plan shall be paid for as follows:

(1) in cash or by check, payable to the order of the Company;

(2) except as the Board may otherwise provide in an option agreement, by (A) delivery of an irrevocable and unconditional undertaking by a creditworthy broker to deliver promptly to the Company sufficient funds to pay the exercise price and any required tax withholding or (B) delivery by the Participant to the Company of a copy of irrevocable and unconditional instructions to a creditworthy broker to deliver promptly to the Company cash or a check sufficient to pay the exercise price and any required tax withholding;

(3) when the Common Stock is registered under the Securities Exchange Act of 1934 (the Exchange Act), by delivery of shares of Common Stock owned by the

Participant valued at their fair market value as determined by (or in a manner approved by) the Board (Fair Market Value), *provided* (A) such method of payment is then permitted under applicable law, (B) such Common Stock, if acquired directly from the Company, was owned by the Participant at least six months prior to such delivery and (C) such Common Stock is not subject to any repurchase, forfeiture, unfulfilled vesting or other similar requirements;

(4) to the extent permitted by applicable law and by the Board, by (A) delivery of a promissory note of the Participant to the Company on terms determined by the Board or (B) payment of such other lawful consideration as the Board may determine; or

(5) by any combination of the above permitted forms of payment.

(f) *Substitute Options*. In connection with a merger or consolidation of an entity with the Company or the acquisition by the Company of property or stock of an entity, the Board may grant Options in substitution for any options or other stock or stock-based awards granted by such entity or an affiliate thereof. Substitute Options may be granted on such terms as the Board deems appropriate in the circumstances, notwithstanding any limitations on Options contained in the other sections of this Section 5 or in Section 2.

6. Restricted Stock.

(a) *Grants*. The Board may grant Awards entitling Eligible Directors to acquire shares of Common Stock, subject to the right of the Company to repurchase all or part of such shares at their issue price or other stated or formula price (or to require forfeiture of such shares if issued at no cost) from the recipient in the event that conditions specified by the Board in the applicable Award are not satisfied prior to the end of the applicable restriction period or periods established by the Board for such Award (each, a Restricted Stock Award).

(b) *Terms and Conditions*. The Board shall determine the terms and conditions of a Restricted Stock Award, including the conditions for repurchase (or forfeiture) and the issue price, if any.

(c) *Stock Certificates*. Any stock certificates issued in respect of a Restricted Stock Award shall be registered in the name of the Participant and, unless otherwise determined by the Board, deposited by the Participant, together with a stock power endorsed in blank, with the Company (or its designee). At the expiration of the applicable restriction periods, the Company (or such designee) shall deliver the certificates no longer subject to such restrictions to the Participant or the Designated Beneficiary of such Participant. For these purposes, a Designated Beneficiary of a Participant shall be (1) a beneficiary designated by such Participant, in a manner determined by the Board, to receive amounts due or exercise rights of such Participant in the event of such Participant's death or (2) in the absence of such a designation, the Participant's estate.

(d) *Deferred Delivery of Shares*. The Board may, at the time any Restricted Stock Award is granted, provide that, at the time Common Stock would otherwise be delivered pursuant to the Award, the Participant shall instead receive an instrument evidencing the right

to future delivery of Common Stock at such time or times, and on such conditions, as the Board shall specify. The Board may at any time accelerate the time at which delivery of all or any part of the Common Stock shall take place.

7. Other Stock-Based Awards

Other Awards of shares of Common Stock, and other Awards that are valued in whole or in part by reference to, or are otherwise based on, shares of Common Stock or other property, may be granted under the Plan to Eligible Directors (Other Stock Unit Awards), including Awards entitling Eligible Directors to receive shares of Common Stock to be delivered in the future. Such Other Stock Unit Awards shall also be available as a form of payment in the settlement of other Awards granted under the Plan or as payment in lieu of compensation to which a Participant is otherwise entitled. Other Stock Unit Awards may be paid in shares of Common Stock or cash, as the Board shall determine. Subject to the provisions of the Plan, the Board shall determine the conditions of each Other Stock Unit Awards, including any purchase price applicable thereto. At the time any Award is granted, the Board may provide that, at the time Common Stock would otherwise be delivered pursuant to the Award, the Participant will instead receive an instrument evidencing the Participant's right to future delivery of the Common Stock.

8. Adjustments for Changes in Common Stock

In the event of any stock split, reverse stock split, stock dividend, recapitalization, combination of shares, reclassification of shares, spin-off or other similar change in capitalization or event, or any distribution to holders of Common Stock other than an ordinary cash dividend, (a) the number and class of securities available under the Plan, (b) the number and class of securities and exercise price per share of each outstanding Option, (c) the repurchase price per share subject to each outstanding Restricted Stock Award and (d) the share- and per-share-related provisions of each outstanding Other Stock Unit Award, shall be appropriately adjusted by the Company (or substituted Awards may be made, if applicable) to the extent determined by the Board.

9. General Provisions Applicable to Awards

(a) *Transferability of Awards.* Except as the Board may otherwise determine or provide in an Award, Awards shall not be sold, assigned, transferred, pledged or otherwise encumbered by the person to whom they are granted, either voluntarily or by operation of law, except by will or the laws of descent and distribution or pursuant to a qualified domestic relations order, and, during the life of the Participant, shall be exercisable only by the Participant. References to a Participant, to the extent relevant in the context, shall include references to authorized transferees.

(b) *Documentation.* Each Award shall be evidenced in such form (written, electronic or otherwise) as the Board shall determine. Each Award may contain terms and conditions in addition to those set forth in the Plan.

(c) *Conditions on Delivery of Stock.* The Company will not be obligated to deliver any shares of Common Stock pursuant to the Plan or to remove restrictions from shares previously delivered under the Plan until (1) all conditions of the Award have been met or removed to the satisfaction of the Company, (2) in the opinion of the Company's counsel, all other legal matters in connection with the issuance and delivery of such shares have been satisfied, including any applicable securities laws and any applicable stock exchange or stock market rules and regulations, and (3) the Participant has executed and delivered to the Company such representations or agreements as the Company may consider appropriate to satisfy the requirements of any applicable laws, rules or regulations.

10. *Miscellaneous*

(a) *No Right To Board Membership or Other Status.* No person shall have any claim or right to be granted an Award, and the grant of an Award shall not be construed as giving a Participant the right to continue as a director of the Company.

(b) *No Rights As Stockholder.* Subject to the provisions of the applicable Award, no Participant or Designated Beneficiary shall have any rights as a stockholder with respect to any shares of Common Stock to be distributed with respect to an Award until becoming the record holder of such shares. Notwithstanding the foregoing, in the event the Company effects a split of the Common Stock by means of a stock dividend and the exercise price of and the number of shares subject to such Option are adjusted as of the date of the distribution of the dividend (rather than as of the record date for such dividend), then an optionee who exercises an Option between the record date and the distribution date for such stock dividend shall be entitled to receive, on the distribution date, the stock dividend with respect to the shares of Common Stock acquired upon such Option exercise, notwithstanding the fact that such shares were not outstanding as of the close of business on the record date for such stock dividend.

(c) *Effective Date and Term of Plan.* The Plan shall become effective on the date on which it is adopted by the Board. No Awards shall be granted under the Plan after December 31, 2013, but Awards previously granted may extend beyond that date.

(d) *Amendment of Plan.* The Board may amend, suspend or terminate the Plan or any portion thereof at any time, *provided* that, to the extent determined by the Board, no amendment requiring stockholder approval under any applicable legal, regulatory or listing requirement shall become effective until such stockholder approval is obtained. No Award shall be made that is conditioned upon stockholder approval of any amendment to the Plan.

(e) *Governing Law.* The provisions of the Plan and all Awards made hereunder shall be governed by and interpreted in accordance with the laws of the State of Delaware, without regard to any applicable conflicts of law.

(f) *Effect of Restatement.* This Amendment and Restatement of the Plan shall not be effective until approved by the stockholders of the Company. The authority and responsibilities set forth in this Charter do not reflect or create any duty or obligation of the Audit Committee to plan or conduct any audit, to determine or certify that the Company's financial statements are complete, accurate, fairly presented, or in accordance with generally accepted accounting principles or applicable law, or to guarantee the independent auditor's report.

Oversight of Independent Auditors

1. *Selection.* The Audit Committee shall be solely and directly responsible for appointing, evaluating, and, when necessary, terminating the engagement of the independent auditor. The Audit Committee may, in its discretion, seek stockholder ratification of the independent auditor it appoints.

2. *Independence.* The Audit Committee shall take, or recommend that the full Board of Directors take, appropriate action to oversee the independence of the independent auditor. In connection with this responsibility, the Audit Committee shall obtain and review a formal written statement from the independent auditor describing all relationships between the independent auditor and the Company, including the disclosures required by Independence Standards Board Standard No. 1.
