Item 1.01 Entry into a Material Definitive Agreement.

On June 19, 2007, iRobot Corporation (the Company) entered into a \$15 million secured equipment financing facility (the Equipment Facility) with Banc of America Leasing and Capital, LLC (the Lender). The Equipment Facility shall be available to finance the acquisition of equipment, furniture and leasehold improvements. The Company may borrow amounts under the Equipment Facility until July 1, 2008 (the Drawdown Period) and any amounts borrowed during the Drawdown Period shall accrue interest at 30-day LIBOR plus 1%. Following the Drawdown Period, all amounts then outstanding under the Equipment Line shall be repaid in 60 equal monthly installments commencing in July 2008 and shall accrue interest, at the Company's election, at either a fixed or variable rate of interest. The Company's obligations under the Equipment Facility will be secured by any financed equipment.

The Equipment Facility contains customary terms and conditions for credit facilities of this type, including, without limitation, restrictions on the Company's ability to transfer, encumber or dispose of the financed equipment. In addition, the Company is required to meet certain financial covenants customary with this type of agreement, including maintaining a minimum specified tangible net worth, a minimum specified ratio of current assets to current liabilities, and a minimum specified annual net income.

The Equipment Facility contains customary events of default, including for payment defaults, breaches of representations, breaches of covenants, cross defaults to other material indebtedness, bankruptcy, and failure to discharge certain judgments. If a default occurs and is not cured within any applicable cure period or is not waived, or if the Company repays all of its indebtedness under its credit facility with Bank of America, N.A., the Lender may accelerate the obligations of the Company under the Equipment Facility.

Item 2.03 Creation of a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement of a Registrant.

The information set forth in Item 1.01 above is hereby incorporated by reference in this Item 2.03.
