PROXY STATEMENT

The Company's Annual Report on Form 10-K, as amended ("Annual Report"), this Proxy Statement and accompanying proxy are first being mailed to stockholders on or about November 14, 2002, to holders of the Company's common stock on November 6, 2002, the record date for the Annual Meeting.

PROXY INFORMATION

PROXIES AND VOTING PROCEDURES

YOUR VOTE IS IMPORTANT. Because many stockholders cannot personally attend the Annual Meeting, it is necessary that a large number of stockholders be represented by proxy. Stockholders may sign, date and mail their proxies in the postage-paid envelope provided. Proxies may be revoked at any time before they are exercised by written notice to the Secretary

Edgar Filing: HAUSER INC - Form DEF 14A

of the Company, by timely notice of a properly executed later dated proxy or by voting in person at the Annual Meeting.

All shares of Common Stock, par value \$0.001 per share, of the Company (the "Common Stock") entitled to vote and represented by properly executed proxies received prior to the Annual Meeting and not revoked will be voted at the Annual Meeting in accordance with the instructions indicated on those proxies. If no instructions are indicated on a properly executed proxy, the Common Stock represented by that proxy will be voted as the Board of Directors recommends.

If any other matters are properly presented at the Annual Meeting for consideration, including, among other things, consideration of a motion to adjourn the Annual Meeting to another time or place, the persons named in the enclosed form of proxy and acting thereunder will have discretion to vote on those matters to the same extent as the person signing the proxy would be entitled to vote. The Company does not currently anticipate that any other matters will be raised at the Annual Meeting. All proxies received pursuant to this solicitation will be voted, except as to matters where authority to vote is specifically withheld and, where a choice is specified as to the proposal, such proxies will be voted in accordance with such specification. If no instructions are indicated on a properly executed proxy, the persons named in the proxies solicited by the Board of Directors of the Company intend to vote for the nominees for election as directors of the Company set forth herein. If any other matter should be presented at the Annual Meeting upon which a vote may properly be taken, the shares represented by the proxy will be voted with respect thereto at the discretion of the person or persons holding such proxy.

STOCKHOLDERS ENTITLED TO VOTE

Stockholders of record of the Company's Common Stock at the close of business on November 6, 2002 (the "Record Date") are entitled to notice of and to vote at the Annual Meeting. Each share of Common Stock is entitled to one vote on each matter properly brought before the Annual Meeting. On November 7, 2002, there were 6,527,935 shares of Common Stock outstanding.

In accordance with Delaware law, a list of stockholders entitled to vote at the meeting will be available at the location of the Annual Meeting on December 5, 2002, and for 10 days prior to the Annual Meeting at our headquarters located at 20710 South Alameda Street, Long Beach, California 90810, between the hours of 9:00 a.m. and 4:00 p.m. Pacific Time.

REQUIRED VOTE

The presence in person or by proxy of the holders of a majority of the issued and outstanding Common Stock entitled to vote generally for the election of directors is necessary to constitute a quorum. If a quorum should not be present, the Annual Meeting may be adjourned from time to time until a quorum is obtained.

Abstentions and "broker non-votes" are counted as present and entitled to vote for purposes of determining whether a quorum exists. A broker "non-vote" occurs when a nominee holding shares for a beneficial owner does not vote on a particular proposal because the nominee

-2-

does not have discretionary voting power with respect to that item and has not received voting instructions from the beneficial owner.

The affirmative vote of a plurality of the votes duly cast is required for

Edgar Filing: HAUSER INC - Form DEF 14A

the election of each nominee as director (that is, the nominees receiving the greatest number of votes will be elected). Abstentions and "broker non-votes" are not included in the vote totals for purposes of the election of directors.

COST OF PROXY SOLICITATION

The cost of soliciting proxies will be borne by the Company. Solicitations may further be made by officers, directors and other employees of the company, without additional compensation, by use of mails, telephone, telegraph or by personal calls. The Company has engaged Computershare Trust Company to assist in the distribution and solicitation of proxies. The Company estimates that the expenses for Computershare Trust Company and the printing of the Annual Report and this Proxy Statement will be approximately \$10,000. In accordance with the regulations of the Securities and Exchange Commission, upon request the Company will also reimburse brokerage firms and other custodians, nominees and fiduciaries for their reasonable expenses incurred in sending proxies and proxy materials to beneficial owners of Common Stock as of the Record Date.

PURPOSE OF THE ANNUAL MEETING

At the Annual Meeting, action will be taken: (1) to elect the Board of Directors to hold office until the next annual meeting of stockholders and until their successors shall have been elected and qualified, or until their death, resignation or removal and (2) to transact such other business that may properly come before the Annual Meeting or any adjournment or postponement thereof.

- (1) Includes 151,239 shares of common stock available as of March 31, 2002 under the Company's 1999 Stock Incentive Plan which may be granted to members of the Board of Directors who are not also employees of the Company or a subsidiary in lieu of cash compensation for their services as members of the Board of Directors.
 - (2) In February 2001, the Board of Directors of the Company approved the sale of 100,000 shares of its Common Stock to Kenneth C. Cleveland for \$0.37 per share. As of March 31, 2002, Mr. Cleveland had not purchased these shares.

DIRECTOR COMPENSATION

In fiscal 2002, non-employee directors of the Company received annual compensation of \$25,000, which was payable quarterly in Common Stock of the Company. The number of shares to which each non-employee director was entitled each quarter was determined by dividing \$6,250 by the closing price of the Common Stock on the last trading day of the calendar quarter. Mr. Elish, as the Chairman of the Board, received additional compensation of \$25,000, which was also payable quarterly in Common Stock of the Company. In fiscal 2002, the Company's non-employee directors purchased a total of 302,936 shares of Common Stock from the Company at an average price of \$0.49 per share (100% of fair market value on the date of grant). See "Certain Relationships and Related Transactions" herein for a summary of certain consulting services Mr. Sperry provides to the Company.

In the second quarter of fiscal 2003, the Board of Directors determined that there would be insufficient reserved shares under the Company's 1999 Stock Incentive Plan to permit the non-employee directors to continue to receive compensation payable in Common Stock of the Company. In lieu of adopting a new equity compensation plan, the Board of Directors approved the payment of non-employee directors compensation in cash.

COMPENSATION COMMITTEE INTERLOCKS AND INSIDER PARTICIPATION

During the fiscal year ended March 31, 2002, James R. Mellor and Harvey L. Sperry comprised the Company's Compensation Committee. During fiscal 2002, each of Messrs. Mellor and Sperry were non-employee directors. None of the members of the Compensation Committee have ever been officers of the Company. See "Certain Relationships and Related Transactions" herein for a summary of certain

consulting services Mr. Sperry provides to the Company.

COMPENSATION COMMITTEE REPORT ON EXECUTIVE COMPENSATION

Overview

The Compensation Committee is responsible for establishing the compensation policies and evaluating the compensation programs for the Company's executive officers and other key employees.

-12-

Executive Officer Compensation

The Company's compensation program for fiscal 2002 consists of base salary and bonuses paid in cash. The executive officers also participate in a 401(k) retirement plan and a medical insurance plan with other employees.

Base Salary. The Compensation Committee's policy regarding base salary is to provide compensation for its executive officers that is competitive with similarly positioned executives working for competitors of the Company. In making such compensation decisions for fiscal 2002, the Compensation Committee did not conduct a formal survey of compensation practices of its competitors but rather relied on its general knowledge of the compensation practices of the industry. In considering an individual's base salary, the Compensation Committee makes subjective determinations based on factors such as individual performance, retention, the level of responsibility and the scope and complexity of the position. The base salaries for Messrs. Cleveland and Hanlon are set by separately negotiated agreements as more fully described below in "Certain Relationships and Related Transactions."

Discretionary Cash Bonuses Awarded in Fiscal 2002. In fiscal 2002, the Company paid discretionary cash bonuses to its executive officers based on a subjective determination by the Compensation Committee of each officer's individual performance and contribution to the Company during fiscal 2002. Discretionary cash bonuses for future fiscal years will be based on achieving operating goals as determined by the Compensation Committee.

Restricted Stock. In fiscal 2002, the Company granted shares of its Common Stock to certain of its key employees. Pursuant to this grant, these employees will forfeit the shares granted to them if they cease to be employed by the Company prior to May 31, 2005. The Company may elect to waive such forfeitures in certain circumstances.

Stock Options. In fiscal 2002, the Company did not grant stock options to its executive officers.

Chief Executive Officer Compensation

As Chief Executive Officer, Mr. Cleveland's base salary is determined pursuant to his agreement to provide services to the Company. Mr. Cleveland's bonus for fiscal 2002 was based on a subjective determination by the Compensation Committee of Mr. Cleveland's overall performance and paid to Mr. Cleveland in accordance with his agreement to provide services.

Section 162(m) of the International Revenue Code of 1986, as amended (the "Code") limits to \$1 million the amount of compensation deductible by a public company paid to any of its Named Executive Officers. Because none of the Named Executive Officers has compensation from the Company in excess of \$1 million, the Company has not yet formulated a policy with respect to the deduction

limitations of Section 162(m) of the Code.

REPORT OF THE AUDIT COMMITTEE OF THE BOARD OF DIRECTORS

The Audit Committee is responsible for overseeing the Company's accounting functions and internal controls and for recommending to the Board of Directors the selection of the Company's independent accountants. The Audit Committee is composed of independent directors of the Company, as defined by the NASD's listing standards, and acts pursuant to a written charter adopted by the Board of Directors.

The Audit Committee has reviewed and discussed with management and Arthur Andersen LLP, the Company's former independent accountants ("Arthur Andersen"), the audited financial statements for the fiscal year ended March 31, 2002. In addition, the Audit Committee has discussed with Arthur Andersen the matters required to be discussed by the Statement on Auditing Standards No. 61, Communications with Audit Committees, as amended, by the Auditing Standards Board of the American Institute of Certified Public Accountants.

Prior to the replacement of Arthur Andersen on July 30, 2002, the Audit Committee reviewed and discussed with Arthur Andersen the firm's independence and considered the compatibility of non-audit services with the auditors' independence. Prior to Arthur Andersen's replacement, however, Arthur Andersen did not provide to the Audit Committee the written disclosures and the letter from the independent accountants required by Independence Standards Board Standard No. 1, Independence Discussions with Audit Committees, as amended.

Based on its review of the audited financial statements and the various discussions referred to above, the Audit Committee has recommended to the Board of Directors that the audited financial statements be included in the Company's Annual Report on Form 10-K for the fiscal year ended March 31, 2002.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Securities Exchange Act of 1934, as amended ("Section 16(a)"), requires the Company's directors, executive officers and persons who beneficially own more than 10% of the Common Stock of the Company to file with the Securities and Exchange Commission ("SEC") initial reports of ownership and reports of changes in ownership of the Company's Common Stock. Directors, executive officers and beneficial owners of more than 10% of the Common Stock of the Company are required by SEC regulations to furnish the Company with copies of all Section 16(a) forms they file.

Based solely on the Company's review of the copies of such forms furnished to the Company and written representations from the directors, executive officers and more than 10% beneficial owners, the Company believes that all Section 16(a) filing requirements applicable to the Company's directors, executive officers and more than 10% beneficial owners were complied with during fiscal year ended March 31, 2002, except Mr. Cleveland was not timely in filing a Form 4 for changes in beneficial ownership that occurred on February 22, 2001 and except that Zatpack was not timely in filing a Form 4 for changes in beneficial ownership that occurred on October 11, 2000. The changes in beneficial ownership for Mr. Cleveland were reported on a Form 5 filing on June 17, 2002 and the changes in beneficial ownership for Zatpack were reported on a Form 4 filing on December 19, 2001.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

The Company and ZBI are parties to an agreement regarding employees dated June 11, 1999 pursuant to which ZBI, a seller of bulk raw materials in the form of powders or similar processed products, shares approximately one-third of the personnel costs of the Company. Pursuant to this agreement, ZBI purchases certain inventory, disburses all amounts for shared services and receives reimbursement from the Company for the amounts disbursed on its behalf.

On June 11, 1999, the Company, ZGNA and ZBI entered into a Governance Agreement, pursuant to which each party agreed to take all action within their power to cause the Board of Directors to consist of nine directors, three of which are to be designated by the directors who served on the Board of Directors immediately prior to the Company's merger in June 1999 (the "Continuing Directors"), three of which are to be designated by ZGNA (the "ZGNA Directors") and three of which shall be independent (the "Independent Directors"). In addition, pursuant to the Governance Agreement, ZGNA and ZBI are required to vote shares of Common Stock beneficially owned by them to elect any successors designated by a majority of the remaining Continuing Directors if a Continuing Director resigns and to elect any successors designated by a majority of the remaining Independent Directors if an Independent Director resigns. The Governance Agreement terminates on the earlier of June 11, 2004 and the date on which ZGNA and ZBI cease to own at least 20% of the outstanding Common Stock. William E. Coleman and Dean P. Stull, former Continuing Directors, resigned from the Board of Directors in July 2000 and October 2001, respectively. As of May 31, 2002, the remaining Continuing Director had not nominated replacement directors. Peter Zuellig and Volker Wypyszyk, former ZGNA Directors, resigned from the Board of Directors in July 1999 and October 2001, respectively. Michael C. Davis replaced Mr. Zuellig in July 1999 as a ZGNA Director. In March 2002, Mr. Davis resigned from the Board of Directors. As of May 31, 2002, the remaining ZGNA Director had not nominated replacement directors. In June 2000, Rudolfo C. Bryce, an Independent Director, resigned from the Board of Directors. As of May 31, 2002, the remaining Independent Directors had not nominated a replacement director.

In December 2001, the Company entered into an Amended and Restated Credit Facility (the "Amended Credit Facility") with Wells Fargo which required that a fee be paid to Wells Fargo in the amount of \$779,000 (the "Fee"). Initially, Wells Fargo had stated that as further consideration for entering into the Amended Credit Facility, the Company must issue to Wells Fargo a warrant to purchase 865,630 shares of the Company's Common Stock, representing approximately 12.5% of the Company's Common Stock on a fully diluted basis, at an exercise price of \$0.01 per share, which would expire eight years after issuance (the "Warrant"). Wells Fargo subsequently stated that it would accept the Fee in lieu of the Warrant, provided that the Fee was paid by a party other than the Company. Wells Fargo would not permit the Company to reduce its working capital by paying the Fee. Zatpack, a significant shareholder of the Company, agreed to pay the Fee. The Company, as consideration for such payment, issued the Warrant to Zatpack. The terms of the Warrant were negotiated solely between the Company and Wells Fargo. Pursuant to the terms of the Warrant, unless waived by the Company, the holder thereof may only exercise the Warrant upon 61 days from the date that written notice of such exercise is received by the Company. On January 31, 2002, Zatpack sold the Warrant. The Company has not waived the 61-day notice provision. In connection with the payment of the Fee, Zatpack

caused ZBI to forgive \$247,000 of trade payables due from the Company for its share of the debt issuance costs.

Zatpack holds a \$3 million Note of the Company, which is subordinate to the Company's Amended Credit Facility with Wells Fargo (the "Zatpack Note"). The Zatpack Note accrues interest at 6.5%, is payable in three years and has five-year warrants attached. The warrants permit Zatpack to purchase 992,789 shares of Common Stock at a price of \$0.5855 per share.

The Company sells inventory to ZBI. During the fiscal years ended March 31, 2002 and 2001, sales to ZBI totaled \$589,000 and \$3,219,000, respectively. The related trade accounts receivable due from ZBI totaled \$4,000 and \$138,000 at March 31, 2002 and 2001, respectively.

The Company has agreements under which certain personnel and facilities costs of the Company are shared approximately one-third by ZBI, which sells bulk botanical raw materials in the form of powders or similar processed product. ZBI purchases certain inventory, disburses all amounts for shared services, and receives reimbursement from the Company for amounts disbursed on its behalf. The amounts owed to ZBI under these agreements totaled \$2,946,000 and \$2,988,000 at March 31, 2002 and 2001, respectively. For the fiscal years ended March 31, 2002 and 2001, the amounts recorded as costs and expenses for inventory, personnel and facilities by the Company under this arrangement totaled \$8,653,000 and \$7,067,000, respectively. These amounts are included with cost of sales and operating expenses in the accompanying statements of operations.

The Company, Kenneth Cleveland Associates, Inc. (currently known as Ballenger Cleveland & Issa, LLC), a firm that specializes in advising businesses with respect to both financial and operational restructuring (the "Contractor"), and Kenneth C. Cleveland have entered into an agreement to provide services to the Company. Pursuant to this agreement, the Contractor has agreed to provide services to the Company, which services consist of Mr. Cleveland serving as an officer of the Company, in exchange for a fee of \$8,000 per week. Of the \$8,000 paid to Mr. Cleveland per week, the Company is reimbursed by an affiliate to whom Mr. Cleveland provides services, in the amount of \$2,400 per week. The agreement terminates automatically on August 1, 2004 or upon six months prior notice by either the Contractor or the Company. Mr. Cleveland is the President of the Contractor.

The Company, Thomas Hanlon Associates, a sole proprietorship that specializes in advising businesses with respect to both financial and operational restructuring ("Hanlon Associates"), and Thomas W. Hanlon have entered into an agreement to provide services to the Company. Pursuant to this agreement, Hanlon Associates has agreed to provide services to the Company, which services consist of Mr. Hanlon serving as an officer of the Company, in exchange for a fee of \$4,327 per week. Of the \$4,327 paid to Mr. Hanlon per week, the Company is reimbursed by an affiliate to whom Mr. Hanlon provides services, in the amount of \$1,298 per week.

Harvey L. Sperry, a Director, is a retired Partner in the law firm of Willkie Farr & Gallagher, which acts as counsel to the Company. Mr. Sperry provides consulting services to the Company in exchange for a fee of \$5,000 per month.

INDEPENDENT AUDITORS

CHANGE IN INDEPENDENT PUBLIC ACCOUNTANTS

Arthur Andersen served as the Company's independent auditors for the fiscal year ended March 31, 2002. On July 30, 2002, the Company determined that it will no longer engage Arthur Andersen as the Company's independent public accountants. The decision to replace Arthur Andersen was recommended by the Audit Committee. On August 7, 2002, the Company engaged BDO Seidman, LLP ("BDO") to serve as its independent auditors for fiscal year 2003. Neither representatives of Arthur Andersen nor representatives of BDO will be present at the Annual Meeting.

Arthur Andersen's reports on the financial statements for each of the fiscal years ended March 31, 2002 and March 31, 2001 did not contain a disclaimer of opinion nor were they qualified or modified as to uncertainty, audit scope and accounting principles, except that in each report, Arthur Andersen included an explanatory paragraph relating to certain factors which raise substantial doubt about the ability of the Company to continue as a going concern. During the fiscal years ended March 31, 2002 and March 31, 2001, and in the subsequent period through the date hereof, there were no disagreements with Arthur Andersen on any matters of accounting principles or practices, financial statement disclosure, or auditing scope and procedures which, if not resolved to the satisfaction of Arthur Andersen, would have caused it to make reference to the matter in connection with their report on the financial statements. Additionally, during such periods there were no reportable events as defined in Item 304(a)(1)(v) of Regulation S-K.

During the fiscal years ended March 31, 2002 and March 31, 2001, and in the subsequent period prior to the engagement of BDO, the Company did not consult BDO with respect to the application of accounting principles to a specified transaction, either completed or proposed, or the type of audit opinion that might be rendered on the Company's consolidated financial

statements, or any other matters or reportable events as set forth in Items 304(a)(2)(i) and (ii) of Regulation S-K.

FINANCIAL INFORMATION SYSTEMS DESIGN AND IMPLEMENTATION FEES

No fees were billed by Arthur Andersen for professional services rendered for information technology services relating to financial information systems design and implementation for the fiscal year ended March 31, 2002.

ALL OTHER FEES

Arthur Andersen has billed the Company \$56,000, in the aggregate, for all professional services rendered to the Company, other than the services described above under "Audit Fees" and "Financial Information Systems Design and Implementation Fees" for the Company's 2002 fiscal year. These other services included (i) \$41,000 for preparation of the Company's federal and state tax returns and (ii) \$15,000 for audits of the Company's employee benefit plans.
