These options vest in installments of 25% annually as of the date of grant and have maximum ten-year terms. On March 14, 2005, we granted each of Dr. and Mr. Kessler, directors at that time who did not stand for re-election to the Board at the annual stockholders meeting on June 10, 2005, an option to purchase up to 10,000 shares of our Common Stock at \$6.92 per share, which options vested in their entirety on June 10, 2005; and on April 12, 2005, the Compensation Committee accelerated the vesting of all previously granted options to Dr. and Mr. Kessler that had not yet vested. On September 20, 2005, we granted Mr. Fulmer an option to purchase up to 10,000 shares of our Common Stock at \$5.13 per share. This option vests in installments of 25% every three months beginning on the date of grant and has a maximum ten-year term. On December 6, 2005, we granted to each non-employee director an option to purchase up to 15,000 shares of our Common Stock at \$4.26 per share. These options vest in installments of 25% annually beginning January 1, 2006 and have maximum ten-year terms. The exercise price of all of the above options was the fair market value based upon the closing sale price of the Company s Common Stock on the date prior to the grant.

**Employment Agreements and Severance Arrangement**

We have entered into employment agreements with two of our Named Executive Officers, Dr. Shrotriya and Dr. Lenaz. The agreements require each executive to devote his full working time and effort to the business and affairs of the Company during the term of the agreement. The agreements provide for an annual base salary with annual increases, periodic bonuses and option grants as determined by the Compensation Committee of our Board of Directors.

Each officer s employment may be terminated by us with or without cause as defined in the agreement. The agreements provide for certain guaranteed severance payments and benefits if the officer s employment is terminated without cause, if the officer s employment is terminated due to a change in control or is adversely affected due to a change in control and the officer resigns or if the officer decides to terminate his employment due to a disposition of a significant amount of assets or business units. The guaranteed severance payment includes a payment equal to the officer s annual base salary and other cash compensation, and any approved bonus. The officer is also entitled to two years medical, dental and other benefits for two years following termination. In addition, all options held by the officer shall immediately vest and will be exercisable for one year from the date of termination; provided, however, if the Board determines that the officer s employment is being terminated for the reason that the shared expectations of the officer and the Board are not being met, in the Board s judgment, then the options currently held by the officer will vest in accordance with their terms for up to one year after the date of termination, with the right to exercise those options, when they vest, for approximately thirteen (13) months after the date of termination. The agreements also provide that, upon his retirement, all options held by the officer will become fully vested.

**Table of Contents**

Following termination of the officer's employment, the officer shall be permitted to continue in his usual occupation and shall not be prohibited from competing with us except during the two (2) year severance period and in the specific industry market segments in which we compete and which represent twenty percent (20%) or more of our revenues.

The following table sets forth information regarding the employment agreements for each Named Executive Officer, including each Named Executive Officer's current base salary and each agreement's ending date:

<b>Name</b>	<b>Current Base</b>	
	<b>Salary</b>	<b>Ending Date(1)</b>
Rajesh Shrotriya	\$ 500,000	December 31, 2006
Luigi Lenaz	\$ 310,000	July 1, 2007

(1) The employment agreement automatically renews for a one-year term unless either party gives written notice at least 90 days prior to the commencement of the next year of such party's intent not to renew the agreement.

**COMPENSATION COMMITTEE INTERLOCKS AND INSIDER PARTICIPATION**

We have three stock incentive plans: the 1991 Stock Incentive Plan (1991 Plan), the 1997 Stock Incentive Plan (1997 Plan) and the 2003 Amended and Restated Incentive Award Plan (2003 Plan), (collectively, the Plans). As of December 31, 2005, we are not granting any more options pursuant to the 1991 and 1997 Plans. The 2003 Plan authorizes the grant, in conjunction with all of our other Plans, of incentive awards, including stock options, for the purchase of up to a total of 30% of our issued and outstanding stock at the time of grant. Thus, the

authorized and available shares may fluctuate over time.

- (2) The number represents 726,000 shares of Common Stock issuable upon exercise of warrants issued to non-employees of the Company under equity compensation Plans approved by our Board of Directors that we believe are not required to be approved by our stockholders pursuant to the rules of the NASDAQ Stock Market. We issued these warrants in circumstances that enable us to adequately compensate, without the payment in cash, for outside consultant services, primarily placement agents who assist us in raising funds for our operations, in order to conserve our cash for operating activities. The number of securities remaining
