Item 5. Interest in Securities of the Issuer.

This filing is for the cumulative share holdings of an affiliated group as of the close of business on May 25, 2001. The various entities named in this Schedule 13D directly or indirectly collectively owned, as of such date, 24,418,634 outstanding shares of Common Stock of the Issuer, representing 68.33% of the outstanding shares of Common Stock of the Issuer. At this date, there are 56,565 options exercisable by members of the affiliated group within 60 days. Exhibit A attached hereto and incorporated by this reference herein depicts the relationship among the various affiliated companies in the "Rady" group. There is no formal agreement to vote or dispose of the shares of the issuer in a particular manner. The dispositive and voting power of each of the trusts and companies shown on Schedule A is made independent of the other, except to the extent that Mr. and Mrs. Rady may be shareholders, officers and/or directors of the various companies and in that respect are able to control disposition and voting of the shares of the Issuer owned by each such company.
