**Item 5.02. Departure of Directors or Principal Officers; Election of Directors; Appointment of Principal Officers.**

Effective June 25, 2005, the Board of Directors of Suntron Corporation (the Company) elected Hargopal (Paul) Singh as a director of the Company and Ivor J. Evans as a director and Vice Chairman of the Board of the Company.

As previously disclosed, Mr. Singh was appointed the Company's President and Chief Executive Officer on May 6, 2005. The Company and Mr. Singh entered into an employment agreement. Under the Employment Agreement, Mr. Singh has agreed to serve as the President and Chief Executive Officer of the Company for an initial term expiring December 31, 2006, which initial term shall be automatically renewed for additional one-year terms unless timely notice of non-renewal is given by either the Company or Mr. Singh. The Employment Agreement provides that Mr. Singh will receive a base salary of \$300,000, which may be increased from time to time at the discretion of the Company's Board of Directors. In addition, the Employment Agreement provides that Mr. Singh is entitled to receive bonus compensation based on the Company's attainment of performance goals, including EBITDA and other goals determined from time to time by the Compensation Committee or the Board of Directors of the Company. Mr. Singh also received an initial award of options to purchase up to 700,000 shares of the Company's common stock (the Options) at an exercise price equal to the closing sale price of the Company's stock on May 6, 2005. The Options will vest 25% on each anniversary of the grant date, beginning on May 6, 2006, subject to acceleration in the event of a change of control (as defined in the Employment Agreement). The Employment Agreement further provides that, in the event of termination of Mr. Singh's employment with the Company, the Company will pay to Mr. Singh one-year's base salary and pro-rated bonus through the date of termination if he is terminated by the Board without cause (as defined in the Employment Agreement) or if he terminates his employment with good reason (as defined in the Employment Agreement). If Mr. Singh's employment is terminated by the Company without cause or by Mr. Singh for good reason within six months prior to a change of control or within one year after a change of control, the Company will pay to Mr. Singh a bonus to the extent that the value of the Options is less \$600,000 at the time of termination. Such bonus, if any, will be equal to the difference between \$600,000 and the value of the Options. The Employment Agreement also includes certain restrictive covenants which limit Mr. Singh's ability to compete with the Company or divulge certain confidential information concerning the Company.

Mr. Evans is an Operating Partner of Thayer Capital Partners, a private equity investment firm, which controls Thayer Equity Investors IV, L.P. Thayer Equity Investors IV, L.P. is the majority owner of our largest stockholder, Thayer-Blum Funding III, L.L.C., which holds approximately 89.7% of our outstanding common stock. On May 2, 2005, the Company entered into a consulting arrangement with Mr. Evans, pursuant to which Mr. Evans will be paid an annual consulting fee of \$200,000 for his services to the Company.

There were no arrangements or understandings between Messrs. Singh or Evans and any other persons pursuant to which Messrs. Singh and Evans were selected as officers or directors of the Company. None of the Company's current directors or executive officers has a family relationship with Messrs. Singh or Evans.
