To the extent that the rights, preferences, privileges and restrictions of the Series A Preferred Stock are not stated and expressed in the Certificate of Incorporation, the Board of Directors does hereby fix and herein state and express such rights, preferences, privileges and restrictions thereof (all terms used herein which are defined in the Certificate of Incorporation shall be deemed to have the meanings provided therein), as follows:

1. DESIGNATION AND AMOUNT. The shares shall be designated as "Series A Preferred Stock," par value \$6.00 per share, and the number of shares constituting such series shall be 2,000.

2. DIVIDENDS AND DISTRIBUTIONS.

(a) The holders of the Series A Preferred Stock shall be entitled to receive, but only when and as declared by the Board of Directors, out of any assets of the Corporation legally available for the purpose, cash dividends at the rate of \$0.50 per share per annum, payable out of funds legally available therefor. Such dividends shall be non-cumulative. No dividends (other than those payable solely in the Common Stock of the Corporation) shall be paid on any Common Stock of the Corporation during any fiscal year of the Corporation until dividends in the total amount of \$0.50 per share per annum on the Series A Preferred Stock shall have been paid or declared and set apart during that fiscal year. (b) Notwithstanding anything contained herein to the contrary, no dividends on shares of Series A Preferred Stock shall be declared by the Board of Directors or paid or set apart for payment by the Corporation at such time if such declaration or payment shall be restricted or prohibited by law.

(d) Neither the consolidation or merger of the Corporation with or into any other corporation or corporations, nor the sale or transfer by the Corporation of all or any part of its assets, shall be deemed to be a Liquidation of the Corporation for purposes of this Section 3. Further, no adjustment shall be made to any shares of Series A Preferred Stock for any stock dividends, combination or splits with respect to any capital stock of the corporation.
