ITEM 4. CHANGES IN REGISTRANT'S CERTIFYING ACCOUNTANTS.

(a) On November 12, 2003, Alternative Technology Resources, Inc. (the "Registrant") and Ernst & Young LLP ("Ernst & Young"), mutually agreed to cease their existing professional relationship. The decision to cease the existing relationship with Ernst & Young was recommended by the audit committee. The Registrant is currently involved in the process of engaging a new independent accountant.

During the Registrant's two most recent fiscal years ended June 30, 2003 and 2002, and the subsequent interim period through November 12, 2003, the date of this report, there were no disagreements with Ernst & Young on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedures, which disagreements if not resolved to Ernst & Young 's satisfaction would have caused it to make a reference to the subject matter of the disagreements in connection with its reports. During these periods, there were no "reportable events" described under Item 304(a)(1)(v) of Regulation S-B.

The audit report of Ernst & Young on the financial statements of the Registrant as of and for the past two fiscal years ended June 30, 2003 and 2002, did not contain any adverse opinion or disclaimer of opinion, nor were they qualified or modified as to uncertainty, audit scope, or accounting principles,

except that the audit reports for the past two fiscal years contained an explanatory paragraph indicating that there is substantial doubt about the Registrant's ability to continue as a going concern.

In response to the Registrant's request, Ernst & Young has furnished the Registrant with a letter addressed to the Securities and Exchange Commission stating whether or not it agrees with the above statements. A copy of such letter dated November 13, 2003, is attached hereto as Exhibit 16.1 to this Form 8-K.

(b) The Registrant is in the process of selecting a new independent accountant for its current fiscal year.
