Stock Awards to Certain Executive Officers

On April 7, 2015, the Compensation Committee and the Board of Directors of the Company approved the grant of stock awards to Mr. Abramson and Mr. Rosenblatt pursuant to the Universal Display Corporation Equity Compensation Plan. For each of Mr. Abramson and Mr. Rosenblatt, the award relates to 250,000 shares of common stock of the Company.

Each award will vest ratably over a five-year period beginning on the first anniversary of the date of grant, subject to the grantee's continued employment with the Company through the applicable vesting date. The awards are subject to accelerated vesting in the event of a change in control of the Company. The grantee is required to retain the shares for one year after vesting, except in the event of his death or a change in control of the Company. The stock award agreements contain "clawback" provisions that require forfeiture of the shares awarded, whether or not vested, on request of the Compensation Committee under specified circumstances during the one-year retention period.
