ABOUT THE ANNUAL MEETING

WHO IS SOLICITING YOUR VOTE?

The Board of Directors of Bovie Medical Corporation (the "Company") is soliciting your vote at the 2014 Annual Meeting of Bovie's common stockholders being held at 3:00 p.m. Eastern Standard Time on July 17, 2014, at the offices of Ruskin Moscou Faltischek, P.C., East Tower, 15th Floor, 1425 RXR Plaza, Uniondale, New York 11556, Telephone No. (516) 663-6600.

WHAT WILL YOU BE VOTING ON?

(1) Election of seven (7) directors to the Board of Directors; (2) Ratification of Kingery & Crouse, PA, as Bovie's auditors for the fiscal year ending December 31, 2014; (3) Approval of a non-binding advisory resolution supporting the compensation of our named executive officers; and (4) any other matters which may properly come before the meeting.

HOW MANY VOTES DO STOCKHOLDERS HAVE?

You will have one vote for every share of the Company's common stock you owned of record on June 9, 2014 (the "Record Date"), inclusive of the holders of the Company's Series A 6% Convertible Preferred Stock on an as-converted basis.

HOW MANY VOTES CAN BE CAST BY ALL STOCKHOLDERS?

Each outstanding share of common stock which was outstanding on the Record Date, inclusive of the holders of the Company's Series A 6% Convertible Preferred Stock on an as-converted basis, is entitled to one vote. The common stock, and the holders of the Company's Series A 6% Convertible Preferred Stock on an as-converted basis, will vote as a single class on all matters scheduled to be voted on at the Annual Meeting. There is no cumulative voting.

HOW MANY VOTES MUST BE PRESENT TO HOLD THE MEETING?

A majority of the outstanding shares of common stock entitled to vote (inclusive of shares of the Company's Series A 6% Convertible Preferred Stock on an as-converted basis) represented in person or by proxy constitute a quorum. Abstentions and broker non-votes will count for purposes of determining whether a quorum exists, but not for voting purposes.

HOW MAY I VOTE MY SHARES?

You can vote either in person at the Annual Meeting or by proxy without attending the Annual Meeting. We urge you to vote by proxy even if you plan to attend the Annual Meeting so that we will know as soon as possible that enough votes will be present for us to hold the meeting.

(a) How may I vote my shares in person at the meeting?

If your shares are registered directly in your name with our transfer agent, Manhattan Transfer Registrar Co., on the Record Date, you are considered, with respect to those shares, the stockholder of record, and the proxy materials and proxy card are being sent directly to you by the Company. As the stockholder of record, you have the right to vote in person at the meeting. If your shares are held in a brokerage account or by another nominee, you are considered the beneficial owner of shares held in street name, and the proxy materials are being forwarded to you together with a voting instruction card. As the beneficial owner, you are also invited to attend the Annual Meeting. Since you are a beneficial owner and not the stockholder of record, you may not vote these shares in person at the meeting unless you obtain a “legal proxy” from the broker, trustee or nominee that holds your shares in its name, giving you the right to vote the shares at the meeting.

(b) How can I vote my shares without attending the meeting?

Whether you hold shares directly as a registered stockholder of record or beneficially in street name, you may vote without attending the meeting. You may vote by granting a proxy or, for shares held in street name, by submitting voting instructions to your broker or nominee. In most cases, you will be able to do this by telephone, by using the internet or by mail. Please refer to the summary instructions included with proxy materials and on your proxy card. For shares held in street name, the voting instruction card will be included in the materials forwarded by the broker or nominee. If you have telephone or internet access, you may submit your proxy by following the instructions with your proxy materials and on your proxy card. You may submit your proxy by mail by signing your proxy card or, for shares held in street name, by following the voting instructions with your proxy materials and on your proxy card. You may submit your proxy by mail by signing your proxy card or, for shares held in street name, by following the voting instruction card included in the materials forwarded by your stockbroker or nominee and mailing it in the enclosed, postage paid envelope. If you provide specific voting instructions, your shares will be voted as you have instructed.

WHAT ARE “BROKER NON-VOTES”?

Broker non-votes occur when a beneficial owner of shares held in “street name” does not give instructions to the broker or nominee holding the shares as to how to vote on matters deemed “non-routine.” Generally, if shares are held in street name, the beneficial owner of the shares is entitled to give voting instructions to the broker or nominee holding the shares. If the beneficial owner does not provide voting instructions, the broker or nominee can still vote the shares with respect to matters that are considered to be “routine,” but not with respect to “non-routine” matters. Under the rules and interpretations of the New York Stock Exchange (“NYSE”), “non-routine” matters are matters that may substantially affect the rights or privileges of stockholders, such as mergers, stockholder proposals, election of directors (even if not consented) and executive compensation.

HOW MANY VOTES ARE NEEDED TO APPROVE EACH PROPOSAL?

>For Proposal One, each of the seven (7) nominees for director, must receive “For” votes from the holders of a majority of shares present and entitled to vote in person or by proxy. Only votes “For” or “Withheld” will affect the outcome. Broker non-votes will not affect the outcome of the vote on this matter.

>For Proposal Two, regarding the ratification of Kingery & Crouse PA as the Company's independent registered public accounting firm for its fiscal year ending December 31, 2014, we must receive "For" votes from the holders of a majority of shares present and entitled to vote in person or by proxy. If you "Abstain" from voting, it will have the same effect as an "Against" vote. Broker non-votes will not affect the outcome of the vote on this matter.

> For Proposal Three, the approval of a non-binding advisory resolution supporting the compensation of our named executive officers, must receive “For” votes from the holders of a majority of shares present and entitled to vote in person or by proxy. If you “Abstain” from voting, it will have the same effect as an “Against” vote. Broker non-votes will not affect the outcome of the vote on this matter.

In the case of Proposal Three, the advisory votes with respect to executive compensation will neither be binding on the Company or Board of Directors, nor will they create or imply any change in the fiduciary duties of or impose any additional fiduciary duties on, the Company or the Board of Directors. However, the Board of Director values the opinions expressed by the stockholders in this advisory vote and will consider the outcome of this vote in determining its compensation policies.

WHAT IS THE QUORUM REQUIREMENT?

A quorum of stockholders is necessary to hold a valid meeting. A quorum will be present if stockholders holding at least a majority of the outstanding shares entitled to vote are present at the meeting in person or represented by proxy. On the record date, there were 17,912,049 shares of common stock issued and outstanding and entitled to vote and 3,500,000 shares of the Company’s Series A 6% Convertible Preferred Stock issued and outstanding of which 1,947,747 shares are entitled to vote. Thus, the holders of 19,859,796 shares of voting stock must be present in person or represented by proxy at the meeting to have a quorum.

Your shares will be counted towards the quorum only if you submit a valid proxy (or one is submitted on your behalf by your broker, bank or other nominee) or if you vote in person at the meeting. Abstentions and broker non-votes will be counted towards the quorum requirement. If there is no quorum, the holders of a majority of shares of voting stock present at the meeting in person or represented by proxy may adjourn the meeting to another date.

CAN YOU CHANGE YOUR VOTE?

(a) Can a stockholder change his vote?

Yes. Any registered stockholder who voted by proxy or in person may change his or her vote at any time before recording the votes on the date of the Annual Meeting.

(b) How can I change my vote after I return my proxy card?

Provided you are the stockholder of record or have legal proxy from your nominee, you may revoke your proxy and change your vote at any time before the final vote at the meeting. You may do this by signing and submitting a new proxy card bearing a later date, or by attending the meeting and voting in person. Attending the meeting will not revoke your proxy unless you specifically request it.

WHAT IF YOU DO NOT VOTE FOR SOME OF THE MATTERS LISTED ON YOUR PROXY?

If you return a signed proxy without indicating your vote for some or all of the proposals, your shares will be voted “FOR” the Board’s nominees for director, “FOR” the ratification of Kingery & Crouse, PA and “FOR” the approval of the non-binding advisory resolution supporting the compensation of our named executive officers and in the proxy holder’s best judgment as to any other matters raised at the Annual Meeting.

WHAT IF YOU VOTE "ABSTAIN"?

A vote to “abstain” on any matter indicates that your shares will not be voted for such matter and will have the effect of a vote against the proposal. Abstentions are considered as being present for quorum purposes.

CAN YOUR SHARES BE VOTED IF YOU DO NOT RETURN YOUR PROXY AND DO NOT ATTEND THE ANNUAL MEETING?

A broker non-vote occurs when a nominee holding shares for a beneficial owner does not vote on a particular proposal because the nominee does not have discretionary voting power for that particular item, and has not received instructions from the beneficial owner. Broker non-votes count for quorum purposes but not for voting purposes.

If you do not attend and vote your shares which are registered in your name or if you do not otherwise fill out the proxy card and vote by proxy, your shares will not be voted.

WHAT HAPPENS IF THE MEETING IS POSTPONED OR ADJOURNED?

Your proxy will still be valid and may be voted at the postponed or adjourned meeting. You will still be able to change or revoke your proxy until it is actually voted.

WHAT IS HOUSEHOLDING OF ANNUAL MEETING MATERIALS?

Some banks, brokers and other nominee record holders may be participating in the practice of “householding” proxy statement and annual reports. This means that only one copy of our proxy statement and annual report to Stockholders may have been sent to multiple Stockholders in your household. We will promptly deliver a separate copy of either document to you if you contact the Secretary at the following address or telephone number: 5115 Ulmerton Road, Clearwater, Florida 33760, Telephone No. (727) 384-2323. If you want to receive separate copies of the proxy statement or the annual report to Stockholders in the future, or if you are receiving multiple copies and would like to receive only one copy per household, you should contact your bank, broker or other nominee record holder, or you may contact the Company at the above address or telephone number.

DO STOCKHOLDERS HAVE DISSENTER’S RIGHTS?

Stockholders are not entitled to dissenter’s rights of appraisal with respect to any of the proposals being voted on.

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS THAT YOU VOTE "FOR" THIS PROPOSAL 1 TO ELECT AS DIRECTORS THE SEVEN NOMINEES PROPOSED BY THE GOVERNANCE AND NOMINATING COMMITTEE OF THE BOARD OF DIRECTORS.

Information Regarding our Board of Directors

Our Certificate of Incorporation and Bylaws provide for our Company to be managed by or under the direction of the Board of Directors. Under our Certificate of Incorporation and Bylaws, the number of directors is fixed from time to time by the Board of Directors. The maximum number of directors permitted is currently fixed at nine, and the number of directors constituting the entire Board is currently seven. The Board currently has four members which have been determined to be "independent" as defined by the applicable rules of the NYSE MKT Market and the Securities and Exchange Commission. These "independent" directors are Michael Norman, Ian Sheffield, Michael Geraghty, and Lawrence J. Waldman. If John C. Andres is elected to the Board, he will be an "independent" director as defined by the applicable rules of the NYSE MKT Market and the Securities and Exchange Commission. Our Common Stock is listed on the NYSE MKT Market under the symbol "BVX".

The primary responsibilities of our Board of Directors are to provide oversight, strategic guidance, counseling and direction to our management. Our Board of Directors meets on a regular basis and additionally as required. Written or electronic materials are distributed in advance of meetings as a general rule and our Board of Directors schedules meetings with, and presentations from, members of our senior management on a regular basis and as required.

Directors are elected at the Annual Meeting of Stockholders and hold office until our next Annual Meeting and until their successors are elected and qualified. Officers are appointed by the Board of Directors and serve at the pleasure of the Board of Directors.

The Board of Directors held seven (7) meetings and acted by unanimous written consent two (2) times during the 2013 fiscal year. All of the directors attended 100% of the meetings of the Board of Directors and of the committees

on which they served. While we encourage all members of the Board of Directors to attend Annual Meetings of Stockholders, there is no formal policy as to their attendance. All board members, except Michael Geraghty, were in attendance at the 2013 Annual Meeting.

Legal Proceedings Involving Directors

There were no legal proceedings involving the nominees to the Board of Directors in the past ten years.

Board Leadership Structure

The Board has no formal policy with respect to separation of the positions of Chairman and CEO or with respect to whether the Chairman should be a member of management or an independent director, and believes that these are matters that should be discussed and determined by the Board from time to time. On December 13, 2013, Andrew Makrides resigned from his position as Chief Executive Officer of the Company (while maintaining his position as Chairman of the Board) and Robert L. Gershon was appointed as Chief Executive Officer of the Company. Mr. Gershon is tasked with the responsibility of implementing our corporate strategy, and we believe he is best suited for leading discussions, at the Board level, regarding performance relative to our corporate strategy, which discussion accounts for a significant portion of the time devoted at our Board meetings.

Risk Management Oversight

The Board believes that risk management is an important component of the Company's corporate strategy. While we assess specific risks at our committee levels, the Board, as a whole, oversees our risk management process, and discusses and reviews with management major policies with respect to risk assessment and risk management. The Board is regularly informed through its interactions with management and committee reports about risks we face in the course of our business. Our Audit Committee also takes an active role in risk assessment and risk management.

He manages the CPA firm, Michael Norman, CPA, PC since 1994 specializing in business financial planning as well as governmental and financial auditing. COMMITTEES OF OUR BOARD OF DIRECTORS

We have a standing Audit Committee, Compensation Committee and Governance and Nominating Committee.

Audit Committee

The Audit Committee assists the Board in its general oversight of our financial reporting, internal controls, and audit functions, and is directly responsible for the appointment, compensation and oversight of the work of our independent registered public accounting firm. The Audit Committee reviews and discusses with management and our independent accountants the annual audited and quarterly financial statements (including the disclosures under “Management’s Discussion and Analysis of Financial Condition and Results of Operations”), reviews the integrity of the financial reporting processes, both internal and external, reviews the qualifications, performance and independence of our independent accountants, and prepares the Audit Committee Report included in its Annual Report on Form 10-K in accordance with rules and regulations of the Securities and Exchange Commission. The Audit Committee has the power to investigate any matter brought to its attention within the scope of its duties. It also has the authority to retain counsel and advisors to fulfill its responsibilities and duties. The Audit Committee also acts as a qualified legal compliance committee.

Our Audit Committee consists of three independent members of the Board of Directors, Michael Norman CPA, Ian Sheffield, and Lawrence J. Waldman, CPA. The Board shall designate a substitute member to replace Mr. Norman on the Audit Committee after the 2014 Annual Meeting. As a smaller reporting company, we are required to have at least two independent members comprising our Audit Committee in accordance with Rule 10A-3 of the Securities Exchange Act of 1934 and the rules of the NYSE MKT Exchange. During 2013 Lawrence J. Waldman, CPA served as the Audit Committee Chairman and financial expert. Mr. Waldman qualifies as a “financial expert” (as defined in Item 407(a)(5) of Regulation S-K promulgated under the Exchange Act), for the Committee and also serves as its Chairman. Lawrence J. Waldman serves as the Chairman of the Audit Committee and as the Audit Committee financial expert. Audit Committee meets as often as it determines necessary but not less frequently than once every fiscal quarter. During 2013, the Audit Committee held four (4) meetings.

A copy of the Audit Committee Charter will be provided to any person without charge upon written request to the Company’s address to the attention of the Secretary. A copy of the Audit Committee Charter is available at www.boviemed.com. Select the “Investor Relations” button.

Governance and Nominating Committee

The Governance and Nominating Committee is responsible for matters relating to the corporate governance of our company and the nomination of members of the board and committees thereof. During 2013, our Governance and Nominating Committee consisted of three independent members of the Board of Directors, Michael Norman CPA who serves as Chairman, Lawrence J. Waldman, and Michael Geraghty. The Board shall designate a substitute member to replace Mr. Norman on the Governance and Nominating Committee after the 2014 Annual Meeting. The Governance and Nominating Committee meets as often as it determines necessary, but not less than once a year. During 2013, the Governance and Nominating Committee held one (1) meeting.

When considering whether directors and nominees have the experience, qualifications, attributes or skills, taken as a whole, to enable the Board of Directors to satisfy its oversight responsibilities effectively in light of the Company’s business and structure, the Governance and Nominating Committee focused primarily on each person’s background and experience as reflected in the information discussed in each of the directors’ individual biographies set forth above. We believe that our directors provide an appropriate mix of experience and skills relevant to the size and nature of our business. As more specifically described in such person’s individual biographies set forth above, our directors possess relevant and industry-specific experience and knowledge in the medical, engineering and business fields, as the case may be, which we believe enhances the Board’s ability to oversee, evaluate and direct our overall corporate strategy. The Governance and Nominating Committee annually reviews and makes recommendations to the Board regarding the composition and size of the Board so that the Board consists of members with the proper expertise, skills, attributes, and personal and professional backgrounds needed by the Board, consistent with

applicable regulatory requirements.

The Governance and Nominating Committee believes that all directors, including nominees, should possess the highest personal and professional ethics, integrity, and values, and be committed to representing the long-term interests of our stockholders. The Governance and Nominating Committee will consider criteria including the nominee's current or recent experience as a senior executive officer, whether the nominee is independent, as that term is defined in existing independence requirements of the NYSE MKT Market and the Securities and Exchange Commission, the business, scientific or engineering experience currently desired on the Board, geography, the nominee's industry experience, and the nominee's general ability to enhance the overall composition of the Board.

The Governance and Nominating Committee does not have a formal policy on diversity; however, in recommending directors, the Board and the Committee consider the specific background and experience of the Board members and other personal attributes in an effort to provide a diverse mix of capabilities, contributions and viewpoints which the Board believes enables it to function effectively as the Board of Directors of a company with our size and nature of business.

If a Stockholder wishes to nominate a candidate to be considered for election as a director at the 2015 Annual Meeting of Stockholders, he or she must submit nominations in accordance with the procedures set forth in “Stockholder Proposals For Next Annual Meeting.” If a Stockholder wishes simply to propose a candidate for consideration as a nominee by the Governance and Nominating Committee, he or she should submit any pertinent information regarding the candidate to the members of the Governance and Nominating Committee of Bovie Medical Corporation, c/o Secretary, 5115 Ulmerton Road, Clearwater, Florida 33760.

A copy of the Governance and Nominating Committee Charter will be provided to any person without charge upon written request to the Company’s address to the attention of the Secretary. COMPENSATION DISCUSSION AND ANALYSIS

General Compensation Philosophy

The primary objective of our compensation program for employees, including our compensation program for executive officers, is to attract, retain, and motivate qualified individuals and reward them in a manner that is fair to all stockholders. We strive to provide incentives for every employee that rewards them for their contribution to the Company.

Our compensation program is designed to be competitive with other employment opportunities and to align the interests of all employees, including executive officers, with the long-term interests of our stockholders. Historically, for our executive officers, we link a much higher percentage of total compensation to incentive compensation such as stock based compensation than we do for other employees.

With these objectives in mind, our Board has built executive and non-executive compensation programs that consist of two principal elements - base salary and grants of stock options and/or shares of restricted stock.

Compensation Program

Base Salary

We pay base salaries to our Named Executive Officers (as defined below) in order to provide a consistent, minimum level of pay that sustained individual performance warrants. We also believe that a competitive annual base salary is important to attract and retain an appropriate caliber of talent for each position over time.

The annual base salaries of our Named Executive Officers are determined by our Compensation Committee and approved by the Board of Directors. All salary decisions are based on each Named Executive Officer's level of responsibility, experience and recent and past performance, as determined by the Compensation Committee. The Compensation Committee does not benchmark its base salaries in any way, nor do they presently employ the services of a compensation consultant.

Stock Options

The second component of executive compensation is equity grants which have mainly come in the form of stock options. We believe that equity ownership in our Company is important to provide our Named Executive Officers with long-term incentives to better align interests of executives with the interests of stockholders and build value for our stockholders. In addition, the equity compensation is designed to attract and retain the executive management team. Stock options have value only if the stock price increases over time and, therefore, provide executives with an incentive to build Bovie's value. This characteristic ensures that the Named Executive Officers have a meaningful portion of their compensation tied to future stock price increases and rewards management for long-term strategic planning through the resulting enhancement of the stock price.

Stock option awards to Named Executive Officers are entirely discretionary. The CEO recommends to the Compensation Committee which individuals should be awarded stock options. The Compensation Committee considers the prior contribution of these individuals and their expected future contributions to our growth then formulates and presents the recommended allocation of stock option awards to the Board of Directors for approval. The Board of Directors approves or, if necessary, modifies the Committee's recommendations.

Perquisites and Other Benefits

Our Named Executive Officers are eligible for the same health and welfare programs and benefits as the rest of our employees in their respective locations. In addition, our CEO, Chairman of the Board, President and Chief Sales and Marketing Officer, Chief Financial Officer, Chief Commercialization Officer, and Senior Vice President each receive an automobile allowance of approximately \$6,000 per year.

Our Named Executive Officers are entitled to participate in and receive employer contributions to Bovie's 401(k) Savings Plan. However, during January of 2009 management made the decision to suspend the employer 401(k) match, which was reinstated in May 2014. For more information on employer contributions to the 401(k) Savings Plan see the Summary Compensation Table and its footnotes.

Tax and Accounting Considerations

Section 162(m) of the Internal Revenue Code of 1986, as amended (the "Code"), places a limit of \$1,000,000 on the amount of compensation that we may deduct as a business expense in any year with respect to each of our most highly paid executives unless, among other things, such compensation is performance-based and has been approved by stockholders. The non-performance-based compensation paid to our executive officers for the 2012 fiscal year did not exceed the \$1 million limit per executive officer. Accounting considerations also play an important role in the design of our executive compensation program. Accounting rules, such as FASB ASC Topic 718-10-10, Share-Based Payment, require us to expense the cost of our stock option grants which reduces the amount of our reported profits. Because of option expensing and the impact of dilution on our stockholders, we pay close attention to the number and value of the shares underlying stock options we grant.

Summary Compensation Table

The following table sets forth the compensation paid to our chief executive officer, chief financial officer, and other highly compensated officers, our "Named Executive Officers," with respect to the Company's fiscal years ended December 31, 2013, December 31, 2012, and December 31, 2011. The table below does not include Peter Donato, the Company's Chief Financial Officer, who was appointed effective as of May 5, 2014. The Company has no executive officers other than the "Named Executive Officers."

The employment agreements provide, among other things, that the executive may be terminated as follows:

- (a) Upon the death of the executive, in which case the executive's estate shall be paid the basic annual compensation due the employee pro-rated through the date of death.
- (b) By the resignation of the executive at any time upon at least thirty (30) days prior written notice to Bovie in which case Bovie shall be obligated to pay the employee the basic annual compensation due him pro-rated to the effective date of termination.
- (c) By Bovie, "for cause" if during the term of the employment agreement the employee violates the non-competition provisions of his employment agreement, or is found guilty in a court of law of any crime of moral turpitude in which case the contract would be terminated and provisions for future compensation forfeited.
- (d)

By Bovie, without cause, with the majority approval of the Board of Directors, for Mr. Makrides, Mr. Gershon, Mr. Saron, and Mr. Citronowicz at any time upon at least thirty (30) days prior written notice to the executive. - (8) These columns represent the grant date fair value of the awards as calculated in accordance with FASB ASC 718 (Stock Compensation). Pursuant to SEC rule changes effective February 28, 2010, we are required to reflect the total grant date fair values of the option grants in the year of grant, rather than the portion of this amount that was recognized for financial statement reporting purposes in a given fiscal year which was required under the prior SEC rules, resulting in a change to the amounts reported in prior Annual Reports.
- (9) Mr. Norman has informed the Board that he intends to retire from the Board upon the conclusion of his term and, therefore, will not stand for reelection at the 2014 Annual Meeting of Stockholders.

- (11) Mr. Sheffield was appointed to the Board in December 2013.

Directors' compensation is determined by the Board of Directors based upon recommendations from the Compensation Committee. A Board member's service year begins upon stockholders approval at the annual meeting and continues until the next annual meeting. The Board periodically grants directors stock options in order to assure that they have proper incentives and an opportunity for an ownership interest in common with other stockholders. In 2011, the Board decided to add cash payments as a compensation method. Independent board members receive \$500 per meeting for attendance in any and all telephonic meetings and \$1,000 per meeting for attendance at any in person board meetings for that month. In addition, the Chairman of our Audit Committee receives a monthly stipend of \$3,000, plus a one-time grant of 25,000 stock options.

Our Board of Directors presently consists of Robert L. Gershon, J. Robert Saron, Andrew Makrides, Michael Norman, Ian Sheffield, Lawrence J. Waldman, and Michael Geraghty.

In 2003, the Board of Directors adopted and stockholders approved Bovie's 2003 Executive and Employee Stock Option Plan covering a total of 1,200,000 shares of common stock issuable upon exercise of options to be granted under the Plan. In 2001, the Board of Directors adopted the 2001 Executive and Employee Stock Option Plan which reserved for issuance 1,200,000 stock options.

On October 30, 2007, stockholders approved and the Board of Directors adopted an amendment to the 2003 Executive and Employee Stock Option Plan to increase the maximum aggregate number of shares of common stock reserved for issuance under the 2003 Plan from 1.2 million shares (already reserved against outstanding options) to 1.7 million shares, or an increase of 500,000 shares of common stock for future issuance pursuant to the terms of the plan. Except for the increase in the number of shares covered by the plan, the plan remains otherwise unchanged from its present status. In 2011, the Board of Directors granted 25,000 options to purchase a like number of shares of common stock.

In July of 2012, the shareholders approved the 2012 Executive and Employee Stock Option Plan covering a total of 750,000 shares of common stock issuable upon exercise of options to be granted under the plan. At December 31, 2013 approximately 269,500 remain to be issued in this plan.

There have been no changes in the pricing of any options previously or currently awarded.

SECTION 16(A) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Securities Exchange Act of 1934 requires our officers and directors, and persons who own more than ten percent of a registered class of our equity securities, to file reports of ownership and changes in ownership with the Securities and Exchange Commission. Officers, directors and greater than ten-percent shareholders are required by SEC regulation to furnish us with copies of all Section 16(a) forms they file.

Based solely on a review of the copies of such forms furnished to us, we believe that during the year ended December 31, 2013, all officers, directors and ten percent beneficial owners who were subject to the provisions of Section 16(a) complied with all of the filing requirements during the year.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

Our policy is that employees, non-employees, and third parties must obtain authorization from the appropriate department executive manager, for any business relationship or proposed business transaction in which they or an immediate family member has a direct or indirect interest, or from which they or an immediate family member may derive a personal benefit (a “related party transaction”). The maximum dollar amount of related party transactions that may be approved as described above in this paragraph in any calendar year is \$120,000. Any related party transactions that would bring the total value of such transactions to greater than \$120,000 must be referred to the Audit Committee to determine the procedure for approval, and then have the recommendations presented to the Board of Directors for approval.

A relative of Moshe Citronowicz, Bovie’s Senior Vice President, is considered a related party. Arik Zoran, is a consultant of the Company doing business as AR Logic, Inc., which is a consulting firm owned by Arik Zoran, Mr. Citronowicz’s brother. During January 2011, we entered into a three year consulting services agreement with AR Logic that provides for a monthly retainer for engineering support for our existing generator product line and a separate hourly based fee structure for additional consulting related to new product lines. AR Logic was paid consulting fees of approximately \$266,600, \$223,500 and \$171,700 during 2013, 2012 and 2011, respectively.

A second relative of Mr. Citronowicz is considered a related party. Yechiel Tsitrinovich is also a brother of Mr. Citronowicz, and acts as a consultant to the Company related to research and development of certain products. Mr. Tsitrinovich has a royalty contract with us related to the creation and design of a proprietary technology that is used in some of our generators. Mr. Tsitrinovich was paid a combination of consulting fees and royalties on previous product designs approximating \$72,890, \$77,218, and \$85,310 for 2013, 2012, and 2011, respectively.

PROPOSAL TWO

RATIFICATION OF AUDITORS

The Audit Committee is currently in the process of reviewing the engagement of Kingery & Crouse P.A. (“Kingery”) and has not yet recommended whether Kingery should be engaged as the Company’s independent auditors for the fiscal year ending December 31, 2014.

Kingery has acted as the Company’s independent registered public accounting firm for the fiscal year ending December 31, 2013. Representatives of Kingery are expected to be available at the meeting to respond to appropriate questions and will be given the opportunity to make a statement if they desire to do so. Neither the Company's bylaws nor the governing documents or law require stockholder ratification of the selection of Kingery as the Company's independent registered public accounting firm. However, this proposal is being submitted to the stockholders as a matter of good corporate practice. The Audit Committee is currently in the process of reviewing Kingery’s engagement and the Board has not made any recommendation regarding the ratification of Kingery as the Company’s independent auditors for the fiscal year ending December 31, 2014. If the stockholders do not ratify Kingery, the appointment of another firm of independent certified public accountants may be considered by the Audit Committee. Even if Kingery is ratified, the Audit Committee may, in its discretion, direct the appointment of a different independent registered public accounting firm at any time during the year if they determine that doing so is in the best interests of the Company and its stockholders.

THE BOARD HAS NOT MADE A RECOMMENDATION REGARDING THE RATIFICATION OF KINGERY & CROUSE, PA AS THE COMPANY’S INDEPENDENT AUDITORS FOR FISCAL YEAR ENDING DECEMBER 31, 2014.

The following table sets forth the aggregate fees billed to us for fiscal years ended December 31, 2013 and 2012 by our current accountants, Kingery & Crouse P.A. (in thousands) :

	2013	2012
Audit fees (1)	\$ 120	\$ 124
Non-Audit fees:		
Audit related fees(2)	\$ 10	\$ 11
Tax fees(3)	--	--
All other fees(4)	--	--
Total fees billed	\$ 130	\$ 135

- (1) Audit fees consist of fees billed for professional services rendered for the audit of Bovie’s annual financial statements and reviews of its interim consolidated financial statements included in quarterly reports and other services related to statutory and regulatory filings or engagements.
- (2) Audit related fees consist of fees billed for assurance and related services that are reasonably related to the performance of the audit or reviews of Bovie’s consolidated financial statements and are not reported under “Audit Fees”.
- (3) Tax fees consist of fees billed for professional services rendered for tax compliance and tax advice (domestic and international). These services include assistance regarding federal, state and international tax compliance, acquisitions and international tax planning.
- (4) All other fees consist of fees for products and services other than the services reported above.

AUDIT COMMITTEE REPORT

Our Audit Committee is composed of “independent” directors, as determined in accordance with Rule 10A-3 of the Securities Exchange Act of 1934. The Audit Committee operates pursuant to a written charter adopted by the Board of Directors.

As described more fully in its charter, the purpose of the Audit Committee is to assist the Board of Directors with its oversight responsibilities regarding the integrity of our financial statements, our compliance with legal and regulatory requirements, assessing the independent registered public accounting firm's qualifications, independence and performance for us. Management is responsible for preparation, presentation and integrity of our financial statements as well as our financial reporting process, accounting policies, internal audit function, internal accounting controls and disclosure controls and procedures. The independent registered public accounting firm is responsible for performing an independent audit of our consolidated financial statements in accordance with generally accepted auditing standards and to issue a report thereon. The Audit Committee's responsibility is to monitor and oversee these processes. The following is the Audit Committee's report submitted to the Board of Directors for 2013.

As part of its oversight of the Company's financial statements, the Audit Committee reviews and discusses with both management and the Company's independent registered public accountants all annual and quarterly financial statements prior to their issuance. During fiscal 2012, management advised the Audit Committee that each set of financial statements reviewed had been prepared in accordance with generally accepted accounting principles, and management reviewed significant accounting and disclosure issues with the Audit Committee. These reviews included discussion with the independent registered public accountants of matters required to be discussed pursuant to Public Company Accounting Oversight Board AU 380 (Communication With Audit Committees), including the quality of the Company's accounting principles, the reasonableness of significant judgments and the clarity of disclosures in the financial statements. The Audit Committee also discussed with Kingery & Crouse, P.A. matters relating to its independence, including a review of audit and non-audit fees and the written disclosures and letter from Kingery & Crouse, P.A. to the Audit Committee pursuant to applicable requirements of the Public Company Accounting Oversight Board regarding the independent accountants' communications with the Audit Committee concerning independence.

In addition, the Audit Committee has met separately in executive session with management and with Kingery & Crouse, P. A.

Based on the review and discussions referred to above, the Audit Committee recommended to the Board of Directors that the audited financial statements be included in our Annual Report on Form 10-K/A for the year ended December 31, 2013 for filing with the Securities and Exchange Commission.

PROPOSAL 3

APPROVAL OF ADVISORY RESOLUTION
SUPPORTING THE COMPENSATION OF OUR NAMED EXECUTIVE OFFICERS

General

Pursuant to the Dodd-Frank Wall Street Reform and Consumer Protection Act (the “Dodd-Frank Act”), and Section 14A of the Securities Exchange Act of 1934, as amended, the Company is asking its stockholders to vote, on an advisory basis, to approve the compensation of its named executive officers as described in this Proxy Statement. This proposal, commonly known as a “say-on-pay” proposal, gives the Company’s stockholders the opportunity to express their views on the compensation of the Company’s Named Executive Officers. For purposes of this Proxy Statement, the following Company executives are referred to collectively as the “Named Executive Officers”: Robert L. Gershon, Andrew Makrides, Gary D. Pickett, J. Robert Saron and Moshe Citronowicz. We are required to hold a vote regarding the frequency of future non-binding advisory votes relating to future named executive officer compensation once every six years. At our 2013 Annual Meeting of Stockholders, our Stockholders voted to hold an annual non-binding advisory vote relating to the frequency of future non-binding advisory votes on resolutions approving future named executive officers compensation.

Compensation Program and Philosophy

Our executive compensation program is designed to attract, reward and retain key employees, including our Named Executive Officers, who are critical to the Company’s long-term success. Stockholders are urged to read the “Executive Compensation” section of this Proxy Statement for greater detail about the Company’s executive compensation programs, including information about the fiscal year 2013 compensation of the Named Executive Officers.

The Company is asking the stockholders to indicate their support for the compensation of the Company’s Named Executive Officers as described in this Proxy Statement by voting in favor of the following resolution:

RESOLVED, that the stockholders ratify and approve the compensation of the Named Executive Officers of Bovie Medical Corporation, as disclosed in the “Executive Compensation”, the Summary Compensation Table and the related compensation tables, notes and narrative in the Proxy Statement for the Company’s 2014 Annual Meeting of Stockholders.

Even though this say-on-pay vote is advisory and therefore will not be binding on the Company, the Compensation Committee and the Board of Directors value the opinions of the Company’s stockholders. Accordingly, to the extent there is a significant vote against the compensation of the Named Executive Officers, the Board of Directors will consider stockholder concerns and the Compensation Committee will evaluate what actions, if any, may be necessary or appropriate to address those concerns. You may vote “for,” “against,” or “abstain” from the proposal to approve on an advisory basis the compensation of our Named Executive Officers.

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS A VOTE “FOR” SUPPORTING THE COMPENSATION OF OUR NAMED EXECUTIVE OFFICERS.

STOCKHOLDER PROPOSALS FOR NEXT ANNUAL MEETING

Shareholder proposals intended to be considered for inclusion in the proxy statement for presentation at the Company's 2014 Annual Meeting of Stockholders must be received in writing at the Company's offices at 5115 Ulmerton Road, Clearwater, Florida 33760, Attn: Corporate Secretary, no later than January 31, 2015, for inclusion in the Company's proxy statement and proxy card relating to such meeting. Such proposals must comply with applicable SEC rules and regulations.

In order for any proposal that is not submitted for inclusion in next year's proxy statement (as described in the preceding paragraph) to be presented directly at next year's annual meeting, we must receive written notice of the proposal in a timely manner. If such notice is received, proxies may be voted at the discretion of management if we advise stockholders in next year's proxy statement about the nature of the matter and how management intends to vote on such matter.

HOUSEHOLDING OF PROXY MATERIALS

The Securities and Exchange Commission permits companies and intermediaries such as brokers to satisfy the delivery requirements for proxy materials with respect to two or more stockholders sharing the same address by delivering a single set of proxy materials addressed to those stockholders. This process, which is commonly referred to as "householding", potentially provides extra conveniences for stockholders and cost savings for companies.

Although we do not intend to household for our stockholders of record, some brokers household our proxy materials, delivering a single set of proxy materials to multiple stockholders sharing an address unless contrary instructions have been received from the affected stockholders. Once you have received notice from your broker that they will be householding materials to your address, householding will continue until you are notified otherwise or until you revoke your consent. If, at any time, you no longer wish to participate in householding and would prefer to receive a separate set of proxy materials, or if you are receiving multiple sets of proxy materials and wish to receive only one, please notify your broker. Stockholders who currently receive multiple sets of the proxy materials at their address and would like to request "householding" of their communications should contact their broker.

OTHER MATTERS

The Board of Directors is not aware of any other matter other than those set forth in this proxy statement that will be presented for action at the Annual Meeting. If other matters properly come before the Annual Meeting, the persons appointed as proxies intend to vote the shares they represent in accordance with their best judgment in the interest of the Company.
