(b) Harold F. Herron, who was Senior Vice-President and a Director of U.S. Energy Corp. (“USE”), has taken early retirement from USE as an employee, and resigned from his positions as Senior Vice-President and a Director of USE. The resignations were on January 18, 2008, although Mr. Herron did not provide active service to USE after December 28, 2007.

(d) Effective January 25, 2008, the USE board of directors has appointed Robert Scott Lorimer to serve as a director to fill the vacancy occasioned by Mr. Herron’s retirement. Mr. Lorimer will serve until the 2008 annual meeting of shareholders, and it is expected that the Nominating Committee will ask Mr. Lorimer to stand for election at the meeting, to serve a full term (USE has staggered terms for each director’s service).

Mr. Lorimer (age 56) has over 30 years experience in the minerals industry. He has been Chief Accounting Officer, Chief Financial Officer, Vice President of Finance and Treasurer for USE for more than the past five years. In 1980, Mr. Lorimer served as Controller for the Gas Hills uranium operations for TVA. He serves at the will of the board of directors. There are no understandings between Mr. Lorimer and any other person, pursuant to which he was named as an officer, or in his position as a director (effective January 25, 2008), and he has no family relationship with any of the other executive officers or directors of USE.
