The unaudited pro forma financial statements in the tables below have been prepared by applying pro forma adjustments to the consolidated financial statements included in Simulations Plus, Inc.’s Annual Report on Form 10-K for the year ended August 31, 2011. The unaudited pro forma statement of operations reflects the transaction described in Item 2.01 above, assuming the transaction had been consummated as of the beginning of the fiscal period presented. The unaudited pro form balance sheet reflects such transactions, assuming they had been consummated as of August 31, 2011.
