2015 Annual Meeting of Shareholders

PROXY STATEMENT

PennyMac Mortgage Investment Trust (“we,” “our,” “us” or the “Company”) is furnishing this Proxy Statement in connection with our solicitation of proxies to be voted at our 2015 Annual Meeting of Shareholders (the “Meeting”). We will hold the Meeting at our corporate offices located at 5898 Condor Drive, Moorpark, California 93021, on Friday, June 5, 2015 at 11:00 a.m. Pacific time, subject to any postponements or adjournments thereof. We are delivering this Proxy Statement and the proxy card to our shareholders commencing on or about April 17, 2015.

QUESTIONS AND ANSWERS ABOUT THE ANNUAL MEETING

What am I voting on?

You will be entitled to vote on the following scheduled proposals at the Meeting:

- The election of four (4) Trustees, Stanford L. Kurland, David A. Spector, Randall D. Hadley and Clay A. Halvorsen, each for a term expiring at the 2018 annual meeting of shareholders;
- The ratification of the appointment of Deloitte & Touche LLP as our independent registered public accounting firm for the fiscal year ending December 31, 2015; and
- The approval, by non-binding vote, of our executive compensation.

How does our Board of Trustees recommend that I vote on these proposals?

Edgar Filing: PennyMac Mortgage Investment Trust - Form DEF 14A

Our Board of Trustees (the “Board”) recommends that you vote “**FOR**” the election of each of the nominees as Trustees, “**FOR**” the ratification of the appointment of Deloitte & Touche LLP as our independent registered public accounting firm for the fiscal year ending December 31, 2015, and “**FOR**” the approval, by non-binding vote, of our executive compensation.

Who can attend the Meeting?

Our Board has set April 6, 2015 as the record date for the Meeting. If you were a shareholder of record as of the close of business on the record date, you are entitled to attend the Meeting, although seating is limited. If you plan to attend, please check the appropriate box on your proxy card and return it as directed on the proxy card.

If you hold your common shares through a broker and you would like to attend, please either (1) write us at Investor Relations, PennyMac Mortgage Investment Trust, 6101 Condor Drive, Moorpark, California 93021, (2) email us at *investorrelations@pnmac.com*, or (3) bring to the Meeting a copy of your brokerage account statement or an omnibus proxy (which you can get from your broker).

In addition, you must bring valid, government-issued photo identification, such as a driver’s license or a passport. No cameras or recording devices of any kind, or signs, placards, banners or similar materials, may be brought into the Meeting. Anyone who refuses to comply with these requirements will not be admitted.

Who is entitled to vote at the Meeting?

If you were a shareholder of record as of the close of business on the record date, you are entitled to notice of, and to vote at, the Meeting and any adjournments thereof. As of the record date, 74,585,222 common shares were issued and outstanding. You are entitled to one vote on each proposal for each common share you held on the record date.

How many shares must be present to hold the Meeting?

The presence in person or by proxy of shareholders entitled to cast a majority of all votes entitled to be cast at the Meeting on any matter constitutes a quorum, which is required in order to hold the Meeting and conduct business. Since there were 74,585,222 eligible votes as of the record date, we will need at least 37,292,612 votes present in person or by proxy at the Meeting for a quorum to exist. If a quorum is not present at the Meeting, we expect that the Meeting will be adjourned to solicit additional proxies.

What shareholder approvals are required to approve the proposals?

Trustees will be elected by a plurality of the votes cast by the holders of our common shares voting in person or by proxy at the Meeting. Ratification of the appointment of our independent registered public accounting firm and approval, by non-binding vote, of our executive compensation will require the affirmative vote of a majority of the votes cast by the holders of our common shares voting in person or by proxy at the Meeting.

How will voting on any other business be conducted?

Other than the three proposals described in this Proxy Statement, we know of no other business to be considered at the Meeting. If any other matters are properly presented at the Meeting, your signed proxy card or Internet or telephonic voting instructions will authorize Stanford L. Kurland, our Chairman of the Board and Chief Executive Officer, and Jeffrey P. Grogin, our Secretary, to vote on those matters according to their best judgment.

How do I vote my shares as a shareholder of record?

Edgar Filing: PennyMac Mortgage Investment Trust - Form DEF 14A

If you were a shareholder of record as of the close of business on the record date, you may vote as instructed on the proxy card by using one of the following methods:

By Mail. If you received a printed copy of the proxy materials, please mark your selections on, and sign and date, the printed proxy card, and return the proxy card by mail in the postage-paid envelope provided.

By Internet. To vote by Internet, go to www.proxyvote.com and follow the instructions at that web site. Internet voting is available 24 hours a day, although your vote by Internet must be received by 11:59 p.m. Eastern Time, June 4, 2015. If you vote by Internet, do not return your proxy card or voting instruction card. If you are a registered shareholder, you will need to have your proxy card in hand when you access the web site and follow the instructions to obtain your records and to create an electronic voting instruction form. If you hold your shares in “street name,” please refer to the Notice of Internet Availability of Proxy Materials or voting instruction card provided to you by your broker, bank or other holder of record for Internet voting instructions.

By Telephone. To vote by telephone, registered shareholders should dial 800-690-6903 and follow the recorded instructions. Telephone voting is available 24 hours a day, although your vote by phone must be received by 11:59 p.m. Eastern Time, June 4, 2015. You will need the control number found either on the Notice of Internet Availability of Proxy Materials or on the proxy card if you are receiving a printed copy of these materials. If you vote by telephone, do not return your proxy card or voting instruction card. If you are a registered shareholder, you will need to have your proxy card in hand when you call and then follow the instructions. If you hold your shares in “street name,” please refer to the Notice of Internet Availability of Proxy Materials or voting instruction card provided to you by your broker, bank or other holder of record for telephone voting instructions.

In Person. If you attend the Meeting and plan to vote in person, you will be provided with a ballot at the Meeting. If your shares are registered directly in your name, you are considered the shareholder of record and you have the right to vote in person at the Meeting. If your shares are held in “street name” and you wish to vote at the Meeting, you must request a legal proxy by following the instructions at www.proxyvote.com. Whether you are a shareholder of record or your shares are held in “street name,” you must bring valid, government-issued photo identification to gain admission to the Meeting.

If you vote prior to the Meeting, it will assure that your vote is counted. Whether you vote by mail, by Internet, by telephone or in person at the Meeting, the proxies identified will vote the shares as to which you are the shareholder of record in accordance with your instructions. If a printed proxy card is signed and returned and no instructions are marked, the shares will be voted as recommended by our Board in this Proxy Statement.

What is the difference between a shareholder of record and a “street name” holder?

If your shares are registered directly in your name, you are considered the shareholder of record with respect to those shares. If your shares are held in a stock brokerage account or by a bank, trust or other nominee, then the broker, bank, trust or other nominee is considered to be the shareholder of record with respect to those shares. However, you still are considered the beneficial owner of those shares, and your shares are said to be held in “street name.” Street name holders generally cannot vote their shares directly and must instead instruct the broker, bank, trust or other nominee how to vote their shares.

If my broker holds my shares in “street name,” how do I vote my shares?

If you own your shares in “street name,” you must vote your shares in the manner prescribed by your broker or other nominee. Your broker or other nominee has provided a voting instruction form for you to use in directing the broker or nominee how to vote your shares. Please follow the instructions provided on such voting instruction form.

How do I vote my shares in person at the Meeting?

To vote your shares at the Meeting, you should bring the proxy card and valid government-issued photo identification. If you own your shares in “street name,” to vote your shares at the Meeting you must obtain a proxy from your broker or nominee and bring that proxy to the Meeting.

Even if you plan to attend the Meeting, we encourage you to vote in advance of the Meeting, so your vote will be counted if you later decide not to attend the Meeting.

What if I do not specify how I want my shares voted?

If you submit a signed proxy card and do not specify how you want to vote your shares, we will vote your shares in accordance with the Board’s recommendations as follows:

.

Edgar Filing: PennyMac Mortgage Investment Trust - Form DEF 14A

FOR the election of four (4) Trustees, Stanford L. Kurland, David A. Spector, Randall D. Hadley and Clay A. Halvorsen, each for a term expiring at the 2018 annual meeting of shareholders;

FOR the ratification of the appointment of Deloitte & Touche LLP as our independent registered public accounting firm for the fiscal year ending December 31, 2015; and

FOR the approval, by non-binding vote, of our executive compensation.

May I revoke my proxy and change my vote after submitting my proxy?

Yes. You may revoke your proxy and change your vote before it is taken at the Meeting by (1) delivering a written notice of revocation to the attention of our Secretary at 6101 Condor Drive, Moorpark, California 93021, (2) delivering a duly executed proxy bearing a later date, or (3) attending the Meeting and voting in person. As noted above, if you own your shares through a brokerage account or in another nominee form, you cannot vote in person at the Meeting unless you obtain a proxy from your broker or nominee and bring that proxy to the Meeting.

What does it mean if I receive more than one proxy card?

It means that your shares may be registered differently and in more than one account. Sign and return all proxy cards to ensure that all your shares are voted.

How are votes counted?

You may either vote **“FOR”** or **“WITHHOLD”** authority to vote for each nominee for the Board. You may vote **“FOR,”** **“AGAINST”** or **“ABSTAIN”** on the proposal to ratify the appointment of Deloitte & Touche LLP as our independent registered public accounting firm for the fiscal year ending December 31, 2015 and the proposal to approve, by non-binding vote, our executive compensation. An abstention is the voluntary act of not voting by a shareholder who is present at a meeting in person or by proxy and entitled to vote.

If you submit your proxy but abstain from voting or withhold authority to vote on one or more matters, your shares will be counted as present at the Meeting for the purpose of determining a quorum. Your shares also will be counted as present at the Meeting for the purpose of calculating the vote on the particular proposal with respect to which you abstained from voting or withheld authority to vote. However, because an abstention is not counted as a vote cast, if you abstain from voting on a proposal, your abstention will have no effect on the proposal in question.

If you hold your shares in “street name” and do not provide voting instructions to your broker or other nominee, your shares will not be voted on any proposal on which your broker or other nominee does not have discretionary authority to vote under the rules of the New York Stock Exchange (“NYSE”). Under NYSE rules, brokers that hold our common shares in street name for customers that are the beneficial owners of those shares may not give a proxy to vote those shares on certain matters, including the election of our Trustees and the approval, on a non-binding basis, of our executive compensation, without specific instructions from those customers. When a broker lacks authority to vote under these circumstances, this is referred to as a “broker non-vote.” Broker non-votes will be counted as present at the Meeting for the purpose of determining a quorum but will not be considered votes cast and, accordingly, will have no effect on any proposal to be considered at the Meeting.

Who will count the vote?

Representatives of Broadridge Financial Solutions, Inc. will count the votes for shares held in “street name” and the votes of shareholders of record. Representatives of our Company will serve as the Inspector of Elections.

How will we solicit proxies for the Meeting?

We are soliciting proxies from our shareholders by mailing the Notice of Internet Availability of Proxy Materials and providing internet access, at www.proxyvote.com, to our Notice of 2015 Annual Meeting of Shareholders, Proxy Statement, 2014 Annual Report to Security Holders, and proxy card or voting instruction form. In addition, some of our Trustees and officers may make additional solicitations by telephone or in person.

Who bears the cost of soliciting proxies?

We will pay the cost of the solicitation of proxies, including preparing and mailing the Notice of Internet Availability of Proxy Materials. To the extent any of our Trustees or officers solicit proxies by telephone, facsimile transmission or other personal contact, such persons will receive no additional compensation. Brokerage houses and other nominees, fiduciaries and custodians who are holders of record of common shares will be requested to forward proxy soliciting materials to the beneficial owners of such shares and will be reimbursed by us for their charges and expenses in connection therewith at customary and reasonable rates.

Can I access the Company’s proxy materials and Annual Report to Security Holders electronically?

Edgar Filing: PennyMac Mortgage Investment Trust - Form DEF 14A

This Proxy Statement and our 2014 Annual Report to Security Holders, which includes our Annual Report on Form 10-K for the fiscal year ended December 31, 2014 (“Fiscal 2014”), are available at www.proxyvote.com and in the SEC Filings section of our Investor Relations website, www.pennymac-reit.com.

Will our external manager be present at the Meeting?

Officers of PNMAC Capital Management, LLC (our “Manager”) will be present at the Meeting.

When are shareholder proposals due for the 2016 Annual Meeting of Shareholders?

No shareholder proposals were received by us to be presented at the Meeting. We intend to hold next year’s annual meeting of shareholders on approximately the same date as the Meeting. Accordingly, if you are submitting a proposal for possible inclusion in next year’s Proxy Statement pursuant to Rule 14a-8 under the Securities Exchange Act of 1934, as amended (the “Exchange Act”), we must receive the proposal no later than December 19, 2015. If you are submitting a proposal for possible inclusion in next year’s Proxy Statement other than pursuant to Rule 14a-8 of the Exchange Act, we must receive the proposal no earlier than November 19, 2015 and no later than December 19, 2015.

CORPORATE GOVERNANCE, TRUSTEE INDEPENDENCE,
BOARD MEETINGS AND COMMITTEES

Corporate Governance

We believe that we have implemented effective corporate governance policies and observe good corporate governance procedures and practices. We have adopted a number of written policies, including our Corporate Governance Guidelines, our Code of Business Conduct and Ethics, and charters for our Audit Committee, Compensation Committee, Finance Committee, Nominating and Corporate Governance Committee, and Related Party Matters Committee. These documents are available in the Corporate Governance section of our website, www.pennymac-reit.com, and copies will be provided free of charge to any shareholder who sends a written request to Investor Relations, PennyMac Mortgage Investment Trust, 6101 Condor Drive, Moorpark, California 93021.

Independence of Our Trustees

The NYSE rules require that at least a majority of our Trustees be independent of our Company and management. The rules also require that our Board affirmatively determine that there are no material relationships between a Trustee and us (either directly or as a partner, shareholder or officer of an organization that has a relationship with us) before such Trustee can be deemed independent. We have adopted independence standards consistent with NYSE rules and the rules of the Securities and Exchange Commission (“SEC”). Our Board has reviewed both direct and indirect transactions and relationships that each of our Trustees has or had with us and our management.

As a result of this review, our Board, based upon the fact that certain of our non-management Trustees do not have any material relationships with us other than as Trustees and holders of our common shares, affirmatively determined that seven of our Trustees are independent Trustees under NYSE rules. Our independent Trustees are Messrs. Carnahan, DuFauchard, Hadley, Halvorsen and Willey and Mes. McAllister and Stewart.

Board of Trustees Leadership Structure and Independent Lead Trustee

The positions of Chairman of the Board and Chief Executive Officer are currently held by Mr. Kurland, and we have determined not to separate the positions at this time. This determination is based, in part, on our belief that independent Trustees and management have different perspectives and roles in strategy development. Our independent Trustees bring experience, oversight and expertise from outside our Company and industry, while the Chief Executive Officer brings company-specific experience and expertise. We believe our Chief Executive Officer is thus better

situated to serve as Chairman of the Board because he is able to utilize the in-depth focus and perspective gained in running our Company to effectively and efficiently lead our Board. As the Trustee most familiar with our business and industry, he is most capable of identifying new initiatives and businesses, strategic priorities and other critical and/or topical agenda items for discussion by our Board and then leading the discussion to ensure our Board's proper oversight of these issues. Our Board believes that the combined role of Chairman of the Board and Chief Executive Officer promotes strategy development and execution, and facilitates information flow between management and our Board, all of which are essential to effective governance.

This determination is also based on what we consider to be a strong governance structure already in place, including the appointment of an influential Independent Lead Trustee with a strong voice. The Independent Lead Trustee works with our Chairman of the Board and other Trustees to provide informed, independent oversight of our management and affairs. Among other things, the Independent Lead Trustee reviews and provides input on Board meeting agendas and materials, coordinates with committee chairs to ensure the committees are fulfilling the responsibilities set forth in their respective charters, serves as the principal liaison between our Chairman of the Board and the independent Trustees, and chairs an executive session of the independent Trustees at each regularly scheduled Board meeting. Our Board has appointed Mr. Hadley as Independent Lead Trustee for a three (3) year term that expires in February 2017. Each of our Board committees is comprised of independent Trustees.

Together, our Chairman of the Board and the Independent Lead Trustee provide leadership to and work with our Board to define its structure and activities in the fulfillment of its responsibilities.

Risk Oversight

Our Board and its committees oversee our risk management process, while supporting organizational objectives, improving long-term organizational performance and creating shareholder value. A fundamental part of risk management oversight is not only understanding the risks a company faces and what steps management is taking to manage those risks, but also understanding what level of risk is appropriate for our Company. The involvement of the full Board in our business strategy is a key part of its assessment of management's appetite for risk and also a determination of what constitutes an appropriate level of risk for our Company. While our Board has the ultimate oversight responsibility for the risk management process, particularly with respect to credit risk, interest rate risk, market risk and other risks specific to the mortgage and real estate investment trust, or REIT, industries, the committees of our Board also share responsibility for overseeing risk management. For example, the Audit Committee focuses on financial and accounting risk, including internal controls, and receives an annual risk assessment report from our internal auditors. The Finance Committee focuses on risks relating to our Company's liquidity and capital resources. The Nominating and Corporate Governance Committee focuses on risks associated with proper board governance, including the independence of our Trustees. The Related Party Matters Committee focuses on risks arising out of potential conflicts of interest between our Company and our Manager and PennyMac Loan Services, LLC, or our Servicer. While each committee is responsible for evaluating certain risks and overseeing the management of such risks, the entire Board is regularly informed through committee reports about the nature of all such risks.

Code of Business Conduct and Ethics

We have adopted a Code of Business Conduct and Ethics, which sets forth the basic principles and guidelines for resolving various legal and ethical questions that may arise in the workplace and in the conduct of our business. This code is applicable to all of our officers and Trustees, as well as to the employees, officers and directors of our Manager and our Servicer when such individuals are acting for or on our behalf.

Corporate Governance Guidelines

We have adopted Corporate Governance Guidelines which, in conjunction with the charters and key practices of the committees of our Board, provide the framework for the governance of our Company.

Committee Charters

Edgar Filing: PennyMac Mortgage Investment Trust - Form DEF 14A

Our Audit Committee, Compensation Committee, Finance Committee, Nominating and Corporate Governance Committee, and Related Party Matters Committee have also adopted written charters that govern their conduct.

Board of Trustees Committees

Audit Committee

Our Board has established an Audit Committee, which is comprised of three independent Trustees, Messrs. Carnahan, DuFauchard and Hadley. Mr. Hadley chairs the Audit Committee, and he and Mr. Carnahan each serve as an “audit committee financial expert,” as that term is defined by the SEC. Each of the members of the Audit Committee is “financially literate” under the rules of the NYSE. The Audit Committee assists our Board in overseeing:

- our accounting and financial reporting processes;
- the integrity and audits of our financial statements;
- our internal control function;
- our compliance with related legal and regulatory requirements;
- the qualifications and independence of our independent registered public accounting firm; and
- the performance of our independent registered public accounting firm and our internal auditors.

The Audit Committee is also responsible for the engagement, retention and compensation of our independent registered public accounting firm, reviewing with our independent registered public accounting firm the plans and results of the audit engagement, approving professional services provided by our independent registered public accounting firm, considering the range of audit and permissible non-audit fees, and reviewing the adequacy of our internal accounting controls.

Our Board has determined that all of the Trustees serving on the Audit Committee are independent under the applicable rules of the NYSE and SEC. The activities of the Audit Committee are described in greater detail below under the caption “Report of the Audit Committee.”

Compensation Committee

Our Board has established a Compensation Committee, which is comprised of three independent Trustees, Mmes. McAllister and Stewart and Mr. Willey. Mr. Willey chairs the Compensation Committee, the principal functions of which are to:

- evaluate the performance of our Chief Executive Officer and other executive officers;
- adopt and administer the compensation policies, plans and benefit programs for our executive officers and all other members of our executive team;
- recommend to the Board the compensation for our independent Trustees; and
- administer the issuance of any securities under the PennyMac Mortgage Investment Trust 2009 Equity Incentive Plan (the “2009 Equity Incentive Plan”).

Our Board has determined that all of the Trustees serving on the Compensation Committee are independent under the applicable rules of the NYSE and SEC. For additional information on the Compensation Committee, please see the section below entitled “Report of the Compensation Committee.”

Finance Committee

Our Board has established a Finance Committee, which is comprised of Messrs. DuFauchard and Carnahan and Ms. McAllister. Ms. McAllister chairs the Finance Committee, the principal function of which is to oversee the financial objectives, policies, procedures and activities of our Company, including a review of our capital structure, source of funds, liquidity and financial position. In connection with these responsibilities, the Finance Committee reviews our capital raising initiatives and monitors our liquidity management.

Nominating and Corporate Governance Committee

Our Board has established a Nominating and Corporate Governance Committee, which is comprised of three independent Trustees, Messrs. Halvorsen and Willey and Ms. Stewart. Ms. Stewart chairs the Nominating and Corporate Governance Committee, which is responsible for seeking, considering and recommending to the full Board qualified candidates for election as Trustees and then recommending nominees for election as Trustees at the annual meeting of shareholders. It also periodically prepares and submits to our Board for adoption the Nominating and

Corporate Governance Committee's selection criteria for Trustee nominees. It reviews and makes recommendations on matters involving the general operation of our Board and our corporate governance, and annually recommends to our Board nominees for each of its committees. In addition, the Nominating and Corporate Governance Committee is responsible for annually facilitating the assessment of the performance of the individual committees and our Board as a whole and reporting thereon to our Board.

The Nominating and Corporate Governance Committee is responsible for developing the general criteria, subject to approval by the full Board, for use in identifying, evaluating and selecting qualified candidates for election or re-election to our Board. The Nominating and Corporate Governance Committee periodically reviews with our Board the appropriate skills and characteristics required of Board members in the context of the current composition of our Board. Final approval of Trustee candidates is determined by the full Board, and invitations to join our Board are extended by our Chairman of the Board on behalf of the entire Board.

The Nominating and Corporate Governance Committee, in accordance with our Corporate Governance Guidelines, seeks to create a board that is strong in its collective knowledge and has skills and experience with respect to accounting and finance, management and leadership, vision and strategy, business operations, business judgment, risk management, corporate governance, and knowledge of the mortgage industry and the global markets. The Nominating and Corporate Governance Committee also focuses on issues of diversity, such as diversity of gender, race and national origin, education, professional experience, and differences in viewpoints and skills. We do not have a formal policy with respect to diversity; however, our Board and Nominating and Corporate Governance Committee believe that it is essential that our Trustees represent diverse viewpoints and backgrounds. In considering candidates for our Board, the Nominating and Corporate Governance Committee considers the entirety of each candidate's credentials in the context of these standards and in light of the needs of our Board and our Company at that time, given the then current mix of Trustee attributes. The Nominating and Corporate Governance Committee also considers a candidate's accessibility and availability to serve effectively on our Board, and it conducts inquiries into the background and qualifications of potential candidates. With respect to the nomination of continuing Trustees for re-election, the individual's past contributions to our Board are also considered.

The Nominating and Corporate Governance Committee uses a variety of methods for identifying and evaluating nominees for Trustee. The Nominating and Corporate Governance Committee assesses the appropriate size of our Board and whether any vacancies on our Board are expected due to retirement or otherwise. In the event that a vacancy is anticipated, or otherwise arises, the Nominating and Corporate Governance Committee considers whether to fill any such vacancy and, if so, identifies various potential candidates for Trustee. These candidates are evaluated at regular or special meetings of the Nominating and Corporate Governance Committee, and may be considered at any point during the year. In evaluating such nominations, the Nominating and Corporate Governance Committee seeks to achieve a balance of knowledge, experience and capability on our Board.

Candidates may come to the attention of the Nominating and Corporate Governance Committee through current members of our Board, professional search firms or other persons. The Nominating and Corporate Governance Committee will also consider recommendations for nominees properly submitted by our shareholders. These recommendations should be submitted in writing to our Secretary at our principal executive offices located at 6101 Condor Drive, Moorpark, California 93021. If any materials are provided by a shareholder in connection with a recommendation for a Trustee nominee, such materials are forwarded to the Nominating and Corporate Governance Committee. Following verification of the shareholder status of persons proposing candidates, recommendations are aggregated and considered by the Nominating and Corporate Governance Committee at its next regularly scheduled or special meeting.

Our Board has determined that all of the Trustees serving on the Nominating and Corporate Governance Committee are independent under the applicable rules of the NYSE and SEC.

Related Party Matters Committee

Our Board has established a Related Party Matters Committee, which is comprised of Messrs. Carnahan, Hadley, Halvorsen and Willey. Mr. Carnahan chairs the Related Party Matters Committee, the principal function of which is to review and approve certain transactions, and resolve other potential conflicts of interest, between our Company and any of our subsidiaries, on the one hand, and our Manager, Servicer and their affiliates, on the other hand. Among other matters, the Related Party Matters Committee reviews and approves our material agreements with our Manager and Servicer, including our management agreement, servicing agreement, mortgage banking and warehouse services agreement (“MBWS agreement”), MSR recapture agreement, master spread acquisition and MSR servicing agreements, reimbursement agreement, and any amendments of or extensions to such agreements.

Our Board has determined that all of the Trustees serving on the Related Party Matters Committee are independent under the applicable rules of the NYSE and SEC.

Ad Hoc Committees

In addition to the standing committees described above, our Board may also establish ad hoc committees for limited periods of time in order to address particular matters.

Effective June 1, 2014, such fees were no longer paid as a monthly retainer but were paid as an annual retainer, consistent with the manner in which the Trustee retainers are paid for the standing committees of the Board. Accordingly, we thereafter paid a retainer at the annual rate of \$10,750 to the chair of the Demand Evaluation Committee and a retainer at the annual rate of \$7,750 to all members of the Demand Evaluation Committee. The purpose of the Demand Evaluation Committee was to review and evaluate requests for information, inspection and other demands, and any allegations or claims that may have arisen in connection with shareholder letters received from time to time, and to also make findings and recommendations to the Board regarding its proposed responses to such letters. The Demand Evaluation Committee was disbanded earlier this year.

During 2014, the Board adopted a policy whereby non-management Trustee fees may be paid in cash or common shares at the election of each non-management Trustee. The number of common shares delivered in lieu of any cash payment of Trustee fees shall be equivalent in value to the amount of forgone Trustee fees divided by the fair market value (as defined in our 2009 Equity Incentive Plan) of a common share on the day on which the Trustee fees otherwise would have been paid in cash to the Trustee, rounded down to the nearest whole share. Further, all members of our Board will be reimbursed for their reasonable out of pocket costs and expenses in attending all meetings of our Board and its committees and certain other Company-related functions.

Our Trustees also are eligible to receive certain types of equity-based awards under our 2009 Equity Incentive Plan. During Fiscal 2014, each of Messrs. Carnahan, DuFauchard, Hadley, Halvorsen and Willey and Mmes. McAllister and Stewart received a grant of 4,133 restricted share units, or RSUs, which vest in three (3) equal annual installments beginning on the one (1) year anniversary of the date of the grant, June 3, 2014, and entitle the recipient thereof to receive dividend equivalents during the vesting period.

Our 2009 Equity Incentive Plan also provides that any independent Trustee newly elected or appointed to our Board will receive a one-time grant of 2,250 RSUs on the date of election or appointment, which shares will vest in full on the one-year anniversary of the date of grant. Such RSUs do not entitle the recipient thereof to receive dividend equivalents during the vesting period.

Prior to vesting, an RSU is generally subject to forfeiture upon termination of service to us. Upon a change in control (as defined in our 2009 Equity Incentive Plan) or upon termination of our management agreement other than for cause (as defined in our management agreement), any RSU not previously vested shall become fully vested and will be settled in our common shares.

Carnahan, Hadley, Halvorsen and Willey - 7,420; and Ms. McAllister and Mr. DuFauchard - 6,587.

EXECUTIVE COMPENSATION

REPORT OF THE COMPENSATION COMMITTEE

Our Compensation Committee has reviewed and discussed the Compensation Discussion and Analysis required by Item 402(b) of Regulation S-K with management and, based on such review and discussions, the Compensation Committee recommended to our Board of Trustees that the Compensation Discussion and Analysis be included in this Proxy Statement and our Annual Report on Form 10-K.

The Compensation Committee

Frank P. Willey, Chairman
Nancy McAllister
Stacey D. Stewart

COMPENSATION DISCUSSION AND ANALYSIS

The following discussion provides an overview and analysis of our executive compensation program and policies, the material compensation decisions made under such programs and policies with respect to our named executive officers, and the material factors that were considered in making those decisions. This compensation discussion and analysis should be read together with the compensation tables and related disclosures set forth below. Our named executive officers for Fiscal 2014 were:

- Stanford L. Kurland, Chairman of the Board and Chief Executive Officer;
- David A. Spector, Trustee, President and Chief Operating Officer;
- Anne D. McCallion, Chief Financial Officer;
- Steve Bailey, Chief Operations Officer;
- Andrew S. Chang, Chief Business Development Officer;
- Vandad Fartaj, Chief Investment Officer;
- Jeffrey P. Grogin, Chief Administrative and Legal Officer, and Secretary;
- Doug Jones, Chief Institutional Mortgage Banking Officer;
- Daniel S. Perotti, Chief Asset and Liability Management Officer; and
- David M. Walker, Chief Credit and Enterprise Risk Officer.

Executive Summary

The compensation for the named executive officers is designed to motivate them to achieve Company and individual performance goals and reward them for such performance. Currently, the compensation for our named executive officers consists solely of restricted share units, or RSUs. We are in the process of designing future awards for executive officers, and are committed to ensuring that our executive compensation program remains generally consistent with market practices and focused on long-term performance. We believe that our executive compensation program objectives have resulted in decisions regarding executive compensation that have appropriately encouraged growth in our businesses and the achievement of financial goals, thus benefiting our shareholders and generating long-term shareholder value.

Overview of Executive Compensation Objectives and Philosophy

The overall objectives of our executive compensation program are to attract, motivate, reward and retain high-quality talent. We believe that in order to achieve our objectives, our compensation program must be competitive with executive compensation arrangements generally provided to similarly situated executive officers in our business markets, as well as at other companies in our industry where we compete for talent. Our executive compensation program is designed to:

- Create a culture that rewards executives for high Company and individual performance;
- Align the interests of our executives with those of our shareholders;
- Facilitate the attraction, motivation and retention of highly talented executive leaders; and
- Motivate our executives to focus on the achievement of our annual and long-term business goals.

Our Compensation Committee has structured our executive compensation program to meet these objectives.

Elements of our Executive Compensation Program

We have no employees. We are externally managed by our Manager pursuant to our management agreement. All of our named executive officers are also officers of PFSI and certain of its subsidiaries, including PNMAC, our Manager and our Servicer. We have not paid, and do not intend to pay, any salaries or bonuses to our named executive officers. We do not provide our named executive officers with pension benefits, perquisites or other personal benefits. We have no arrangements to make cash payments to our named executive officers upon their termination from service as our officers. While we do not pay our named executive officers any cash compensation, the Compensation Committee may grant our named executive officers equity-based awards intended to align their interests with the interests of our shareholders.

Cash and Other Compensation

We do not pay or accrue any salaries or bonuses to our named executive officers.

Equity-Based Compensation

The Compensation Committee may, from time to time pursuant to our 2009 Equity Incentive Plan, grant our named executive officers certain equity-based awards, including options, restricted shares, RSUs, unrestricted shares, LTIP units (a special class of partnership interests in PennyMac Operating Partnership, L.P., which we refer to as our Operating Partnership) and other awards based on our shares. These awards are designed to align the interests of our named executive officers with those of our shareholders, by allowing our named executive officers to share in the creation of value for our shareholders through capital appreciation and dividends. These equity awards are generally subject to vesting requirements over a number of years, and are designed to promote the retention of management and to achieve strong performance for our Company. These awards provide a further benefit to us by enabling our Manager and Servicer to attract, motivate and retain talented individuals.

We believe our compensation policies are particularly appropriate since we are an externally managed REIT. REIT regulations require us to pay at least 90% of our taxable income to shareholders as dividends. As a result, we believe that our shareholders are principally interested in receiving attractive risk-adjusted dividends and growth in dividends and book value. Accordingly, we want to provide an incentive to our named executive officers that rewards success in achieving these goals. Since we generally do not have the ability to retain earnings, we believe that equity-based awards serve to align the interests of named executive officers with the interests of our shareholders in receiving attractive risk-adjusted dividends and growth. Additionally, we believe that equity-based awards are consistent with our shareholders' interest in book value growth as these individuals will be incentivized to grow book value for shareholders over time. We believe that this alignment of interests provides an incentive to our named executive officers to implement strategies that will enhance our long-term performance and promote growth in dividends and growth in book value.

The Compensation Committee does not use a specific formula to calculate the number of equity awards and other rights awarded to named executive officers under our 2009 Equity Incentive Plan. The Compensation Committee does not explicitly set future award levels/opportunities on the basis of what the named executive officers earned from prior awards. While the Compensation Committee will take past awards into account, it will not solely base future awards in view of those past awards. Generally, in determining the specific amounts to be granted to an individual, the Compensation Committee will take into account factors such as our performance, the individual's position, his or her contribution to our performance, and general market practices, as well as the recommendations of our Manager.

Executive Compensation Decision Making Process

Role of the Compensation Committee. The Compensation Committee has overall responsibility for recommending to our Board of Trustees the compensation of our CEO and determining the compensation of our other named executive officers. Members of the Compensation Committee are appointed by the Board of Directors. Currently, the Compensation Committee consists of three members of the Board, Mr. Willey and Mmes. McAllister and Stewart,

none of whom serve as our executive officers. Each of Mr. Willey and Mmes. McAllister and Stewart qualifies as an “independent director” under the rules of the NYSE. See the section entitled “CORPORATE GOVERNANCE, TRUSTEE INDEPENDENCE, BOARD MEETINGS AND COMMITTEES — Board of Trustees Committees — Compensation Committee.” Each year, the Compensation Committee conducts an evaluation of each named executive officer to determine if changes in the officer’s compensation are appropriate based on the considerations described below. At the Compensation Committee’s request, Mr. Kurland provides input for the Compensation Committee regarding the performance and appropriate compensation of the other named executive officers. The Compensation Committee gives considerable weight to Mr. Kurland’s evaluation of the other named executive officers because of his direct knowledge of each such officer’s performance and contributions.

The Role of the Outside Independent Compensation Consultant. Our Compensation Committee has the sole authority to retain, compensate and terminate any independent compensation consultant of its choosing in assessing our compensation program and determining the appropriate, competitive compensation for our executive officers. During Fiscal 2014, the Compensation Committee utilized Mercer (US) Inc. (“Mercer”) as its outside independent compensation consultant for this purpose. The Compensation Committee requested Mercer’s advice and counsel on various matters relating to executive and director compensation to be paid in Fiscal 2014, including the following:

- Conducting a review of the competitive market data for our named executive officers.
- Assessing our executive compensation peer group and recommending changes as necessary.
- Assessing compensation levels within our peer group for named executive officer positions and other executive officers.
- Establishing stock ownership guidelines for our trustees.
- Reviewing historic financial performance for peer group companies in assessing our Company’s overall performance.
- Providing market research on various issues as requested by our Company.
- Preparing materials for and participating in Compensation Committee meetings, as requested.
- Reviewing the Compensation Discussion and Analysis section of this Proxy Statement and other compensation-related disclosures, as requested.
- Consulting with our Company on compensation strategy and best practices.
- Assisting in compensation plan designs and modifications, as requested.

Mercer did not provide any other services to us in Fiscal 2014. During 2014, the Compensation Committee also retained Mercer as its outside independent compensation consultant to provide advice and counsel regarding executive and director compensation to be paid in the fiscal year ending December 31, 2015.

Assessment of Outside Independent Compensation Consultant Conflicts of Interest. The Compensation Committee has reviewed whether the work provided by Mercer raises any conflicts of interest. Factors considered by the Compensation Committee include the following six factors specified by the NYSE rules: (1) other services provided to us by Mercer; (2) what percentage of Mercer's total revenue is made up of fees from us; (3) policies or procedures of Mercer that are designed to prevent a conflict of interest; (4) any business or personal relationships between individual consultants involved in the engagement and Compensation Committee members; (5) any shares of our common stock owned by individual consultants involved in the engagement; and (6) any business or personal relationships between our executive officers and Mercer or the individual consultants involved in the engagement. Based on its review of these factors and representations of Mercer, the Compensation Committee does not believe that Mercer has a conflict of interest with respect to the work performed for us or the Compensation Committee.

The Use of Peer Group and Competitive Market Data. Our management and the Compensation Committee review competitive market data to assist in decision-making regarding our compensation and benefits programs. The market data reviewed includes both peer proxy data and survey data of companies similar in industry, scope and complexity, as provided by Mercer. Proxy data was gathered from proxy statements and other publicly filed documents. Survey data was gathered from the 2014 US Mercer Benchmark Database, which contains compensation data from over 3,000 participating organizations in the United States, Towers Watson Data Services Management Survey Reports, and McLagan's Mortgage Banking survey reports. Our peer group consists of other public companies similar in revenue, industry, scope and complexity. Our current peer group consists of the following companies:

- AG Mortgage Investment Trust, Inc.
- American Capital Mortgage Investment Corp.
- Apollo Residential Mortgage, Inc.
- Armour Residential REIT, Inc.
- Chimera Investment Corporation
- CreXus Investment Corp.
- Hatteras Financial Corp.
- Home Loan Servicing Solutions, Ltd.
- Invesco Mortgage Capital Inc.
- iStar Financial Inc.
- Newcastle Investment Corp.
- Redwood Trust, Inc.
- Starwood Property Trust, Inc.
- Two Harbors Investment Corp.

The Role of the Say-on-Pay Vote. Last year's non-binding advisory vote on executive compensation otherwise known as "say on pay" was very positive with approximately 98% of the votes cast on the say-on-pay proposal in favor of our pay practices, as described in the 2014 proxy statement. After considering the strong support the proposal received as

well as the Compensation Committee's view of the value of consistency from year to year in our approach to compensation, the Compensation Committee concluded that no changes to the compensation program for our named executive officers were necessary.

Governance and Other Considerations

The Compensation Committee, along with our Chief Executive Officer and other members of executive management, continually assess our compensation program and policies to evaluate whether they remain aligned with our efforts to create a pay for performance culture, align the interests of our named executive officers with our shareholders, balance risk and reward, and execute strong governance practices. The following actions and practices are intended to provide for continued adherence to these principles:

During Fiscal 2014, our Compensation Committee utilized the services of Mercer in its capacity as its outside independent compensation consultant.

Mercer reviewed our compensation program and policies for Fiscal 2014 and reaffirmed the Compensation Committee's determination that our executive compensation program and policies are not reasonably likely to create incentives for risk-taking that would have a material adverse effect on us.

All named executive officers and trustees are subject to our Policy Against Insider Trading which prohibits insider trading and contains prohibitions on engaging in speculative and short-term trading, short sales or trading on margin involving our securities.

Compensation Policies and Practices As They Relate to Our Risk Management

We have designed our executive compensation program to reward positive Company and individual performance. Company performance objectives are based on our overall performance rather than on only a few discrete performance measurements related to a particular aspect of our Company's business. We believe that this structure, as further explained below, minimizes risks resulting from compensation practices.

Our Compensation Committee believes that its compensation policies and practices for our named executive officers do not create risks that are reasonably likely to have a material adverse effect on us. We believe that appropriate safeguards are in place with respect to our compensation program and policies that assist in mitigating excessive risk-taking that could harm the value of our Company or reward poor judgment by our executives.

In that regard, Mercer conducted a risk assessment in Fiscal 2014 of our compensation policies and practices as they apply to our named executive officers and reviewed the design features of our stock-based incentive program along with the associated approval mechanisms and determined that our policies and practices were unlikely to create risks that are reasonably likely to have a material adverse effect on our Company.

As part of the review, numerous factors were noted that reduce the likelihood of excessive risk-taking which include, but are not limited to, the following:

- Our compensation to our named executive officers consists solely of long-term equity awards in the form of RSUs. Our Compensation Committee has ultimate authority to determine, and adjust, if appropriate, compensation provided to our executive officers, including each of the named executive officers.
- Our Compensation Committee has the authority to retain any advisor it deems necessary to fulfill its obligations.

Because we have no employees, and our executive officers and other personnel who conduct our regular business are employees of our Manager or Servicer, we do not pay cash compensation to any of these officers or other personnel. Rather, we use long-term incentive compensation in the form of equity-based awards, which we issue under our 2009 Equity Incentive Plan. The long-term incentive compensation awards are designed to align the interests of our officers and service providers with those of our shareholders, all of whom will share together in the creation of value through capital appreciation and dividends. We believe that equity-based awards are consistent with our shareholders' interest in book value growth as these individuals will be provided with less of an incentive to take short-term risk and more of an incentive to grow book value for shareholders over time.

Compensation Decisions Made in Fiscal 2014

2014 Restricted Share Unit Grants

We granted our named executive officers RSUs under our 2009 Equity Incentive Plan on June 3, 2014 in the following amounts: Mr. Kurland, 80,100 RSUs; Mr. Spector, 54,900 RSUs; Ms. McCallion, 18,300 RSUs; and Messrs. The RSUs granted to our named executive officers vest ratably over a four-year period beginning on the one-year anniversary of the grant date and entitle the recipients thereof to receive dividend equivalents during the vesting period.

Prior to vesting, an RSU is generally subject to forfeiture upon termination of service to us. Upon a change in control (as defined in our 2009 Equity Incentive Plan) or upon termination of our management agreement other than for cause (as defined in our management agreement), any RSU not previously vested shall become fully vested and will be settled in our common shares.

- (1) The number of common shares acquired and the value realized on vesting as reflected in this column have not been reduced to reflect the sale of common shares to satisfy any tax obligations.
- (2) Represents the product of the number of shares acquired on vesting and the closing price of our Company's common shares on the NYSE on the vesting date.

2014 Pension Benefits

The table for "Pension Benefits" has been omitted because it is not applicable. We do not provide any of our named executive officers with any pension plans or benefits.

2014 Nonqualified Deferred Compensation

The table for “Nonqualified Deferred Compensation” has been omitted because it is not applicable. We do not provide any of our named executive officers with any nonqualified deferred compensation plans or benefits.

Potential Payments upon Termination of Employment

None of our named executive officers has the right to receive severance payments from us and we are not required to make payments to a named executive officer upon a change of control of us. However, all unvested RSUs we have granted under our 2009 Equity Incentive Plan will vest immediately upon our change of control (as defined in our 2009 Equity Incentive Plan) or upon the termination of our management agreement between us and our Manager other than for cause (as defined in our management agreement). Assuming that the triggering event took place on December 31, 2014, the value of the RSUs that vest for each named executive officer would be the same as the respective values set forth in the table presented in the section entitled “2014 Outstanding Equity Awards at Fiscal Year-End.”

Compensation Committee Interlocks and Insider Participation

Our Compensation Committee is comprised solely of the following independent Trustees: Mr. Willey, Chairman, and Mmes. McAllister and Stewart. None of them has ever served as an officer or employee of our Company or any of our affiliates or has any other business relationship or affiliation with our Company, except his or her service as a Trustee. During Fiscal 2014, none of our executive officers served as a director or a member of the compensation committee of another entity, one of whose executive officers was a Trustee or a member of our Compensation Committee.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

This section discusses certain direct and indirect relationships and transactions involving us and certain persons related to us. For a complete description of the management agreement, servicing agreement, mortgage banking and warehouse services agreement, MSR recapture agreement, spread acquisition and MSR servicing agreements and reimbursement agreement described below, please refer to our Annual Report on Form 10-K for the fiscal year ended December 31, 2014, which was filed with the SEC on March 2, 2015 and is being made available to shareholders with this Proxy Statement.

Management Agreement

We are externally managed and advised by our Manager pursuant to a management agreement, which was amended and restated effective February 1, 2013. Our management agreement requires our Manager to oversee our business affairs in conformity with the investment policies that are approved and monitored by our Board. Our Manager is responsible for our day-to-day management and will perform such services and activities related to our assets and operations as may be appropriate.

Pursuant to our management agreement, our Manager collects a base management fee and may collect a performance incentive fee, both payable quarterly and in arrears. The term of our management agreement expires on February 1, 2017, subject to automatic renewal for additional 18-month periods, unless terminated earlier in accordance with the terms of the agreement.

Our Manager earned approximately \$23.3 million in base management fees and \$11.7 million in performance incentive fees in Fiscal 2014 in connection with work performed under the management agreement with us.

Servicing Agreement

We have entered into a servicing agreement with our Servicer pursuant to which our Servicer provides servicing for our portfolio of residential mortgage loans. The loan servicing provided by our Servicer includes collecting principal, interest and escrow account payments, if any, with respect to mortgage loans, as well as managing loss mitigation, which may include, among other things, collection activities, loan workouts, modifications, foreclosures and short sales. Our Servicer also engages in certain loan origination activities that include refinancing mortgage loans and financings that facilitate sales of real estate owned properties, or REOs. The term of our servicing agreement, as amended, expires on February 1, 2017, subject to automatic renewal for additional 18-month periods, unless terminated earlier in accordance with the terms of the agreement.

Our Servicer earned from us approximately \$52.5 million in loan servicing fees in Fiscal 2014.

Mortgage Banking and Warehouse Services Agreement

We have also entered into an MBWS agreement, pursuant to which our Servicer provides us with certain mortgage banking services, including fulfillment and disposition-related services, with respect to loans acquired by us from correspondent lenders, and certain warehouse lending services, including fulfillment and administrative services, with respect to loans financed by us for our warehouse lending clients. The term of our MBWS agreement expires on February 1, 2017, subject to automatic renewal for additional 18-month periods, unless terminated earlier in accordance with the terms of the agreement.

Our Servicer earned approximately \$48.7 million in fulfillment fees in Fiscal 2014 under mortgage banking and warehouse services agreements with us, and our Servicer paid to us approximately \$4.7 million in sourcing fees in Fiscal 2014.

MSR Recapture Agreement

Effective February 1, 2013, we entered into an MSR recapture agreement with our Servicer. Pursuant to the terms of our MSR recapture agreement, if our Servicer refinances via its retail lending business loans for which we previously held the related mortgage servicing rights (“MSRs”), our Servicer is generally required to transfer and convey to us, without cost to us, the MSRs with respect to certain new mortgage loans originated in those refinancings (or, under certain circumstances, other mortgage loans). In certain circumstances, our Servicer may, at its option, wire cash to us in an amount equal to the fair market value of the MSRs in lieu of transferring such MSRs. The initial term of our MSR recapture agreement expires, unless terminated earlier in accordance with the terms of the agreement, on February 1, 2017, subject to automatic renewal for additional 18-month periods, unless terminated in accordance with the terms of the agreement. Our Servicer paid us \$9,000 in MSR recapture during Fiscal 2014.

Spread Acquisition and MSR Servicing Agreements

Effective February 1, 2013, we entered into a master spread acquisition and MSR servicing agreement (the “2/1/13 Spread Acquisition Agreement”), pursuant to which we may acquire from our Servicer the rights to receive certain excess servicing spread arising from MSRs acquired by our Servicer from banks and other third party financial institutions. Our Servicer is generally required to service or subservice the related mortgage loans for the applicable agency or investor. The terms of each transaction under the 2/1/13 Spread Acquisition Agreement are subject to the terms thereof, as modified and supplemented by the terms of a confirmation executed in connection with such transaction. On December 30, 2013, we entered into a second master spread acquisition and MSR servicing agreement with our Servicer (the “12/30/13 Spread Acquisition Agreement”). The terms of the 12/30/13 Spread Acquisition Agreement are substantially similar to the terms of the 2/1/13 Spread Acquisition Agreement, except that we only intend to purchase excess servicing spread relating to Ginnie Mae MSRs under the 12/30/13 Spread Acquisition Agreement. On December 19, 2014, we entered into a third master spread acquisition and MSR servicing agreement with our Servicer (the “12/19/14 Spread Acquisition Agreement”). The terms of the 12/19/14 Spread Acquisition Agreement are substantially similar to the terms of the 2/1/13 Spread Acquisition Agreement and the 12/30/13 Spread Acquisition Agreement, except that we only intend to purchase excess servicing spread relating to Freddie Mac MSRs under the 12/19/14 Spread Acquisition Agreement.

In connection with our entry into the 12/30/13 Spread Acquisition Agreement, we were also required to enter into a Security and Subordination Agreement (the “Security Agreement”) with Credit Suisse First Boston Mortgage Capital LLC (“CSFB”). Under the terms of the Security Agreement, we pledged to CSFB our rights under the 12/30/13 Spread Acquisition Agreement and our interest in any excess servicing spread purchased thereunder. The Security Agreement was required as a result of a separate loan and security agreement between our Servicer and CSFB (the “LSA”), pursuant to which our Servicer pledged to CSFB all of its rights and interests in the Ginnie Mae MSR’s it owns or acquires, and a separate acknowledgement agreement with respect thereto, by and among Ginnie Mae, CSFB and our Servicer. As a condition to permitting our Servicer to transfer to us the excess servicing spread relating to a portion of those pledged Ginnie Mae MSR’s, CSFB required such transfer to be subject to CSFB’s continuing lien on the excess servicing spread, the pledge and acknowledgement of which were effected pursuant to the Security Agreement. CSFB’s lien on the excess servicing spread remains subordinate to the rights and interests of Ginnie Mae pursuant to the provisions of the 12/30/13 Spread Acquisition Agreement and the terms of the acknowledgement agreement.

During Fiscal 2014, we purchased \$99.7 million in excess servicing spread from PFSI and received \$39.3 million in repayments of excess servicing spread from PFSI. During Fiscal 2014, we also earned \$7.8 million in excess servicing spread and MSR recapture income.

Reimbursement Agreement

In connection with the initial public offering of our common shares (“IPO”) on August 4, 2009, we entered into an agreement with our Manager pursuant to which we agreed to reimburse our Manager for the \$2.9 million payment that it made to the underwriters for the IPO (the “Conditional Reimbursement”) if we satisfied certain performance measures over a specified period of time. Effective February 1, 2013, we amended the terms of the reimbursement agreement to provide for the reimbursement of our Manager of the Conditional Reimbursement if we are required to pay our Manager performance incentive fees under our management agreement. In the event the termination fee is payable to our Manager under our management agreement and our Manager and the underwriters have not received the full amount of the reimbursements and payments under the reimbursement agreement, such amount will be paid in full. The term of the reimbursement agreement expires on February 1, 2019. Our Manager received reimbursement payments from us under this agreement totaling \$944,000 during Fiscal 2014.

Approval of Related Party Transactions

Our Code of Business Conduct and Ethics requires all of our personnel to be scrupulous in avoiding a conflict of interest as it relates to our interests and the interests of our officers and Trustees or the interests of the employees, officers and directors of our Manager and Servicer when such individuals are acting for or on our behalf. The code prohibits us from, among other things, entering into a transaction or a business relationship with such a related party or an immediate family member of such related person or with a company in which such a related party or such immediate family member has a substantial financial interest, unless such transaction and relationship are disclosed to

and approved in advance by our Board.

We have also adopted a written policy that specifically governs related party transactions. The related party transactions policy generally prohibits any related party transaction unless it is reviewed and approved by our Related Party Matters Committee and/or a majority of our independent Trustees in accordance with the policy. With certain exceptions, a related party transaction is a transaction, arrangement or relationship (or any series of similar transactions, arrangements or relationships) in which we (including any of our subsidiaries) were, are or will be a participant and the amount involved exceeds \$120,000 in the aggregate in any calendar year, and in which any related party has, had or will have a direct or indirect interest. A related party is any person who is, or at any time since the beginning of our last fiscal year was, a Trustee or executive officer of our Company or a nominee to become a Trustee of our Company; any person who is known to be the beneficial owner of more than 5% of any class of our voting securities; any immediate family member of any of the foregoing persons (which means any child, stepchild, parent, stepparent, spouse, sibling, mother-in-law, father-in-law, son-in-law, daughter-in-law, brother-in-law, or sister-in-law of any of the foregoing persons); and any firm, corporation or other entity in which any of the foregoing persons is employed or is a general partner or principal or in a similar position or in which such person has a 5% or greater beneficial ownership interest. In determining whether to approve a related party transaction, the Related Party Matters Committee or independent Trustees consider all facts and circumstances that they deem relevant to the transaction, including, among other things, whether the transaction is on terms no less favorable than terms generally available to an unaffiliated third party under the same or similar circumstances and the extent of the related party's interest in the transaction.

The related party transactions policy governs the process for identifying potential related party transactions and seeking review, approval and/or ratification of such transactions. In addition, each of our Trustees and executive officers is required to complete an annual disclosure questionnaire and report all transactions with us in which they and their immediate family members had or will have a direct or indirect material interest with respect to us. We review these questionnaires and, if we determine that it is necessary, discuss any reported transactions with our Related Party Matters Committee and/or our Board in accordance with the related party transactions policy.

REPORT OF THE AUDIT COMMITTEE

Since the consummation of our initial public offering, the Audit Committee has been comprised entirely of independent Trustees. The Board of Trustees has determined that all of the members of the Audit Committee meet the independence and experience requirements of the New York Stock Exchange (“NYSE”) and that Messrs. Hadley and Carnahan are “audit committee financial experts” within the meaning of the applicable rules of the Securities and Exchange Commission (“SEC”) and the NYSE.

The Audit Committee met 8 times in 2014. The Audit Committee met with the Chief Financial Officer and with our independent registered public accounting firm at each of our meetings. The Audit Committee’s agenda is established by the Chairman of the Audit Committee. The Audit Committee engaged Deloitte & Touche LLP as our independent registered public accounting firm and reviewed with our Chief Financial Officer and our independent registered public accounting firm the overall audit scope and plans, the results of the external audit examination, evaluations by our independent registered public accounting firm of our internal controls and the quality of our financial reporting.

The Audit Committee has reviewed and discussed the audited financial statements with management, including a discussion of the quality, not just the acceptability, of the accounting principles, the reasonableness of significant judgments, and the clarity of disclosures in the financial statements. The Audit Committee also discussed with our independent registered public accounting firm other matters required to be discussed by a registered public accounting firm with the Audit Committee under applicable standards of the Public Company Accounting Oversight Board (United States) (required communication with the Audit Committee). The Audit Committee received and discussed with our independent registered public accounting firm its annual written report on its independence from us and our management, which is made pursuant to applicable requirements of the Public Company Accounting Oversight Board and considered with our independent registered public accounting firm whether the provision of non-audit services is compatible with our independent registered public accounting firm’s independence.

In performing all of these functions, the Audit Committee acts only in an oversight capacity and, necessarily, in its oversight role, the Audit Committee relies on the work and assurances of our management, which has the primary responsibility for financial statements and reports, and of our independent registered public accounting firm, which, in its report, expresses an opinion on the conformity of our annual financial statements to generally accepted accounting principles and on the effectiveness of our internal control over financial reporting as of year-end.

In reliance on these reviews and discussions, and the report of our independent registered public accounting firm, the Audit Committee recommended to our Board of Trustees, and our Board of Trustees approved, the inclusion of our audited financial statements in our Annual Report on Form 10-K for the fiscal year ended December 31, 2014, filed with the SEC on March 2, 2015.

The foregoing report has been furnished by the current members of the Audit Committee:

**PROPOSAL II
RATIFICATION OF APPOINTMENT OF
INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM**

We are presenting a proposal to ratify the appointment of our independent registered public accounting firm, Deloitte & Touche LLP and its affiliated entities, or Deloitte, which has served as our independent registered public accounting firm since our formation in May 2009. During this time, Deloitte has performed accounting and auditing services for us. We expect that representatives of Deloitte will be present at the Meeting, will have the opportunity to make a statement if they desire to do so and will be available to respond to appropriate questions. If the appointment of Deloitte is not ratified, the Audit Committee will reconsider the appointment.

OUR BOARD OF TRUSTEES AND OUR AUDIT COMMITTEE RECOMMEND A VOTE “FOR” THE RATIFICATION OF THE APPOINTMENT OF DELOITTE & TOUCHE LLP AS OUR INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM FOR THE FISCAL YEAR ENDING DECEMBER 31, 2015.

Audit-Related Fees consist of fees for professional services provided for the review of our registration statement (2) on Form S-3, including any amendments, and the issuance of comfort letters and consents in connection with SEC filings.

(3) Tax Fees consist of fees for professional services rendered for tax compliance, tax planning and tax advice.

Pre-approval Policies and Procedures

The Audit Committee approved all services performed by Deloitte during Fiscal 2014 in accordance with applicable SEC requirements. The Audit Committee has also pre-approved the use of Deloitte for certain audit-related and non-audit-related services, setting a specific limit on the amount of such services that we may obtain from Deloitte before additional approval is necessary. In addition, the Audit Committee has delegated to the chair of the Audit Committee the authority to approve both audit-related and non-audit-related services provided by Deloitte, provided that the chair will present any decision to the full Audit Committee for ratification at its next scheduled meeting.

**PROPOSAL III
ADVISORY (NON-BINDING) VOTE TO APPROVE
EXECUTIVE COMPENSATION**

As required pursuant to Section 14A of the Exchange Act, we are presenting a proposal that gives shareholders the opportunity to cast an advisory (non-binding) vote on our executive compensation for named executive officers by voting for or against it. At our 2014 Annual Meeting of Shareholders, an overwhelming majority of the votes cast, approximately 98%, were voted in favor of our executive compensation. We consider this vote as supportive of our executive compensation and, accordingly, have not made any changes in response thereto. At our 2011 Annual Meeting of Shareholders, shareholders were also asked to vote on whether the say-on-pay vote should be held annually, every two years or every three years. A majority of our shareholders indicated a preference for holding such vote on an annual basis. As a result, our Board determined that we will hold an advisory (non-binding) vote to approve our executive compensation every year until the next vote in 2017 regarding the frequency of future say-on-pay votes.

OUR BOARD OF TRUSTEES RECOMMENDS AN ADVISORY (NON-BINDING) VOTE “FOR” THE FOLLOWING RESOLUTION APPROVING OUR EXECUTIVE COMPENSATION PROGRAM:

“RESOLVED, that the compensation paid to PennyMac Mortgage Investment Trust’s named executive officers, as disclosed pursuant to the compensation disclosure rules of the Securities and Exchange Commission, including the compensation discussion and analysis, the compensation tables and any related material disclosed in this Proxy Statement, is hereby APPROVED.”

Supporting Statement

We do not pay or accrue any salaries or bonuses to our named executive officers. Rather, in our discretion, we may grant equity-based awards, which are designed to align the interests of named executive officers with the interests of our shareholders in growing dividends and book value over time. We believe equity-based awards align these interests by allowing our named executive officers to share in the creation of value for our shareholders through capital appreciation and dividends.

These equity awards are generally subject to vesting requirements over a number of years, and they are designed to promote the retention of management and achieve strong performance for our company. These awards provide a further benefit to us by enabling our Manager and Servicer to attract, motivate and retain talented individuals who are incentivized to implement strategies that will enhance our long-term performance and promote growth in dividends and growth in book value.

We encourage our shareholders to read the section in this Proxy Statement entitled “Compensation Discussion and Analysis,” in which we describe in greater detail our compensation program, objectives and policies for our named executive officers. For the reasons described above, we recommend that our shareholders endorse our compensation program for named executive officers. While our Board intends to carefully consider the shareholder vote resulting from this proposal, the final vote will not be binding on us and is advisory in nature.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

We believe that based solely upon our review of copies of forms we have received or written representations from reporting persons, during Fiscal 2014, all filing requirements under Section 16(a) of the Exchange Act applicable to our officers, Trustees and beneficial owners of more than ten percent of our common shares were complied with on a timely basis.

WHERE YOU CAN FIND MORE INFORMATION

We file annual, quarterly and current reports, proxy statements and other information with the SEC. We make these materials available on our website, www.pennymac-reit.com, under "SEC Filings," free of charge, as soon as reasonably practicable after we electronically file or furnish such materials to the SEC.

These SEC filings are available to the public at the SEC's website at www.sec.gov.

We will provide, without charge to each record or beneficial holder of our common shares as of April 6, 2015, a paper copy of our Annual Report on Form 10-K for Fiscal 2014 filed with the SEC, including the financial statements and schedules thereto, without the accompanying exhibits, upon written request to Investor Relations, PennyMac Mortgage Investment Trust, 6101 Condor Drive, Moorpark, California 93021. A list of exhibits is included in our Annual Report on Form 10-K and exhibits are available from us upon the payment to us of the cost of furnishing them.

OTHER MATTERS

As of the date of this Proxy Statement, our Board does not know of any matter that will be presented for consideration at the Meeting other than as described in this Proxy Statement. If any other matters are properly presented at the Meeting, your signed proxy card authorizes Stanford L. Kurland, our Chairman of the Board and Chief Executive Officer, and Jeffrey P. Grogan, our Secretary, to vote on those matters according to their best judgment.

The SEC permits us to deliver a single copy of the notice, proxy statement and annual report to shareholders who have the same address and last name, unless we have received contrary instructions from such shareholders. Each shareholder will continue to receive a separate proxy card. This procedure, called "householding," will reduce the

volume of duplicate information you receive and reduce our printing and postage costs. We will promptly deliver a separate copy of the proxy statement and annual report to any such shareholder upon written or oral request. A shareholder wishing to receive a separate proxy statement or annual report can notify us at Investor Relations, PennyMac Mortgage Investment Trust, 6101 Condor Drive, Moorpark, California 93021, telephone: (818) 224-7028.
