PROXY STATEMENT

Annual Meeting of Stockholders
to be held on

Edgar Filing: BWAY CORP - Form DEF 14A

February 20, 2002

This proxy statement (this "Proxy Statement") is being furnished to the holders of common stock, par value \$0.01 per share (the "Common Stock"), of BWAY Corporation (the "Company") in connection with the solicitation of proxies by and on behalf of the Board of Directors of the Company (the "Board of Directors" or the "Board") for use at the annual meeting of stockholders to be held on February 20, 2002 at 11:00 a.m., local time, and at any adjournments or postponements thereof (the "Annual Meeting"). The purpose of the Annual Meeting is to elect two directors to the Board and to ratify the appointment of Deloitte & Touche LLP as the Company's independent public accountants for the 2002 fiscal year.

This Proxy Statement, the Notice of Meeting, the Proxy Form and the Company's Annual Report to Stockholders, which includes portions of the Company's Annual Report on Form 10-K for the Fiscal Year ended September 30, 2001, are being mailed on or about January 18, 2002 to holders of record of the Common Stock at the close of business on January 4, 2002.

If the enclosed proxy form (the "Proxy Form") is properly signed, dated and returned to the Company, the individuals identified as proxies thereon will vote the shares represented by the Proxy Form in accordance with the directions noted thereon. If no direction is indicated, the proxies will vote FOR the election of the nominees named herein as directors and FOR the ratification of the appointment of Deloitte & Touche LLP as the Company's independent public accountants for the 2002 fiscal year. The Company's management does not know of any matters other than those discussed in this Proxy Statement that will be presented at the Annual Meeting. If other matters are presented, all proxies will be voted in accordance with the recommendations of the Company's management.

Returning your completed Proxy Form will not prevent you from voting in person at the Annual Meeting if you are present and wish to vote. In addition, you may revoke your proxy any time before it is voted by written notice to the Secretary of the Company prior to the Annual Meeting at the Company's principal executive offices at the address above or by submission of a later-dated proxy.

Each outstanding share of Common Stock entitles the holder thereof to one vote on each matter to come before the Annual Meeting. As of January 4, 2002, there were 8,701,806 shares of Common Stock outstanding. The presence in person or by proxy of a majority of the shares of Common Stock outstanding will constitute a quorum for the transaction of business. Pursuant to Delaware law, abstentions are treated as present and entitled to vote, and therefore are counted in determining the existence of a quorum and will have

the effect of a vote against any matter requiring the affirmative vote of a majority of the shares present and entitled to vote at the Annual Meeting. Under Delaware law, broker "non-votes" are considered present but not entitled to vote, and thus will be counted in determining the existence of a quorum but will not be counted in determining whether a matter requiring approval of a majority of the shares present and entitled to vote has been approved or whether a plurality of the vote of the shares present and entitled to vote has been cast.

PROPOSAL 1

ELECTION OF DIRECTORS

Edgar Filing: BWAY CORP - Form DEF 14A

The Company's by-laws provide that the size of the Board shall be fixed from time to time by resolution of the Board and that vacancies on the Board may be filled by the remaining directors. The Board currently consists of nine directorships. The Board is divided into three classes, which serve staggered three-year terms. Class I consists of John E. Jones, James W. Milton and John W. Puth, whose terms expire at the 2002 Annual Meeting. Class II consists of Jean-Pierre M. Ergas, John T. Stirrup and one vacant directorship, whose terms expire at the 2003 Annual Meeting. The Board has not yet identified and nominated any person to fill the vacant Class II directorship. When the Board identifies a person to fill the vacant Class II directorship, it will appoint that person to serve on the Board until the 2003 Annual Meeting. Class III consists of Thomas A. Donahoe, Alexander P. Dyer and Warren J. Hayford, whose terms expire at the 2004 Annual Meeting. Each director is elected to serve for the remaining term of any vacancy filled by the director or for a three-year term (if elected at an annual meeting of stockholders) or until a successor is duly elected.

Messrs. Jones and Puth have been nominated for re-election at the Annual Meeting as Class I directors. See "Management-Nominees for Director" and "Management-Continuing Directors" for information with respect to Messrs. Jones and Puth and the continuing directors of the Company. Mr. Milton is retiring and has determined to not stand for re-election as a Class I director. In connection with Mr. Milton's retirement, the Board has reduced its size from nine to eight directorships, effective as of the date of the Annual Meeting, and Class I will thereafter consist of only two directorships. The Company believes that each nominee is willing to be elected and to serve. In the event that any nominee is unable to serve or is otherwise unavailable for election, which is not now contemplated, the incumbent Board may or may not select a substitute nominee. If a substituted nominee is selected, all proxies will be voted for the person selected.

Directors will be elected at the Annual Meeting by a plurality of the votes cast at the meeting by the holders of shares represented in person or by proxy. There is no cumulative voting as to any matter, including the election of directors.

The Board of Directors recommends a vote "FOR" the election of the nominees.

PROPOSAL 2

RATIFICATION OF APPOINTMENT OF INDEPENDENT PUBLIC ACCOUNTANTS

The Board of Directors, upon recommendation of its Audit Committee, has selected the accounting firm of Deloitte & Touche LLP to serve as independent auditors of the Company with respect to the 2002 fiscal year to examine the financial statements of the Company for the fiscal year ending September 29, 2002 and to perform other appropriate accounting services.

Representatives of Deloitte & Touche LLP are expected to be present at the Annual Meeting to respond to questions and to make a statement if they desire to do so. If the stockholders do not ratify this appointment by the affirmative vote of a majority of the shares represented in person or by proxy at the Annual Meeting, other independent public accountants will be considered by the Board of Directors upon recommendation by the Audit Committee.

The Audit Committee has considered and determined that the non-audit services provided by Deloitte & Touche LLP in fiscal 2001 are compatible with the auditor's independence. A summary of the fees paid to Deloitte & Touche LLP

Edgar Filing: BWAY CORP - Form DEF 14A

for services and expenses in fiscal 2001 is as follows:

Audit Fees	Financial Information Systems Design and Implementation Fees	All Other Fees
\$174,020	\$0	\$68,626

The Board of Directors recommends a vote "FOR" ratification of the appointment of Deloitte & Touche LLP as the Company's independent public accountants for fiscal year 2002.

Audit Committee. The Audit Committee of the Board of Directors is composed of four directors (currently Messrs. Puth, Donahoe, Dyer and Jones). The Audit Committee makes recommendations to the Board of Directors regarding the selection of independent auditors, reviews the independence of such auditors, approves the scope of the annual audit activities of the independent auditors and reviews such audit results. The Audit Committee met five times during fiscal 2001.

Management Resources, Nominating and Compensation Committee. The Management Resources, Nominating and Compensation Committee is composed of four directors (currently Messrs. Puth, Donahoe, Dyer and Jones). The Management Resources, Nominating and Compensation Committee makes recommendations to the Board regarding the compensation of officers of the Company, awards under the Company's compensation and benefit plans and compensation policies and practices. The Management Resources, Nominating and Compensation Committee met five times during fiscal 2001.

Compensation of Directors

Fees and Expenses. Directors who are employees of the Company or its subsidiaries are not entitled to receive any fees for serving as directors. Each non-employee director receives an annual retainer fee of \$25,000 (except for Mr. Hayford, who receives \$50,000), a fee per meeting attended of \$1,000 and a fee per committee meeting attended of \$500. In addition, each non-employee director who serves as a committee chairman receives an annual fee of \$3,500. All directors are reimbursed for out-of-pocket expenses related to their service as directors.

Incentive Plan. Under the Fourth Amended and Restated 1995 Long-Term Incentive Plan (the "Incentive Plan"), the Management Resources, Nominating and Compensation Committee may grant to directors (including non-employee directors) of the Company and its subsidiaries nonqualified stock options,

stock appreciation rights in tandem with options, restricted stock awards, performance awards or any combination thereof as the Management Resources,

Edgar Filing: BWAY CORP - Form DEF 14A

Nominating and Compensation Committee shall determine. Options may be exercised in whole or in part upon the payment of the exercise price of the shares to be acquired and the Management Resources, Nominating and Compensation Committee shall determine the term of the exercise period.

In fiscal 2001, the Company granted to each non-employee director (other than Mr. Milton and Mr. Stirrup) 10,000 options to acquire shares of the Company's Common Stock. Each such option has an exercise price equal to \$4.44, the then current market price of the Company's Common Stock, and such options will vest at a rate of 3,334 options in October 2001, 3,333 options in October 2002 and 3,333 options in October 2003. Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Securities Exchange Act of 1934, as amended, requires certain of the Company's officers, the Company's directors and persons who beneficially own more than ten percent of a registered class of the Company's equity securities to file reports of securities ownership and changes in such ownership with the SEC. Certain officers, directors and greater than ten-percent beneficial owners also are required by rules promulgated by the SEC to furnish the Company with copies of all Section 16(a) forms they file.

Based solely upon the Company's review of the copies of such forms it has received, the Company believes that each of its officers, directors and greater than ten-percent beneficial owners complied with all Section 16(a) filing requirements applicable to them during fiscal 2001, except as described below.

Each of the Company's directors and Named Executive Officers (hereinafter defined) inadvertently failed to file a Form 5 by November 14, 2001 to report, (i) for each of Messrs. Donahoe, Dyer, Eagleson, Ergas, Hayford, Jones, Kern, Puth and Roessler, the receipt of certain option grants, (ii) for each of Messrs. Donahoe, Dyer, Ergas, Hayford, Jones, Kern, Milton, Puth and Stirrup, the repurchase by the Company of certain outstanding options in connection with the Company's July 2001 option repricing, (iii) for each of Messrs. Ergas, Kern and Roessler, the acquisition of shares of the Company's Common Stock under the Company's 401(k) plan and, (iv) for Mr. Stirrup, the disposition of shares of the Company's Common Stock under the Company's 401(k) plan. Upon learning of such errors, each of the Company's directors and Named Executive Officers filed a Form 5 on January 7, 2002.

Long-Term Incentive Plan - Awards in Last Fiscal Year

The Company granted no long-term incentive plan awards in fiscal 2000.

Management Employment Agreements

Jean-Pierre M. Ergas is party to an employment agreement with the Company dated as of January 1, 2000 and amended as of January 1, 2002. Under the agreement, as amended, Mr. Ergas will receive an annual base salary of \$500,000 (or such higher amount determined by the Board of Directors), and will be eligible to receive an annual bonus of 60% of his base salary, based on the achievement of goals and objectives determined by the Board of Directors, and will be eligible to participate in all of the Company's employee benefits plans for which senior executive employees of the Company are generally eligible. Under the agreement, Mr. Ergas shall be recommended to the Board to receive options to purchase 36,667 shares of Common Stock for each year during the employment period, beginning in fiscal year 2001. The employment period shall end on December 31, 2004, unless terminated earlier by the resignation, death,

Edgar Filing: BWAY CORP - Form DEF 14A

or permanent disability or incapacity of Mr. Ergas or by the Company with or without cause. In the event Mr. Ergas' employment is terminated by the Company without cause prior to December 31, 2004, the Company shall (i) pay his base salary until the later of December 31, 2004 or the second anniversary of the date of such termination, (ii) pay his target bonus of 60% of his base salary in respect of fiscal year 2002 and the fiscal year in which his employment is terminated (or if his target bonuses have not yet been set for either such fiscal year, an amount equal to 60% of his base salary at the date of termination in lieu of the target bonus for either such fiscal year), (iii) reimburse his COBRA premium under the Company's group health plan and dental plan (if any) on a monthly basis for the lesser of the period in which he is eligible to receive such continuation coverage or 18 months (the "COBRA Period") and, (iv) upon expiration of the COBRA Period, procure individual medical and dental insurance policies for him on substantially similar terms as the coverage provided by the Company on the date of termination. In any event, the aggregate payments to Mr. Ergas on termination (or deemed termination) of the employment period by the Company without cause shall

-18-

not be less than the sum of his annual base salary at the rate in effect at the date of termination, his target bonus for the fiscal year in question at the date of termination and one year's coverage under a medical and dental insurance policy. The amounts payable to Mr. Ergas described in (i)-(iv) above shall be reduced by the amount of any compensation Mr. Ergas receives with respect to any other employment during the period in which the Company is making such payments or, in the event the employment period is terminated as a result of Mr. Ergas' permanent disability or incapacity, by the amount Mr. Ergas receives with respect to any Company disability policy. In the event Mr. Ergas' employment is terminated (a) by the Company for cause, (b) as a result of Mr. Ergas' death, (c) if the employment period expires or the Company decides not to renew this agreement at the end of any one year period following December 31, 2004 or (d) Mr. Ergas resigns and such resignation is not as a result of any material breach of this agreement by the Company which is not cured by the Company within 30 days after Mr. Ergas delivers written notice of such breach to the Board, then Mr. Ergas shall be entitled to receive his base salary through the termination date. If Mr. Ergas' employment terminates after the first anniversary of employment for any reason other than for cause, Mr. Ergas will be entitled to a monthly supplemental retirement benefit until his death (and, following his death, until the death of his surviving spouse). The monthly benefit will be equal to one-twelfth of Mr. Ergas' base salary of \$500,000 in effect on January 1, 2002, multiplied by a percentage multiplier based on the age of Mr. Ergas on the retirement date (10% if Mr. Ergas is 62 years of age on the retirement date and increasing by 5% each year for five years). If the employment period is terminated by the Company without cause, because of Mr. Ergas' permanent disability or incapacity or because of Mr. Ergas' resignation after a change of control, Mr. Ergas shall be entitled to the maximum monthly retirement benefit (as if he were 67 years of age or older on such retirement date). In the event Mr. Ergas' spouse survives Mr. Ergas, she will be entitled to 50% of the monthly benefit. Mr. Ergas has agreed not to compete with the Company during the term of his employment and so long as he is receiving salary and bonus under the agreement as a result of his termination by the Company without cause (but in no event for less than eighteen months after the termination of his employment).

Thomas Eagleson is party to an employment agreement with the Company dated as of July 1, 2000. Under the agreement, Mr. Eagleson will receive an annual base salary of \$200,000 (or such higher amount determined by the Board of Directors), and will be eligible to receive an annual bonus of between 33% and 50% of his base salary, based on the achievement of goals and objectives determined by the Board of Directors, and will be eligible to participate in all

Edgar Filing: BWAY CORP - Form DEF 14A

of the Company's employee benefits plans for which senior executive employees of the Company are generally eligible. Under the agreement, Mr. Eagleson shall be recommended to the Board to be granted 40,000 options to purchase Common Stock, the options to vest in equal portions over a two year period beginning on the first anniversary of the date of grant. The Company shall provide Mr. Eagleson with a reasonably priced furnished apartment in Cincinnati, Ohio mutually agreed upon by both parties. The term of the employment agreement is two years, unless terminated earlier by the resignation, death or permanent disability or incapacity of Mr. Eagleson or by the Company with or without cause. In the event that Mr. Eagleson's employment is terminated by the Company without cause prior to the second anniversary of the agreement, Mr. Eagleson will be entitled to receive his base salary and health, disability and life insurance benefits until the later of the second anniversary of the agreement or the first anniversary of the termination date. The amounts payable to Mr. Eagleson if he is terminated (i) by the Company without cause will be reduced by the amount of any compensation he receives with respect to any other employment or (ii) as a result of his permanent disability or incapacity will be reduced by the amount he receives with respect to any disability policy. Upon the Company's request from time to time, Mr. Eagleson shall furnish any such compensation or payments due to or received by him, and Mr. Eagleson shall have no obligation to seek employment during the period that he is receiving compensation from the

-19-

Company. In the event that Mr. Eagleson's employment is terminated by the Company for cause or by the resignation, death or permanent disability or incapacity of Mr. Eagleson, Mr. Eagleson shall be entitled to receive his base salary through the termination date. Mr. Eagleson has agreed not to compete with the Company during the term of his employment and so long as he is receiving salary and bonus under the agreement as a result of his termination by the Company without cause (but in no event for less than twelve months after the termination of his employment).

Consulting Arrangement

John T. Stirrup is party to an employment agreement with the Company dated as of June 1, 1995, as amended. Pursuant to this agreement, on June 1, 2000, Mr. Stirrup's employment with the Company terminated and the Company engaged Mr. Stirrup as a non-employee consultant from June 2, 2000 until December 1, 2001. Mr. Stirrup was entitled to compensation at the rate of \$350,000 per annum. This agreement was subject to earlier termination upon (i) Mr. Stirrup's resignation, death or incapacity or by the Company with cause (in which case the consulting payment would have immediately ceased) or (ii) Mr. Stirrup's permanent disability or incapacity (in which case Mr. Stirrup would have continued to receive the consulting payment reduced by any amount he received under any disability policy). In addition, pursuant to this agreement, Mr. Stirrup is entitled to deferred payments with respect to his prior services as an employee of the Company of \$75,000 per year for a period of 10 years beginning on Mr. Stirrup's 70th birthday. In the event of Mr. Stirrup's death, Mr. Stirrup's surviving spouse is entitled to receive 50% of such deferred payments during such period. Mr. Stirrup agreed not to compete with the Company during the term of the consulting period and thereafter until the later of (i) the first anniversary of the expiration of the consulting period or termination of the consulting period by any party for any reason or (ii) the date on which Mr. Stirrup receives the final consulting payment after his permanent disability or incapacity.

Change in Control Agreements

In August 2001, the Company entered into change in control agreements with

Edgar Filing: BWAY CORP - Form DEF 14A

each of Messrs. Ergas, Kern, Eagleson and Roessler. The agreements are a result of a determination by the Board of Directors that it is important and in the best interests of the Company and its shareholders to ensure that, in the event of a possible Change In Control of the Company, the stability and continuity of management would continue unimpaired, free of the distractions incident to any such Change In Control. The agreements expire on the earlier of (i) the date such officer's employment with the Company terminates or (ii) the date that is 24 months following a Change In Control.

For purposes of the agreements, the "Business" means the manufacturing of tinplate and steel packaging for consumer and industrial goods, including, but not limited to, aerosol cans, cold rolled and black plate steel pails, tinplate cans, steel ammunition boxes and material center services.

For purposes of the agreements, a "Change In Control" means (i) the sale, transfer or other disposition of 80% or more of the Company's assets or (ii) a sale of 50% or more of the then outstanding voting stock of the Company in a single transaction or a series of related transactions.

For purposes of the agreements, the "Separation Date" means the date on which the officer terminates his employment with the Company for good reason or the date on which the Company or successor entity terminates the officer's employment for any reason other than for cause.

-20-

The change in control agreements are not employment agreements and do not create a contract for benefits, except as set forth therein. Each officer's employment with the Company is at-will and, at either the officer's or the Company's option, the officer's employment may be terminated at any time, with or without cause or notice.

Jean-Pierre Ergas is party to a change in control agreement with the Company dated as of August 30, 2001 and amended as of January 1, 2002. Benefits are payable under the agreement upon a Change In Control in exchange for Mr. Ergas' continued employment with the company. The maximum contribution for any participant for any year is 15% of such participant's eligible compensation.

Management Resources, Nominating and Compensation Committee Interlocks and Insider Participation

Management Resources, Nominating and Compensation Committee Report on Executive Compensation

The Management Resources, Nominating and Compensation Committee reviews and makes recommendations to the Board regarding salaries, compensation and benefits of executive officers of the Company and develops and administers programs providing stock-based incentives. After consideration of the Management Resources, Nominating and Compensation Committee's recommendations, the entire Board reviews and approves the salaries and bonuses and the stock and benefit programs for the Company's

executive officers. This Management Resources, Nominating and Compensation Committee report documents the components of the Company's executive officer compensation programs and describes the bases upon which compensation will be determined by the Management Resources, Nominating and Compensation Committee with respect to the executive officers of the Company.

This Management Resources, Nominating and Compensation Committee report shall not be deemed incorporated by reference by any general statement incorporating by reference this Proxy Statement into any filing under the Securities Act of 1933 or under the Securities Exchange Act of 1934, except to the extent that the Company specifically incorporates this information by reference, and shall not otherwise be deemed filed under such Acts.

Compensation Philosophy. The compensation philosophy of the Company is to link executive compensation to continuous improvements in corporate performance and increases in stockholder value. The goals of the Company's executive compensation programs are as follows:

- . To establish pay levels that are necessary to attract and retain highly qualified executives in light of the overall competitiveness of the market for high quality executive talent.
- . To recognize superior individual performance, new responsibilities and new positions within the Company.

Edgar Filing: BWAY CORP - Form DEF 14A

- . To balance short-term and long-term compensation to complement the Company's annual and long-term business objectives and strategy and to encourage executive performance in furtherance of the fulfillment of those objectives.
- . To provide variable compensation opportunities based on the Company's performance.
- . To encourage stock ownership by executives.
- . To align executive remuneration with the interests of stockholders.

Compensation Program Components. The Management Resources, Nominating and Compensation Committee regularly reviews the Company's compensation program to ensure that pay levels and incentive opportunities are competitive with the market and reflect the performance of the Company. The particular elements of the compensation program for executive officers are further explained below.

Base Salary. The base pay level for each of Messrs. Ergas and Eagleson is set forth in each such executive's employment agreement. Mr. Ergas' base pay level was negotiated in November 2001. Mr. Kern's base pay level was negotiated in February 2001. Mr. Eagleson's base pay level was negotiated in May 2001. Mr. Roessler's base pay level was negotiated in February 2001. See "-Management Employment Agreements."

Annual Incentives. The annual bonuses for Messrs. Ergas, Kern, Eagleson and Roessler are determined annually by the Management Resources, Nominating and Compensation Committee. See "-

-24-

Management Employment Agreements." The Company uses annual bonuses to enhance management's contribution to stockholder returns by offering competitive levels of compensation for the attainment of the Company's financial objectives. In particular, the Company utilizes annual bonuses to focus corporate behavior on the achievement of goals for growth, financial performance and other items.

Stock Ownership. The Management Resources, Nominating and Compensation Committee believes that it can align the interests of stockholders and executives by providing those persons who have substantial responsibility over the management and growth of the Company with an opportunity to establish a meaningful ownership position in the Company. Under the Company's Incentive Plan, the Company granted stock options to Messrs. Ergas, Kern, Eagleson and Roessler during fiscal 2001. See "-Option/SAR Grants in Last Fiscal Year." In addition, the Company granted other key employees stock options during fiscal 2001.

Report on Repricing of Options. On July 27, 2001, the Company repurchased from certain employees, directors and other eligible option holders certain outstanding options with an exercise price of \$9.00 per share or more. In connection therewith and in consideration therefor, on January 28, 2002 or shortly thereafter (the "Reissue Date"), the Company will be obligated to reissue to such persons options to acquire a number of shares equal to the number of shares subject to the surrendered options. The new options will have an exercise price equal to the closing price of the Company's Common Stock on the Reissue Date. However, if, for any reason, any person who surrendered options to the Company in connection with this offer does not continuously

Edgar Filing: BWAY CORP - Form DEF 14A

remain an employee or director of the Company or any of the Company's subsidiaries from July 27, 2001 through the Reissue Date, he or she will not be entitled to receive any new options or any other consideration in exchange for the options surrendered to the Company in July 2001. 50% of the new options issued to each person will be immediately exercisable on the Reissue Date and the remaining 50% will be exercisable on the first anniversary of the Reissue Date. For information regarding the options surrendered in connection with this offer by the executive officers of the Company, see the table under the heading "-Option/SAR Repricing in Last Fiscal Year" above.

At the time of the Company's decision to commence its option repricing offer, many of the Company's outstanding options had exercise prices that were significantly higher than the market price of the Company's Common Stock. At the time, the Company believed that such options were unlikely to be exercised in the near future. By offering to repurchase certain outstanding options and issue in exchange therefor new options having an exercise price equal to the fair market value of the Company's Common Stock on the Reissue Date, the Company intended to provide option holders with the benefit of owning options possessing a greater potential to increase in value over time. The Company believed that this benefit would not only create performance incentives for options holders, many of whom are employees of the Company, but would also maximize shareholder value.

Chief Executive Officer Compensation. The base pay level and annual incentive bonus compensation for Mr. Ergas, who has served as the Company's Chief Executive officer since January 1, 2000, was determined by the Management Resources, Nominating and Compensation Committee in its discretion based on achievement of goals and objectives determined by it and in accordance with their respective employment agreements. The Board has set Mr. Ergas' base salary for the year beginning on January 1, 2002 and ending on December 31, 2002 at \$500,000 per annum, subject to increase by the Board. See "-Management Employment Agreements."

-25-

Certain Tax Considerations. Section 162(m) of the Internal Revenue Code of 1986, as amended, limits the deductibility on the Company's tax return of compensation over \$1 million to any of the Named Executive Officers, unless, in general, the compensation is paid pursuant to a plan which is performance-based, is non-discretionary and has been approved by the Company's stockholders. The Company's policy with respect to Section 162(m) is to make reasonable efforts to ensure that compensation is deductible without limiting the Company's ability to attract and retain qualified executives.

Summary. After its review of all existing programs, the Management Resources, Nominating and Compensation Committee believes that the total compensation program for executives of the Company is focused on increasing values for stockholders and enhancing corporate performance. The Management Resources, Nominating and Compensation Committee currently believes that the compensation of executive officers is properly tied to stock appreciation through stock options or stock ownership. The Management Resources, Nominating and Compensation Committee believes that executive compensation levels at the Company are competitive with the compensation programs provided by other corporations with which the Company competes. The foregoing report has been approved by all members of the Management Resources, Nominating and Compensation Committee.
